**PROXY STATEMENT
FOR
ANNUAL GENERAL MEETING OF SHAREHOLDERS
TO BE HELD ON JUNE 11, 2008**

April 29, 2008

The Annual General Meeting of Shareholders of Enstar Group Limited will be held at the Fairmont Hamilton Princess Hotel located at 76 Pitts Bay Road, Hamilton, Bermuda, on Wednesday, June 11, 2008 at 9:00 a.m. local time. We are mailing this Proxy Statement on or about May 6, 2008 to each holder of our issued and outstanding ordinary shares entitled to vote at the Annual General Meeting in order to furnish information relating to the business to be transacted at the meeting. We have mailed our Annual Report to Shareholders for the fiscal year ended December 31, 2007 with this Proxy Statement. We have included the Annual Report for informational purposes and not as a means of soliciting your proxy.

We hope that you will be able to attend the Annual General Meeting in person. Whether or not you expect to attend the meeting in person, please complete, sign, date and return the enclosed proxy card in the accompanying envelope so that your shares will be represented. If you receive more than one proxy card because you have multiple accounts, you should sign and return all proxies received to be sure all of your shares are voted.

If the accompanying proxy card is properly executed and returned, the proxies named on the proxy card will vote the ordinary shares of the Company that it represents as specified on the following proposals:

1. To elect two Class II Directors to hold office until 2011.
2. To ratify the selection of Deloitte & Touche, Hamilton, Bermuda, to act as our independent registered public accounting firm for the fiscal year ending December 31, 2008 and to authorize the Board of Directors, acting through the Audit Committee, to approve the fees for the independent registered public accounting firm.
3. To approve the Enstar Group Limited Employee Share Purchase Plan.
4. To act on the election of directors for our subsidiaries.
5. To transact such other business as may properly come before the meeting or any postponement or adjournment thereof.

Shareholders of record as of the close of business on April 15, 2008 are entitled to vote at the Annual General Meeting. As of that date, there were 11,944,289 ordinary shares issued and outstanding and entitled to vote at the meeting. Except as set forth in our bye-laws, each ordinary share entitles the holder thereof to one vote. In accordance

with our bye-laws, certain shareholders whose shares constitute 9.5% or more of the voting power of our ordinary shares are entitled to less than one vote for each ordinary share held by them.

The required quorum for the Annual General Meeting consists of two or more shareholders present in person or by proxy and entitled to vote at least a majority of the shares entitled to vote at the meeting. The election of directors and the approval of Proposals Two and Three require the affirmative vote of a majority of the votes cast by the shareholders at the meeting. With respect to Proposal Four, regarding the election of directors of our subsidiaries, our Board of Directors will cause our corporate representative or proxy to vote the shares of those subsidiaries in the same proportion as the votes received at the meeting from our shareholders. If any other business is brought before

Table of Contents

the meeting, proxies will be voted, to the extent permitted by the rules and regulations of the Securities and Exchange Commission, in accordance with the judgment of the persons voting the proxies.

We will count ordinary shares held by shareholders who are present in person or by proxy at the meeting and who elect to abstain from voting on any proposal, as well as broker non-votes, towards the presence of a quorum, but will not count those shares as a vote in the election of any director or for any other proposal. We will also count ordinary shares held by shareholders who have signed their proxy cards but have not specified how their shares are to be voted towards the presence of a quorum, and we will vote those shares FOR the election of directors nominated by our Board of Directors under Proposal One, FOR Proposal Two, FOR Proposal Three and FOR each of the subsidiary director nominees listed in Proposal Four.

Any shareholder giving a proxy has the power to revoke it prior to its exercise by sending notice of revocation to our Secretary in writing, by executing and delivering a subsequently dated proxy card or by voting in person at the meeting. Attendance at the meeting will not by itself constitute revocation of a proxy.

The Company will bear the cost of preparing and soliciting proxies, including the reasonable charges and expenses of brokerage firms or other nominees for forwarding proxy materials to the beneficial owners of our ordinary shares. In addition to solicitation by mail, certain directors, officers and employees of the Company and its subsidiaries may solicit proxies personally or by telephone or other electronic means without extra compensation, other than reimbursement for actual expenses incurred in connection with the solicitation. The enclosed proxy is solicited by and on behalf of the Board of Directors of the Company.

When used in this Proxy Statement, the terms we, us, our, and the Company refer to Enstar Group Limited.

PROPOSAL NO. 1 ELECTION OF DIRECTORS

Our Board of Directors is divided into three classes designated Class I, Class II and Class III. The term of office for each Class II director expires at the annual general meeting in 2008; the term of office for each Class III director expires at the annual general meeting in 2009; and the term of office for each Class I director expires at the annual general meeting in 2010. At each annual general meeting, the successors of the class of directors whose term expires at that meeting will be elected to hold office for a term expiring at the annual general meeting to be held in the third year following the year of their election.

Two Class II directors are to be elected at the meeting to hold office until the annual general meeting in 2011. Both of the nominees currently are directors. In accordance with the resolutions adopted by our Board of Directors concerning the nomination of individuals to serve as directors of the Company, our Board of Directors nominated each of the nominees following a recommendation of the nominees from our independent directors. Both nominees have consented to serve if elected. We do not expect that either of the nominees will become unavailable for election as a director, but if either nominee should become unavailable prior to the meeting, proxy cards authorizing the proxies to vote for the nominees will instead be voted for a substitute nominee recommended by our Board of Directors.

In connection with the merger of one of our wholly owned subsidiaries with The Enstar Group, Inc. on January 31, 2007 (the Merger), we completed a recapitalization (also on January 31, 2007). Pursuant to the terms of the agreement governing the recapitalization (the Recapitalization Agreement) each of our current directors except for Robert J. Campbell, including each nominee to be elected at the Annual General Meeting, was named a director of the Company. Mr. Campbell was appointed to the Board of Directors on August 8, 2007.

Independence of Directors

Our Board of Directors consists of nine directors, of which six are non-management directors. The board is in compliance with the NASDAQ Marketplace Rule 4350(c)(1) requirement that the board be comprised of a majority of independent directors. The board has determined that five of our non-management directors, Messrs. Armstrong, Campbell, Collins, Curl and Davis, are independent as defined by NASDAQ Marketplace Rule 4200(a)(15). The board has made this determination based primarily on a review of the responses of the directors to questions regarding employment and compensation history, family relationships and affiliations, and discussions with the directors. For details about certain relationships and transactions among the Company and its executive officers and directors, see *Certain Relationships and Related Transactions* in this proxy statement.

Meetings of the Board of Directors and its Committees

We expect our directors to attend all meetings of our Board of Directors, all meetings of all committees of the board on which they serve and each annual general meeting of shareholders, absent exigent circumstances. Our Board of Directors met four times during the year ended December 31, 2007. Each director attended at least 75% of the meetings of the board and of the committees of the board on which the director served during the period for which he served during 2007, except Paul J. Collins. Nine out of ten directors then serving attended the 2007 annual general meeting of shareholders. In addition, in 2007, our independent directors met each quarter in executive sessions without management.

Our Board of Directors currently maintains an Audit Committee and a Compensation Committee. Current copies of the charter for each of these committees are available on our website at www.enstargroup.com. In addition, any

Edgar Filing: Enstar Group LTD - Form DEF 14A

shareholder may receive copies of these documents in print, without charge, by contacting our Secretary at P.O. Box HM 2267, Windsor Place, 3rd Floor, 18 Queen Street, Hamilton, HM JX, Bermuda.

Audit Committee. Since the completion of the Merger on January 31, 2007, the Audit Committee has been comprised of Messrs. Armstrong, Collins, Curl and Davis, with Mr. Armstrong serving as Chairman. On August 8, 2007, Mr. Campbell was also appointed to the Audit Committee. The Audit Committee met four times during the year ended December 31, 2007. This committee has general responsibility for the oversight of the quality and

Table of Contents

integrity of our financial statements, the qualifications and independence of our independent auditor, the performance of our internal audit function and independent auditor, and our compliance with legal and regulatory requirements. The committee appoints, retains and approves the compensation for our independent auditors, pre-approves fees and services of the independent auditors and reviews the scope and results of their audit. Each member of the Audit Committee is a non-management director and is independent as defined in NASDAQ Marketplace Rule 4200(a)(15) and under the Exchange Act. Our Board of Directors has determined that each of Messrs. Curl and Collins, who are both independent directors, qualifies as an audit committee financial expert pursuant to the definition set forth in item 407(d)(5)(ii) of Regulation S-K, as adopted by the Securities and Exchange Commission (the SEC). The Audit Committee operates under a written charter that has been approved by our Board of Directors. The charter is reviewed annually by the Audit Committee, which recommends any proposed changes to our board.

Compensation Committee. Since the completion of the Merger on January 31, 2007, the Compensation Committee has been comprised of Messrs. Armstrong, Curl and Davis, with Mr. Davis serving as Chairman. On February 26, 2008, the Board of Directors appointed Messrs. Campbell and Collins to the Compensation Committee. The Compensation Committee met twice during the year ended December 31, 2007. The Compensation Committee has general responsibility for the compensation of our executive officers. The committee establishes our general compensation philosophy and oversees the development and implementation of our compensation programs. The committee also periodically reviews the compensation of our directors and makes recommendations to our board with respect thereto. Each member of the Compensation Committee is a non-management director and is independent as defined in NASDAQ Marketplace Rule 4200(a)(15). The Compensation Committee operates under a written charter that has been approved by our Board of Directors. The charter is reviewed annually by the Compensation Committee, which recommends any proposed changes to our board. Additional information on the Compensation Committee and the role of management in setting compensation is provided below in Executive Compensation Compensation Discussion & Analysis.

Compensation Committee Interlocks and Insider Participation. During the year ended December 31, 2007, no executive officer served as a member of the compensation committee or as a director of another entity, one of whose executive officers served on our Compensation Committee or as one of our directors.

Nomination Process. The Company does not have a nominating committee, although we do have a formal nominations process. It is the position of the Board of Directors that it is appropriate for the independent directors, rather than a separate committee comprised of most or all of our independent directors, to recommend director candidates. NASDAQ Marketplace Rule 4350(c)(4) requires director nominees of the Company to be selected, or recommended to the Board of Directors for selection, either by (i) a majority of the independent directors or (ii) a nominations committee comprised solely of independent directors. In November 2006, the Board of Directors adopted a resolution in accordance with these requirements regarding the nomination of directors. Pursuant to that resolution, the independent directors, Messrs. Armstrong, Campbell, Collins, Curl and Davis, will conduct the director nomination process each year in connection with our annual general meeting of shareholders.

When identifying and reviewing director nominees, the independent directors consider the nominees' personal and professional integrity, ability and judgment, as well as other factors deemed appropriate by the independent directors. For incumbent directors, the independent directors review each director's overall service to the Company during the director's term, including the number of meetings attended, level of participation and quality of performance. The independent directors considered and nominated the candidates proposed for election as directors at the Annual General Meeting, with the Board of Directors unanimously agreeing on all actions taken in this regard.

Shareholders may recommend candidates to serve as directors by submitting a written notice to the Board of Directors at Enstar Group Limited, P.O. Box 2267, Windsor Place, 3rd Floor, 18 Queen Street, Hamilton, HM JX, Bermuda. Shareholder recommendations must be accompanied by sufficient information to assess the candidate's qualifications

and contain the candidate's consent to serve as director if elected. Shareholder nominees will be evaluated by the independent directors in the same manner as nominations made by the independent directors.

Table of Contents**Code of Ethics/Code of Conduct**

We have adopted a Code of Ethics that applies to all of our senior executive and financial officers, and a Code of Conduct that applies to all of our directors and employees, including all senior executive and financial officers covered by the Code of Ethics. Copies of our Code of Ethics and Code of Conduct are available on our website at www.enstargroup.com. In addition, any shareholder may receive copies of these documents in print, without charge, by contacting our Secretary at Enstar Group Limited, P.O. Box 2267, Windsor Place, 3rd Floor, 18 Queen Street, Hamilton HM JX, Bermuda. We intend to disclose on our website any required amendment to, or waiver of, a provision of the Code of Ethics or Code of Conduct that applies to our senior executive and financial officers.

Shareholder Communications with the Board of Directors

Shareholders and other interested parties may send communications to our Board of Directors by sending written notice to our Secretary at Enstar Group Limited, P.O. Box HM 2267, Windsor Place, 3rd Floor, 18 Queen Street, Hamilton, HM JX, Bermuda. The notice may specify whether the communication is directed to the entire board, to the independent directors, or to a particular board committee or individual director. Our Secretary will handle routine inquiries and requests for information. If the Secretary determines the communication is made for a valid purpose and is relevant to the Company and its business, the Secretary will forward the communication to the entire board, to the independent directors, to the appropriate committee chairman or to the individual director as the notice was originally addressed. At each meeting of our Board of Directors, our Secretary will present a summary of all communications received since the last meeting that were not forwarded and will make those communications available to the directors on request.

PROPOSAL NO. 2 APPOINTMENT OF INDEPENDENT AUDITORS

The Audit Committee of our Board of Directors has selected Deloitte & Touche, Hamilton, Bermuda, as our independent registered public accounting firm for the fiscal year ending December 31, 2008. At the Annual General Meeting, shareholders will be asked to ratify this selection and to authorize our Board of Directors, acting through the Audit Committee, to approve the fees for Deloitte & Touche. Representatives of Deloitte & Touche are expected to be present at the meeting and will have the opportunity to make a statement if they desire to do so. The representatives of Deloitte & Touche will also be available to respond to appropriate questions from shareholders.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE RATIFICATION OF THE SELECTION OF DELOITTE & TOUCHE AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2008 AND THE AUTHORIZATION OF OUR BOARD OF DIRECTORS, ACTING THROUGH THE AUDIT COMMITTEE, TO APPROVE THE FEES FOR THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

Audit and Non-Audit Fees

Aggregate fees for professional services rendered to us by Deloitte & Touche for the fiscal years ended December 31, 2007 and 2006 are set forth below.

|--------------------|-------------------------|-------------------------|
| Audit Fees | \$ 3,488,442 | \$ 3,381,776 |

|--------------|----|-----------|----|-----------|

Audit Fees for the years ended December 31, 2007 and December 31, 2006 were for professional services rendered for the audit of our annual financial statements, for the review of our quarterly financial statements, for services in connection with the audits for insurance statutory and regulatory purposes in the various jurisdictions in which we operate and for the provision of consents and comfort letters relating to our filings with the SEC.

Table of Contents

Audit-Related Fees for the years ended December 31, 2007 and December 31, 2006 consisted primarily of professional services rendered for financial accounting and reporting consultations and opening balance sheet audits of acquisitions.

Tax Fees for the years ended December 31, 2007 and December 31, 2006 were for professional services rendered for tax compliance and tax consulting.

There were no fees in the *All Other Fees* category for the fiscal years ended December 31, 2007 and December 31, 2006.

Our Audit Committee approved all of the services and related fees described above. In addition, our Audit Committee considers whether the nature or amount of non-audit services could potentially affect Deloitte & Touche's independence.

On February 26, 2008, our Audit Committee adopted a policy to pre-approve all audit and permissible non-audit services provided by the independent auditor. The Audit Committee will generally pre-approve a list of specific services and categories of services, including audit, audit-related, and other services, for the upcoming or current fiscal year, subject to a specified cost level. Any service that is not included in the approved list of services must be separately pre-approved by the Audit Committee. In addition, all audit and permissible non-audit services in excess of the pre-approved cost level, whether or not such services are included on the pre-approved list of services, must be separately pre-approved by the Audit Committee chairman.

PROPOSAL 3 APPROVAL OF THE AMENDED AND RESTATED ENSTAR GROUP LIMITED EMPLOYEE SHARE PURCHASE PLAN

On February 26, 2008, our Board of Directors adopted, subject to shareholder approval, the Amended and Restated Enstar Group Limited Employee Stock Purchase Plan (the *Plan*), effective March 1, 2008. The Plan is designed to provide our employees with an opportunity to purchase Enstar Group Limited ordinary shares (*Shares*) through payroll deductions and enables us to retain and attract qualified employees by providing additional incentives through increased share ownership.

General

The Plan is an important element of our employees' compensation and helps align the interests of our employees with those of our shareholders. The purpose of the Plan is to give our employees an incentive to advance the best interests of the Company by providing a way for them to purchase Shares at a favorable price and on favorable terms. In our opinion, the Plan is not subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended.

The Plan is designed to qualify for favorable income tax treatment under Section 423 of the Internal Revenue Code (the *Code*). The Plan provides for the issuance, upon purchase by participating employees, of up to an aggregate of 200,000 Shares (subject to adjustment in the event of stock splits and certain other corporate events, as described below under *Adjustment to Shares*). These Shares may be unissued or reacquired Shares held as treasury shares for purposes of the Plan. The Plan can be terminated as described under *Amendment or Termination of the Plan*. Any Shares that are not subject to purchase upon the termination of the Plan will cease to be subject to the Plan.

Only employees having less than 5% of our total combined voting power who are not highly compensated employees (within the meaning of Section 414(q) of the Code) subject to the reporting requirements of Section 16(a) of the Securities Exchange Act of 1934 are eligible to participate in the Plan.

Summary of the Key Terms of the Plan

This section summarizes the material terms of the Plan. The full text of the Plan is set forth in Appendix A to this Proxy Statement. Certain features of the Plan are summarized below, but the summary is qualified in its entirety by reference to the full text of the Plan. All capitalized terms not defined in this Proxy Statement have the meanings set forth in the Plan.

Table of Contents

Administration of the Plan

Under the terms of the Plan, the Plan will be administered by an individual or committee, as determined by the Board (the Administrator), or, the Board of Directors itself. The Board of Directors has appointed Jeff Adams, our Assistant Financial Controller, to administer the Plan. The Administrator has discretionary authority to interpret and construe any and all provisions of the Plan, to adopt rules and regulations for administering the Plan, and to make all other determinations deemed necessary or advisable for administering the Plan.

Eligibility for Participation

Any individual who becomes an employee of the Company is eligible to participate in the Plan with respect to Offering Periods that commence after the employee's hire date. No employee has a right to purchase Shares if the employee, immediately after acquiring such right, would own shares, and/or hold outstanding options to purchase shares, possessing 5% or more of the total combined voting power or value of all classes of stock of the Company (with share ownership determined pursuant to the rules of Section 424(d) of the Code). Any highly compensated employee of the Company (within the meaning of Section 414(q) of the Code) who is subject to the reporting requirements of Section 16(a) of the Securities Exchange Act of 1934 is not eligible to participate in the Plan. As of the date of this proxy statement, approximately 220 employees were eligible to participate in the Plan.

Offering Periods and Employee Participation

During the first year of the Plan, there will be an Offering Period commencing on April 1, 2008 and ending on December 31, 2008. Each year following the first year of the Plan will have an Offering Period beginning on January 1 and ending on the following December 31.

An eligible employee may elect to participate in the Plan for any Offering Period by designating a percentage of his or her Base Pay (generally, the employee's straight-time earnings) to be deducted from compensation for each payroll period and paid into the Plan for his or her account. A participant's purchases under the Plan may not exceed either (1) 15% of Base Pay or (2) \$25,000 worth of Shares (determined at the fair market value of Shares at the purchase date).

Participation in the Plan is voluntary and depends on each eligible employee's election to participate and the level of payroll deductions elected, and the fair market value of the Shares on the purchase date. Accordingly, the benefits or amounts that will be received with respect to future purchases under the Plan are not determinable. For the same reasons and because this is the first time a plan of this nature has been adopted by the Company, we cannot determine what benefits or amounts would have been received if the Plan been in place during the last completed fiscal year.

Purchase Price and Shares Purchased

The aggregate payroll deductions credited to the participant's account will be used to purchase Shares on the last business day of each calendar month. The purchase price per Share to be paid by each participant on each purchase of Shares is an amount equal to 85% of the fair market value of the Shares on the purchase date. The fair market value of the Shares will be the closing price of a Share as reported on the NASDAQ Global Select Market or such other securities exchange on which the Shares may be primarily traded in the future.

Any balance remaining in a participant's account after payment of the purchase price for Shares will be used to purchase Shares on the next purchase date in the Offering Period, and any amount remaining in the participant's account at the end of the Offering Period will be returned to the participant. No fractional Shares will be purchased. All payroll authorizations are made in whole percentages and deductions are rounded to the nearest dollar. A

participant does not have any rights or privileges of a shareholder of the Company for any Shares subject to the Plan until Shares have been purchased and registered in the name of the participant.

In the event a participant's Base Pay is not payable in U.S. Dollars, then the payroll deductions in participant's account will be converted to U.S. Dollars at the spot exchange rate at the close of business on the purchase date, in accordance with procedures established by the Administrator.

Table of Contents

Changes in and Withdrawal of Payroll Deductions

A participant may discontinue participation in the Plan during any Offering Period by withdrawing his or her payroll authorization, but no other change can be made during an Offering Period. A participant may not alter the amount of his or her payroll deductions for an Offering Period, except to zero.

Termination of Employment

Upon termination of a participant's employment, the payroll deductions credited to his or her account will be applied to the purchase of Shares as of the next purchase date. Any amount remaining in the participant's account after such purchase date will be returned to the participant (or his or her estate, in the case of death).

Adjustment to Shares

Whenever any change is made in the Shares, by reason of a stock split, reorganization, recapitalization, combination, exchange of shares, merger, consolidation, or any other similar change in corporate structure, the Administrator will take appropriate action to adjust the number of Shares remaining for issue under the Plan in proportion to the change in issued Shares.

Amendment or Termination of the Plan

The Board of Directors in its discretion may terminate or amend the Plan at any time. However, the Board of Directors may not, without the approval of the shareholders of the Company (1) increase the maximum number of Shares that may be issued under the Plan (other than for changes in capitalization, as described above) or (2) change the persons eligible to purchase Shares.

Upon termination of the Plan, the Administrator, in its discretion, will either use any cash remaining in participants accounts to purchase Shares under the Plan, or return cash to the participants.

Use of Funds

All funds received or held by the Company under the Plan will be included in the general funds of the Company free of any trust, segregation or other restriction, and may be used for any corporate purpose. No interest will be paid or allowed on any money paid into the Plan or credited to the account of a participant.

Transferability

Neither payroll deductions credited to a participant's account nor any rights to acquire Shares under the Plan may be assigned or transferred other than by will or the laws of descent and distribution.

Tax Consequences

The tax consequences of participating in the Plan vary depending on a participant's tax jurisdiction, as described below. There are no tax consequences of Plan participation to Bermuda taxpayers.

Rules Applicable to United States Taxpayers

The Plan has been designed to qualify for special tax treatment under Section 423 of the Code. Under Code Section 423, a participant in the United States does not recognize taxable income until the Shares acquired under the

Plan are sold or otherwise transferred. If the Shares are sold or otherwise transferred at least two years after the purchase date, then the participant will recognize ordinary taxable income equal to the *lesser* of (i) the excess of the fair market value of the Shares on the purchase date over the purchase price (i.e., the discount), or (ii) the amount of gain realized on the sale. Any additional gain or loss on the sale or transfer will be treated as a long-term capital gain or loss.

If the Shares are sold or transferred before the expiration of the two-year holding period described above (referred to as a *disqualifying disposition*), the excess of the fair market value of the Shares on the purchase date over the purchase price will be treated as ordinary income, even if no gain is realized on the sale, or the gain realized on the sale is less than this amount. The balance of any gain or loss will be treated as a short-term capital gain or loss

Table of Contents

if the shares have been held less than 12 months and a long-term capital gain or loss if the shares were held at least 12 months prior to the disposition.

The Company does not have any federal income tax consequences at the offering or purchase date of the Shares. However, if an employee disposes of Shares acquired under the Plan before the expiration of the holding period described above, generally the Company will be entitled to a tax deduction in the year of disposition equal to the amount of ordinary income recognized by the employee.

Rules Applicable to United Kingdom Taxpayers

The Shares acquired by a participant in the United Kingdom are not issued under a plan that has been approved by HM Revenue & Customs. The excess of the fair market value of the Shares a participant acquires on the purchase date over the purchase price (i.e., the discount) will be subject to income tax and employee's national insurance contributions (NICs) when participants acquire the Shares. If the participant subsequently sells or otherwise transfers the Shares after acquisition, any gain over and above the fair market value of the Shares when the participant acquired them will be subject to capital gains tax. Under current rules the exact amount of capital gains tax is dependent on how long the participant holds the Shares but under proposed legislation there will be a flat rate of tax on capital gains of 18% exceeding the annual exemption for capital gains irrespective of how long the participant holds the Shares.

The Company will be responsible for paying employer NICs with respect to the benefit provided by the discount and should be able to claim a deduction for this amount provided that the payment is incurred wholly and exclusively for the purposes of its trade and is not otherwise subject to statutory disallowance.

Ratification by Shareholders of the Plan

Approval of the Plan will require the affirmative vote of a majority of the votes cast by shareholders at the Annual General Meeting. Upon approval of the Plan by our shareholders, the Plan will go into effect and purchases will begin as of the last business day of April. In the event that the proposal to approve the Plan is not approved by our shareholders at the meeting, the Plan will automatically terminate to the same extent and with the same effect as though it had never been adopted; employees will not be able to purchase Shares under the Plan and no Shares will be issued under the Plan.

EXECUTIVE COMPENSATION**Compensation Discussion And Analysis**

Prior to the completion of the Merger, the Compensation Committee of our Board of Directors was comprised of two members of our Board of Directors. The Compensation Committee's basic responsibility was to review the performance of our management in achieving corporate goals and objectives and to ensure that our executive officers were compensated effectively in a manner consistent with our strategy and compensation practices. Toward that end, the Compensation Committee oversaw, reviewed and administered all of our compensation, equity and employee benefit plans and programs applicable to executive officers.

Following completion of the Merger on January 31, 2007, our Compensation Committee was reconstituted to be comprised of three independent directors. This new committee was responsible for establishing the philosophy and objectives of our compensation programs, designing and administering the various elements of our compensation programs and assessing the performance of our executive officers and the effectiveness of our compensation programs in achieving their objectives. On February 26, 2008, two additional independent directors were appointed to the

Compensation Committee.

Compensation Philosophy and Objectives

We are a rapidly growing company operating in an extremely competitive and changing industry. We believe that the skill, talent, judgment and dedication of our executive officers are critical factors affecting the long-term value of our company. Therefore, our goal is to maintain an executive compensation program that will fairly compensate our executives, attract and retain qualified executives who are able to contribute to our long-term success, induce performance consistent with clearly defined corporate objectives and align our executives' long-term interests with those of our shareholders.

Table of Contents

As a privately-held company prior to the Merger, we did not identify specific metrics or goals against which we measured the performance of our executive officers. Our decisions on compensation for our executive officers were based primarily upon our assessment of each individual's performance. We relied upon judgment and not upon rigid guidelines or formulas in determining the amount and mix of compensation elements for each executive officer. Factors affecting our judgment included the nature and scope of the executive's responsibilities and the executive's effectiveness in leading initiatives to achieve corporate objectives.

In connection with the Merger, we specifically identified growth in our tangible net book value as our primary corporate objective. We believe growth in our tangible net book value is largely driven by growth in our net earnings, which is in turn partially driven by successfully completing new acquisitions. While we have still not identified specific metrics or goals against which we measure the performance of our executive officers, we believe the structure of our bonus plan, as described below, does induce performance consistent with our corporate objectives and does align our executives' long-term interests with those of our shareholders.

Role of Executive Officers and Compensation Consultant

For the fiscal year ended December 31, 2007, Mr. Silvester, our Chief Executive Officer, as the leader of our executive team, assessed the individual contribution of each member of our executive team, other than himself, and, where applicable, made a recommendation to the Compensation Committee with respect to any merit increase in salary, cash bonus and share awards under the 2006-2010 Annual Incentive Compensation Program. The Compensation Committee evaluated, discussed and approved these recommendations and conducted a similar evaluation of Mr. Silvester's contributions to the Company.

Our Chief Executive Officer and Chief Financial Officer also support the Compensation Committee in its work by providing information relating to our financial plans, performance assessments of our executive officers and other personnel-related data. Mr. Harris, our Chief Financial Officer, regularly attends the meetings of our Compensation Committee in connection with performing these functions.

The committee has the authority under its charter to engage the services of outside advisors, experts and others to assist it. The Compensation Committee has not, to date, engaged any third-party consultant to assist it in performing its duties, although it plans to do so in the future.

Principal Elements of Executive Compensation

Our executive compensation program currently consists of three components: base salaries, annual incentive compensation and long-term incentive compensation. Our executives are also entitled to certain perquisites, including the payment of a housing allowance to our executives domiciled in Bermuda and certain payments made in lieu of retirement benefit contributions. There is no pre-established policy or target for the allocation of these components. Rather, the structure of our annual incentive compensation plan tends to dictate what percentage of our executives' annual compensation is derived from their bonuses as opposed to their base salaries and the value of their perquisites. The Compensation Committee considers all compensation components in total when evaluating and making decisions with respect to each individual component.

Base Salaries. The salaries of our Chief Executive Officer and our other executive officers are established based on the scope of their responsibilities, taking into account competitive market compensation for similar positions based on publicly-available as well as anecdotal information available to the Compensation Committee. We believe that our base salary levels are consistent with levels necessary to achieve our compensation objective, which is to maintain base salaries competitive with the market. We believe that below-market compensation could, in the long run,

jeopardize our ability to retain our executive officers. Due to the competitive market for highly qualified employees in our industry and our geographic locations, we may choose to set our cash compensation levels at the higher end of the market in the future. Any base salary adjustments are expected to be based on competitive conditions, market increases in salaries, individual performance, our overall financial results and changes in job duties and responsibilities. Pursuant to the employment agreements we have with our Chief Executive Officer and our other executive officers, base salaries are also subject to cost-of-living adjustments, which provide that an increase in an executive officer's base salary with respect to each subsequent year shall not be less than the product of the executive officer's base salary multiplied by the annual percentage increase in the retail price index for the United States, as reported in the most recent report of the U.S. Department of Labor for the preceding year. Once increased, the executive officer's annual salary cannot be decreased without his written consent.

Table of Contents

In 2007, the Compensation Committee increased the salaries of our executive officers between approximately 6% and 7%. The committee has approved larger increases in base salaries for 2008 for each executive officer (approximately 20%) in recognition that their salaries had fallen below what the committee believed were median levels for our market.

Annual Incentive Compensation. We maintain an annual incentive plan, the purpose of which is to set aside 15% of our net after-tax profits to be allocated among our executive officers and employees. The annual incentive plan is designed to reward performance that is consistent with our primary corporate objective of increasing our tangible net book value through growth in our net earnings. The percentage of net after-tax profits comprising the bonus pool will be 15% unless the Compensation Committee exercises its discretion to change the percentage no later than 30 days after the last day of the calendar year.

The allocation of the annual incentive plan pool among our executive officers and the other participants in the plan is the responsibility of the Compensation Committee and is based on individual performance, as determined by the Compensation Committee with significant input from our Chief Executive Officer. For the year ended December 31, 2007, we awarded cash bonuses to our executive officers in the amounts set forth below:

| Executive Officer | Cash Bonus Amount |
|--------------------------|--------------------------|
| Dominic F. Silvester | \$ 562,536 |
| Paul J. O Shea | \$ 562,536 |
| Nicholas A. Packer | \$ 562,536 |
| Richard J. Harris | \$ 562,536 |
| John J. Oros | \$ 281,268 |

Bonuses paid to executive officers under the annual incentive plan decreased compared to last year. This was partly due to the overall bonus pool being smaller because of the decrease in our net after-tax profits and partly due to the Compensation Committee's decision to award a smaller portion of the overall bonus pool to the executive officers. For 2007, the committee agreed with the Chief Executive Officer's recommendation that each executive officer receive an equal share of the bonus pool as each contributed equally to our performance. Mr. Oros received an amount equal to 50% of the bonus awarded to the other executives due to the fact that he splits his time between J.C. Flowers & Co. LLC and us.

Long-Term Incentive Compensation. We have established the 2006 Equity Incentive Plan to provide our employees long-term incentive compensation in the form of share ownership, which we believe furthers our objective of aligning the interests of management and the other participants in the plan with our long-term performance. The Equity Incentive Plan is administered by the Compensation Committee. The Compensation Committee currently expects that the majority of shares available for issuance under the Equity Incentive Plan will be used for the purpose of granting bonus shares, which are issued in lieu of all or a portion of the cash bonus payments under the annual incentive plan. Other awards under the Equity Incentive Plan may be made at varying times and in varying amounts in the discretion of the Compensation Committee.

For the year ended December 31, 2007, we awarded bonus shares to our executive officers in the amounts set forth below:

Bonus Shares

| Executive Officer | Awarded |
|--------------------------|----------------|
| Dominic F. Silvester | 1,964 |
| Paul J. O Shea | 1,964 |
| Nicholas A. Packer | 1,964 |
| Richard J. Harris | 1,964 |
| John J. Oros | 982 |

The bonus shares awarded to our executive officers were immediately vested and not subject to any restriction on transfer. All of the bonus shares represented the portion of the payout under the annual incentive plan that the Compensation Committee elected to pay in shares rather than cash. Accordingly, each executive, other than Mr. Oros, received an equal number of shares for the same reason that they each received an equal amount of cash, as discussed above. Mr. Oros received 50% of the shares awarded to the other executives due to the fact that he splits his time between J.C. Flowers & Co. LLC and us.

Share Ownership Guidelines

We currently do not require our directors or executive officers to own a particular amount of our ordinary shares, nor do we have a policy regarding hedging the economic risk of such ownership. The Compensation Committee is satisfied that the equity holdings among our directors and executive officers are sufficient at this time to provide motivation and to align this group's interests with the interests of our shareholders.

Perquisites

Our executive officers participate in the same group insurance and employee benefit plans as our other salaried employees. In addition, our executive officers generally receive housing allowances and certain other benefits that are described below under Summary Compensation Table Additional Benefits.

Messrs. Silvester, O'Shea, Packer and Harris receive housing allowances pursuant to their employment agreements. Because our business is global and we are headquartered in Bermuda, many of our executive officers are required to relocate or to maintain a second residence in order to work for us. Non-Bermudians are significantly restricted by law from owning property in Bermuda and accordingly the housing market is largely based on renting to expatriates who work on the island. As a result, housing allowances have become a common practice for non-Bermudians. To reduce the likelihood that these factors will prevent talented executive officers from joining us and to remain competitive, we provide housing allowances to help defray the cost of maintaining a second residence or working in multiple locations.

Post-Termination Protection and Change in Control

We have entered into employment agreements with Messrs. Silvester, Oros, O'Shea, Packer and Harris. Each such agreement provides for accelerated vesting of equity in the event that we are subject to a change in control and the executive officer's employment terminates for specified reasons. See Employment Agreements below for a summary of these employment agreements. The terms of each employment agreement reflect arm's length negotiations between us and the executive officer. In addition, our 2006 Equity Incentive Plan and our 2006-2010 Annual Incentive Compensation Program provide that our executive officers receive certain benefits upon a change in control. These benefits are described below in Potential Payments Upon Termination or Change in Control. The basis for the change in control provisions in both the employment agreements and the incentive plans is that they are consistent with customary industry practice and competitive in the marketplace.

Financial Restatements

The Compensation Committee has not adopted a policy with respect to whether we will make retroactive adjustments to any cash- or equity-based incentive compensation paid to executive officers (or others) where the payment was predicated upon the achievement of financial results that were subsequently the subject of a restatement. Our Compensation Committee believes that this issue is best addressed when the need actually arises, when all of the facts regarding the restatement are known.

Tax and Accounting Treatment of Compensation

Section 162(m) of the Internal Revenue Code places a limit of \$1 million on the amount of compensation that we may deduct from our U.S. source income in any one year with respect to certain of our executive officers. As a Bermuda-based company with limited U.S. source income, this limitation has not historically impacted our decisions regarding executive compensation.

We account for equity compensation paid to our employees under the rules of SFAS 123(R), which requires us to estimate and record an expense for each award of equity compensation over the service period of the award. Accounting rules also require us to record cash compensation as an expense at the time the obligation is accrued.

Summary

The Compensation Committee believes that our compensation philosophy and programs are designed to foster a performance-oriented culture that aligns our executive officers' interests with those of our shareholders. The Compensation Committee also believes that the compensation of our executives is both appropriate and responsive to the goal of improving shareholder value through growth in our tangible net book value.

Employment Agreements with Executive Officers

During 2006 and into 2007, we had employment agreements with Messrs. Silvester, O Shea and Packer. Upon completion of the Merger, on January 31, 2007, we and our wholly-owned subsidiary, Enstar (US) Inc., formerly known as Castlewood (US) Inc. On April 27, 2007, we (and in the case of Mr. Oros agreement, we and Enstar U.S.) entered into new employment agreements with Messrs. Silvester, O Shea, Packer and Oros, which became effective as of May 1, 2007 and replaced the prior agreements. In addition, we entered into an employment agreement with Richard J. Harris on April 27, 2007, which became effective as of May 1, 2007. 2006 Enstar Group Limited Equity Incentive Plan

On September 15, 2006, the Board of Directors and shareholders adopted the Enstar Group Limited 2006 Equity Incentive Plan, or the Equity Incentive Plan, which reserved 1,200,000 ordinary shares for issuance pursuant to awards granted under the Equity Incentive Plan. The Equity Incentive Plan provides that awards may be granted to participants in any of the following forms, subject to such terms, conditions and provisions as the Compensation Committee may provide: (i) incentive stock options, or ISOs, (ii) nonstatutory stock options, or NSOs, (iii) stock appreciation rights, or SARs, (iv) restricted share awards, (v) restricted share units, or RSUs, (vi) bonus shares and (vii) dividend equivalents. The maximum aggregate number of ordinary shares subject to each of the following types of awards granted to an employee during any calendar year under the plan is 120,000 shares: options, SARs, restricted share awards and RSUs with performance-based vesting criteria. In addition, the aggregate number of bonus shares granted to an employee under the plan may not exceed 120,000. The Compensation Committee has broad authority to administer the plan, including the authority to select plan participants, determine when awards will be made, determine the type and amount of awards, determine any limitations, restrictions or conditions applicable to each award, and determine the terms of any agreement or other document that evidences an award.

Enstar Group Limited 2006-2010 Annual Incentive Compensation Program

On September 15, 2006, the Board of Directors and shareholders adopted the Enstar Group Limited 2006-2010 Annual Incentive Compensation Program, or the Annual Incentive Plan. The purpose of the Annual Incentive Plan, which is administered by the Compensation Committee, is to motivate certain officers, directors and employees of the Company and its subsidiaries to grow our profitability. The Annual Incentive Plan provides for the annual grant of bonus compensation, or a bonus award, to certain of officers and employees of the Company and its subsidiaries, including our senior executive officers. The aggregate amount available for bonus awards for each calendar year from 2006 through 2010 will be determined by the Compensation Committee based on a percentage of our consolidated net after-tax profits, which for the fiscal years ended December 31, 2007 and 2006 amounted to

Table of Contents

\$61.8 million and \$82.3 million, respectively. The percentage will be 15% unless the Compensation Committee exercises its discretion to change the percentage no later than 30 days after the last day of the calendar year. The Compensation Committee determines, in its sole discretion, the amount of the bonus award paid to each participant. For the fiscal years ended December 31, 2007 and 2006, the aggregate amount of bonus awards available under the Annual Incentive Plan was \$10.9 million and \$14.5 million, respectively, or 15% of our net after-tax profits.

Bonus awards are payable in cash, ordinary shares or a combination of both. Ordinary shares issued in connection with a bonus award will be issued pursuant to the terms and subject to the conditions of the Equity Incentive Plan.

In March 2007, the Compensation Committee awarded bonus awards to participants in the Annual Incentive Plan in recognition of services performed during fiscal 2006. The awards to the named executive officers were paid through a combination of cash and bonus shares granted pursuant to the Equity Incentive Plan as follows: Mr. Silvester, \$1.25 million (\$937,508 in cash and 3,168 bonus shares); Mr. O Shea, \$1.25 million (\$937,508 in cash and 3,168 bonus shares); Mr. Packer, \$1.0 million (\$750,046 in cash and 2,534 bonus shares); and Mr. Harris, \$1.0 million (\$750,046 in cash and 2,534 bonus shares).

In March 2008, the Compensation Committee awarded bonus awards to participants in the Annual Incentive Plan in recognition of services performed during fiscal 2007. The awards to the named executive officers were paid through a combination of cash and bonus shares granted pursuant to the Annual Incentive Plan and issued pursuant to the Equity Incentive Plan as follows: Mr. Silvester, \$750,000 (\$562,536 in cash and 1,964 bonus shares); Mr. O Shea, \$750,000 (\$562,536 in cash and 1,964 bonus shares); Mr. Packer, \$750,000 (\$562,536 in cash and 1,964 bonus shares); Mr. Harris, \$750,000 (\$562,536 in cash and 1,964 bonus shares); and Mr. Oros, \$375,000 (\$281,268 in cash and 982 bonus shares). The shares were immediately vested, therefore the values shown represent the number of shares multiplied by the closing price of our ordinary shares on the award date.

Retirement Benefits

We maintain retirement plans and programs for our employees in Bermuda, the United Kingdom and the United States.

The Company does not maintain a formal retirement plan for those Bermuda employees who are work permit holders. Instead, the Company pays out (and, in the case of Mr. Oros, Enstar U.S. pays out) on an annual basis to employees, including each of Messrs. Silvester, O Shea, Packer, Harris and Oros, an amount equal to 10% of their base salaries in lieu of a retirement benefit contribution. The amounts paid to Messrs. Silvester, O Shea, Packer, Harris and Oros are included in the amounts shown in the All Other Compensation column of the Summary Compensation Table above.

The United Kingdom operates a Group Personal Pension Plan with a United Kingdom life assurance company into which the Company contributes monthly an amount equal to 10% of the employees base pre-tax salary. In addition, the employee may make personal contributions to the plan. The plan is a defined contribution plan and remains the property of the employee who has discretion over investment choices within his individual plan. The plan is fully portable should the employee cease to be employed by the Company. None of our named executive officers participates in this plan.

In the United States, our subsidiary, Enstar U.S., maintains a 401(k) & Savings Plan, under which employees may contribute a portion of their earnings on a tax-deferred basis and we may make matching contributions. We may also make profit sharing contributions on a discretionary basis. Mr. Oros is the only named executive officer who participates in this plan. Enstar U.S. made matching contributions to Mr. Oros's account of \$2,250 for the year ended December 31, 2007.

Additional Benefits

We provide Messrs. Silvester, O Shea, Packer and Harris with a housing allowance, which amounted to \$8,500 per month for each of Messrs. Silvester, O Shea and Packer and \$4,167 per month for Mr. Harris for the fiscal years ended December 31, 2007 and 2006. The housing allowances are included in the amounts shown for Messrs. Silvester, O Shea, Packer and Harris in the All Other Compensation column of the Summary

Table of Contents

Compensation Table above. On February 26, 2008, the Compensation Committee re-approved the housing allowance amounts for Messrs. Silvester, O Shea and Packer of \$8,500 per month, and approved an increase for Mr. Harris's housing allowance to \$8,500 per month. Mr. Harris's increase was effective March 31, 2008.

The Bermudan government imposes payroll taxes and social insurance taxes as a percentage of the employee's salary, a portion of which is the employer's responsibility and a portion of which may be charged to the employee, except for Mr. Oros, who is a U.S. employee. We pay the employee's share of these taxes for all of our employees, including executive officers. This amount is included in the All Other Compensation column of the Summary Compensation Table above for all of our executive officers who are subject to these taxes.

Potential Payments Upon Termination or Change in Control.

This section describes payments that would be made to our named executive officers upon a change in control of the Company or following termination of employment. In the first part of this section, we describe benefits under general plans that apply to any executive officer participating in those plans. We then describe specific benefits to which each named executive officer is entitled, along with estimated amounts of benefits assuming termination for specified reasons as of December 31, 2007, the last business day of the fiscal year.

2006 Equity Incentive Plan

We maintain the Equity Incentive Plan, as described above. Under the Equity Incentive Plan, upon the occurrence of a change in control, executive officers receive the following benefits:

each option and stock appreciation right then outstanding becomes immediately exercisable, and remains exercisable throughout its entire term, unless exercised, cashed out, or replaced;

restricted shares and restricted share units immediately vest; and

any target performance goals or payout opportunities attainable under all outstanding awards of restricted stock, performance units and performance shares are deemed to have been fully attained.

In addition, restricted shares and options granted under the Equity Incentive Plan generally vest fully upon an executive officer's retirement, death or disability. Upon termination of employment due to retirement, death or

disability, an optionee has either one year or until the expiration date of the options (whichever occurs first) to exercise any vested options. Optionees generally have either three months or until the expiration date of the options (whichever occurs first) to exercise their options upon any other termination of employment other than termination for cause, in which case all options terminate immediately. In addition, the Compensation Committee may require an optionee to disgorge any profit, gain or other benefit received in respect of the exercise of any awards for a period of up to 12 months prior to optionee's termination for cause. Retirement is defined under the Equity Incentive Plan as termination of employment after attainment of age 65 and completion of a period of service as the Compensation Committee shall determine from time to time. Disability is defined as within the meaning of Section 22(e)(3) of the United States Internal Revenue Code of 1986, as amended (the Code).

Under the Equity Incentive Plan, a change in control occurs if:

a person, entity or group (other than the Company, its subsidiaries, an employee benefit plan of the Company or its subsidiaries which acquires ownership of voting securities of the Company) required to file a Schedule 13D or Schedule 14D-1 under the Exchange Act becomes the beneficial owner of 50% or more of

Table of Contents

either our then outstanding ordinary shares or the combined voting power of our outstanding voting securities entitled to vote generally in the election of directors;

our Board of Directors is no longer composed of a majority of individuals who were either members as of the date the Equity Incentive Plan was adopted, or whose appointment, election or nomination for election was approved by a majority of the directors then comprising the incumbent board (other than someone who becomes a director in connection with an actual or threatened election contest);

our shareholders approve a reorganization, merger or consolidation by reason of which persons who were the shareholders of the Company immediately prior to such reorganization, merger or consolidation do not, immediately thereafter, own more than 50% of the combined voting power of the reorganized, merged or consolidated company's then outstanding voting securities entitled to vote generally in the election of directors; or

our shareholders approve a complete liquidation or dissolution of Enstar Group Limited, or the sale, transfer, lease or other disposition of all or substantially all of our assets, and such transaction is consummated.

2006 - 2010 Annual Incentive Compensation Program

In addition to the Equity Incentive Plan, we also maintain the Annual Incentive Plan. Under the Annual Incentive Plan, a change in control affects the measurement period for the executive officers' bonuses under such program. The measurement period to determine bonuses for executive officers is the calendar year; however, in the event of a change in control, the measurement period begins on the first day of the calendar year and ends on the date of the change in control, thus, bonuses earned up to that date are paid out sooner than they otherwise would be. A change in control under the Annual Incentive Plan is defined to be the same as a change in control under the executive officers employment agreement (described below), or if the officer does not have an employment agreement, a change in control is defined the same as a change in control under the Equity Incentive Plan (described above).

Executive Officer Employment Agreements

In addition to the benefits described above, the executive officers are entitled to certain other benefits under their employment agreements upon termination of their employment. Upon termination for any reason, each is entitled to any salary, bonuses, expense reimbursement and similar amounts earned but not yet paid. We (or in the case of Mr. Oros, Enstar U.S.) also provide each executive officer with a supplemental life insurance policy to pay a benefit of five times his base salary upon death.

If the employment of an executive officer terminates as a result of his death, his employment agreement automatically terminates, and his designated beneficiary or legal representatives are entitled to:

a lump sum payment in the amount of five times of the executive officer's base salary upon his death under the life insurance policy maintained by the Company;

for the year in which the executive officer's employment terminates, provided that the Company achieves the performance goals, if any, established in accordance with any incentive plan in which the executive officer participates, an amount equal to the bonus that the executive officer would have received had he been employed by the Company for the full year, reduced on a pro rata basis to reflect the amount of calendar days during the year that he was employed; and

continued medical benefits coverage under the employment agreement for the executive officer's spouse and dependents for a period of 36 months following his death (except for Mr. Oros, who is entitled to this coverage for a period ending on December 31 of the second calendar year commencing on the date of his death).

Either the executive officer or we may terminate his employment agreement if the executive officer becomes disabled, by providing 30 days' prior written notice to the other party. Under the executive officer's employment agreements, disability means the executive officer has been unable to substantially perform his duties due to physical or mental incapacity for 120 days during any period of 150 consecutive days. If the executive officer's employment ends because of disability, then he is entitled to (i) medical benefits for himself for 36 months following termination (except for Mr. Oros, who is entitled to this coverage for a period ending on December 31 of the second calendar year commencing on the date of his termination), (ii) his base salary for a period of 36 months (with base salary payments being offset by

Table of Contents

any payments to the executive officer under disability insurance policies paid for by the Company), and (iii) for the year in which the executive officer's employment terminates because of disability, provided that the Company achieves the performance goals, if any, established in accordance with any incentive plan in which the executive officer participates, an amount equal to the bonus that he would have received had he been employed by the Company for the full year, reduced on a pro rata basis to reflect the amount of calendar days during the year that he was employed.

If we terminate the employment agreement of an executive officer for cause, or if an executive officer voluntarily terminates his employment agreement with us without good reason, the Company will not be obligated to make any payments to the executive officer other than amounts that have been fully earned by, but not yet paid to, the executive officer.

Under these employment agreements, cause means (i) fraud or dishonesty in connection with his employment that results in a material injury to Company, (ii) the executive officer's conviction of any felony or crime involving fraud or misrepresentation or (iii) a specific material and continuing failure of the executive officer to perform his duties (other than death or disability) following written notice and failure by the executive officer to cure such failure within 30 days, or (iv) a specific material and continuing failure of the executive officer to follow reasonable instructions of the Board of Directors following written notice and failure by the executive officer to cure such failure within 30 days.

Under the employment agreement, good reason means (i) a material breach by the Company of our obligations under the agreement, (ii) the relocation of the executive officer's principal business office outside of Bermuda without his consent (and in addition, for Mr. Oros, the relocation of his principal business office with respect to Enstar U.S. outside of New York City), or (iii) any material reduction in the executive officer's duties or authority.

If we terminate the executive officer's employment without cause, if the executive officer terminates his employment with good reason or if we or the executive officer terminate his employment within one year after a change in control (as defined above under Potential Payments upon Termination or Change in Control 2006 Equity Incentive Plan) has occurred, then the executive officer is entitled to:

any amounts (including salary, bonuses, expense reimbursement, etc.) that have been fully earned by, but not yet paid to, the executive officer as of the date of termination;

a lump sum amount equal to three times the executive officer's base salary;

continued medical benefits coverage for the executive officer, his spouse and dependents at Company's expense for 36 months (except for Mr. Oros, who is entitled to this coverage for a period ending on December 31 of the second calendar year commencing on the date of his termination);

each outstanding equity incentive award granted to the executive officer before, on or within three years of January 31, 2007 shall become immediately vested and exercisable on the date of such termination; and

for the year in which the executive officer's employment terminates, provided that the Company achieves any performance goals established in accordance with any incentive plan in which the executive officer participates, an amount equal to the bonus that the executive officer would have received had he been employed by the Company for the full year.

The executive officer is also subject to non-competition restrictions and provisions prohibiting solicitation of our employees and our customers, during the five-year term of his employment and if the executive officer fails to remain employed through the five-year term, for a period of 18 months after termination of the agreement, along with

ongoing confidentiality and non-disparagement requirements.

Table of Contents

The following table sets forth the termination and/or change in control benefits payable to each executive officer under their employment agreements dated April 27, 2007 (and, in the case of Mr. Silvester, amended and restated on June 4, 2007) and effective on May 1, 2007, assuming termination of employment on December 31, 2007. With the exception of insured benefits and certain payments made by Enstar U.S. to Mr. Oros, all payments will be made by us.

- (3) In addition to amounts of base salary earned, but not yet paid, the executive officer would be entitled to receive his annual base salary for a period of 36 months, payable in accordance with our regular payroll practices, offset by any amounts payable under disability insurance policies paid for by the Company.
- (4) Bonus calculations are based on the bonus awarded to the executive officer for the fiscal year ended December 31, 2007, which amount was paid in 2008 and consisted of a combination of cash and shares. This calculation does not include the bonus of \$937,508 awarded to Mr. Oros on April 2, 2007, because that amount would have already been paid to Mr. Oros prior to the December 31, 2007 assumed date of termination.
- (5) Value of continued coverage under medical plans for Messrs. Silvester, O Shea, Packer and Harris and their respective families assumes continuation of premiums paid by us as of December 31, 2007 for the maximum coverage period of 36 months. Value of continued coverage under medical plans for Mr. Oros and his family assumes continuation of premiums paid by Enstar U.S. as of December 31, 2007 for the maximum coverage period ending on December 31 of the second calendar year commencing on the date of his termination.
- (6) Amount payable upon death under each executive's employment agreement.

The RSUs may be settled in a lump sum distribution or in quarterly or annual installment payments over a period not to exceed 10 years beginning as of the first business day of any calendar year after the termination of the director's services on the Board of Directors of Enstar Group Limited. As of December 31, 2007, the directors listed below held the following number of RSUs:

- (5) Mr. Campbell was appointed to the Board of Directors on August 8, 2007.
- (6) Mr. Frazer resigned from the Board of Directors on August 7, 2007.
- (7) On April 2, 2007, the Compensation Committee awarded Mr. Frazer, the former Chief Executive Officer and Chairman of the Board of The Enstar Group, Inc., a bonus in the total amount of \$750,000 in recognition of his services performed in connection with the Merger. The award was paid in a combination of \$562,584 in cash and 1,900 bonus shares granted pursuant to the Equity Incentive Plan. The shares were immediately vested, therefore the values shown represent the number of shares multiplied by the closing price of our ordinary shares on the award date, which was \$98.21. The shares were, however, subject to a one-year restriction on transfer that lapsed on April 2, 2008.

On August 8, 2007, the Compensation Committee and the Board of Directors approved changes to the non-employee directors' fees. The changes were as follows: (i) the quarterly retainer fee for each non-employee director was increased from \$6,250 to \$15,000; (ii) the fee for each Board of Directors meeting attended other than a telephonic Board of Directors meeting was increased from \$2,500 to \$3,500; (iii) the fee for each Audit Committee meeting attended by a committee member was increased from \$1,000 to \$1,500; (iv) the fee for each Compensation Committee

meeting attended by a committee member was increased from \$1,000 to \$1,250; (v) for the Audit Committee chairperson, the quarterly retainer fee was increased from \$500 to \$2,500; and (vi) for the Compensation Committee chairperson, the quarterly retainer fee was increased from \$500 to \$1,250. All retainers were paid at the increased rate beginning with the payments for the fourth quarter of 2007. All meeting fees were paid at the increased rate for fees earned during the third quarter of 2007. The \$1,000 fee for each telephonic Board of Directors meeting attended remains in place and was not increased.

On June 11, 2007, the Compensation Committee approved the Enstar Group Limited Deferred Compensation and Ordinary Share Plan for Non-Employee Directors (the Deferred Compensation Plan), which became effective immediately. The Deferred Compensation Plan provides each non-employee director with the opportunity to elect (i) to receive all or a portion of his or her compensation for services as a director in the form of the Company's ordinary shares instead of cash and (ii) to defer receipt of all or a portion of such compensation until retirement or termination. Non-employee directors electing to receive compensation in the form of ordinary shares receive whole ordinary shares (with any fractional shares payable in cash) as of the date compensation would

otherwise have been payable. Non-employee directors electing to defer compensation have such compensation converted into share units payable as a lump sum distribution after the director's separation from service as defined under Section 409A of the Internal Revenue Code of 1986, as amended. The lump sum share unit distribution will be made in the form of ordinary shares, with fractional shares paid in cash.

For the fiscal year ended December 31, 2007, all non-employee directors serving during the year except for Mr. Frazer elected to defer receipt of all or a portion of compensation until retirement or termination and to have such compensation converted into share units.

Transactions

In December 2007, the Company, in conjunction with JCF FPK I L.P. (JCF FPK), formed U.K.-based Shelbourne Group Limited (Shelbourne), to invest in Reinsurance to Close (RITC) transactions (the transferring of liabilities from one Lloyd s Syndicate to another), with Lloyd s of London insurance and reinsurance syndicates in run-off. JCF FPK is a joint investment program between Fox-Pitt, Kelton, Cochran, Caronia & Waller (FPKCCW) and the Flowers Fund. In addition, an affiliate of the Flowers Fund controls approximately 41% of FPKCCW. Shelbourne is a holding company of a Lloyd s Managing Agency, Shelbourne Syndicate Services Limited. We own 50.1% of Shelbourne, which in turn owns 100% of Shelbourne Syndicate Services Limited, the Managing Agency for Lloyd s Syndicate 2008, a syndicate approved by Lloyd s of London on December 16, 2007 to undertake RITC transactions with Lloyd s syndicates in run-off. We have committed capital of approximately £36.0 million (approximately \$72.0 million) to Lloyd s Syndicate 2008. Our capital commitment was financed by approximately £12.0 million (approximately \$24.0 million) from bank finance; approximately £11.0 million (approximately \$22.0 million) from the Flowers Fund (acting in its own capacity and not through JCF FPK), by way of non-voting equity participation; and approximately £13.0 million (approximately \$26.0 million) from available cash on hand. JCF FPK s capital commitment to Lloyd s Syndicate 2008 is approximately £14.0 million (approximately \$28.0 million).

On February 29, 2008, we completed the acquisition of Guildhall Insurance Company Limited (Guildhall), a U.K.-based insurance and reinsurance company that has been in run-off since 1986. The aggregate purchase price paid for Guildhall was approximately £32.0 million (approximately \$64.0 million) financed by the drawdown of approximately £16.5 million (approximately \$33.0 million) from a facility loan agreement with a London-based bank; approximately £5.0 million (approximately \$10.0 million) from the Flowers Fund, by way of non-voting equity participation; and approximately £10.5 million (approximately \$21.0 million) from available cash on hand.

On March 5, 2008, we completed the acquisition of AMP Limited's Australian-based closed reinsurance and insurance operations (Gordian). The acquisition was effected through Enstar Australia Holdings Pty Limited, a wholly owned subsidiary of Cumberland Holdings Limited, of which we own 70% and the Flowers Fund owns 30% through a non-voting equity interest. The aggregate purchase price paid for Gordian was approximately

AUS\$440.0 million (approximately \$417.0 million) with approximately AUS\$301.0 million (approximately \$285.0 million) from bank finance jointly with a London-based bank and a German bank, in which the Flowers Fund is a significant shareholder of the German bank; approximately AUS\$42.0 million (approximately \$40.0 million) from the Flowers Fund, by way of non-voting equity participation; and approximately AUS\$97.0 million (approximately \$92.0 million) from available cash on hand.

Other Agreements with Directors and Executive Officers Arising in Connection with the Merger

We entered into several transactions with certain directors and executive officers in connection with the Merger and related transactions. These transactions are described below.

On January 31, 2007, immediately prior to the Merger and pursuant to the terms of the Recapitalization Agreement, we paid three of our directors and executive officers, Nicholas A. Packer, Paul J. O Shea, and Dominic F. Silvester, \$989,956, \$989,956 and \$2,969,868, respectively. These payments were intended to provide a cash incentive for these individuals to remain with us following the Merger in lieu of any other cash payments to which they may have been entitled.

On January 31, 2007, we entered into a Registration Rights Agreement (the "Registration Rights Agreement") with certain of our shareholders identified as signatories thereto. The Registration Rights Agreement provides that, after the expiration of one year from the date of the agreement, any of Trident II, L.P. ("Trident") and certain of its affiliates, Mr. Flowers and Mr. Silvester, each referred to as a requesting holder, may require that we effect the registration under the Securities Act of all or any part of such holder's registrable securities. Trident and its affiliates are entitled to make three requests and Messrs. Flowers and Silvester are each entitled to make two requests. The Registration Rights Agreement further provides that, after the expiration of 90 days from the date of the Registration Rights Agreement and prior to the first anniversary of such date, Trident had the right to require the Company to effect the registration of up to 750,000 shares of registrable securities (the "Initial Demand Right"). Trident exercised the Initial Demand Right and we filed a registration statement on Form S-3 with respect to 750,000 of its shares on May 17, 2007. As of April 15, 2008, Trident held 11.16% of our shares outstanding.

Pursuant to the Severance Benefits Agreement, dated May 21, 1998, between The Enstar Group, Inc. and Nimrod T. Frazer, Mr. Frazer was paid \$350,000 upon the termination of his employment with The Enstar Group, Inc. in connection with the completion of the Merger on January 31, 2007.

Indemnification of Directors and Officers; Directors Indemnity Agreements

Also on January 31, 2007 and in connection with the Merger, we entered into Indemnification Agreements with each of Dominic F. Silvester, Paul J. O Shea, Nicholas A. Packer, J. Christopher Flowers, John J. Oros, Nimrod T. Frazer, Gregory L. Curl, Paul J. Collins, T. Wayne Davis and T. Whit Armstrong. Each individual was, at the time of his agreement, a member of our Board of Directors and Messrs. Silvester, O Shea, Packer and Oros were also executive officers of the Company. Messrs. Frazer and Packer resigned from our Board of Directors on August 7, 2007.

Each Indemnification Agreement provides, among other things, that we will, to the extent permitted by applicable law, indemnify and hold harmless each indemnitee if, by reason of such indemnitee's status as a director or officer of the Company, such indemnitee was, is or is threatened to be made a party or participant in any threatened, pending or completed proceeding, whether of a civil, criminal, administrative, regulatory or investigative nature, against all judgments, fines, penalties, excise taxes, interest and amounts paid in settlement and incurred by such indemnitee in connection with such proceeding. In addition, each of the Indemnification Agreements provides for the advancement of expenses incurred by the indemnitee in connection with any proceeding covered by the agreement, subject to certain exceptions. None of the Indemnification Agreements precludes any other rights to indemnification or

advancement of expenses to which the indemnitee may be entitled, including but not limited to, any rights arising under the Company's governing documents, or any other agreement, any vote of the shareholders of the Company or any applicable law.

Other Related Transactions

On February 23, 2007, we repurchased 7,180 shares from T. Whit Armstrong for total consideration of \$0.7 million. This repurchase was made in accordance with the letter agreement dated May 23, 2006 between Mr. Armstrong, T. Wayne Davis and the Company pursuant to which the Company agreed to repurchase from Messrs. Armstrong and Davis, upon their request, during a 30-day period commencing January 15, 2007, at then prevailing market prices, such number of the Company's ordinary shares as provided an amount sufficient for them to pay taxes on compensation income resulting from the exercise of options by them on May 23, 2006 for 50,000 shares of The Enstar Group, Inc. common stock in the aggregate. Mr. Davis did not elect to sell shares under the agreement. Messrs. Armstrong and Davis are directors of the Company.

On August 8, 2007, Robert J. Campbell was appointed to the Board of Directors to fill a vacancy created by the resignation of Nimrod T. Frazer. Mr. Campbell is a Partner with the firm of Beck, Mack & Oliver, LLC (Beck Mack) in New York City. Beck Mack purchased, on behalf of its clients, 750,000 ordinary shares of the Company from Trident, pursuant to a stock purchase agreement dated as of May 23, 2007. We were a party to that agreement pursuant to our obligations to Trident under the Registration Rights Agreement, and for the purpose of making certain representations regarding the registration statement on Form S-3 and the Company's listing on the NASDAQ Global Select Market. As of April 15, 2008, Beck Mack owned 7.06% of our outstanding shares.

Related Party Transaction Procedures

From time to time, we participate in transactions in which one or more of our directors or executive officers has an interest. In particular, we have invested, and expect to continue to invest, in or with entities that are affiliates of or otherwise related to Mr. Flowers and/or Mr. Oros. Each transaction involving the Company and an affiliate entered into during 2007 was approved by the non-interested members of the Board of Directors.

Our Board of Directors has adopted a Code of Conduct, effective as of January 31, 2007. Our Code of Conduct states that our directors, officers and employees must avoid engaging in any activity, such as related-party transactions, that might create a conflict of interest or a perception of a conflict of interest. These individuals are required to raise for consideration any proposed or actual transaction that they believe may create a conflict of interest. We expect that members of our Audit Committee will review and discuss any related-party transaction proposed to be entered into by the Company.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors and executive officers and persons who own more than ten percent of a registered class of our equity securities to file with the SEC and The NASDAQ Stock Market, LLC reports on Forms 3, 4 and 5 concerning their ownership of ordinary shares and other equity securities of the Company. Under SEC rules, we must be furnished with copies of these reports.

Based solely on the Company's review of the copies of such forms received by it and a written representation from certain reporting persons that no Forms 5 were required for those persons, the Company believes that, during the fiscal year ended December 31, 2007, all filing requirements applicable to its directors and executive officers and persons who own more than ten percent of a registered class of our equity securities under Section 16(a) were complied with on a timely basis, except that Mr. Armstrong was inadvertently late in reporting a disposition of shares to the Company and each of Messrs. Silvester, O'Shea, Packer, Harris, Oros and Frazer was inadvertently late in reporting the acquisition of bonus shares awarded pursuant to our 2006-2010 Annual Incentive Compensation Program and issued pursuant to our Equity Incentive Plan.
