PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS to be held on
July 20, 2010

GENERAL

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Cornerstone Total Return Fund, Inc., a New York corporation (the "Fund") for use at the Annual Meeting of Stockholders for the year 2010 (the "Meeting") to be held at 11:00 a.m., eastern time, on July 20, 2010 at the Fifth Floor Conference Room, One West Pack Square, Asheville, NC 28801, and at any and all adjournments or postponements thereof. A form of proxy is enclosed herewith. This Proxy Statement and the accompanying form of proxy are being first mailed to stockholders of the Fund ("Stockholder(s)") on or

Edgar Filing: CORNERSTONE TOTAL RETURN FUND INC - Form DEF 14A

about June 9, 2010.

Any Stockholder who executes and delivers a proxy may revoke it by written communication to the Secretary of the Fund at any time prior to its use or by voting in person at the Meeting. Attendance by a Stockholder at the Meeting does not, in itself, revoke a proxy. Unrevoked proxies will be voted in accordance with the specifications thereon and, unless specified to the contrary, will be voted FOR the election of Messrs. Ralph W. Bradshaw, Thomas H. Lenagh, Edwin Meese III, Scott B. Rogers, Andrew A. Strauss, and Glenn W. Wilcox, Sr. as nominees for Director.

In general, abstentions and broker non-votes, as defined below, count for purposes of obtaining a quorum but do not count as votes cast with respect to any proposal requiring that the broker has discretion. With respect to a proposal requiring the affirmative vote of a majority of the Fund's outstanding shares of common stock, the effect of abstentions and broker non-votes is the same as a vote against such proposal. Otherwise, abstentions and broker non-votes have no effect on the outcome of a proposal. A broker non-vote is a proxy from a broker or nominee indicating that such person has not received instructions from the beneficial owner or other person entitled to vote shares on a particular matter with respect to which the broker or nominee does not have discretionary voting power.

At least 51% of the Fund's Stockholders must be present at the Meeting in person or by proxy to constitute a quorum for the transaction of business by the Fund. In the event that a quorum is not present at the Meeting, the persons named as proxies may propose one or more adjournments of the Meeting from time to time. Any such adjournment will require the affirmative vote of a majority of those shares represented at the Meeting in person or by proxy. The persons named as proxies will vote those proxies which they are entitled to vote FOR or AGAINST any such proposal in their discretion.

The cost of soliciting the proxies will be borne by the Fund. The Fund expects that the solicitation will be primarily by mail, but also may include telephone, electronic, oral or other means of communication, including personal interviews conducted by officers of the Fund or Ultimus Fund Solutions, LLC, the administrator to the Fund (the "Administrator").

-1-

Only holders of issued and outstanding shares of the Fund's common stock of record at the close of business on June 1, 2010 are entitled to notice of, and to vote at, the Meeting. Each such holder is entitled to one vote per share of common stock so held. The number of shares of common stock outstanding on June 1, 2010 was 2,854,588. The Fund is a diversified closed-end management investment company.

Copies of the Fund's most recent report may be ordered free of charge to any Stockholder by writing to the Fund, c/o Ultimus Fund Solutions, LLC, 260 Madison Avenue, New York, NY 10016, or by telephone (513) 326-3597. This report is not to be regarded as proxy-soliciting material.

This Proxy Statement is first being mailed to Stockholders on or about June 9, 2010.

-4-

The Board believes that the significance of each Director's experience, qualifications, attributes or skills is an individual matter (meaning that experience that is important for one Director may not have the same value for another) and that these factors are best evaluated at the Board level, with no single Director, or particular factor, being indicative of the Board's effectiveness. The Board determined that each of the Directors is qualified to serve as a Director of the Fund based on a review of the experience, qualifications, attributes and skills of each Director. In reaching this determination, the Board has considered a variety of criteria, including, among other things: character and integrity; ability to review critically, evaluate, question and discuss information provided, to exercise effective business judgment in protecting shareholder interests and to interact effectively with the other Directors, the Investment Adviser, other service providers, counsel and the independent registered accounting firm ("independent auditors"); and willingness and ability to commit the time necessary to perform the duties of a Director. Each Director's ability to perform his duties effectively is evidenced by his experience or achievements in the following areas: management or board experience in the investment management industry or companies or organizations in other fields, educational background and professional training; and experience as a Director of the Fund. In addition, the Board values the diverse skill sets and experiences that each Trustee contributes. The Board considers that its diversity as a whole is as a result of a combination of Trustees who are working in the private, as opposed to public, sector, those that are retired from professional work and the various perspectives that each Director provides as a result of his present experiences and his background. Information as of June 1, 2010 discussing the specific experience, skills, attributes and qualifications of each Director which led to the Board's determination that the Director should serve in this capacity is provided below.

The summaries set forth above as to the experience, qualifications, attributes and/or skills of the Directors do not constitute holding out the Board or any Director as having any special expertise or experience, and do not impose any greater responsibility or liability on any such person or on the Board as a whole than would otherwise be the case.

Edgar Filing: CORNERSTONE TOTAL RETURN FUND INC - Form DEF 14A

neither the Independent Directors nor members of their immediate family owned securities beneficially or of record in Cornerstone Advisers, Inc., or an affiliate of Cornerstone Advisers, Inc. Furthermore, over the past five years, neither the Independent Directors nor members of their immediate family have any direct or indirect interest, the value of which exceeds \$120,000, in Cornerstone Advisers, Inc. or any of its affiliates. In addition, since the beginning of the last two fiscal years, neither the Independent Directors nor members of their immediate family have conducted any transactions (or series of transactions) or maintained any direct or indirect relationship in which the amount involved exceeds \$120,000 and to which Cornerstone Advisers, Inc. or any affiliate thereof was a party.

BOARD COMPOSITION AND LEADERSHIP STRUCTURE

The Board consists of six individuals, one of whom is an Interested Director. The Chairman of the Board, Mr. Bradshaw, is the Interested Director and is the President of the Fund, the President of the Investment Adviser, and is the President and a director or trustee of Cornerstone Strategic Value Fund, Inc. and Cornerstone Progressive Return Fund, respectively. The Board does not have a lead independent director.

-8-

The Board believes that its structure facilitates the orderly and efficient flow of information to the Directors from the Investment Adviser and other service providers with respect to services provided to the Fund, potential conflicts of interest that could arise from these relationships and other risks that the Fund may face. The Board further believes that its structure allows all of the Directors to participate in the full range of the Board's oversight responsibilities. The Board believes that the orderly and efficient flow of information and the ability to bring each Director's talents to bear in overseeing the Fund's operations is important, in light of the size and complexity of the Fund and the risks that the Fund faces. The Board and its committees review their structure regularly, to help ensure that it remains appropriate as the business and operations of the Fund and the environment in which the Fund operates changes.

Currently, the Board has an Audit Committee and a Nominating and Corporate Governance Committee. The responsibilities of each committee and its members are described below. Each of the Directors attended at least seventy-five (75%) percent of the five (5) meetings of the Board of Directors and four (4) meetings of its committees (including regularly scheduled and special meetings) held during the period for which he was a member.

THE AUDIT COMMITTEE

The Fund has a standing Audit Committee (the "Committee"), which is comprised of Messrs. Wilcox, Sr., Lenagh, Meese, Rogers and Strauss, all of whom are directors who are not interested persons of the Fund, as such term is defined in Section 2(a)(19) of the Investment Company Act. The Committee has a written charter. The principal functions of the Audit Committee include but are not limited to, (i) the oversight of the accounting and financial reporting processes of the Fund and its internal control over financial reporting; (ii) the oversight of the quality and integrity of the Fund's financial statements and the independent audit thereof; and (iii) the approval, prior to the engagement of, the Fund's independent registered public accounting firm and, in connection therewith, to review and evaluate the qualifications, independence and performance of the Fund's independent registered public accounting firm. The

Edgar Filing: CORNERSTONE TOTAL RETURN FUND INC - Form DEF 14A

Audit Committee convened four (4) times during the 2009 calendar year.

The Audit Committee currently does not have an Audit Committee Financial Expert, as such term is defined in Section 407 of the Sarbanes-Oxley Act of 2002. Rather, the Audit Committee members believe that each of their individual experiences provide the Audit Committee with sufficient experience and expertise to allow them to perform their duties as members of the Audit Committee.

-9-

THE NOMINATING AND CORPORATE GOVERNANCE COMMITTEE

The Fund has a standing Nominating and Corporate Governance Committee (the "Committee"), which is comprised of Messrs. Wilcox, Sr., Lenagh, Meese, Rogers and Strauss, all of whom are directors who are not interested persons of the Fund, as such term is defined in Section 2(a)(19) of the Investment Company Act. The Committee has a written charter. In addition to its responsibility to oversee the corporate governance of the Fund, the Committee is appointed to identify and select qualified candidates that have exhibited strong decision making ability, substantial business experience, relevant knowledge of the investment company industry (including closed-end funds), skills or technological expertise and exemplary personal integrity and reputation. In addition, the Committee seeks candidates that have experience and knowledge involving all of the service providers of a registered investment company.

The Committee will consider all nominees recommended by Stockholders of the Fund, so long as Stockholders send their recommendations in writing to the Secretary of the Fund in a manner consistent with the Fund's By-laws. The Committee will seek candidates for the Board that have exhibited strong decision-making ability, substantial business experience, relevant knowledge, skills or technological expertise, and exemplary personal integrity and reputation. Specifically, the Committee assesses all director nominees taking into account several factors, including, but not limited to, issues such as the current needs of the Board and the nominee's: (i) integrity, honesty, and accountability; (ii) successful leadership experience and strong business acumen; (iii) forward-looking, strategic focus; (iv) collegiality; (v) independence and absence of conflicts of interests; and (vi) ability to devote necessary time to meet director responsibilities. The Committee will ultimately

recommend nominees that it believes will enhance the Board's ability to oversee, in an effective manner, the affairs and business of the Fund. The Committee will consider and evaluate Stockholder-recommended candidates by applying the same criteria used to evaluate director-recommended candidates. Currently, the By-laws provide that the deadline for submitting a Stockholder proposal for inclusion in the Fund's proxy statement and proxy for the Fund's 2011 annual meeting of Stockholders pursuant to Rule 14a-8 promulgated under the Securities Exchange Act of 1934, is April 21, 2011. Stockholders wishing to submit proposals or director nominations that are to be included in such proxy statement and proxy must deliver notice to the Secretary at the principal executive offices of the Fund no later than the close of business on April 21, 2011 nor earlier than the close of business on May 21, 2011. Stockholders are also advised to review the Fund's By-laws, which contain additional requirements with respect to advance notice of stockholder proposals and director nominations.

In 2010, the Committee met and discussed the nomination of the Directors of the Fund for the 2010 Annual Meeting of Shareholders. Each Nominee was recommended by the non-interested Directors. The Nominating and Corporate Governance Committee convened four (4) times during the 2009 calendar year.

BOARD'S ROLE IN RISK OVERSIGHT OF THE FUND

The Board oversees risk management for the Fund directly and, as to certain matters, through its Audit and Nominating and Corporate Governance Committees. The Board exercises its oversight in this regard primarily through requesting and receiving reports from and otherwise working with the Fund's senior officers (including the Fund's Chief Compliance Officer), portfolio management personnel of the Adviser, the Fund's independent auditors, legal counsel and personnel from the Fund's other service providers. The Board has adopted, on behalf of the Fund, and periodically reviews with the assistance of the Fund's Chief Compliance Officer, policies and procedures designed to address certain risks associated with the Fund's activities. In addition, the Adviser and the Fund's other service providers also have adopted policies, processes and procedures designed to identify, assess and manage certain risks associated with the Fund's activities, and the Board receives reports from service providers with respect to the operation of these policies, processes and procedures as required and/or as the Board deems appropriate. The Board does not believe that a separate Risk Oversight Committee is necessary for effective risk oversight at this time, but intends to continuously evaluate how it assesses risk and will consider again in the future whether any changes to their current structure are prudent.

REQUIRED VOTE

Directors are elected by a plurality (a simple majority of the votes cast at the meeting) of the votes cast by the holders of shares of common stock of the Fund present in person or represented by proxy at a meeting with a quorum present. For purposes of the election of Directors, abstentions and broker non-votes will be counted as shares present for quorum purposes, may be considered votes cast, and may affect the plurality vote required for Directors.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE ELECTION OF MESSRS. RALPH W. BRADSHAW, THOMAS H. LENAGH, EDWIN MEESE III, SCOTT B. ROGERS, ANDREW A. STRAUSS, AND GLENN W. WILCOX, SR. AS DIRECTORS OF THE FUND.

PROPOSAL NO. 2

SEEKING STOCKHOLDER ADVISORY INPUT ON THE STRUCTURE AND CONTINUATION OF THE FUND'S MANAGED DISTRIBUTION PLAN ("MDP")

Why are stockholders being asked to provide advisory input regarding the Fund's MDP?

Generally, a closed-end investment company's distributions would fall into one of three broad categories:

1. No MDP - distributions by closed-end investment companies would be limited to those required by Internal Revenue Code ("IRC") regulation to consist of net income, along with realized net short-term and long-term capital gains ("Net Earnings").
2. Low-level MDP - regular distributions by closed-end investment companies representing less than 10% of net assets per year including those required by IRC regulation that consist of Net Earnings and tax-free return-of-capital, if necessary, to maintain the desired level of distributions.

Edgar Filing: CORNERSTONE TOTAL RETURN FUND INC - Form DEF 14A

3. High-level MDP - regular distributions by closed-end investment companies representing 10% or more of net assets per year including those required by IRC regulation that consist of Net Earnings and tax-free return-of-capital, if necessary, to maintain the desired level of distributions.

The Fund initiated a fixed, monthly distribution to stockholders in 2002 which, with interim adjustments and extensive disclosure, continues to be a high-level MDP. This MDP has been maintained through the historic economic volatility, increased regulatory scrutiny and challenging markets of the intervening years. The Board continues to believe that the MDP is in the best interests of the Fund and its Stockholders, however, the Board has determined that it is appropriate at this time to poll Stockholders for their preferences regarding the continuation and structure of the MDP.

-11-

What are features of the Fund's MDP?

The Fund's MDP provides a regular monthly distribution to stockholders that is adjusted through an annual resetting of the monthly distribution amount per share based on the Fund's net asset value on the last business day in each October. The terms of the MDP have been reviewed and approved at least annually by the Fund's Board and can be modified at their discretion. To the extent that distributions exceed the current Net Earnings of the Fund, the balance of the amounts paid out will be generated from sales of portfolio securities held by the Fund, which will be characterized under the IRC either as short-term or long-term capital gains or a tax-free return-of-capital. To the extent these distributions are not represented by net investment income and capital gains, they will not represent yield or investment return on the Fund's investment portfolio. A return-of-capital distribution reduces the cost basis of an investor's shares in the Fund. The Board currently plans to maintain the MDP policy even if regulatory requirements would make part of a return-of-capital, necessary to maintain the distribution, taxable to stockholders and to disclose that portion of the distribution that is classified as ordinary income. Although it has no current intention to do so, the Board may terminate the MDP at any time and such termination may have an adverse effect on the market price for the Fund's common shares.

What are benefits of the MDP?

The Fund's MDP historically has maintained a stable, high rate of distribution. The Fund's Board remains convinced that its Stockholders are well served by a policy of regular distributions which increase liquidity and provide flexibility to individual stockholders in managing their investment. Stockholders have the option of reinvesting all or a portion of these distributions in additional shares of the Fund through the Fund's reinvestment plan or receiving them in cash. For more information regarding the Fund's reinvestment plan, stockholders should carefully read the description of the dividend reinvestment plan contained in the Fund's Reports to Stockholders.

What are risks of the MDP?

The Fund makes level distributions on a monthly basis and these distributions are not tied to the Fund's net investment income and capital gains, and may not represent yield or investment return on the Fund's portfolio. Under the MDP, the Fund makes monthly distributions to stockholders at a rate that may include periodic distributions of its Net Earnings or return-of-capital. As noted above,

Edgar Filing: CORNERSTONE TOTAL RETURN FUND INC - Form DEF 14A

Stockholders have the option of reinvesting all or a portion of these distributions in additional shares of the Fund through the Fund's reinvestment plan or receiving them in cash. In any fiscal year where total cash distributions exceed Net Earnings and unrealized gain or loss for the year, such excess will decrease the Fund's total assets and, as a result, will have the likely effect of increasing the Fund's expense ratio. There is a risk that the total Net Earnings and unrealized gain or loss for years from the Fund's portfolio would not be great enough to fully offset the amount of cash distributions paid to Fund stockholders. If this were to be the case, the Fund's assets would be partially reduced by an equal amount, and there is no guarantee that the Fund would be able to replace the assets. In addition, in order to make such distributions, the Fund may need to sell a portion of its investment portfolio at a time when independent investment judgment might not dictate such action. Furthermore, the cash used to make distributions will not be available for investment pursuant to the Fund's investment objective.

-12-

Funds maintain varying degrees of cash levels pursuant to market conditions and the judgment of the portfolio manager. In addition, portfolio managers must raise cash periodically to cover operating expenses. For any fund, to the extent that cash is held at any given time for operating expenses or other purposes, it will not be available for investment pursuant to that fund's investment objective. In addition to these general cash requirements, a fund's MDP may also require that securities be sold to raise cash for those stockholders who elect to take cash distributions rather than reinvest in shares of the fund, in which case, it will also not be available for investment pursuant to the fund's investment objective. It is possible that a situation will occur where the MDP contributes to a reduction of assets over an extended period of time such that the assets of the Fund are reduced to a point where the Fund would no longer be economically viable. In such event, the Fund would then need to take additional actions, which might include, for example, liquidation or merger, to address the situation. While this is one of the risk factors of any managed distribution plan, including the MDP, it is important to note that the Fund's MDP was not designed to be a mechanism for the dissolution of the Fund or a short-term liquidation policy, and it is not the intention of the Board to allow the Fund to self-liquidate through the unsupervised effects of the MDP. The Board monitors the MDP and the Fund's asset levels regularly, and remains ready to modify the terms of the MDP if, in its judgment, the Board believes it is in the best interests of the Fund and its Stockholders.

A return-of-capital distribution reduces the cost basis of an investor's shares in the Fund, which may make record-keeping by certain Stockholders more difficult.

The Fund discloses the characterization of its distributions in notices to Stockholders and press releases to the public. Notwithstanding these communications, it is possible that the MDP may create potential confusion in the marketplace as to whether the Fund's distributions are comprised of income or return of capital and how such characterization may influence the market price of the Fund's shares.

For the years 2005-2009, the Fund's distributions under the MDP were characterized, on an annual basis, as set forth on the table below:

The Fund's independent registered public accounting firm represented to the Audit Committee that the Fund's financial statements were prepared in accordance with U.S. generally accepted accounting principles, and the Audit Committee has reviewed and discussed the financial statements with the Fund's Administrator and its independent registered public accounting firm. The Fund's independent registered public accounting firm also provided to the Audit Committee the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent registered public accounting firm their independence, in light of the services they were providing.
