Item 2.05. Costs Associated with Exit or Disposal Activities.

On October 17, 2007, First Albany Companies Inc. (the “Company”) announced a plan whereby it will outsource certain of its administrative functions, consolidate certain of such functions in its New York City location and reduce staff in order to properly size its business consistent with its current levels of activity.

This plan will result in the termination of certain employees, the possible relocation of other employees and the closure of the Company’s Albany, New York office. The Company currently expects to complete the plan by March 31, 2008. Approximately thirty percent of the workforce of the Company will be affected by the plan, with the majority of the affected employees employed by one of the Company’s principal operating subsidiaries, Broadpoint Capital, Inc.

In connection with the plan, the Company expects to incur exit and restructuring costs of approximately \$4.4 million to \$4.8 million in pre-tax expense. Included in this charge is \$4.1 million of cash charges consisting of approximately \$2.1 million for severance and employee related costs and \$2.0 million for lease termination costs. Of the total expected expense, the Company expects to recognize approximately \$2.7 million to \$2.9 million in 2007 and approximately \$1.7 million to \$1.9 million in 2008.
