OF

NETSOL SHAREHOLDERS GROUP, LLC

Dear Fellow NetSol International, Inc. Stockholders:

This Proxy and Consent Statement and the accompanying BLUE proxy card and GREEN consent card are being furnished to stockholders ("Stockholders") of NetSol International, Inc. (the "Company") with a principal executive office at 24025 Park Sorrento, Suite 220, Calabasas, California 91302 in connection with (a) the solicitation of proxies by NetSol Shareholders Group, LLC (the "Group") to be used at a special meeting (the "Special Meeting") of Stockholders to be held at 9:00 a.m. local time on Tuesday, June 19, 2001, at the offices of the Company at 24025 Park Sorrento, Suite 220, Calabasas, California, and at any adjournments, postponements or reschedules thereof and (b) the solicitation of written consents by the Group in lieu of the Special Meeting. This Proxy and Consent Statement and the BLUE proxy card and GREEN consent card are first being furnished to Stockholders on or about June 7, 2001.

At the Special Meeting, the Group will seek to: (a) amend the Bylaws of the Company (the "Bylaws"), to increase the maximum number of directors from nine (9) to fifteen (15) directors, and to change the number of authorized directors from eight (8) to fifteen (15) directors (the "Board Increase"); and (b) elect seven (7) new directors (the "New Directors") to fill the vacancies on the Board of Directors ("Board") created by the Board Increase (the Board Increase and the election of the Nominees, each a "Proposal," and collectively, the "Proposals"). The Group's current nominees to be New Directors are named below under "Election of Directors." Each of the nominees (each a "Nominee" and, collectively, the "Nominees"), have been selected by the Group.

In the alternative, rather than amending the Bylaws and appointing the New Directors at the Special Meeting, the Group is seeking to amend the Bylaws and appoint the New Directors by written consent in accordance with Section 78.320(2) of the Nevada Revised Statutes ("NRS"). NRS Section 78.320(3) provides that in no instance where action is authorized by written consent need a meeting of stockholders be called or notice given.

Section 1 of Article V of the Bylaws provides that the Bylaws may be amended by the affirmative vote of Stockholders holding of record in the aggregate at least a majority of the outstanding shares of stock entitled to vote in the election of directors at any annual or special meeting of Stockholders, provided that the notice or waiver of notice of such meeting shall have summarized or set forth in full therein, the proposed amendment. Pursuant to NRS Section 78.320(2), any action required or permitted to be taken at a meeting of stockholders may be taken without a meeting if a written consent thereto is signed by stockholders representing not less than a majority of the voting power of the issued and outstanding stock entitled to voting power. NRS Section 78.320(3) provides that in no instance where action is authorized by written consent need a meeting of stockholders be called or notice given.

The Group's proposed Board Increase, if approved, will create seven (7) vacancies on the Board. Sections 4.1 and 4.3 of Article II of the Bylaws provide that vacancies on the Board may be filled by the vote of a majority of the outstanding shares entitled to vote, represented at a duly held meeting at which a quorum is present, or by the written consent of holders of the majority of the outstanding shares entitled to vote; each director so elected shall hold office until the next annual meeting of the Stockholders and until a successor has been elected and qualified.

Edgar Filing: NETSOL INTERNATIONAL INC - Form DFRN14A

In accordance with NRS Sections 78.320(2) and 78.320(3) and consistent with both the Articles of Incorporation of the Company, as amended (the "Articles") and the Bylaws, the Group may effect the Board Increase and the election of the Nominees as the New Directors by obtaining the written consent of Stockholders holding the required majority voting power, without holding a special

3

4

meeting of Stockholders and without giving prior notice of such action to the Stockholders. If Stockholders representing not less than a majority of the voting power of the issued and outstanding stock entitled to voting power sign and return GREEN consent cards enacting the Board Increase and electing the Nominees as the New Directors, and such consents are delivered to the Company prior to 9:00 am on June 19, 2001, such action will be taken by such written consent in lieu of the Special Meeting.

If the requisite consents are not delivered prior to the Special Meeting, then the Group will seek to enact the Board Increase and appoint the Nominees as the New Directors at the Special Meeting. If sufficient consents to enact the Board Increase but not to appoint the New Directors are delivered prior to the Special Meeting, the Group will seek to appoint the Nominees as the New Directors at the Special Meeting. If the requisite consents are not delivered prior to the Special Meeting, and neither the Proposal nor incumbent management's proposal to eliminate the ability to act by written consent (see "Incumbent Management's Proposals" below) are enacted at the Special Meeting, the Group will continue to solicit sufficient consents to enact the Proposals through August 1, 2001. If incumbent management's proposal to provide that any action to be taken by Stockholders take place only at annual or special meetings of Stockholders and not by written consent of Stockholders, is adopted at the Special Meeting then consents dated after the date of the Special Meeting would be ineffective and the Group will therefore not continue to solicit such consents.

The Group is not satisfied with the existing management or Board of the Company. It believes that the losses announced by the Company on May 14 and May 15, 2001, demonstrate that the Company is not maximizing the value of its assets, and has not adequately pursued market opportunities. The Group believes that the decline in the Company's stock price from \$75.00 per share in March 2000 to the current price of under \$5.00 per share demonstrates that the investment community lacks confidence in both the Company and its management. The Group believes that it is in the best interest of all of the Stockholders to increase the size of the Board and to add the Nominees as the New Directors, who are committed to maximizing the share price and forging a clear direction for the Company. ACCORDINGLY, THE GROUP IS SOLICITING PROXIES AND CONSENTS IN FAVOR OF AMENDING THE COMPANY'S BYLAWS SO AS TO INCREASE THE SIZE OF THE BOARD OF DIRECTORS FROM EIGHT (8) DIRECTORS TO FIFTEEN (15) DIRECTORS AND TO ELECT THE NEW DIRECTORS PROPOSED BY THE GROUP.

THE NOMINEES ARE COMMITTED TO ACTING IN THE BEST INTEREST OF THE STOCKHOLDERS. THE GROUP BELIEVES THAT YOUR VOICE IN THE FUTURE OF THE COMPANY CAN BEST BE EXPRESSED THROUGH AMENDMENT OF THE BYLAWS INCREASING THE SIZE OF THE BOARD AND THE ELECTION OF THE NOMINEES AS THE NEW DIRECTORS. ACCORDINGLY, THE GROUP URGES YOU TO VOTE YOUR BLUE PROXY CARD AND GREEN CONSENT CARD FOR THE BOARD INCREASE AND FOR THE NOMINEES AS THE NEW DIRECTORS.

Edgar Filing: NETSOL INTERNATIONAL INC - Form DFRN14A

IF YOUR SHARES ARE HELD IN THE NAME OF A BROKERAGE FIRM, BANK, BANK NOMINEE OR OTHER INSTITUTION ON THE RECORD DATE, ONLY IT CAN VOTE SUCH SHARES AT THE SPECIAL MEETING AND ONLY UPON RECEIPT OF YOUR SPECIFIC INSTRUCTIONS. ACCORDINGLY, PLEASE CONTACT THE PERSON RESPONSIBLE FOR YOUR ACCOUNT AND INSTRUCT THAT PERSON TO EXECUTE ON YOUR BEHALF THE BLUE PROXY CARD AS SOON AS POSSIBLE.

IMPORTANT

The approval of the Board Increase requires the affirmative vote of a majority of the votes cast at the Special Meeting, and, the election of the Nominees as New Directors requires a plurality of the votes cast at the Special Meeting, assuming a quorum is present or otherwise represented at the Special Meeting. A majority of the outstanding shares entitled to vote is required for the approval of the Board Increase and for the election of the Nominees as the New Directors by written consent. The standards for approval of each of the Proposals, at either the Special Meeting or by written consent, are as set forth in the following chart:

	Amendment of Company Bylaws	Filling Vacancies on Company's Board of
Action at Special Meeting of Stockholders	Requires that the number of votes cast in favor of the action exceeds the number of votes cast in opposition to the action. See NRS 78.320(1)(b).	Requires a plurality of votes cast at the election. See NRS 78.330(1).
Action by Written Consent of Stockholders	Requires consent of stockholders holding at least a majority of the voting power. See NRS 78.320(2).	Requires consent of a majority of the outstanding shares entitled to vote. See NRS 78.320(2); Article II, Section 4.3 of Bylaws.

As a result, your vote is extremely important in deciding the future of the Company. The Group urges you to sign, date and return the enclosed BLUE proxy card and GREEN consent card to vote FOR the Board Increase and FOR the election of the Nominees as the New Directors.

THE GROUP URGES YOU NOT TO SIGN ANY PROXY OR CONSENT CARD SENT TO YOU BY MANAGEMENT OF THE COMPANY. IF YOU HAVE ALREADY DONE SO, YOU MAY REVOKE YOUR PROXY BY DELIVERING A LATER-DATED BLUE PROXY CARD TO THE GROUP. SEE "VOTING PROCEDURES" "PROXY PROCEDURES" AND "REVOCATION" BELOW.

Only holders of record of the Company's voting securities as of the close of business on Friday, May 11, 2001 (the "Record Date") are (i) entitled to notice of and to vote at the Special Meeting and any adjournments or postponements thereof. According to the Quarterly report on Form 10-QSB for the quarterly period ending March 31, 2001, filed with the Securities and Exchange Commission (the "SEC") on May 15, 2001, as of May 11, 2001 there were 11,731,440 shares of common stock, par value \$.001 per share (the "Common Stock"), outstanding and no shares of preferred stock of the Company outstanding. Unless a Stockholder exercises his right to cumulate votes for purposes of voting in the election of a New Director at the Special Meeting, Stockholders of record at the close of business on the Record Date will be entitled to one vote at the Special Meeting

Edgar Filing: NETSOL INTERNATIONAL INC - Form DFRN14A

for each share of Common Stock held on the Record Date.

As of May 11, 2001, members of the Group, Blue Water Master Fund, L.P., ("BW Master Fund"), Blue Water Partners II, L.P., PSM International Limited ("PSM"), and Dr. Henry Vogel (collectively, the "Group Members"), beneficially owned an aggregate of 3,016,840 shares of Common Stock, representing approximately 25.7% of the outstanding shares of Common Stock. The Group Members and their affiliates intend to vote such shares FOR the Board Increase and FOR the election of the Nominees as the New Directors.

The NRS do not impose either a record date or an expiration date with regard to consents. Those requirements were deleted by amendments to the NRS adopted in 1991. Pursuant to NRS 78.320(2), all shareholders holding voting power on the date on which a majority of consents are executed may execute consents. Pursuant to NRS 78.320(3), no notice of any kind to shareholders is required before the execution or effectiveness of written consents. While the consents do not expire, the Group does not intend to continue soliciting consents if sufficient consents are not received by August 1, 2001. In order to avoid the necessity of the Special Meeting, the Group must receive consents from stockholders holding at least a majority of the voting power before the Special Meeting. If the incumbent management's proposal to eliminate Stockholder written consents is successful, the Group does not intend to continue soliciting consents after the Special Meeting, because consents dated after June 19, 2001 will be ineffective.

THE GROUP URGES YOU TO VOTE FOR THE BOARD INCREASE AND FOR THE NOMINEES AS THE NEW DIRECTORS BY RETURNING YOUR COMPLETED BLUE PROXY CARD AND GREEN CONSENT CARD TODAY. A failure to sign, date and return the BLUE proxy card in a timely manner will have the same effect as a vote against the Proposals, and the failure to sign, date and return the GREEN consent card in a timely manner will have the same effect as voting against the Proposals. If you have any questions, you can reach the Group's proxy solicitor, Innisfree M&A Incorporated, Attn. Alan Miller, at 1-888-750-5834.

BACKGROUND OF THE PROXY SOLICITATION

The Common Stock has declined precipitously from a high of \$75.00 per share on March 3, 2000 to a low of \$1.38 on April 5, 2001. During 2000 and the beginning of 2001, Mr. Jonathan Iseson contacted members of the Board regarding problems that BW Master Fund perceived with the management and profitability of the Company. BW Master Fund cited the lack of response of the Company to market conditions, the Company's refusal to acquire target companies that could increase the Company's value, the Company's lack of collection efforts of accounts receivable, and resignations by members of the Board.

On January 22, 2001, BW Master Fund filed an amendment to its Schedule 13D, stating its intent to be more than a passive investor. During the first quarter of 2001, BW Master Fund requested information regarding the Company's allocation of revenues and currency translations, BW Master Fund was not satisfied with the Company's response to its concerns.

On April 17, 2001, investment banker Shelly Singhal, who is a director of Netgateway, Inc. (OTC BB: NGWY.OB), was contacted for the first time based on a referral. BW Master Fund had no prior relationship with Mr. Singhal or Netgateway. On April 19, 2001, BW Master Fund had oral discussions with Mr. Singhal, concerning a possible strategic fit between Netgateway and the Company. Netgateway is a potential customer of the Company, because Netgateway employees several programmers and could potentially benefit from outsourcing some or all

Edgar Filing: NETSOL INTERNATIONAL INC - Form DFRN14A

of its programming needs to the Company.

On April 24, 2001, BW Master Fund, engaged legal counsel and initiated oral communication with a limited number of fellow Stockholders pursuant to Rule 14a-2(b)(2), for the purpose of discussing their views on the management and performance of the Company. BW Master Fund contacted Dr. Robert Harman because he had met with the Company's management and Mr. Iseson at the Company's 2000 Annual Meeting of Stockholders to discuss the Company's business plans and strategic direction. BW Master Fund was aware of PSM because it had a Consulting Agreement with the Company which expired in August 2000, and Mr. Iseson had met PSM's principal Graeme Glew at racing events.

As a major Stockholder, BW Master Fund has similar concerns as other Stockholders with the Company's recent poor financial performance and falling stock price. BW Master Fund believed that Robert and Susan Harman (the "Harmans") and PSM had similar concerns as BW Master Fund regarding the Company, and therefore contacted them, for the first time on April 24, concerning the possibility of forming a shareholder group. On April 25, 2001, the Group Members and the Harmans formed the Group for the purpose of exploring available options.

On April 25, 2001, the Group Members entered into a Stock Option Agreement with Netgateway pursuant to which Netgateway was granted an option to purchase up to 300,000 of the Group Members' shares in the Company, and the Group Members were given warrants to purchase up to 300,000 shares in Netgateway common stock. The Stock Option Agreement was suggested by Mr. Singhal to immediately give each party some vested interest in the other's success. Donald Danks, Chairman and Chief Executive Officer of Netgateway, has stated that "I believe this is an excellent opportunity for two complimentary companies to explore a wide range of strategic options to help maximize the value of the products, services, infrastructures and assets of both companies." The Group believes that there may be a strategic fit between the two companies, such as the possibility that the Company could provide programming outsourcing for Netgateway. However, neither the Group nor Netgateway has yet fully analyzed or determined whether this is the case, no agreement has been reached between the Group (or any Group Members) and Netgateway other than the Stock Option Agreement, and there have been no specific negotiations concerning any acquisition, merger or other potential transaction involving the Company and Netgateway.

BW Master Fund, Blue Water Partners II, L.P., Dr. Henry Vogel and Netgateway each signed the Stock Option Agreement. Although listed as parties to the Stock Option Agreement, the Harmans did not sign it. The Harmans agreed to be part of the Group and were included in the initial Scheduled 13D filing. However, thereafter Dr. Harman contacted the Group and stated that the Harmans had changed their minds and did not want to execute the Stock Option Agreement or remain in the Group. The 8,506 shares allocated from the Harmans under the option agreement were reallocated pro-rata among BW Master Fund and Blue Water Partners II, L.P.

On the morning of April 26, 2001, the Group filed a Schedule 13D with the SEC and issued a press release announcing the formation of the Group. The Group attempted to initiate contact with management of the Company. Management refused to accept the Group's telephone calls. Thereafter, in the early afternoon of April 26, the Group decided, for the first time, to initiate a proxy contest, and instructed its legal counsel to immediately prepare and file a preliminary proxy statement with the SEC.

On April 27, 2001, BW Master Fund called a Special Meeting of the Stockholders for June 1, 2001, by written request to the Chairman of the Board of the Company, later postponed to June 19, 2001. BW Master Fund currently holds approximately 18.5% of the outstanding shares entitled to vote. Section 3.1 of Article IV of the Bylaws authorizes one or more Stockholders, holding in the

Edgar Filing: NETSOL INTERNATIONAL INC - Form DFRN14A

aggregate at least 10% of the shares entitled to vote at any such meeting, to call a Special Meeting for any purpose or purposes whatsoever. Pursuant to Section 3.2 of Article IV of the Bylaws, the officer receiving such a request shall forthwith cause notice to be given to the Stockholders entitled to vote, that a meeting will be held at the time requested by the Stockholder or Stockholders calling the meeting.

On April 27, 2001, the Group also filed a preliminary proxy statement with the SEC, and issued a press release announcing the initiation of a proxy contest. Counsel for the Group thereafter spoke with counsel for the Company in an attempt to initiate discussions. Neither the Company nor its counsel responded. The Company thereafter stated that "there is no room for compromise at this point in time," and that "there was never any intent to negotiate with the Group."

On May 7, 2001, the Company filed a preliminary proxy statement with the SEC stating that it would hold the Special Meeting as requested by BW Master Fund. On May 9, 2001, BW Master Fund revised its Special Meeting request to: (a) amend the Bylaws to increase the maximum number of directors from nine (9) to fifteen (15) directors and to change the number of authorized directors from eight (8) to fifteen (15) directors; and (b) elect the Nominees as the New Directors. On May 18, 2001, the Group filed an amended preliminary proxy statement with the SEC. On May 23, 2001, the Company filed an amended preliminary proxy and consent solicitation statement with the SEC, including a proposal that Stockholders approve certain amendments to the Company's Articles and Bylaws in the event that the Group's Proposals were defeated.

5

6

In opposition to the current Board, the Group is seeking to solicit the proxies and consents of Stockholders to be used to amend the current Bylaws so as to increase the size of the Board from eight (8) directors to fifteen (15) directors and to elect the Nominees as New Directors of the Company by written consent, or alternatively at the Special Meeting. The Nominees, if elected, intend to engage an investment bank and actively pursue acquiring, merging with or being acquired by another public company. The Group believes that one or more current directors of the Company, including Cary Burch, will vote in favor of this plan. The Nominees plan to change the existing management and operations of the Company to effectuate this plan. Each of the Nominees has consented, if so elected, to serve as a director and is fully committed, if elected, to take such action as the Nominees deem advisable and in the best interest of the Stockholders and which they believe will maximize stockholder value and improve the Company's future viability and growth.

The Group believes that the adoption of this strategy will make the Company a far more attractive company.

BOARD INCREASE

The Group is seeking to amend the Bylaws to increase the maximum number of directors from nine (9) to fifteen (15), and to change the number of authorized directors from eight (8) to fifteen (15). Specifically, the Group is only seeking to amend the first sentence of Article II, Section 2 of the Bylaws. The first sentence of Article II, Section 2 of the Bylaws currently states:

"The authorized number of Directors of the Corporation shall be not less than three (3) nor more than nine (9) and the exact number of directors

Edgar Filing: NETSOL INTERNATIONAL INC - Form DFRN14A

shall be eight (8) until changed, within the limits specified above, by a resolution amending such exact number, duly adopted by the Board of Directors or by the shareholders."

The Group's proposed amendment would amend the first sentence of Article II, Section 2 of the Bylaws to state:

"The authorized number of Directors of the Corporation shall be not less than three (3) nor more than fifteen (15) and the exact number of directors shall be fifteen (15) until changed, within the limits specified above, by a resolution amending such exact number, duly adopted by the Board of Directors or by the shareholders."

If the Board increase is approved, the Group seeks to elect the Nominees as the New Directors.

ELECTION OF DIRECTORS

According to the Company's proxy statement prepared in connection with the 2000 Annual Meeting of the Company, as filed with the SEC on November 9, 2000 (the "Company's Proxy Statement"), the Company currently has eight (8) Directors, all of whose terms will expire at the next annual meeting of the Stockholders. The Group proposes that the Stockholders vote in favor of the Board Increase and elect each of the Nominees as the New Directors by written consent or at the Special Meeting. Each Nominee, if elected, would hold office until the next annual meeting of the Stockholders or until a successor has been elected and qualified. Although the Group does not anticipate that any of the persons named below will be unable or unwilling to stand for election, in the event of such occurrence, proxies or consents may be voted for a substitute designated by the Group.

Background information about the Nominees is set forth below. See Appendix I for additional information about the Nominees, including their beneficial ownership, purchase and sale of securities issued by the Company over the past two years and the name and address of their principal employers.

From 1987 to 1989, Mr. Sollenne was the President of PMA Group, Inc., a start-up company servicing the sales and marketing needs of the financial community and lease syndication industry. THE GROUP STRONGLY URGES YOU TO VOTE FOR THE BOARD INCREASE AND FOR THE ELECTION OF THE NOMINEES AS THE NEW DIRECTORS BY SIGNING, DATING AND RETURNING THE ENCLOSED BLUE PROXY CARD AND GREEN CONSENT CARD IN THE POSTAGE-PAID ENVELOPE PROVIDED TO YOU WITH THIS PROXY AND CONSENT STATEMENT. IF YOU HAVE SIGNED THE BLUE PROXY CARD OR THE GREEN CONSENT CARD AND NO MARKING IS MADE ON IT, YOU WILL BE DEEMED TO HAVE GIVEN A DIRECTION TO VOTE THE SHARES REPRESENTED BY THE BLUE PROXY CARD OR GREEN CONSENT CARD FOR THE BOARD INCREASE AND FOR THE ELECTION OF ALL OF THE NOMINEES AS THE NEW DIRECTORS.

All transactions in securities of the Company engaged in by the Group and any Nominee during the past two years, as well as current ownership of any such securities by the Group any Nominee, are listed on Appendix I. Neither the Group, nor any Nominee owns any securities of the Company of record but not beneficially. Neither the Group, nor any Nominee owns beneficially any securities of any parent or subsidiary of the Company. In addition, and except as stated herein, neither the Group, nor any Nominee or any of their associates has any agreement or understanding with respect to future employment by the Company, and no such person has any agreement or understanding with respect to

Edgar Filing: NETSOL INTERNATIONAL INC - Form DFRN14A

any future transactions to which the Company will or may be a party.

One of the Nominees, Mr. Martin, as President of Corvus Business Development Services ("Corvus"), negotiated a Finders Agreement with the Company, pursuant to which Corvus was to find potential candidate companies for acquisition, merger, investment or other business combinations on behalf of the Company. However, the Finders Agreement was never executed by Corvus, no services were performed, and no consideration was exchanged between the parties.

Except as described herein, neither the Group, nor any Nominee nor any of their associates (i) has engaged in or had a direct or indirect interest in any transaction or series of transactions since the beginning of the Company's last fiscal year or in any currently proposed transaction, to which the Company or any of its subsidiaries is a party, where the amount involved was in excess of \$60,000, (ii) owns beneficially or of record any securities of the Company, (iii) borrowed any funds for the purpose of acquiring or holding any securities of the Company or is presently, or has been within the past year, a party to any contract, arrangement or understanding, with any person with respect to securities of the Company.

9

10

AGREEMENTS WITH NOMINEES

The Group has entered into letter agreements (the "Nominee Agreements") with each of the Nominees with respect to their service as Nominees, to stand for election as Directors of the Company at the Special Meeting. The Nominee Agreements each provide, among other things, as follows:

- The Nominee acknowledges that he has agreed to become a member of the slate of Nominees to stand for election as directors of the Company in connection with a proxy contest with management of the Company in respect of the election of directors of the Company at the Special Meeting or by written consent of the Stockholders.
- The Group agrees to pay the costs of the proxy contest.
- The Group agrees to indemnify each Nominee from and against any losses incurred by the Nominee arising from any action relating to such Nominee's role as a Nominee, absent gross negligence or willful misconduct.
- The Nominee agrees to withdraw as a Nominee of the Group if requested to do so by the Group at any time prior to his election as a Director of the Company.

INCUMBENT MANAGEMENT'S PROPOSALS

If the Board Increase is not successful at the Special Meeting, the incumbent management of the Company has stated its intention to make the following proposals at the Special Meeting:

Proposal 3. Amend the Articles to remove cumulative voting in the election of Company directors;

Proposal 4. Amend the Articles to provide for a classified Board so each of the

Edgar Filing: NETSOL INTERNATIONAL INC - Form DFRN14A

Company's directors is elected for a three year term with one-third of the Board standing for election each year;

Proposal 5. Amend the Articles and Bylaws to provide that any action required or permitted to be taken by the Stockholders may be effected only at an annual or special meeting of Stockholders, and not by written consent of Stockholders;

Proposal 6. Amend the Articles and Bylaws to provide that only the Company's chief executive officer, president, chairman of the board or Board may call a special meeting of Stockholders;

Proposal 7. Amend the Articles and Bylaws to provide for an advance notice procedure for the nomination, other than by or at the direction of the Board or a committee of the Board, of candidates for election as directors as well as for other proposals to be considered at meetings of Stockholders;

Proposal 8. Amend the Articles and Bylaws to provide that Company directors may only be removed from office for cause;

Proposal 9. Amend the Articles and Bylaws to provide that the affirmative vote of holders of at least 66-2/3% vote of the outstanding voting stock be required to amend the Bylaws or Articles;

Proposal 10. Amend the Articles to authorize 5,000,000 shares of undesignated preferred stock with right, preferences and privileges to be designated by the Board without the Stockholders' vote;

Proposal 11. Amend the Articles to provide for limited liability for Company directors, officers and other agents of the Company.

For more detailed information concerning the incumbent management's proposals, please see the Definitive Proxy Statement filed by the Company. The Group believes that all of the incumbent management's proposals would make replacing the Board by Shareholder action more cumbersome in an attempt to entrench the incumbent management, and are therefore not in the best interests of Shareholders. In addition, if proposal 5 were adopted, it would effectively prevent the Group from continuing to solicit written consents after the Special Meeting, because written consents dated after the date of the Special Meeting would be ineffective. The Group opposes all of the above proposals 3 through 11, and if these proposals are brought before the Special Meeting, the Group members and their affiliates intend to vote all of their shares AGAINST the incumbent management's proposals.

THE GROUP URGES YOU TO VOTE AGAINST THE INCUMBENT MANAGEMENT'S PROPOSALS. IF YOU HAVE SIGNED THE BLUE PROXY CARD AND NO MARKING IS MADE ON IT INDICATING YOUR DESIRE TO VOTE IN FAVOR OF THE INCUMBENT MANAGEMENT'S PROPOSALS, YOU WILL BE DEEMED TO HAVE GIVEN A DIRECTION TO VOTE THE SHARES REPRESENTED BY THE BLUE PROXY CARD AGAINST ALL OF THE INCUMBENT MANAGEMENT'S PROPOSALS.

OTHER MATTERS TO BE CONSIDERED AT THE SPECIAL MEETING

Except as set forth above, the Group does not know of any proposals to be presented at the Special Meeting. Should other proposals be brought before the Special Meeting, the persons named on the BLUE proxy card -- to whom proxies will have been granted -- will abstain from voting on such proposals unless such proposals adversely affect the interests of the Group and/or the Nominees as determined by the Group in its sole discretion, in which event such persons will have authority to vote on such proposals at their discretion.

PROXY PROCEDURES

Edgar Filing: NETSOL INTERNATIONAL INC - Form DFRN14A

IN ORDER FOR YOUR VIEWS TO BE REPRESENTED AT THE SPECIAL MEETING, PLEASE MARK, SIGN, DATE AND RETURN THE ENCLOSED BLUE PROXY CARD AND RETURN IT TO NETSOL SHAREHOLDERS GROUP, LLC IN THE ENCLOSED POSTAGE-PREPAID ENVELOPE. The accompanying BLUE proxy card will be voted at the Special Meeting in accordance with your instructions on such card.

Only holders of record as of the close of business on the Record Date will be entitled to vote at the Special Meeting or any adjournments thereof. If you were a Stockholder of record on the Record Date, you will retain your voting rights at the Special Meeting even if you sell such shares after the Record Date. Accordingly, it is important that you vote the shares held by you on the Record Date, or grant a proxy to vote such shares on the BLUE proxy card, even if you sell such shares after the Record Date.

On May 11, 2001, there were 11,731,440 shares of Common Stock outstanding. Each share of Common Stock is entitled to one vote on the matters to be presented at the Special Meeting unless a Stockholder provides notice of his exercise of cumulative voting rights pursuant to NRS 78.360. To exercise his rights of cumulative voting, a Stockholder must give written notice to the President or Secretary of the Company that the Stockholder desires that the voting for the election of directors be cumulative. The notice must be given not less than 48 hours before the time fixed for holding the Special Meeting, if notice of the Special Meeting has been given at least 10 days before the date of the Special Meeting, and otherwise not less than 24 hours before the Special Meeting, as required under NRS Sections 78.360(1) and (2). A Stockholder may only exercise rights to cumulative voting with respect to the Proposal to elect the New Directors. A Stockholder exercising his cumulative voting rights is entitled to as many votes as equal the number of shares owned by that Stockholder multiplied by the number of directors to be elected and he may cast all of his votes for a single director or may distribute them among the number to be voted for or any two or more of them, as he may see fit.

A majority of the votes entitled to be cast on matters to be considered at the Special Meeting, present in person or by proxy, will constitute a quorum at the Special Meeting. If a share is represented for any purpose at the Special Meeting, it is deemed to be present for all other matters. Abstentions and broker nonvotes will be counted for purposes of determining the presence or absence of a quorum. "Broker nonvotes" are shares held by brokers or nominees which are present in person or represented by proxy, but which are not voted on a particular matter because instructions have not been received from the beneficial owner. The effect of broker nonvotes is not certain, because Nevada law does not specify whether they are considered shares entitled to vote for purposes of a contested proxy solicitation. With regard to actions taken at the Special Meeting, because the standards for approval of both Proposals are based on votes cast, nonvotes will be counted as a vote against the Proposals. With regard to action by written consent on both Proposals, which are based on a majority of the outstanding shares entitled to vote, a minority view holds that broker nonvotes are treated as represented at the meeting, and therefore have the effect of a vote cast against the Proposals. Another view holds that broker nonvotes reflect the withholding of power to vote, are therefore not shares entitled to vote, and as such will not influence the voting results. The majority view is that broker nonvotes are counted as shares entitled to vote but not as votes cast, and as such are not considered in the calculation of the majority. The Group has not made a decision on which of the standards should apply here and will make such a decision, if necessary, at a subsequent time based upon the actual results of the voting. Because the Group believes that broker nonvotes or failure to return a signed BLUE proxy card may have the same effect as a vote against the Proposals, the Group urges each Stockholder to ensure that the record holder of his shares on the Record Date signs, dates and returns the enclosed BLUE proxy card as soon as possible.

Because the Group must receive consents from a majority of the Company's

Edgar Filing: NETSOL INTERNATIONAL INC - Form DFRN14A

outstanding shares in order for the Proposals to be adopted by written consent, broker nonvotes, abstentions or failure to return a signed GREEN consent card will have the same effect as a vote against both of the Proposals. The Group therefore urges each Stockholder to sign, date and return the enclosed GREEN consent card as soon as possible.

The effectiveness of electing any of the Nominees is conditioned upon the approval of the Board Increase.

CONSENT INSTRUCTIONS

Each Stockholder may elect to consent or withhold consent to each Proposal by marking the "CONSENTS" or "WITHHOLDS CONSENT" box, as applicable, underneath each Proposal on the accompanying GREEN consent card and signing, dating and returning it promptly in the enclosed envelope. In addition, a Stockholder may withhold consent to the election of any individual Nominee by writing such person's name where indicated on the GREEN consent card. Cumulative voting is not available in the context of a consent action.

If you execute a GREEN consent card but deliver the GREEN consent card to the Company, the written consent will still be valid. However, the Group requests that if you inadvertently send your GREEN consent card to the Company, that a photocopy of the GREEN consent card also be delivered to the Group at: NetSol Shareholders Group, LLC c/o Innisfree M&A Incorporated, 501 Madison Avenue, 20th Floor, New York, NY 10022, Attn. Alan M. Miller -- so that the Group will be aware of your consent.

10

11

REVOCATION

A proxy may be revoked at any time the Secretary of the Company or the person appointed to count the votes of stockholders and determine the validity of proxies or ballots by submitting (i) a written, dated revocation of such proxy or (ii) a later dated proxy covering the same shares. Although a revocation or later dated proxy delivered only to the Company will be effective to revoke a previously executed proxy, the Group requests that if a revocation or later dated proxy is delivered to the Company, a photocopy of the revocation or later dated proxy also be delivered to the Group at: NetSol Shareholders Group, LLC, c/o Innisfree M&A Incorporated, 501 Madison Avenue, 20th Floor, New York, NY 10022, Attn. Alan M. Miller-- so that the Group will be aware of such revocation.

A Stockholder's valid revocation of a proxy will not constitute a valid revocation of such Stockholder's executed consent.

Nevada law does not provide for the revocation of executed written consents. Although NRS 78.355(4) provides for the revocation of proxies, there is no comparable statute for the revocation of consents. The Group believes that incumbent management's contention that consents may be revoked is erroneous. If incumbent management receives sufficient revocation of consent cards to purportedly prevent the approval of the Proposals, the Group intends to challenge the effectiveness of such revocations.

SOLICITATION OF PROXIES AND CONSENTS

Edgar Filing: NETSOL INTERNATIONAL INC - Form DFRN14A

Solicitation of proxies and consents shall be made only by the Group.

The Group has retained Innisfree M&A Incorporated (the "Solicitor") to conduct the solicitation, for which the Solicitor is to receive a fee not to exceed \$65,000, which consists of (i) a non-refundable retainer of \$25,000, which was payable upon execution of the retainer agreement; (ii) an additional payment of \$25,000, payable upon the mailing of the Group's definitive proxy materials; and (iii) an additional payment of \$15,000, payable upon the occurrence of either the election of the Nominees to the Board or a negotiated settlement under which the Group is reimbursed for its expenses. In addition, the Solicitor will be reimbursed for its reasonable out-of-pocket expenses. The Group has agreed to indemnify the Solicitor against certain liabilities and expenses, including liabilities under federal securities laws. Proxies and consents may be solicited by mail, courier services, advertising, telephone, telecopier or in person. It is anticipated that the Solicitor will employ approximately 30 persons to solicit Stockholders for the proxies and written consents.

Costs related to the solicitation of proxies and consents, including expenditures for attorneys, accountants, public relations and financial advisers, proxy solicitors, payments to nominees, advertising, printing, transportation and related expenses and filing fees, will be borne by the Group. To date, the Group has incurred \$25,000 for the solicitor and approximately \$150,000 in legal fees related to the solicitation. Such costs are expected to be approximately \$250,000 in total. The Group intends to seek reimbursement for the costs and expenses associated with the proxy solicitation in the event that the Board Increase is approved and the Nominees are elected as the New Directors, but do not intend to submit the issue of reimbursement to a vote of security holders.
