Item 1.01 Entry into a Material Definitive Agreement.

On June 30, 2006, we entered into the Third Amended and Restated Credit Agreement (the "Credit Agreement"). As compared to the credit facility which it replaces, the Credit Agreement increases our overall

borrowing capacity, reduces the interest rate premiums ("spreads") to be paid on our borrowings, reduces fee rates for letters of credit, increases the number of subsidiaries allowed to borrow under the facility, extends the term of the facility, and reduces the scope of certain covenants applicable under the agreement. The Credit Agreement, which is a \$130 million revolving credit facility with optional provisions for expansion to \$150 million, replaces the previous \$85 million loan facility that would have matured in March 2008. The Credit Agreement matures on June 30, 2011. The entire facility is available for the issuance of letters of credit and direct cash advances. The Credit Agreement permits borrowings based on a floating spread over prime rate or London Interbank Offered Rate ("LIBOR"). The spreads could range from 0% to 1.75% and 0.75% to 2.75% for prime rate and LIBOR-based borrowings, respectively, based upon certain of our financial ratios. Common stock of our subsidiaries, certain real estate, and the majority of our vessels collateralize the loans under the Credit Agreement. The Credit Agreement is subject to certain covenants including a requirement to maintain a minimum level of net worth and compliance with fixed charge coverage and leverage ratios. In consideration for the Credit Agreement, we paid a \$456,000 fee. As of July 5, 2006, we had \$69.2 million of letters of credit outstanding, no borrowings and \$60.8 million of credit availability under the Credit Agreement.

The foregoing description of the Credit Agreement does not purport to be complete and is qualified in its entirety by reference to the Credit Agreement, which is attached as Exhibit 10.1 to this Current Report on Form 8-K and incorporated by reference into this Item 1.01.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

(c) Collateral Coverage Amount. The Collateral Coverage Amount shall at any time be based on the most recent calculation of the Collateral Coverage Amount delivered by the Parent to the Administrative Agent pursuant to Section 5.05(q)(i). Following the Administrative Agent's receipt of the calculation of the Collateral Coverage Amount pursuant to Section 5.05(q)(i), the Administrative Agent shall review the terms thereof and shall notify the Issuing Bank, the Lenders and the Parent of the Collateral Coverage Amount that shall apply for the period up to the next determination of the Collateral Coverage Amount. If at any time the Parent fails to deliver the calculation of the Collateral Coverage Amount within the times specified in Section 5.05(q)(i), then the most recent Collateral Coverage Amount shall be deemed to be in effect until the Administrative Agent receives such calculation.

(d) Swingline Advances.

(i) On the terms and conditions set forth in this Agreement, the Swingline Bank agrees to from time to time on any Business Day during the period from the Closing Date until the last Business Day occurring before the Maturity Date, make advances ("Swingline Advances") in Dollars under the Swingline Notes to the Borrowers for periods of up to five Business Days (except that no Swingline Advance may mature after the Maturity Date), bearing interest at the Alternate Base Rate plus the Applicable Margin for Base Rate Advances, and in an aggregate principal amount not to exceed \$10,000,000.00 outstanding at any time; provided that (i) the sum of (A) the aggregate principal amount of outstanding Revolving Advances plus (B) the aggregate principal amount of outstanding Swingline Advances plus (C) the Letter of Credit Exposure shall never exceed the lesser of (1) the aggregate Revolving Commitments at such time and (2) the Collateral Coverage Amount, (ii) the aggregate outstanding Revolving Advances plus the aggregate outstanding Swingline Advances made to the Parent plus the aggregate Letter of Credit Exposure with respect to Letters of Credit issued for the account of the Parent may not exceed \$25,000,000.00, (iii) the aggregate outstanding Revolving Advances plus the aggregate outstanding Swingline

Advances made to the Mexican Borrower plus the aggregate Letter of Credit Exposure with respect to Letters of Credit issued for the account of the Mexican Borrower may not exceed \$50,000,000.00, (iv) the aggregate outstanding Revolving Advances plus the aggregate outstanding Swingline Advances made to the Cayman Borrower plus the aggregate Letter of Credit Exposure with respect to Letters of Credit issued for the account of the Cayman Borrower may not exceed \$125,000,000.00; and provided further that no Swingline Advance shall be made by the Swingline Bank if the statements set forth in Section 3.02 are not true on the date of such Swingline Advance, it being agreed by the Borrowers that the giving of the applicable Notice of Borrowing and the acceptance by any Borrower of the proceeds of such Swingline Advance shall constitute a representation and warranty by the Borrowers that on the date of such Swingline Advance such statements are true. Subject to the other provisions hereof, the Borrowers may from time to time borrow, prepay (in whole or in part) and reborrow Swingline Advances. Immediately upon the making of a Swingline Advance, each Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the Swingline Bank a risk participation in such Swingline Advance in an amount equal to the product of such Lender's Pro Rata share times the amount of such Swingline Advance.

(ii) Except as provided in the following clause (iii) below, each request for a Swingline Advance shall be made pursuant to telephone notice to the Swingline Bank given no later than 11:00 a.m. (New York time) on the date of the proposed Swingline Advance, promptly confirmed by a completed and executed Notice of Borrowing telecopied to the Administrative Agent. The Swingline Bank will promptly make the Swingline Advance available to the applicable Borrower at such Borrower's account with the Administrative Agent. If such Borrower does not intend to repay such Swingline Advance within five Business Days after the date of the proposed Swingline Advance, then such Borrower shall also deliver an irrevocable Notice of Conversion to the Administrative Agent at its Applicable Lending Office no later than 11:00 a.m. (New York time) on the date of the requested Swingline Advance electing to Convert such Swingline Advance. Promptly after receipt of a Notice of Conversion under this paragraph, the Administrative Agent shall provide each Lender with a copy thereof and notify each Lender of the interest rate under Section 2.06(b). The portion of a Swingline Advance that is converted to Eurodollar Advances shall constitute a new Borrowing consisting of Revolving Advances.

(iii) The Borrowers and the Lenders agree that in the event any Swingline Advance is not repaid on the date due to the Swingline Bank, the Swingline Bank shall give notice to the Administrative Agent to request each Lender, to make a Revolving Advance in an amount equal to such Lender's Pro Rata Share of the outstanding principal balance of such Swingline Advance outstanding on the date such notice is given and such Advance shall be deemed to be a Base Rate Advance made pursuant to such Lender's Revolving Commitment, whether made before or after termination of the Revolving Commitments, acceleration of the Revolving Advances, or otherwise, and whether or not the conditions precedent in Section 3.02 have been satisfied at the time of such Borrowing. The Administrative Agent shall give each Lender notice of such Borrowing by 12:00 p.m. (New York time) on the date such Borrowing is to be made. Each Lender shall, regardless of whether the conditions in Section 3.02 have been met at the time of such Borrowing and regardless of whether there exists any Default or Event of Default, make its Revolving Advance available to the Administrative Agent for the account of the Swingline Bank in immediately available funds by 2:00 p.m. (New York time) on the date requested, and each Borrower hereby irrevocably instructs the Swingline Bank to apply the proceeds of such Borrowing to the payment of the outstanding Swingline Advances.

(iv) If for any reason any Swingline Advance cannot be refinanced by such a Borrowing in accordance with Section 2.01(d)(iii), the request for Revolving Advances submitted by the Swingline Bank as set forth therein shall be deemed to be a request by the Swingline Bank that each of the Lenders fund its risk participation in the relevant Swingline Advance and each Lender's payment to the Administrative Agent for the account of the Swingline Bank pursuant to Section 2.01(d)(iii) shall be deemed payment in respect of such participation.

(v) Until each Lender funds its Revolving Advances or risk participation pursuant to this Section 2.01(d) to refinance such Lender's Pro Rata Share of any Swingline Advance, interest in respect of such Pro Rata Share shall be solely for the account of the Swingline Bank.

(e) Optional Increase in Revolving Commitments. At any time, the Parent may, at its option and subject to the conditions described in this Section, increase the aggregate Revolving Commitments by adding to this Agreement one or more commercial banks or other financial institutions (who shall, upon completion of the requirements stated in this Section 2.01(e), constitute Lenders hereunder) with a Revolving Commitment, or by allowing one or more Lenders to increase their Revolving Commitments hereunder, so that such added and increased Revolving Commitments shall equal the increase in aggregate Revolving Commitments effectuated pursuant to this Section 2.01(e); provided that, without the consent of all the Lenders, no increase in aggregate Revolving Commitments pursuant to this Section 2.01(e) shall result in the aggregate Revolving Commitments exceeding \$150,000,000 less the aggregate amount of reductions, if any, made pursuant to Section 2.04; provided further that, no Lender's Revolving Commitment shall be increased without the consent of such Lender (which may be withheld in such Lender's sole discretion). The Parent may exercise its option to so increase the aggregate Revolving Commitments only if the following conditions are satisfied:

(i) no Default or Event of Default exists hereunder, and the Parent shall have delivered a certificate to the Administrative Agent from a Responsible Officer stating that no Default or Event of Default exists;

(ii) the representations and warranties of the Loan Parties contained in Article IV shall be true and correct except to the extent any such representation or warranty is stated to relate solely to an earlier date, in which case such representation or warranty shall have been true and correct on such earlier date;

(iii) the Guarantors shall have consented to such increase in writing;

(iv) at any Lender's request the Parent shall execute a new Revolving Note evidencing the increased Revolving Commitments of such Lender; and

(v) the Administrative Agent shall have consented to such increase in writing (such consent not to be unreasonably withheld or delayed).

The Parent shall give the Administrative Agent 10 Business Days' notice of the Parent's intention to increase the aggregate Revolving Commitments pursuant to this Section 2.01(e). Such notice shall specify each new commercial bank or other financial institution (which in any case shall be an Eligible Assignee), if any, the changes in amounts of Revolving Commitments that will result, and such other information as is reasonably requested by the Administrative Agent. Each new commercial bank or other financial institution, and each Lender agreeing to increase its Revolving Commitment, shall execute and deliver to the Administrative Agent a Commitment Increase Agreement. Upon execution and delivery of such Commitment Increase Agreement and any additional Notes contemplated thereby, such new commercial bank or other financial institution shall constitute a "Lender" hereunder with a Revolving Commitment as specified therein, or such Lender's Revolving Commitment shall increase as specified therein, as the case may be. Each Borrower shall prepay any Revolving Advances outstanding on the date of any increase in the Revolving Commitments under this Section 2.01(e) (and pay any additional amounts required pursuant to Section 2.08) to the extent necessary to keep the outstanding Revolving Advances ratable with any revised Pro Rata Shares arising from any nonratable increase in the Revolving Commitments under this Section 2.01(e). Notwithstanding the foregoing, after giving effect to this Section, the terms and conditions hereof shall remain the same as on the Closing Date.

Section 2.02 Method of Borrowing.

(a) Notice. Each Revolving Borrowing shall be made pursuant to a Notice of Borrowing, given not later than (i) in the case of a Borrowing comprised of Eurodollar Advances, 11:00 a.m. (New York time) on the third Business Day before the Borrowing Date of a requested Borrowing and (ii) in the case of a Borrowing comprised of Base Rate Advances, 2:00 p.m. (New York time) on the same Business Day of a requested Borrowing, in each case to the Applicable Lending Office of the Administrative Agent. The Administrative Agent shall give to each Lender prompt notice on the day of receipt of a timely Notice of Borrowing of such requested Borrowing by telecopier or telex. Each Notice of Borrowing shall be by telecopier, telex or telephone, confirmed promptly in writing specifying (A) the Borrowing Date (which shall be a Business Day), (B) the requested Type and Class of Advances comprising such Borrowing, (C) the requested aggregate amount of such Borrowing, and (D) if such Borrowing is to be comprised of Eurodollar Advances, the requested Interest Period for each such Borrowing. In the case of a requested Borrowing comprised of Eurodollar Advances, the Administrative Agent shall promptly notify each Lender of the applicable interest rate under Section 2.06(b). Each Lender shall make available its Pro Rata Share of such Borrowing before 3:00 p.m. (New York time) on the date of such Borrowing in immediately available funds to the Administrative Agent at its Applicable Lending Office on the date of such Borrowing or such other location as the Administrative Agent may specify by notice to the Lenders. After the Administrative Agent's receipt of such funds and upon fulfillment of the applicable conditions set forth in Article III, the Administrative Agent will promptly make such funds available to the applicable Borrower not later than 4:00 p.m. (New York time) on the Borrowing Date at such account as such Borrower shall specify in writing to the Administrative Agent.

(b) Conversions and Continuations. In order to elect to Convert or Continue an Advance under this Section, the Parent shall deliver an irrevocable Notice of Conversion or Continuation to the Administrative Agent at its Applicable Lending Office no later than (i) 11:00 a.m. (New York time) at least one Business Day in advance of such requested Conversion date in the case of a Conversion of a Eurodollar Advance to a Base Rate Advance or (ii) 11:00 a.m. (New York time) at least three Business Days in advance of such requested Conversion date in the case of a Conversion into or Continuation of a Eurodollar Advance to another Eurodollar Advance. Each such Notice of Conversion or Continuation shall be in writing or by telex, telecopier or telephone, confirmed promptly in writing specifying (A) the requested Conversion or Continuation date (which shall be a Business Day), (B) the amount, Type, and Class of the Advance to be Converted or Continued, (C) whether a Conversion or Continuation is requested, and if a Conversion, into what Type of Advance, and (D) in the case of a Conversion to, or a Continuation of, a Eurodollar Advance, the requested Interest Period. Promptly after receipt of a Notice of Conversion or Continuation under this paragraph, the Administrative Agent shall provide each Lender with a copy thereof and, in the case of a Conversion to or a Continuation of a Eurodollar Advance, notify each Lender of the interest rate under Section 2.06(b). The portion of Advances comprising part of the same Borrowing that are converted to Advances of another Type shall constitute a new Borrowing. Notwithstanding anything in this Agreement to the contrary, Conversions of Eurodollar Advances may only be made at the end of the applicable Interest Period for such Advances; provided, however, that Conversions of Base Rate Advances may be made at any time.

(c) Certain Limitations. Notwithstanding anything in paragraphs (a) and (b) above:

(i) at no time shall there be more than six Interest Periods applicable to outstanding Eurodollar Advances which are Revolving Advances;

(ii) (A) if any Lender shall, at least one Business Day before the date of any requested Borrowing, notify the Administrative Agent that the introduction of or any change in or in the interpretation of any law or regulation makes it unlawful, or that any central bank or other Governmental Authority asserts that it is unlawful, for such Lender or any of its Applicable Lending Offices to perform its obligations under this Agreement to make Eurodollar Advances, or to fund or maintain Eurodollar Advances, the right of the Parent to select Eurodollar Advances from such Lender for such Borrowing or for any subsequent Borrowing shall be suspended until such Lender shall notify the Administrative Agent that the circumstances causing such suspension no longer exist, and such Lender's Advance for such Borrowing shall be a Base Rate Advance and (B) such Lender agrees to use commercially reasonable efforts (consistent with its internal policies and legal and regulatory restrictions) to designate a different

Applicable Lending Office if the making of such designation would avoid the effect of this paragraph and would not, in the reasonable judgment of such Lender, be otherwise disadvantageous to such Lender;

(iii) if the Administrative Agent is unable to determine the Eurodollar Reference Rate for any requested Borrowing and the Administrative Agent gives telephonic or teletype notice thereof to the Parent as soon as practicable, the right of the Parent to select Eurodollar Advances for such Borrowing or for any subsequent Borrowing and the obligation of the Lenders to make such Eurodollar Advances shall be suspended until the Administrative Agent shall notify the Parent and the Lenders that the circumstances causing such suspension no longer exist, and each Advance comprising such Borrowing shall be a Base Rate Advance;

(iv) if the Majority Lenders shall, by 11:00 a.m. (New York time) at least one Business Day before the date of any requested Borrowing, notify the Administrative Agent that the Eurodollar Reference Rate will not adequately reflect the cost to such Lenders of making or funding their respective Eurodollar Advances and the Administrative Agent gives telephonic or teletype notice thereof to the Parent as soon as practicable, the right of the Borrowers to select Eurodollar Advances for such Borrowing or for any subsequent Borrowing and the obligation of the Lenders to make Eurodollar Advances shall be suspended until the Administrative Agent shall notify the Parent and the Lenders that the circumstances causing such suspension no longer exist, and each Advance comprising such Borrowing shall be a Base Rate Advance;

(v) if the Parent shall fail to select the duration or Continuation of any Interest Period for any Eurodollar Advances in accordance with the provisions contained in the definition of "Interest Period" in Section 1.01 and paragraphs (a) and (b) above or shall fail to deliver a Notice of Conversion or Continuation or to specify the Type of Eurodollar Advance in a Notice of Conversion or Continuation, the Administrative Agent will forthwith so notify the Parent and the Lenders and such Advances will be made available to the Borrowers on the date of such Borrowing and will have an Interest Period of one month; and

(vi) no Advance may be Converted or Continued as a Eurodollar Advance at any time when a Default has occurred and is continuing.

(d) Notices Irrevocable. Each Notice of Borrowing and Notice of Conversion or Continuation delivered by a Borrower shall be irrevocable and binding on the Borrowers. In the case of any Borrowing which the related Notice of Borrowing or Notice of Conversion or Continuation specifies is to be comprised of Eurodollar Advances, the Parent shall indemnify each Lender against any loss, out-of-pocket cost or expense actually incurred by such Lender as a result of any failure to fulfill on or before the date specified in such Notice of Borrowing or such Notice of Conversion or Continuation for such Borrowing the applicable conditions set forth in Article III, including, without limitation, any loss, cost or expense actually incurred by reason of the liquidation or reemployment of deposits or other funds acquired by such Lender to fund the Advance to be made by such Lender as part of such Borrowing when such Advance, as a result of such failure, is not made on such date.

(e) Administrative Agent Reliance. Unless the Administrative Agent shall have received notice from a Lender before any Borrowing Date that such Lender will not make available to the Administrative Agent such Lender's Pro Rata Share of any Borrowing, the Administrative Agent may assume that such Lender has made its Pro Rata Share of such Borrowing available to the Administrative Agent on the Borrowing Date in accordance with paragraph (a) of this Section 2.02 and the Administrative Agent may, in reliance upon such assumption, make available to the applicable Borrower on such Borrowing Date a corresponding amount. If and to the extent that such Lender shall not have so made its Pro Rata Share of such Borrowing available to the Administrative Agent, such Lender shall pay to the Administrative Agent, on demand, such amount with interest thereon at a rate per annum equal to the daily average Federal Funds Effective Rate for the period until such Lender makes such amount immediately available to the Administrative Agent. If such Lender shall repay to the Administrative Agent such corresponding amount and interest as provided above, such corresponding amount so repaid shall constitute such Lender's Advance as part of such Borrowing for purposes of this Agreement even though not made on the same day as the other

Advances comprising such Borrowing. If such Lender's Advance as part of such Borrowing is not made available by such Lender within three Business Days of the Borrowing Date, the applicable Borrower shall repay such Lender's share of such Borrowing (together with interest thereon at the interest rate applicable during such period to Advances comprising such Borrowing) to the Administrative Agent not later than three Business Days after receipt of written notice from the Administrative Agent specifying such Lender's share of such Borrowing that was not made available to the Administrative Agent.

(f) Lender Obligations Several. The failure of any Lender to make the Advance to be made by it as part of any Borrowing shall not relieve any other Lender of its obligation, if any, to make its Advance on the Borrowing Date. No Lender shall be responsible for the failure of any other Lender to make the Advance to be made by such other Lender on any Borrowing Date.

(g) Notes. The indebtedness of each Borrower to each Lender resulting from Revolving Advances owing to such Lender may (at the request of such Lender) be evidenced by the Revolving Note of the applicable Borrower payable to the order of such Lender (or, if requested by such Lender, to such Lender and its registered assigns). The indebtedness of each Borrower to the Swingline Bank resulting from Swingline Advances owing to the Swingline Bank shall be evidenced by the Swingline Note of the applicable Borrower payable to the order of the Swingline Bank.

Section 2.03 Fees.

(a) Revolving Commitment Fees. The Parent agrees to pay to the Administrative Agent for the account of each Lender a commitment fee per annum on the average daily amount by which such Lender's Revolving Commitment exceeds the sum of (i) the aggregate principal amount of such Lender's outstanding Revolving Advances and (ii) its participation share of the Letter of Credit Exposure, from the Closing Date until the Maturity Date at the Applicable Margin for Revolving Commitment Fees. The fees payable pursuant to this clause (a) are due quarterly in arrears on the last Business Day of each March, June, September, and December commencing June 30, 2006 and on the Maturity Date. For purposes of calculating the commitment fee hereunder, the Letter of Credit Exposure for any Letters of Credit issued in a currency other than Dollars shall be at any time the Dollar Amount of such Letter of Credit Exposure as determined on the most recent Computation Date with respect to such Letter of Credit.

(b) Administrative Agent's Fees. The Parent agrees to pay to the Administrative Agent and the Arranger the agent's and arranger's fees as separately agreed upon by the Parent and the Administrative Agent in the letter agreement dated April 11, 2006 from the Arranger and Calyon to the Parent on the dates required by such letter.

(c) Letter of Credit Fees. The Parent agrees to pay (i) to the Administrative Agent for the pro rata benefit of each Lender with respect to each Letter of Credit, a letter of credit fee at a per annum rate equal to the Applicable Margin in effect from time to time for Letters of Credit, times the daily maximum amount available to be drawn under such Letter of Credit; provided that, if any Event of Default described in Section 7.01(a) has occurred and is continuing, then the applicable fee rate on such Letters of Credit shall be the Applicable Margin then in effect for such Letter of Credit plus 2% per annum and (ii) to such Issuing Bank, a fronting fee for each Letter of Credit issued for its account equal to 0.125% per annum times the daily maximum amount available to be drawn under such Letter of Credit. Each such fee shall be based on the Dollar Amount of the maximum amount available to be drawn under such Letter of Credit from the date of issuance of the Letter of Credit until its expiration date and shall be payable quarterly in arrears on the last Business Day of each March, June, September, and December commencing June 30, 2006 and on its expiration date. In addition, the Parent agrees to pay to such Issuing Bank all customary transaction costs and fees charged by such Issuing Bank in connection with the issuance, transfer, amendment, drawing, negotiation or reissuance of a Letter of Credit for the Borrower's account, such costs and fees to be due and payable on the date specified by such Issuing Bank in the invoice for such costs and fees.

Section 2.04 Reduction of the Commitments. The Parent shall have the right, upon at least five days' irrevocable notice to the Administrative Agent, to terminate in whole or reduce ratably in part the unused portion of the Revolving Commitments; provided that each partial reduction of Revolving Commitments shall be in the minimum aggregate amount of \$5,000,000.00 and in integral multiples of \$1,000,000.00 in excess thereof (or such lesser amount as may then be outstanding); and provided further that the aggregate amount of the Revolving Commitments may not be reduced below the aggregate principal amount of the outstanding Revolving Advances plus the Letter of Credit Exposure plus the outstanding principal amount of the Swingline Advances. Any reduction or termination of the Revolving Commitments pursuant to this Section 2.04 shall be pro rata and permanent, with no obligation of the Lenders to reinstate such Revolving Commitments and the commitment fees provided for in Section 2.03(a) shall thereafter be computed on the basis of the Revolving Commitments as so reduced. The Administrative Agent shall give each Lender prompt notice of any commitment reduction or termination.

Section 2.05 Repayment. Each Borrower shall repay the outstanding principal amount of each Revolving Advance made to it on the Maturity Date. To the extent that Swingline Advances remain outstanding on the Maturity Date, each Borrower agrees to repay the outstanding principal amount of such Swingline Advances made to it on the Maturity Date.

Section 2.06 Interest. The Borrowers shall pay interest on the unpaid principal amount of each Advance made by each Lender to it from the date of such Advance until such principal amount shall be paid in full, at the following rates per annum:

(a) Base Rate Advances. If such Advance is a Base Rate Advance, a rate per annum equal at all times to the lesser of (i) the Alternate Base Rate in effect from time to time plus the Applicable Margin and (ii) the Maximum Rate, payable in arrears on the last Business Day of each March, June, September and December and on the date such Base Rate Advance shall be paid in full; provided that, if any Event of Default described in Section 7.01(a) has occurred and is continuing, then, at the option of the Administrative Agent or at the request of the Majority Lenders, all Base Rate Advances shall bear interest, payable on demand, at a rate per annum equal at all times to the lesser of (i) the Alternate Base Rate in effect from time to time plus the Applicable Margin plus 2% and (ii) the Maximum Rate.

(b) Eurodollar Advances. If such Advance is a Eurodollar Advance, a rate per annum equal at all times during the Interest Period for such Advance to the lesser of (i) the Eurodollar Reference Rate for such Interest Period plus the Applicable Margin and (ii) the Maximum Rate, payable on the last day of such Interest Period, and, in the case of Interest Periods of greater than three months, on the Business Day which occurs during such Interest Period three months from the first day of such Interest Period; provided that, if any Event of Default described in Section 7.01(a) has occurred and is continuing, then, at the option of the Administrative Agent or at the request of the Majority Lenders, all Eurodollar Advances shall bear interest, payable on demand, at a rate per annum equal at all times to the lesser of (i) the rate required to be paid on such Advance immediately prior to the occurrence of such Event of Default plus 2% and (ii) the Maximum Rate.

(c) Additional Interest on Eurodollar Advances. The Parent shall pay to each Lender, so long as any such Lender shall be required under regulations of the Federal Reserve Board to maintain reserves with respect to liabilities or assets consisting of or including Eurocurrency Liabilities, additional interest on the unpaid principal amount of each Eurodollar Advance, from the effective date of such Advance until such principal amount is paid in full, at an interest rate per annum equal at all times to the remainder obtained by subtracting (A) the Eurodollar Reference Rate for the Interest Period for such Advance from (B) the rate obtained by dividing such Eurodollar Reference Rate by a percentage equal to 100% minus the Eurodollar Rate Reserve Percentage of such Lender for such Interest Period, payable on each date on which interest is payable on such Advance. Such additional interest payable to any Lender shall be determined by such Lender and notified to the Parent through the Administrative Agent (such notice to include the calculation of such additional interest, which calculation shall be conclusive in the absence of manifest error, and be accompanied by any evidence indicating the need for such additional interest as the Parent may

reasonably request).

(d) Usury Recapture. In the event the rate of interest chargeable under this Agreement or the Notes at any time (calculated after giving effect to all items charged which constitute "interest" under applicable laws, including fees and margin amounts, if applicable) is greater than the Maximum Rate, the unpaid principal amount of the Notes shall bear interest at the Maximum Rate until the total amount of interest paid or accrued on the Notes equals the amount of interest which would have been paid or accrued on the Notes if the stated rates of interest set forth in this Agreement had at all times been in effect.

In the event, upon payment in full of the Notes, the total amount of interest paid or accrued under the terms of this Agreement and the Notes is less than the total amount of interest which would have been paid or accrued if the rates of interest set forth in this Agreement had, at all times, been in effect, then each Borrower shall, to the extent permitted by applicable law, pay the Administrative Agent for the account of the Lenders an amount equal to the difference between (i) the lesser of (A) the amount of interest which would have been charged on its Notes if the Maximum Rate had, at all times, been in effect and (B) the amount of interest which would have accrued on its Notes if the rates of interest set forth in this Agreement had at all times been in effect and (ii) the amount of interest actually paid under this Agreement on its Notes.

In the event the Lenders ever receive, collect or apply as interest any sum in excess of the Maximum Rate, such excess amount shall, to the extent permitted by law, be applied to the reduction of the principal balance of the Notes, and if no such principal is then outstanding, such excess or part thereof remaining shall be paid to the Borrowers.

Section 2.07 Prepayments.

(a) Right to Prepay. The Borrowers shall have no right to prepay any principal amount of any Advance except as provided in this Section 2.07.

(b) Optional. A Borrower may elect to prepay any of the Advances owing by it to the Lenders, after giving prior written notice of such election by (i) 11:00 a.m. (New York time) five days before such prepayment date in the case of Borrowings which are comprised of Eurodollar Advances, and (ii) 11:00 a.m. (New York time) on the Business Day of such prepayment, in case of Borrowings which are comprised of Base Rate Advances, in each case to the Administrative Agent stating the proposed date and aggregate principal amount of such prepayment and the Type of Advances to be prepaid. If any such notice is given, the Administrative Agent shall give prompt notice thereof to each Lender and such Borrower shall prepay Advances comprising part of the same Borrowing in whole or ratably in part in an aggregate principal amount equal to the amount specified in such notice; provided, however, that each partial prepayment shall be in an aggregate principal amount not less than \$5,000,000.00 and in integral multiples of \$1,000,000.00 in excess thereof (or such lesser amount as may then be outstanding).

(c) Mandatory. The Parent agrees to make a mandatory prepayment of the Revolving Advances and/or the Swingline Advances:

(i) or if the Revolving Advances and the Swingline Advances have been repaid in full (including after giving effect to this Section 2.07(c)(i)), make deposits into the Cash Collateral Account to provide cash collateral for the Letter of Credit Exposure, on any date on which the outstanding principal amount of the Revolving Advances plus the Letter of Credit Exposure plus the outstanding principal amount of the Swingline Advances exceeds the lesser of (A) the aggregate Revolving Commitments and (B) the Collateral Coverage Amount, in the amount of such excess;

(ii) by an amount equal to 100% of the Debt Incurrence Proceeds that the Parent or any of its Subsidiaries receives from each Debt Incurrence after the Closing Date within 30 days after the date of each such Debt Incurrence;

(iii) by an amount equal to 100% of the Equity Issuance Proceeds in excess of \$50,000,000.00 per occurrence that the Parent or any of its Subsidiaries receives from each Equity Issuance after December 31, 2004 within 30 days after the date of each such Equity Issuance; and

(iv) if and only if Excess Availability is equal to or less than \$50,000,000, by an amount equal to (A) provided that no Event of Default has occurred and is continuing, (1) the amount required to be reinvested by Section 6.03(b)(iii) from the sale of any assets permitted by Section 6.03 (other than sales of assets from the Parent to any of its Subsidiaries or from any of its Subsidiaries to the Parent or another Subsidiary of the Parent), to the extent such amounts are not reinvested in accordance with Section 6.03, on the 185th day after receipt of such amount and (2) 100% of the Net Cash Proceeds in excess of \$10,000,000.00 that the Parent or any of its Subsidiaries receives from Insurance Policies or condemnation awards in connection with a Casualty Event to the extent such insurance proceeds or condemnation proceeds are not reinvested in replacement assets of comparable value and utility within 180 days after receipt of such proceeds, on the 185th day after receipt of such Net Cash Proceeds or (B) if an Event of Default has occurred and is continuing, then 100% of the Net Cash Proceeds that the Parent or any of its Subsidiaries receives from the sale of any asset or any Insurance Policy or condemnation award in connection with a Casualty Event.

(d) Illegality. If any Lender shall notify the Administrative Agent and the Parent that the introduction of or any change in or in the interpretation of any law or regulation makes it unlawful, or that any central bank or other Governmental Authority asserts that it is unlawful for such Lender or its Applicable Lending Office to perform its obligations under this Agreement or to make or maintain Eurodollar Advances then outstanding hereunder, the applicable Borrower shall, no later than 11:00 a.m. (New York time) (i) if not prohibited by law or regulation to maintain such Eurodollar Advances for the duration of the Interest Period, on the last day of the Interest Period for each outstanding Eurodollar Advance or (ii) if prohibited by law or regulation to maintain such Eurodollar Advances for the duration of the Interest Period, on the second Business Day following its receipt of such notice, (A) prepay all Eurodollar Advances of all of the Lenders then outstanding, together with accrued interest on the principal amount prepaid to the date of such prepayment and amounts, if any, required to be paid pursuant to Section 2.08 as a result of such prepayment being made on such date, (B) each Lender shall simultaneously make a Base Rate Advance in an amount equal to the aggregate principal amount of the affected Eurodollar Advances, and (C) the right of the Borrowers to select Eurodollar Advances shall be suspended until such Lender shall notify Administrative Agent that the circumstances causing such suspension no longer exist. Each Lender agrees to use commercially reasonable efforts (consistent with its internal policies and subject to legal and regulatory restrictions) to designate a different Applicable Lending Office if the making of such designation would avoid the effect of this paragraph and would not, in the reasonable judgment of such Lender, be otherwise disadvantageous to such Lender. If the condition requiring the prepayment under this paragraph shall continue for such Lender for 90 days, such Lender may be replaced in accordance with the procedures in Section 2.13.

(e) Ratable Payments; Effect of Notice. Each payment of any Advance pursuant to this Section 2.07 or any other provision of this Agreement shall be made in a manner such that all Advances comprising part of the same Borrowing are paid in whole or ratably in part. All notices given pursuant to this Section 2.07 shall be irrevocable and binding upon the Borrowers. Each prepayment pursuant to this Section 2.07 shall be accompanied by accrued interest on the amount prepaid to the date of such prepayment and amounts, if any, required to be paid pursuant to Section 2.08 as a result of such prepayment being made on such date.

(f) Application of Payments. Amounts to be applied in connection with prepayments made pursuant to Section 2.07(b) or (c) shall be applied, first, to the prepayment of all outstanding Swingline Advances and second, to the prepayment of the Revolving Advances, in each case as provided in Section 2.10.

Section 2.08 Funding Losses. If (a) any payment of principal of any Eurodollar Advance is made other than on the last day of the Interest Period for such Advance as a result of any payment pursuant to Section 2.07 or the acceleration of the maturity of the Notes pursuant to Article VII or (b) any Borrower fails to make a principal or interest payment with respect to any Eurodollar Advance on the date such payment is due and payable, such Borrower

shall, within 10 days of any written demand sent by any Lender to the Parent through the Administrative Agent, pay to Administrative Agent for the account of such Lender any amounts (without duplication of any other amounts payable in respect of breakage costs) required to compensate such Lender for any additional losses, out of pocket costs or expenses which it may reasonably incur as a result of such payment or nonpayment, including, without limitation, any loss, cost or expense actually incurred by reason of the liquidation or reemployment of deposits or other funds acquired by any Lender to fund or maintain such Advance.

Section 2.09 Increased Costs.

(a) Eurodollar Advances. If, due to either (i) the introduction of or any change (other than any change by way of imposition or increase of reserve requirements included in the Eurodollar Rate Reserve Percentage) in or in the interpretation of any law or regulation or (ii) the compliance with any guideline or request from any central bank or other Governmental Authority (whether or not having the force of law), there shall be any increase in the cost to any Lender of agreeing to make or making, funding, or maintaining Eurodollar Advances or participating in the Letter of Credit Exposure or to any Issuing Bank for issuing a Letter of Credit, then the Parent shall from time to time, upon demand by such Lender or such Issuing Bank (with a copy of such demand to the Administrative Agent), immediately pay to Administrative Agent for the account of such Lender or such Issuing Bank additional amounts (without duplication of any other amounts payable in respect of increased costs) sufficient to compensate such Lender for such increased cost; provided, however, that, before making any such demand, each Lender and each Issuing Bank agrees to use commercially reasonable efforts (consistent with its internal policy and subject to legal and regulatory restrictions) to designate a different Applicable Lending Office if the making of such a designation would avoid the need for, or reduce the amount of, such increased cost and would not, in the reasonable judgment of such Lender or such Issuing Bank, be otherwise economically disadvantageous to such Lender or such Issuing Bank. A certificate indicating the amount of such increased cost and detailing the calculation of such cost shall be submitted by such Lender or such Issuing Bank to the Parent and the Administrative Agent and shall be conclusive and binding for all purposes, absent manifest error.

(b) Capital Adequacy. If any Lender or Issuing Bank determines in good faith that compliance with any law or regulation or any guideline or request from any central bank or other Governmental Authority (whether or not having the force of law) implemented or effective after the Closing Date affects or would affect the amount of capital required or expected to be maintained by such Lender or such Issuing Bank or any corporation controlling such Lender or such Issuing Bank and that the amount of such capital is increased by or based upon the existence of such Lender's or such Issuing Bank's commitment to lend, commitment to issue a Letter of Credit, or other commitments of this type, then, upon demand by such Lender or such Issuing Bank (with a copy of any such demand to the Administrative Agent), the Parent shall immediately pay to Administrative Agent for the account of such Lender or such Issuing Bank as the case may be, from time to time as specified by such Lender or such Issuing Bank, additional amounts (without duplication of any other amounts payable in respect of increased costs) sufficient to compensate such Lender or such Issuing Bank, in light of such circumstances, with respect to such Lender or such Issuing Bank, to the extent that such Lender or such Issuing Bank reasonably determines such increase in capital to be allocable to the existence of such Lender's or such Issuing Bank's commitment to lend or issue a Letter of Credit under this Agreement. A certificate as to such amount and detailing the calculation of such costs shall be submitted to the Parent by such Lender or such Issuing Bank, such certificate to be conclusive and binding for all purposes, absent manifest error.

Section 2.10 Payments and Computations.

(a) Payments Generally. Except as provided in Section 2.15(c), all payments of principal, interest, fees, and other amounts to be made by the Borrowers under this Agreement and the other Credit Documents shall be made to the Administrative Agent in Dollars at its office in New York or such other office as it designates to the Parent in immediately available funds, without setoff, deduction, or counterclaim.

(b) Payment Procedures. The Borrowers shall make each payment under this Agreement and under their respective Notes not later than 12:00 p.m. (New York time) on the day when due to the Administrative Agent at the Administrative Agent's address specified in Section 11.02 (or such other location as the Administrative Agent shall designate in writing to the Borrower). The Administrative Agent will promptly thereafter, and in any event prior to the close of business on the day any timely payment is made, cause to be distributed like funds relating to the payment of principal, interest or fees ratably (other than amounts payable solely to the Administrative Agent or a specific Lender pursuant to Section 2.03(b), 2.03(c), 2.08, 2.09, 2.11, or 2.15 but after taking into account payments effected pursuant to Section 11.04) in accordance with each Lender's Pro Rata Share to the Lenders for the account of their respective Applicable Lending Offices, and like funds relating to the payment of any other amount payable to any Lender to such Lender for the account of its Applicable Lending Offices, in each case to be applied in accordance with the terms of this Agreement. All payments owing in respect of Advances made or Letters of Credit issued in one currency (including, without limitation, interest, principal, commitment fees and letter of credit fees) shall be paid or repaid, as the case may be, in the same currency as such Advance or Letter of Credit, as applicable.

(c) Computations. All computations of interest based on the Prime Rate shall be made by the Administrative Agent on the basis of a year of 365 or 366 days, as the case may be, and all computations of interest based on the Federal Funds Effective Rate, the Eurodollar Reference Rate and of fees shall be made by the Administrative Agent, on the basis of a year of 360 days, in each case for the actual number of days (including the first day, but excluding the last day) occurring in the period for which such interest or fees are payable. Each determination by the Administrative Agent of an interest rate shall be conclusive and binding for all purposes, absent manifest error.

(d) Non Business Day Payments. Whenever any payment shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of payment of interest or fees, as the case may be.

(e) Agent Reliance. Unless the Administrative Agent shall have received written notice from a Borrower prior to the date on which any payment is due to the Lenders that such Borrower will not make such payment in full, the Administrative Agent may assume that such Borrower has made such payment in full to the Administrative Agent on such date and the Administrative Agent may, in reliance upon such assumption, cause to be distributed to each Lender on such date an amount equal to the amount then due to such Lender. If and to the extent a Borrower shall not have so made such payment in full to Administrative Agent, each Lender shall repay to the Administrative Agent forthwith on demand such amount distributed to such Lender, together with interest, for each day from the date such amount is distributed to such Lender until the date such Lender repays such amount to the Administrative Agent, at the Federal Funds Effective Rate for such day.

Section 2.11 Taxes.

(a) No Deduction for Certain Taxes. Any and all payments by or on behalf of the Borrowers shall be made, in accordance with Section 2.10, free and clear of and without deduction for any and all present or future taxes, levies, imposts, deductions, charges or withholdings and all liabilities with respect thereto, excluding (i) in the case of each Lender, each Issuing Bank and the Administrative Agent, taxes imposed on its income, and franchise taxes in lieu of income taxes imposed on it by the jurisdiction under the laws of which such Lender, Issuing Bank or the Administrative Agent (as the case may be) is organized, the jurisdiction of its Applicable Lending Office or any political subdivision of any such jurisdiction and (ii) any taxes imposed by the United States of America by means of withholding at the source if and to the extent that such taxes shall be in effect and shall be applicable, on the Closing Date (or, in the case of a Lender which becomes a party to this Agreement after the Closing Date, on the date such Lender becomes a party to this Agreement), to payments to be made to such Lender, Issuing Bank or the Administrative Agent (all such nonexcluded taxes, levies, imposts, deductions, charges, withholdings and liabilities being hereinafter referred to as "Taxes"). If a Borrower shall be required by law to deduct any Taxes from or in respect of any sum payable to any Lender, Issuing Bank or the Administrative Agent, (i) the sum payable shall be

increased as may be necessary so that, after making all required deductions, such Lender, Issuing Bank or the Administrative Agent (as the case may be) receives an amount equal to the sum it would have received had no such deductions been made; provided, however, that if a Borrower's obligation to deduct or withhold Taxes is caused solely by such Lender's, Issuing Bank's or Administrative Agent's failure to provide the forms described in paragraph (e) of this Section 2.11 and such Lender, Issuing Bank or Administrative Agent could have provided such forms, no such increase shall be required; (ii) such Borrower shall make such deductions; and (iii) such Borrower shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with applicable law.

(b) Other Taxes. In addition, each Borrower agrees to pay any present or future stamp or documentary taxes or any other excise or property taxes, charges or similar levies which arise from any payment made or from the execution, delivery or registration of, or otherwise with respect to, this Agreement, the Notes, or the other Credit Documents (hereinafter referred to as "Other Taxes").

(c) Indemnification. Each Borrower indemnifies each Lender, Issuing Bank, and the Administrative Agent for the full amount of Taxes or Other Taxes (including, without limitation, any Taxes or Other Taxes imposed by any jurisdiction on amounts payable under this Section 2.11) paid by such Lender, Issuing Bank or the Administrative Agent (as the case may be) and any liability (including interest and expenses) arising therefrom or with respect thereto (whether or not such Taxes or Other Taxes were correctly or legally asserted), in either case, attributable to such Borrower. Each payment required to be made by a Borrower in respect of this indemnification shall be made to the Administrative Agent for the benefit of any party claiming such indemnification within 30 days from the date such Borrower receives written demand detailing the calculation of such amounts therefor from Administrative Agent on behalf of itself as Administrative Agent, any such Issuing Bank or any such Lender. If any Lender, Issuing Bank, or the Administrative Agent receives a refund in respect of any taxes paid by a Borrower to such Lender under this paragraph (c), such Lender, Issuing Bank or Administrative Agent, as the case may be, shall promptly pay to such Borrower its share of such refund.

(d) Evidence of Tax Payments. Each Borrower will pay prior to delinquency all Taxes payable in respect of any payment. Within 30 days after the date of any payment of Taxes, such Borrower will furnish to the Administrative Agent, at its address referred to in Section 11.02, the original or a certified copy of a receipt evidencing payment of such Taxes.

(e) Foreign Lender Withholding Exemption. Each Lender that is not incorporated under the laws of the United States of America or a state thereof agrees that it will deliver to the Parent and the Administrative Agent on the Closing Date or upon the effectiveness of any Assignment and Acceptance (i) two duly completed copies of United States Internal Revenue Service Form W-8ECI or W-8BEN or successor applicable form, as the case may be, (ii) if applicable, an Internal Revenue Service Form W-8 or W-9 or successor applicable form, as the case may be, to establish an exemption from United States backup withholding tax, and (iii) any other governmental forms which are necessary or required under an applicable tax treaty or otherwise by law to reduce or eliminate any withholding tax, which have been reasonably requested by a Borrower. Each Lender which delivers to the Parent and the Administrative Agent a Form W-8ECI or W-8BEN and Form W-8 or W-9 pursuant to the preceding sentence further undertakes to deliver to the Parent and the Administrative Agent two further copies of Form W-8ECI or W-8BEN and Form W-8 or W-9, or successor applicable forms, or other manner of certification, as the case may be, on or before the date that any such form expires or becomes obsolete or after the occurrence of any event requiring a change in the most recent form previously delivered by it to the Parent and the Administrative Agent, and such extensions or renewals thereof as may reasonably be requested by the Parent and the Administrative Agent. If an event (including without limitation any change in treaty, law or regulation) has occurred prior to the date on which any delivery required by the preceding sentence would otherwise be required which renders all such forms inapplicable or which would prevent any Lender from duly completing and delivering any such form with respect to it and such Lender advises the Parent and the Administrative Agent that it is not capable of receiving payments without any deduction or withholding of United States federal income tax, and in the case of a Form W-8 or W-9, establishing an exemption from United States backup withholding tax, such Lender shall not be required to deliver such forms. Each Borrower

shall withhold tax at the rate and in the manner required by the laws of the United States with respect to payments made to a Lender failing to timely provide the requisite Internal Revenue Service forms set forth above and shall not be required to pay any additional amounts pursuant to paragraph (a) or indemnify a Lender pursuant to paragraph (c) with respect to such withheld tax.

(f) Repayment under Certain Circumstances. If a Borrower is required by any law or regulation to make any deduction or withholding from any sum payable by it under this Agreement and is prevented by law from fulfilling the related gross-up obligation, upon written notice to such Borrower from the Administrative Agent (which shall give such notice if, and only if, so requested by any Lender) the relevant Advances shall be repaid within 30 days of the date such notice is received by such Borrower together with accrued interest and any amounts owing under Section 2.08.

(g) Mitigation. Each Lender shall use its best efforts (consistent with its internal policies and legal and regulatory restrictions) to select a jurisdiction for its Applicable Lending Office or change the jurisdiction of its Applicable Lending Office, as the case may be, so as to avoid the imposition of any Taxes or Other Taxes or to eliminate the amount of any such additional amounts which may thereafter accrue; provided that no such selection or change of the jurisdiction for its Applicable Lending Office shall be made if, in the reasonable judgment of such Lender, such selection or change would be disadvantageous to such Lender.

Section 2.12 Sharing of Payments, Etc. If any Lender shall obtain any payment (whether voluntary, involuntary, through the exercise of any right of set off or otherwise) on account of the Advances made by it in excess of its Pro Rata Share of payments on account of the Advances or Letter of Credit Obligations obtained by all the Lenders, such Lender shall notify the Administrative Agent and forthwith purchase from the other Lenders such participations in the Advances made by them or Letter of Credit Obligations held by them as shall be necessary to cause such purchasing Lender to share the excess payment ratably in accordance with the requirements of this Agreement with each of them; provided, however, that if all or any portion of such excess payment is thereafter recovered from such purchasing Lender, such purchase from each Lender shall be rescinded and such Lender shall repay to the purchasing Lender the purchase price to the extent of such Lender's ratable share (according to the proportion of (a) the amount of the participation sold by such Lender to the purchasing Lender as a result of such excess payment to (b) the total amount of such excess payment) of such recovery, together with an amount equal to such Lender's ratable share (according to the proportion of (a) the amount of such Lender's required repayment to the purchasing Lender to (b) the total amount of all such required repayments to the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered. Each Borrower agrees that any Lender so purchasing a participation from another Lender pursuant to this Section 2.12 may, to the fullest extent permitted by law, unless and until rescinded as provided above, exercise all its rights of payment (including the right of set off) with respect to such participation as fully as if such Lender were the direct creditor of such Borrower in the amount of such participation.

Section 2.13 Lender Replacement. If (i) any Lender has notified the Parent and the Administrative Agent of its incurring additional costs under Section 2.09 or (ii) any Lender has required the Borrower to make payment for taxes under Section 2.11(a) (other than payments in respect of Mexican Taxes) or (iii) any Lender becomes a Non-Consenting Lender (as hereinafter defined), then the Parent may, unless such Lender has notified the Parent and the Administrative Agent that the circumstances giving rise to such notice no longer apply or a Default exists, terminate, in whole but not in part, the Revolving Commitment of any such Lender (other than the Administrative Agent) (the "Terminated Lender") and repay the Advances of (and other Obligations owing to) such Lender at any time upon five Business Days prior written notice to the Terminated Lender and the Administrative Agent (such notice referred to herein as a "Notice of Termination"). In order to effect the termination of the Revolving Commitment of the Terminated Lender and the repayment of such Terminated Lender's Advances, the Parent shall (i) obtain an agreement with one or more other Lenders to increase their Revolving Commitments and accept an assignment of the Terminated Lender's Advances or (ii) request any one or more other Persons otherwise meeting the requirements of Section 9.03(a) ("Eligible Assignees") to become parties to this Agreement in place of such Terminated Lender and agree to accept a Revolving Commitment in an aggregate amount or amounts equal to the

Revolving Commitment held by the Terminated Lender and accept an assignment of the Terminated Lender's Advances and (iii) pay all amounts due to the Terminated Lender pursuant to the provisions of Section 2.09 and 2.11(a); provided, however, that such one or more Eligible Assignees selected by the Parent must become parties by accepting an Assignment and Acceptance (the Lenders or other Eligible Assignees that agree to accept in whole or in part the Revolving Commitment of the Terminated Lender and accept an assignment of the Terminated Lender's Advances being referred to herein as the "Replacement Lenders"), such that the aggregate increased or accepted Revolving Commitments of the Replacement Lenders and Advances assigned to the Replacement Lenders under clauses (i) and (ii) above equal to the Revolving Commitment and Advances of the Terminated Lender. The Notice of Termination shall include the name of the Terminated Lender, the date the termination will occur (the "Termination Date"), and the Replacement Lender or Replacement Lenders to which the Terminated Lender will assign its Revolving Commitment and Advances and, if there will be more than one Replacement Lender, the portion of the Terminated Lender's Revolving Commitment and Advances to be assigned to each Replacement Lender. On the Termination Date, (i) the Terminated Lender shall by execution and delivery of an Assignment and Acceptance assign its Revolving Commitment and Advances to the Replacement Lender or Replacement Lenders (pro rata, if there is more than one Replacement Lender, in proportion to the portion of the Terminated Lender's Revolving Commitment and Advances to be assigned to each Replacement Lender) indicated in the Notice of Termination and shall assign to the Replacement Lender or Replacement Lenders all of its rights and obligations under this Agreement, including, without limitation, each of its Advances then outstanding and participation interest in Letters of Credit (if any) then outstanding pro rata at a price equal to the unpaid principal amount thereon plus interest and fees accrued and unpaid to the Termination Date, and (ii) the Replacement Lender or Replacement Lenders will thereupon succeed to and be substitute in all respects for the Terminated Lender with like effect as if becoming a Lender pursuant to the terms of Section 9.03. For each assignment made under this Section 2.13 the Replacement Lender shall pay to the Administrative Agent the assignment fee provided for in Section 9.03(b). The Parent shall be responsible for payment of all breakage fees associated with termination and Replacement Lenders, as set forth in Section 2.08. In the event that the Parent or the Administrative Agent requests that the Lenders consent to a waiver of any provision of the Credit Documents or agree to any amendment thereto, and at least the Majority Lenders have agreed to such consent or amendment, then any Lender that does not agree to such consent or amendment shall be a "Non-Consenting Lender".

Section 2.14 Applicable Lending Offices. Subject to subsection 2.01, each Lender may book its Advances at any Applicable Lending Office selected by such Lender and may change its Applicable Lending Office from time to time. All terms of this Agreement shall apply to any such Applicable Lending Office and the Advances and Notes issued hereunder shall be deemed held by each Lender for the benefit of such Applicable Lending Office. Each Lender may, by written notice to the Administrative Agent and the Parent designate replacement or additional Applicable Lending Offices through which Advances will be made by it and for whose account repayments are to be made.

Section 2.15 Letters of Credit.

(a) Issuance. From time to time from the Closing Date until 91 days before the Maturity Date, at the request of a Borrower, any Issuing Bank shall, on the terms and conditions hereinafter set forth, issue, increase, or extend the expiration date of Letters of Credit for the account of the Parent or any of its Subsidiaries on any Business Day. No Letter of Credit will be issued, increased, or extended:

(i) if such issuance, increase, or extension would cause the Letter of Credit Exposure to exceed (A) the lesser of (1) the aggregate Revolving Commitments and (2) the Collateral Coverage Amount minus (B) the sum of the aggregate outstanding principal amount of all Revolving Advances and the aggregate outstanding principal amount of the Swingline Advances;

(ii) unless such Letter of Credit has an expiration date not later than one year after the date of issuance thereof, provided that, any such Letter of Credit with a one-year tenor may expressly provide that it is

renewable at the option of such Issuing Bank for additional one-year periods, provided, however that if the intended beneficiary of a requested Letter of Credit provides the Issuing Bank with written notice that it cannot accept a one-year tenor Letter of Credit with automatic extension provisions, then such Letter of Credit may have an expiration date not later than one year after the Maturity Date;

(iii) unless such Letter of Credit is (A) issued in a currency that is an Agreed Currency and (B) is otherwise in form and substance acceptable to such Issuing Bank;

(iv) unless such Borrower or Issuing Bank has delivered notice of such request for and issuance of such Letter of Credit to the Administrative Agent no later than three (3) Business Days prior to the Business Day on which such Letter of Credit is to be issued, increased or extended;

(v) if requested by such Issuing Bank, unless the Borrower has completed, executed and delivered to the Issuing Bank the Issuing Bank's standard form letter of credit application for letters of credit; and

(vi) unless such Letter of Credit is governed by the Uniform Customs and Practice for Documentary Credits (1993 Revision), International Chamber of Commerce Publication No. 500, the International Standby Practices (ISP98), International Chamber of Commerce Publication No. 590, or any successor to such publication.

If the terms of any letter of credit application referred to in the foregoing clause (v) conflicts with the terms of this Agreement, the terms of this Agreement shall control.

(b) Participations. Upon the date of the issuance or increase of a Letter of Credit occurring on or after the Closing Date, such Issuing Bank shall be deemed to have sold to each other Lender and each other Lender shall have been deemed to have purchased from such Issuing Bank a participation in the related Letter of Credit Obligations equal to such Lender's Pro Rata Share at such date and such sale and purchase shall otherwise be in accordance with the terms of this Agreement. The Issuing Bank shall promptly notify the Administrative Agent and each such participant Lender by telex, telephone, or telecopy of each Letter of Credit issued or increased and the actual dollar amount of such Lender's participation in such Letter of Credit. Notwithstanding anything herein to the contrary, provided that the Parent has deposited into the Cash Collateral Account cash collateral equal to 105% of the Letter of Credit Exposure with respect to each Letter of Credit with an expiration date after the Maturity Date in accordance with Section 2.15(e) below, each Lender's participation in the Letter of Credit Obligations shall be released as of the Maturity Date.

(c) Reimbursement. Each Borrower hereby agrees to pay on demand to any Issuing Bank in respect of each Letter of Credit issued for its account an amount equal to any amount paid by such Issuing Bank under or in respect of such Letter of Credit in the currency of such Letter of Credit. Notwithstanding the foregoing sentence, if, after the issuance of a Letter of Credit in any Agreed Currency other than Dollars, currency control or exchange regulations are imposed in the country which issues such currency with the result that the type of currency in which the Letter of Credit was issued (the "Original Currency") no longer exists or the Borrowers are not able to make payment to the Administrative Agent for the account of any Issuing Bank or the Lenders in such Original Currency, then all payments to be made by the Borrowers hereunder in such currency shall instead be made when due in Dollars in an amount equal to the Dollar Amount (as of the date of repayment) of such payment, it being the intention of the parties hereto that the Borrowers take all risks of the imposition of any such currency control or exchange regulations. In the event any Issuing Bank makes a payment pursuant to a request for draw presented under a Letter of Credit and such payment is not promptly reimbursed by the relevant Borrower upon demand, such Issuing Bank shall give notice of such failure to pay to the Administrative Agent and the Lenders, and each Lender shall reimburse such Issuing Bank for such Lender's Pro Rata Share of the Dollar Amount of such payment on the same Business Day, and such reimbursement shall be deemed for all purposes of this Agreement to constitute a Borrowing comprised of Base Rate Advances to such Borrower from such Lender; provided that, if for any reason such payment cannot be reimbursed by

such a Borrowing, such notice by the Issuing Bank shall be deemed to be a request by the Issuing Bank that each of the Lenders fund its participation in the relevant Letter of Credit Obligations and such reimbursement shall be deemed payment in respect of such participation.. If such reimbursement is not made by any Lender to such Issuing Bank on the same Business Day on which such Issuing Bank shall have made payment on any such draw, such Lender shall pay interest thereon to such Issuing Bank at a rate per annum equal to the Federal Funds Effective Rate. Each Borrower hereby unconditionally and irrevocably authorizes, empowers, and directs the Administrative Agent and the Lenders to record and otherwise treat such payment under a Letter of Credit not immediately reimbursed by the Borrowers as a Borrowing comprised of Base Rate Advances to the extent that such payment may be reimbursed by such a Borrowing.

(d) Obligations Unconditional. The obligations of each Borrower under this Agreement in respect of each Letter of Credit shall be unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, notwithstanding the following circumstances:

- (i) any lack of validity or enforceability of any Letter of Credit Documents;
- (ii) any amendment or waiver of or any consent to departure from any Letter of Credit Documents;
- (iii) the existence of any claim, set off, defense or other right which such Borrower may have at any time against any beneficiary or transferee of such Letter of Credit (or any Persons for whom any such beneficiary or any such transferee may be acting), any Issuing Bank, any Lender or any other person or entity, whether in connection with this Agreement, the transactions contemplated in this Agreement or in any Letter of Credit Documents or any unrelated transaction;
- (iv) any statement or any other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect to the extent any Issuing Bank would not be liable therefor pursuant to paragraph (f) below;
- (v) payment by any Issuing Bank under such Letter of Credit against presentation of a draft or certificate which does not comply with the terms of such Letter of Credit; or
- (vi) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing;

provided, however, that nothing contained in this paragraph (d) shall be deemed to constitute a waiver of any remedies of a Borrower in connection with the Letters of Credit.

(e) Cash Collateralization of Letters of Credit. In the event that any Letter of Credit with an expiration date after the Maturity Date shall be outstanding 91 days before the Maturity Date, on the 91st day before the Maturity Date the Parent shall pay to the Administrative Agent an amount equal to 105% of the Letter of Credit Exposure allocable to such Letter of Credit and in the currency of such Letter of Credit to be held in the Cash Collateral Account and applied in accordance with paragraph (g) below. If currency control or exchange regulations are imposed in the country which issues such currency with the result that the Original Currency no longer exists or the Borrowers are not able to make payment to the Administrative Agent for the account of any Issuing Bank or the Lenders in such Original Currency, then all payments to be made by the Borrowers hereunder in such currency shall instead be made when due in Dollars in an amount equal to the Dollar Amount (as of the date of repayment) of such payment, it being the intention of the parties hereto that the Borrowers take all risks of the imposition of any such currency control or exchange regulations.

(f) Liability of Issuing Bank. Each Borrower assumes all risks of the acts or omissions of any beneficiary or transferee of any Letter of Credit with respect to its use of such Letter of Credit. Neither any Issuing Bank nor any

of its officers or directors shall be liable or responsible for:

- (i) the use which may be made of any Letter of Credit or any acts or omissions of any beneficiary or transferee in connection therewith;
- (ii) the validity, sufficiency or genuineness of documents, or of any endorsement thereon, even if such documents should prove to be in any or all respects invalid, insufficient, fraudulent or forged;
- (iii) payment by any Issuing Bank against presentation of documents which do not comply with the terms of a Letter of Credit, including failure of any documents to bear any reference or adequate reference to the relevant Letter of Credit; or
- (iv) any other circumstances whatsoever in making or failing to make payment under any Letter of Credit (including any Issuing Bank's own negligence),

except that such Borrower shall have a claim against any Issuing Bank, and such Issuing Bank shall be liable to, and shall promptly pay to, such Borrower, to the extent of any direct, as opposed to consequential, damages suffered by such Borrower which such Borrower proves were caused by (A) such Issuing Bank's willful misconduct or gross negligence in determining whether documents presented under a Letter of Credit comply with the terms of such Letter of Credit or (B) such Issuing Bank's willful failure to make lawful payment under any Letter of Credit after the presentation to it of a draft and certificate strictly complying with the terms and conditions of such Letter of Credit.

In furtherance and not in limitation of the foregoing, any Issuing Bank may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary.

(g) Cash Collateral Account.

(i) If a Borrower is required to deposit funds in the Cash Collateral Account pursuant to Sections 2.15(e), 2.15(h), 7.02(b) or 7.03(b), then such Borrower and the Administrative Agent shall establish the Cash Collateral Account and such Borrower shall execute any documents and agreements, including the Administrative Agent's standard form assignment of deposit accounts, that the Administrative Agent requests in connection therewith to establish the Cash Collateral Account and grant the Administrative Agent for the benefit of the Lenders a Lien in such account and the funds therein which is superior to all other Liens and which is perfected and enforceable against all Persons in preference to any rights of any Person therein. The Parent hereby pledges to the Administrative Agent and grants the Administrative Agent a security interest in the Cash Collateral Account, whenever established, all funds held in the Cash Collateral Account from time to time, and all proceeds thereof as security for the payment of the Obligations.

(ii) Funds held in the Cash Collateral Account shall be held as cash collateral for obligations with respect to Letters of Credit and promptly applied by the Administrative Agent at the request of such Issuing Bank to any reimbursement or other obligations under Letters of Credit that exist or occur. To the extent that any surplus funds are held in the Cash Collateral Account above the Letter of Credit Exposure during the existence of an Event of Default the Administrative Agent may (A) hold such surplus funds in the Cash Collateral Account as cash collateral for the Obligations or (B) apply such surplus funds to any Obligations in any manner directed by the Majority Lenders. If no Event of Default exists, the Administrative Agent shall release to the Parent at the Parent's written request any funds held in the Cash Collateral Account above 105% of the then current Letter of Credit Exposure.

(iii) Funds held in the Cash Collateral Account shall be invested in Liquid Investments maintained with, and under the sole dominion and control of, the Administrative Agent or in another investment if mutually agreed upon by the Borrower and the Administrative Agent, but the Administrative Agent shall have no other obligation to make any other investment of the funds therein. The Administrative Agent shall exercise reasonable

care in the custody and preservation of any funds held in the Cash Collateral Account and shall be deemed to have exercised such care if such funds are accorded treatment substantially equivalent to that which the Administrative Agent accords its own property, it being understood that the Administrative Agent shall not have any responsibility for taking any necessary steps to preserve rights against any parties with respect to any such funds.

(h) Determination of Dollar Amounts. The Administrative Agent will determine the Dollar Amount of the face amount of or any drawing under each Letter of Credit denominated in a currency other than Dollars on and as of the last Business Day of each quarter and on any other Business Day elected by the Administrative Agent in its discretion or upon instruction by the Majority Lenders. Each day upon or as of which the Administrative Agent determines Dollar Amounts as described in the preceding sentence is herein described as a "Computation Date" with respect to each Letter of Credit for which a Dollar Amount is determined on or as of such day. If at any time the Dollar Amount of the sum of the aggregate principal amount of all outstanding Letter of Credit Obligations (calculated, with respect to those Letter of Credit Obligations denominated in Agreed Currencies other than Dollars, as of the most recent Computation Date) exceeds the Revolving Commitments minus the sum of (i) the aggregate outstanding principal amount of the Revolving Advances plus (ii) the aggregate outstanding principal amount of the Swingline Advances, the Borrower shall immediately make deposits to the Cash Collateral Account to the extent of the Collateral Shortfall Amount.

All federal, state, local and foreign tax returns, reports and statements required to be filed (after giving effect to any extension granted in the time for filing) by the Parent or any member of the Controlled Group (hereafter collectively called the "Tax Group") have been filed with the appropriate governmental agencies in all jurisdictions in which such returns, reports and statements are required to be filed (except where any obligation to so file is being contested in good faith and by appropriate proceedings and after adequate reserves have been provided therefor), and all taxes (which are material in amount) and other impositions due and payable have been timely paid prior to the date on which any fine, penalty, interest, late charge or loss may be added thereto for non-payment thereof except where contested in good faith and by appropriate proceedings and after providing adequate reserves therefor. Section 8.01 Appointment; Nature of Relationship. Calyon is hereby appointed by the Lenders as the Administrative Agent hereunder and under each other Credit Document (other than the Vessel Mortgages), and to act as the security trustee under the Vessel Mortgages, and each of the Lenders irrevocably authorizes the Administrative Agent to act as the contractual representative of such Lender with the rights and duties expressly set forth herein and in the other Credit Documents. Calyon is hereby appointed by the Lenders an Issuing Bank hereunder and under each other Credit Document, and each of the Lenders irrevocably authorizes any Issuing Bank to act with the rights and duties expressly set forth herein and in the other Credit Document regarding the Issuing Banks. The Administrative Agent agrees to act as such contractual representative upon the express conditions contained in this Article VIII. Notwithstanding the use of the defined term "Agent," it is expressly understood and agreed that the Administrative Agent shall not have any fiduciary responsibilities to any Lender by reason of this Agreement or any other Credit Document and that the Administrative Agent is merely acting as the representative of the Lenders with only those duties as are expressly set forth in this Agreement and the other Credit Documents. In its capacity as the Lenders' contractual representative, the Administrative Agent (a) does not hereby assume any fiduciary duties to any of the Lenders, (b) is a "representative" of the Lenders within the meaning of Section 9-102 of the Uniform Commercial Code as adopted in the State of New York and (c) is acting as an independent contractor, the rights and duties of

which are limited to those expressly set forth in this Agreement and the other Credit Documents. Each of the Lenders hereby agrees to assert no claim against the Administrative Agent on any agency theory or any other theory of liability for breach of fiduciary duty, all of which claims each Lender hereby waives.

Section 8.02 Powers. The Administrative Agent and any Issuing Bank shall have and may exercise such powers under the Credit Documents as are specifically delegated to the Administrative Agent and the Issuing Banks, respectively, by the terms of each thereof, together with such powers as are reasonably incidental thereto. Neither the Administrative Agent nor any Issuing Bank shall have any implied duties to the Lenders, or any obligation to the Lenders to take any action thereunder except any action specifically provided by the Credit Documents to be taken by the Administrative Agent or the Issuing Banks, as applicable.

Section 8.03 General Immunity. None of the Administrative Agent, any Issuing Bank or any of their respective directors, officers, agents or employees shall be liable to the Borrowers or any Lender for any action taken or omitted to be taken by it or them hereunder or under any other Credit Document or in connection herewith or therewith except for its or their own gross negligence or willful misconduct.

Section 8.04 No Responsibility for Loans, Recitals, etc. None of the Administrative Agent, any Issuing Bank or any of their respective directors, officers, agents or employees shall be responsible for or have any duty to ascertain, inquire into, or verify (a) any statement, warranty or representation made in connection with any Credit Document or any borrowing hereunder; (b) the performance or observance of any of the covenants or agreements of any obligor under any Credit Document, including, without limitation, any agreement by an obligor to furnish information directly to each Lender; (c) the satisfaction of any condition specified in Article III, except receipt of items required to be delivered to the Administrative Agent; (d) the validity, enforceability, effectiveness, sufficiency or genuineness of any Credit Document or any other instrument or writing furnished in connection therewith; or (e) the value, sufficiency, creation, perfection or priority of any interest in any collateral security. The Administrative Agent agrees to provide to the Lenders copies of all information it receives from the Parent under Section 5.05 that is not otherwise delivered by the Parent to the Lenders. None of the Administrative Agent or any Issuing Bank shall, however, have any duty to disclose to the Lenders information that is not required to be furnished by the Parent or any of its Subsidiaries to the Administrative Agent or Issuing Bank at such time, but is voluntarily furnished by the Parent or any of its Subsidiaries to the Administrative Agent or such Issuing Bank (in its respective capacity as Administrative Agent or Issuing Bank, as applicable, or in its individual capacity).

Section 8.05 Action on Instructions of Lenders. Each Agent shall in all cases be fully protected in acting, or in refraining from acting, hereunder and under any other Credit Document in accordance with written instructions signed by the Majority Lenders, and such instructions and any action taken or failure to act pursuant thereto shall be binding on all of the Lenders and on all holders of Notes. The Lenders hereby acknowledge that the Administrative Agent shall not be under any duty to take any discretionary action permitted to be taken by it pursuant to the provisions of this Agreement or any other Credit Document unless it shall be requested in writing to do so by the Majority Lenders. The Administrative Agent shall each be fully justified in failing or refusing to take any action hereunder and under any other Credit Document unless it shall first be indemnified to its satisfaction by the Lenders pro rata against any and all liability, cost and expense that it may incur by reason of taking or continuing to take any such action.

Section 8.06 Employment of Administrative Agent and Counsel. The Administrative Agent and any Issuing Bank may execute any of their respective duties as Administrative Agent and Issuing Bank hereunder and under any other Credit Document by or through employees, agents, and attorneys in fact and shall not be answerable to the Lenders, except as to money or securities received by it or its authorized agents, for the default or misconduct of the Administrative Agent or attorneys in fact selected by it with reasonable care. The Administrative Agent and the Issuing Banks shall be entitled to advice of their respective counsels concerning all matters pertaining to the agency hereby created and its duties hereunder and under any other Credit Document.

Section 8.07 Reliance on Documents; Counsel. Without limiting any of the Borrowers' obligations, the Administrative Agent and the Issuing Banks shall be entitled to rely upon any Note, notice, consent, certificate, affidavit, letter, telegram, statement, paper or document believed by it to be genuine and correct and to have been signed or sent by the proper person or persons, and, in respect to legal matters, upon the opinion of counsel selected by the Administrative Agent which counsel may be employees of Administrative Agent.

Section 8.08 Reimbursement and Indemnification. **THE LENDERS AGREE TO REIMBURSE AND INDEMNIFY THE ADMINISTRATIVE AGENT, AND ANY ISSUING BANK RATABLY IN PROPORTION TO THEIR RESPECTIVE PRO RATA SHARES (I) FOR ANY AMOUNTS NOT REIMBURSED BY THE BORROWERS FOR WHICH THE ADMINISTRATIVE AGENT, OR SUCH ISSUING BANK, AS APPLICABLE, IS ENTITLED TO REIMBURSEMENT BY THE BORROWERS UNDER THE CREDIT DOCUMENTS, (II) FOR ANY AMOUNTS NOT REIMBURSED BY THE BORROWERS FOR ANY OTHER EXPENSES INCURRED BY THE ADMINISTRATIVE AGENT OR SUCH ISSUING BANK ON BEHALF OF THE LENDERS, IN CONNECTION WITH THE PREPARATION, EXECUTION, DELIVERY, ADMINISTRATION AND ENFORCEMENT OF THE CREDIT DOCUMENTS, AND (III) FOR ANY AMOUNTS NOT REIMBURSED BY THE BORROWERS FOR ANY LIABILITIES, OBLIGATIONS, LOSSES, DAMAGES, PENALTIES, ACTIONS, JUDGMENTS, SUITS, COSTS, EXPENSES OR DISBURSEMENTS OF ANY KIND AND NATURE WHATSOEVER WHICH MAY BE IMPOSED ON, INCURRED BY OR ASSERTED AGAINST THE ADMINISTRATIVE AGENT OR ANY ISSUING BANK IN ANY WAY RELATING TO OR ARISING OUT OF THE CREDIT DOCUMENTS OR ANY OTHER DOCUMENT DELIVERED IN CONNECTION THEREWITH OR THE TRANSACTIONS CONTEMPLATED THEREBY, OR THE ENFORCEMENT OF ANY OF THE TERMS THEREOF OR OF ANY SUCH OTHER DOCUMENTS, PROVIDED THAT NO LENDER SHALL BE LIABLE FOR ANY OF THE FOREGOING TO THE EXTENT THEY ARISE FROM THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF THE ADMINISTRATIVE AGENT OR SUCH ISSUING BANK. THE INDEMNIFICATION RIGHTS IN FAVOR OF THE ADMINISTRATIVE AGENT AND THE ISSUING BANK SHALL EXTEND ONLY TO COSTS AND EXPENSES INCURRED IN SUCH CAPACITIES AND SHALL NOT INCLUDE ANY COSTS AND EXPENSES INCURRED IN THEIR INDIVIDUAL CAPACITY AS A LENDER. THE OBLIGATIONS OF THE LENDERS UNDER THIS SECTION 8.08 SHALL SURVIVE PAYMENT OF THE OBLIGATIONS AND TERMINATION OF THIS AGREEMENT.**

Section 8.09 Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or an Event of Default hereunder unless the Administrative Agent has received written notice from a Lender or a Borrower referring to this Agreement describing such Default or of an Event of Default. In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give prompt notice thereof to the Lenders.

Section 8.10 Rights as a Lender. In the event that the Administrative Agent or any Issuing Bank is a Lender, the Administrative Agent and such Issuing Bank shall have the same rights and powers hereunder and under any other Credit Document as any Lender and may exercise the same as though it were not the Administrative Agent or Issuing Bank, as applicable, and the term "Lender" or "Lenders" shall, at any time when the Administrative Agent or such Issuing Bank is a Lender, unless the context otherwise indicates, include Administrative Agent or such Issuing Bank, as applicable, in its individual capacity. The Administrative Agent and such Issuing Bank may accept deposits from, lend money to, and generally engage in any kind of trust, debt, equity or other transaction, in addition to those contemplated by this Agreement or any other Credit Document, with the Parent or any of its Subsidiaries in which the Parent or such Subsidiary is not restricted hereby from engaging with any other Person. The Administrative Agent, in its individual capacity, is not obligated to remain a lender.

Section 8.11 Lender Credit Decision. Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent, any Issuing Bank or any other Lender and based on the financial statements prepared by the Parent and such other documents and information as it has deemed appropriate, made its own credit analysis

and decision to enter into this Agreement and the other Credit Documents. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent, any Issuing Bank or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement and the other Credit Documents.

Section 8.12 Successor Administrative Agent and Issuing Bank. The Administrative Agent and each Issuing Bank may resign at any time by giving prior written notice thereof to the Lenders and the Parent, such resignation to be effective upon the appointment of a successor Administrative Agent or successor Issuing Bank, as applicable, or, if no successor Administrative Agent or successor Issuing Bank, as applicable, has been appointed, 45 days after the retiring Administrative Agent gives notice of its intention to resign, or upon the Termination Date in the event the retiring Administrative Agent is a Terminated Lender. Upon any such resignation of the Administrative Agent or an Issuing Bank, the Majority Lenders shall have the right to appoint, on behalf of the Borrowers and the Lenders, a successor Administrative Agent, or a successor Issuing Bank, as applicable. If no successor Administrative Agent, or successor Issuing Bank, as applicable, shall have been so appointed by the Majority Lenders within thirty (30) days after the resigning Administrative Agent's or resigning Issuing Bank's giving notice of its intention to resign, then the resigning Administrative Agent or resigning Issuing Bank, as applicable, may appoint, on behalf of the Borrowers and the Lenders, a successor Administrative Agent or successor Issuing Bank, as applicable. If the Administrative Agent has resigned and no successor Administrative Agent has been appointed, the Lenders may perform all the duties of the Administrative Agent hereunder and the Borrowers shall make all payments in respect of the Obligations to the applicable Lender and for all other purposes shall deal directly with the Lenders. No successor Administrative Agent or successor Issuing Bank, as applicable, shall be deemed to be appointed hereunder until such successor Administrative Agent or successor Issuing Bank, as applicable, has accepted the appointment. Any such successor Administrative Agent or successor Issuing Bank shall be a commercial bank having capital and retained earnings of at least \$100,000,000.00. Upon the acceptance of any appointment as Administrative Agent or Issuing Bank, as applicable, hereunder by a successor Administrative Agent or successor Issuing Bank, such successor Administrative Agent or successor Issuing Bank shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the resigning Administrative Agent or resigning Issuing Bank. Upon the effectiveness of the resignation of an Administrative Agent or Issuing Bank, the resigning Administrative Agent or resigning Issuing Bank shall be discharged from its duties and obligations hereunder and under the Credit Documents. After the effectiveness of the resignation of an Administrative Agent or Issuing Bank, the provisions of this Article VIII shall continue in effect for the benefit of the Administrative Agent or Issuing Bank in respect of any actions taken or omitted to be taken by it while it was acting as the Administrative Agent or Issuing Bank hereunder and under the other Credit Documents.

Section 8.13 Other Titles. None of the Arranger, the Book Runner, the Co-Documentation Agents and the Syndication Agent as listed on the cover page to this Agreement shall have any rights, obligations, or duties in such capacities under this Agreement and the other Credit Documents.

Section 8.14 Collateral Matters.

(a) The Administrative Agent is authorized on behalf of the Lenders, without the necessity of any notice to or further consent from the Lenders, from time to time, to take any actions with respect to any Collateral or Security Documents which may be necessary to perfect and maintain Acceptable Security Interests in and Liens upon the Collateral granted pursuant to the Security Documents. The Administrative Agent is further authorized on behalf of the Lenders, without the necessity of any notice to or further consent from the Lenders, from time to time, to take any action in exigent circumstances as may be reasonably necessary to preserve any rights or privileges of the Lenders under the Credit Documents or applicable Legal Requirements.

(b) Each of the Lenders irrevocably authorize the Administrative Agent to release any Lien granted to or held by the Administrative Agent upon any Collateral (i) upon termination of the Commitments and payment in full of all outstanding Advances and all other Obligations payable under this Agreement and under any other Credit Document; (ii) constituting property sold or to be sold or disposed of as part of or in connection with any disposition

permitted under this Agreement or the other Credit Documents; (iii) constituting property in which any Loan Party owned no interest at the time the Lien was granted or at any time thereafter; (iv) constituting property leased to any Loan Party under a lease which has expired or has been terminated in a transaction permitted under this Agreement or is about to expire and which has not been, and is not intended by such Loan Party to be, renewed or extended; (v) if approved, authorized or ratified in writing by the Majority Lenders or all the Lenders, as the case may be, as required by Section 11.01; or (vi) as otherwise permitted by this Agreement. Upon the request of the Administrative Agent at any time, the Lenders will confirm in writing the Administrative Agent's authority to release particular types or items of Collateral pursuant to this Section 8.14.

(c) Each Loan Party hereby irrevocably appoints the Administrative Agent as such Loan Party's attorney-in-fact, with full authority to, after the occurrence of an Event of Default, act for such Loan Party and in the name of such Loan Party to, in the Administrative Agent's discretion upon the occurrence and during the continuance of an Event of Default, file one or more financing or continuation statements, and amendments thereto, relative to all or any part of the Collateral without the signature of such Loan Party where permitted by law, to receive, endorse, and collect any drafts or other instruments, documents, and chattel paper which are part of the Collateral, and to ask, demand, collect, sue for, recover, compromise, receive, and give acquittance and receipts for moneys due and to become due under or in respect of any of the Collateral and to file any claims or take any action or institute any proceedings which the Administrative Agent may reasonably deem necessary or desirable for the collection of any of the Collateral or otherwise to enforce the rights of the Administrative Agent with respect to any of the Collateral. The power of attorney granted hereby is coupled with an interest and is irrevocable.

(d) If any Loan Party fails to perform any covenant contained in this Agreement or the other Security Documents, the Administrative Agent may itself perform, or cause performance of, such covenant, and such Loan Party shall pay for the expenses of the Administrative Agent incurred in connection therewith in accordance with Section 11.04.

(e) The powers conferred on the Administrative Agent under this Agreement and the other Security Documents are solely to protect its interest in the Collateral and shall not impose any duty upon it to exercise any such powers. Except for the reasonable care of any Collateral in its possession and the accounting for monies or other property actually received by it hereunder, the Administrative Agent shall have no duty as to any Collateral or as to the taking of any necessary steps to preserve rights against prior parties or any other rights pertaining to any Collateral. The Administrative Agent shall be deemed to have exercised reasonable care as to the custody and preservation of the Collateral in its possession if the Collateral is accorded treatment substantially equal to that which the Administrative Agent accords its own property, provided that the Administrative Agent shall have no responsibility for taking any necessary steps to preserve rights against any parties with respect to any Collateral.

ARTICLE IX BENEFIT OF AGREEMENT; ASSIGNMENTS; PARTICIPATIONS

Section 9.01 Successors and Assigns. The terms and provisions of the Credit Documents shall be binding upon and inure to the benefit of the Borrowers and the Lenders and their respective successors and assigns, except that (a) a Borrower shall not have the right to assign its rights or obligations under the Credit Documents and (b) any assignment by any Lender must be made in compliance with Section 9.03. Notwithstanding clause (b) of this Section, any Lender may at any time, without the consent of the Borrowers or the Administrative Agent, pledge or assign all or any portion of its rights under this Agreement and its Notes to a Federal Reserve Bank or any other Person; provided, however, that no such pledge or assignment to a Federal Reserve Bank or any other Person shall release the transferor Lender from its obligations hereunder. The Administrative Agent may treat the payee of any Note as the owner thereof for all purposes hereof unless and until such payee complies with Section 9.03 in the case of an assignment thereof or, in the case of any other transfer, a written notice of the transfer is filed with the Administrative Agent. Any assignee or transferee of a Note agrees by acceptance thereof to be bound by all the terms and provisions of the Credit Documents. Any request, authority, or consent of any Person, who at the time of making such request or giving such

authority or consent is the holder of any Note, shall be conclusive and binding on any subsequent holder, transferee, or assignee of such Note or of any Note or Notes issued in exchange therefor.

Section 9.02 Participations.

(a) Permitted Participants; Effect. Any Lender may, in the ordinary course of its business and in accordance with applicable law, at any time sell to one or more banks or other entities excluding entities classified by SIC code 1389 ("Participants") participating interests in any Advances owing to such Lender, any Note held by such Lender, any Commitment of such Lender or any other interest of such Lender under the Credit Documents. In the event of any such sale by a Lender of participating interests to a Participant, such Lender's obligations under the Credit Documents shall remain unchanged, such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, such Lender shall remain the holder of any such Note for all purposes under the Credit Documents, all amounts payable by the Borrowers under this Agreement shall be determined as if such Lender had not sold such participating interests, and the Borrowers and the Administrative Agent shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under the Credit Documents. Each Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.08, 2.09 and 2.11 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 9.03; provided that, no Participant shall not be entitled to receive any greater payment under Section 2.09 or 2.11 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Parent's prior written consent. A Participant that is not incorporated under the laws of the United States of America or a state thereof shall not be entitled to the benefits of Section 2.11 unless the Parent is notified of the participation sold to such Participant and such Participant agrees, for the benefit of the Borrowers, to comply with Section 2.11(e) as though it were a Lender.

(b) Voting Rights. Each Lender shall retain the sole right to approve, without the consent of any Participant, any amendment, modification, or waiver of any provision of the Credit Documents other than any amendment, modification, or waiver which effects any of the amendments, modifications or waivers referenced in clauses (a) through (j) of Section 11.01.

(c) Benefit of Setoff. Each Borrower agrees that each Participant shall be deemed to have the right of setoff provided in Section 7.05 in respect of its participating interest in amounts owing under the Credit Documents to the same extent as if the amount of its participating interest were owing directly to it as a Lender under the Credit Documents; provided, that each Lender shall retain the right of setoff provided in Section 7.05 with respect to the amount of participating interests sold to each Participant; and provided further that such right of setoff shall not be exercisable until five Business Days after the date upon which the Parent receives written notice of the fact that such Participant is a Participant (it being understood that neither the Administrative Agent, the Lender granting such participation nor the Participant shall be obligated to give such notice). The Lenders agree to share with each Participant, and each Participant, by exercising the right of setoff provided in Section 7.05, agrees to share with each Lender, any amount received pursuant to the exercise of its right of setoff, such amounts to be shared as if each Participant were a Lender.

Section 9.03 Assignments.

(a) Permitted Assignments. Any Lender may, in the ordinary course of its business and in accordance with applicable law, at any time assign to one or more banks or other entities ("Purchasers") all or any part of its rights and obligations under the Credit Documents; provided, however, that in the case of an assignment to an entity which is not a Lender or an Affiliate or Related Fund of a Lender, such assignment shall be in a minimum amount of the lesser of (i) \$5,000,000.00 and (ii) all of such Lender's Commitments and Advances of the Class being assigned; provided further, that, unless otherwise consented to by the Parent and the Administrative Agent, after giving effect to such assignment, either (i) such Lender shall have aggregate Commitments and Advances equal to or greater than \$5,000,000.00 or (ii) such Lender shall have assigned all of its rights and obligations under the Credit Documents. A

Lender making an assignment shall also assign or cause such Lender's affiliate, if any, who is a Swingline Bank to assign a portion of such Swingline Bank's Swingline Advances to the assignee or an appropriate affiliate of the assignee equal to the same portion of the Revolving Commitments and Revolving Advances sold to such Assignee. No Swingline Bank may assign any portion of its Swingline Advances unless it or its affiliate which has a Commitment assigns the same portion of such Lender's Commitments and Advances to the Person or an affiliate of the Person purchasing the assignment from such Swingline Bank. Such assignment shall be made pursuant to an Assignment and Acceptance substantially in the form of Exhibit A or in such other form as may be agreed to by the parties thereto ("Assignment and Acceptance"). The consent of the Administrative Agent and, so long as no Default is continuing, the Parent shall be required prior to an assignment becoming effective with respect to a Purchaser which is not a Lender or an Affiliate or Related Fund thereof. Such consents shall not be unreasonably withheld. Notwithstanding anything contained in this Section 9.03(a), no consent shall be required if an assignment is in connection with any merger, consolidation, sale, transfer, or other disposition of all or any substantial portion of the business or loan portfolio of the assigning Lender.

(b) Effect: Effective Date. Subject to the last sentence of this Section 9.03(b), upon (a) delivery to the Administrative Agent of a notice of assignment, substantially in the form attached as Exhibit I to the Assignment and Acceptance (a "Notice of Assignment"), together with any consents required by Section 9.03(a) and (b) payment of a \$3,500.00 fee to the Administrative Agent for processing such assignment, such assignment shall become effective on the effective date specified in such Notice of Assignment. On and after the effective date of such assignment, (i) such Purchaser shall for all purposes be a Lender party to this Agreement and any other Credit Document executed by the Lenders and shall have all the rights and obligations of a Lender under the Credit Documents, to the same extent as if it were an original party hereto, and (ii) the transferor Lender shall be released with respect to the percentage of the Commitments and Advances assigned to such Purchaser without any further consent or action by the Borrowers, the Lenders, or the Administrative Agent. Upon the consummation of any assignment to a Purchaser pursuant to this Section 9.03(b), the transferor Lender, the Administrative Agent, and the Borrowers shall make appropriate arrangements so that replacement Notes are issued to such transferor Lender and new Notes or, as appropriate, replacement Notes, are issued to such Purchaser, in each case in principal amounts reflecting their Commitments, as adjusted pursuant to such assignment. Notwithstanding anything contained in this Section 9.03(b) to the contrary, (A) a Lender may assign any or all of its rights hereunder to an Affiliate of such Lender or a Related Fund without delivering an executed Assignment and Acceptance or a Notice of Assignment to the Administrative Agent or to any Loan Party and (B) the payment of any processing fee shall not be required if such assignment is (i) to an Affiliate of a Lender or a Related Fund or (ii) in connection with any merger, consolidation, sale, transfer, or other disposition of all or any substantial portion of the business or loan portfolio of the assigning Lender; provided, however, that (x) Administrative Agent and the Loan Parties may continue to deal solely and directly with the assigning Lender until an Assignment and Acceptance and a Notice of Assignment has been delivered to the Administrative Agent, and (y) the failure of such assigning Lender to deliver an Assignment and Acceptance or a Notice of Assignment to the Administrative Agent shall not affect the legality, validity or binding effect of such assignment.

Section 9.04 Dissemination of Information. Each Borrower authorizes each Lender to disclose to any Participant or Purchaser or any other Person acquiring an interest in the Credit Documents by operation of law (each a "Transferee") and any prospective Transferee any and all information in such Lender's possession concerning the creditworthiness of the Parent and its Subsidiaries.

Section 9.05 Tax Treatment. If any interest in any Credit Document is transferred to any Transferee which is organized under the laws of any jurisdiction other than the United States or any State thereof, the transferor Lender shall cause such Transferee, concurrently with the effectiveness of such transfer, to comply with the provisions of Section 2.11(e).

Section 9.06 Registered Notes. Except as otherwise provided in this Section 9.06 with respect to assignments covered by the last sentence of Section 9.03(b), the Borrowers shall maintain, or cause to be maintained, a register (the "Register") on which it enters the name of a Lender as the registered owner of the Commitments and Advances held

by such Lender. A loan so registered (a "Registered Loan"), and the note if any, evidencing the same (a "Registered Note") may be assigned or sold in whole or in part only by registration of such assignment or sale on the Register (and each Registered Note shall expressly so provide). Except as otherwise provided in this Section 9.06 with respect to assignments covered by the last sentence of Section 9.03(b), any assignment or sale of all or part of such Registered Loan (and the Registered Note, if any) may be effected only by registration of such assignment or sale on the Register, together with the surrender of the Registered Note, if any, duly endorsed by (or accompanied by a written instrument of assignment or sale duly executed by) the holder of such Registered Note, whereupon, at the request of the designated assignee(s) or transferee(s), one or more new Registered Notes in the same aggregate principal amount shall be issued to the designated assignee(s) or transferee(s). Prior to the registration of assignment or sale of any Registered Loan (and the Registered Note, if any), the Borrowers shall treat the Person in whose name such Registered Loan (and the Registered Note, if any) is registered as the owner thereof for the purpose of receiving all payments thereon and for all other purposes, notwithstanding notice to the contrary. In the case of an assignment covered by the last sentence of Section 9.03(b), the Lender that is the assignee shall maintain a comparable Register on behalf of Borrower. In the event that a Lender sells participations in the Registered Loan, such Lender shall maintain a register on which it enters the name of all participants in the Registered Loans held by it (the "Participant Register"). A Registered Loan (and the Registered Note, if any evidencing the same) may be participated in whole or in part only by registration of such participation on the Participant Register (and each Registered Note shall expressly so provide). Any participation of such Registered Loan (and the Registered Note, if any) may be effected only by the registration of such participation on the Participant Register.

ARTICLE X AMENDMENT AND RESTATEMENT

Section 10.01 Existing Credit Agreement. The amendments and restatements set forth herein shall not cure any breach thereof or any "Default" or "Event of Default" under and as defined in the Existing Credit Agreement existing prior to the date hereof. This Agreement is not in any way intended to constitute a novation of the obligations and liabilities existing under the Existing Credit Agreement or evidence payment of all or any portion of such obligations and liabilities. The terms and conditions of this Agreement and the Administrative Agent's, the Lenders' and the Issuing Bank's rights and remedies under this Agreement and the other Credit Documents, shall apply to all of the Obligations incurred under the Existing Credit Agreement, the Notes issued thereunder and the Letters of Credit issued thereunder.

Section 10.02 Acknowledgment of Obligations; Affirmation of Liens. Each Borrower confirms and acknowledges that as of the Business Day immediately preceding the Closing Date, the aggregate principal amount of all outstanding Revolving Advances is \$[_____] and the Letter of Credit Exposure is \$[_____]. Each Loan Party reaffirms the Liens granted pursuant to the Security Documents to the Administrative Agent for the benefit of the Lenders and the Issuing Banks, which Liens shall continue in full force and effect during the term of this Agreement and any renewals or extensions thereof and shall continue to secure the Obligations.

Section 10.03 Limitations. This amendment and restatement is limited as written and is not a consent to any other amendment, restatement, waiver or other modification, whether or not similar, and, except as expressly provided herein or in any other Credit Document, all terms and conditions of the Credit Documents remain in full force and effect unless otherwise specifically amended by this Agreement or any other Credit Document.

ARTICLE XI MISCELLANEOUS

Section 11.01 Amendments, Etc. No amendment or waiver of any provision of this Agreement, the Notes, or any other Credit Document, nor consent to any departure by the Borrowers therefrom, shall in any event be effective unless the same shall be in writing and signed by the Majority Lenders and the Borrowers, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided,

however, that no amendment, waiver or consent shall, unless in writing and signed by all the Lenders and the Borrowers, do any of the following: (a) except as provided in Section 2.01(e), increase or extend the Commitments of the Lenders, (b) reduce the principal of, or interest on, the Notes or any fees or other amounts payable hereunder or under any other Credit Document (including, without limitation, unreimbursed Letter of Credit Obligations), (c) postpone any date fixed for any scheduled payment or prepayment of principal of, or interest on, the Notes or any fees or other amounts payable hereunder (including, without limitation, unreimbursed Letter of Credit Obligations), (d) change the number of Lenders which shall be required for the Lenders or any of them to take any action hereunder or under any other Credit Document, (e) amend, modify or waive Sections 2.07(e), 2.12, 7.06, 11.01, or any other provision providing for the pro rata nature of disbursements by or payments to the Lenders, (f) release any Borrower or Guarantor from its obligations under any Credit Document, (g) release all or any substantial portion of the Collateral, (h) amend the definition of "Majority Lenders" or "Pro Rata Share", (i) amend the definition of "Collateral Coverage Amount" or amend the underlying definitions thereof if such amendment would have the effect of changing the calculation of the Collateral Coverage Amount or (j) contractually subordinate any of the Administrative Agent's Liens; and provided, further, that (i) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent or the Issuing Bank, as applicable, in addition to the Lenders required above to take such action, affect the rights or duties of the Administrative Agent or the Issuing Bank, as applicable, under this Agreement or any other Credit Document and (ii) no waiver of any of the conditions specified in Article III shall be effective against any Lender not executing such waiver. The foregoing notwithstanding, any amendment, modification, waiver, consent, termination, or release of, or with respect to, any provision of this Agreement or any other Credit Document that relates only to the relationship of the Lenders among themselves, and that does not affect the rights or obligations of Borrowers or Guarantors, shall not require consent by or the agreement of Borrowers or Guarantors.

Section 11.02 Notices, Etc. All notices and other communications shall be in writing (including telecopy or telex) and mailed, telecopied, telexed, hand delivered or delivered by a nationally recognized overnight courier, if to the Parent or any other Borrower, at its address as set forth on Schedule 1; if to any Lender, at its specified Applicable Lending Office specified opposite its name on Schedule 1; if to the Administrative Agent, or the Issuing Banks, at their respective addresses for notices set forth in Schedule 1; and if a Notice of Borrowing or a Notice of Conversion or Continuation to the Administrative Agent at the specified Applicable Lending Office of Administrative Agent and, if different, the specified Applicable Lending Office for Administrative Agent specified opposite its name on Schedule 1 or, as to each party, at such other address or teletransmission number as shall be designated by such party in a written notice to the other parties. All such notices and communications shall, when mailed, telecopied, telexed or hand delivered or delivered by overnight courier be effective: upon receipt, if mailed, when telecopy transmission is completed, when confirmed by telex answer-back or when delivered, respectively, except that notices and communications to the Administrative Agent and any Issuing Bank pursuant to Article II or VIII shall not be effective until received by the Administrative Agent and any Issuing Bank, as applicable.

Section 11.03 No Waiver; Remedies. No failure on the part of any Lender or the Administrative Agent to exercise, and no delay in exercising, any right hereunder or under any Note shall operate as a waiver thereof; nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right. The remedies provided in this Agreement are cumulative and not exclusive of any remedies provided by law.

Section 11.04 Costs and Expenses. The Borrowers agree to pay on demand (a) all reasonable out-of-pocket costs and expenses of the Administrative Agent and each Issuing Bank and reasonable fees and out-of-pocket expenses of outside counsel for the Administrative Agent and such Issuing Bank, in connection with the preparation, execution, delivery, administration, modification and amendment of this Agreement, the Notes and the other Credit Documents, (b) all reasonable out-of-pocket costs and expenses of the Administrative Agent and each Issuing Bank and reasonable fees and out-of-pocket expenses of outside counsel for the Administrative Agent and such Issuing Bank in connection with advising the Administrative Agent and such Issuing Bank with respect to their respective rights and responsibilities under this Agreement, (c) all reasonable out-of-pocket costs and expenses of the Administrative Agent, each Issuing Bank and each Lender and reasonable fees and out-of-pocket expenses of outside counsel for the Administrative Agent, each Issuing Bank and each Lender in connection with the enforcement (whether through

negotiations, legal proceedings or otherwise) of this Agreement, the Notes and the other Credit Documents or in any bankruptcy, insolvency or liquidation proceeding, (d) all reasonable out-of-pocket costs and expenses of the Administrative Agent and the Arranger associated with the syndication of the credit facilities evidenced by the Credit Documents, and (e) all reasonable out-of-pocket costs and expenses of the Administrative Agent incurred as a result of and during the continuation of any Event of Default.

Section 11.05 Binding Effect. This Agreement shall become effective when it shall have been executed by the Borrowers, the Administrative Agent and the Issuing Banks, and when the Administrative Agent shall have, as to each Lender, either received a counterpart hereof executed by such Lender or been notified by such Lender that such Lender has executed it and thereafter shall be binding upon and inure to the benefit of the Borrowers, the Administrative Agent and each Lender and their respective successors and assigns, except that a Borrower shall not have the right to assign its rights or delegate its duties under this Agreement or any interest in this Agreement without the prior written consent of each Lender.

Section 11.06 Indemnification. EACH BORROWER SHALL INDEMNIFY THE ADMINISTRATIVE AGENT, THE ISSUING BANKS, THE ARRANGER, THE LENDERS AND EACH AFFILIATE THEREOF AND THEIR RESPECTIVE DIRECTORS, OFFICERS, EMPLOYEES AND AGENTS FROM, AND DISCHARGE, RELEASE, AND HOLD EACH OF THEM HARMLESS AGAINST, ANY AND ALL LOSSES, LIABILITIES, CLAIMS OR DAMAGES TO WHICH ANY OF THEM MAY BECOME SUBJECT, INsofar AS SUCH LOSSES, LIABILITIES, CLAIMS OR DAMAGES ARISE OUT OF OR RESULT FROM (i) ANY ACTUAL OR PROPOSED USE BY THE PARENT OR ANY AFFILIATE OF THE PARENT OF THE PROCEEDS OF ANY ADVANCE OR OTHER EXTENSION OF CREDIT HEREUNDER, (ii) ANY BREACH BY A BORROWER OF ANY PROVISION OF THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT, (iii) ANY INVESTIGATION, LITIGATION OR OTHER PROCEEDING (INCLUDING ANY THREATENED INVESTIGATION OR PROCEEDING) RELATING TO THE FOREGOING, OR (iv) ANY ENVIRONMENTAL CLAIM OR REQUIREMENT OF ENVIRONMENTAL LAWS CONCERNING OR RELATING TO THE PRESENT OR PREVIOUSLY OWNED OR OPERATED PROPERTIES, OR THE OPERATIONS OR BUSINESS, OF THE PARENT OR ANY OF ITS SUBSIDIARIES, AND EACH BORROWER SHALL REIMBURSE THE ADMINISTRATIVE AGENT, THE ISSUING BANKS, THE ARRANGER, AND EACH LENDER, AND EACH AFFILIATE THEREOF AND THEIR RESPECTIVE DIRECTORS, OFFICERS, EMPLOYEES AND AGENTS, UPON DEMAND FOR ANY REASONABLE OUT-OF-POCKET EXPENSES (INCLUDING LEGAL FEES) INCURRED IN CONNECTION WITH ANY SUCH INVESTIGATION, LITIGATION OR OTHER PROCEEDING; AND EXPRESSLY INCLUDING ANY SUCH LOSSES, LIABILITIES, CLAIMS, DAMAGES, OR EXPENSES INCURRED BY REASON OF THE INDEMNIFIED PERSON'S OWN NEGLIGENCE, BUT EXCLUDING ANY SUCH LOSSES, LIABILITIES, CLAIMS, DAMAGES OR EXPENSES INCURRED BY REASON OF THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF THE PERSON TO BE INDEMNIFIED, OR IN THE CASE OF CLAUSE (iv) ABOVE, CAUSED BY THE AFFIRMATIVE ACT OF THE ADMINISTRATIVE AGENT, THE ISSUING BANKS, THE ARRANGER OR SUCH LENDER. TO THE EXTENT PERMITTED BY APPLICABLE LAW, NO BORROWER SHALL ASSERT, AND EACH BORROWER HEREBY WAIVES, ANY CLAIM AGAINST THE ADMINISTRATIVE AGENT, ANY ISSUING BANK, THE ARRANGER, ANY LENDER OR ANY AFFILIATE THEREOF OR THEIR RESPECTIVE DIRECTORS, OFFICERS, EMPLOYEES OR AGENTS, ON ANY THEORY OF LIABILITY, FOR SPECIAL, INDIRECT, CONSEQUENTIAL OR PUNITIVE DAMAGES (AS OPPOSED TO DIRECT OR ACTUAL DAMAGES) ARISING OUT OF, IN CONNECTION WITH, OR AS A RESULT OF, THIS AGREEMENT OR ANY AGREEMENT OR INSTRUMENT CONTEMPLATED HEREBY, ANY ADVANCE OR LETTER OF CREDIT OR THE USE OF THE PROCEEDS THEREOF.

Section 11.07 Execution in Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

Section 11.08 Survival of Representations, Etc. All representations and warranties contained in this Agreement or made in writing by or on behalf of a Borrower in connection herewith shall survive the execution and delivery of this Agreement and the Credit Documents, the making of the Advances and any investigation made by or on behalf of the Lenders, none of which investigations shall diminish any Lender's right to rely on such representations and warranties. All obligations of the Borrowers provided for in Sections 2.08, 2.09, 2.11(c), and 11.06 shall survive any termination of this Agreement and repayment in full of the Obligations.

Section 11.09 Severability. In case one or more provisions of this Agreement or the other Credit Documents shall be invalid, illegal or unenforceable in any respect under any applicable law, the validity, legality and enforceability of the remaining provisions contained herein or therein shall not be affected or impaired thereby.

Section 11.10 Usury Not Intended. It is the intent of the Borrowers and each Lender in the execution and performance of this Agreement and the other Credit Documents to contract in strict compliance with applicable usury laws, including conflicts of law concepts, governing the Advances of each Lender including such applicable laws of the State of New York and the United States of America from time to time in effect. In furtherance thereof, the Lenders and the Borrowers stipulate and agree that none of the terms and provisions contained in this Agreement or the other Credit Documents shall ever be construed to create a contract to pay, as consideration for the use, forbearance or detention of money, interest at a rate in excess of the Maximum Rate and that for purposes hereof "interest" shall include the aggregate of all charges which constitute interest under such laws that are contracted for, charged or received under this Agreement; and in the event that, notwithstanding the foregoing, under any circumstances the aggregate amounts taken, reserved, charged, received or paid on the Advances, include amounts which by applicable law are deemed interest which would exceed the Maximum Rate, then such excess shall be deemed to be a mistake and each Lender receiving same shall credit the same on the principal of its Notes (or if such Notes shall have been paid in full, refund said excess to the Borrower). In the event that the maturity of the Notes are accelerated by reason of any election of the holder thereof resulting from any Event of Default under this Agreement or otherwise, or in the event of any required or permitted prepayment, then such consideration that constitutes interest may never include more than the Maximum Rate and excess interest, if any, provided for in this Agreement or otherwise shall be canceled automatically as of the date of such acceleration or prepayment and, if theretofore paid, shall be credited on the applicable Notes (or, if the applicable Notes shall have been paid in full, refunded to the applicable Borrower of such interest). In determining whether or not the interest paid or payable under any specific contingencies exceeds the Maximum Rate, the Borrowers and the Lenders shall to the maximum extent permitted under applicable law amortize, prorate, allocate and spread in equal parts during the period of the full stated term of the Notes all amounts considered to be interest under applicable law at any time contracted for, charged, received or reserved in connection with the Obligations. The provisions of this Section shall control over all other provisions of this Agreement or the other Credit Documents which may be in apparent conflict herewith.

Section 11.11 Judgment Currency. If for the purposes of obtaining judgment in any court it is necessary to convert a sum due from a Borrower hereunder in the currency expressed to be payable herein (the "specified currency") into another currency, the parties hereto agree, to the fullest extent that they may effectively do so, that the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the specified currency with such other currency at the Administrative Agent's main New York office on the Business Day preceding that on which final, non appealable judgment is given. The obligations of a Borrower in respect of any sum due to any Lender or the Administrative Agent hereunder shall, notwithstanding any judgment in a currency other than the specified currency, be discharged only to the extent that on the Business Day following receipt by such Lender or the Administrative Agent (as the case may be) of any sum adjudged to be so due in such other currency such Lender or the Administrative Agent (as the case may be) may in accordance with normal, reasonable banking procedures purchase the specified currency with such other currency. If the amount of the specified currency so purchased is less than the sum originally due to such Lender or the Administrative Agent, as the case may be, in the specified currency, such Borrower agrees, to the fullest extent that it may effectively do so, as a separate obligation and notwithstanding any such judgment, to indemnify such Lender or the Administrative Agent, as the case may be, against such loss, and if the amount of the specified currency so purchased exceeds (a) the sum originally due to any

Lender or the Administrative Agent, as the case may be, in the specified currency and (b) any amounts shared with other Lenders as a result of allocations of such excess as a disproportionate payment to such Lender under Section 2.12, such Lender or the Administrative Agent, as the case may be, agrees to remit such excess to the Borrowers.

Section 11.12 Forbearance Agreements. The Administrative Agent and the Lenders acknowledge that it is customary practice in certain areas where the Parent and its Subsidiaries conduct business for customers of offshore construction companies such as the Parent and its Subsidiaries to require forbearance agreements from such contractor's secured creditors. The Lenders authorize and direct the Administrative Agent to execute and deliver such forbearance agreements in cases deemed appropriate by the Administrative Agent in its sole discretion containing such terms as are reasonably acceptable to the Administrative Agent.

Section 11.13 Governing Law. This Agreement and each of the other Credit Documents (except as otherwise expressly set forth therein) shall be governed by and interpreted in accordance with the law of the state of New York.

Section 11.14 Consent to Jurisdiction; Process Agent.

(a) EACH BORROWER HEREBY IRREVOCABLY SUBMITS TO THE NON-EXCLUSIVE JURISDICTION OF ANY UNITED STATES FEDERAL OR NEW YORK STATE COURT SITTING IN NEW YORK CITY IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO ANY CREDIT DOCUMENTS AND SUCH BORROWER HEREBY IRREVOCABLY AGREES THAT ALL CLAIMS IN RESPECT OF SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN ANY SUCH COURT AND IRREVOCABLY WAIVES ANY OBJECTION IT MAY NOW OR HEREAFTER HAVE AS TO THE VENUE OF ANY SUCH SUIT, ACTION OR PROCEEDING BROUGHT IN SUCH COURT OR THAT SUCH COURT IS AN INCONVENIENT FORUM. ANY JUDICIAL PROCEEDING BY A BORROWER AGAINST THE ADMINISTRATIVE AGENT, THE ISSUING BANKS OR ANY LENDER OR ANY AFFILIATE OF THE ADMINISTRATIVE AGENT, THE ISSUING BANKS OR ANY LENDER INVOLVING, DIRECTLY OR INDIRECTLY, ANY MATTER IN ANY WAY ARISING OUT OF, RELATED TO, OR CONNECTED WITH ANY CREDIT DOCUMENT SHALL BE BROUGHT ONLY IN A COURT IN NEW YORK.

(b) Each Foreign Borrower hereby irrevocably appoints CT Corporation System (the "Process Agent"), with an office on the date hereof at 1633 Broadway, New York, New York 10019, as its agent to receive on behalf of it and its Properties service of copies of the summons and complaint and any other process which may be served in any such action or proceeding. Such service may be made by mailing by certified mail a copy of such process to such Foreign Borrower in care of the Process Agent at the Process Agent's above address, with a copy to such Foreign Borrower at its address specified herein, and such Foreign Borrower hereby irrevocably authorizes and directs the Process Agent to accept such service on its behalf. As an alternative method of service, each Foreign Borrower also irrevocably consents to the service of any and all process in any such action or proceeding by the mailing by certified mail of copies of such process to it at its address specified herein. Each Foreign Borrower agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

Section 11.15 Waiver of Jury. The Borrowers, each Issuing Bank, the Lenders and the Administrative Agent hereby irrevocably waive any and all right to trial by jury in respect of any legal proceeding, directly or indirectly, (whether sounding in tort, contract or otherwise) arising out of or relating to this Agreement, any other Credit Document, any of the transactions contemplated hereby, or the relationship established hereunder.

Section 11.16 USA Patriot Act Notification. Each Lender hereby notifies the Borrowers that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law on October 26, 2001) (the "Act"), it is required to obtain, verify and record information that identifies each Borrower, which information includes the name and address of each Borrower and other information that will allow such Lender to identify each Borrower in accordance with the Act. Each of the Borrowers agrees to cooperate with each Lender and provide true, accurate and

complete information to such Lender in response to any such request.

FORM OF SECOND Amended and Restated [US] [FOREIGN] GUARANTY

This Second Amended and Restated [US] [Foreign] Guaranty dated as of June 30, 2006 ("Guaranty") is by each of the entities named on the signature pages hereto (each a "Guarantor" and collectively, the "Guarantors"), in favor of Calyon New York Branch, as administrative agent (in such capacity, the "Administrative Agent") for the Beneficiaries (as defined below).

INTRODUCTION

A. Global Industries, Ltd., a Louisiana corporation (the "Parent"), and Global Offshore Mexico, S. de R.L. de C.V., a Mexican sociedad de responsabilidad limitada de capital variable (the "Mexican Borrower"), Global Industries International, L.L.C., a Louisiana limited liability company, in its capacity as general partner of Global Industries International, L.P., a Cayman Islands exempted limited partnership (the "Cayman Borrower" and, together with the Parent and the Mexican Borrower, the "Borrowers"), have entered into the Third Amended and Restated Credit Agreement dated as of June 30, 2006 (as amended, modified, supplemented or restated from time to time, the "Credit Agreement," the defined terms of which are used in this Guaranty unless otherwise defined herein) with the Lenders and the Administrative Agent, providing for the making of Advances by the Lenders and the Swingline Bank, and the issuance of Letters of Credit by the Issuing Bank.

B. The Borrowers may from time to time enter into one or more Rate Hedging Agreements with a Lender or an affiliate of a Lender (any such Lender or affiliate party to a Rate Hedging Agreement being referred to herein as a "Swap Counterparty," and together with the Lenders, the Administrative Agent, the Issuing Bank, and the Swingline Bank, collectively referred to herein as the "Beneficiaries").

C. Each of the Guarantors will derive substantial direct or indirect benefit from the transactions contemplated by the Credit Agreement.

D. Certain of the Guarantors previously executed the Amended and Restated Guaranty dated as of August 6, 2004 (the "Existing Guaranty") in favor of the Administrative Agent for the ratable benefit of the Beneficiaries, and it is a condition to the making of the Advances and the issuance of the Letters of Credit that the Existing Guaranty be amended and restated in its entirety as set forth herein.

Therefore, in order to induce the Lenders and the Swingline Bank to make the Advances, the Issuing Bank to issue Letters of Credit, and the Swap Counterparties to enter into Rate Hedging Agreements, each of the Guarantors hereby agrees with Administrative Agent for its benefit and the ratable benefit of the other Beneficiaries as follows:

AGREEMENT

Section 1. Guaranty. Each of the Guarantors, jointly and severally, hereby unconditionally and irrevocably guarantees the punctual payment when due, whether at stated maturity, by acceleration or otherwise, of all [Foreign] Obligations of each [Foreign] Loan Party now or hereafter existing under the Credit Agreement, the Notes, and any other Credit Document, whether for principal, Reimbursement Obligations, Rate Hedging Obligations owing to any Swap Counterparty, interest, fees, expenses, indemnification or otherwise (all such obligations being the "Guaranteed Obligations"), and any and all expenses (including reasonable counsel fees and expenses) incurred by any Beneficiary in enforcing any rights under this Guaranty. Without limiting the generality of the foregoing, each Guarantor's liability shall extend to all amounts which constitute part of the Guaranteed Obligations even if such Guaranteed Obligations are declared unenforceable or not allowable in a bankruptcy, reorganization, or similar proceeding involving any [Foreign] Loan Party. This Guaranty is a guarantee of payment, not of collection, and the Guarantors are primarily liable for the payment of the Guaranteed Obligations.

Section 2. Limit of Liability. Each of the Guarantors (other than the Parent) shall be liable under this Guaranty only to the extent of the greater of (i) the "reasonably equivalent value" or "fair consideration" (or equivalent concept) received by each such Guarantor in exchange for the obligation incurred hereunder, within the meaning of any applicable state or federal fraudulent conveyance or transfer laws, (ii) the lesser of (A) the maximum amount that will not render such Guarantor insolvent and (B) the maximum amount that will not leave such Guarantor with an unreasonably small capital (with clauses (A) and (B) being determined pursuant to and as of the appropriate date mandated by such applicable state or federal fraudulent conveyance or transfer laws, and (iii) the largest amount that would not render such Guarantor's obligations hereunder subject to avoidance under Section 548 of the United States Bankruptcy Code or any comparable provisions of any state law.

Section 3. Guaranty Absolute. Each of the Guarantors guarantees that the Guaranteed Obligations will be paid strictly in accordance with the terms of the Credit Agreement and the other Credit Documents, regardless of any law, regulation, or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of any Beneficiary with respect thereto. The obligations of each Guarantor under this Guaranty are independent of the Guaranteed Obligations and are joint and several with any other guarantor of the Guaranteed Obligations in each and every particular, and a separate action or actions may be brought and prosecuted against any [Foreign] Borrower, any Guarantor, any other guarantor of the Guaranteed Obligations, or any other Person regardless of whether any other [Foreign] Borrower, any other Guarantor, any other guarantor of the Guaranteed Obligations, or any other Person is joined in any such action or actions. The liability of each Guarantor under this Guaranty shall be absolute and unconditional irrespective of:

(a) The unenforceability of the Guaranteed Obligations or any Credit Document (other than this Guaranty against such Guarantor) for any reason whatsoever, including that the act of creating the Guaranteed Obligations is ultra vires, that the officers or representatives executing the documents creating the Guaranteed Obligations exceeded their authority, that the Guaranteed Obligations violate usury or other laws, or that any [Foreign] Borrower has defenses to the payment of the Guaranteed Obligations, including breach of warranty, statute of frauds, bankruptcy, statute of limitations, lender liability, or accord and satisfaction;

(b) Any change in the time, manner, or place of payment of, or in any term of, any of the Guaranteed Obligations, any increase, reduction, extension, or rearrangement of the Guaranteed Obligations, any amendment, supplement, or other modification of the Credit Documents, or any waiver or consent granted under the Credit Documents, including waivers of the payment and performance of the Guaranteed Obligations;

(c) Any release, exchange, subordination, waste, or other impairment (including negligent, willful, unreasonable, or unjustifiable impairment) of any collateral securing payment of the Guaranteed Obligations; the failure of any Beneficiary or any other person to exercise diligence or reasonable care in the preservation, protection, enforcement, sale, or other handling of such collateral; the fact that any security interest, lien, or assignment related to any collateral for the Guaranteed Obligations shall not be properly perfected, or shall prove to be unenforceable or subordinate to any other security interest, lien, or assignment;

(d) Any full or partial release of any [Foreign] Borrower, any Guarantor, or any other person liable for the payment of the Guaranteed Obligations (other than the full or partial release of such Guarantor);

(e) The failure to apply or the manner of applying payments of the proceeds of collateral against the Guaranteed Obligations;

(f) Any change in the organization or structure of any [Foreign] Borrower, any Guarantor, or any other person liable for the payment of the Guaranteed Obligations; any change in the shareholders, directors, or officers of any [Foreign] Borrower or any other person liable for the payment of the Guaranteed Obligations; or the insolvency, bankruptcy, liquidation, or dissolution of any [Foreign] Borrower or any other person liable for the payment of the Guaranteed Obligations;

(g) The failure to give notice of any extension of credit made by any Beneficiary to any [Foreign] Borrower, notice of acceptance of this Guaranty, notice of any amendment, supplement, or other modification of any Credit Document, notice of the execution of any document or agreement creating new Guaranteed Obligations, notice of any default or event of default, however denominated, under the Credit Documents, notice of intent to demand, notice of demand, notice of presentment for payment, notice of nonpayment, notice of intent to protest, notice of protest, notice of grace, notice of dishonor, notice of intent to accelerate, notice of acceleration, notice of bringing of suit, notice of any Beneficiary's transfer of the Guaranteed Obligations, notice of the financial condition of or other circumstances regarding any [Foreign] Borrower or any other [Foreign] Loan Party, or any other notice of any kind relating to the Guaranteed Obligations;

(h) Any payment or grant of collateral by any [Foreign] Loan Party to any Beneficiary being held to constitute a preference under bankruptcy laws, or for any reason any Beneficiary is required to refund such payment or release such collateral;

(i) Any other action taken or omitted which affects the Guaranteed Obligations, whether or not such action or omission prejudices any Guarantor or increases the likelihood that any Guarantor will be required to pay the Guaranteed Obligations pursuant to the terms hereof;

(j) The fact that all or any of the Guaranteed Obligations cease to exist by operation of law, including, without limitation, by way of discharge, limitation or tolling thereof under applicable bankruptcy laws; and

(k) Any other circumstances which might otherwise constitute a defense available to, or a discharge of any [Foreign] Borrower or any Guarantor (other than the discharge of such Guarantor).

Section 4. Certain Waivers.

4.01 Notice and Other Remedies. Each of the Guarantors hereby waives promptness, diligence, notice of acceptance, notice of acceleration, notice of intent to accelerate, and any other notice with respect to any of the Guaranteed Obligations and this Guaranty and any requirement that any Beneficiary protect, secure, perfect or insure any security interest or other Lien or any Property subject thereto or exhaust any right to take any action against any [Foreign] Borrower or any other Person or any collateral.

4.02 Waiver of Subrogation and Contribution.

(a) Until such time as the Guaranteed Obligations are irrevocably paid in full, each of the Guarantors hereby irrevocably waives any claim or other rights which it may acquire against any [Foreign] Borrower or any other guarantor of the Guaranteed Obligations that arise from such Guarantor's Guaranteed Obligations under this Guaranty or any other Credit Document, including, without limitation, any right of subrogation (including, without limitation, any statutory rights of subrogation under Section 509 of the Bankruptcy Code, 11 U.S.C. § 509), reimbursement,

exoneration, contribution, indemnification, or any right to participate in any claim or remedy of any Beneficiary against any [Foreign] Borrower or any collateral which any Beneficiary now has or acquires. If any amount shall be paid to any Guarantor in violation of the preceding sentence and the Guaranteed Obligations shall not have been paid in full, such amount shall be held in trust for the benefit of the Beneficiaries, and shall promptly be paid to the Administrative Agent for the benefit of the Beneficiaries to be applied to the Guaranteed Obligations, whether matured or unmatured, as the Administrative Agent may elect. Each of the Guarantors acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by the Credit Agreement and that the waiver set forth in this Section 4.02(a) is knowingly made in contemplation of such benefits.

(b) Each of the Guarantors agrees that, to the extent that any [Foreign] Borrower makes payments to any Beneficiary, or any Beneficiary receives any proceeds of collateral, and such payments or proceeds or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside, or otherwise required to be repaid, then to the extent of such repayment the Guaranteed Obligations shall be reinstated and continued in full force and effect as of the date such initial payment or collection of proceeds occurred. EACH OF THE GUARANTORS SHALL INDEMNIFY EACH BENEFICIARY AND EACH AFFILIATE THEREOF AND THEIR RESPECTIVE DIRECTORS, OFFICERS, EMPLOYEES AND AGENTS FROM, AND DISCHARGE, RELEASE, AND HOLD EACH OF THEM HARMLESS AGAINST, ANY AND ALL LOSSES, LIABILITIES, GUARANTEED OBLIGATIONS, PENALTIES, ACTIONS, JUDGMENTS, SUITS, COSTS, DISBURSEMENTS, CLAIMS OR DAMAGES TO WHICH ANY OF THEM MAY BECOME SUBJECT, INSOFAR AS SUCH LOSSES, LIABILITIES, GUARANTEED OBLIGATIONS, PENALTIES, ACTIONS, JUDGMENTS, SUITS, COSTS, DISBURSEMENTS, CLAIMS OR DAMAGES ARISE OUT OF OR RESULT FROM (I) ANY ACTUAL OR PROPOSED USE BY ANY [FOREIGN] BORROWER OR ANY AFFILIATE OF ANY [FOREIGN] BORROWER OF THE PROCEEDS OF ANY ADVANCE, (II) ANY BREACH BY ANY GUARANTOR OF ANY PROVISION OF THIS GUARANTY OR ANY OTHER CREDIT DOCUMENT, (III) ANY INVESTIGATION, LITIGATION OR OTHER PROCEEDING (INCLUDING ANY THREATENED INVESTIGATION OR PROCEEDING) RELATING TO THE FOREGOING, OR (IV) ANY ENVIRONMENTAL CLAIM OR REQUIREMENT OF ENVIRONMENTAL LAWS CONCERNING OR RELATING TO THE PRESENT OR PREVIOUSLY OWNED OR OPERATED PROPERTIES, OR THE OPERATIONS OR BUSINESS, OF ANY GUARANTOR OR ANY [FOREIGN] LOAN PARTY, AND EACH OF THE GUARANTORS SHALL REIMBURSE EACH BENEFICIARY, AND EACH AFFILIATE THEREOF AND THEIR RESPECTIVE DIRECTORS, OFFICERS, EMPLOYEES AND AGENTS, UPON DEMAND FOR ANY REASONABLE OUT-OF-POCKET EXPENSES (INCLUDING LEGAL FEES) INCURRED IN CONNECTION WITH ANY SUCH INVESTIGATION, LITIGATION OR OTHER PROCEEDING; AND EXPRESSLY INCLUDING ANY SUCH LOSSES, LIABILITIES, GUARANTEED OBLIGATIONS, PENALTIES, ACTIONS, JUDGMENTS, SUITS, COSTS, DISBURSEMENTS, CLAIMS, DAMAGES, OR EXPENSE INCURRED BY REASON OF THE PERSON BEING INDEMNIFIED'S OWN NEGLIGENCE, BUT EXCLUDING ANY SUCH LOSSES, LIABILITIES, GUARANTEED OBLIGATIONS, PENALTIES, ACTIONS, JUDGMENTS, SUITS, COSTS, DISBURSEMENTS, CLAIMS, DAMAGES OR EXPENSES INCURRED BY REASON OF THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF THE PERSON TO BE INDEMNIFIED.

4.03 [Intentionally Omitted] [Special Mexican Law Provisions]. Each of the Guarantors irrevocably waives the rights granted by Articles 2848 and 2849 of the Civil Code for the Federal District of the United Mexican States, and its correlatives articles of the Federal Civil Code and Civil Codes for the rest of the States of the United Mexican States. Each Guarantor hereby irrevocably and unconditionally waives the benefits of *orden*, *excusión*, *división*, *quita*, *prórroga* and *espera* contained in Articles 2814, 2815, 2817, 2818, 2819, 2820, 2821, 2822, 2823, 2827, 2837, 2838, 2839, 2840, 2841 of the Civil Code for the Federal District, and its correlatives articles of the Federal Civil Code and the Civil Codes for the rest of the States of the United Mexican States. Each Guarantor also hereby irrevocably and unconditionally waives the provisions of Articles 2830, 2836, 2842, 2844, 2845, 2846 and 2847 of the Civil Code for the Federal District, and its correlatives articles of the Federal Civil Code and the Civil Codes for the rest of the States of the United Mexican States. Each Guarantor further agrees that its obligations and liabilities for the prompt and punctual payment, performance and satisfaction of the Foreign Obligations are independent of any agreement or

transaction with any third parties and shall be on a "joint and several" and "solidary" basis along with the Foreign Borrowers to the same degree and extent as if the Guarantors had been and/or will be a co-principal obligors and/or co-maker of the Foreign Obligations. Each of the Guarantors obligations and liabilities under the Agreement shall be on a "joint and several" and "solidary" basis along with such other Guarantors.]

Section 5. Representations and Warranties. Each of the Guarantors hereby represents and warrants as follows:

(a) Business Existence. Each of the Guarantors is duly organized, validly existing, and in good standing under the laws of the jurisdiction of its organization and in good standing and qualified to do business in each jurisdiction where its ownership or lease of Property or conduct of its business requires such qualification and where a failure to be qualified could reasonably be expected to cause a Material Adverse Change.

(b) Corporate Power. The execution, delivery, and performance by each of the Guarantors of this Guaranty and the other Credit Documents to which it is a party and the consummation of the transactions contemplated hereby and thereby (a) are within such Guarantor's powers and its By-laws includes the authority to guarantee third party obligations, (b) have been duly authorized by all necessary action, (c) do not contravene (i) such Guarantor's organizational and constitutional documents or (ii) any law or any contractual restriction binding on or affecting such Guarantor or its Property, and (d) will not result in or require the creation or imposition of any Lien prohibited by the Credit Agreement.

(c) Authorization and Approvals. No authorization or approval or other action by, and no notice to or filing with, any Governmental Authority is required for the due execution, delivery and performance by the Guarantors of this Guaranty or the other Credit Documents to which any Guarantor is a party or the consummation of the transactions contemplated thereby.

(d) Enforceable Obligations. This Guaranty and the other Credit Documents to which any Guarantor is a party have been duly executed and delivered by such Guarantor. Each Credit Document to which any Guarantor is a party is the legal, valid, and binding obligation of such Guarantor and is enforceable against such Guarantor in accordance with its terms, except as such enforceability may be limited by any applicable bankruptcy, insolvency, reorganization, moratorium, or similar law affecting creditors' rights generally.

Section 6. Covenants.

(a) Each of the Guarantors will comply with all provisions of Articles V and VI of the Credit Agreement to the extent such Sections are applicable to such Guarantor.

(b) In the event that the Administrative Agent wishes to enforce the guarantee contained in Section 1 hereof against a Guarantor, it shall make written demand for payment from such Guarantor, without any judicial declaration to such effect, provided that no such demand shall be required if such Guarantor is in bankruptcy, liquidation, or other insolvency proceedings, and provided that failure by the Administrative Agent to make such demand shall not affect any Guarantor's obligations under this Guaranty.

(c) All indebtedness of any Guarantor (hereinafter in this section, "such Guarantor") to another Guarantor or the Parent or any of its Subsidiaries shall be subordinated to all indebtedness of such Guarantor to the Beneficiaries under the Credit Agreement (the "Senior Indebtedness"), as follows:

(i) In the event of any insolvency, *concurso* or bankruptcy proceedings, or any receivership liquidation, reorganization, or other similar proceedings in connection therewith, relative to such Guarantor, or to its property, or in the event of any proceedings for voluntary liquidation, dissolution, or other winding up of such Guarantor, whether or not involving insolvency, *concurso* or bankruptcy, then the holders of the Senior Indebtedness shall be entitled to receive payment in full of all Senior Indebtedness before any other Guarantor or the Parent or any

of its Subsidiaries shall receive any payment on account of principal or interest due such Person from such Guarantor;

(ii) After the occurrence and during the continuance of an Event of Default, such Guarantor shall not exercise or attempt to exercise any right of offset or counterclaim in respect of any of its obligations to any other Guarantor or the Parent or any of its Subsidiaries if the effect thereof shall be to reduce the amount of any payment to which the holders of Senior Indebtedness would be entitled in the absence of such offset or counterclaim; and if and to the extent that, notwithstanding the foregoing, such Guarantor is required by any mandatory provisions of law to exercise any such right of offset or counterclaim, each reduction of the amount owing on the account of the principal of or premium (if any) or interest owed to any other Guarantor or the Parent or any of its Subsidiaries by reason of such offset or counterclaim shall be deemed to be a payment by such Guarantor in a like amount in respect of such amounts which clause (iv) below shall apply;

(iii) After the occurrence and during the continuance of any Event of Default, (A) payment of the principal or interest upon any indebtedness owed to any other Guarantor or the Parent or any of its Subsidiaries shall not be made thereunder until payment in full of all Senior Indebtedness has been made and (B) the holders of the Senior Indebtedness shall be entitled to receive payment in full of all Senior Indebtedness prior to the entitlement of any other Guarantor or the Parent or any of its Subsidiaries to receive any payment of the principal or interest (except for payments which have been made prior to the occurrence of such Event of Default);

(iv) If, notwithstanding the provisions of the foregoing subparagraphs (i) through (iii), any payment or distribution on any indebtedness shall be received by any other Guarantor or the Parent or any of its Subsidiaries while an Event of Default exists and before the holders of the Senior Indebtedness shall have received payment in full on all Senior Indebtedness, such payment or distribution shall be (and shall be deemed to be) held in trust for the benefit of, and shall be paid over or delivered or transferred to, the holders of the Senior Indebtedness for application to the payment of all Senior Indebtedness held by such holder to the extent necessary to satisfy such Senior Indebtedness; and

(v) No present or future holder of Senior Indebtedness shall be prejudiced in its right to enforce subordination of any other Guarantor or the Parent or any of its Subsidiaries by any act or failure to act on the part of such Guarantor whether or not such act or failure shall give rise to any right of rescission or other claim or cause of action on the part of any other Guarantor or the Parent or any of its Subsidiaries. The provisions of the foregoing paragraphs with respect to subordination are solely for the purpose of defining the relative rights of the holders of Senior Indebtedness on the one hand, and any other Guarantor or the Parent or any of its Subsidiaries on the other hand, and none of such provisions shall impair, as between such Guarantor and any other Guarantor or the Parent or any of its Subsidiaries, the obligation of such Guarantor, which is unconditional and absolute, to pay to any other Guarantor or the Parent or any of its Subsidiaries the principal and interest of any indebtedness in accordance with its terms, nor shall anything in such provisions prevent any other Guarantor or the Parent or any of its Subsidiaries from exercising all remedies otherwise permitted by applicable law or hereunder upon default hereunder, subject to the rights of holders of Senior Indebtedness under such provisions.

Section 7. Miscellaneous.

7.01 Amendments, Etc. No amendment or waiver of any provision of this Guaranty nor consent to any departure by the Guarantors therefrom shall be effective unless the same shall be in writing and signed by the Administrative Agent and each affected Guarantor. In addition, no such amendment, waiver or consent shall be effective unless given or entered into with the necessary approvals of either the Majority Lenders or all Lenders as required under the terms of the Credit Agreement. Any such amendment, waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

7.02 Addresses for Notices. All notices and other communications to any Person provided for hereunder shall be delivered to the address of such Person set forth next to the signatures below, or to such other address as shall

be designated by the Guarantors or the Administrative Agent in written notice to the other party. All such notices or communications shall be effective as set forth in the Credit Agreement.

7.03 No Waiver; Remedies. No failure on the part of any Beneficiary to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

7.04 Right of Set Off. Upon (a) the occurrence and during the continuance of any Default and (b) the making of the request or the granting of the consent, if any, specified by Section 7.02 of the Credit Agreement to authorize the Administrative Agent to declare the Notes and any other amounts payable under the Credit Agreement due and payable pursuant to the provisions of such Section 7.02 or the automatic acceleration of the Notes and all amounts payable under the Credit Agreement pursuant to Section 7.03 thereunder, each Beneficiary is hereby authorized at any time, to the fullest extent permitted by law, to set off and apply any deposits (general or special, time or demand, provisional or final) and other indebtedness owing by such Beneficiary to the accounts of the Guarantors against any and all of the obligations of the Guarantors under this Guaranty, irrespective of whether or not such Beneficiary shall have made any demand under this Guaranty and although such obligations may be contingent and unmatured. Each Beneficiary agrees promptly to notify the Guarantors after any such set off and application made by such Beneficiary provided that the failure to give such notice shall not affect the validity of such set off and application. The rights of the Beneficiaries under this Section 7.04 are in addition to other rights and remedies (including, without limitation, other rights of set off) which the Beneficiaries may have.

7.05 Continuing Guaranty; Assignments under Credit Agreement. This Guaranty is a continuing guaranty and shall (a) remain in full force and effect until the indefeasible payment in full of the Guaranteed Obligations and all other amounts payable under this Guaranty and the termination of all Commitments, (b) be binding upon the Guarantors and their respective successors and assigns, (c) inure to the benefit of, and be enforceable by each of the Beneficiaries and their respective successors, transferees and assigns, and (d) not be terminated by any Guarantor or any other Person. Without limiting the generality of the foregoing clause (c), any Beneficiary may assign or otherwise transfer all or any portion of its rights and Guaranteed Obligations under the Credit Documents in accordance with the Credit Agreement and the assignee shall thereupon become vested with all the benefits in respect thereof granted to such Beneficiary herein or otherwise. Upon the indefeasible payment in full and termination of the Guaranteed Obligations and the termination of all Commitments, the guaranty granted hereby shall terminate and all rights hereunder shall revert to the Guarantor to the extent such rights have not been applied pursuant to the terms hereof. Upon any such termination, the Administrative Agent will, at each Guarantor's expense, execute and deliver to such Guarantor such documents as such Guarantor shall reasonably request and take any other actions reasonably requested to evidence or effect such termination. This Guaranty is not assignable by any Guarantor without the written consent of all of the Beneficiaries.

7.06 Judgment Currency. If for the purposes of obtaining judgment in any court it is necessary to convert a sum due from a Guarantor hereunder in the currency expressed to be payable herein (the "specified currency") into another currency, the parties hereto agree, to the fullest extent that they may effectively do so, that the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the specified currency with such other currency at the Administrative Agent's main New York office on the Business Day preceding the day on which final, non appealable judgment is given. The obligations of a Guarantor in respect of any sum due to the Administrative Agent hereunder shall, notwithstanding any judgment in a currency other than the specified currency, be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in such other currency the Administrative Agent may in accordance with normal, reasonable banking procedures purchase the specified currency with such other currency. If the amount of the specified currency so purchased is less than the sum originally due to the Administrative Agent in the specified currency, such Guarantor agrees, to the fullest extent that it may effectively do so, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent against such loss, and if the amount of the

specified currency so purchased exceeds (a) the sum originally due to the Administrative Agent in the specified currency and (b) any amounts shared with other Lenders as a result of allocations of such excess as a disproportionate payment to such Lender under Section 2.12 of the Credit Agreement, the Administrative Agent agrees to remit such excess to such Guarantor.

7.07 Governing Law; Submission to Jurisdiction.

(a) This Guaranty shall be governed by, and construed and enforced in accordance with, the laws of the State of New York, except to the extent provided in Section 7.07(b) hereof and to the extent that the federal laws of the United States of America may otherwise apply.

(b) Notwithstanding anything in Section 7.07(a) hereof to the contrary, nothing in this Guaranty shall be deemed to constitute a waiver of any rights which any of the Beneficiaries may have under the National Bank Act or other federal law, including without limitation the right to charge interest at the rate permitted by the laws of the state where any applicable Beneficiary is located.

(c) EACH OF THE GUARANTORS HEREBY IRREVOCABLY SUBMITS TO THE NON-EXCLUSIVE JURISDICTION OF ANY UNITED STATES FEDERAL OR NEW YORK STATE COURT SITTING IN NEW YORK, NEW YORK, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO ANY CREDIT DOCUMENTS AND EACH OF THE GUARANTORS HEREBY IRREVOCABLY AGREES THAT ALL CLAIMS IN RESPECT OF SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN ANY SUCH COURT AND IRREVOCABLY WAIVES ANY OBJECTION IT MAY NOW OR HEREAFTER HAVE AS TO THE VENUE OF ANY SUCH SUIT, ACTION OR PROCEEDING BROUGHT IN SUCH COURT OR THAT SUCH COURT IS AN INCONVENIENT FORUM. FORM OF [Amended and restated US] [FOREIGN] PLEDGE AGREEMENT

This [Amended and Restated US] [Foreign] Pledge Agreement dated as of June 30, 2006 (this "Pledge Agreement") is between [Global Industries, Ltd., a Louisiana corporation (the "Parent"),] each of the subsidiaries of [the Parent] [Global Industries, Ltd., a Louisiana corporation (the "Parent")] named on the signature pages hereto ([together with the Parent,] each a "Pledgor" and collectively, the "Pledgors"), and Calyon New York Branch, as administrative agent (in such capacity, the "Administrative Agent") for the Secured Parties (as defined below).

INTRODUCTION

A. The Parent, Global Offshore Mexico, S. de R.L. de C.V., a Mexican sociedad de responsabilidad limitada de capital variable (the "Mexican Borrower") and Global Industries International, L.L.C., a Louisiana limited liability company, in its capacity as general partner of Global Industries International, L.P., a Cayman Islands exempted limited partnership (the "Cayman Borrower" and, together with the Parent and the Mexican Borrower, the "Borrowers"), have entered into the Third Amended and Restated Credit Agreement dated as of June 30, 2006 (as amended, modified, supplemented or restated from time to time, the "Credit Agreement," the defined terms of which are used in this Pledge Agreement unless otherwise defined herein) with the Lenders and the Administrative Agent, providing for the making of Advances by the Lenders and the Swingline Bank, and the issuance of Letters of Credit by the Issuing Bank.

B. The Borrowers may from time to time enter into one or more Rate Hedging Agreements with a Lender or an affiliate of a Lender (any such Lender or affiliate party to a Rate Hedging Agreement being referred to herein as a "Swap Counterparty," and together with the Lenders, the Administrative Agent, the Issuing Bank, and the Swingline Bank, collectively referred to herein as the "Secured Parties").

C. Each Pledgor has guaranteed the [Foreign] Obligations of the [Foreign] Loan Parties owing to the Secured Parties under the Credit Documents pursuant to the Second Amended and Restated [US] [Foreign] Guaranty dated as of June 30, 2006 (as amended, modified, supplemented, or restated from time to time, the "Guaranty").

D. [Certain of the Pledgors previously executed the Pledge Agreements dated August 6, 2004 (the "Existing Pledge Agreements") in favor of the Administrative Agent for the ratable benefit of the Secured Parties, and it is a condition to the making of the Advances and the issuance of the Letters of Credit that the Existing Pledge Agreements be amended and restated in their entirety as set forth herein.] [Under the Credit Agreement, it is a condition to the making of the Advances and the issuance of the Letters of Credit that each Pledgor shall secure its obligations under the Credit Documents by entering into this Pledge Agreement.]

Therefore, each Pledgor hereby agrees with the Administrative Agent for its benefit and the benefit of the other Secured Parties as follows:

Section 1. Definitions. Any terms used in this Pledge Agreement that are defined in the Uniform Commercial Code as in effect in the State of New York ("UCC") shall have the meaning assigned to those terms by the UCC, unless otherwise defined in this Pledge Agreement.

Section 2. Pledge.

2.01 Grant of Pledge. Each Pledgor hereby pledges to the Administrative Agent for its benefit and the ratable benefit of the other Secured Parties the Pledged Collateral, as defined in Section 2.02 below. The pledge made herein shall secure all of (a) the [Foreign] Obligations of the [Foreign] Loan Parties now and hereafter existing under the Credit Agreement, the Notes, the Guaranty, and any other Credit Documents, whether for principal, Reimbursement Obligations, Rate Hedging Obligations owing to any Swap Counterparty, interest, fees, expenses, indemnification or otherwise, and (b) all obligations of each Pledgor now or hereafter existing under this Agreement and each other Credit Document (all such obligations set forth in clauses (a) and (b) above, being the "Secured Obligations").

2.02 Pledged Collateral. "Pledged Collateral" shall mean all of each Pledgor's right, title, and interest in the following, whether now owned or hereafter acquired:

(a) the shares or shares of stock listed on the attached Schedule 2.02(a) (the "Initial Pledged Shares"), the certificates representing the Initial Pledged Shares, and all dividends, cash, instruments, and other property from time to time received, receivable or otherwise distributed in respect of or in exchange for any of the Initial Pledged Shares;

- (b) all additional shares or shares of stock and other securities of any issuer of the Initial Pledged Shares from time to time acquired by such Pledgor in any manner (together with the "Initial Pledged Shares", the "Pledged Shares"), and the certificates representing such additional shares or such securities, and all dividends, cash, instruments and other property from time to time received, receivable, or otherwise distributed in respect of or in exchange for any or all of such shares or such securities;
- (c) the indebtedness and the instruments evidencing indebtedness (the "Pledged Debt"), and all interest, cash, instruments and other property from time to time received, receivable or otherwise distributed in respect of or in exchange for any or all of the Pledged Debt;
- (d) all additional indebtedness from time to time owed to such Pledgor by the obligor on the Pledged Debt for monies advanced by such Pledgor to such obligor and the instruments evidencing such indebtedness, and all interest, cash, instruments and other property from time to time received, receivable, or otherwise distributed in respect of or in exchange for any or all of such indebtedness;
- (e) all of the general and limited partnership and membership interests listed in the attached Schedule 2.02(e), the documents and certificates, if any, representing such partnership or membership interests, all rights, privileges, authority and powers of such Pledgor as owner or holder of such partnership or membership interests in such partnerships or limited liability companies, as applicable, including, but not limited to, all rights, privileges, authority and powers relating to the economic interests of such Pledgor as owner or holder of such partnership or membership interests in such partnerships or limited liability companies, as applicable, including, without limitation, all contract rights relating thereto, all options and warrants of such Pledgor for the purchase of any partnership or membership interest in such partnerships or limited liability companies, as applicable, all of such Pledgor's interest in and to the profits and losses of such partnerships or limited liability companies and such Pledgor's right as a partner or member of such partnerships or such limited liability companies, as applicable, to receive distributions of such partnerships' or such limited liability companies' assets, upon complete or partial liquidation or otherwise, all distributions, cash, instruments, and other property from time to time received, receivable or otherwise distributed in respect of or in exchange for such Pledgor's partnership or membership interest in such partnerships or limited liability companies, and any other right, title, interest, privilege, authority and power of such Pledgor in or relating to such partnerships or limited liability companies (all of the foregoing being referred to collectively as the "Initial Pledged Partnership/Membership Interests");
- (f) all additional partnership or membership interests of any issuer of the Initial Pledged Partnership/Membership Interests from time to time acquired by such Pledgor in any manner, all options, warrants, distributions, investment property, cash instruments, and other rights and options from time to time received, receivable or otherwise distributed in respect of or in exchange for any or all of such interests (together with the "Initial Pledged Partnership/Membership Interests", the "Pledged Partnership/Membership Interests");
- (g) all proceeds from the Pledged Collateral described in paragraphs (a) through (f) of this Section 2.02; and
- (h) all accounting records, computer files and programs, files, records, and documents relating to the foregoing Pledged Collateral (the "Records").

2.03 Delivery of Pledged Collateral. All certificates or instruments representing the Pledged Collateral shall be delivered to the Administrative Agent and shall be in suitable form for transfer by delivery, or shall be accompanied by duly executed instruments of transfer or assignment in blank, all in form and substance reasonably satisfactory to the Administrative Agent. The Administrative Agent shall have the right, at any time in its discretion and without notice to any Pledgor, to transfer to or to register in the name of the Administrative Agent or any of its nominees any of the Pledged Collateral, subject to the rights specified in Section 2.04. In addition, the Administrative Agent shall have the right at any time to exchange the certificates or instruments representing the Pledged Collateral for certificates or instruments of smaller or larger denominations.

2.04 Rights Retained by Pledgors. Notwithstanding the pledge in Section 2.01, so long as no Event of Default shall have occurred and be continuing:

(a) and, if an Event of Default shall have occurred and be continuing, until such time thereafter as such voting and other consensual rights have been terminated pursuant to Section 5 hereof, each Pledgor shall be entitled to exercise any voting and other consensual rights pertaining to the Pledged Shares for any purpose not inconsistent with the terms of this Pledge Agreement or the Credit Agreement; provided, however, that no Pledgor shall exercise or shall refrain from exercising any such right if such action would or could reasonably be expected to have a materially adverse effect on the value of the Pledged Collateral or any part thereof;

(b) except as may otherwise be provided in the Credit Agreement, each Pledgor shall be entitled to receive and retain any and all dividends paid in respect of the Pledged Shares; provided, however, that any and all (i) dividends paid or payable other than in cash in respect of, and instruments and other property received, receivable or otherwise distributed in respect of, or in exchange for, any Pledged Shares, and (ii) dividends and other distributions paid or payable in cash in respect of any Pledged Shares in connection with a partial or total liquidation or dissolution or in connection with a reduction of capital, capital surplus or paid-in surplus, shall be, and shall be delivered to the Administrative Agent to hold as Pledged Collateral and shall, if received by any Pledgor, be received in trust for the benefit of the Administrative Agent and the other Secured Parties, be segregated from the other property or funds of such Pledgor, and be delivered to the Administrative Agent as Pledged Collateral in the same form as so received (with any necessary endorsement or assignment);

(c) each Pledgor shall be entitled to receive and retain any and all principal and interest paid in respect of the Pledged Debt; provided, however, that any and all principal or interest paid or payable other than in cash in respect of, and instruments and other property received, receivable, or otherwise distributed in respect of, or in exchange for, any Pledged Debt shall be delivered to the Administrative Agent to hold as Pledged Collateral and shall, if received by any Pledgor, be received in trust for the benefit of the Administrative Agent and the Secured Parties, be segregated from the other property or funds of such Pledgor, and be delivered to the Administrative Agent as Pledged Collateral in the same form as so received (with any necessary indorsement or assignment); and

(d) at and after such time as voting and other consensual rights have been terminated pursuant to Section 5 hereof, each Pledgor shall execute and deliver (or cause to be executed and delivered) to the Administrative Agent all proxies and other instruments as the Administrative Agent may reasonably request to (i) enable the Administrative Agent to exercise the voting and other rights which such Pledgor is entitled to exercise pursuant to paragraph (a) of this Section 2.04, and (ii) to receive the dividends or other distributions and proceeds of sale of the Pledged Shares and payments of principal and interest which such Pledgor is authorized to receive and retain pursuant to paragraph (b) and (c) of this Section 2.04.

Section 3. Pledgors' Representations and Warranties. Each Pledgor, jointly and severally, represents and warrants to the Administrative Agent and the other Secured Parties as follows:

(a) The Pledged Shares and the Pledged Partnership/Membership Interests have been duly authorized and validly issued and are fully paid and nonassessable.

(b) The Pledged Debt has been duly authorized, issued, and delivered, and is the legal, valid, binding, and enforceable obligation of the obligor thereon and is not in default.

(c) There are no restrictions upon the voting rights associated with, or upon the transfer of, any of the Pledged Collateral.

(d) Such Pledgor has the right to vote, pledge, and grant a security interest in or otherwise transfer the Pledged Collateral to which it has any right, title, and interest free of any Liens other than Liens permitted by the

Credit Agreement.

(e) Such Pledgor is the legal and beneficial owner of the Pledged Collateral applicable to such Pledgor free and clear of any Lien or option, except for (i) the security interest created by this Pledge Agreement and (ii) Liens permitted by the Credit Agreement, and such Pledgor has not sold, granted any option with respect to, assigned, transferred, or otherwise disposed of any interest in or to the Pledged Collateral.

(f) The pledge of the Pledged Collateral does not violate (i) the articles, bylaws, operating agreements, or partnership agreement, as applicable, of the issuers of the Pledged Collateral, or any indenture, mortgage, bank loan, or credit agreement to which such Pledgor is a party or by which any of its respective properties or assets may be bound, or (ii) any restriction on such transfer or encumbrance of such Pledged Collateral.

(g) No consent of any other Person and no authorization, approval, or other action by, and no notice to or filing with, any Governmental Authority or regulatory body, that has not occurred, is required either (i) for the pledge by such Pledgor of the Pledged Collateral pursuant to this Pledge Agreement or for the execution, delivery, or performance of this Pledge Agreement by such Pledgor (except to the extent that financing statements may be required under the UCC to be filed in order to maintain a perfected security interest in the Pledged Collateral) or (ii) for the exercise by the Administrative Agent of the voting or other rights provided for in this Pledge Agreement or the remedies in respect of the Pledged Collateral pursuant to this Pledge Agreement (except as may be required in connection with such disposition by laws affecting the offering and sale of securities generally).

(h) The Pledged Shares constitute the percentage of the issued and outstanding shares of capital stock of the respective issuers thereof indicated on the attached Schedule 2.02(a).

(i) The Pledged Debt is not directly or indirectly secured by any Lien, does not evidence any lease, is not chattel paper, consists solely of advances of money made by a Pledgor to the obligor thereon and proceeds of Pledged Debt and is not evidenced by any instrument unless such instrument has been delivered to the Administrative Agent.

(j) Upon delivery of each of the certificates or instruments, if any, representing the Pledged Collateral, the pledge of the Pledged Collateral pursuant to this Pledge Agreement will create a valid and perfected first priority security interest in the Pledged Collateral securing the payment and performance of the Secured Obligations.

(k) Upon the filing of financing statements in each of the jurisdictions set forth on the attached Schedule 3(k), the security interests granted to the Administrative Agent for the benefit of the Secured Parties hereunder will constitute valid first-priority perfected security interests in all Pledged Collateral applicable to such Pledgor with respect to which a security interest can be perfected by the filing of a financing statement, subject only to Liens permitted by the Credit Agreement.

(l) The chief place of business and chief executive office of such Pledgor and the registered office or other office where such Pledgor keeps the Records are located at the address set forth opposite such Pledgor's name on the signature pages hereof.

Section 4. Pledgors' Covenants.

4.01 Further Assurances. Each Pledgor agrees that at any time and from time to time, at the expense of the Pledgors, such Pledgor will promptly execute and deliver all further instruments and documents, and take all further action, that may be necessary and that the Administrative Agent may reasonably request in writing, in order to perfect and protect any security interest granted or purported to be granted hereby or to enable the Administrative Agent to exercise and enforce its rights and remedies hereunder with respect to any Pledged Collateral.

4.02 Pledged Collateral Adjustments. Each Pledgor agrees that if, during the term of this Pledge Agreement, (a) any dividend, stock dividend, reclassification, readjustment, or other change is declared or made in the capital structure of any of the issuers of the Pledged Shares or the Pledged Partnership/Membership Interests, or any option included with the Pledged Collateral is exercised, or both, or (b) any subscription warrants or any other rights or options shall be issued in connection with the Pledged Collateral, then all new, substituted, and additional partnership interests, membership interests, certificates, shares, warrants, rights, options or other securities, issued by reason of any of the foregoing, shall be immediately delivered to and held by the Administrative Agent and shall constitute Pledged Collateral hereunder.

4.03 Transfer, Other Liens, and Additional Shares. Each Pledgor agrees that it will not (a) sell, assign, or otherwise dispose of, or grant any option with respect to, any of the Pledged Collateral or (b) create or permit to exist any Lien upon or with respect to any of the Pledged Collateral, except for the security interest under this Pledge Agreement and Permitted Prior Liens. Each Pledgor agrees that it will (a) cause each issuer of the Pledged Collateral not to issue any capital stock, shares, partnership or membership interests or other equity securities in addition to or in substitution for the Pledged Collateral issued by such issuer, except to a Pledgor, and (b) pledge to the Administrative Agent in accordance with this Pledge Agreement, immediately upon its acquisition (directly or indirectly) thereof, any additional shares of capital stock or other equity securities of an issuer of the Pledged Shares.

4.04 Intercompany Debt. Each Pledgor agrees that the Pledged Debt shall not be directly or indirectly secured by any Lien (except for Permitted Prior Liens), shall not evidence any lease, shall not be chattel paper, shall consist solely of advances of money made by a Pledgor to the obligor thereon and the proceeds of Pledged Debt.

Section 5. Remedies upon Default. If any Event of Default shall have occurred and be continuing:

5.01 UCC Remedies. To the extent permitted by law, the Administrative Agent may exercise in respect of the Pledged Collateral, in addition to other rights and remedies provided for in this Pledge Agreement or otherwise available to it, all the rights and remedies of a secured party under the UCC (whether or not the UCC applies to the affected Pledged Collateral).

5.02 Dividends and Other Rights.

(a) All rights of each Pledgor to exercise the voting and other consensual rights which it would otherwise be entitled to exercise pursuant to Section 2.04(a) may be exercised by the Administrative Agent if the Administrative Agent so elects and gives notice of such election to the applicable Pledgor and all rights of each Pledgor to receive the dividends and other distributions on or in respect of the Pledged Shares and the proceeds of sale of the Pledged Shares and interest and principal payments paid in respect of the Pledged Debt which it would otherwise be authorized to receive and retain pursuant to Section 2.04(c) shall cease.

(b) All dividends and other distributions on or in respect of the Pledged Shares and the proceeds of sale of the Pledged Shares and interest and principal payments paid in respect of the Pledged Debt which are received by any Pledgor shall be received in trust for the benefit of the Administrative Agent, shall be segregated from other funds of such Pledgor, and shall be promptly paid over to the Administrative Agent as Pledged Collateral in the same form as so received (with any necessary indorsement); provided, however, that if such Event of Default is cured, any such dividend or distribution paid to the Administrative Agent prior to that cure shall, upon request of such Pledgor, be returned by the Administrative Agent to such Pledgor.

5.03 Sale of Pledged Collateral. The Administrative Agent may upon ten days prior written notice to the applicable Pledgor sell all or part of the Pledged Collateral at public or private sale, at any of the Administrative Agent's offices or elsewhere, for cash, on credit, or for future delivery, and upon such other terms as are commercially reasonable. The Administrative Agent shall not be obligated to make any sale of the Pledged Collateral regardless of notice of sale having been given. The Administrative Agent may adjourn any public or private sale from time to time

by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned.

5.04 Exempt Sale. If, in the opinion of the Administrative Agent, there is any question that a public or semi-public sale or distribution of any Pledged Collateral will violate any state or federal securities law, Administrative Agent in its discretion (a) may offer and sell securities privately to purchasers who will agree to take them for investment purposes only and not with a view to distribution and who will agree to the imposition of restrictive legends on the certificates representing the security, or (b) may sell such securities in an intrastate offering under Section 3(a)(11) of the Securities Act of 1933, as amended, and no sale so made in good faith by Administrative Agent shall be deemed to be not "commercially reasonable" solely because so made. Each Pledgor shall cooperate fully with Administrative Agent in all respects in selling or realizing upon all or any part of the Pledged Collateral.

5.05 Application of Collateral. Any cash held by the Administrative Agent as Pledged Collateral and all cash proceeds received by the Administrative Agent from the sale of, collection of, or other realization of any part of the Pledged Collateral may, in the discretion of the Administrative Agent, be held by the Administrative Agent as Pledged Collateral or applied by the Administrative Agent against part of the Secured Obligations in the order set forth in section 7.06 of the Credit Agreement.

Section 6. Administrative Agent as Agent for Pledgors.

6.01 Administrative Agent Appointed Attorney in Fact. Each Pledgor hereby irrevocably appoints the Administrative Agent such Pledgor's attorney in fact, with full authority, after the occurrence and during the continuation of an Event of Default, to act for such Pledgor and in the name of such Pledgor, and, in the Administrative Agent's discretion, subject to such Pledgor's revocable rights specified in Section 2.04, to take any action and to execute any instrument which the Administrative Agent may deem reasonably necessary or advisable to accomplish the purposes of this Pledge Agreement, including, without limitation, to receive, indorse, and collect all instruments made payable to such Pledgor representing any dividend, or the proceeds of the sale of the Pledged Shares, or other distribution in respect of the Pledged Shares and to give full discharge for the same.

6.02 Administrative Agent May Perform. If any Pledgor fails to perform any covenant contained herein, the Administrative Agent may itself perform, or cause performance of, such covenant. The Pledgors shall pay for the reasonable expenses of the Administrative Agent incurred in connection therewith in accordance with Section 7.04.

6.03 Administrative Agent's Duties. Except for the safe custody of any Pledged Collateral in its possession and the accounting for monies actually received by it hereunder, the Administrative Agent shall have no duty as to any Pledged Collateral, as to ascertaining or taking action with respect to calls, conversion, exchanges, maturities, tenders or other matters relative to any Pledged Collateral, whether or not the Administrative Agent or any other Secured Party has or is deemed to have knowledge of such matters, or as to the taking of any necessary steps to preserve rights against any parties or any other rights pertaining to any Pledged Collateral. The Administrative Agent shall be deemed to have exercised reasonable care in the custody and preservation of the Pledged Collateral in its possession if the Pledged Collateral is accorded treatment substantially equal to that which the Administrative Agent accords its own property. The Administrative Agent shall not be required to exercise any discretion or take any action, but shall be required to act or to refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the instructions of the Secured Parties and such instructions shall be binding upon the holders of all Secured Obligations; provided, however, that the Administrative Agent shall not be required to take any action which exposes the Administrative Agent to personal liability or which is contrary to any Credit Document or applicable law.

Section 7. Miscellaneous.

7.01 Amendments, Etc. No amendment or waiver of any provision of this Pledge Agreement nor consent to any departure by any Pledgor herefrom shall be effective unless made in writing and signed by the Administrative Agent

and each affected Pledgor. In addition, no such amendment, waiver or consent shall be effective unless given or entered into with the necessary approvals of either the Majority Lenders or all Lenders as required under the terms of the Credit Agreement. Any such amendment, waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

7.02 Addresses for Notices. All notices and other communications to any Person provided for hereunder shall be delivered to the address of such Person next to the signatures below or as set forth in the Credit Agreement, or to such other address as shall be designated by the Pledgors or the Administrative Agent in written notice to the other party. All such notices or communications shall be effective as set forth in the Credit Agreement.

7.03 Continuing Security Interest; Transfer of Interest. This Pledge Agreement shall create a continuing security interest in the Pledged Collateral and shall (a) remain in full force and effect until the indefeasible payment in full and termination of the Secured Obligations and the termination of all Commitments, (b) be binding upon each Pledgor, its successors, and assigns, and (c) inure, together with the rights and remedies of the Administrative Agent hereunder, to the benefit of and be binding upon, the Administrative Agent and the other Secured Parties and their respective successors, transferees, and assigns. Without limiting the generality of the foregoing clause, when the Administrative Agent or such other Secured Party assigns or otherwise transfers any interest held by it under the Credit Agreement or other Credit Document to any other Person pursuant to the terms of the Credit Agreement or other Credit Document, that other Person shall thereupon become vested with all the benefits held by the Administrative Agent or such Secured Party under this Pledge Agreement. Upon the payment in full and termination of the Secured Obligations and the termination of all Commitments, the security interest granted hereby shall terminate and all rights to the Pledged Collateral shall revert to the applicable Pledgors to the extent such Pledged Collateral shall not have been sold or otherwise applied pursuant to the terms hereof. Upon any such termination, the Administrative Agent will, at the Pledgors' expense, deliver all Pledged Collateral to the applicable Pledgors, execute and deliver to the applicable Pledgors such documents as such Pledgors shall reasonably request and take any other actions reasonably requested to evidence or effect such termination.

7.04 Expenses. Each Pledgor will upon demand pay to the Administrative Agent for its benefit and the benefit of the other Secured Parties the amount of any and all expenses, including the reasonable legal fees and expenses, which the Administrative Agent and the other Secured Parties may incur in connection with (i) the administration of this Pledge Agreement, (ii) the custody or preservation of, or the sale of, collection from or other realization upon, any of the Pledged Collateral, (iii) the exercise or enforcement of any of the rights of the Administrative Agent or the Lenders hereunder or (iv) the failure by any Pledgor to perform or observe any of the provisions hereof.

7.05 No Waiver; Remedies. To the fullest extent permitted under applicable law, no failure on the part of the Administrative Agent to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided under any other Credit Document or by applicable law.

7.06 Judgment Currency. If for the purposes of obtaining judgment in any court it is necessary to convert a sum due from the a Pledgor hereunder in the currency expressed to be payable herein (the "specified currency") into another currency, the parties hereto agree, to the fullest extent that they may effectively do so, that the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the specified currency with such other currency at the Administrative Agent's main New York office on the Business Day preceding that on which final, non appealable judgment is given. The obligations of a Pledgor in respect of any sum due to the Administrative Agent hereunder shall, notwithstanding any judgment in a currency other than the specified currency, be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in such other currency the Administrative Agent may in accordance with normal, reasonable banking procedures purchase the specified currency with such other currency. If the amount of the specified currency so purchased is less than the sum originally due to the Administrative Agent in

the specified currency, such Pledgor agrees, to the fullest extent that it may effectively do so, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent against such loss, and if the amount of the specified currency so purchased exceeds (a) the sum originally due to the Administrative Agent in the specified currency and (b) any amounts shared with other Lenders as a result of allocations of such excess as a disproportionate payment to such Lender under Section 2.12 of the Credit Agreement, the Administrative Agent agrees to remit such excess to such Pledgor.

7.07 Choice of Law; Submission to Jurisdiction.

No effective financing statement or other instrument similar in effect covering all or any part of the Collateral is or will be on file in any recording office, except such as may have been filed in connection with (a) Liens created by this Security Agreement or (b) other Liens permitted by the Credit Agreement.

3.06 Lien Priority and Perfection. The security interest in the Collateral created pursuant to this Security Agreement creates a valid, binding, and perfected first priority security interest in the Collateral, securing the payment, performance and observance of the Secured Obligations, and such security interests will be perfected first priority security interests upon the filing of appropriate financing statements naming the each applicable Grantor, as debtor, and Administrative Agent, as secured party, in the jurisdictions set forth on the attached Schedule 3.06, to the extent such interest may be perfected under the UCC.

3.07 Authorizations and Approvals. No other authorization, approval, or other action by, and no notice to or filing with, any Governmental Authority is necessary to grant the security interests contemplated hereby, or to allow such Grantor to perform its obligations hereunder, or to permit the Administrative Agent or any Secured Party to exercise its rights and remedies hereunder.

Section 4. Grantors' Covenants.

4.01 Further Assurances. Each Grantor agrees that at any time, at the Grantors' expense, such Grantor shall promptly execute and deliver all further instruments and documents and take all further action that may be necessary and that the Administrative Agent or any Secured Party may reasonably request in order to perfect and protect any security interest granted or purported to be granted hereby or to enable the Administrative Agent or any Secured Party to exercise and enforce its rights and remedies hereunder with respect to any Collateral. Without limiting the generality of the foregoing, each Grantor will at the Administrative Agent's request (a) deliver and pledge to the Administrative Agent, duly indorsed or accompanied by duly executed instruments of transfer or assignment, in form and substance reasonably satisfactory to the Administrative Agent, any instrument, document, or chattel paper representing any Account or arising as a result of the disposition of any Collateral, and (b) execute and file such financing or continuation statements, or amendments thereto, and such other instruments or notices as may be reasonably necessary and as the Administrative Agent may reasonably request in order to perfect and preserve the security interests granted or purported to be granted hereby. Each Grantor shall furnish to the Administrative Agent from time to time any statements and schedules further identifying and describing the Collateral and such other reports in connection with the Collateral as the Administrative Agent may reasonably request.

4.02 Accounts and Inventory. Each Grantor shall use commercially reasonable efforts to collect payments on the Accounts when due. Each Grantor shall perform its obligations under each contract related to or giving rise to any Account. Except for Inventory in transit in the ordinary course of business, each Grantor shall keep all of the Inventory at the locations listed across from such Grantor's name on Schedule 3.02 hereof. No Grantor shall permit any negotiable document to represent any Inventory. Each Grantor shall maintain and protect the Inventory and promptly furnish to the Administrative Agent a statement regarding any material loss or damage to the Inventory.

4.03 Insurance. Upon the request of the Administrative Agent, after the occurrence and during the continuance of an Event of Default, each Grantor shall execute and deliver to the Administrative Agent any additional assignments and other documents as may be necessary or desirable to enable the Administrative Agent to directly collect any insurance proceeds.

4.04 Transfer of Collateral: Release of Security Interest. No Grantor shall sell, assign (by operation of law or otherwise), or otherwise dispose of any of the Collateral, except as permitted by the Credit Agreement. The Administrative Agent shall promptly, at the Grantors' expense, execute and deliver all further instruments and documents, and take all further action that any Grantor may reasonably request in order to release its security interest in any Collateral which is disposed of in accordance with the terms of the Credit Agreement.

4.05 Change of Name, Etc. Each Grantor shall notify the Administrative Agent in writing 15 days prior to any change in such Grantor's name, identity or corporate structure, location of its chief executive office, chief place of business, registered office or other office where such Grantor keeps its Records, or state or jurisdiction of incorporation and shall execute and deliver, or cause to be executed and delivered, to the Administrative Agent such agreements, documents and instruments as the Administrative Agent may deem reasonably necessary or desirable to protect its interests in the Collateral.

4.06 New Collateral Locations. If any Collateral is at any time in the possession of a bailee, the applicable Grantor shall give the Administrative Agent prompt written notice thereof and shall execute and deliver, or cause to be executed and delivered, to the Administrative Agent such agreements, documents, and instruments as the Administrative Agent may deem reasonably necessary or desirable to protect its interests in such Collateral.

4.07 Additional Bank Accounts. No Grantor shall, directly or indirectly, open, establish or maintain any deposit account, investment account or any other account with any bank or other financial institution, other than (a) with respect to any new accounts which shall contain any Collateral or proceeds thereof, with the prior written consent of the Administrative Agent and subject to such conditions thereto as Administrative Agent may establish and (b) with respect to any accounts used by any Grantor to make payments of payroll, taxes or other obligations to third parties, with prior written notice to the Administrative Agent.

Section 5. Events of Default and Remedies. If any Event of Default shall have occurred and be continuing:

5.01 UCC Remedies. To the extent permitted by law, the Administrative Agent may exercise, in respect of the Collateral, in addition to other rights and remedies provided for in this Security Agreement or otherwise available to it, all the rights and remedies of a secured party under the UCC (whether or not the UCC applies to the affected Collateral).

5.02 Assembly of Collateral. The Administrative Agent may require each Grantor to, at the Grantors' expense, promptly assemble all or part of the Collateral and make it available to the Administrative Agent at a place to be designated by the Administrative Agent. The Administrative Agent may occupy any premises owned or leased by any Grantor where the Collateral or any part thereof is assembled for a reasonable period in order to effectuate its rights and remedies hereunder or under law, without obligation to any Grantor in respect of such occupation. The Administrative Agent shall have no obligation to take any action to assemble or otherwise take control of the Collateral, whether for the purposes of sale or otherwise.

5.03 Sale of Collateral. Upon at least ten Business Days' prior written notice to the applicable Grantors of the time and place of any proposed sale or other disposition, the Administrative Agent may sell all or part of the Collateral at a public or private sale, at any of the Administrative Agent's offices or elsewhere, for cash, on credit, or for future delivery, and upon such other terms as the Administrative Agent deems commercially reasonable. The Administrative Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Administrative Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned.

5.04 Accounts. The Administrative Agent may, or may direct any Grantor to, take any action the Administrative Agent deems reasonably necessary or advisable to enforce collection of the Accounts including, without limitation, notifying the account debtors or obligors under any Accounts of the assignment of such Accounts to the

Administrative Agent and directing such account debtors or obligors to make payment of all amounts due or to become due directly to the Administrative Agent. Upon such notification and direction, and at the expense of the Grantors, the Administrative Agent may enforce collection of any such Accounts, and adjust, settle, or compromise the amount or payment thereof in the same manner and to the same extent as the Grantors might have done. After receipt by the applicable Grantors of the notice referred to above, all amounts and proceeds (including instruments) received by any Grantor in respect of the Accounts shall be received in trust for the benefit of the Administrative Agent hereunder, shall be segregated from other funds of such Grantor, and shall promptly be paid over to the Administrative Agent in the same form as so received (with any necessary endorsement) to be held as Collateral. None of the Grantors shall adjust, settle, or compromise the amount or payment of any receivable, or release wholly or partly any account debtor or obligor thereof, or allow any credit or discount thereon.

5.05 Special Provisions for Collateral Located in Louisiana. The following shall apply if the foreclosure rights and remedies are governed by the laws of Louisiana. Upon the existence and during the continuance of an Event of Default, the Administrative Agent shall have the right to cause the Collateral to be seized and sold under Louisiana executory or ordinary process, at the Administrative Agent's sole option, without appraisal, appraisal being hereby expressly waived, as an entirety or in portions as the Administrative Agent may determine, to the highest bidder for cash, and otherwise exercise the rights, powers and remedies afforded herein and under applicable Louisiana law. For purposes of Louisiana executory process, each Grantor acknowledges the Secured Obligations and does hereby confess judgment in favor of the Administrative Agent for the full amount of the Secured Obligations not paid when due. Any and all declarations of fact made by authentic act before a notary public in the presence of two witnesses by a person declaring that such facts lie within his knowledge shall constitute authentic evidence of such facts for the purpose of executory process. Each Grantor hereby waives: (a) the benefit of appraisal as provided in Louisiana Code of Civil Procedure Articles 2332, 2336, 2723 and 2724, and all other laws conferring the same; (b) the demand and three days' delay accorded by Louisiana Code of Civil Procedure Articles 2639 and 2721; (c) the notice of seizure required by Louisiana Code of Civil Procedure Articles 2293 and 2721; (d) the three days' delay provided by Louisiana Code of Civil Procedure Articles 2331 and 2722; and (e) the benefit of the other provisions of Louisiana Code of Civil Procedure Articles 2331, 2722 and 2723, not specifically mentioned above. In the event the Collateral or any part thereof is seized as an incident to an action for the recognition or enforcement of this Agreement by executory process, ordinary process, sequestration, writ of fieri facias, or otherwise, each Grantor and the Administrative Agent agree that the court issuing any such order shall, if petitioned for by the Administrative Agent, direct the applicable sheriff to appoint as a keeper of the Collateral, the Administrative Agent or any agent designated by the Administrative Agent or any person named by the Administrative Agent at the time such seizure is effected. This designation of a keeper will be pursuant to Louisiana Revised Statutes 9:5136-9:5140.2 and the Administrative Agent or its agent shall be entitled to all the rights and benefits of a keeper afforded thereunder as the same may be amended. The Administrative Agent shall not be obligated to petition the court for the appointment of a keeper.

5.06 Application of Collateral. The proceeds of any sale or other realization upon all or any part of the Collateral shall be applied by the Administrative Agent in the order set forth in Section 7.06 of the Credit Agreement.

Section 6. Administrative Agent as Attorney-in-Fact for Grantors.

6.01 Attorney In Fact. Each Grantor hereby irrevocably appoints the Administrative Agent as such Grantor's attorney in fact, with full authority, after the occurrence and during the continuation of an Event of Default, to act for such Grantor and in the name of such Grantor, in the Administrative Agent's discretion upon the occurrence and during the continuation of Default, to file one or more financing or continuation statements, and amendments thereto, relative to all or any part of the Collateral without the signature of such Grantor where permitted by law, to receive, endorse, and collect any drafts or other instruments, documents, and chattel paper which are part of the Collateral, and to ask, demand, collect, sue for, recover, compromise, receive, and give acquittance and receipts for moneys due and to become due under or in respect of any of the Collateral and to file any claims or take any action or institute any proceedings which the Administrative Agent may reasonably deem necessary or desirable for the collection of any of the Collateral or otherwise to enforce the rights of the Administrative Agent with respect to any of the Collateral. The

power of attorney granted hereby is coupled with an interest and is irrevocable.

6.02 Administrative Agent Performance. If any Grantor fails to perform any covenant contained herein, the Administrative Agent may itself perform, or cause performance of, such covenant, and the Grantors shall pay for the expenses of the Administrative Agent incurred in connection therewith in accordance with Section 7.01 hereof.

6.03 Administrative Agent's Duties. The powers conferred on the Administrative Agent under this Security Agreement are solely to protect its interest in the Collateral and shall not impose any duty upon it to exercise any such powers. Except for the reasonable care of any Collateral in its possession and the accounting for monies or other property actually received by it hereunder, the Administrative Agent shall have no duty as to any Collateral or as to the taking of any necessary steps to preserve rights against prior parties or any other rights pertaining to any Collateral. The Administrative Agent shall be deemed to have exercised reasonable care as to the custody and preservation of the Collateral in its possession if the Collateral is accorded treatment substantially equal to that which the Administrative Agent accords its own property, provided that the Administrative Agent shall have no responsibility for taking any necessary steps to preserve rights against any parties with respect to any Pledged Collateral.

Section 7. Miscellaneous.

7.01 Expenses. Each Grantor shall upon demand pay to the Administrative Agent for its benefit and the benefit of the Secured Parties the amount without duplication of any expenses, including the disbursements and reasonable fees of its counsel and of any experts and agents, which the Administrative Agent and the Secured Parties may incur in connection with (a) the custody, preservation, use, or operation of, or the sale, collection, or other realization of, any of the Collateral, (b) the exercise or enforcement of any of the rights of the Administrative Agent or any Secured Party hereunder, and (c) the failure by any Grantor to perform or observe any of the provisions hereof.

7.02 Amendments, Etc. No amendment or waiver of any provision of this Security Agreement nor consent to any departure by any Grantor from the terms of this Security Agreement shall be effective unless the same shall be in writing and signed by the Administrative Agent and each affected Grantor. In addition, no such amendment, waiver or consent shall be effective unless given or entered into with the necessary approvals of either the Majority Lenders or all Lenders as required under the terms of the Credit Agreement. Any such amendment, waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

7.03 Addresses for Notices. All notices and other communications to any Person provided for hereunder shall be delivered to the address of such Person next to the signatures below or as set forth in the Credit Agreement, or to such other address as shall be designated by the Grantors or the Administrative Agent in written notice to the other party. All such notices or communications shall be effective as set forth in the Credit Agreement.

7.04 Continuing Security Interest; Transfer of Interest. This Security Agreement shall create a continuing security interest in the Collateral and shall (a) remain in full force and effect until indefeasible payment in full and termination of the Secured Obligations and the termination of all Commitments, (b) be binding upon each Grantor, the Administrative Agent, the Secured Parties and their respective successors, and assigns, and (c) inure, together with the rights and remedies of the Administrative Agent hereunder, to the benefit of, and be binding upon, the Administrative Agent, the Secured Parties, and their respective successors, transferees, and assigns. Without limiting the generality of the foregoing clause, when any Secured Party assigns or otherwise transfers any interest held by it under the Credit Agreement or other Credit Document to any other Person pursuant to the terms of the Credit Agreement or other Credit Document, that other Person shall thereupon become vested with all the benefits held by such Secured Party under this Security Agreement. Section 2.02 Termination. If (a) the Owner and the [Foreign] Loan Parties or their respective successors and assigns shall pay or cause to be paid to the Mortgagee and the other Lenders or their respective successors or assigns the Secured Indebtedness in full as and when the same shall become due and payable in accordance with the terms of the Credit Agreement, the Notes, the Guaranty, this Mortgage and the other Credit Documents (other than the reimbursement and contingent indemnification obligations to the extent no unsatisfied claim with respect thereto has been asserted); (b) the Owner and the [Foreign] Loan Parties or their respective successors and assigns shall observe and comply with the covenants, terms and conditions contained in the Credit Agreement, the Notes, the Guaranty, this Mortgage and the other Credit Documents expressed or implied to be performed, observed or complied with by or on the part of the Owner, the [Foreign] Loan Parties and their respective successors and assigns, and (c) the Commitments have been terminated, then these presents and the rights hereunder shall cease, determine and be void and, in such event, the Mortgagee agrees by accepting this Mortgage to furnish, execute and record, at the expense of the Owner, all such documents as the Owner may reasonably require to discharge this Mortgage, otherwise to be and remain in full force and effect.

(c) the Mortgagee shall not have to wait for any Lender to enforce any of the other Credit Documents, to the extent it may do so pursuant to the terms thereof, before enforcing the security created by this Mortgage;

(d) no failure or delay on the part of the Mortgagee in exercising any right, power or privilege hereunder and no course of dealing between the Owner and the Mortgagee or any other Lender shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder. The rights and remedies herein expressly provided are cumulative and not exclusive of any rights or remedies which the Mortgagee or any other Lender would

otherwise have. No notice to or demand on the Owner in any case shall entitle the Owner to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the Mortgagee or the Lenders to any other or further action in any circumstances without notice or demand; and

(e) any waiver by the Mortgagee of any terms of this Mortgage or any consent given by the Mortgagee under this Mortgage shall only be effective if given in writing and then only for the purpose and upon the terms for which it is given.

Section 4.02 Settlements; No Waiver. Any settlement or discharge under this Mortgage between the Mortgagee and the Owner shall be conditional upon no security or payment to the Mortgagee or the Lenders or any of them by any [Foreign] Loan Party or any other Person being avoided or set-aside or ordered to be refunded or reduced by virtue of any provision or enactment relating to bankruptcy, insolvency, administration or liquidation for the time being in force and, if such condition is not satisfied, the Mortgagee shall be entitled to recover from the Owner on demand the value of such security or the amount of any such payment as if such settlement or discharge had not occurred.

Section 4.03 Mortgagee's Rights Not Affected. The rights of the Mortgagee under this Mortgage and the security hereby constituted shall not be affected by any act, omission, matter or thing which, but for this provision, might operate to impair, affect or discharge such rights and security, in whole or in part, including without limitation, and whether or not known to or discoverable by the [Foreign] Borrowers, any [Foreign] Loan Party, the Mortgagee, any Lender or any other Person:

(a) any waiver granted to or composition with the [Foreign] Borrowers, any [Foreign] Loan Party, or any other Person; or

(b) the taking, variation, compromise, renewal or release of or refusal or neglect to perfect or enforce any rights, remedies or securities against any of the [Foreign] Borrowers, any [Foreign] Loan Party, or any other Person; or

(c) any legal limitation, disability, incapacity or other circumstances relating to the [Foreign] Borrowers, any [Foreign] Loan Party, or any other Person; or

(d) any amendment or supplement to the Credit Agreement, any of the other Credit Documents or any other document or security; or

(e) the dissolution, liquidation, amalgamation, reconstruction or reorganization of any of the [Foreign] Borrowers, any [Foreign] Loan Party, or any other Person; or

(f) the unenforceability, invalidity or frustration of any obligations of any of the [Foreign] Borrowers, any [Foreign] Loan Party, or any other Person under the Credit Agreement, any of the other Credit Documents, or any other document or security.

Section 4.04 Moneys Received by Mortgagee. Until the Secured Indebtedness has been unconditionally and irrevocably paid in full to the satisfaction of the Mortgagee and the Commitments have been terminated, any moneys received, recovered or realized under Article VII relating in whole or in part to the Secured Indebtedness shall be held in a cash collateral account as security for the Secured Indebtedness and applied to the Secured Indebtedness in accordance with Section 7.06 of the Credit Agreement.

(c) to require that all policies, contracts, certificates of entry and other records relating to the Insurance Policies (including details of and correspondence concerning outstanding claims) be forthwith delivered to or to the order of the Mortgagee;

(d) to collect, recover, compromise and give a good discharge for any and all moneys or claims for moneys then outstanding or thereafter arising under the Insurance Policies or any Requisition Compensation and to permit any brokers through whom collection or recovery is effected to charge the usual brokerage therefor;

(e) to take over or institute (if necessary using the name of the Owner) all such proceedings in connection with any Vessel, the Insurance Policies, or any Requisition Compensation as the Mortgagee thinks

reasonably necessary and to discharge, compound, release or compromise claims against the Owner in respect of any Vessel which have given or may give rise to any charge or Lien on such Vessel or which are or may be enforceable by proceedings against such Vessel;

(f) following acceleration of the Credit Facility, to sell any Vessel or any share therein, upon advance notice of ten (10) consecutive days published in any newspaper authorized to publish legal notices of that kind in the hailing port and the places of sale of the Vessels and by sending notice of such sale at least fourteen (14) days prior to the date fixed for such sale to the Owner, free from any claim of or by the Owner of any nature whatsoever, and with or (subject to the rights of third parties under applicable law) without the benefit of any charter party or other contract for her employment, by public auction or private contract at such place and upon such commercially reasonable terms (including, without limitation, on terms such that payment of some or all of the purchase price be deferred) as the Mortgagee in its absolute discretion may determine with power to postpone any such sale, without being answerable for any loss occasioned by such sale or resulting from postponement thereof, and/or itself to purchase such Vessel at any such public auction and to set off the purchase price against all or any part of the Secured Indebtedness in the manner specified in Section 9.01 herein; provided, however that in the event any such Vessel shall be offered for sale by private sale, no newspaper publication of notice shall be required, nor notice of adjournment of sale;

(g) subject to the rights of any charter, to manage, insure, maintain and repair any Vessel and to charter, employ, sail or lay up any Vessel in such manner, upon such terms and for such period as the Mortgagee deems reasonably expedient; and for the purposes aforesaid the Mortgagee shall be entitled to do all acts and things reasonably incidental or conducive thereto and in particular to enter into such arrangements respecting such Vessel, and the insurance, management, maintenance, repair, classification, chartering and employment of such Vessel, in all respects as if the Mortgagee were the owner of such Vessel and without being responsible for any loss thereby incurred;

(h) to recover from the Owner on demand any liabilities, losses and reasonable expenses as may be incurred by the Mortgagee in or about the exercise of the power vested in the Mortgagee under Section 7.01(g);

(i) generally and in addition, but not in lieu of any of the above rights, to recover from the Owner on demand any liabilities, losses and reasonable expenses incurred by the Mortgagee in or about or incidental to the exercise by it of any of the powers aforesaid; and

(j) generally, take any other action or exercise any other right permitted by applicable law.

Section 7.02 Sufficiency of Payments Received. The Mortgagee shall not be obliged to make any enquiry as to the nature or sufficiency of any payment received by it under this Mortgage or to make any claim, take any action or enforce any rights and benefits assigned to the Mortgagee by this Mortgage or to which the Mortgagee may at any time be entitled hereunder.

Section 7.03 Mortgagee, Lenders Not Liable. Neither the Mortgagee, the Lenders, nor any of their agents, managers, officers, employees, delegates and advisers shall be liable for any expense, claim, liability, loss, cost, damage or expense incurred or arising in connection with the exercise or purported exercise of any rights, powers and discretions under this Mortgage in the absence of its, his, or her gross negligence or willful misconduct.

Section 7.04 No Mortgagee-in-Possession. To the fullest extent permitted by law, the Mortgagee shall not by reason of the taking possession of any Vessel be liable to account as mortgagee-in-possession or for anything except actual receipts or be liable for any loss upon realization or for any default or omission for which a mortgagee-in-possession might be liable.

Section 7.05 Purchaser's Rights on Sale. Upon any sale of any Vessel or any share therein by the Mortgagee, the purchaser shall not be bound to see or enquire whether the Mortgagee's power of sale has arisen in the

manner provided in this Mortgage and the sale shall be deemed to be within the power of the Mortgagee and the receipt of the Mortgagee for the purchase money shall effectively discharge the purchaser who shall not be concerned with the manner of application of the proceeds of sale or be in any way answerable therefor.

Section 7.06 Divestiture of Owner's Rights. A sale of any Vessel made in pursuance of this Mortgage, whether under the power of sale hereby granted or any judicial proceedings, shall operate to divest all right, title and interest of any nature whatsoever of the Owner therein and thereto, and shall bar the Owner, its successors and assigns, and all Persons claiming by, through or under them. No purchaser shall be bound to inquire whether notice has been given or whether any default has occurred, or as to the propriety of the sale, or as to application of the proceeds thereof.

ARTICLE VIII

shall be held and applied

FIRST: to the extent not already paid, to pay or make good all such reasonable expenses, liabilities, losses, costs, duties, fees, charges or other moneys whatsoever (together with interest payable thereon under Section 3.01(b)) as may have been paid or incurred by the Mortgagee in or about or incidental to the exercise by the Mortgagee of the powers specified or otherwise referred to in Article VI and Section 7.01 (or any of them) arising out of or in connection with the Mortgagee's duties as Mortgagee;

SECOND: to pay or furnish indemnity in the proper amounts against any commitments or encumbrances which, in the reasonable opinion of the Mortgagee, have or may have priority over this Mortgage;

THIRD: except to the extent Owner is entitled to retain such moneys under the provisions of the Credit Agreement, to pay the Secured Indebtedness and to provide cash collateralization for outstanding Letters of Credit in accordance with the terms of the Credit Agreement; and

FOURTH: the surplus (if any) shall be paid to the Owner or to whomsoever else may be entitled thereto.

ARTICLE IX

FURTHER ASSURANCES

Section 9.01 Perfection and Preservation of the Collateral. The Owner shall execute and do all such assurances, acts and things as the Mortgagee may reasonably require for:

- (a) perfecting or protecting the security created (or intended to be created) by this Mortgage; or

(b) preserving or protecting any of the rights of the Mortgagee and the other Lenders under this Mortgage; or

(c) ensuring that the security constituted by this Mortgage and the covenants and obligations of the Owner under this Mortgage shall inure to the benefit of any transferee, successor or assignee of the Mortgagee as is referred to in Section 13.01; or

(d) enforcing the security constituted by this Mortgage on or at any time after the same shall have become enforceable; or

(e) the exercise of any power, authority or discretion vested in the Mortgagee under this Mortgage,

in any such case, forthwith upon demand by the Mortgagee and at the expense of the Owner.

ARTICLE X

POWER OF ATTORNEY

Section 10.01 Owner's Attorney. The Owner, by way of security and in order to more fully secure the performance of the Owner's obligations under this Mortgage, hereby irrevocably appoints the Mortgagee as its attorney for the duration of the Credit Facility Period for the purposes of:

(a) doing in its name all acts and executing, signing and (if required) registering in its name all documents which the Owner itself could do, execute, sign or register in relation to any Vessel (including without limitation, transferring title to such Vessel to a third party), provided, however, that such power shall not be exercisable by or on behalf of the Mortgagee until this Mortgage shall have become immediately enforceable pursuant to Section 7.01;

(b) executing, signing, perfecting, doing and (if required) registering every such further assurance document, act, or thing as is referred to in Article IX; and

(c) during the continuance of any Event of Default, demanding, collecting, receiving, compromising, and suing for all freights, hires, earnings, issues, revenues and income of any Vessel.

Section 10.02 Third Parties. The exercise of such power as is referred to in Section 10.01(a) by or on behalf of the Mortgagee shall not put any Person dealing with the Mortgagee upon any enquiry as to whether this Mortgage has become enforceable nor shall such Person be in any way affected by notice that this Mortgage has not become enforceable and, in relation to Sections 10.01(a), 10.01(b) and 10.01(c), the exercise by the Mortgagee of such power shall be conclusive evidence as against third parties of its right to exercise the same.

ARTICLE XI

EXPENSES AND INDEMNITIES

Section 11.01 Mortgage Preparation. The Owner agrees to pay all reasonable out-of-pocket costs and expenses of the Mortgagee in connection with the negotiation, preparation, execution and delivery of this Mortgage and any amendment, waiver, release or consent relating thereto (including, without limitation, the reasonable fees and disbursements of counsel and any valuation fees) and, after the occurrence and during the continuance of an Event of Default, each of the Mortgagee and the Lenders in connection with the enforcement of this Mortgage (including, without limitation, the actual reasonable fees and disbursements of counsel for the Mortgagee and the Lenders).

Section 11.02 Owner's Indemnity. Without limiting the foregoing Section 11.01, the Owner hereby further indemnifies the Mortgagee, each other Lender, and their respective officers, directors, employees, representatives and agents from and holds harmless and agrees to defend each of them against any and all losses, liabilities, obligations, claims, damages, or reasonable expenses incurred by any of them, as a result of, or arising out of, or in any way related to, or by reason of, (a) any investigation, litigation or other proceeding (whether or not the Mortgagee is a party thereto) related to the entering into and/or performance of this Mortgage hereunder or the consummation of any transactions contemplated hereby, whether initiated by the Owner or any other Person, including without limitation, the actual reasonable fees and disbursements of counsel incurred in connection with any such investigation, litigation or other proceeding or (b) any personal injury to or death of or any loss or damage to property of any Person or (c) the actual or alleged presence of Hazardous Materials in the air, surface water, groundwater, surface or subsurface of any Vessel, facility or location at any time owned or operated by the Owner or any of its Affiliates, the generation, storage, transportation or disposal of Hazardous Materials at any Vessel, facility or location at any time owned or operated by the Owner or any of its Affiliates, the non-compliance of any Vessel, facility or location at any time owned or operated by the Owner or any of its Affiliates with federal, state and local laws, regulations, and ordinances (including applicable permits thereunder) applicable to any such Vessel, facility or location, or any violation or alleged violation of any Environmental Laws asserted against the Owner, any of its Affiliates, or any Vessel, facility or location at any time owned or operated by the Owner or any of its Affiliates, including, in each case, without limitation, the actual reasonable fees and disbursements of counsel and other consultants incurred in connection with any such investigation, litigation or other proceeding. To the extent that the undertaking to indemnify, pay or hold harmless and defend the Mortgagee set forth in this Section 11.02 may be unenforceable because it is violative of any law or public policy, the Owner shall make the maximum contribution to the payment and satisfaction of each of the indemnified liabilities which is permissible under applicable law. Such obligation to indemnify, hold harmless and defend the Mortgagee and other Persons set out above shall apply irrespective of the negligence or strict liability of the Mortgagee or any other indemnified person, unless such loss or injury arises directly out of the gross negligence or willful misconduct of Mortgagee or such other indemnified person.

Section 11.03 Payment Currency. If, under any applicable law or regulation, and whether pursuant to a judgment being made or registered against the Owner or the liquidation of the Owner or for any other reason, any payment under or in connection with this Mortgage is made in a currency (the "Payment Currency") other than the currency in which such payment is due under or in connection with this Mortgage (the "Contractual Currency"), then to the extent that the amount of such payment actually received by the Mortgagee, when converted into the Contractual Currency at the rate of exchange, falls short of the amount due under or in connection with this Mortgage, the Owner, as a separate and independent obligation, shall indemnify and hold harmless the Mortgagee against the amount of such shortfall. For the purposes of this Section 11.03, "rate of exchange" means the rate at which the Mortgagee is able on the date of such payment (or, if it is not practicable for the Mortgagee to purchase the contractual currency with the Payment Currency on the date of such payment, at the rate of exchange as soon afterwards as is practicable for the Mortgagee to do so) to purchase the Contractual Currency with the Payment Currency and shall take into account any premium and other costs of exchange with respect thereto.

Section 11.04 Duties; Taxes. The Owner shall at its own cost, pay promptly all stamp, documentary and other like duties and taxes to which the Credit Agreement and the other Credit Documents (or any of them) may be subject or give rise and shall indemnify the Mortgagee on demand against any and all liabilities with respect to or resulting from any delay or omission on the part of the Owner to pay any such duties or taxes.

The Owner further irrevocably consents to the service of process out of such court in any such action or proceeding in the manner provided for in the Credit Agreement. Nothing herein shall affect the right of the Mortgagee to serve process in any other manner permitted by law or to commence legal proceedings or otherwise proceed against the Owner in any other jurisdiction.
