Compensation of Directors

No member of the Board of Directors of the Company received remuneration in 2002 for his services as such. All of the Directors of the Company serve as Directors of the Bank. In 2002 and 2001, each individual who was not a salaried officer of the Bank received \$500 per month for his service as a member of the Board of Directors of the Bank; in 2000 those individuals received \$300 per month. Directors who were employees of a subsidiary of the Company received \$300 per month in 2002 and 2001 and \$200 per month during 2000 for their services. The Bank Board met thirteen (13) times in 2002. In addition, in 2002, each active Director of the Bank received a retainer of \$14,000. In 2001, each active Director of the Bank received a bonus of \$13,221. In 2000, each active Director of the Bank received a bonus of \$12,977. The retainer and bonus figures were pro-rated for time served for new Directors of the Bank and specifically includes amounts participating Directors may have chosen to defer under the Company's deferred compensation plan for Directors and Executive Officers implemented in 1996. Each non-employee who is a member of the Executive Committee received an additional \$39,900 in 2002, \$38,460 in 2001 and \$35,569 in 2000 for his service as a member of the Executive Committee of the Board of Directors of the Bank; which met fifty-one (51) times in 2002, fifty-two (52) times in 2001 and fifty (50) times in 2000. This figure was pro-rated for time served for new members. Executive Committee members who were not employees of the Bank in 2002 included Phil A. Bowman, James L. Dailey, Robert H. Eastman, Merrill L. Evans and Thomas E. Wiseman. Executive Committee members who are employees of the Bank receive no compensation for serving on the Executive Committee. Executive Committee members who were employees of the Bank in 2002 include Jeffrey E. Smith, E. Richard Mahan and Larry E. Miller. The Company maintains a life insurance policy for all Directors with a death benefit of two times annual Director fees reduced by 35% at age 65 and terminates at age

70.

In December 1996, life insurance contracts were purchased by the Company for all Directors and certain officers. The Company is the owner of the contracts. The purpose of these contracts was to replace a current group life insurance program for Executive Officers, implement a deferred compensation plan for Directors and Executive Officers, implement a director retirement plan, and implement a supplemental retirement plan for certain officers. Participants in the deferred compensation plan, upon reaching age 70, are eligible to receive distribution of their contributions, plus accrued interest earned at a permissible rate on reinvestment of the contributions. If a participant dies before reaching age 70 and the participant qualifies, distribution will be made to the participant's designated beneficiary in an amount equal to what the Director would have accumulated if the participant had reached age 70 and had continued to make contributions to the plan. The cost of providing the benefits to the participants will be offset by the earnings on the life insurance contracts. Participants in the director retirement plan, upon reaching age 70, are eligible to receive 50% of the three (3) prior years' average total

8

directors' compensation. The benefit is payable for 120 months for Directors with 10 years of service or less. The benefit is payable for 240 months for Directors with more than 10 years of service. If a Director dies during active service, payment will be made to the Director's designated beneficiary in an amount equal to what the Director would have received had the Director reached age 70, except the benefit term will be reduced to 60 months. If the Director dies during the payment of benefits, payment will be made to the Director's designated beneficiary for the lesser of the remaining term or 60 additional months. The cost of providing the benefits to the Directors will be offset by the earnings on the life insurance contracts.

Report of the Compensation Committee of the Board of Directors
on Executive Compensation

This Report and the graph set forth on page ___ shall not be incorporated by reference into any filings of the Company under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, that might incorporate future filings.

On April 10, 2002, the Board of Directors of the Company re-elected the following non-employee Directors to the Compensation Committee:

Thomas E. Wiseman, Chairman
W. Lowell Call
Robert H. Eastman

Philosophy and CEO Compensation. The compensation philosophy of the Company and the Bank is that compensation of its Executive Officers and others should be directly linked to corporate operating performance. To achieve this correlation, executive compensation is heavily weighted toward bonuses paid on the basis of corporate operating performance. It is a historical fact, therefore, that in years when the Bank has performed well, its officers have received greater compensation and in less profitable years, the officers' pay has been negatively impacted to a substantial degree. The cash compensation program for Executive Officers consists of two elements, a base salary component and a bonus component.

The objectives of the bonus component are to (i) motivate Executive Officers as well as all others and to reward such persons for the accomplishment

Edgar Filing: OHIO VALLEY BANC CORP - Form DEF 14A

of annual objectives of the Company and the Bank, (ii) reinforce a strong performance orientation with differentiation and variability in individual awards based on contribution to annual and long-range business results and (iii) provide a fully competitive compensation package which will attract, reward, and retain individuals of the highest quality.

Decision-Making Process. The Executive Officers of the Company receive no compensation from the Company. Instead, they are paid by the Bank for services rendered in their capacity as Executive Officers of the Company and the Bank.

In 1993, the Bank engaged Crowe, Chizek and Company LLP, the Company's and the Bank's independent auditors, to construct a comprehensive wage and salary administration plan for the Bank to be used for all its employees, including its Executive Officers.

In 1993, in 1996, and again in 2001, a marketplace range was developed by Crowe, Chizek and Company LLP for all jobs of the Company including that of Jeffrey E. Smith. These ranges were revised in 2002 using the Crowe Chizek Bank Compensation Survey and the 2002 Ohio Bankers League Compensation Survey.

9

Base Salary. The Compensation Committee evaluated the ability of Mr. Smith to achieve or exceed the expected requirements of his job based on 10 specific criteria in his job content questionnaire. This evaluation conducted by the Compensation Committee evaluates each criteria of Mr. Smith's performance in a range from 1, the lowest, to 5, the highest, in increments of .25. The performance rating of Mr. Smith and his position in the marketplace range generated a non-Director base salary of \$124,170 in 2002, \$118,409 in 2001, and \$94,594 in 2000; which is included in the Summary Compensation Table on page 7.

Bonuses. Each year key goals are identified and communicated to senior management. The Compensation Committee met with Mr. Smith four (4) times during 2002 to review his performance as well as the progress toward the accomplishment of the eight (8) specific goals established by the Company. The bonus range for Mr. Smith in 2002 was \$18,104 to \$70,412. The evaluation by the Compensation Committee of Mr. Smith's accomplishment of the specific annual goals generated a non-Director bonus of \$53,412 in 2002, \$67,872 in 2001, and \$68,327 in 2000; which is included in the Summary Compensation Table on page 7.

Profit Sharing and Retirement Plan. The Company sponsors a Profit Sharing and Retirement Plan, a qualified plan, for all of its employees including Executive Officers. Each employee who is 21 years of age, has completed one (1) year of service, one thousand (1,000) hours, and is employed on the last day of the plan year is qualified to participate in the plan. In December 2002, the Board of Directors voted to contribute \$148,800 to this Plan. Each participant received a pro rata share of this contribution as well as a pro rata share of reallocated forfeitures (such pro rata share, in each case, based upon such participant's eligible compensation). Mr. Smith's share of the 2002 contribution and reallocated forfeitures is included in the Summary Compensation Table on page 7.

401(k) Retirement Plan. The Company sponsors a 401(k) Retirement Plan, a qualified plan, under the Profit Sharing and Retirement Plan. Participant qualifications are identical to those of the Profit Sharing and Retirement Plan. In cases where participants made deferrals to the 401(k) plan, the company contributed 25% of the first 4% of the deferral amount, not to exceed 1% of plan compensation. Mr. Smith's share of the 2002 contribution and reallocated forfeitures is included in the Summary Compensation Table on page 7.

Employee Stock Ownership Plan. The Company sponsors an Employee Stock

Edgar Filing: OHIO VALLEY BANC CORP - Form DEF 14A

Ownership Plan, a qualified plan, for all of its employees including Executive Officers. Participant qualifications are identical to those of the Profit Sharing and Retirement Plan. In December 2002, the Board of Directors voted to contribute \$297,600 to this plan. Each participant's share of contributions and reallocated forfeitures is also identical to those of the Profit Sharing and Retirement Plan. Mr. Smith's share of the 2002 contributions and reallocated forfeitures is included in the Summary Compensation Table on page 7.

Executive Deferred Compensation Plan. The Company maintains a non-qualified executive deferred compensation plan. Participants in the executive deferred compensation plan are subject to the same terms and conditions as participants of the Director deferred compensation plan, as detailed in Compensation of Directors on page 8. The cost of providing benefits to the participants of the deferred compensation plan will be offset by the earnings on the life insurance contracts.

Supplemental Executive Retirement Plan. The Company maintains a non-qualified supplemental retirement plan for certain of its Executive Officers. Participation in the plan is at the discretion of the Board and is designed to supplement the retirement benefits of such participants. Currently, James L. Dailey and Jeffrey E. Smith are participants in the plan. Under the plan, life insurance contracts were purchased by the Company in December 1996, based upon a formula determined by the Board of Directors for each participant. The Company is the owner of the contracts. Generally the target benefit is equal to:

10

70% of a participant's final year's annual compensation at age 65

- o less the participant's projected benefit under the Company's qualified retirement plans and
- o less the participant's projected Social Security benefit.

In the event of a participant's death while actively employed by the Company, the participant's designated beneficiary will be entitled to the payment of such benefits. The cost of providing the benefits will be offset by the earnings and death benefits of the life insurance contracts.

The decision-making process and compensation philosophy of the Company and the Bank were considered by the Compensation Committee when determining 2002 compensation for Jeffrey E. Smith, President and Chief Executive Officer, of the Company and the Bank. The Compensation Committee believes that the compensation earned by Mr. Smith in 2002 was fair and reasonable when compared with executive compensation levels in the banking industry as reported in the marketplace range developed. Mr. Smith ranked in the middle one-third of the total compensation marketplace range for his grade.
