**NEWS RELEASE**

**GOLDCORP SHAREHOLDERS OVERWHELMINGLY SAY YES  
TO WHEATON COMBINATION!**

**TORONTO, ONTARIO, FEBRUARY 10, 2005** **GOLDCORP INC. (NYSE:GG) (TSX:G)** announced that the company's shareholders have overwhelmingly voted in favour of the Wheaton River Minerals Ltd. transaction. At a shareholders' meeting today, 77,129,100 shares voted in favour of the transaction, representing over 65% of the votes cast, and 41,317,030 shares voted against (a total of 118,871,053 shares were voted representing 62.57% of the shares of the company).

Rob McEwen, Chairman and CEO of Goldcorp, said, "We would like to thank our shareholders for approving the combination of Goldcorp and Wheaton River and making their voices heard in deciding the future of their company. Our New Goldcorp will be the lowest-cost million-ounce gold producer in the world! With a low risk profile, world-class assets and an exceptional balance sheet, the New Goldcorp will be uniquely positioned in the gold industry. It is a great day for Goldcorp and Wheaton River; together we have exceptional people, world-class assets and a strong commitment to continue to grow shareholder value."

"Today's outcome proves once again that our shareholders are smart investors who recognize the inherent value in the Wheaton River transaction," McEwen continued.

Ian Telfer, Chairman and CEO of Wheaton River, added, "All of us at Wheaton River are excited about the great opportunity ahead to be part of a new company with such a great future. I would like to thank all of our supporters who have stood by us. We look forward to an integrated New Goldcorp with some of the best mines, the greatest shareholders and surely the best people in the world."

The combination of Goldcorp and Wheaton River brings together two of the most successful CEOs in the world of mining. Rob McEwen will become Chairman of the Board while Ian Telfer will be the Chief Executive Officer. Both McEwen and Telfer share the same vision for the future of the New Goldcorp, enhancing shareholder value!
