**Item 8.01. Other Events.**

On April 26, 2006 Manatron, Inc. (the "Company") announced to its employees that it is making strategic workforce reductions as part of an effort to reduce the Company's operating expenses. The reductions are effective immediately. As a result of the changes, 62 positions were eliminated, which is a reduction of approximately 14% from the workforce level on February 1, 2006. The Company now employs 368 employees. The Company believes that these reductions will help bring the Company's cost structure more in line with current revenues and help position the Company to utilize its resources and execute its business strategy more effectively. The Company does not expect additional reductions in the foreseeable future.

The Company will incur restructuring charges associated with the workforce reduction and related costs. These charges, which have not yet been quantified, will be recorded in the last quarter of fiscal 2006, which ends on April 30, 2006.

**SIGNATURES**
