Brian D. Young

CFO

Exhibit 99.1

On April 20, 2004, United Bancshares, Inc. issued the following press release:

United Bancshares, Inc. (Nasdaq: UBOH news), a bank holding company headquartered in Columbus Grove, Ohio with consolidated assets of \$495 million, today announced its first quarter 2004 net earnings of \$845,000, or 23¢ per share. This compares to first quarter 2003 net earnings of \$1,061,000, or \$0.29 per share. Compared with the same period in 2003, first quarter 2004 net income decreased \$216,000 or 20%. The decrease was primarily the result of a \$470,000 decrease in gain on sale of loans, somewhat offset by \$206,000 of gains on sale of securities for the first quarter of 2004.

Despite a decrease in the net interest margin (3.41% in 2004 compared to 3.62% in 2003), net interest income increased \$227,000, largely as a result of the March 28, 2003 acquisition of three RFCBC branches. Non-interest expenses also increased 558,000 (.16%), partially due to additional operating costs relating to the acquired branches. The Company's effective income tax rate for the first quarter of 2004 was 17%, compared to 28% for the first quarter of 2003, due to the increased investing in tax-exempt securities.

United Bancshares, Inc. is a locally-owned and operated holding company of The Union Bank Company which serves Allen, Putnam, Sandusky, Van Wert and Wood Counties, with office locations in Bowling Green, Columbus Grove, Delphos, Gibsonburg, Kalida, Leipsic, Lima, Ottawa, and Pemberville.

This release may contain certain forward-looking statements that are provided to assist in the understanding of anticipated future financial performance. However, such performance involves risk and uncertainties that may cause actual results to differ materially. Factors that could cause actual results to differ from those discussed in the forward-looking statements include, but are not limited to, the strength of the local economies in which operations are conducted, the effects of and changes in policies and laws of regulatory agencies, inflation, and interest rates. For further discussion of certain factors that may cause such forward-looking statements to differ materially from actual results, refer to the 2003 Form 10-K.
