Statements contained in the press release (furnished herewith as Exhibit 99.1) and presentation (furnished herewith as Exhibit 99.2) that are not historical fact or that relate to future plans, events or performances or that use predictive words such as "outlook" or "target" are "forward-looking" statements within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements about the benefits of the acquisition, including future financial and operating results, Tupperware's plans, objectives, intentions and expectations, including expectation that the acquisition will close in the fourth quarter of 2005, that are not historical facts.
