## ING Group completes sale of Baring Asset Management

ING Group has finalised the sale of Baring Asset Management, as agreed on 22 November 2004, to MassMutual Financial Group and Northern Trust Corp. with effect from 31 March 2005.

MassMutual has purchased the investment management activities of Baring Asset Management with approximately EUR 26 billion in assets under management for an undisclosed sum.

Northern Trust has purchased Baring Asset Management's Financial Services Group, with approximately EUR 53 billion in funds under administration, EUR 25 billion in custody, and EUR 25 billion held in trust, for a sum of approximately GBP 260 million (EUR 377 million).

As earlier disclosed, the sales will result in a net gain of about EUR 250 million for ING, which will be booked in the first quarter of 2005. The transactions will also have a positive impact of approximately 80 basis points on the debt/equity ratio of ING Group.
