EXPLANATORY NOTE

By a registration statement on Form S-8 filed with the Securities and Exchange Commission (the “SEC”) on August 31, 2000 (File No. 333-44870), Community Health Systems, Inc. (the “Registrant”) registered 1,000,000 shares of Common Stock for issuance under the Community Health Systems, Inc. 401(k) Plan. On December 15, 2004, the Registrant filed a registration statement on Form S-8 with the SEC (File No. 333-121283), pursuant to which an additional 1,000,000 shares of Common Stock were registered for issuance under the plan. Effective as of January 1, 2009, the name of the plan was changed to “CHS/Community Health Systems, Inc. 401(k) Plan.” References to “the Plan” throughout this Registration Statement shall refer to the CHS/Community Health Systems, Inc. 401(k) Plan (as restated effective January 1, 2009).

This Form S-8 Registration Statement is being filed by the Registrant pursuant to General Instruction E to Form S-8 under the Securities Act to register 250,000 additional shares of the Company’s Common Stock, par value \$0.01, for issuance under the Plan.

INCORPORATION OF CONTENTS OF REGISTRATION STATEMENT BY REFERENCE

The SEC allows us to “incorporate by reference” information into this Registration Statement, which means that we can disclose important information to you by referring you to another document filed separately with the SEC. The information incorporated by reference is considered to be part of this Registration Statement, and later information that we file with the SEC will automatically update this Registration Statement. We incorporate by reference:

- (a) Our Registration Statements on Forms S-8 (File Nos. 333-44870 and 333-121283) filed with the SEC on August 31, 2000 and December 15, 2004, respectively.
- (b) Our Annual Report filed on Form 10-K for the year ended December 31, 2008, filed on February 27, 2009, which contains the Registrant’s audited consolidated financial statements for the fiscal year ended December 31, 2008;
- (c) Our Quarterly Reports on Form 10-Q filed on April 29, 2009, July 31, 2009 and October 30, 2009 for the periods ended March 31, 2009, June 30, 2009 and September 30, 2009, respectively;
- (d) Our Current Reports on Form 8-K filed on February 27, 2009, May 11, 2009 and May 21, 2009; and
- (e) The description of our common stock contained in our registration statement on Form 8-A filed with the SEC on June 5, 2000.

In addition, any future filings made by us with the SEC under Sections 13(a), 13(c), 14 or 15(d) of the Exchange Act of 1934 (the “Exchange Act”), prior to the filing of a post-effective amendment which indicates that all securities offered have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference in this Registration Statement and to be part hereof from the date of filing of such documents.

Effective January 1, 2009, the Company adopted a newly effective accounting standard relating to noncontrolling interests in consolidated financial statements, as described more fully in our 2009 unaudited interim consolidated financial statements, as previously issued. The adoption of this new standard did not have a material impact on our financial condition, results of operations or cash flows. However, it did impact the presentation and disclosure of noncontrolling (minority) interests in our consolidated financial statements. As a result of the retrospective presentation and disclosure requirements of the standard, the Company will be required to reflect the change in

presentation and disclosure for all periods presented in future filings.

The principal effect on the prior year consolidated balance sheets is summarized as follows (in thousands):

Consolidated Balance Sheets	December 31,	
	2008	2007
Equity, as previously reported	\$ 1,672,865	\$ 1,710,804
AAAdjustments to noncontrolling interests for adoption of accounting standards	28,266	39,513
Equity, as adjusted	\$ 1,701,131	\$ 1,750,317

Additionally, adopting this standard had the effect of reclassifying earnings attributable to noncontrolling interest in the consolidated statement of income from minority interest in earnings used in deriving income from continuing operations to a separate caption titled net income attributable to noncontrolling interests. This newly captioned line item is presented as a reduction to net income to arrive at net income attributable to Community Health Systems, Inc. in the consolidated statement of income. Thus, as a result of adopting this new standard net income for the years ending December 31, 2008 and 2007 as presented in our Form 10-K for the year ending December 31, 2009 will increase by approximately \$40.1 million and \$15.2 million, respectively and net income attributable to Community Health Systems, Inc. will be equal to net income as previously reported prior to the adoption of this standard.

In addition, any future filings made by the Company with the SEC under sections 13(a), 13(c), 14 or 15(d) of the Securities Exchange Act of 1934, prior to the filing of a post-effective amendment which indicates that all securities offered have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference in this prospectus and to be part hereof from the date of filing of such documents.

Any statement contained in any document incorporated by reference herein shall be deemed to be modified or superseded for purposes of this prospectus to the extent that a statement contained herein or in any other subsequently filed incorporated document modifies or supersedes such statement. Any such statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this prospectus.

Any person, including any beneficial owner, to whom this prospectus is delivered may request copies of this prospectus and any of the documents incorporated by reference in this prospectus, without charge, by written or oral request directed to CHS Investor Relations, Community Health Systems Professional Services Corp., 4000 Meridian Boulevard, Franklin, TN, telephone (615) 465-7000, on the "Investor Relations" section of the CHS website at <http://www.chs.net/investor/index.htm> or from the SEC through the SEC's website at the address provided above. Documents incorporated by reference are available without charge, excluding any exhibits to those documents unless the exhibit is specifically incorporated by reference into those documents.

Seifert, Senior Vice President, General Counsel and Secretary of the Registrant. As of September 30, 2009, Ms. Seifert owned 92,111 shares of Common Stock (of which 57,001 shares are subject to time vesting restrictions), and held stock options to purchase 160,000 shares of Common Stock of the Registrant. Ms. Seifert also participates in the CHS/Community Health Systems, Inc. Deferred Compensation Plan and may be entitled to benefits under that plan.

Item 6. Indemnification of Directors and Officers

Section 145 of the Delaware General Corporation Law provides that a corporation may indemnify any person, including an officer or director, who was or is, or is threatened to be made, a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of such corporation), by reason of the fact that such person is or was a director, officer, employee or agent of such corporation, or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise. The indemnity may include expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, provided such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of such corporation, and, with respect to any criminal actions and proceedings, had no reasonable cause to believe that his conduct was unlawful. A Delaware corporation may indemnify any person, including an officer or director, who was or is, or is threatened to be made, a party to any threatened, pending or contemplated action or suit by or in the right of such corporation, under the same conditions, except that such indemnification is limited to expenses (including attorneys' fees) actually and reasonably incurred by such person, and except that no indemnification is permitted without judicial approval if such person is adjudged to be liable to such corporation. Where an officer or director of a corporation is successful, on the merits or otherwise, in the defense of any action, suit or proceeding referred to above, or any claim, issue or matter therein, the corporation must indemnify that person against the expenses (including attorneys' fees) which such officer or director actually and reasonably incurred in connection therewith.

The Registrant's Restated Certificate of Incorporation provides that its directors shall not be personally liable to the Registrant or its stockholders for monetary damages for breach of fiduciary duties as a director except to the extent otherwise required by Delaware law. The Restated Certificate of Incorporation and Restated By-Laws provide that the directors and officers of the Registrant shall be indemnified to the fullest extent authorized by Delaware law, as it now exists or may in the future be amended, against all expenses and liabilities reasonably incurred in connection with service for or on behalf of the Registrant, except with respect to any matter that such director or officer has been adjudicated not to have acted in good faith or in the reasonable belief that his action was in the best interests of the Registrant.

The Registrant has entered into agreements to indemnify its directors and officers in addition to the indemnification provided for in the Restated Certificate of Incorporation and Restated By-Laws. These agreements, among other things, indemnify directors and officers of the Registrant to the fullest extent permitted by Delaware law for certain expenses (including attorneys' fees), liabilities, judgments, fines and settlement amounts incurred by such person arising out of or in connection with such person's service as a director or officer of the Registrant or an affiliate of the Registrant.

Policies of insurance are maintained by the Registrant under which its directors and officers are insured, within the limits and subject to the limitations of the policies, against certain expenses in connection with the defense of, and certain liabilities which might be imposed as a result of, actions, suits or proceedings to which they are parties by reason of being or having been such directors or officers.
