PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS -- DECEMBER 12, 2001

INFORMATION CONCERNING SOLICITATION AND VOTING

This Proxy Statement is furnished by the Board of Directors of Raining Data Corporation, a Delaware corporation (the "Company"), in connection with the solicitation of proxies to be used at the Annual Meeting of Stockholders (the "Meeting") of the Company to be held on Wednesday, December 12, 2001, at 1:00 p.m. local time, at the offices of the Company, 17500 Cartwright Road, Irvine, California 92614, and at all adjournments thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting of Stockholders. ANY PROXY IN WHICH NO DIRECTION IS SPECIFIED WILL BE VOTED IN FAVOR OF EACH OF THE MATTERS FOR WHICH NO DIRECTION IS SPECIFIED. This Proxy Statement and the Notice of Meeting and Proxy are being mailed to stockholders on or about November 12, 2001.

The close of business on October 29, 2001 has been fixed as the record date for the determination of stockholders entitled to receive notice of and to vote at the Meeting. At that date, the Company's outstanding voting securities consisted of 17,845,097 shares of common stock and 300,000 shares of Series A Convertible Preferred Stock. Except for the purposes of voting on Proposal Two, the Preferred Stock will be treated as though it had been converted into 500,100 shares of the Company's common stock for purposes of voting at the Meeting. On all matters that come before the Meeting, each stockholder or his or her Proxy will be entitled to one vote for each share of Common Stock of which such stockholder was the holder on the record date.

The holders of a majority of the Company's stock issued and outstanding and entitled to vote at the Meeting, present in person or represented by Proxy, will constitute a quorum for the transaction of business at the Meeting or any adjournment thereof. While there is no definitive statutory or case law authority in Delaware as to the proper treatment of abstentions (also referred to as withheld votes), the Company believes that abstentions should be counted for purposes of determining if a quorum is present at the Meeting for the transaction of business. With respect to broker nominee votes, the Delaware Supreme Court has held that broker nominee votes may be counted as present or represented for purposes of determining the presence of a quorum. Abstentions are included in determining the number of shares voted on the proposals submitted to stockholders (other than the election of directors) and will have the same effect as a vote against such proposals. Broker "non-votes" are included in determining the number of shares voted on the following proposals and will have the same effect as a vote against such proposal: (a) Proposal Two:

Edgar Filing: RAINING DATA CORP - Form PRE 14A

to approve and adopt an amendment to the Company's Restated Certificate of Incorporation to increase the authorized number of shares of common stock; (b) Proposal Three: to approve and adopt an amendment to the Company's Restated Certificate of Incorporation to change the required size of the Board of Directors; (c) Proposal Four: to approve and adopt an amendment to the Company's Restated Certificate of Incorporation to grant the Board of Directors authority to make, adopt, amend or repeal the Company's Bylaws; and (d) Proposal Six: to ratify the selection of Grant Thornton LLP as the Company's independent accountants. Although broker non-votes and abstentions will be counted for the purposes of attaining a quorum for Proposal One, directors are elected by a plurality of the votes of the shares of Common Stock represented and voted at the meeting and, therefore, broker non-votes and abstentions will have no effect on the outcome of the election of directors. In addition, broker non-votes and abstentions will be counted for the purposes of attaining a quorum for Proposal Five, however, only abstentions will have the same effect as a vote against this matter. The affirmative vote of two-thirds (2/3) of the holders of the outstanding shares of Common Stock is required for approval of Proposal Three. The affirmative vote of a majority of the outstanding shares of Common Stock entitled to vote at the Meeting is required for approval of Proposals Two and Four. In addition, the affirmative vote of a majority of the shares of Common Stock having voting power present in person or represented by proxy at the Meeting is required for approval of Proposal Five and Proposal Six.

1

Any Proxy given pursuant to this solicitation may be revoked by the person giving it at any time prior to its use by (i) delivering to the principal office of the Company a written notice of revocation, (ii) filing with the Company a duly executed Proxy bearing a later date or (iii) attending the Meeting and voting in person.

The costs of this solicitation will be borne by the Company. The Company will request brokerage houses and other nominees, custodians and fiduciaries to forward soliciting material to beneficial owners of the Company's Common Stock. The Company will reimburse brokerage firms and other persons representing beneficial owners for their expenses in forwarding solicitation materials to beneficial owners.

CHANGE OF CONTROL

On December 1, 2000, a wholly owned subsidiary of the Company merged with and into PickAX, Inc., the parent corporation of a group of computer software development, marketing, sales and distribution companies principally providing database management software. As a result of the merger, the Company owns all of the voting securities of PickAX. The merger was approved by the Company's Board of Directors on August 23, 2000 and by the Company's stockholders at a special meeting held on November 29, 2000.

The consideration paid by the Company to PickAX stockholders in connection with the merger consisted of approximately 2,847,978 newly issued shares of the Company's common stock in exchange for all of the outstanding stock of PickAX, subject to a holdback of ten percent (10%) of such shares in the event the revenues of the combined companies do not reach certain specified levels (the "Holdback"). In addition, the Company exchanged preexisting PickAX employee stock options for options to purchase 1,538,682 shares of the Company's common stock at an equivalent option exercise price. As a condition to the merger, the Company also exchanged preexisting warrants to purchase PickAX stock for warrants to purchase 2,201,353 shares of the Company's common stock, also subject to a holdback of ten percent (10%) of the shares represented by such warrants. All such exchanges in the merger were based upon a negotiated exchange ratio of 0.50916 shares of the common stock of the Company for each one share of PickAX common stock.

The consideration paid at the closing of the merger was determined through

Edgar Filing: RAINING DATA CORP - Form PRE 14A

arms-length negotiations between the Company and PickAX, all as further described in the Definitive Proxy Statement filed with the Securities and Exchange Commission by the Company on November 16, 2000. For more information, please see "Certain Relationships and Related Transactions."

PROPOSAL ONE

ELECTION OF DIRECTORS

GENERAL

The Company's Board of Directors is divided into three classes, with the term of office of one class expiring each year. Vacancies on the Board and newly created directorships are filled by vote of a majority of directors then in office, and any directors so chosen will hold office until the next election of the class for which such directors were chosen. On August 14, 2001 the Board of Directors approved an amendment to the Company's Restated Certificate of Incorporation subject to stockholder approval, to set the number of directors at any number between five (5) and nine (9). Please see "Proposal Three -- Amendment to the Restated Certificate of Incorporation to Change the Required Size of the Board of Directors" for a complete description of that proposal. If Proposal Three does not pass, we will have a vacancy on our Board of Directors.

At the Annual Meeting, two individuals will be elected as Class II directors, each to serve for a three year term and until his successor is duly elected and qualified. The Board of Directors has nominated Gerald F. Chew and Carlton H. Baab for election as Class II directors at the Annual Meeting.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" APPROVAL OF THE NOMINEES FOR ELECTION AS MEMBERS OF THE BOARD OF DIRECTORS.

The proxies given to the proxyholders will be voted or not voted as directed therein and, if no direction is given, will be voted FOR approval of the director nominees named herein. The Board of Directors knows of no reason why the nominees should be unable or unwilling to serve, but if either nominee should, for any reason, be unable or unwilling to serve, the proxies will be voted for the election of such other person to the office of director as the Board of Directors may recommend in the place of such nominee.

NOMINEES AND CURRENT DIRECTORS

The table below sets forth the names, ages and positions of the nominees and each of the other current directors of the Company as of October 31, 2001. A summary of the background and experience of each of these individuals is set forth following the table.

COMPENSATION OF DIRECTORS

The Company reimburses directors for travel and other out-of-pocket expenses incurred in attending Board meetings but no cash compensation is otherwise paid to directors.

In April 1999, the Board of Directors determined that it was in the best interests of the Company to adopt the Raining Data Corporation 1999 Stock Option Plan (the "1999 Plan") to consolidate options to be issued to directors, officers, key employees, consultants and advisors under a single option plan and to terminate the 1993 Directors' Warrant Plan, the 1993 Advisors Plan and the 1996 Stock Option Plan, except as to warrants and options then issued and outstanding under such plans. The Board of Directors adopted the 1999 Plan and 1,500,000 shares of the common stock of the Company were reserved for issuance under the 1999 Plan. The stockholders of the Company approved the 1999 Plan during the 1999 Annual Stockholders' Meeting. At the 2000 Annual Stockholders' Meeting the number of shares under the 1999 Plan was increased to 5,000,000.

On August 14, 2000, the Board of Directors elected Brian Sparks to fill the vacancy created by James Dorst's resignation from the Board of Directors. In connection with the appointment of Mr. Sparks, on August 14, 2000 the

Board granted him an immediately exercisable stock option to purchase 96,825 shares of the Company's common stock under the 1999 Stock Option Plan at an exercise price of \$6.80 per share.

On September 22, 2000, the Board of Directors appointed current director Bryce Burns as the new Chairman of the Board of the Company, replacing Phillip Barrett. In connection with this appointment, the Board granted Mr. Burns a stock option to purchase 32,000 shares of the Company's common stock under the 1999 Stock Option Plan at an exercise price of \$5.95 per share. The shares of common stock underlying this option grant vest as to 25% of the grant twelve months after the date of grant and the remaining balance vests monthly thereafter. In addition, on March 1, 2001 the Board granted Mr. Burns an option to purchase 64,825 shares of the Company's common stock under the 1999 Stock Option Plan at an exercise price of \$4.09 per share. The shares of common stock underlying this option grant vest as to 25% twelve months after the date of grant and the remaining balance vests monthly thereafter. The March 2001 option grant provides that the vesting will not lapse should Mr. Burns step down as an officer of the Company but remain as a director of the Company. In addition, the March 2001 option grant provides for acceleration of vesting should there be a change in control of the Company.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

On December 23, 1999, the Company obtained a \$3,000,000 line of credit from Astoria Capital Partners, L.P. ("Astoria"), pursuant to the terms of a Credit Facility Agreement dated as of December 21, 1999 (the "Credit Facility Agreement"). The line of credit had a term of six (6) months and was extended by the further agreement of the Company and Astoria on April 30, 2000 for an additional period of four (4) months. Under these arrangements the Company may draw up to \$500,000 from the line of credit per month as set forth in the Credit Facility Agreement. In connection with the issuance of the line of credit, the Company issued a promissory note in the principal amount of up to \$3,000,000 to Astoria dated as of December 21, 1999 and amended on April 30, 2000. All principal and accrued interest on the promissory note is due and payable on August 30, 2000. The promissory note was extended and subsequently converted into 645,467 shares of the Company's common stock at the time of the acquisition of PickAX through the exercise of the Warrant (as defined and discussed below). The promissory note bears interest at a rate of eight percent (8%) per annum and has a default rate of interest of ten percent (10%) per annum. The promissory note is secured by certain assets of the Company. While any debt is outstanding or the line of credit remains in effect, except for any debt owing to the Astoria or debt issued contemporaneously with payment of the debt in full and termination of the line of credit, the Company must not incur any indebtedness without the written consent of Astoria, except the Company may incur junior debt in the aggregate principal amount of up to \$500,000 in connection with the purchase or lease of property (whether or not in the ordinary course of business). Astoria owns, either beneficially, or of record, more than five percent of our voting securities. In addition, Gerald F. Chew, a member of our Board of Directors, is a cousin of Richard Koe, a General Partner of Astoria.

In addition, and also in connection with the issuance of the line of credit, on December 21, 1999 the Company issued to Astoria a Non-Transferable Warrant (the "Warrant") to purchase shares of capital stock of the Company at a purchase price per share of \$5.00. The Company also granted Astoria certain registration rights with respect to the shares underlying the Warrant. On December 1, 2000 Astoria exercised the Warrant for 645,467 shares of common stock.

On December 1, 2000 a wholly-owned subsidiary of the Company merged with PickAX, Inc., the parent corporation of a group of computer software development, marketing, sales and distribution companies that principally provides database management software. As a result of the merger, the Company

Edgar Filing: RAINING DATA CORP - Form PRE 14A

owns all of the voting securities of PickAX. The consideration paid by the Company to PickAX stockholders in connection with the merger consisted of approximately 2,847,978 newly issued shares of the Company's common stock, the exchange of preexisting PickAX stock options for options to purchase 1,538,682 shares of the Company's common stock at an equivalent option exercise price and the exchange of preexisting PickAX warrants for warrants to purchase 2,201,353 shares of the Company's common stock, subject to the Holdback. Astoria, who was a substantial stockholder of PickAX prior to the merger, owned prior to the merger, and continues to own, either beneficially or of record, greater than five percent of our voting securities. In addition, at the time of the merger, Gil Figueroa, a member of the Company's Board of Directors, was also a principal stockholder of PickAX.

Prior to the merger, Astoria held substantial interests in the capital stock of both the Company and PickAX. Prior to the merger Astoria owned over thirty-four percent (34%) of the capital shares of the Company on an as converted basis. In addition, immediately prior to the merger, Astoria owned 1,382,500 shares of common stock of PickAX and also owned senior convertible debt securities and warrants permitting Astoria to acquire approximately 16,211,000 additional shares of common stock of PickAX, thereby making Astoria the controlling stockholder of PickAX. In connection with the merger, Astoria received 633,522 shares of the Company's common stock and a warrant to purchase 1,207,218 shares of the Company's common stock (the "Exchange Warrant") in exchange for its outstanding common stock and warrants in PickAX, subject in each case to the Holdback.

In connection with the merger, the Company exchanged a preexisting senior convertible note issued by PickAX and held by Astoria for a new promissory note issued by the Company to Astoria in the approximate amount of \$18,525,417 in principal and accrued interest. The new promissory note bears interest at a rate of eight percent (8%) per annum and is due upon the earlier of: (a) two (2) years after the date of issuance; or (b) upon the closing of any public or private offering of securities by the Company. Pursuant to the terms of the new promissory note, if

18

the Company has a public or private securities offering, it is required to pay fifty percent (50%) of the net cash proceeds of such offering against the accrued and unpaid interest of the new promissory note. In addition, as of November 30, 2000, Astoria received warrants to purchase an additional 500,000 shares of the Company's common stock at an exercise price of \$7.00 per share. The amount of the consideration given by the Company in exchange for the outstanding PickAX stock, options and warrants in the merger combined, based on (i) a per share closing price of the Common Stock of the Company of \$4.125 on November 30, 2000, (ii) a net valuation of the options and warrants assuming full vesting and exercise as of November 30, 2000 at the required exercise price, and (iii) including the amount of the new promissory note issued to Astoria, was approximately \$35,598,536. For more information, please see "Security Ownership of Certain Beneficial Owners and Management - Change of Control."

As of December 4, 2000, the Company sold an additional 1,997,366 shares of common stock in a separate private placement to Astoria in exchange for total consideration of \$8,147,886. Of the total consideration, \$4,000,000 is attributable to the issuance of 969,697 shares of the Company's common stock to Astoria and the remaining \$4,147,886 is attributable to the issuance of 1,005,548 shares of the Company's common stock to Astoria in exchange for the

Edgar Filing: RAINING DATA CORP - Form PRE 14A

cancellation of a July 2000 promissory note issued by PickAX and held by Astoria.

In August 2000, two limited partners in RCJ Capital Partners LP loaned the Company \$550,000. The loans have a term of two years and bear annual interest at 4% payable semiannually. The promissory notes evidencing the loans provide for the automatic conversion of the principal and unpaid interest into shares of the Company's stock at a conversion price \$6.17 at maturity in August 2002. RCJ Capital Partners LP owns, either beneficially, or of record, more than five percent of our voting securities. In addition, Geoffrey P. Wagner, a member of our Board of Directors, is the sole general partner of Rockport Group LP, which is the sole general partner of RCJ Capital Partners LP.

In September 2000, the Phillip and Debra Barrett Trust loaned the Company \$250,000. The loan has a term of two (2) years and bears annual interest at ten percent (10%) payable quarterly. The Phillip and Debra Barrett Trust owns, either beneficially or of record, more than five percent (5%) of our voting securities.

In connection with Gwyenth Gibbs' appointment as Vice President - Europe in October 2001, the Company and Ms. Gibbs entered into the October Agreement which substantially reinstates the terms of Ms. Gibbs' former Service Agreement. In addition, under the terms of the October Agreement, Ms. Gibbs was granted an option to purchase 20,000 shares of the Company's common stock at an option exercise price of \$2.00 per share and she is entitled to receive a bonus of Pound Sterling 50,000 on March 31, 2002.

Under the terms of the Service Agreement (which was substantially reinstated by the October Agreement), the Company retained Ms. Gibbs as an officer of the Company for an initial term of two (2) years, which was subject to automatic renewals for subsequent two year terms, unless sooner terminated. The Service Agreement provides for an annual base salary of Pound Sterling 83,000, with annual increases based on the Index of Retail Prices published by the Office for National Statistics. In addition, under the terms of the Service Agreement, Ms. Gibbs is entitled to Company contributions to a Company retirement plan open to all United Kingdom employees.

On August 29, 2001, Mr. Lauer left the Company. Pursuant to the terms set forth in Mr. Lauer's former employment agreement with the Company, he is entitled to receive a severance payment in the amount \$115,500, which amount is to be paid in equal semi-monthly payments, subject to all tax withholdings and reporting, until May 30, 2002.

The Company is also required to pay Mr. Holland severance in connection with his departure from the Company on August 29, 2001. Pursuant to the terms of Mr. Holland's former employment agreement with the Company, he is entitled to receive a severance payment in the amount \$90,000, which amount is to be paid in equal semi-monthly payments, subject to all tax withholdings and reporting, until May 30, 2002.

On March 7, 2001, the Company entered into a Transition and Release Agreement with Gil Figueroa in connection with his resignation as President and Chief Executive Officer of the Company on December 29, 2000. Pursuant to the terms of the Transition Agreement, Mr. Figueroa will receive severance pay of \$24,083 per month through December 31, 2001. In addition, the Company agreed to pay Mr. Figueroa's COBRA insurance payments through that period. The Company also paid Mr. Figueroa's rental house payments through the end of the lease in

Edgar Filing: RAINING DATA CORP - Form PRE 14A

April 2001 and provided him with a moving allowance of \$7,500 for relocation upon termination of the lease. The Company permitted Mr. Figueroa to retain a Company car previously provided to him through December 31, 2001, and to reimburse Mr. Figueroa for legal expenses incurred in connection with the negotiation of the Transition Agreement, of up to \$8,500.

On August 27, 2001, Carlton H. Baab was appointed as our President and Chief Executive Officer. Mr. Baab will receive an annual salary of \$248,000 in such position. On September 24, 2001, in connection with his appointment, the Board of Directors granted Mr. Baab an option under the Company's 1999 Stock Option Plan to purchase 1,000,000 shares of the Company's common stock at an exercise price per share of \$1.55. Mr. Baab's option vests ratably on a daily basis over a period of six (6) months from the date of grant and has a term of ten (10) years. In addition, pursuant to the terms of Mr. Baab's option, all unvested shares covered by the option shall automatically vest immediately prior to a change of control of the Company.

On September 27, 2001, the Company sold 1,760,000 shares of common stock at a price per share of \$1.25 to Astoria. In addition, as part of the transaction, the Company also entered into a registration rights agreement with Astoria pursuant to which the Company is obligated to prepare and file a registration statement with the Securities and Exchange Commission, by December 27, 2001, for the resale of the common stock acquired by Astoria in the transaction.

In connection with the September 24, 2001 option grant to Mr. Baab and the September 27, 2001 sale of common stock to Astoria, automatic adjustments were made to the Exchange Warrant held by Astoria pursuant to the anti-dilution provisions therein. As a result of such anti-dilution adjustments, the number of shares of the Company's common stock underlying the Exchange Warrant increased by 85,690 shares. In addition, in connection with the September 27, 2001 sale of common stock to Astoria, the Company was obligated to adjust the exercise price of the warrant granted by the Company to Astoria on November 30, 2000. Pursuant to the adjustment, the warrant exercise price was reduced to \$6.54 per share from \$7.00 per share.

In November 2001 the Company entered into indemnification agreements with each of its directors and executive officers.

The Company has also entered into employment agreements with certain of its executive officers. For more information, please see "Executive Compensation - Employment Agreements."

PROPOSAL TWO

AMENDMENT TO THE RESTATED CERTIFICATE OF INCORPORATION TO INCREASE THE AUTHORIZED NUMBER OF COMMON STOCK

PROPOSED AMENDMENT TO ARTICLE IV OF THE RESTATED CERTIFICATE OF INCORPORATION

At the Annual Meeting, stockholders will be asked to vote on a proposal to amend the Restated Certificate of Incorporation to increase the authorized number of shares of common stock from 30,000,000 shares, \$0.10 par value per share, to 60,000,000 shares, \$0.10 par value per share. In November 2001, the

Edgar Filing: RAINING DATA CORP - Form PRE 14A

Board of Directors approved this amendment to the Company's Restated Certificate of Incorporation, subject to stockholder approval. If approved by Company stockholders, Article IV of the Restated Certificate of Incorporation would be amended in its entirety to read as follows:

"FOURTH. This corporation is authorized to issue two classes of stock to be designated, respectively, "common" and "preferred." The number of common shares authorized is 60,000,000, each with a par value of \$0.10. The number of preferred shares authorized is 300,000, each with the par value of \$1.00."

PURPOSE AND EFFECT OF THE PROPOSED AMENDMENT

The Board of Directors believes that it is in the Company's best interest to amend the Restated Certificate of Incorporation to increase the number of authorized shares of common stock to provide the Company with the flexibility to meet its business needs and to take advantage of opportunities as they arise. The proposed increase in the number of authorized shares of common stock would result in additional shares being available for stock compensation plans or other future financing options. The Company currently has no specific plans, arrangements or understandings with respect to the issuance of these additional shares, and no other change in the rights of stockholders is proposed.

The amendment to the Restated Certificate of Incorporation to increase the number of authorized shares of common stock, if approved by stockholders, will be effective upon the execution, acknowledgement and filing of a certificate of amendment with the Delaware Secretary of State.

BOARD RECOMMENDATION AND STOCKHOLDER VOTE REQUIRED

The Board of Directors has adopted and approved the proposed amendment to Article IV of the Restated Certificate of Incorporation, subject to the requisite approval by the Company's stockholders. The Board of Directors of the Company has considered the proposed amendment and recommends that the Company's stockholders adopt the proposed amendment to Article IV of the Restated Certificate of Incorporation as set forth in this Proxy Statement. The affirmative vote of a majority of the outstanding shares of Common Stock entitled to vote at the Annual Meeting is required to adopt the proposed amendment to Article IV. Shares held by persons who abstain from voting on the proposal and broker "non-votes" will not be voted for or against the proposal. Shares held by persons abstaining and broker "non-votes" will be counted in determining whether a quorum is present for purposes of voting on the proposal and will have the same effect as a vote against the matter. The persons designated in the enclosed proxy will vote your shares FOR approval of the resolution unless instructions to the contrary are indicated in the enclosed proxy.

PROPOSAL THREE

AMENDMENT TO THE RESTATED CERTIFICATE OF INCORPORATION
TO CHANGE THE REQUIRED
SIZE OF THE BOARD OF DIRECTORS

PROPOSED AMENDMENT TO ARTICLE VI OF THE RESTATED CERTIFICATE OF INCORPORATION

Edgar Filing: RAINING DATA CORP - Form PRE 14A

The Restated Certificate of Incorporation currently specifies that the Company shall have a fixed number of directors, which number is currently set at seven (7). In August 2001, the Company's Board of Directors voted to amend Article VI of the Restated Certificate of Incorporation to change the requirement of having a fixed number of seven (7) directors, to having a range of directors that is not less than five (5) and not more than nine (9), with the exact number of directors to be fixed from time to time by the Board.

The Board of Directors has adopted resolutions setting forth the proposed amendment to Article VI of the Restated Certificate of Incorporation, the advisability of the proposed amendment, and a call for submission of the proposed amendment for approval by the Company's stockholders at the Annual Meeting. If approved by Company stockholders, Article VI of the Restated Certificate of Incorporation would be amended in its entirety to read as follows:

"Sixth. The number of directors which shall constitute the whole of the Board of Directors shall be as fixed from time to time by vote of a majority of the entire Board of Directors; provided, however, that the number of directors shall be at least five (5) and not more than nine (9), and that the number of directors shall not be reduced so as to shorten the term of any director at the time in office. The board of directors shall be divided into three classes, designated Class I, Class II and Class III, as nearly equal in number as the then total number of directors permits. At each annual meeting of stockholders, successors to the class of directors whose terms expire at the annual meeting shall be elected for a three-year term. All directors of this corporation may be removed with or without cause. This article may be amended, altered, modified or repealed only with the affirmative vote of the holders of two-thirds (2/3) of the outstanding voting shares."

PURPOSE AND EFFECT OF THE PROPOSED AMENDMENT

The Board of Directors believes that it is in the Company's best interest to amend the Restated Certificate of Incorporation to change the requirement of having a fixed number of seven (7) directors, to having a range of directors that is not less than five (5) and not more than nine (9). The Board believes that amending the Company's Restated Certification of Incorporation to effect such change will provide the Company greater flexibility in adjusting the size of the Board to reflect the needs and activity of the Company. The Board has, subject to stockholder approval of the amendment, set the number of directors at six (6).

The amendment to the Restated Certificate of Incorporation changing the size of the Board of Directors, if approved by stockholders, will be effective upon the execution, acknowledgement and filing of a certificate of amendment with the Delaware Secretary of State.

BOARD RECOMMENDATION AND STOCKHOLDER VOTE REQUIRED

The Board of Directors has adopted and approved the proposed amendment to Article VI of the Restated Certificate of Incorporation, subject to the requisite approval by the Company's stockholders. The Board of Directors of the Company has considered the proposed amendment and recommends that the Company's stockholders adopt the proposed amendment to Article VI of the Restated Certificate of Incorporation as set forth in this Proxy Statement. The affirmative vote of two-thirds (2/3) of the outstanding shares of Common Stock entitled to vote at the Annual Meeting is required to adopt the proposed amendment to Article VI. Shares held by persons who abstain from voting on the proposal and broker "non-votes" will not be voted for or against the proposal. Shares held by persons abstaining and broker "non-votes" will be counted in

Edgar Filing: RAINING DATA CORP - Form PRE 14A

determining whether a quorum is

22

present for purposes of voting on the proposal and will have the same effect as a vote against the matter. The persons designated in the enclosed proxy will vote your shares FOR approval of the resolution unless instructions to the contrary are indicated in the enclosed proxy.

23

PROPOSAL FOUR

AMENDMENT TO THE RESTATED CERTIFICATE OF INCORPORATION TO GRANT THE BOARD OF DIRECTORS THE AUTHORITY TO AMEND BYLAWS

PROPOSAL TO ADD A NEW ARTICLE IX TO THE RESTATED CERTIFICATE OF INCORPORATION

At the Annual Meeting, stockholders will be asked to vote on a proposal to amend the Company's Restated Certificate of Incorporation to grant the Board of Directors the authority to make, adopt, amend or repeal the Bylaws of the Company without stockholder approval to the extent permissible under the Delaware General Corporation Law ("DGCL"). If such proposal is approved by stockholders, the Company's Restated Certificate of Incorporation would be amended to add a new Article IX, which would read in its entirety as follows:

"NINTH. The board of directors is expressly authorized to make, adopt, amend or repeal the Bylaws of this corporation."

REASONS FOR THE PROPOSAL

The Board of Directors believes that the proposal will provide the Board of Directors with greater flexibility in governing its internal affairs and its relationships with stockholders and other parties. In addition, the power to amend the Bylaws without the necessity of waiting for the next annual meeting of stockholders or the delay and expense in calling a special meeting of stockholders will enhance the Board of Director's ability to manage the Company and more effectively deal with changed circumstances or requirements with which it may be presented.

The Board of Directors further believes that from time to time, it may be desirable, or even necessary, to add to or change certain Bylaw provisions to reflect changes in the Company's practices or to reflect changes in applicable law. Granting the Board of Directors the power to amend the Bylaws will allow the Board of Directors to effect such changes in a more efficient, cost-effective manner without the necessity of incurring the expense and time delay of a stockholder meeting.

The amendment to the Restated Certificate of Incorporation to grant the Board of Directors the authority to make, adopt, amend or repeal the Bylaws of the Company without stockholder approval, if approved by stockholders, will be effective upon the execution, acknowledgement and filing of a certificate of amendment with the Delaware Secretary of State.

Edgar Filing: RAINING DATA CORP - Form PRE 14A

PURPOSE AND EFFECT OF THE PROPOSED AMENDMENT

The addition of new Article IX to the Restated Certificate of Incorporation effectively grants the Board of Directors the authority to amend, alter, change and repeal the Bylaws and to adopt new Bylaws without stockholder approval to the extent permissible under the DGCL. Bylaws typically provide rules and procedures for managing the business and affairs of a corporation, such as calling and giving notice of meetings of stockholders and directors, quorum and voting requirements, voting and inspection procedures, number and term of directors, nomination procedures for election of persons to the board of directors, filling of vacancies on the board, appointment of officers, and description of officers' duties.

Under the DGCL, a board of directors may amend a corporation's bylaws only if the certificate of incorporation confers such power on the board. Whether or not the board of directors has the power to amend bylaws, the DGCL provides that the grant of such power to the board of directors in a company's certificate of incorporation does not divest or limit the power of the stockholders to adopt, amend or repeal a corporation's bylaws. However, as discussed below, conferring such power on the board of directors provides the board with the authority to require a supermajority vote of stockholders to amend bylaw provisions.

If Proposal Four is approved, the Board of Directors will be able to amend the Company's Bylaws without stockholder approval; provided, however, that the Company's stockholders will maintain the power to amend the

24

Bylaws and to change or repeal any amendments made by the Board of Directors. The Board of Directors contemplates that, if the proposal is approved, it will review the Bylaws in light of developments in the corporate governance area since the last time the Bylaws were amended.

Certain effects of Proposal Four may have anti-takeover implications. The Company's present Certificate and Bylaws contain a number of provisions that may deter or delay a hostile takeover attempt. The DGCL permits adoption of additional measures designed to reduce a corporation's vulnerability to hostile takeover attempts. Many of these additional measures and other changes altering the rights of stockholders and powers of management could be implemented in the future by amendment of the Bylaws. If Proposal Four is approved, the Board of Directors could consider and adopt amendments to the Bylaws that could include, among other things, any of the following provisions: a provision requiring a supermajority vote of the Board of Directors and/or stockholders to amend any provision of the Bylaws designed to reduce the Company's vulnerability to hostile takeover attempts; a provision that directors may only be removed for cause; or provisions for advance notice to the Board of Directors in the case of stockholder proposals or actions by written consent of stockholders. Any of these provisions could have the effect of discouraging or delaying a third party from making a tender offer or otherwise attempting to obtain control of the Company or remove incumbent management. Proposal Four is not, however, being proposed in order to prevent a change in control, nor is it in response to any present attempt known to the Board of Directors to acquire control of the Company, obtain representation on the Board of Directors or take significant action which affects control of the Company. However, in discharging its fiduciary obligations to its stockholders, the Board of Directors may consider and adopt certain amendments to enhance the Board of Directors' ability to

Edgar Filing: RAINING DATA CORP - Form PRE 14A

negotiate with an unsolicited bidder.

BOARD RECOMMENDATION AND STOCKHOLDER VOTE REQUIRED

The Board of Directors has adopted and approved the proposed amendment to the Restated Certificate of Incorporation to add new Article IX, subject to the requisite approval by the Company's stockholders. The Board of Directors of the Company has considered the proposed amendment and recommends that the Company's stockholders adopt the proposal to amend the Restated Certificate of Incorporation as set forth above. The affirmative vote of a majority of the outstanding shares of Common Stock entitled to vote at the Annual Meeting is required to adopt the proposal to add new Article IX to the Restated Certificate of Incorporation. Shares held by persons who abstain from voting on the proposal and broker "non-votes" will not be voted for or against the proposal. Shares held by persons abstaining and broker "non-votes" will be counted in determining whether a quorum is present for purposes of voting on the proposal and will have the same effect as a vote against the matter. The persons designated in the enclosed proxy will vote your shares FOR approval of the resolution unless instructions to the contrary are indicated in the enclosed proxy.

25

PROPOSAL FIVE

APPROVAL AND ADOPTION OF 2001 EMPLOYEE STOCK PURCHASE PLAN

At the Annual Meeting, stockholders will be asked to vote on a proposed adoption of the Company's 2001 Employee Stock Purchase Plan (the "Stock Purchase Plan"). A general description of the principal terms of the Stock Purchase Plan is set forth below. This description is qualified in its entirety by the terms of the Stock Purchase Plan, as proposed to be adopted, which is attached to this proxy statement as Appendix B and is incorporated herein by reference.

GENERAL DESCRIPTION

In October 2001, the Board adopted the Stock Purchase Plan, subject to the approval of stockholders at the Annual Meeting. The purpose of the Stock Purchase Plan is to provide employees of the Company and its designated parents or subsidiaries with an opportunity to purchase Common Stock of the Company through accumulated payroll deductions. It is the intention of the Company to have the Stock Purchase Plan qualify as an "Employee Stock Purchase Plan" under Section 423 of the Internal Revenue Code of 1986, as amended (the "Code"). The provisions of the Stock Purchase Plan, accordingly, shall be construed so as to extend and limit participation in a manner consistent with the requirements of that section of the Code.

If adopted, an aggregate of 1,000,000 shares of the Company's Common Stock will be reserved for issuance under the Stock Purchase Plan and available for purchase thereunder, subject to adjustment in the event of a stock split, stock dividend or other similar change in the Common Stock or the capital structure of the Company.

SUMMARY OF THE STOCK PURCHASE PLAN

Purpose. The purpose of the Stock Purchase Plan is to provide employees of the Company and its designated parents or subsidiaries with an opportunity to purchase Common Stock of the Company through accumulated payroll deductions.

Edgar Filing: RAINING DATA CORP - Form PRE 14A

Administration. The Stock Purchase Plan shall be administered by the Board of Directors of the Company or a committee of the Board appointed by the Board (the "Plan Administrator"). The Plan Administrator shall have full and exclusive discretionary authority to construe, interpret and apply the terms of the Stock Purchase Plan, to determine eligibility and to adjudicate all disputed claims filed under the Stock Purchase Plan. Every finding, decision and determination made by the Plan Administrator shall, to the full extent permitted by law, be final and binding upon all parties. Members of the Board receive no additional compensation for their services in connection with the administration of the Stock Purchase Plan.

Eligibility. All employees of the Company, and its designated parents or subsidiaries, whose customary employment is for more than five (5) months in any calendar year and more than ten (10) hours per week are eligible to participate in the Stock Purchase Plan. Employees subject to rules or laws of a foreign jurisdiction that prohibit or make impractical the participation of such employees in the Stock Purchase Plan are not eligible to participate. Employees who have completed fewer than five (5) business days of service with the Company also are not eligible to participate. In addition, no employee will be granted an option under the Stock Purchase Plan if, (i) immediately after the grant, such employee, taking into account stock owned by any other person whose stock would be attributed to such employee pursuant to section 424(d) of the Code, would own stock and/or hold outstanding options to purchase stock possessing five percent (5%) or more of the total combined voting power or value of all classes of stock of the Company or any of its designated parents or subsidiaries, or (ii) which permits the employee's rights to purchase stock under all employee stock purchase plans of the Company and its parents or subsidiaries to accrue at a rate which exceeds twenty-five thousand dollars (\$25,000) worth of stock, determined at the fair market value of the shares at the time such option is granted, for each calendar year in which such option is outstanding at any time.

26

Purchase of Shares. The Stock Purchase Plan designates Offer Periods and Exercise Dates. Initially, the Stock Purchase Plan shall be implemented through consecutive Offer Periods of six (6) months' duration commencing each February 15 and August 15, except that the initial Offer Period shall commence on January 1, 2002 and shall end on August 14, 2002. On the first day of each Offer Period, a participating employee is granted a purchase right which is a form of option to be automatically exercised on the last day of the Offer Period. When the purchase right is exercised, the employee's withheld salary is used to purchase shares of Common Stock of the Company. The price per share at which shares of Common Stock are to be purchased under the Stock Purchase Plan during any Offer Period is eighty-five percent (85%) of the fair market value of the Common Stock on the first day of the Offer Period or eighty-five percent (85%) of the fair market value of the Common Stock on the last day of the Offer Period, whichever is lower. If there is a change in the capitalization during an Offer Period due, for example, to a stock split, stock dividend or stock reclassification, the price per share on the first day of the Offer Period is proportionally increased or decreased. No fractional shares will be purchased; any payroll deductions accumulated in a participant's account which are not sufficient to purchase a full share shall be carried over to the next Offer Period or returned to the participant, if the participant withdraws from the Stock Purchase Plan. Payroll deductions may range from one percent (1%) to ten percent (10%) in whole percentage increments of an employee's regular base salary, overtime, bonuses, annual awards and other incentive payments from the Company or one or more

Edgar Filing: RAINING DATA CORP - Form PRE 14A

designated parents or subsidiaries. Notwithstanding the foregoing, to the extent necessary to comply with Section 423(b)(8) of the Code, a participant's payroll deductions may be decreased to zero percent (0%).

Grant of Option. On the first day of each Offer Period, each participant shall be granted an option to purchase 1,500 shares of the Company's Common Stock, (subject to certain limitations described in "Eligibility" and "Purchase of Shares" above).

Withdrawal. A participant may either (i) withdraw all but not less than all the payroll deductions credited to his or her account and not yet used to exercise his or her option under the Stock Purchase Plan or (ii) terminate future payroll deductions, but allow accumulated payroll deductions to be used to exercise the participant's option under the Stock Purchase Plan. If a participant elects withdrawal alternative (i), all of the participant's payroll deductions credited to his or her account will be paid to such participant promptly after receipt of notice of withdrawal, the participant's option for the Offer Period will be automatically terminated and no further payroll deductions for the purchase of shares will be made during the Offer Period. If a participant elects withdrawal alternative (ii), no further payroll deductions for the purchase of shares will be made during the Offer Period, all of the participant's payroll deductions credited to the participant's account will be applied to the exercise of the participant's option on the last day of that Offer Period and the participant's option for the Offer Period will be automatically terminated. If a participant withdraws from an Offer Period, payroll deductions will not resume at the beginning of the succeeding Offer Period unless the participant delivers to the Company a new subscription agreement.

Termination of Employment. Upon termination of a participant's employment relationship, at a time more than three (3) months from the last day of the current Offer Period, the payroll deductions credited to such participant's account during the Offer Period but not yet used to exercise the option will be returned to such participant or, in the case of his or her death, to the person or persons entitled thereto, and such participant's option will be automatically terminated. Upon termination of a participant's employment relationship within three (3) months of the last day of the current Offer Period, the payroll deductions credited to such participant's account during the Offer Period, but not yet used to exercise the option, will be applied to the purchase of Common Stock on the last day of the current Offer Period, unless the participant, or in the case of participant's death, the person or persons entitled to the participant's account balance, withdraws from the Stock Purchase Plan. In such a case, no further payroll deductions will be credited to the participant's account following the participant's termination of employment and the participant's option under the Stock Purchase Plan will be automatically terminated after the purchase of Common Stock on the last day of the current Offer Period.

Death. In the event of the death of a participant and in the absence of a beneficiary validly designated under the Stock Purchase Plan who is living at the time of such participant's death, the Company shall deliver shares and/or cash to the executor or administrator of the estate of the participant, or if no such executor or administrator has been appointed to the knowledge of the Plan Administrator, then the Plan Administrator shall deliver such shares and/or cash to the spouse (or domestic partner, as determined by the Plan Administrator) of the participant, or if no spouse (or domestic partner) is known to the Plan Administrator, then to the issue of the participant, such distribution to be made by the law of descent and distribution.

Nontransferability of Options. Neither payroll deductions credited to a participant's account nor any rights with regard to the exercise of an option to receive shares under the Stock Purchase Plan may be assigned, transferred, pledged or otherwise disposed of in any way other than by will, the laws of descent and distribution or by designation of a beneficiary as discussed above. Any such attempt at assignment, transfer, pledge or other disposition shall be without effect, except that the Plan Administrator may treat such act as an election to withdraw funds from an Offer Period as discussed above.

Adjustments. In the event of any change in the Company's capitalization, such as a stock split, reverse stock split or stock dividend, which results in an increase or decrease in the number of outstanding shares of Common Stock without receipt of consideration by the Company, or as the Plan Administrator may determine, in its discretion an appropriate adjustment shall be made in the number of shares under the Stock Purchase Plan, the number of shares covered by each option which have not yet been exercised, the number of shares which have been authorized for issuance but not yet placed under option and the price per share covered by each outstanding option. Except as the Plan Administrator determines, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment shall be made with respect to, the number of shares of Common Stock covered by each option under the Stock Purchase Plan which have not yet been exercised, the number of shares of Common Stock which have been authorized for issuance under the Stock Purchase Plan, but not yet placed under option or the Purchase Price.

Corporate Transactions. In the event (1) of the consummation of (i) a merger or consolidation of the Company with any other entity, other than a merger or consolidation which would result in the voting securities of the Company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity or the entity that controls the Company or such surviving entity) at least fifty percent (50%) of the total voting power represented by the voting securities of the Company or such surviving entity or the entity that controls the Company or such surviving entity outstanding immediately after such merger or consolidation, or (ii) the sale or disposition by the Company of all or substantially all the Company's assets, (2) of the complete liquidation of the Company or (3) any "person" (as such term is used in Sections 13(d) and 14(d) of the Securities Exchange Act of 1934) is or becomes the "beneficial owner" (as defined in Rule 13d-3 under the Securities Exchange Act of 1934), directly or indirectly, of securities of the Company representing 50% or more of the total voting power represented by the Company's then outstanding voting securities (but excluding any "person" who is the "beneficial owner" of an aggregate of 50% or more of the total voting power of the Company's outstanding securities as of the January 1, 2002 effective date of the Stock Purchase Plan, or any affiliate thereof), each option under the Stock Purchase Plan shall be assumed by such successor corporation or a parent or subsidiary of such successor corporation, unless the Plan Administrator determines, in the exercise of its sole discretion and in lieu of such assumption, to shorten the Offer Period then in progress by setting a new exercise date or an earlier date for termination of the Offer Period (the "New Exercise Date").

If the Plan Administrator shortens the Offer Period then in progress in lieu of assumption in the event of a sale of assets, merger or acquisition of securities as described above, the Plan Administrator shall notify each participant in writing, at least ten (10) business days prior to the New Exercise Date, that the exercise date for the participant's option has been changed to the New Exercise Date and that either (i) the participant's option will be exercised automatically on the New Exercise Date or (ii) the Company

Edgar Filing: RAINING DATA CORP - Form PRE 14A

will pay to the participant on the New Exercise Date an amount in cash, cash equivalents, or property as determined by the Plan Administrator that is equal to the difference in the fair market value of the shares subject to the option and the purchase price due had the participant's option been exercised automatically on the New Exercise Date, unless prior to such date he or she has withdrawn from the Offer Period.

Amendment and Termination of the Stock Purchase Plan. The Plan Administrator may at any time and for any reason terminate or amend the Stock Purchase Plan without approval of the stockholders; provided, however, that stockholder approval is required for any amendment to the Stock Purchase Plan for which stockholder approval would be required under applicable law, as in effect at the time. However, no action by the Plan Administrator or stockholders may alter or impair any option previously granted under the Stock Purchase Plan without the consent of affected participants. Without stockholder consent and without regard to whether any participant rights may be considered to have been "adversely affected," the Plan Administrator shall be entitled to limit the frequency and/or

28

number of changes in the amount withheld during Offer Periods, change the length of Offer Periods, determine whether subsequent Offer Periods shall be consecutive or overlapping, establish the exchange ratio applicable to amounts withheld in a currency other than U.S. dollars, establish additional terms, conditions, rules or procedures to accommodate the rules or laws of applicable foreign jurisdictions, permit payroll withholding in excess of the amount designated by a participant in order to adjust for delays or mistakes in the Company's processing of properly completed withholding elections, establish reasonable waiting and adjustment periods and/or accounting and crediting procedures to ensure that amounts applied toward the purchase of Common Stock for each participant properly correspond with amounts withheld from the participant's compensation, and establish such other limitations or procedures as the Plan Administrator determines in its sole discretion advisable and which are consistent with the Stock Purchase Plan. In any event, the Stock Purchase Plan shall terminate ten (10) years from the date on which the Stock Purchase Plan becomes effective.

CERTAIN FEDERAL TAX INFORMATION

A participant who disposes of any shares received pursuant to the Stock Purchase Plan within two years after the enrollment date (which is the first day of the Offer Period during which the participant purchased such shares) or within one year after the exercise date (which is the date the shares are purchased), (a "disqualifying disposition") will be treated for federal income tax purposes as having received ordinary income at the time of such disqualifying disposition in an amount equal to the excess of the fair market value of the shares at the time such shares were delivered to the participant over the price which the participant paid for the shares. A participant who disposes of any shares received pursuant to the Stock Purchase Plan at any time after the expiration of the 2-year and 1-year holding periods described above, will be treated for federal income tax purposes as having received income only at the time of such disposition, and such income will be taxed as ordinary income only to the extent of an amount equal to the lesser of (i) the excess of the fair market value of the shares at the time of such disposition over the purchase price which the participant paid for the shares, or (ii) fifteen percent (15%) of the fair market value of the shares on the first day of the Offer Period. The remainder of the gain, if any, recognized on such disposition

Edgar Filing: RAINING DATA CORP - Form PRE 14A

will be taxed as capital gain. The Company will be entitled to a tax deduction in the same amount as the ordinary income recognized by a participant in the event of a disqualifying disposition with respect to shares acquired upon exercise of an option. Otherwise, the Company will not be entitled to a tax deduction with respect to the optionee's disposition of the purchased shares. The foregoing summary of the federal income tax consequences of Stock Purchase Plan transactions is based upon federal income tax laws in effect on the date of this proxy statement. This summary does not purport to be complete, and does not discuss foreign, state or local tax consequences.

NEW PLAN BENEFITS

The Board has approved the Stock Purchase Plan, however continuance of the Stock Purchase Plan is subject to approval by the stockholders of the Company. The number of purchases, if any, to be made after approval of the Stock Purchase Plan to specific employees or groups thereof, cannot currently be determined.

BOARD RECOMMENDATION AND STOCKHOLDER VOTE REQUIRED

The Board of Directors has approved the adoption of the 2001 Employee Stock Purchase Plan, subject to the requisite approval by the Company's stockholders. The Board of Directors of the Company recommends that the Company's stockholders approve and adopt the 2001 Employee Stock Purchase Plan. The affirmative vote of a majority of the shares of Common Stock having voting power present in person or represented by proxy at the Annual Meeting is required to approve and adopt the 2001 Employee Stock Purchase Plan. If such approval is obtained, the Stock Purchase Plan will become effective upon the date of the Annual Meeting. Should such stockholder approval not be obtained, then the Stock Purchase Plan will not become effective.

Shares held by persons who abstain from voting on the proposal and broker "non-votes" will not be voted for or against the proposal. Shares held by persons abstaining and broker "non-votes" will be counted in determining whether a quorum is present for purposes of voting on the proposal. Abstentions will have the same effect as a vote against the matter but broker non-votes will not be counted for this purpose. The persons designated in the enclosed proxy will vote your shares FOR approval of the resolution unless instructions to the contrary are indicated in the enclosed proxy.

(a) General. Any individual who is an Employee on a given Enrollment Date shall be eligible to participate in the Plan for the Offer Period commencing with such Enrollment Date.

(b) Limitations on Grant and Accrual. Any provisions of the Plan to the contrary notwithstanding, no Employee shall be granted an option under the Plan (i) if, immediately after the grant, such Employee (taking into account stock owned by any other person whose stock would be attributed to such Employee pursuant to Section 424(d) of the Code) would own stock and/or hold outstanding options to purchase stock possessing five percent (5%) or more of the total combined voting power or value of all classes of stock of the Company or of any Parent or Subsidiary, or (ii) which permits the Employee's rights to purchase stock under all employee stock purchase plans of the Company and its Parents or Subsidiaries to accrue at a rate which exceeds Twenty-Five Thousand Dollars (\$25,000) worth of stock (determined at the Fair Market Value of the shares at the time such option is granted) for each calendar year in which such option is outstanding at any time. Initially, the Plan shall be implemented through consecutive Offer Periods of six (6) months' duration commencing each February 15 and August 15 following the Effective Date (except that the initial Offer Period shall commence on the Effective Date and shall end on August 14, 2002).

B-3

(b) A Participant shall be granted a separate option for each Offer Period in which he or she participates. The option shall be granted on the Enrollment Date and shall be automatically exercised on the last day of the

Edgar Filing: RAINING DATA CORP - Form PRE 14A

Offer Period. However, with respect to any Offer Period, the Administrator may specify shorter Purchase Periods within an Offer Period, such that the option granted on the Enrollment Date shall be automatically exercised in successive installments on the last day of each Purchase Period ending within the Offer Period.

(c) Except as specifically provided herein, the acquisition of Common Stock through participation in the Plan for any Offer Period shall neither limit nor require the acquisition of Common Stock by a Participant in any subsequent Offer Period.

5. Participation.

(a) An eligible Employee may become a Participant in the Plan by completing a subscription agreement authorizing payroll deductions in the form of Exhibit A to this Plan (or in such other form or procedure the Administrator determines for evidencing elections to participate) and filing it with the designated payroll office of the Company at least ten (10) business days prior to the Enrollment Date for the Offer Period in which such participation will commence, unless a later time for filing the subscription agreement is set by the Administrator for all eligible Employees with respect to a given Offer Period.

(b) Payroll deductions for a Participant shall commence with the first partial or full payroll period beginning on the Enrollment Date and shall end on the last complete payroll period during the Offer Period, unless sooner terminated by the Participant as provided in Section 10.

6. Payroll Deductions.

(a) At the time a Participant files a subscription agreement, the Participant shall elect to have payroll deductions made during the Offer Period in amounts between one percent (1%) and not exceeding ten percent (10%) of the Compensation which the Participant receives during the Offer Period.

(b) All payroll deductions made for a Participant shall be credited to the Participant's account under the Plan and will be withheld in whole percentages only. A Participant may not make any additional payments into such account.

(c) A Participant may discontinue participation in the Plan as provided in Section 10, or may increase or decrease the rate of payroll deductions during the Offer Period by completing and filing with the Company a change of status notice in the form of Exhibit B to this Plan authorizing an increase or decrease in the payroll deduction rate. Any increase or decrease in the rate of a Participant's payroll deductions shall be effective with the first full payroll period commencing ten (10) business days after the Company's receipt of the change of status notice unless the Company elects to process a given change in participation more quickly. A Participant's subscription agreement (as modified by any change of status notice) shall remain in effect for successive Offer Periods unless terminated as provided in Section 10. The Administrator shall be authorized to limit the number of payroll deduction rate changes during any Offer Period.

(d) Notwithstanding the foregoing, to the extent necessary to comply with Section 423(b)(8) of the Code and Section 3(b) herein, a Participant's payroll deductions shall be decreased to 0%. Payroll deductions shall recommence at the rate provided in such Participant's subscription agreement, as amended, at the time when permitted under Section 423(b)(8) of the Code and Section 3(b) herein, unless such participation is sooner terminated by the Participant as provided in Section 10.

7. Grant of Option. On the Enrollment Date, each Participant

Edgar Filing: RAINING DATA CORP - Form PRE 14A

shall be granted an option to purchase (at the applicable Purchase Price) one thousand five hundred (1,500) shares of the Common Stock, subject to adjustment as provided in Section 18 hereof; provided that such option shall be subject to the limitations set forth in Sections 3(b), 6 and 12 hereof. Exercise of the option shall occur as provided in Section 8, unless the Participant has withdrawn pursuant to Section 10, and the option, to the extent not exercised, shall expire on the last day of the Offer Period.

B-4

8. Exercise of Option. Unless a Participant withdraws from the Plan as provided in Section 10, below, the Participant's option for the purchase of shares will be exercised automatically on each Exercise Date, by applying the accumulated payroll deductions in the Participant's account to purchase the number of full shares subject to the option by dividing such Participant's payroll deductions accumulated prior to such Exercise Date and retained in the Participant's account as of the Exercise Date by the applicable Purchase Price. No fractional shares will be purchased; any payroll deductions accumulated in a Participant's account which are not sufficient to purchase a full share shall be carried over to the next Offer Period (or Purchase Period, if applicable) or returned to the Participant, if the Participant withdraws from the Plan. Notwithstanding the foregoing, any amount remaining in a Participant's account following the purchase of shares on the Exercise Date due to the application of Section 423(b)(8) of the Code or Section 7, above, shall be returned to the Participant and shall not be carried over to the next Offer Period (or Purchase Period, if applicable). During a Participant's lifetime, a Participant's option to purchase shares hereunder is exercisable only by the Participant.

9. Delivery. Upon receipt of a request from a Participant after each Exercise Date on which a purchase of shares occurs, the Company shall arrange the delivery to such Participant, as promptly as practicable, of a certificate representing the shares purchased upon exercise of the Participant's option.

10. Withdrawal; Termination of Employment.

(a) A Participant may either (i) withdraw all but not less than all the payroll deductions credited to the Participant's account and not yet used to exercise the Participant's option under the Plan or (ii) terminate future payroll deductions, but allow accumulated payroll deductions to be used to exercise the Participant's option under the Plan at any time by giving written notice to the Company in the form of Exhibit B to this Plan. If the Participant elects withdrawal alternative (i) described above, all of the Participant's payroll deductions credited to the Participant's account will be paid to such Participant as promptly as practicable after receipt of notice of withdrawal, such Participant's option for the Offer Period will be automatically terminated, and no further payroll deductions for the purchase of shares will be made during the Offer Period. If the Participant elects withdrawal alternative (ii) described above, no further payroll deductions for the purchase of shares will be made during the Offer Period, all of the Participant's payroll deductions credited to the Participant's account will be applied to the exercise of the Participant's option on the next Exercise Date, and after such Exercise Date, such Participant's option for the Offer Period will be automatically terminated. If a Participant withdraws from an Offer Period, payroll deductions will not resume at the beginning of the succeeding Offer Period unless the Participant delivers to the Company a new subscription agreement.

(b) Upon termination of a Participant's employment relationship

Edgar Filing: RAINING DATA CORP - Form PRE 14A

(as described in Section 2(k)) at a time more than three (3) months from the next scheduled Exercise Date, the payroll deductions credited to such Participant's account during the Offer Period but not yet used to exercise the option will be returned to such Participant or, in the case of his/her death, to the person or persons entitled thereto under Section 14, and such Participant's option will be automatically terminated. Upon termination of a Participant's employment relationship (as described in Section 2(k)) within three (3) months of the next scheduled Exercise Date, the payroll deductions credited to such Participant's account during the Offer Period but not yet used to exercise the option will be applied to the purchase of Common Stock on the next Exercise Date, unless the Participant (or in the case of the Participant's death, the person or persons entitled to the Participant's account balance under Section 14) withdraws from the Plan by submitting a change of status notice in accordance with subsection (a) of this Section 10. In such a case, no further payroll deductions will be credited to the Participant's account following the Participant's termination of employment and the Participant's option under the Plan will be automatically terminated after the purchase of Common Stock on the next scheduled Exercise Date.

11. Interest. No interest shall accrue on the payroll deductions credited to a Participant's account under the Plan.

12. Stock.

(a) The maximum number of shares of Common Stock which shall be made available for sale under the Plan shall be one million (1,000,000) shares, subject to adjustment upon changes in capitalization of the Company as provided in Section 18. If the Administrator determines that on a given Exercise Date the number

B-5

of shares with respect to which options are to be exercised may exceed (x) the number of shares then available for sale under the Plan or (y) the number of shares available for sale under the Plan on the Enrollment Date(s) of one or more of the Offer Periods in which such Exercise Date is to occur, the Administrator may make a pro rata allocation of the shares remaining available for purchase on such Enrollment Dates or Exercise Date, as applicable, in as uniform a manner as shall be practicable and as it shall determine to be equitable, and shall either continue all Offer Periods then in effect or terminate any one or more Offer Periods then in effect pursuant to Section 19, below.

(b) A Participant will have no interest or voting right in shares covered by the Participant's option until such shares are actually purchased on the Participant's behalf in accordance with the applicable provisions of the Plan. No adjustment shall be made for dividends, distributions or other rights for which the record date is prior to the date of such purchase.

(c) Shares to be delivered to a Participant under the Plan will be registered in the name of the Participant or in the name of the Participant and his or her spouse.

13. Administration. The Plan shall be administered by the Administrator which shall have full and exclusive discretionary authority to construe, interpret and apply the terms of the Plan, to determine eligibility and to adjudicate all disputed claims filed under the Plan. Every finding, decision and determination made by the Administrator shall, to the full extent

Edgar Filing: RAINING DATA CORP - Form PRE 14A

permitted by Applicable Law, be final and binding upon all persons.

14. Designation of Beneficiary.

(a) Each Participant will file a written designation of a beneficiary who is to receive any shares and cash, if any, from the Participant's account under the Plan in the event of such Participant's death. If a Participant is married and the designated beneficiary is not the spouse, spousal consent shall be required for such designation to be effective.

(b) Such designation of beneficiary may be changed by the Participant (and the Participant's spouse, if any) at any time by written notice. In the event of the death of a Participant and in the absence of a beneficiary validly designated under the Plan who is living (or in existence) at the time of such Participant's death, the Company shall deliver such shares and/or cash to the executor or administrator of the estate of the Participant, or if no such executor or administrator has been appointed (to the knowledge of the Administrator), the Administrator shall deliver such shares and/or cash to the spouse (or domestic partner, as determined by the Administrator) of the Participant, or if no spouse (or domestic partner) is known to the Administrator, then to the issue of the Participant, such distribution to be made per stirpes (by right of representation), or if no issue are known to the Administrator, then to the heirs at law of the Participant determined in accordance with Section 27.

15. Transferability. Neither payroll deductions credited to a Participant's account nor any rights with regard to the exercise of an option or to receive shares under the Plan may be assigned, transferred, pledged or otherwise disposed of in any way (other than by will, the laws of descent and distribution, or as provided in Section 14 hereof) by the Participant. Any such attempt at assignment, transfer, pledge or other disposition shall be without effect, except that the Administrator may treat such act as an election to withdraw funds from an Offer Period in accordance with Section 10.

16. Use of Funds. All payroll deductions received or held by the Company under the Plan may be used by the Company for any corporate purpose, and the Company shall not be obligated to segregate such payroll deductions.

17. Reports. Individual accounts will be maintained for each Participant in the Plan. Statements of account will be given to Participants at least annually, which statements will set forth the amounts of payroll deductions, the Purchase Price, the number of shares purchased and the remaining cash balance, if any.

18. Adjustments Upon Changes in Capitalization; Corporate Transactions.

B-6

(a) Adjustments Upon Changes in Capitalization. Subject to any required action by the stockholders of the Company, the Reserves, the Purchase Price, the maximum number of shares that may be purchased in any Offer Period, as well as any other terms that the Administrator determines require adjustment shall be proportionately adjusted for (i) any increase or decrease in the number of issued shares of Common Stock resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of the Common Stock, (ii) any other increase or decrease in the number of issued shares of Common Stock effected without receipt of consideration by the Company, or (iii) as the

Edgar Filing: RAINING DATA CORP - Form PRE 14A

Administrator may determine in its discretion, any other transaction with respect to Common Stock to which Section 424(a) of the Code applies; provided, however that conversion of any convertible securities of the Company shall not be deemed to have been "effected without receipt of consideration." Such adjustment shall be made by the Administrator and its determination shall be final, binding and conclusive. Except as the Administrator determines, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason hereof shall be made with respect to, the Reserves and the Purchase Price.

(b) Corporate Transactions. In the event of a proposed Corporate Transaction, each option under the Plan shall be assumed by such successor corporation or a parent or subsidiary of such successor corporation, unless the Administrator, in the exercise of its sole discretion and in lieu of such assumption, determines to shorten the Offer Period then in progress by setting a new Exercise Date (the "New Exercise Date"). If the Administrator shortens the Offer Period then in progress in lieu of assumption in the event of a Corporate Transaction, the Administrator shall notify each Participant in writing at least ten (10) business days prior to the New Exercise Date, that the Exercise Date for the Participant's option has been changed to the New Exercise Date and that either:

(i) the Participant's option will be exercised automatically on the New Exercise Date, unless prior to such date the Participant has withdrawn from the Offer Period as provided in Section 10; or

(ii) the Company shall pay to the Participant on the New Exercise Date an amount in cash, cash equivalents, or property as determined by the Administrator that is equal to the difference in the Fair Market Value of the shares subject to the option and the Purchase Price due had the Participant's option been exercised automatically under Subsection (b) (i) above.

For purposes of this Subsection, an option granted under the Plan shall be deemed to be assumed if, in connection with the Corporate Transaction, the option is replaced with a comparable option with respect to shares of capital stock of the successor corporation or Parent thereof. The determination of option comparability shall be made by the Administrator prior to the Corporate Transaction and its determination shall be final, binding and conclusive on all persons.

19. Amendment or Termination.

(a) The Administrator may at any time and for any reason terminate or amend the Plan. Except as provided in Section 18, no such termination can affect options previously granted, provided that the Plan or any one or more Offer Periods may be terminated by the Administrator on any Exercise Date or by the Administrator establishing a new Exercise Date with respect to any Offer Period (and/or any Purchase Period, if applicable) then in progress if the Administrator determines that the termination of the Plan or such one or more Offer Periods is in the best interests of the Company and its stockholders. Except as provided in Section 18 and this Section 19, no amendment may make any change in any option theretofore granted which adversely affects the rights of any Participant without the consent of affected Participants. To the extent necessary to comply with Section 423 of the Code (or any successor rule or provision or any other Applicable Law), the Company shall obtain stockholder approval in such a manner and to such a degree as required.

(b) Without stockholder consent and without regard to whether any Participant rights may be considered to have been "adversely affected," the Administrator shall be entitled to limit the frequency and/or number of changes in the amount withheld during Offer Periods, implement and/or change the length

Edgar Filing: RAINING DATA CORP - Form PRE 14A

of Purchase Periods within any Offer Period, determine the length of any future Offer Period, determine whether future Offer Periods shall be consecutive or overlapping, establish the exchange ratio applicable to amounts withheld in a currency other than U.S. dollars, establish additional terms, conditions, rules or procedures to accommodate the

B-7

rules or laws of applicable foreign jurisdictions, permit payroll withholding in excess of the amount designated by a Participant in order to adjust for delays or mistakes in the Company's processing of properly completed withholding elections, establish reasonable waiting and adjustment periods and/or accounting and crediting procedures to ensure that amounts applied toward the purchase of Common Stock for each Participant properly correspond with amounts withheld from the Participant's Compensation, and establish such other limitations or procedures as the Administrator determines in its sole discretion advisable and which are consistent with the Plan.

20. Notices. All notices or other communications by a Participant to the Company under or in connection with the Plan shall be deemed to have been duly given when received in the form specified by the Administrator at the location, or by the person, designated by the Administrator for the receipt thereof.

21. Conditions Upon Issuance of Shares. Shares shall not be issued with respect to an option unless the exercise of such option and the issuance and delivery of such shares pursuant thereto shall comply with all Applicable Laws and shall be further subject to the approval of counsel for the Company with respect to such compliance. As a condition to the exercise of an option, the Company may require the Participant to represent and warrant at the time of any such exercise that the shares are being purchased only for investment and without any present intention to sell or distribute such shares if, in the opinion of counsel for the Company, such a representation is required by any of the aforementioned Applicable Laws. In addition, no options shall be exercised or shares issued hereunder before the Plan shall have been approved by stockholders of the Company as provided in Section 23.

22. Term of Plan. The Plan shall become effective upon the earlier to occur of its adoption by the Board or its approval by the stockholders of the Company. It shall continue in effect for a term of ten (10) years unless sooner terminated under Section 19.

23. Stockholder Approval. Continuance of the Plan shall be subject to approval by the stockholders of the Company within twelve (12) months before or after the date the Plan is adopted. Such stockholder approval shall be obtained in the degree and manner required under Applicable Laws.

24. No Employment Rights. The Plan does not, directly or indirectly, create any right for the benefit of any employee or class of employees to purchase any shares under the Plan, or create in any employee or class of employees any right with respect to continuation of employment by the Company or a Designated Parent or Subsidiary, and it shall not be deemed to interfere in any way with such employer's right to terminate, or otherwise modify, an employee's employment at any time.

25. No Effect on Retirement and Other Benefit Plans. Except as specifically provided in a retirement or other benefit plan of the Company or a Designated Parent or Subsidiary, participation in the Plan shall not be deemed

Edgar Filing: RAINING DATA CORP - Form PRE 14A

compensation for purposes of computing benefits or contributions under any retirement plan of the Company or a Designated Parent or Subsidiary, and shall not affect any benefits under any other benefit plan of any kind or any benefit plan subsequently instituted under which the availability or amount of benefits is related to level of compensation. The Plan is not a "Retirement Plan" or "Welfare Plan" under the Employee Retirement Income Security Act of 1974, as amended.

26. Effect of Plan. The provisions of the Plan shall, in accordance with its terms, be binding upon, and inure to the benefit of, all successors of each Participant, including, without limitation, such Participant's estate and the executors, administrators or trustees thereof, heirs and legatees, and any receiver, trustee in bankruptcy or representative of creditors of such Participant.

27. Governing Law. The Plan is to be construed in accordance with and governed by the internal laws of the State of California (as permitted by Section 1646.5 of the California Civil Code, or any similar successor provision) without giving effect to any choice of law rule that would cause the application of the laws of any jurisdiction other than the internal laws of the State of California to the rights and duties of the parties, except to the extent the internal laws of the State of California are superseded by the laws of the United States. Should any provision of the Plan be determined by a court of law to be illegal or unenforceable, the other provisions shall nevertheless remain effective and shall remain enforceable.

B-8

28. Dispute Resolution. The provisions of this Section 28 (and as restated in the Subscription Agreement) shall be the exclusive means of resolving disputes arising out of or relating to the Plan. The Company and the Participant, or their respective successors (the "parties"), shall attempt in good faith to resolve any disputes arising out of or relating to the Plan by negotiation between individuals who have authority to settle the controversy. Negotiations shall be commenced by either party by notice of a written statement of the party's position and the name and title of the individual who will represent the party. Within thirty (30) days of the written notification, the parties shall meet at a mutually acceptable time and place, and thereafter as often as they reasonably deem necessary, to resolve the dispute. If the dispute has not been resolved by negotiation, the parties agree that any suit, action, or proceeding arising out of or relating to the Plan shall be brought in the United States District Court for the Central District of California (or should such court lack jurisdiction to hear such action, suit or proceeding, in a California state court in the County of Los Angeles) and that the parties shall submit to the jurisdiction of such court. The parties irrevocably waive, to the fullest extent permitted by law, any objection the party may have to the laying of venue for any such suit, action or proceeding brought in such court. THE PARTIES ALSO EXPRESSLY WAIVE ANY RIGHT THEY HAVE OR MAY HAVE TO A JURY TRIAL OF ANY SUCH SUIT, ACTION OR PROCEEDING. If any one or more provisions of this Section 28 shall for any reason be held invalid or unenforceable, it is the specific intent of the parties that such provisions shall be modified to the minimum extent necessary to make it or its application valid and enforceable.

29. Information to Participants The Company shall provide to each Participant, during the period for which such Participant has an option outstanding, copies of financial statements at least annually and all annual reports and other information which is provided to all shareholders of the Company.
