PROXY STATEMENT

INTRODUCTION

The Board of Directors is soliciting proxies to be used at the 2006 Annual Meeting of Stockholders of Mace Security International, Inc. (Mace or the Company) to be held on Friday, December 8, 2006 at 11:00 AM, Eastern Time, at the Las Olas City Centre, 401 East Las Olas Blvd., Ft. Lauderdale, Florida 33301. Mace will begin mailing this proxy statement and the enclosed form of proxy on or about November 2, 2006 to its stockholders entitled to vote at the Annual Meeting.

The Board of Directors is soliciting your proxy to encourage you to vote on the proposal at the Annual Meeting and to obtain your support for the proposal. You are invited to attend the Annual Meeting and vote your shares directly. If you do not attend, you may vote by proxy, which allows you to direct another person to vote your shares at the Annual Meeting on your behalf, using the accompanying proxy card. **Even if you plan to attend the Annual Meeting, it is a good idea to complete, sign and return the proxy card in case your plans change. You can always vote in person at the Annual Meeting, even if you have already returned the proxy card.**

About This Proxy Solicitation

This proxy solicitation has two parts: the proxy card and this proxy statement.

The Proxy Card The proxy card permits you to vote by proxy, whether or not you attend the Annual Meeting. When you sign the proxy card, you appoint certain individuals as your representatives at the Annual Meeting. They will vote your shares of Mace common stock at the Annual Meeting as you have instructed on the proxy card. If a proposal comes up for a vote that is not on the proxy card, they will vote your shares as they deem appropriate.

This Proxy Statement This proxy statement contains important information for you to consider when deciding how to vote on the proposal. Please read it carefully. It is divided into four sections following this Introduction:

Mace will bear the cost for soliciting these proxies. Mace's directors, officers and employees may solicit proxies, but will receive no special compensation for any solicitation activities. In addition to use of the mails, proxies may be solicited in person, by telephone, facsimile or by other means. Mace will reimburse brokers, nominees, custodians and fiduciaries for their reasonable out-of-pocket expenses in forwarding proxy materials to the beneficial owners of Mace common stock.

About the Annual Meeting

When And Where Mace will hold the Annual Meeting on Friday, December 8, 2006, at 11:00 AM, Eastern Time, at the Las Olas City Centre, 401 East Las Olas Blvd., Ft. Lauderdale Florida, 33301.

Record Date The Board has fixed the close of business on October 27, 2006 as the record date for the Annual Meeting. All stockholders of record at that time are entitled to notice of and are entitled to vote in person or by proxy at the Annual Meeting.

Quorum Requirement Mace's bylaws require that a majority of outstanding shares of Mace common stock must be represented at the Annual Meeting, whether in person or by proxy, constituting a quorum in order to transact business. Abstentions and broker non-votes will be counted in determining whether there is a quorum at the Annual Meeting.

The Proposal Stockholders will vote on the election of five directors at the Annual Meeting.

Other Matters There were no stockholder proposals submitted for the Annual Meeting. Neither Mace nor its Board intend to bring any other matters before the Annual Meeting. The Board has no present knowledge that any other matters will be presented by others for action at the Annual Meeting. However, if other matters requiring the vote of the stockholders properly come before the Annual Meeting, which under applicable proxy regulations need not be included in this proxy statement, or which the Board did not know would be presented at least 45 days before this solicitation, the persons named in the enclosed proxy will have discretionary authority to vote the proxies held by them with respect to such matters in accordance with their best judgment on such matters.

Presence of Independent Registered Public Accountants Representatives of Grant Thornton LLP, Mace's independent registered public accounting firm, will be present at the Annual Meeting. They will have the opportunity to make a statement at the Annual Meeting, if they choose, and they are expected to be available to respond to stockholder questions.

The Stockholders As of the record date of October 27, 2006 there were 15,275,382 shares of Mace common stock issued and outstanding. A complete list of stockholders entitled to vote at the Annual Meeting will be available for inspection by any stockholder for any purpose relating to the Annual Meeting for ten days prior to the meeting during ordinary business hours at Mace's headquarters located at 1000 Crawford Place, Suite 400, Mt. Laurel, New Jersey 08054.

Table of Contents

Voting at the Annual Meeting

You are entitled to one vote for each share of Mace common stock that you owned of record at the close of business on October 27, 2006. The presence, in person or by proxy, of the holders of a majority of shares of common stock issued and outstanding and entitled to vote at the Annual Meeting is necessary to constitute a quorum. Abstentions are counted as shares present at the meeting for purposes of determining whether a quorum exists. Abstentions have the effect of a vote against any matter to which they are specified. Proxies submitted by brokers that do not indicate a vote for some or all of the proposals because they do not have discretionary voting authority and have not received instructions as to how to vote on those proposals (so-called broker non-votes) are considered shares present at the meeting for purposes of determining whether a quorum exists. Broker non-votes will not affect the outcome of the vote on any matter unless the matter requires the affirmative vote of a majority of the outstanding shares and in such case will have the effect of a vote against that matter.

The five nominees for director receiving the highest number of affirmative votes shall be elected as directors. Stockholders do not have the right to cumulate their votes in the election of directors.

How To Vote Your Shares

You may vote in one of two ways:

return your completed, signed and dated proxy card before the Annual Meeting; or

cast a written ballot in person at the Annual Meeting (you will need a legal proxy from your stockbroker if you hold your shares in street name).

Voting By Proxy The proxy card has simple instructions. By returning a completed proxy card before the Annual Meeting, you will direct the appointed persons (known as proxies) to vote your shares at the Annual Meeting in accordance with your instructions. Gregory M. Krzemien and Robert M. Kramer will serve as your proxies for the Annual Meeting. If you complete the entire proxy card except for the voting instructions, then the proxies will vote your shares for the election of the nominated directors. If any nominee for election to the Board is unable to serve, which is not anticipated, then the designated proxies will vote your shares for any substitute nominee chosen by the Board. If any other matters properly come before the Annual Meeting, then the designated proxies will vote your shares *in their discretion* on such matters.

How To Revoke Your Proxy You may revoke your proxy at any time before it is exercised at the Annual Meeting by any of the following means:

notifying Mace's Secretary in writing (notice to be sent to Mace's executive offices, the address for which is located on the first page of this proxy statement);

submitting another proxy card with a later date; or

attending the Annual Meeting and voting by written ballot (mere attendance at the Annual Meeting will not by itself revoke your proxy).

Only the record owner of your shares can vote your shares or revoke a proxy the record owner has given. If your shares are in street name, you will not be able to revoke the proxy sign given by the street name holder.

Table of Contents**ABOUT THE BOARD OF DIRECTORS AND EXECUTIVE OFFICERS****About the Board and its Committees**

Mace's Board is currently comprised of five directors: Louis D. Paolino, Jr., Mark S. Alsentzer, Constantine N. Papadakis, Ph.D., Matthew J. Paolino, and Burton Segal. Each director position is elected annually for a one-year term.

Mace has Corporate Governance Guidelines, which were adopted by the Board and provide that a majority of the Company's directors should be independent, as established by the rules of the NASDAQ Global Market, and set forth other corporate governance requirements. The Board has determined that Messrs. Segal and Alsentzer and Dr. Papadakis are independent under these rules. In addition, all of the Audit Committee members are independent under the Audit Committee independence standards established by the NASDAQ Global Market and the rules promulgated by the SEC. The Board has an Audit Committee, a Compensation Committee, a Nominating Committee and an Ethics and Corporate Governance Committee. All of the committees of the Board are governed by a charter and such charters, along with the Company's Corporate Governance Guidelines, are posted on the Company's website at www.mace.com. In addition, the Audit Committee Charter was included as *Appendix B* to our definitive 2003 Proxy Statement filed with the SEC on November 18, 2003.

Mace's Board held six formal meetings, including four meetings of the independent directors, during 2005. During 2005, all directors attended at least 86% of the aggregate of Mace's Board meetings and the meetings of the committees of the Board on which they served. All members of the Audit Committee, Compensation Committee, Nominating Committee, and the Ethics and Corporate Governance Committee are independent directors within the meaning of the rules of the NASDAQ Global Market. In addition to meeting as members of committees, the independent directors held formal meetings in 2005 as independent directors. The Board has determined that Burton Segal is an Audit Committee financial expert as defined in the rules and regulations of the SEC and is financially sophisticated for the purposes of the rules of the NASDAQ Global Market. The following chart describes the composition and functions of the Board committees.

Nominating Committee Policies

The Nominating Committee considers candidates for Board membership suggested by its members, other Board members and management. The Nominating Committee has authority to retain a search firm to assist in the identification of director candidates. In selecting nominees for director, the Nominating Committee considers a number of factors, including, but not limited to:

whether a candidate has demonstrated business and industry experience that is relevant to the Company, including recent experience at the senior management level (preferably as chief executive officer or in a similar position) of a company as large or larger than the Company;

the candidate's ability to meet the suitability requirements of all relevant regulatory agencies;

the candidate's ability to represent interests of the stockholders;

the candidate's independence from management and freedom from potential conflicts of interest with the Company;

the candidate's financial literacy, including whether the candidate will meet the audit committee membership standards set forth in the rules of the NASDAQ Global Market;

whether a candidate is widely recognized for his or her reputation, integrity, judgment, skill, leadership ability, honesty and moral values;

the candidate's ability to work constructively with the Company's management and other directors; and

the candidate's availability, including the number of other boards on which the candidate serves, and his or her ability to dedicate sufficient time and energy to his or her board duties.

During the process of considering a potential nominee, the Committee may request additional information concerning, or an interview with, the potential nominee. Pursuant to our Corporate Governance Guidelines, no director may be nominated to a new term if he or she would be age 70 or older at the time of election.

The Nominating Committee will also consider recommendations by stockholders of nominees for directors to be elected at the Company's annual meeting of stockholders, if they are received on or before September 1 of the year of the meeting. In evaluating nominations received from stockholders, the Committee will apply the same criteria and

follow the same process used to evaluate candidates recommended by members of the Nominating Committee. Stockholders wishing to recommend a nominee for director are to submit such nomination in writing, along with any other supporting materials the stockholder deems appropriate, to the Secretary of the Company at the Company's headquarters at 1000 Crawford Place, Suite 400, Mt. Laurel, New Jersey 08054.

Table of Contents**Stockholder Access Policy**

Stockholders who wish to communicate with directors should do so by writing to the Company's Secretary, Robert M. Kramer, at the Company's headquarters at 1000 Crawford Place, Suite 400, Mt. Laurel, New Jersey 08054. The Secretary of the Company reviews all such correspondence and regularly forwards to the Board a summary of all such correspondence and copies of all correspondence that, in the opinion of the Secretary, deals with the functions of the Board or Board committees or that he otherwise determines requires their attention. Directors may at any time review all correspondence received by the Company that is addressed to members of the Board and request copies of any such correspondence. Concerns relating to accounting, internal controls or auditing matters will be brought to the attention of the Company's Audit Committee.

Director Attendance at Annual Meetings

The Company encourages all of its directors to attend the Company's Annual Meeting of Stockholders. Last year, four directors attended the Company's 2005 annual meeting of stockholders.

Stock options are issued under the 1999 Stock Option Plan at the discretion of the Compensation Committee to employees at an exercise price of no less than the then current market price of the common stock and generally expire ten years from the date of grant. Allocation of available options and vesting schedules are at the discretion of the Compensation Committee and are determined by potential contribution to, or impact upon, the overall performance of the Company by the executives and employees. Stock options are also issued to members of the Board of Directors at the discretion of the Compensation Committee. These options may have similar terms as those issued to officers or may vest immediately. Compensation Committee Interlocks and Insider Participation

Papadakis, Ph.D. No executive officer of Mace served as a director or compensation committee member of any entity of which Messrs. Segal, Alsentzer or Papadakis was an executive officer or director.

Compensation Committee Report on Executive Compensation

The Compensation Committee of the Company's Board of Directors consists of directors Burton Segal, Mark Alsentzer, and Constantine N. Papadakis, Ph.D, all of whom the Board has determined are independent pursuant to the NASD's Nasdaq Global Market Marketplace Rules. This report shall not be deemed incorporated by reference into any filing under the Securities Act of 1933, as amended (the Securities Act), or the Securities Exchange Act of 1934, as amended (the Exchange Act), by virtue of any general statement in such filing incorporating this Form 10-K by reference, except to the extent that the Company specifically incorporates the information contained in this section by reference, and shall not otherwise be deemed filed under either the Securities Act or the Exchange Act.

General. The Committee is responsible for matters related to compensation, including compensation policy and the review and approval, or recommendation to the Board for approval, of salaries, bonus and other compensation of the Company's officers. The Company's compensation policies for executives are intended to further the interests of the Company and its stockholders by encouraging growth of its business through securing, retaining, and motivating management employees of high caliber who possess the skills necessary for the development and growth of the Company.

Components of Executive Compensation

The Company's current compensation package consists of three components: base salaries, bonuses and stock options. Together, these elements comprise total compensation value. In determining specific levels of compensation for the Company's executives, the Committee considers the achievement of corporate and individual goals, financial performance of the Company, recommendations of management and benchmarks provided by comparative data of peer companies. The Committee seeks to ensure that the appropriate relationship exists between executive compensation and corporate performance. In addition, the total compensation paid to the Company's executive officers is influenced significantly by the need (i) to attract management employees with a high level of expertise, and (ii) to motivate and retain key executives for the long-term success of the Company and its stockholders.

Base Compensation. In setting and adjusting base salary levels for each individual executive, the Compensation Committee considers factors such as the executive's scope of responsibility, the executive's performance, the performance of the Company, future potential and benchmarks of comparable positions at other companies. In making salary decisions, the Compensation Committee exercises subjective judgment using no specific weights for the previously discussed factors. In setting 2004 base salaries of executives other than the Chief Executive Officer, the Committee has attempted to keep base salaries as low as possible while still retaining its executives. Comparative data provided by Amper, Politziner and Mattia, P.C. reflects that base cash compensation levels are near the 25th percentile of peer companies surveyed for Mr. Kramer, Mr. Krzemien and Mr. Pirollo. Peer companies included companies providing consumer services on a national basis. For 2005, the Committee maintained the same annual base salary levels for its executives as in 2004. In reviewing the base salaries of the Company's executive officers for 2005, the Committee considered the individual performance of each executive, the Company's financial performance in 2005, management's efforts to maximize operating profits from its Car and Truck Wash Segment, the Company's goal to sell its car and truck washes, the continuing growth of its Security Segment, and keeping the Company's overhead as low as possible.

Table of Contents

Stock Options. The Company grants stock options to its executive management under its 1999 employee stock option plan. Option grants are intended to offer significant returns if the Company is successful and, therefore, create significant incentives to devote the effort called for in order to implement the Company's strategic plan. The Compensation Committee believes that executives' interests are directly tied to enhanced stockholder value. Thus, stock options are used to provide the executive management team with a strong incentive to perform in a manner that should result in the long-term success of the Company. The Compensation Committee authorized and granted stock options for Mr. Kramer, Mr. Krzemien and Mr. Pirollo on March 1, 2006 as incentive compensation for their 2005 performance in the respective amounts of 75,000, 60,000 and 25,000. All awarded options had an exercise price of \$2.40, the close of market on March 1, 2006. The options were issued on March 23, 2006. The options awarded to the Executive Officers vest one third upon issuance, one third twelve months from issuance and one third twenty-four months from issuance.

Performance Bonuses. The Company maintains the option to supplement base compensation with awards of performance bonuses in the form of cash to reward efforts undertaken by its key executive officers which are extraordinary in nature. No discretionary bonuses were paid to executive officers for 2005.

Compensation of the Chief Executive Officer

The compensation of Louis D. Paolino, Jr., the Chief Executive Officer, for 2005 was primarily made up of base salary and stock options. Mr. Paolino's base salary was set at \$400,000 in the employment agreement he entered into with the Company in August 2003. As discussed above, in 2004, the Committee reviewed comparative data provided by Amper, Politziner and Mattia, P.C. and determined that Mr., Paolino's base salary was near the median of the peer companies surveyed. Mr. Paolino's salary was not adjusted in 2004 or 2005. In addition, Mr. Paolino received 15,000 stock options in 2005 for his service on the Board of Directors. The Compensation Committee authorized Mr. Paolino to receive 150,000 stock options at an exercise price of \$2.40 on March 1, 2006 for his role in the Company's performance in 2005, including overseeing progress in the Company's efforts to sell its car and truck washes and the continuing growth of its Security Segment. The options were issued on March 23, 2006.

ADDITIONAL INFORMATION

Certain Relationships and Related Party Transactions

From November 2001 through July 2002, the Company prepaid LP Learjets, LLC \$5,109 per month for the right to use a Learjet 31A for 100 hours per year. LP Learjets, LLC is a company owned by Louis D. Paolino, Jr., the Company's Chairman, Chief Executive Officer and President. When the Learjet 31A is used, the prepaid amount is reduced by the hourly usage charge as approved by the Audit Committee, and the Company pays to third parties unaffiliated with Louis D. Paolino, Jr., the direct costs of the Learjet's per-hour use, which include fuel, pilot fees, engine insurance and landing fees. The balance of unused prepaid flight fees totaled \$31,659 at both December 31, 2005 and September 30, 2006.

During the Company's fiscal year ended December 31, 2005 and the first nine months ending September 30, 2006, Louis D. Paolino, Jr. purchased approximately \$44,500 and \$40,800, respectively of the Company's products at a discount from the prices charged to distributors. The total of the discount given to Mr. Paolino in the Company's fiscal year ended December 31, 2005 and the first nine months ending September 30, 2006 was approximately \$18,200 and \$5,200, respectively.

The Company's Security Segment leases manufacturing and office space under a five-year lease with Vermont Mill, Inc. (Vermont Mill), which provided for monthly lease payments of \$9,167 through November 2004. Vermont Mill is controlled by Jon E. Goodrich, a former director and current employee of the Company. The Company has exercised an option to continue the lease through November 2009 at a rate of \$10,576 per month. The Company believes that the lease rate is lower than lease rates charged for similar properties in the Bennington, Vermont area. On July 22, 2002, the lease was amended to provide Mace the option and right to cancel the lease with proper notice and a payment equal to six months of the then current rent for the leased space occupied by Mace. Rent expense under this lease was \$126,900 for the fiscal year ended December 31, 2005 and \$95,200 for the nine months ending September 30, 2006.

During the Company's fiscal year ended December 31, 2005 and the first nine months ending September 30, 2006, the Company's Security Segment sold approximately \$36,000 and \$300, respectively of electronic security equipment to a company of which Louis Paolino, III, the son of the Company's CEO, Louis D. Paolino, Jr., is a partial owner. The pricing extended to this company is no more favorable than the pricing given to third party customers who purchase in similar volume. At September 30, 2006, outstanding invoices totaling \$8,800 were owed from this company to Mace. On September 29, 2005, Louis Paolino III, the son of the Company's Chief Executive Officer, Louis Paolino, Jr., purchased from the Company a warehouse bay in Hollywood, Florida that is no longer used in the Company's operations for \$306,000 in cash. The Company's Audit Committee authorized the Company on February 14, 2005 to proceed with a sale of the warehouse property to Louis Paolino III for \$306,000. The Company paid \$256,688 for the property in 2003. The warehouse property was appraised by a third party independent appraiser on January 18, 2005 at an estimated market value of \$306,000.
