Independent Auditors Report

To the Board of Directors

NNN Healthcare/Office REIT, Inc.

We have audited the accompanying statement of revenues and certain expenses of Southpointe Office Parke and Epler Parke I, or the Property, for the year ended December 31, 2006. This statement of revenues and certain expenses is the responsibility of the Property's management. Our responsibility is to express an opinion on the statement of revenues and certain expenses based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of revenues and certain expenses is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of revenues and certain expenses, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the statement of revenues and certain expenses. We believe that our audit provides a reasonable basis for our opinion.

The accompanying statement of revenues and certain expenses was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission, as described in Note 1 to the statement of revenues and certain expenses and is not intended to be a complete presentation of the Property's revenues and expenses.

In our opinion, the statement of revenues and certain expenses presents fairly, in all material respects, the revenues and certain expenses as described in Note 1 to the statement of revenues and certain expenses of Southpointe Office Parke and Epler Parke I for the year ended December 31, 2006, in conformity with the accounting principles generally accepted in the United States of America.

**NOTE 1 ORGANIZATION AND BASIS OF PRESENTATION**

**Organization**

The accompanying statement of revenues and certain expenses includes the operations of Southpointe Office Parke and Epler Parke I, or the Property, located in Indianapolis, Indiana. The Property has 97,000 square feet of gross leaseable area and is 95% leased as of December 31, 2006.

**Basis of Presentation**

The accompanying statement of revenues and certain expenses has been prepared for the purpose of complying with the provisions of Article 3-14 of Regulation S-X promulgated by the Securities and Exchange Commission, or the SEC, which requires certain information with respect to real estate operations to be included with certain filings with the SEC. The statement of revenues and certain expenses includes the historical revenues and certain operating expenses of the Property, exclusive of items which may not be comparable to the proposed future operations of the Property. Material amounts that would not be directly attributable to future operating results of the Property are excluded, and therefore, the statement of revenues and certain expenses is not intended to be a complete presentation of the Property's revenues and expenses. Items excluded consist of interest expense, depreciation and amortization and federal and state income taxes.

The accompanying statement of revenues and certain expenses is not representative of the actual operations for the period presented, as certain expenses that may not be comparable to the expenses expected to be incurred by NNN Healthcare/Office REIT Holdings, L.P. in the future operations of the Property have been excluded.

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Revenue Recognition**

All leases are classified as operating leases and minimum rents are recognized on a straight-line basis over the terms of the leases (including rent holidays). Tenant reimbursements for real estate taxes, common area maintenance and other recoverable costs are recognized in the period that the expenses are incurred.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of revenues and certain expenses during the reporting period. Actual results could differ materially from those estimates.

**Repairs and Maintenance**

Repairs and maintenance costs are expensed as incurred, while significant improvements, renovations and replacements are capitalized.

If this tenant were to default on its lease, future revenue of the Property would be materially and adversely impacted.

**NOTE 5 COMMITMENTS AND CONTINGENCIES****Litigation**

The Property may be subject to legal claims in the ordinary course of business as a property owner. Management believes that the ultimate settlement of any potential claims will not have a material impact on the Property's results of operations.

**Environmental Matters**

In connection with the ownership and operation of real estate, the Property may be potentially liable for costs and damages related to environmental matters. The Property has not been notified by any governmental authority of any non-compliance, liability or other claim, and management is not aware of any other environmental condition that it believes will have a material adverse effect on the Property's results of operations.

**Other Matters**

Other commitments and contingencies include the usual obligations of a real estate property in the normal course of business. In the opinion of management, these matters are not expected to have a material adverse effect on the Property's financial position and/or results of operations.

We financed the purchase of the Crawfordsville property using a 10-year, fixed rate, 6.123% per annum mortgage loan and a six month unsecured note. straight-line method over an estimated useful life between 16 and 114 months. Amortization expense on the identified intangible assets excluding, above and below market leases, is recognized using the straight-line method over an estimated useful life between 14 and 234 months. The amounts allocated to above market leases are included in the identified intangible assets and below market lease values are included in identified intangible liabilities in the accompanying condensed consolidated balance sheet and are amortized to rental income over the weighted-average remaining term of the acquired leases with each property. The purchase price allocations, and therefore depreciation and amortization expense, are preliminary and subject to change.

(K) Represents the weighted-average number of shares of approximately 117,194 shares of common stock from our initial public offering required to generate sufficient offering proceeds to fund the purchase of the Southpointe property and Crawfordsville property. The calculation assumes the investments were acquired on April 28, 2006 (Date of Inception).
