SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our officers and directors, and persons who own more than 10% of a registered class of our equity securities to file reports of ownership and changes in ownership with the SEC and NASDAQ. These persons are required by regulation of the SEC to furnish us with copies of all Section 16(a) forms they file.

Based solely on our review of the copies of such forms that we received, or written representations from certain reporting persons, we believe that during 2001, our officers, directors and greater than 10% beneficial owners complied with all applicable Section 16(a) filing requirements, with one exception. Mr. Danduran failed to timely file one report on Form 4 in November of 2001. Such report was filed on January 10, 2002.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Voting Agreement

In October 2001, we amended our long-term voting agreement with Messrs. Kellner, Gealy, Allen and Embrescia, and investment funds managed by or affiliated with Alta Communications, CEA Capital and TCW Asset Management Company, all of which are stockholders. Pursuant to the long-term voting agreement, Messrs. Kellner, Gealy, Allen and Embrescia and affiliates of Alta Communications, CEA Capital and TCW Asset Management Company all have agreed to vote their shares of voting stock in favor of certain named designees pursuant to which they will likely be able to elect at least a majority of our board. The amendment deleted a former director and one of our initial shareholders as parties and extended the termination date to September 29, 2003. In addition to being stockholders, Messrs. Kellner, Gealy, Allen and Embrescia are all directors. Furthermore, Messrs. Collis, McNeill and Schall are each

Table of Contents

employed by affiliates of the investment fund stockholders (Seaport Capital Partners, Alta Communications and TCW Asset Management Company, respectively) and each serve as directors of our company.

Registration Rights

We have a registration rights agreement with all of our pre-initial public offering investors, including Messrs. Kellner, Allen and Gealy and each of our non-management directors or their affiliates. At any time, these stockholders, holding an aggregate of at least 25% of the stock covered by this registration rights agreement, may demand that we file a registration statement covering our securities held by them. However, the securities to be registered must have an anticipated aggregate public offering price of at least \$10.0 million. These stockholders can effect two such demand registrations.

At any time we are eligible to use a Registration Statement on Form S-3 to register an offering of our securities, these stockholders may request that we file a registration statement on Form S-3, covering all or a portion of our securities held by them, if the aggregate public offering price is at least \$2.0 million. These stockholders can request that we file two S-3 registration statements per year. In addition, these stockholders have piggyback registration rights. If we propose to register any common stock, these stockholders may require us to include all or a portion of their securities in such registration.

These registration rights are subject to our right to delay the filing of a registration statement, not more than once in any 12-month period, for not more than 90 days.

We would bear all registration expenses incurred in connection with these registrations. The stockholders would pay all underwriting discounts, selling commissions and stock transfer taxes applicable to the sale of their securities.

The registration rights of each stockholder under this registration rights agreement terminate when such stockholder transfers its securities under Rule 144 promulgated under the Securities Act or their shares have otherwise been transferred.

The WB Network

Our stations have entered into affiliation agreements and, from time to time, related marketing arrangements with The WB Network. Mr. Kellner is a founder and the Chief Executive Officer of The WB Network. We believe that the terms of each of these affiliation agreements or marketing agreements are or were at least as favorable to us or our affiliates as those that could be obtained from an unaffiliated party.

Table of Contents**COMPARISON OF CUMULATIVE TOTAL RETURNS***

The following graph compares the cumulative total stockholder return on a \$100 investment in our common stock with the cumulative total return of a \$100 investment in (a) the NASDAQ Composite Index and (b) a composite index of the following four peer companies: (1) Granite Broadcasting Corporation, (2) Hearst-Argyle Television, Inc., (3) Sinclair Broadcasting Group, Inc. and (4) Young Broadcasting Inc. Our peers were selected by the Company on a line-of-business basis and weighted for market capitalization. The graph is intended to provide a relevant comparison of total returns for the period from September 30, 1999 (the day our common stock commenced trading) through December 31, 2001. Because we effected our initial public offering in September 1999, the information in the graph is provided at quarter end intervals. The total return on the common stock is measured by dividing the difference between the common stock price at the end and the beginning of the measurement period by the common stock price at the beginning of the measurement period. The graph for our Company and each of the indices also assumes the reinvestment of dividends. Note: We caution that past stock price performance shown for our common stock is not necessarily indicative of future price performance.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee is, and during 2001 was, composed entirely of the outside directors named as signatories to the Compensation Committee report. Except for the voting agreement noted under the caption "Certain Relationships and Related Transactions" above, the Compensation Committee members do not have any relationship with the Chief Executive Officer, other executive officers, or the Company, other than their directorships.

**COMPENSATION COMMITTEE
REPORT ON EXECUTIVE COMPENSATION***

The Compensation Committee consists of Mr. McNeill (Chairman) and Mr. Embrescia, both of whom are non-employee directors. The philosophy of the Compensation Committee is to attract, motivate and retain highly skilled and effective executives who can achieve long-term success in the Company's present competitive environment. The Compensation Committee is responsible for making recommendations to our Board concerning our executive officers' compensation levels, administers our stock incentive plan and determines awards to be made under the plan to our officers and all other eligible individuals. The Compensation Committee may consider other forms of compensation, both short and long-term, in addition to those generally described above. The Compensation Committee has approved Messrs. Kellner's, Gealy's and Allen's employment and consulting agreements and the January 2002 options to extend the terms of those agreements.

Chief Executive Officer Compensation. Mr. Kellner was compensated in accordance with his three-year consulting agreement, which provides for an annual consulting fee of \$258,500 in 2001. Although his agreement also provides for an annual cash incentive award, Mr. Kellner declined to be considered for such an award for 2001. In determining the annual consulting fee for Mr. Kellner's consulting agreement, the Compensation Committee considered the compensation of comparable executives at peer companies in the broadcasting industry (some of which are included in the peer group index in the performance graph), taking into account Mr. Kellner's responsibilities, experience, and individual performance.

Other Executives. The Company has also entered into three-year employment contracts with each of Mr. Allen and Mr. Gealy. These agreements provide for a base salary, a discretionary cash bonus and a one-time special cash bonus in connection with the successful completion of our initial public offering. Each of the executive officers' base salary for calendar year 2001 was \$387,750 which was determined using the same criteria set forth above for Mr. Kellner. Mr. Gealy and Mr. Allen also are eligible to receive a discretionary cash bonus, which both declined to be considered for in 2001.

Stock Options. In determining the aggregate award of options to its executives, the Compensation Committee makes a subjective assessment as to the appropriate level of equity to be granted to sufficiently and properly incentivize the executives and align their interests with those of the Company's stockholders. In 2001, the Company awarded an aggregate of 30,000 stock options for the Company's common stock to Mr. Ed Danduran, the Company's Vice President and Controller.

AUDIT COMMITTEE REPORT*

Our Audit Committee is composed of three independent directors and operates under a written charter adopted by our Board of Directors in connection with our initial public offering and amended April 9, 2002. The members of the Audit Committee are Messrs. McNeill (Chairman), Collis, and Schall. The Audit Committee recommends to the Board of Directors, subject to stockholder ratification, the selection of our independent accountants.

Management is responsible for our internal controls and the financial reporting process. The independent accountants are responsible for performing an independent audit of our consolidated financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In this context, the Audit Committee has met and held discussions with management and the independent accountants. Management represented to the Audit Committee that our consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent accountants. The Audit Committee discussed with the independent accountants all matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

Our independent accountants also provided to the Audit Committee the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent accountants that firm's independence.

Based upon the Audit Committee's discussions with management and the independent accountants and the Audit Committee's review of the representation of management and the report of the independent accountants to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in our Annual Report on Form 10-K for the year ended December 31, 2001 filed with the Securities and Exchange Commission.
