The Company incurred a net loss of \$1.7 million for the three months ended March 31, 2011, compared to net income of \$350,000 for the three months ended March 31, 2010. The decrease in net income was primarily the result of a \$3.5 million increase in the provision for loan losses in the third quarter of fiscal 2011, which reflected in large part, the charge-off of \$4.4 million of multifamily and nonresidential real estate loans during the quarter ended March 31, 2011 as discussed in more detail below. The Company experienced a net loss of \$871,000 for the nine months ended March 31, 2011, compared to net income of \$1.0 million for the nine months ended March 31, 2010. The decrease in net income for the 2011 period was primarily the result of an increase of \$4.0 million in the provision for loan losses for the nine months ended March 31, 2011. The increase in the loan loss provision in each period was primarily the result of the charge-off of \$4.4 million in multifamily and nonresidential real estate loans during the third quarter of fiscal 2011, of which \$692,000 related to the restructuring of seven loans during the quarter ended March 31, 2011 having an aggregate outstanding principal balance of approximately \$3.6 million.
