PROXY STATEMENT
For the Annual Meeting of Stockholders
To Be Held December 8, 2017

QUESTIONS AND ANSWERS
ABOUT THE PROXY MATERIALS AND ANNUAL MEETING

What is a proxy?

A proxy is your legal designation of another person to vote the stock you own. The person you designate is your “proxy,” and you give the proxy authority to vote your shares by submitting the proxy card or voting by telephone or over the Internet. We have designated our Chief Executive Officer, A. Jayson Adair, and our Senior Vice President, General Counsel and Secretary, Gregory R. DePasquale, to serve as proxies for the annual meeting.

Why am I receiving these materials?

We are providing these proxy materials in connection with the solicitation by the Board of Directors of Copart, Inc., a Delaware corporation, of proxies to be voted at our 2017 Annual Meeting of Stockholders (and at any adjournment or postponement of such meeting). The annual meeting will take place on Friday, December 8, 2017 at 8:00 a.m., Central time, at our corporate headquarters located at 14185 Dallas Parkway, Suite 300, Dallas, Texas 75254. Directions to the annual meeting are included on page 46 of this proxy statement. As a stockholder, you are invited to attend the annual meeting and are requested to vote on the items of business described in this proxy statement.

This proxy statement and the accompanying proxy card, notice of annual meeting, and 2017 annual report are being distributed and made available on or about November 6, 2017 to all stockholders of record entitled to vote at the annual meeting.

What information is contained in this proxy statement?

The information in this proxy statement relates to the proposals to be voted on at the annual meeting, the voting process, the compensation of our directors and most highly paid executive officers, our corporate governance policies, information on our board of directors, and certain other required information. We use several abbreviations in this proxy statement. The term “proxy materials” means this proxy statement as well as the proxy card and our 2017 annual report to stockholders. References to “fiscal year” refer to our fiscal year beginning on August 1 of the prior year and ending on July 31 of the year stated.

What items of business will be voted on at the annual meeting?

The items of business scheduled to be voted on at the annual meeting are as follows:

- To elect the eight nominees for director named in this proxy statement to hold office until our 2018 annual meeting of stockholders or until their respective successors are duly elected and qualified;
- To approve, on an advisory (non-binding) basis, the compensation of our named executive officers for the fiscal year ended July 31, 2017, as set forth in this proxy statement;
-

Edgar Filing: COPART INC - Form DEF 14A

To approve, on an advisory (non-binding) basis, the frequency of a stockholder advisory vote on executive compensation; and

To ratify the appointment by the audit committee of our board of directors of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending July 31, 2018.

We will also transact any other business that may properly come before the annual meeting.

1

How does our board of directors recommend that I vote?

Our board of directors recommends that you vote your shares:

•“FOR” each of the eight nominees for director named in this proxy statement.

•“FOR” the approval, on an advisory (non-binding) basis, of the compensation of our named executive officers for the fiscal year ended July 31, 2017.

•“FOR” the approval, on an advisory (non-binding) basis, of the frequency of a stockholder advisory vote on executive compensation.

•“FOR” the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending July 31, 2018.

Who is entitled to vote at the annual meeting?

Each share of our common stock issued and outstanding as of the close of business on October 17, 2017, the record date for our annual meeting, is entitled to vote on all items being considered at the annual meeting. You may vote all shares owned by you as of the record date, including (i) shares held directly in your name as the stockholder of record and (ii) shares held for you as the beneficial owner in street name through a broker, bank, or other nominee. On the record date, we had 231,152,780 shares of common stock issued and outstanding.

How many votes am I entitled to per share?

For all matters described in this proxy statement for which your vote is being solicited, each holder of shares of common stock is entitled to one vote for each share of common stock held by such holder as of the record date.

Am I entitled to cumulate my votes at the annual meeting?

No. You may not cumulate your votes for the election of directors.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Stockholder of Record

If your shares are registered directly in your name with our transfer agent, Computershare Trust Company, N.A., you are considered, with respect to those shares, the stockholder of record, and these proxy materials were sent directly to you by Copart. As the stockholder of record, you have the right to grant your voting proxy directly to our designated proxies or to vote in person at the annual meeting. We have enclosed or sent a proxy card for you to use with the printed proxy materials delivered to you. You may also vote on the Internet or by telephone, as described below under the heading “How can I vote my shares without attending the annual meeting?” and on your proxy card.

Beneficial Owner

Many of our stockholders hold their shares through a broker, trustee or other nominee, rather than directly in their own name. If your shares are held in a brokerage account or by a bank or another nominee, you are considered the beneficial owner of shares held in “street name.” The proxy materials were forwarded to you by your broker, trustee or nominee who is considered, with respect to those shares, the stockholder of record.

As a beneficial owner, you have the right to direct your broker, trustee or other nominee on how to vote your shares. For directions on how to vote shares beneficially held in street name, please refer to the voting instruction card provided by your broker, trustee, or nominee. You are also invited to attend the annual meeting. However, because a

beneficial owner is not the stockholder of record, you may not vote these shares in person at the annual meeting unless you obtain a legal proxy from the broker, trustee, or nominee that holds your shares, giving you the right to vote the shares at the annual meeting.

How can I contact Copart's transfer agent?

You may contact our transfer agent, Computershare Trust Company, N.A., by telephone at (877) 282-1168, or by writing Computershare Trust Company, N.A., P.O. Box 30170, College Station, Texas 77842. You may also access instructions with respect to certain stockholder matters (e.g., lost share certificates, change of address) via the Internet at www.computershare.com/investor.

How can I attend the annual meeting?

You are invited to attend the annual meeting if you were a stockholder of record as of the record date, October 17, 2017, you hold a valid proxy for the annual meeting, or you are a beneficial owner as of the record date, October 17, 2017. If you are a stockholder of record, meaning you hold shares directly in your name with Computershare Trust Company, N.A., please bring government-issued photo identification for entrance to the annual meeting. If you are not a stockholder of record but hold shares as a beneficial owner in street name, you should provide proof of beneficial ownership as of the record date, such as your most recent account statement reflecting stock ownership on the record date, October 17, 2017, together with government-issued photo identification.

If you do not comply with the procedures outlined above, you may not be admitted to the annual meeting.

Please let us know if you plan to attend the meeting by marking the appropriate box on the proxy card, or, if you vote by telephone or by Internet, by indicating your plans when prompted.

Will the annual meeting be webcast?

We do not expect to webcast the annual meeting.

How can I vote my shares in person at the annual meeting?

Stockholders of record — Shares held in your name as the stockholder of record may be voted by you in person at the annual meeting.

Beneficial owners — Shares held beneficially in street name may be voted by you in person at the annual meeting only if you obtain a legal proxy from the broker, trustee, or other nominee that holds your shares giving you the right to vote the shares.

Even if you plan to attend the annual meeting, we recommend that you also submit your proxy or voting instructions as described below so that your vote will be counted if you later decide not to attend the annual meeting.

How can I vote my shares without attending the annual meeting?

By mail

Please complete, sign, and date the proxy or voting instruction card and return it in the prepaid envelope at any time prior to the annual meeting. If you are a stockholder of record and you return your signed proxy card but do not indicate your voting preferences, the persons named in the proxy card will vote the shares represented by your proxy card as recommended by our board of directors.

By telephone

Edgar Filing: COPART INC - Form DEF 14A

You can vote by calling the toll-free telephone number on your proxy card. Please have your proxy card handy when you call. Easy-to-follow voice prompts will allow you to vote your shares and confirm that your instructions have been properly recorded.

By Internet

You can vote via the Internet by following the instructions provided on your proxy card.

Telephone and Internet voting facilities for stockholders of record will be available twenty-four hours a day until 1:00 a.m., Central time, on December 8, 2017. If you vote by telephone or the Internet, you do not have to return your proxy or voting instruction card.

If you are a beneficial owner of shares, your broker, trustee or nominee may make telephone or Internet voting available to you. The availability of telephone and Internet voting for beneficial owners will depend on the voting processes of your broker, trustee or nominee. Therefore, we recommend that you follow the voting instructions in the materials you receive.

Can I change my vote or revoke my proxy?

Yes, you have the right to revoke your proxy at any time prior to the time your shares are voted. If you are the stockholder of record, you may revoke your vote by (i) granting a new proxy bearing a later date (which automatically revokes the earlier proxy) using any of the methods described above under the subheading “How can I vote my shares without attending the annual meeting?” (and until the applicable deadline for each method), (ii) providing a written notice of revocation to our corporate secretary at Copart, Inc., 14185 Dallas Parkway, Suite 300, Dallas, Texas 75254, Attn: Gregory R. DePasquale, prior to your shares being voted, or (iii) attending the annual meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically so request.

For shares you hold beneficially in street name, you may change your vote by submitting new voting instructions to your broker, trustee, or nominee following the instructions they provided or, if you have obtained a legal proxy from your broker, trustee, or nominee giving you the right to vote your shares, by attending the annual meeting and voting in person.

Is there a list of stockholders entitled to vote at the annual meeting?

The names of stockholders of record entitled to vote at the annual meeting will be available at the annual meeting and for ten days prior to the meeting for any purpose germane to the meeting, between the hours of 9:00 a.m. and 4:30 p.m., at our corporate headquarters located at 14185 Dallas Parkway, Suite 300, Dallas, Texas 75254, by contacting our corporate secretary.

Is my vote confidential?

Proxy instructions, ballots, and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within Copart or to third parties, except as necessary to meet applicable legal requirements, to allow for the tabulation of votes and certification of the vote, or to facilitate a successful proxy solicitation.

How many shares must be present or represented to conduct business at the annual meeting?

The quorum requirement for holding the annual meeting and transacting business is that the holders of a majority of the voting power of all of the shares of the stock entitled to vote at the meeting, present in person or by proxy, shall constitute a quorum. If there is no quorum, the chairman of the annual meeting may adjourn the meeting to another place, if any, date, or time. Abstentions and “broker non-votes” are counted as present and entitled to vote for purposes of determining a quorum.

What is a broker non-vote?

If you are a beneficial owner whose shares are held of record by a broker, trustee or nominee you must instruct the broker, trustee, or nominee how to vote your shares. If you do not provide voting instructions, your shares will not be voted on any proposal on which the broker does not have discretionary authority to vote. This is called a “broker non-vote.” In these cases, the broker can register your shares as being present at the annual meeting for purposes of determining the presence of a quorum but will not be able to vote on those matters for which specific authorization is

required. If you are a beneficial owner whose shares are held of record by a broker, trustee, or nominee, your broker, trustee, or nominee has discretionary voting authority to vote your shares on the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm (Proposal Number Four), even if the broker has not received voting instructions from you. However, your broker does not have discretionary authority to vote on the election of directors (Proposal Number One), the advisory (non-binding) vote on the approval of executive compensation (Proposal Number Two), or the advisory (non-binding) vote on the frequency of a stockholder advisory vote on executive compensation (Proposal Number Three) without instructions from you, in which case a broker non-vote will occur and your shares will not be voted on these matters. Accordingly, if you are a beneficial owner, it is particularly important that you provide your instructions for voting your shares on the election of directors (Proposal Number One), the advisory (non-binding) vote on the approval of executive compensation (Proposal Number Two), and the advisory (non-binding) vote on the frequency of a stockholder advisory vote on executive compensation (Proposal Number Three) to your broker, trustee, or other nominee.

What is the voting requirement to approve each of the proposals?

Proposal	Vote Required	Discretionary Voting Allowed?
Election of directors	Majority of the votes cast	No
Advisory vote to approve executive compensation	Majority of the votes cast	No
Advisory vote on the frequency of a stockholder advisory vote on executive compensation	Plurality of the votes cast	No
Ratification of appointment of Ernst & Young LLP	Majority of the votes cast	Yes

Election of Directors

Directors are elected by majority vote, which requires the affirmative vote of a majority of the total votes entitled to be voted at the annual meeting. For a description of our recently adopted majority voting standard, please refer to the sections captioned “Corporate Governance and Board of Directors”. You may vote “FOR”, “AGAINST” or “ABSTAIN” on this proposal. Abstentions and broker non-votes will not affect the outcome of the election of directors.

Advisory (Non-Binding) Vote on Approval of Executive Compensation

Under our bylaws, the votes cast “FOR” must exceed the votes cast “AGAINST” to approve, on an advisory (non-binding) basis, the compensation of our named executive officers for the fiscal year ended July 31, 2017. Abstentions and broker non-votes are not counted as votes “FOR” or “AGAINST” this proposal.

Advisory (Non-Binding) Vote on the Frequency of a Stockholder Advisory Vote on Executive Compensation

Under our bylaws, the votes cast “FOR” must exceed the votes cast “AGAINST” to approve, on an advisory (non-binding) basis, the frequency of a stockholder advisory vote on executive compensation. Abstentions and broker non-votes are not counted as votes “FOR” or “AGAINST” this proposal.

Ratification of Appointment of Ernst & Young LLP

Under our bylaws, the votes cast “FOR” must exceed the votes cast “AGAINST” to approve the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm. Abstentions are not counted as votes “FOR” or “AGAINST” this proposal.

What happens if additional matters are presented at the annual meeting?

Other than the items of business described in this proxy statement, we are not aware of any other business to be acted upon at the annual meeting. If you grant a proxy, the persons named as proxy holders, A. Jayson Adair and Gregory R. DePasquale, or either of them, will have the discretion to vote your shares on any additional matters properly presented for a vote at the meeting. If for any reason any of the nominees is not available as a candidate for director, the persons named as proxy holders will vote your proxy for such other candidate or candidates as may be nominated by our board of directors.

Who will count the votes?

A representative of our transfer agent, Computershare Trust Company, N.A., will tabulate the votes and act as inspector of election.

5

Who will bear the cost of soliciting votes for the annual meeting?

Copart will pay the entire cost of preparing, assembling, printing, mailing, and distributing these proxy materials and soliciting votes. If you choose to vote over the Internet, you are responsible for Internet access charges you may incur. If you choose to vote by telephone, you are responsible for telephone charges you may incur. In addition, the solicitation of proxies or votes may be made in person, by telephone, or by electronic communication, by our directors, officers, and employees. None of those directors, officers, or employees will receive any additional compensation for such solicitation activities. We may also reimburse brokerage firms, banks, and other nominee holders of record for the cost of forwarding proxy materials to beneficial owners.

Where can I find the voting results of the annual meeting?

We will announce preliminary voting results at the annual meeting. We will also disclose voting results on a Current Report on Form 8-K to be filed with the SEC within four business days after the annual meeting. If final voting results are not available to us in time to file a Current Report on Form 8-K, we will file a Current Report on Form 8-K to publish preliminary results and, within four business days after final results are known, file an additional Current Report on Form 8-K to publish the final results.

What is “householding” and how does it affect me?

We have adopted a procedure called “householding,” which has been approved by the SEC. Under this procedure, we deliver only one copy of the annual report and proxy statement to multiple stockholders who share the same address and have the same last name, unless we have received contrary instructions from an affected stockholder. This procedure reduces our printing costs, mailing costs, and fees. Stockholders who participate in householding will continue to be able to receive separate proxy cards.

We will deliver, promptly upon written or oral request, a separate copy of the 2017 annual report and the proxy statement to any stockholder at a shared address to which a single copy of either of those documents was delivered. To receive a separate copy of the 2017 annual report and/or proxy statement, you may write to or call our Investor Relations Department at 14185 Dallas Parkway, Suite 300, Dallas, Texas 75254, telephone (972) 391-5000. Any such request should be made promptly in order to ensure timely delivery. Any stockholders of record who (i) share the same address and currently receive multiple copies of our annual report and proxy statement and (ii) wish to receive only one copy of these materials per household in the future may contact our Investor Relations Department at the address or telephone number listed above to participate in the householding program.

A number of brokerage firms have instituted householding. If you hold your shares beneficially in street name, please contact your bank, broker, or other holder of record to request information about householding.

What is the deadline to propose actions for consideration at next year’s annual meeting of stockholders or to nominate individuals to serve as directors?

Requirements for Stockholder Proposals to be Considered for Inclusion in Our Proxy Materials

Stockholders may present proper proposals for inclusion in our proxy statement and for consideration at the next annual meeting of stockholders by submitting their proposals in writing to our corporate secretary in a timely manner. For a stockholder proposal to be considered for inclusion in our proxy statement for our 2018 annual meeting of stockholders, our corporate secretary must receive the written proposal at our principal executive offices not later than September 21, 2018; provided, however, that in the event that we hold our 2018 annual meeting of stockholders more than thirty days from the one year anniversary date of the 2017 annual meeting, we will disclose the new deadline by which stockholders proposals must be received under Item 5 of our earliest possible Quarterly Report on Form 10-Q

or, if impracticable, by any means reasonably calculated to inform stockholders. All stockholder proposals must otherwise comply with the requirements of Rule 14a-8 of the Securities Exchange Act of 1934, as amended, regarding the inclusion of stockholder proposals in company-sponsored proxy materials. Proposals should be addressed to:

Copart, Inc.
Attn: Corporate Secretary
14185 Dallas Parkway, Suite 300
Dallas, Texas 75254

The submission of a stockholder proposal does not guarantee that it will be included in Copart's proxy statement or proxy.

Requirements for Stockholder Proposals to be Brought Before the 2018 Annual Meeting

Our bylaws also establish an advance notice procedure for stockholders who wish to present a proposal before an annual meeting of stockholders, but do not intend for the proposal to be included in our proxy statement. Our bylaws provide that the only business that may be conducted at an annual meeting is business that is (i) specified in our proxy materials with respect to such meeting, (ii) otherwise properly brought before the meeting by or at the direction of our board of directors, or (iii) properly brought before the meeting by a stockholder of record entitled to vote at the annual meeting who has delivered timely written notice to our corporate secretary, which notice must contain the information specified in our bylaws. To be timely for our 2018 annual meeting of stockholders, our corporate secretary must receive the written notice at our principal executive offices:

- not earlier than August 24, 2018, and
- not later than the close of business on September 21, 2018.

In the event that we hold our 2018 annual meeting of stockholders more than thirty days before or after the one year anniversary date of the 2017 annual meeting, then notice of a stockholder proposal that is not intended to be included in our proxy statement must be received not later than the close of business on the later of the following two dates:

- the 90th day before such annual meeting; or
- the 10th day following the day on which public announcement of the date of such meeting is first made.

If a stockholder who has notified us of his or her intention to present a proposal at an annual meeting does not appear to present his or her proposal at such meeting, we are not required to present the proposal for a vote at such meeting.

Nomination of Director Candidates

Our bylaws permit stockholders to nominate directors for election at an annual meeting of stockholders. To nominate a director, the stockholder must provide the information required by our bylaws. In addition, the stockholder must give timely notice to our corporate secretary in accordance with our bylaws, which, in general, require that the notice be received by our corporate secretary within the time period described above under “Requirements for Stockholder Proposals to be Brought Before the 2018 Annual Meeting” for stockholder proposals that are not intended to be included in our proxy statement.

In addition, it is the policy of our nominating and governance committee to consider recommendations for candidates to the board of directors from stockholders holding not less than 1% of the outstanding shares of our common stock continuously for at least twelve months prior to the date of submission of the recommendation or nomination. Any such recommendations should include the nominee’s name and qualifications for membership on our board of directors, and should be directed to our general counsel at our address set forth above for our corporate secretary. For additional information regarding stockholder recommendations for director candidates, please see the sections entitled “Corporate Governance and Board of Directors — Director Nomination Process” and “Corporate Governance and Board of Directors — Considerations in Identifying and Evaluation Director Nominees.”

CORPORATE GOVERNANCE AND BOARD OF DIRECTORS

Board of Directors Composition, Meetings, and Board Committees

Our board of directors is currently comprised of eight members. Our bylaws permit our board to establish the authorized number of directors within a range from five to nine members, and eight directors are currently authorized.

All directors elected at an annual meeting are elected to serve from the time of election and qualification until the earlier of the next annual meeting of stockholders following such election or their resignation or removal. At each annual meeting of stockholders, the terms of each of our incumbent directors expire and all members of our board of directors are elected.

In September 2016, based on an evaluation of our corporate governance structures generally, our board of directors approved an amendment and restatement of our bylaws to implement a majority voting standard in the election of directors, except in the event of a contested election in which case we will revert to a plurality voting standard, the default standard under Delaware law.

Fiscal 2017 Board Meetings

During fiscal 2017, our board of directors held six meetings. Each of our directors attended or participated in 75% or more of the total number of meetings of our board of directors, and 75% or more of the meetings held by the standing committees of our board of directors on which he served during the past fiscal year.

Board Leadership Structure

Our board of directors believes that it is important to retain its flexibility to allocate the responsibilities of the positions of the chairman of our board and chief executive officer in a way that it believes is in our best interests. Currently, the roles of chairman of our board and chief executive officer have been separated by our board of directors. Willis J. Johnson is our executive chairman, and A. Jayson Adair is our chief executive officer. Our board believes that the separation of the offices of chairman and chief executive officer is appropriate at this time because it allows our chief executive officer to focus primarily on our business strategy, operations, and corporate vision while the chairman provides guidance to the chief executive officer, sets the agenda for board meetings, and presides over meetings of the full board. Our board's administration of risk oversight has not affected its leadership structure.

Director Independence

Of our incumbent directors, Messrs. Blunt, Cohan, Englander, Meeks, and Tryforos have each been determined by our board to be an "independent director" as that term is defined under the rules of The NASDAQ Stock Market LLC, or the NASDAQ.

Our board of directors has not established categorical standards or guidelines to make director independence determinations but considers all relevant facts and circumstances. Our board based its determinations primarily on a review of the responses of the directors to questions regarding employment and compensation history, affiliations, family, and other relationships, and on discussions with our directors. In making its independence determinations, our board considered transactions between us and entities associated with the directors or members of their immediate family. All identified transactions that appear to relate to us and a person or entity with a known connection to a director are presented to our board of directors for consideration. In making its determination that certain directors are independent, our board of directors considered the transactions in the context of the NASDAQ rules, the standards

established by the SEC for members of audit committees, and the SEC and Internal Revenue Service standards for compensation committee members.

Oversight of Risk Management

The role of our board directors in our risk oversight process includes receiving regular reports from members of senior management on areas of material risk to us, including operational, financial, legal and regulatory, and strategic and reputational risks.

Our board's role in risk oversight is consistent with our board's leadership structure, with the chief executive officer and other members of senior management having responsibility for assessing and managing our risk exposure and our board and committees providing oversight in connection with those efforts. While our board has the ultimate oversight responsibility for our risk management policies and processes, the committees of our board also have responsibility for risk oversight with respect to certain matters.

Our audit committee oversees management of financial risk exposures, including the integrity of our accounting and financial reporting processes and controls. As part of this responsibility, our audit committee meets periodically with our independent auditors, our internal auditors, and our financial and accounting personnel to discuss significant financial risk exposures and the steps management has taken to monitor, control, and report these exposures. Additionally, our audit committee reviews significant findings prepared by our independent auditors together with management’s responses as well as significant findings of our internal auditors. Our audit committee also oversees risk associated with related party transactions and business conduct compliance.

Our compensation committee considers the risks associated with our compensation policies and practices with respect to both executive compensation and employee compensation generally. Our management has reviewed with our compensation committee the compensation plans and programs that could have a material impact on us. The management review considered whether any of these plans or programs may encourage inappropriate risk-taking, whether any plan may give rise to risks that are reasonably likely to have a material adverse effect on us, and whether our management would recommend any changes to the plans. Our management also reviewed with our compensation committee risk-mitigating controls such as the degree of compensation committee and senior management oversight of each program and the level and design of internal controls over such programs.

Our nominating and governance committee oversees risks associated with our overall governance practices and the leadership structure of our board. Our board is kept informed of each committee’s risk oversight and other activities via regular reports of the committee chairs to the full board.

Board Committees

Our board of directors maintains three standing committees: an audit committee, a compensation committee, and a nominating and governance committee. Each committee has a written charter, approved by our board of directors, outlining the principal responsibilities of the committee. Copies of the current committee charters are available in the Corporate Governance section of the Investor Relations page on our website at www.copart.com.

During fiscal 2017 our board committees were comprised as follows:

Director Name	Audit Committee	Compensation Committee	Nominating and Governance Committee
Matt Blunt	ü	—	ü
Steven D. Cohan	Chair	ü	—
Daniel J. Englander	ü	Chair	ü
Thomas N. Tryforos	—	ü	Chair

On September 27, 2017, our board of directors confirmed the above composition of our existing board committees without changes.

Only directors deemed to be “independent” (see below) serve on the audit, compensation, or nominating and governance committees. However, our board may create special committees from time to time and our current employee directors or those deemed not to be independent under applicable rules and guidelines may be appointed to serve on those special committees, as our board may determine.

Audit Committee. Our audit committee is primarily responsible for (i) reviewing and approving the services performed by our independent registered public accounting firm, (ii) reviewing our consolidated financial statements, and (iii) reviewing reports concerning our accounting practices and systems of internal accounting procedures and controls. The purposes of our audit committee are, among other things, to:

Oversee our accounting and financial reporting processes and audits of our consolidated financial statements;

Assist our board in overseeing and monitoring: (i) the integrity of our consolidated financial statements; (ii) our internal accounting and financial controls; (iii) our compliance with legal and regulatory requirements; and (iv) our independent auditor's qualifications, independence, and performance;

Prepare the audit committee report that the rules of the SEC require be included in our annual proxy statement;

Provide our board with the result of its monitoring and any recommendations derived from such monitoring;

9

Provide our board with additional information and materials as our audit committee may determine to be necessary to make our board aware of significant financial matters requiring board attention; and

Function as our qualified legal compliance committee for the purposes of reviewing and discussing any reports concerning material violations submitted to it by our attorneys or our outside counsel. Our audit committee held six meetings during fiscal 2017.

Our audit committee acts under a written charter adopted and approved by our board of directors, which charter can be found at <http://www.copart.com/Content/US/EN/Investor-Relations/Audit-Committee-Charter>.

The audit committee currently consists of Steven D. Cohan, Daniel J. Englander and Matt Blunt. Mr. Cohan is the chair of our audit committee. Our board of directors has determined that each of the members of our audit committee are “independent directors” as contemplated by the NASDAQ listing rules and the rules of the SEC relating to audit committee independence. Our board of directors has designated Mr. Cohan, the chairman of the committee, as an “audit committee financial expert” as defined in Item 401(h) of Regulation S-K promulgated by the SEC. This designation is a disclosure requirement of the SEC and does not impose upon Mr. Cohan any duties, obligations, or liabilities greater than that which would otherwise be imposed by virtue of his membership on our board or audit committee. In addition, this designation does not affect the duties, obligations, or liabilities of any other director or audit committee member. Our board of directors has determined that each audit committee member has sufficient knowledge in reading and understanding financial statements to serve on our audit committee.

Compensation Committee. Our compensation committee is generally responsible for, among other things, (i) assisting our board of directors in providing oversight of our compensation policies, plans and benefits programs and (ii) reviewing and approving, and, where appropriate, making recommendations to our board of directors regarding all forms of compensation to be provided to all of our employees, directors, and consultants, including stock compensation and loans, and all bonus and stock compensation to all employees.

Our compensation committee held eight meetings during fiscal 2017. Our compensation committee acts under a written charter adopted and approved by our board of directors, which charter can be found at <http://www.copart.com/Content/US/EN/Investor-Relations/Compensation-Committee-Charter>.

The compensation committee currently consists of Daniel J. Englander, Thomas N. Tryforos, and Steven D. Cohan. Mr. Englander is the chair of our compensation committee. Our board of directors has determined that each of the members of our compensation committee are (i) “independent directors” as contemplated by NASDAQ listing rules and the rules of the SEC relating to compensation committee independence, (ii) “outside directors” as defined in Section 162(m) of the Internal Revenue Code of 1986, as amended (Code), and (iii) “non-employee directors” for purposes of Rule 16b-3 under the Exchange Act.

Nominating and Governance Committee. Our board of directors established the nominating and governance committee to ensure that our board is properly constituted to meet its fiduciary obligations to stockholders and that we have and follow appropriate governance standards. The committee is authorized to assist our board by identifying prospective director nominees, to select the director nominees for the next annual meeting of stockholders and to develop and recommend to our board governance principles applicable to us.

Our nominating and governance committee held one meeting during fiscal 2017. Our nominating and governance committee acts under a written charter adopted and approved by our board of directors, which charter can be found at <http://www.copart.com/Content/US/EN/Investor-Relations/Nominating-and-Governance-Committee-Charter>.

The nominating and governance committee consists of Thomas N. Tryforos, Daniel J. Englander, and Matt Blunt. Mr. Tryforos is the chair of our nominating and governance committee. Our board of directors has determined that each of the members of our nominating and governance committee is an “independent director” as contemplated by NASDAQ rules.

Compensation Committee Interlocks and Insider Participation

The compensation committee of our board of directors consisted of Messrs. Englander, Tryforos, and Cohan during fiscal 2017. No member of our compensation committee was, at any time during fiscal 2017, an officer or employee of Copart or any of our subsidiaries. In addition, no member of our compensation committee had any relationship requiring disclosure under Item 404 of Regulation S-K promulgated by the SEC at the time such committee member served as a board member and committee member.

No interlocking relationship, as described by the SEC, currently exists or existed during fiscal 2017 between any member of our compensation committee and any member of any other company's board of directors or compensation committee.

Considerations in Identifying and Evaluating Director Nominees

Our nominating and governance committee has established policies and procedures relating to the consideration of any individual recommended as a prospective director nominee from stockholders. Please see the section entitled "Director Nomination Process" below. The nominating and governance committee will consider candidates recommended by stockholders in the same manner as candidates recommended to the committee from other sources.

In its evaluation of director candidates, including the members of the board of directors eligible for reelection, our committee will consider the following:

- The current size and composition of our board of directors and the needs of the board and its respective committees; Factors such as character, integrity, judgment, independence, area of expertise, corporate experience, length of service, personal characteristics (including gender, race, and diversity of experience), potential conflicts of interest, other commitments, and the like. Our committee evaluates these factors, among others, and does not assign any particular weighting or priority to any of these factors; and
- Other factors that our committee may consider appropriate.

Any nominee for a position on the board must satisfy the following minimum qualifications:

- The highest personal and professional ethics and integrity;
- Proven achievement and competence in the nominee's field and the ability to exercise sound business judgment;
- Skills that are complementary to those of the existing board;
- The ability to assist and support management and make significant contributions to the company's success; and
- An understanding of the fiduciary responsibilities required of a member of the board and the commitment of time and energy necessary to diligently carry out those responsibilities.

The nominating and governance committee considers diversity as one of many, but not dispositive, factors in identifying nominees for director, including personal characteristics such as race and gender, as well as diversity in the experience and skills that contribute to the board's performance of its responsibilities in the oversight of a complex and highly-competitive global business. The nominating and governance committee does not assign specific weights to particular criteria and no particular criterion is necessarily applicable to all prospective nominees.

If our committee determines that an additional or replacement director is required, the committee may take such measures as it considers appropriate in connection with its evaluation of a director candidate, including candidate interviews, inquiry of the person or persons making the recommendation or nomination, engagement of an outside search firm to gather additional information, or reliance on the knowledge of the members of the committee, board or management.

Director Nomination Process

Our nominating and governance committee is responsible for, among other things, determining the criteria for membership to our board of directors and recommending candidates for election to the board of directors. It is the policy of our nominating and governance committee to consider recommendations for candidates to the board of directors from stockholders holding not less than 1% of the outstanding shares of our common stock continuously for at least twelve months prior to the date of submission of the recommendation or nomination. Stockholder recommendations for candidates to the board of directors must be directed in writing to Copart, Inc., 14185 Dallas

Parkway, Suite 300, Dallas, Texas 75254, Attention: General Counsel, and must include the candidate's name, home and business contact information, detailed biographical data, relevant qualifications, a signed letter from the candidate confirming willingness to serve, information regarding any relationships between the candidate and Copart, and evidence of the recommending stockholder's ownership of our stock. Such recommendations must also include a statement from the recommending stockholder in support of the candidate, particularly within the context of the criteria for board membership, including issues of character, integrity, judgment, independence, area of expertise, corporate experience, length of service, personal characteristics (including gender, race, and diversity of experience), potential conflicts of interest, other commitments and the like, and personal references. For details regarding the process to nominate a director directly for election to the board at an annual meeting of the stockholders, please see the section entitled "Questions and Answers About the Proxy Materials and Annual Meeting — What is the deadline to propose actions for consideration at next year's annual meeting of stockholders or to nominate individuals to serve as directors? — Nomination of Director Candidates."

Director Attendance at Annual Meetings

Although we do not have a formal policy regarding attendance at stockholder meetings, our directors are encouraged to attend the annual meeting of stockholders. Two of our directors attended our 2016 annual meeting of stockholders.

Stockholder Communications with our Board of Directors

Our board of directors recommends that stockholders who wish to communicate directly with our board should do so in writing. Our board of directors has approved the following procedure for stockholders to communicate with our directors. Mail can be addressed to directors in care of Copart, Inc., Attention: General Counsel, 14185 Dallas Parkway, Suite 300, Dallas, Texas 75254. All mail received will be logged in, opened and screened for security purposes. All mail, other than trivial or obscene items, will be forwarded. Trivial items will be delivered to our directors at the next scheduled board meeting. Mail addressed to a particular director will be forwarded or delivered to that director. Mail addressed to "Outside Directors" or "Non-Management Directors" will be forwarded or delivered to the chairman of our nominating and governance committee. Mail addressed to the "Board of Directors" will be forwarded or delivered to the chairman of our board and chief executive officer. Our General Counsel may decide in the exercise of his judgment whether a response to any stockholder communication is necessary.

This procedure does not apply to stockholder proposals submitted pursuant to our bylaws and Rule 14a-8 of the Exchange Act, as discussed in this proxy statement under the caption "What is the deadline to propose actions for consideration at next year's annual meeting of stockholders or to nominate individuals to serve as directors?"

COMPENSATION OF DIRECTORS

Our directors play a critical role in guiding our strategic direction and overseeing our management. In connection therewith, our non-employee directors are eligible to receive cash and equity compensation. Each non-employee director receives an annual director's fee of \$70,000, payable in quarterly installments. Mr. Cohan, who serves as chairman of our audit committee, receives an additional annual fee of \$10,000 for his services as chairman of our audit committee, payable in quarterly installments. In addition to cash compensation, pursuant to procedures previously adopted by our board of directors, each non-employee director (other than newly appointed non-employee directors) receives an annual option grant of 40,000 shares under our 2007 Equity Incentive Plan, as amended and restated (2007 Equity Incentive Plan), which grant takes place on the date of our annual meeting of stockholders each year. Newly appointed non-employee directors are awarded an initial grant of shares at the time of appointment and are not eligible for an additional grant until the fiscal year following their appointment. The directors are also eligible for reimbursement of reasonable and necessary expenses incurred in connection with their attendance at board and committee meetings.

From April 2009 to April 2014, Willis J. Johnson, our chairman, received no cash compensation in consideration of his services to Copart (other than a \$1.00 annual payment). Instead, in April 2009, we granted Mr. Johnson (our chief executive officer at the time) an option to acquire shares of our common stock, vesting over five years. This option became fully vested in April 2014. In September 2014, our compensation committee reconsidered Mr. Johnson's compensation as our executive chairman and approved annual cash compensation to Mr. Johnson of \$70,000, payable in quarterly installments commencing in April 2014, for his services as executive chairman. Additionally, our compensation committee approved an annual option grant to Mr. Johnson of 40,000 shares under our 2007 Equity Incentive Plan, which grant takes place on the date of our annual meeting of stockholders each year. In his role as executive chairman, Mr. Johnson is also provided with (i) use of a company owned automobile, (ii) use of Copart's corporate aircraft for business use, as well as personal use for up to 100 hours per year, and (iii) the following benefits, generally on the same basis provided to our other employees: health, dental, and vision insurance; dependent care; flexible spending account; short- and long-term disability insurance, accidental death and dismemberment insurance. The Compensation Committee has adopted a policy permitting corporate-owned or leased aircraft to be available for the personal use of Mr. Johnson for up to 100 flight hours per year. The Compensation Committee approved personal use of the corporate-owned or leased aircraft by Mr. Johnson in fiscal 2017 and reviews the personal usage on a quarterly basis. We determine the value of personal use of corporate-owned or leased aircraft based on the aggregate incremental cost to us for such use.

The following table presents information relating to total compensation paid or accrued for services rendered to us in all capacities by our chairman of the board and our non-employee directors for the fiscal year ended July 31, 2017. The table excludes A. Jayson Adair, who is a named executive officer and does not receive any compensation for services provided as a director, and Vincent W. Mitz, who is an executive officer, other than a named executive officer, who does not receive any additional compensation for services provided as a director. See the section below entitled "Executive Compensation" for information about the compensation of Mr. Adair.

There can be no assurances that the amounts disclosed will ever be realized. Assumptions used in the calculation of these amounts are included in Note 1, “Summary of Significant Accounting Policies — Stock-Based Payment Compensation” to our consolidated financial statements included in our Annual Report on Form 10-K for the fiscal year ended July 31, 2017.

(2) Includes \$19,870 related to personal use of a company owned automobile. There was no aggregate incremental cost relating to Mr. Johnson's personal use of the company's aircraft during fiscal 2017.

As of July 31, 2017, the end of our 2017 fiscal year, the aggregate number of stock options outstanding for our executive chairman and each of our non-employee directors was as follows:

Name	Aggregate Number of Shares Underlying Options
Willis J. Johnson	240,000
Matt Blunt	200,000
Steven D. Cohan	480,000
Daniel J. Englander	720,000
James E. Meeks	320,000

Under procedures previously adopted by our board of directors, each non-employee member of our board of directors (other than newly appointed non-employee directors) and, under procedures adopted in September 2014 by the compensation committee of our board of directors, our executive chairman, receives an option grant of 40,000 shares of our common stock on the date of our annual stockholder meeting, at an exercise price per share equal to the closing price of our common stock on the NASDAQ on the date of grant. The stock options granted to our non-employee directors and to Mr. Johnson expire ten years from the date of grant (unless earlier terminated in accordance with the terms of the respective equity plan and related stock option agreement). On December 16, 2016, the date of our 2016 annual meeting of stockholders, each of Messrs. Johnson, Blunt, Cohan, Englander, Meeks, and Tryforos were granted options to purchase 80,000 shares of our common stock under our 2007 Equity Incentive Plan as part of their annual board compensation for fiscal 2017, at an exercise price of \$27.93 per share, which was the closing price of our common stock on the NASDAQ on the date of grant. These option grants and exercise prices reflect the Company's 2-for-1 stock split implemented in the form of a stock dividend effective as of April 10, 2017 to stockholders of record on April 3, 2017. Fifty percent (50%) of the shares subject to each option vest twelve months from the date of grant and 1/24th of the total number of shares underlying each option vest each month thereafter, such that the options will be fully vested two years from the date of grant. Vesting of the options may accelerate if any successor corporation does not assume the options in the event of a change in control.

PROPOSAL NUMBER ONE

ELECTION OF DIRECTORS

General

One of the purposes of our annual meeting is to elect directors to hold office until the 2018 annual meeting of stockholders or until their respective successors are elected and have been qualified. At each annual meeting of stockholders, the terms of each of our incumbent directors expires and all members of our board of directors are elected. Our bylaws permit our board to establish the authorized number of directors within a range from five to nine members. Eight directors are currently authorized.

Nominees

Our nominating and governance committee has nominated the eight individuals listed below for election as directors. All of the nominees for election at the annual meeting are currently our directors. All of the nominees were approved by our nominating and governance committee. Each person nominated for election has agreed to serve if elected, and we have no reason to believe that any nominee will be unavailable to serve. Unless otherwise instructed, the proxy holders will vote all submitted proxies FOR the eight nominees named below. In the event that additional persons are nominated for election as directors, the proxy holders intend to vote all proxies received by them in such a manner (in accordance with cumulative voting) as will ensure the election of as many of the nominees listed below as possible. In such event, the specific nominees to be voted for will be determined by the proxy holders. Directors must be elected by a plurality of the votes cast at the annual meeting. Accordingly, the eight candidates receiving the highest number of affirmative votes of the shares entitled to vote at the annual meeting will be elected to our board of directors.

Each of the following nominees is currently one of our directors. Please see “Biographical Information” below for information concerning each of the following directors standing for election. Please note that all ages set forth below are as of October 17, 2017.

From October 1994 until January 2004, Mr. Englander was employed as an investment banker with Allen & Company, a New York-based merchant bank, serving as a Managing Director from September 2002 until his departure. He holds a B.A. from Yale University.

Mr. Englander's background in investment management and finance enables him to be a valuable resource to our board and to our company with respect to financial and business issues.

James E. Meeks served as our chief operating officer from 1992, when he joined us in connection with our purchase of South Bay Salvage Pool, until his retirement in 2007. From 1995 to 1996, Mr. Meeks also served as our senior vice president and from 1996 until 2007 he served as our executive vice president. From 1986 to 1992, Mr. Meeks, together with his family, owned and operated the South Bay Salvage Pool, a salvage yard company. From 1991 to 2001, Mr. Meeks was an officer, director and part owner of CAS & Meeks, Inc., a towing and subhauling service company. On August 1, 2007, Mr. Meeks relinquished the titles and responsibilities of executive vice president and chief operating officer, and he retired from employment with us on December 31, 2007.

With over thirty years of experience in vehicle dismantling business and extensive experience in the subhauling business as well as his knowledge of our businesses and operations, Mr. Meeks brings to our board deep understanding of many aspects of the salvage market.

Vincent W. Mitz has served as our president since February 2010. From August 2007 to February 2010, Mr. Mitz served as our executive vice president. From May 1995 until July 2007, Mr. Mitz served as our senior vice president of marketing. Previously, Mr. Mitz was employed by NER Auction Systems Inc. At NER, Mr. Mitz held numerous positions, most recently as Vice President of Sales and Operations for NER's New York region from 1990 to 1993 and Vice President of Sales & Marketing from 1993 to 1995.

With over thirty years of experience in the automotive auction industry, including over twenty years with Copart, Mr. Mitz's understanding of our business, operations, and strategy enables him to provide significant insight into our business and operations.

Thomas N. Tryforos has been a private investor since 2005. Between May 1991 and September 2004, Mr. Tryforos was a General Partner at Prescott Investors, Inc., a private investment firm. Mr. Tryforos also serves as a director of Credit Acceptance Corporation, a publicly-traded indirect auto finance company. Mr. Tryforos received a B.A. from Columbia College in 1981. He received an M.B.A. in accounting and finance from Columbia Business School in 1984.

Mr. Tryforos' significant experience in investing and financial matters enables him to provide insight and be a valuable resource to our board of directors and our company with respect to investment and financial matters.

There are no family relationships among any of our directors or executive officers, except that A. Jayson Adair is the son-in-law of Willis J. Johnson.

PROPOSAL NUMBER TWO

ADVISORY VOTE ON APPROVAL OF EXECUTIVE COMPENSATION

This year we are asking our stockholders to cast a non-binding advisory vote to approve the compensation of our named executive officers identified in the Fiscal Year 2017 Summary Compensation Table in the “Executive Compensation” section of this proxy statement as required by Section 14A of the Exchange Act. Section 14A was added to the Exchange Act by Section 951 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act). The advisory vote on the approval of executive compensation is a non-binding vote on the compensation of our named executive officers, as described in the “Compensation Discussion and Analysis” section, the tabular disclosure regarding such compensation, and the accompanying narrative disclosure, set forth in this proxy statement. The Dodd-Frank Act requires us to hold the advisory vote on the approval of executive compensation at least once every three years.

Our compensation for our named executive officers has been supported by a majority of the votes cast by our stockholders since proxy voting on named executive officer compensation began in 2011. However, the support of our stockholders for our executive compensation program declined from approximately 98% of the votes cast by our stockholders at our 2013 annual meeting to approximately 60% of the votes cast by our stockholders at our 2014 annual meeting. While this represented an approval of our executive compensation program, we were concerned by the significant decrease in the percentage approval from the prior year. In response to the decrease in stockholder support, Mr. Adair proposed that our compensation committee approve an amendment to each of his and Mr. Mitz’s stand-alone stock option award agreements dated December 16, 2013 (referred to as the Stock Option Agreements). The amendment removed the provision in the Stock Option Agreements providing at times prior to a “change in control” (as defined in the Stock Option Agreements) for the immediate vesting in full of the underlying option upon an involuntary termination of Mr. Adair or Mr. Mitz, as applicable, without “cause” (as defined in the Stock Option Agreements). As a result, the vesting of Mr. Adair’s and Mr. Mitz’s stock option awards will not accelerate (either in part or in full) if either or both of them were terminated without “cause” prior to a “change in control.” The compensation committee approved the amendment to Mr. Adair’s and Mr. Mitz’s agreements as a means to mitigate conditions under the Stock Option Agreements that could lead to a pay-for-failure scenario for either Mr. Adair or Mr. Mitz. On June 2, 2015, each of Mr. Adair and Mr. Mitz entered into amended and restated stand-alone stock option agreements reflecting such amendment. Subsequently, the support of our stockholders for our executive compensation program increased from approximately 60% of the votes cast by our stockholders at our 2014 annual meeting, to approximately 89% of the votes cast by our stockholders at our 2016 annual meeting.

At our 2011 annual meeting of stockholders, we asked our stockholders to indicate if we should hold an advisory vote to approve the compensation of our named executive officers every one, two, or three years, with our board of directors recommending an annual advisory vote. Because our board of directors views it as a good corporate governance practice, and because more than 92% of the votes cast were in favor of an annual advisory vote, we are again asking our stockholders to approve the compensation of our named executive officers as disclosed in this proxy statement.

Compensation Program and Philosophy

Our executive compensation program is designed to:

- to attract and retain talented and experienced executives;
- to motivate and reward executives whose knowledge, skills, and performance are critical to our success; and
-

to incentivize our executives to manage our business to meet our long-term objectives and the long-term objectives of our stockholders.

Under this program, our named executive officers are rewarded for the achievement of specific short-term and long-term goals that enhance stockholder value. Stockholders are urged to read the “Compensation Discussion and Analysis” section of this proxy statement, which describes our executive compensation program and contains information about the fiscal 2017 compensation of our named executive officers. Our compensation committee and our board of directors believe that our compensation design and practices are effective in implementing our executive compensation goals.

We are asking our stockholders to indicate their support for the compensation of our named executive officers as described in this proxy statement by voting in favor of the following resolution:

“RESOLVED, that the stockholders approve, on an advisory basis in a non-binding vote, the compensation of Copart, Inc.’s named executive officers as disclosed pursuant to Item 402 of Securities and Exchange Commission Regulation S-K, including the Compensation Discussion and Analysis, the compensation tables and narrative disclosures set forth in the proxy statement relating to Copart’s 2017 annual meeting of stockholders.”

Required Vote

The affirmative “FOR” votes must exceed the votes cast “AGAINST” to approve, on an advisory basis, the compensation awarded to our named executive officers for the fiscal year ended July 31, 2017. You may vote “FOR,” “AGAINST,” or “ABSTAIN” on this proposal. Abstentions and broker non-votes are not counted as votes “FOR” or “AGAINST” this proposal.

Even though this say-on-pay vote is advisory and, therefore, will not be binding on us, our compensation committee and our board of directors value the opinions of our stockholders. Accordingly, to the extent there is a significant vote against the compensation of our named executive officers, we will consider our stockholders’ concerns, and our compensation committee will evaluate what actions may be necessary or appropriate to address those concerns.

Recommendation of our Board of Directors

Our board of directors unanimously recommends that stockholders vote FOR the approval, on an advisory (non-binding) basis, of the compensation of our named executive officers as disclosed in this proxy statement.

PROPOSAL NUMBER THREE

ADVISORY VOTE ON FREQUENCY OF STOCKHOLDER ADVISORY VOTE ON EXECUTIVE COMPENSATION

General

As required by the Dodd-Frank Act, we also are asking our stockholders to provide their input with regard to the frequency of future stockholder advisory votes on our executive compensation programs, such as Proposal Number 2 of this proxy statement. In particular, we are asking whether the advisory vote on executive compensation should occur once every year, every two years or every three years.

After considering this agenda item, our board of directors has determined that an annual advisory vote on executive compensation is the most appropriate alternative for Copart. The board of directors' determination was influenced by the fact that the compensation of our named executive officers is evaluated, adjusted, and approved on an annual basis. As part of the annual review process, the board of directors believes that stockholder opinion should be a factor that is taken into consideration by the board of directors and the compensation committee in making decisions with respect to executive compensation. By providing an advisory vote on executive compensation on an annual basis, our stockholders will be able to provide us with direct input on our compensation philosophy, policies and practices as disclosed in the proxy statement every year. We understand that our stockholders may have different views as to what is the best approach for Copart, and we look forward to hearing from our stockholders on this agenda item annually. Accordingly, our board of directors recommends that the advisory vote on executive compensation be held every year.

You may cast your vote by choosing the option of one year, two years, three years, or abstain from voting in response to the resolution set forth below:

“RESOLVED, that the option of once every year, two years, or three years that receives the highest number of votes cast for this resolution will be determined to be the preferred frequency with which Copart, Inc. is to hold an advisory vote by stockholders to approve the compensation of Copart, Inc. named executive officers as set forth in the proxy statement relating to Copart’s 2017 Annual Meeting of Stockholders under the caption “Executive Compensation”, including the section captioned “Compensation Discussion and Analysis”, the tabular disclosure regarding executive compensation, and the accompanying narrative disclosure.”

Required Vote

The choice of frequency that receives the highest number of affirmative “FOR” votes will be considered the advisory vote of our stockholders. You may vote “FOR” one year, “FOR” two years, or “FOR” three years or “ABSTAIN.” A properly executed proxy marked “ABSTAIN” with respect to the frequency of the stockholder vote on executive compensation will not be counted with respect to such proposal although it will be counted for purposes of determining whether there is a quorum. Abstentions and broker non-votes will not affect the outcome of this proposal.

Even though your vote is advisory and, therefore, will not be binding on Copart, the board of directors and the compensation committee value the opinions of our stockholders and will consider our stockholders’ vote. Nonetheless, our board of directors may decide that it is in the best interests of our stockholders and Copart to hold an advisory vote on executive compensation more or less frequently than the option voted by our stockholders.

Recommendation of our Board of Directors

Our board of directors unanimously recommends that stockholders vote FOR the approval, on an advisory (non-binding) basis, of the option of once every year as the frequency with which stockholders are provided an advisory vote on executive compensation.

PROPOSAL NUMBER FOUR

RATIFICATION OF APPOINTMENT OF INDEPENDENT PUBLIC REGISTERED ACCOUNTING FIRM

General

Our audit committee has appointed Ernst & Young LLP as our independent registered public accounting firm to audit our consolidated financial statements for the current fiscal year ending July 31, 2018. A representative of Ernst & Young LLP is expected to be present at the annual meeting, will have the opportunity to make a statement if he or she desires to do so, and will be available to respond to appropriate questions. Stockholder ratification of the appointment of Ernst & Young LLP is not required by our bylaws or otherwise. Our audit committee is submitting the appointment of Ernst & Young LLP to the stockholders for ratification as a matter of good corporate practice.

In the event our stockholders fail to ratify the appointment of Ernst & Young LLP, our audit committee will reconsider its selection. Even if the selection of the independent registered public accounting firm is ratified by our stockholders, our audit committee may, in its discretion, direct the appointment of a different independent registered public accounting firm at any time during the year if it feels that such a change would be in the best interests of the company and our stockholders.

Required Vote

The affirmative “FOR” votes must exceed the votes cast “AGAINST” to ratify the appointment by the audit committee of our board of directors of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending July 31, 2018. You may vote “FOR,” “AGAINST,” or “ABSTAIN” on this proposal. Abstentions are not counted as votes “FOR” or “AGAINST” this proposal.

Recommendation of our Board of Directors

Our board of directors unanimously recommends that stockholders vote FOR the ratification of the appointment by the audit committee of our board of directors of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending July 31, 2018.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm

Our audit committee’s policy is to pre-approve all audit and permissible non-audit services provided by the independent registered public accounting firm (or subsequently approving audit and permitted non-audit services in those circumstances where a subsequent approval is necessary and permissible). These services may include audit services, audit-related services, tax services, and other services. Pre-approval is generally provided for up to one year. Our independent registered public accounting firm and management are required to periodically report to our audit committee regarding the extent of services provided by our independent registered public accounting firm in accordance with this pre-approval. Our audit committee may also pre-approve particular services on a case-by-case basis. In addition, the charter of our audit committee provides that our audit committee may delegate to one or more designated members the authority to pre-approve audit and permissible non-audit services, provided such pre-approval decision is presented to our audit committee at its scheduled meetings.

Report of the Audit Committee

The audit committee of Copart’s board of directors consists of Messrs. Cohan, Englander, and Blunt. The audit committee has reviewed and discussed with management and Ernst & Young LLP our audited consolidated financial statements and financial reporting processes. Our management has the primary responsibility for our financial statements and financial reporting processes, including the system of internal controls. Ernst & Young LLP, our current independent registered public accounting firm, is responsible for performing an independent audit of our consolidated financial statements and for expressing an opinion on the conformity of those financial statements with generally accepted accounting principles. The audit committee reviews and monitors these processes and receives reports from Ernst & Young LLP and management. The audit committee also discusses with Ernst & Young LLP the overall scope and plans of their audits, their evaluation of our internal controls, and the overall quality of our financial reporting processes.

The audit committee has discussed with management and the independent registered public accounting firm the matters required to be discussed by Auditing Standard No. 16, Communications with Audit Committees, as adopted by the Public Company Accounting Oversight Board (PCAOB). These discussions included the clarity of the disclosures made therein, the underlying estimates and assumptions used in the financial reporting, and the reasonableness of the significant judgments and management decisions made in developing the financial statements. In addition, the audit committee has discussed with the independent registered public accounting firm their independence from us and our management and the independent registered public accounting firm provided the written disclosures and the letter required by the Public Company Accounting Oversight Board Rule 3526, “Communication with Audit Committees Concerning Independence” and considered the compatibility of non-audit services with the independent registered public accounting firm’s independence.

On an annual basis, the audit committee obtains from the independent registered public accounting firm a written communication delineating all their relationships and professional services as required by PCAOB Rule 3526,

“Communication with Audit Committees Concerning Independence.” In addition, the audit committee reviewed with the independent registered public accounting firm the nature and scope of any disclosed relationships or professional services and took, or recommended that our board of directors take, appropriate action to ensure the continuing independence of the independent registered public accounting firm.

Based upon the reviews, discussions and considerations referred to above, the audit committee has recommended to the board of directors that our audited consolidated financial statements be included in our Annual Report on Form 10-K for fiscal year 2017, and that Ernst & Young LLP be appointed as our independent registered public accounting firm for the fiscal year ending July 31, 2018.

Respectfully submitted by:

The audit committee of the board of directors

Steven D. Cohan (chairman)

Daniel J. Englander

Matt Blunt

EXECUTIVE COMPENSATION

Forward-Looking Statements

This proxy statement, including the section entitled “Compensation Discussion and Analysis” set forth below, contains “forward-looking statements” within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Exchange Act. These statements are based on our current expectations and involve risks and uncertainties that may cause our actual results to differ materially from those anticipated by forward-looking statements. These forward-looking statements may include statements regarding actions to be taken by us in the future. We undertake no obligation to publicly update any forward-looking statement, whether as a result of new information, future events, or otherwise. Forward-looking statements should be evaluated together with the many uncertainties that affect our business, particularly those mentioned in the section on forward-looking statements and in the risk factors in Item 1A of our Annual Report on Form 10-K for the fiscal year ended July 31, 2017 and in our periodic reports on Form 10-Q and current reports on Form 8-K as filed with the SEC.

Compensation Discussion and Analysis

Overview of Executive Compensation Programs

This section of our proxy statement provides an overview of our executive compensation programs, the material decisions we have made with respect to each element of our executive compensation programs, and the material factors we considered when making those decisions. Following this discussion, you will find further information in the executive compensation tables about the compensation earned by or paid to each of our “named executive officers,” including details of fiscal 2017 compensation of our named executive officers in the Fiscal Year 2017 Summary Compensation Table. For fiscal 2017, our named executive officers determined in accordance with the rules of the Securities and Exchange Commission consisted of (i) A. Jayson Adair, our chief executive officer, (ii) Jeffrey Liaw, our senior vice president and chief financial officer, (iii) William E. Franklin, our executive vice president, U.S. operations and shared services; and (iv) Vikrant Bhatia, our former executive vice president, strategic initiatives. Vincent W. Mitz, our President, is not a named executive officer for 2017 because, as described below, he received no new compensation in fiscal 2017 because his compensation is entirely in the form of the vesting of previously granted options.

Role of Our Compensation Committee

The compensation committee of our board of directors administers our executive compensation programs. The compensation committee seeks to ensure that the total compensation paid to our executive officers is fair and reasonable and that it serves the best interests of Copart and our stockholders. In carrying out its responsibilities, the committee:

- Participates in the continuing development of and reviews and approves changes in our compensation policies;
- Reviews and approves each element of executive compensation, taking into consideration management recommendations; and
- Administers our equity incentive plans, for which it retains authority to approve grants of awards to any of our executive officers.

In addition, the charter of our compensation committee provides that our compensation committee may form and delegate authority to subcommittees when appropriate.

Our compensation committee consisted of Messrs. Cohan, Englander, and Tryforos during fiscal 2017. Mr. Englander serves as the chair of our compensation committee. Our board of directors has determined that each of the foregoing members of the compensation committee was and is an independent director under NASDAQ rules, an “outside director” for purposes of Section 162(m) of the Internal Revenue Code, and a “non-employee director” for purposes of Rule 16b-3 under the Exchange Act.

Our compensation committee operates according to a charter that details its specific duties and responsibilities. A copy of the charter is available in the Investor Relations section of our corporate website at <http://www.copart.com/Content/US/EN/Investor-Relations/Compensation-Committee-Charter>.

Role of Management in Compensation Process

Our chief executive officer, president, chief financial officer, and human resources department support our compensation committee's work by providing our compensation committee with information related to our financial plans, performance assessments of our executive officers, and other personnel-related data.

Each executive officer participates in our annual goal-setting and performance measurement process applicable to all employees. As part of this annual process, each executive officer proposes qualitative, individual goals and objectives for the coming fiscal year that are intended to promote continuing organizational and process improvements and to contribute to our operating results and financial condition. These proposed goals are then reviewed with each executive officer and are subsequently approved following that review by our chief executive officer and our president. Our compensation committee does not participate in the setting of qualitative goals and objectives for our executive officers. Each officer's goals are specifically tailored to his function and may vary from year to year. Our chief executive officer, as the person to whom our other officers directly report, is responsible for evaluating individual officers' contributions to corporate objectives as well as their performance relative to individual objectives. Assessment of individual performance may include objective criteria, such as the execution of projects in a timely manner, but is largely subjective.

Following the end of each fiscal year and after the completion of the performance measurement process described above, our chief executive officer makes recommendations to our compensation committee with respect to all elements of compensation for each of our executive officers other than himself. While we review all elements of compensation on an annual basis (i.e., base salary, cash incentive, and equity), we do not operate on a specific compensation calendar under which we would be expected to make adjustments to each element on a cyclical annual basis. For example, we may make equity incentive awards to individual officers only every two or three years but may also approve awards in consecutive years. Our chief executive officer makes recommendations with respect to any adjustments based on numerous quantitative and qualitative factors that may vary from officer to officer. Factors such as recent corporate performance, individual performance relative to assigned responsibilities and objectives, and our assessment of competitive and retention considerations may influence our chief executive officer's recommendations with respect to our senior management team. Following receipt of these recommendations, our compensation committee discusses them first with the chief executive officer present and then in executive session without members of management present. Members of management do not participate in final determinations of their own compensation. Our compensation committee is solely responsible for the final approval of all forms of executive compensation. While the committee considers the recommendations of management, in particular Mr. Adair as they relate to our senior management team, it does not always follow those recommendations.

Our compensation committee has the authority under its charter to engage the services of outside advisors for assistance. Our compensation committee has neither relied on nor has it retained outside advisors for purposes of making determinations with respect to executive compensation.

Compensation Philosophy and Program Design

The principal objectives of our compensation and benefits programs for executive officers are to:

- Attract and retain senior executive management;
- Motivate their performance toward corporate objectives; and
- Align their long-term interests with those of our stockholders.

Our compensation committee believes that maintaining and improving the quality and skills of our management team and appropriately providing incentives for their performance are critical factors that will affect the long-term value realized by our stockholders.

As further described below, compensation for our executive officers has historically consisted of four main elements: base salary, cash bonus, equity-based incentive awards, and benefits and perquisites. Since fiscal 2009, Mr. Adair has agreed to forego cash compensation in favor of an all-equity compensation program together with participation in employee benefit plans and certain perquisites described in the Summary Compensation Table. Other than Mr. Adair's all-equity program, our compensation committee has not adopted any formal or informal policies or guidelines for allocating compensation between cash and equity compensation or among different forms of non-equity compensation for our named executive officers. Our compensation committee believes that a substantial portion of an executive officer's compensation should be performance-based, whether in the form of cash bonus or equity compensation. We consider "performance-based" compensation to be the portion of an executive's total compensation that is determined based on the executive's individual contribution to our strategic goals and operating results, as in the case of discretionary cash bonuses and equity awarded in recognition of individual performance. As discussed below, Mr. Adair's compensation program is entirely performance-based as his ability to realize any material compensation from us during the ten year period from April 2009

to April 2019 depends on the market price performance of our common stock. Our other executive officers also participate in our equity compensation programs, and we have typically paid discretionary cash bonuses based principally on the recommendation of our chief executive officer and largely subjective reviews by our compensation committee of corporate and individual performance.

Historically, we have not determined our compensation levels based on specific peer company benchmarks or analyses prepared by outside compensation consultants. Rather, our compensation committee has based its determinations on the committee's collective assessment of quantitative, as well as subjective, factors relating to corporate and individual performance and on the committee's experience and view of appropriate levels of compensation in light of our size and operating budgets; the increasing geographic and operational scope of our business; the specific responsibilities of the individual officer; and the committee's assessment of the performance of the individual officer.

Our compensation committee traditionally makes its determinations concerning base salary, cash bonuses, and additional equity incentive awards annually after the end of each fiscal year based on a review of our financial performance during the prior fiscal year as measured against the operating plan approved by the board of directors for the applicable fiscal year; the committee's quantitative assessment of corporate performance and its qualitative assessment of each individual officer's contribution toward corporate performance; and the recommendations of our chief executive officer. Although the committee has historically not identified specific financial performance targets, its annual analysis has focused on quantitative factors including trends in our revenues and earnings per share. Our compensation committee does not take a formulaic approach to setting compensation for our executive officers but does consider whether we met or exceeded our operating plan for a particular fiscal year when making its determinations of appropriate levels of compensation for our executive officers. The committee also reviews subjective factors such as the growth in the scope of our operations, our performance in effectively integrating acquisitions, and our performance in implementing key corporate strategic initiatives.

Our compensation committee believes that our historic levels of executive compensation have been reasonable and appropriate in light of the size of our business, both financially and operationally, the substantial contribution of our long-tenured executive team in contributing to our historical growth, and the need to retain our key executive officers who have substantial levels of industry and Copart-specific experience.

Response to 2016 Advisory Stockholder Vote on Executive Compensation

We value the opinions of our stockholders, and, as noted above, our compensation committee considers whether our executive compensation serves the best interests of our stockholders. In that respect, as part of its ongoing review of our executive compensation, the compensation committee considered the results of our 2016 say-on-pay vote. At our 2016 annual meeting of stockholders, approximately 89% of the votes cast on the say-on-pay proposal were in favor of the executive compensation of our named executive officers described in last year's proxy statement.

All Equity Compensation Program for Mr. Adair and Mr. Mitz

At the beginning of fiscal 2014, Mr. Adair, our chief executive officer, and Mr. Mitz, our president, presented our compensation committee with a proposal to grant to each of them a sizable stock option in lieu of cash and additional equity. Mr. Adair and Mr. Mitz agreed to forego all salary and bonus compensation, other than \$1.00 per year, in exchange for such stock option grant. With respect to Mr. Adair, this proposal continued the all-equity compensation program that he proposed and our stockholders approved in fiscal 2009. In addition to agreeing to forego any cash compensation in excess of \$1.00, Mr. Adair and Mr. Mitz also agreed to forego any additional equity incentive awards until the newly granted options are fully vested. Our compensation committee believed the proposal demonstrated an extraordinary commitment by Mr. Adair and Mr. Mitz to continue to grow our business and increase our stockholder value as well as their strong belief in our business model and future prospects. Finally, our compensation committee

believes this compensation program serves to align the individual interests of Mr. Adair and Mr. Mitz with those of our stockholders to the maximum extent possible.

Following extensive analysis and discussions among our compensation committee members, our compensation committee met and approved a stock option in lieu of cash or additional equity compensation program for Mr. Adair and Mr. Mitz on October 2, 2013. Specifically, subject to stockholder approval, our compensation committee and board of directors, excluding Mr. Adair and Mr. Mitz, approved the grant of a non-qualified stock option to each of Mr. Adair and Mr. Mitz on the following terms (adjusted to reflect the Company's 2-for-1 stock split implemented in the form of a stock dividend effective as of April 10, 2017 to stockholders of record on April 3, 2017):

Number of Shares Subject to Option	4,000,000 shares of our common stock for Mr. Adair. 3,000,000 shares of our common stock for Mr. Mitz.
Exercise Price	Equal to the closing price of our common stock in trading on the NASDAQ on the date of grant.
Vesting	Mr. Adair: twenty percent (20%) of the shares become exercisable on April 15, 2015; the balance of the shares become exercisable on a monthly basis over forty-eight months at the rate of 66,667 shares per month. Mr. Mitz: twenty percent (20%) of the shares become exercisable on the first anniversary of the date of grant; the balance of the shares become exercisable on a monthly basis over forty-eight months at the rate of 49,998 shares per month.
Vesting Acceleration Triggers	Upon a termination of the officer's employment by us without cause (as defined) before or following a change in control or resignation for good reason (as defined) following a change in control, the option would become fully vested. As discussed below in this section, this provision was amended in June 2015 to remove the provision allowing for vesting upon a termination of the officer's employment without cause before a change in control.
Option Term	Ten years; provided that in the event of a voluntary termination (other than for good reason following a change-in-control) or involuntary termination for cause at any time, to the extent vested, within twelve (12) months of the date of termination.

On December 16, 2013, our stockholders (with Mr. Adair and Mr. Mitz abstaining from the vote) approved the equity grants for Mr. Adair and Mr. Mitz described above. Mr. Adair was granted an option to purchase 4,000,000 shares of our common stock, and Mr. Mitz was granted an option to purchase 3,000,000 shares of our common stock, each on the terms and conditions set forth above with an exercise price of \$17.81 per share, which equaled the fair market value of our common stock on the date of grant. As a result, neither Mr. Adair nor Mr. Mitz is eligible to be considered for any additional compensation other than their salaries of \$1.00 per year and appropriate benefits and perquisites during the five year vesting term of their respective stock options.

On June 2, 2015, following a recommendation from Mr. Adair, our compensation committee amended the Stock Option Agreements for each of Mr. Adair and Mr. Mitz, to remove the provision permitting the acceleration of the shares underlying the stock option in the event such officer is terminated without cause other than in connection with a change in control.

Principal Components of Executive Compensation

The following discussion outlines the principal elements of executive compensation for our named executive officers other than Messrs. Adair and Bhatia.

Base Salary

We pay an annual base salary to our executive officers in order to provide them with a fixed rate of cash compensation during the year. Base salary for our executive officers reflects the scope of their respective responsibilities, seniority, and competitive market factors. Salary adjustments are determined by our compensation committee, generally following its review of recommendations from the chief executive officer. Any adjustments are made following consideration of competitive factors, our overall financial results, our budget requirements, and the committee's assessment of individual performance. As noted previously, we do not adjust base salaries on a fixed annual cycle, and the timing of base salary adjustments may depend on a number of factors that vary among individual executives.

Fiscal 2017 Base Salary. In October 2016, following the completion of our 2016 fiscal year and based in part on the recommendation of Mr. Adair and an assessment of base salary levels, our compensation committee increased Mr. Franklin's base salary by 5.5% and Mr. Liaw's salary by 20%. Mr. Liaw's substantial percentage increase in base salary relative to fiscal 2016 reflected, among other factors, the compensation committee's views of his relative contribution to Copart as well as an attempt to bring his base salary to an amount more competitive with Chief Financial Officer positions of companies of our size.

Fiscal 2018 Base Salary. In October 2017, following the completion of our 2017 fiscal year, our compensation committee again reviewed base salaries for our named executive officers. Based in part on the recommendation of Mr. Adair and in part on their consideration of other subjective factors, including their views of competitive levels of compensation for a company of our size, scale, and market capitalization, our compensation committee approved an increase in the base salaries for Messrs. Franklin and Liaw for fiscal 2018 by 5.3% and 10%, respectively. The base salaries were made effective in October 2017. The percentage increases in base salary relative to fiscal 2017 for Messrs. Franklin and Liaw reflect, among other things, the compensation committee's view of their relative contributions to Copart discussed further below.

The compensation committee did not rely on any formal compensation survey data in making its assessments regarding fiscal 2017 or 2018 base salaries.

The following table presents base salary information for the named executive officers for fiscal years 2016, 2017, and 2018:

Named Executive Officer	Fiscal 2016 Base Salary	Fiscal 2017 Base Salary	% Increase	Fiscal 2018 Base Salary	% Increase
A. Jayson Adair	\$1	\$1	—	\$1	—
Jeffrey Liaw	\$250,000(1)	\$300,000	20 %	\$330,000	10 %
William E. Franklin	\$450,000	\$475,000	5.5 %	\$500,000	5.3 %
Vikrant Bhatia	\$350,000(2)	\$350,000	—	\$—	—

(1)Mr. Liaw commenced employment in fiscal 2016 (January 2016).

(2)Mr. Bhatia resigned from his employment in fiscal 2017 (December 2016).

Discretionary Cash Bonuses

Our annual discretionary cash bonus program for officers and other employees is designed to reward performance that has furthered key corporate objectives, including financial objectives, and to recognize individual contributions to strategic initiatives.

We did not adopt a formal bonus plan for or during fiscal 2017 and do not expect to adopt any formal program for fiscal 2018.

As a result, for fiscal 2018, our bonus program will continue to consist of discretionary bonuses as determined by our compensation committee.

We believe the use of a discretionary bonus program provides our compensation committee with the flexibility needed to address pay-for-performance as well as recruiting and retention goals. The amount of a discretionary bonus, if any, to be awarded to an executive officer is based on our compensation committee's review of individual and corporate performance and the recommendations of our chief executive officer.

In October 2017, as part of its annual review of executive compensation, our compensation committee met to consider cash bonus awards for our named executive officers. In determining fiscal 2017 cash bonus awards for our named executive officers (other than Messrs. Adair and Bhatia), our compensation committee considered individual contributions to corporate financial and business performance during the applicable fiscal year, including our operating results, expense management initiatives and corporate business development projects. Additionally, for the benefit of the committee, Mr. Adair reviewed each individual officer's performance relative to the categories, with specific discussion of how individual functional areas contributed to the larger corporate strategic objectives.

Mr. Franklin's annual bonus increased by 20% between fiscal 2016 and 2017, reflecting his continued strong performance as our executive vice president, particularly with respect to strategic land acquisitions, responding to weather catastrophes, and driving operational performance in our North American business. Mr. Liaw's annual bonus increased by 19.4% between fiscal 2016 and 2017. The amount was determined based on the committee's consideration of his strong performance as our chief financial officer, particularly regarding his effective leadership of our finance organization, and our efforts in investor relations and corporate development.

Based on its review of these factors with our chief executive officer the compensation committee approved the following cash bonuses for our named executive officers:

29

Named Executive Officer	Fiscal	Fiscal
	2016 Cash Bonus Amount	2017 Cash Bonus Amount
A. Jayson Adair	\$—	\$—
Jeffrey Liaw	\$272,178	\$325,000
William E. Franklin	\$500,000	\$600,000
Vikrant Bhatia	\$—	\$—

Equity-Based Incentives

We grant equity-based incentives to certain employees, including our named executive officers, in order to foster a corporate culture that aligns employee interests with stockholder interests. Our equity incentive plans have provided the principal method for our executive officers to acquire an equity position in our company. Following approval by the stockholders of the option grant to Mr. Adair, our compensation committee deemed him ineligible to be awarded any additional equity compensation for the five year period ending on April 15, 2019.

While we have not adopted any specific stock ownership guidelines for our named executive officers or directors, our named executive officers and directors do own a substantial portion of our common stock. As part of our insider trading policy we prohibit any member of the board of directors, officer, employee, consultant or other person associated with us from trading in any interest or position relating to the future price of our securities, such as a put, call or short sale, or using our stock as collateral for margin loans.

Only our compensation committee is authorized to grant awards to our executive officers under our equity incentive plans. With respect to executive officers, our practice has been to evaluate whether and to what extent to grant options to executive officers as part of the annual review process immediately after the end of each fiscal year, although we have not always granted annual option awards to our executive officers and the individual officers receiving awards may vary from year to year. Generally, in making its determination concerning additional option grants, our compensation committee considers individual performance, competitive factors, the individual's current level of compensation and equity participation, and the recommendations of our chairman and chief executive officer.

To date, our equity incentive awards to executive officers have been granted primarily with time-based vesting. Our option grants typically vest over a five year period with 20% of the shares vesting on the one year anniversary of the date of grant and the remaining shares vesting in equal monthly installments over the remaining four years. Although our practice in recent years has been to provide equity incentives to executives in the form of stock option grants that vest over time, our compensation committee may in the future consider alternative forms of equity grants, such as performance shares, restricted stock units, restricted stock awards, or other forms of equity grants as allowed under our 2007 Equity Incentive Plan, with vesting of awards based on the achievement of performance milestones or financial metrics.

Generally, our compensation committee considers, and, if it determines appropriate, approves option grants for our executive officers following the end of each fiscal year. Our compensation committee determines the size of these grants based on a number of subjective factors, including the individual executive officer's contribution to our performance in the prior fiscal year, and less subjective factors such as the relative vested versus unvested equity position of the individual executive.

In October 2013, our compensation committee approved the grant of stock options to Mr. Adair of 4,000,000 shares, and on December 16, 2013 our stockholders approved such grant. As a result, Mr. Adair is not eligible for any additional equity compensation during the five year vesting term of the stock option.

Equity Awards for Fiscal 2017 Performance

In October 2017, our compensation committee met and discussed the grant of stock options to our named executive officers (other than Messrs. Adair and Bhatia). Our compensation committee determined that Messrs. Franklin and Liaw would be granted stock options related to their fiscal 2017 performance. Our compensation committee determined the size of these grants based on a number of subjective factors, including contribution to our performance in fiscal 2017 and input from our chief executive officer. As with any annual adjustments to the base salaries and discretionary cash bonuses, our executive officers do not necessarily receive an annual grant of stock options. The grants to Messrs. Franklin and Liaw were effective on October 4, 2017, at an exercise price of \$34.78 per share, respectively, which was the closing price of our common stock on the NASDAQ on the date of grant.

All of the foregoing stock options vest as follows: twenty percent (20%) of the shares subject to each option granted will vest twelve months after the vesting commencement date and the remaining shares will vest in equal monthly installments thereafter over the following four year period, subject to the executive officer continuing to be a service provider to us as of each vesting date.

The following table presents the number of option shares under our 2007 Equity Incentive Plan for the named executive officers for fiscal year 2017:

Named Executive Officer	Number of Option Shares
A. Jayson Adair	—
Jeffrey Liaw	100,000(1)
William E. Franklin	—
Vikrant Bhatia	—

(1)Mr. Liaw was granted an option to purchase 100,000 shares on October 10, 2016.

Benefits and Perquisites

We provide the following benefits to our named executive officers, generally on the same basis provided to our other employees: health, dental, and vision insurance, medical and dependent care flexible spending account, short- and long-term disability insurance, accidental death and dismemberment insurance, and a 401(k) plan. We match employee contributions to the 401(k) plan at a rate of 20% of each dollar contributed, up to 15% of annual pay, with a maximum contribution of \$3,600 for fiscal 2016.

We provide Mr. Adair with a company-owned automobile that may be used for personal purposes and Messrs. Liaw and Franklin with a monthly automobile expense allowance. Mr. Bhatia also received a monthly automobile expense allowance during the portion of fiscal 2017 that he served the company.

The Compensation Committee has adopted a policy permitting corporate-owned or leased aircraft to be available for the personal use of Mr. Adair for up to 100 flight hours each per year. The Compensation Committee approved personal use of the corporate-owned or leased aircraft by Mr. Adair in fiscal 2017 and reviews the personal usage on a quarterly basis. We determine the value of personal use of corporate-owned or leased aircraft based on the aggregate incremental cost to us for such use.

Please see the column entitled “All Other Compensation” in the summary compensation table set forth in this proxy statement for the amounts attributable to our named executive officers with respect to benefits and perquisites.

Other Considerations

Post-Employment Obligations

Each of our executives is an “at will” employee, and we are not party to written employment agreements with our named executive officers, other than with Mr. Franklin, our executive vice president, U.S. operations and shared services, and Mr. Liaw, our senior vice president and chief financial officer, whose agreements provide, under certain circumstances, for certain payments upon involuntary termination of employment or resignation for “good reason” (as defined in the applicable agreement). Our compensation committee believes the terms of these agreements are fair and reasonable and are in our best interests and in the best interests of our stockholders. For a description of the material terms of these agreements, please see “Employment Contracts and Severance Arrangements with Named Executive Officers” in the section entitled “Potential Post-Employment Payments Upon Termination or Change in Control”

included in this proxy statement.

Tax Deductibility of Compensation

Section 162(m) of the Code limits the tax deductibility of non-performance based compensation paid to our chief executive officer and to each of our three most highly compensated officers (other than our chief executive officer and chief financial officer) to \$1 million per person per year, unless certain exemption requirements are satisfied. Exemptions to this deductibility limit may be made for various forms of “performance-based” compensation that are approved by our stockholders. At our 2013 annual meeting, we asked our stockholders to approve certain changes to the material terms of the 2007 Equity Incentive Plan to allow us the ability to grant awards that qualify as a “performance-based” compensation under Section 162(m) and preserve our ability to take a tax

31

deduction for compensation recognized in connection with awards granted under these plans in excess of \$1 million per year. We may from time to time pay compensation or grant equity awards to our executive officers, however, that may not be deductible when, for example, we believe that such compensation is appropriate and in the best interests of our stockholders, after taking into consideration changing business conditions and/or the executive officer's performance. In addition, at our 2013 annual meeting, we asked our stockholders to approve the stock option grants to Mr. Adair and Mr. Mitz, which are designed to qualify as "performance-based" compensation under Section 162(m). As both proposals were approved by our stockholders, we will be able to take a tax deduction in excess of \$1 million per year for any compensation recognized by Mr. Adair or Mr. Mitz in connection with these stock option grants.

Section 409A of the Internal Revenue Code

Section 409A imposes additional significant taxes in the event an executive officer, director, or other service provider for the company receives "deferred compensation" that does not satisfy the requirements of section 409A. Although we do not maintain a traditional deferred compensation plan, section 409A may apply to certain severance arrangements and equity awards. Consequently, to assist the affected employee in avoiding additional tax and penalties under section 409A, we developed the severance arrangements described above in "Post-Employment Obligations" to either avoid the application of section 409A or, to the extent doing so is not possible, comply with the applicable section 409A requirements.

Equity Grant Practices

In June 2007, our compensation committee and board of directors adopted a policy with respect to the grant of stock options and other equity incentive awards. Among other provisions, the policy generally prohibits the grant of stock options or other equity awards to executive officers during closed quarterly trading windows (as determined in accordance with our insider trading policy). In addition, the equity grant policy requires that all equity awards made to executive officers be approved at meetings of our compensation committee rather than by written consent of the committee.

Employment Contracts and Severance Arrangements with Named Executive Officers

We are a party to written employment agreements with William E. Franklin, our executive vice president, U.S. operations and shared services, and Jeffrey Liaw, our senior vice president and chief financial officer. These employment agreements set forth the base salary, bonus opportunity, benefits and the responsibilities of the position, as applicable, in effect at the time of execution of the agreement. In addition, the executive employment agreements require us to provide compensation to the executive in the event of termination of employment under certain circumstances.

Mr. Franklin's employment agreement provides that in the event his employment is involuntarily terminated without cause or he resigns from his employment for "good reason," and conditioned on his executing a severance agreement and release of claims, he will be entitled to payment of twelve months of his then-current base salary payable after the date of termination according to a schedule that complies with section 409A of the Internal Revenue Code. His employment agreement also provides that in the event his employment is terminated for any reason other than as previously described, including by reason of death or disability or "cause," then he shall be entitled to receive severance benefits as provided under our then-existing severance and benefit plans and policies at the time of termination.

Mr. Liaw's employment agreement provides that in the event his employment is involuntarily terminated without cause or he resigns from his employment for "good reason," and conditioned on his executing a severance agreement and release of claims, he will be entitled to payment of six months of his then-current base salary payable after the date of termination according to a schedule that complies with section 409A of the Internal Revenue Code. His employment agreement also provides that in the event his employment is terminated for any reason other than as previously described, including by reason of death or disability or "cause," then he shall be entitled to receive severance benefits as provided under our then-existing severance and benefit plans and policies at the time of termination.

In the executive employment agreements, "cause" means any of the following: (i) willful or grossly negligent failure to substantially perform his duties; (ii) commission of gross misconduct which is injurious to us; (iii) breach of a material provision of the employment agreement or agreements incorporated therein; (iv) material violation of a federal or state law or regulation applicable to our business; (v) misappropriation or embezzlement of our funds or an act of fraud or dishonesty upon us made by the executive; (vi) conviction of, or plea of nolo contendere to, a felony; or (vii) continued failure to comply with directives of senior management.

In the executive employment agreements, "good reason" means the executive's resignation, if one or more of the following events shall have occurred without his consent (and following any applicable cure period): without the executive's prior written consent, (i) the assignment to the executive of any duties or the reduction of the executive's duties, either of which results in a material diminution in the executive's position or responsibilities in effect immediately prior to such assignment, or the removal of the executive from such position and responsibilities; (ii) a material reduction by us in his base salary as in effect immediately prior to such reduction; or (iii) any material breach by us of any material provision of the employment agreement.

Change in Control Provisions

None of the executive employment agreements provide for severance payments or acceleration of vesting of equity awards in the event of a change in control. Additionally, neither our 2001 Stock Option Plan nor our 2007 Equity Incentive Plan provide for the acceleration of outstanding options or other equity incentive awards in the event of a change in control (as defined in the plans), except in the limited circumstance where the successor corporation does not assume our outstanding options. When a successor corporation does not assume our options in the event of an acquisition or merger, the optionee will have the right to exercise the option or stock purchase right as to all the shares underlying the applicable options, including shares not otherwise vested or exercisable. The right to exercise the option or stock purchase right applies to all of our employees, including our named executive officers.

In the event of a change in control (as defined in the plans), if the awards to be granted are not assumed by the successor corporation, our compensation committee has the authority as administrator of the equity plan to accelerate the vesting of the awards.

Potential Payments upon Termination or Change in Control

None of our named executive officers has an employment or other severance agreement that provides for payment of any amount in connection with termination of employment upon a change in control of the company, other than those

payments otherwise due to Messrs. Franklin and Liaw upon an involuntary termination or resignation for “good reason” (as defined above), as applicable. Please see the section above entitled “Employment Contracts and Severance Agreements with Named Executive Officers” above for detailed descriptions of the agreements with named executive officers that govern post-employment payments and benefits. No payments are due in the event of voluntary termination of employment or termination of employment as a result of death or disability or for “cause” (as defined above).

Assuming the involuntary termination of employment (including resignation for “good reason”) of the named executive officers took place on July 31, 2017, Mr. Franklin would be entitled to receive severance payments and benefits totaling \$475,000, the equivalent of twelve months of his fiscal 2017 base salary, less applicable tax withholding; and Mr. Liaw would be entitled to receive severance payments and benefits totaling \$150,000, the equivalent of six months of his fiscal 2017 base salary, less applicable tax withholding.

RELATED PERSON TRANSACTIONS

Audit Committee Approval Policy

Our audit committee is responsible for the review, approval, or ratification of “related person transactions” between us and related persons. Under SEC rules, a related person is any person who is or was since the beginning of the last fiscal year a director, officer, nominee for director, or 5% stockholder of Copart (and any of his or her immediate family members).

In October 2012, our audit committee adopted a revised written policy with respect to related person transactions. Under the policy, any request for us to enter into a transaction with an executive officer, director, principal stockholder, or any of their immediate family members or affiliates, in which the amount involved exceeds \$120,000 must first be presented to our audit committee for review, consideration, and approval. In approving or rejecting any such proposal, our audit committee is to consider the relevant facts and circumstances available and deemed relevant to the audit committee, including, but not limited to, whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances and the extent of the related party’s interest in the transaction.

Related Person Transactions

During fiscal 2017 and to November 6, 2017 of fiscal 2018, we engaged in the related person transactions described in this section, all of which were approved by our audit committee. We believe that the terms of these transactions were no less favorable to us than could have been obtained from unaffiliated third parties.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE
