### AMENDED TENDER OFFER

This Amendment No. 2 further amends and supplements the Tender Offer Statement on Schedule TO filed with the Securities and Exchange Commission on January 16, 2004 as previously amended by Hecla Mining Company, a Delaware corporation, pursuant to Section 13(e) of the Securities Exchange Act of 1934, in connection with its offer of up to 8.25 shares of common stock in exchange for each of Hecla's 464,777 currently outstanding shares of Series B Cumulative Convertible Preferred Stock, upon the terms and subject to the conditions set forth in the Offering Circular, dated January 16, 2004 (the "Offering Circular"), and in the related Letter of Transmittal. Terms defined in the Offering Circular shall have the same meaning in this Amended Statement.

To the extent this Amended Statement contains information not contained in the Offering Circular, the information herein amends the Offering Circular. The Offering Circular, as amended hereby, and the Letter of Transmittal, as they may be further amended or supplemented, together constitute the "Offer."

#### ITEM 4. TERMS OF THE TRANSACTION.

(a) The exchange agent and the information agent will not engage in any soliciting activities as that term is used in Section 3(a)(9) of the Securities Act, rather, the exchange agent and the information agent will only engage in ministerial activities relating to the Offer. Further, any officer or director of Hecla who may happen to engage in any soliciting activities as that term is used in Section 3(a)(9) will not be paid any commission or remuneration directly or indirectly for soliciting the exchange.

Hecla does not plan to make any acquisitions of preferred shares for a reasonable period of time after the Offer other than (i) by redemption, (ii) in exchange offers that are separated enough in time not to be reasonably considered as part of an earlier exchange offer or (iii) in privately-negotiated unsolicited exchanges of solely common stock for preferred stock.

With respect to the condition to the Offer added pursuant to Amendment No. 1 to Schedule TO filed with the Securities and Exchange Commission on February 3, 2004, it is amended to read:

- o we become aware of any matter that does or may have a material adverse effect on our consolidated results of operations, business, financial condition or the market price of our common or preferred shares. We will make prompt publication of any termination of the Offer because of the failure of this or any other condition at or prior to the expiration of the Offer.

As noted on page 22 of the Offering Circular, we released our financial results for the fourth quarter and year ended December 31, 2003 on February 12, 2004. These results, which are included in our press release which is available on our website, <http://www.hecla-mining.com>, include (in thousands, except per share):

(1) For the quarters and years ended December 31, 2003 and 2002, preferred stock dividends of \$10.2 million and \$0.7 million, respectively, and \$12.2 million and \$23.3 million, respectively, were not declared. The preferred dividends are not included in the determination of net income (loss); however, they are included in determining loss applicable to common shareholders and loss per share. Both the 2003 and 2002 amounts include noncash dividends of approximately \$9.6 million and \$17.6 million, respectively, related to exchanges of preferred stock for common stock. Including the effects of preferred stock dividends, we reported a loss applicable to common shareholders of \$8.0 million for the three months ended December 31, 2003, as compared to income applicable to common shareholders of \$1.2 million during the same period in 2002. For the years ended December 31, 2003 and 2002, losses applicable to common shareholders totaled \$18.2 million and \$14.6 million, respectively.
