The address of the Issuer is set forth in Item 1 above. Mr. Michael Federmann is a citizen of the State of Israel.

FEL is a corporation existing under the laws of the State of Israel with its principal executive offices located at 87 Hayarkon Street, Tel-Aviv, Israel. The principal business activity of FEL is the holding and managing of investments in private and public companies.

HF is a corporation existing under the laws of the State of Liechtenstein with its principal executive offices located at Aeulestrasse 38 F1-9490 Vaduz Forstentum Liechtenstein, c/o Prasdial-Anstalt. Firon & Co., Advocates and Notaries. The principal business activity of each of BFL, BBL and BYL is the holding of investments in private companies.

The name, present business address, present principal occupation or employment and citizenship of each director and executive officer of FEL, HF, BFL, BBL and BYL are set forth on Schedules A, B, C, D and E attached hereto, respectively.

During the last five years none of the Reporting Persons, nor, to the best of their knowledge, any of their directors or executive officers, has been (i) convicted of any criminal proceeding (excluding traffic violations or similar misdemeanors) or (ii) a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration.

On December 19, 1999, the Issuer, FEL, HF, Rehovot Instruments Ltd. and Elop Electro-Optics Industries Ltd. ( Elop ) entered into a Merger Agreement (the Merger Agreement ), pursuant to which Elop would be merged into and become a subsidiary of the Issuer in exchange for the issuance by the Issuer of an aggregate of 12,100,000 Ordinary Shares to FEL and HF. The merger transaction contemplated under the Merger Agreement was completed on July 5, 2000.

On July 28, 2004 FEL purchased from Elron Electronic Industries Ltd. ( Elron ) 7,815,448 Ordinary Shares and Associated Rights for an aggregate purchase price of \$196.5 million. In order to obtain some of the funds to purchase the 7,815,448 Ordinary Shares and Associated Rights from Elron, FEL entered into a loan agreement with Bank Leumi Le Israel B.M. (the Lender ), dated July 28, 2004 (the Loan Agreement ) and two related security agreements with the Lender, each dated July 28, 2004 (each, a Security Agreement ). A summary of the Loan Agreement is attached hereto as Exhibit 3 and a summary of the Security Agreements is attached hereto as Exhibit 4. The remainder of the purchase price was paid by FEL from its own funds. As of December 1, 2006, approximately \$60 million remains outstanding under the Loan Agreement and the outstanding amount is secured by 4,655,448 Ordinary Shares pledged in favor of the Lender.

The shares so pledged are registered in the name of a trust company which is an affiliate of the Lender (the Bank Trustee ). The Bank Trustee has granted FEL a proxy to vote the pledged Ordinary Shares. This proxy can be revoked by the Lender upon the occurrence of an event of default under the Loan Agreement. In addition, FEL agreed, if necessary to make payments under the Loan Agreement, to sell up to approximately 4 million Ordinary Shares previously held by it and to use the proceeds for payment of the Loan. In an amendment to the Loan Agreement, dated December 29, 2005, the number of shares to potentially be sold was reduced to 1,000,000. The Loan Agreement contains customary events of default.

Pursuant to Israeli law, the Reporting Persons, together with the Issuer, may be considered, or prima facie deemed, to beneficially own the Ordinary Shares held by a wholly

owned subsidiary of the Issuer. A wholly owned subsidiary of the Issuer holds 23,021 Ordinary Shares which are entitled to be voted. Therefore, the Reporting Persons may have the right to direct the vote of such Ordinary Shares and may be considered, or prima facie deemed, to beneficially own such Ordinary Shares. Each of the Reporting Persons currently beneficially owns 19,105,448 Ordinary Shares, except for HF which beneficially owns 3,836,458 Ordinary Shares.

Item 4. Purpose of Transaction.

On December 27, 2004, the Issuer signed a Share Transfer Deed (the Original Tadiran Deed ) and a Shareholders Agreement (the Original Tadiran Shareholders Agreement ) and the transactions contemplated by the Original Tadiran Deed and the Original Tadiran Shareholders Agreement, the Original Tadiran Acquisition ) with Koor Industries Ltd. ( Koor ) regarding the Issuer s purchase from Koor of the 3,944,276 ordinary shares held by Koor in Tadiran Communications Ltd. ( Tadiran ) for overall consideration of approximately \$146 million, based on a purchase price of \$37.00 per share (subject to adjustment for dividends and interest). The Original Tadiran Acquisition was to be made in two stages. In Stage A (as defined in the Original Tadiran Deed), the Issuer purchased from Koor 1,700,000 ordinary shares of Tadiran. In Stage B (as defined in the Original Tadiran Deed), the Issuer was to purchase the balance (an additional 2,244,276 shares) of the Tadiran ordinary shares then held by Koor. On July 6, 2005, the Issuer and Koor entered into amendments to both the Original Tadiran Deed and the Original Tadiran Shareholders Agreement (hereinafter the Amended Tadiran Deed , the Amended Tadiran Shareholders Agreement and, collectively, the Amended Tadiran Acquisition Agreements or the Amended Tadiran Transaction ). The major revisions in the Amended Tadiran Acquisition Agreements related to the addition of a new Stage B . Under the new Stage B the Issuer accelerated the purchase from Koor of 623,115 ordinary shares in Tadiran which represent approximately 5% of Tadiran s shares, resulting in the Issuer holding a total of approximately 26% of Tadiran s shares based on Tadiran s current share capital. Under the Amended Tadiran Deed, the Issuer purchased the balance (an additional 1,621,161 shares) of the Tadiran shares held by Koor under a new Stage C . The total consideration for the Amended Tadiran Acquisition remains the same as under the original Tadiran Acquisition.

Concurrently with the signing of the Original Tadiran Acquisition Agreements, Koor signed a Share Transfer Deed with FEL (the Original Koor FEL Deed ) and a Shareholders Agreement with FEL and HF (the New Shareholders Agreement ) relating to the purchase by Koor from FEL of 4,000,000 ordinary shares of the Issuer, representing approximately 9.8% of the Issuer s issued and outstanding ordinary shares based on the Issuer s current share capital (the Koor FEL Transaction ). (The Original Koor FEL Deed and the New Shareholders Agreement are referred to as the Original Koor FEL Agreements or the Original Koor FEL Transactions ). The total consideration that was to be paid by Koor to FEL under the Original Koor FEL Transaction was approximately \$99 million, based on a purchase price of \$24.70 per Issuer share (subject to deductions for dividends paid by the Issuer). Interest is payable for any amounts paid after April 1, 2005.

The Original Koor FEL Transaction was to be consummated in two stages. Stage A (as defined in the Original Koor FEL Deed) of the Original Koor FEL Transaction closed concurrently with Stage A of the Tadiran Acquisition. Stage B (as defined in the Original Koor FEL Deed) of the Original Koor FEL Transaction was to occur concurrently with the original Stage B of the Tadiran Acquisition, subject to certain exceptions as described in

the Original Koor - FEL Deed. Pursuant to Stage A of the Original Koor - FEL Transaction, Koor purchased 2,160,000 ordinary shares, representing approximately 5.3% of the Issuer's shares (based on the Issuer's current share capital), and FEL supported the appointment of one director nominated by Koor to the Issuer's Board of Directors (the Issuer's Board). Under Stage B of the Original Koor - FEL Transaction, Koor was to purchase from FEL an additional 1,840,000 ordinary shares, representing approximately 4.5% of the Issuer's shares (based on the Issuer's current share capital), and FEL agreed to support the appointment of an additional director to be nominated by Koor to the Issuer's Board (such that Koor nominees will consist of not less than 20% of the directors on the Issuer's Board).

On July 6, 2005, concurrently with the signing of the Amended Tadiran Acquisition Agreement, Koor and FEL entered into amendments to the Original Koor-FEL Deed (the Amended Koor-FEL Deed) and to the New Shareholders Agreement (the Amended Koor - FEL Transaction). Pursuant to the Amended Koor-FEL Deed, in Stage B Koor purchased 1,000,000 ordinary shares of the Issuer (representing approximately 2.45% of the Issuer's shares based on the Issuer's then current share capital) rather than 1,840,000 ordinary shares of the Issuer, as provided in the Original Koor-FEL Deed (representing approximately 4.5% of the Issuer's shares based on the Issuer's then current share capital). The closing of Stage B of the Amended Koor-FEL Transaction occurred on August 25, 2005 immediately following the closing of the New Stage B under the Amended Tadiran Acquisition Agreement. The Amended Koor-FEL Transaction was not conditioned on the completion of any stages of the Tadiran Acquisition and the Amended Koor - FEL Transaction was not subject to any conditions precedent.

Following the completion of Stage B of the Amended Koor-FEL Deed, Koor owned 3,160,000 ordinary shares of the Issuer, representing approximately 7.75% of the Issuer's shares based on the Issuer's then outstanding share capital. The consideration per share that was paid by Koor to FEL remained the same as under the original Koor-FEL Deed, and the other provisions of the original Koor-FEL Agreements remained substantially the same.

On November 27, 2006, FEL purchased from Koor 50,000 Ordinary Shares for an aggregate purchase price of \$1,662,810 (which represents a price per share of \$33.26 - the market price of the shares at that time) and subsequently, on November 27, 2006, FEL purchased from Koor, 2,300,000 ordinary shares at a price per share of \$30.60 (the Repurchased Shares), representing approximately 5.6% of the Issuer's shares based on the Issuer's then outstanding share capital. The consideration per Repurchased Share payable by FEL to Koor is \$30.60. At the closing, on November 27, 2007, (i) FEL paid Koor the purchase price for 460,000 of the Repurchased Shares and received such shares and (ii) the remaining 1,840,000 Repurchased Shares were registered in the name of FEL and then immediately registered in the name of a trust company (the FEL Trustee) and pledged in favor of Koor to secure future payments by FEL as described below. FEL will pay the purchase price for the remaining Repurchased Shares in four equal installments on March 26, 2007, June 26, 2007, September 26, 2007 and December 26, 2007 and has issued to Koor a debenture evidencing such payments. Upon making each future payment by FEL, 460,000 of the Repurchased Shares will be transferred by the FEL Trustee to FEL and the pledge on such shares in favor of Koor will be released. The FEL Trustee has granted FEL a proxy to vote the pledged Repurchased Shares.

Concurrently with the purchase of the Repurchased Shares, FEL and Koor terminated the New Shareholders Agreement and Jonathan Kolber, Koor's nominee to the Issuer's Board of Directors, announced his resignation as a director of the Issuer.

Except as set forth above, none of the Reporting Persons, nor, to the best of their knowledge, any of their directors or executive officers, has any present plans or proposals which relate to or would result in any of the actions described in subparagraphs (a) through (j) of Item 4 of Schedule 13D.

Item 5. Interest in Securities of the Issuer.

(a) The responses of the Reporting Persons to Rows (11) through (13) of the cover pages of this Schedule 13D/A are incorporated herein by reference. As of December 1, 2006, each of the Reporting Persons beneficially owns an aggregate of 19,128,469 Ordinary Shares, representing approximately 45.50% of the outstanding Ordinary Shares of the Issuer (based on an aggregate of 42,029,023 Ordinary Shares outstanding as of September 30, 2006, excluding 385,900 Ordinary Shares held in treasury by the Issuer), except for HF which beneficially owns 3,836,458 Ordinary Shares, representing approximately 9.12% of the outstanding Ordinary Shares of the Issuer (based on an aggregate of 42,029,023 Ordinary Shares outstanding as of September 30, 2006, excluding 385,900 Ordinary Shares held in treasury by the Issuer).

Except as disclosed in this Item 5(a), none of the Reporting Persons, nor, to the best of their knowledge, any of their directors or executive officers, beneficially owns any Ordinary Shares.

(b) The responses of the Reporting Persons to (i) Rows (7) through (10) of this Schedule 13D/A and (ii) Item 5(a) hereof are incorporated herein by reference.

Except as disclosed in this Item 5(b), none of the Reporting Persons, nor, to the best of their knowledge, any of their directors or executive officers, presently has the power to vote or to direct the vote or to dispose or direct the disposition of any of the Ordinary Shares which they may be deemed to beneficially own.

(c) On April 18, 2005 FEL and Koor consummated Stage A of the Original Koor-FEL Deed, dated December 27, 2004. Pursuant thereto, FEL sold Koor 2,160,000 Ordinary Shares at a price per share of \$24.62. On August 25, 2005, FEL and Koor consummated Stage B of the Amended Koor-FEL Deed. Pursuant thereto, FEL sold Koor 1,000,000 ordinary shares at a price per share of \$24.91. On November 27, 2006, FEL purchased from Koor 50,000 Ordinary Shares for an aggregate purchase price of \$1,662,810 (which represents a price per share of \$33.26 the market price of the shares at that time) and subsequently, on November 27, 2006, FEL bought from Koor, 2,300,000 ordinary shares at a price per share of \$30.60. As a result, each of the Reporting Persons beneficially owns 19,128,469 Ordinary Shares, except for HF which beneficially owns 3,836,458 Ordinary Shares.

(d) Pursuant to Israeli law, the Reporting Persons, together with the Issuer, may be considered, or prima facie deemed, to beneficially own Ordinary Shares held by a wholly owned subsidiary of the Issuer. A wholly owned subsidiary of the Issuer holds 23,021 Ordinary Shares which are entitled to be voted. Therefore, the Reporting Persons may have the right to

direct the vote of such Ordinary Shares and may be considered, or prima facie deemed, to beneficially own such Ordinary Shares.

The remaining 4,655,448 Ordinary Shares and Associated Rights purchased from Elron are registered in the name of the Bank Trustee, which is an affiliate of the Lender. The Bank Trustee granted FEL a proxy to vote the pledged Ordinary Shares. This proxy can be revoked upon the occurrence of an event of default under the Loan Agreement. Upon the termination of the Loan Agreement, such Ordinary Shares will be re-registered under the name of FEL.

1,840,000 of the Repurchased Shares are registered in the name of the FEL Trustee. The FEL Trustee granted FEL a proxy to vote the pledged Repurchased Shares. This proxy can be revoked upon the occurrence of an event of default under the debenture issued by FEL to Koor. Upon each payment for a portion of the Repurchased Shares, such Ordinary Shares will be re-registered under the name of FEL.

Each of the Reporting Persons currently beneficially owns 19,128,469 Ordinary Shares, except for HF which beneficially owns 3,836,458 Ordinary Shares. The wholly owned subsidiary of the Issuer, however, retains the right to dispose of the Ordinary Shares held by it.

Under the Loan Agreement, FEL undertook to oppose any amendment of the Issuer's organizational documents that would adversely affect the Lender's rights in connection with the pledged Ordinary Shares and Associated Rights. Failure to do so will be considered to be a default under the Loan Agreements.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

The information set forth in Items 3 and 4 hereof is incorporated herein by reference.

On July 5, 2000, upon consummation of the merger transaction contemplated by the Merger Agreement, Elron, FEL and HF entered into a Registration Rights Agreement which governs the rights and obligations of the parties with respect to the registration of their Ordinary Shares for sale in the United States. Elron's rights under the Registration Rights Agreement were assigned to FEL on July 28, 2004. A copy of that agreement is set forth on Exhibit 2.

An agreement among the Reporting Persons with respect to the filing of this Schedule 13D and any amendments hereto is attached as Exhibit 1.

Under the Loan Agreement, FEL undertook to oppose any amendment of the Issuer's organizational documents that would adversely affect the Lender's rights in connection with the pledged Ordinary Shares and Associated Rights. Failure to do so will be considered to be a default under the Loan Agreements.

Pursuant to the Security Agreements, the remaining 4,655,448 Ordinary Shares and Associated Rights purchased from Elron are pledged to the Lender. Such Ordinary Shares are registered in the name of the Bank Trustee, which is a trust company and an affiliate of the

Lender. The Bank Trustee granted FEL a proxy to vote the pledged Ordinary Shares. This proxy can be revoked by the Lender upon the occurrence of an event of default under the Loan Agreement. Upon the termination of the Loan Agreement, such Ordinary Shares will be released from the pledge and re-registered under the name of FEL.

Notwithstanding the aforesaid, if and to the extent that the Company distributes dividends including the Surplus Amounts, the Surplus Amounts shall be paid to the Trustee and shall be released to Federmann together with the Released Shares on the Payment Date on account of which they were distributed.

- 5.5 In each of the events set forth in sections 5.3.2 or 5.3.3 above, Federmann shall pay Koor all the dividend amounts paid to Federmann (for the removal of any doubt, not including the Surplus Amounts) from the date of execution of this Agreement until the date of realization of the Trust Shares or their return to Koor, in connection with all the Realized Shares or the Returned Shares, as the case may be. The aforesaid dividend amounts shall be paid to Koor within 7 days of its written demand plus interest at the Interest Rate commencing on the date of actual receipt thereof by Federmann until the date of transfer thereof to Koor. Where Federmann fails to pay the full dividend amounts plus interest within the aforesaid 7 days, Arrearage Interest shall be added to these dividend amounts commencing upon the expiration of the aforesaid 7 days until the date of actual payment.

**6. The Trust Arrangement**

- 6.1 The Trust Shares shall be held by the Trustee in trust to secure payment of any payment on the Payment Date (and Arrearage Interest, if any), pursuant to the provisions of the Trust Agreement which shall include, *inter alia*, the following arrangements:
- 6.1.1 On the Closing Date of the Transaction, the Trustee shall sign a general power of attorney for *voting on the Trust Shares* in favor of Federmann in the form attached to the Trust Agreement and shall transfer it to Federmann (the **Power of Attorney** ). Should Federmann delay in making any payment on any Payment Date whatsoever (or any part thereof) or fail to pay such payment within 14 (fourteen) days, Koor shall deliver to Federmann by means of Federmann's legal representative M. Firon & Co. Law Offices ( **Federmann's Legal Representative** ) and to the Trustee, a written notice in which the breach alleged by Federmann shall be set forth, supported by an affidavit of a senior officer of Koor (who shall declare, *inter alia*, that he is a senior officer of Koor), such notice including a demand for revocation of the Power of Attorney (the **Default Notice** ). Immediately after receipt of the Default Notice, the Trustee shall transfer a true copy thereof to Federmann's Legal Representative.
- Upon the expiration of 10 (ten) days after the date on which a true copy of the Default Notice was delivered to Federmann's Legal Representative by the Trustee, and if no injunction from a court reaches the Trustee by the expiration of the aforesaid 10 (ten) days prohibiting it from doing so, the Trustee shall deliver to Federmann, Koor and the Company a notice revoking the Power of Attorney.

- 6.1.2 To the extent that no Default Notice has been received, any dividend, apart from the Surplus Amounts (which shall be transferred to the Trustee pursuant to the provisions of the Trust Agreement) to be distributed for each of the Trust Shares shall be transferred directly to Federmann on the date on which it is distributed. On the Closing Date of the Transaction, the Trustee shall sign an appropriate notice to the Company in connection therewith in the form of **Appendix 6.1.2** of this Agreement, and shall deliver it to Federmann for delivery thereof to the Company. Upon receipt of the Default Notice the Trustee shall notify the Company that any dividend to be paid by the Company commencing on that date on account of the Trust Shares in its possession shall be paid to the Trustee until receipt of a new notice on behalf of the Trustee.
- 6.1.3 The Trust Agreement shall set forth the circumstances in which the Trustee shall return the Trust Shares to Federmann or transfer them to Koor.

**7. Acts to Perform on the Closing Date of the Transaction**

The Parties, Company and Trustee shall convene on the Closing Date of the Transaction at a place to be determined by the Parties and the Company and shall perform the following integrated acts simultaneously:

- 7.6A Koor shall receive confirmation from the Bank that the aforesaid amount was received in the Koor Account.
- 7.7 The Parties and the Trustee shall sign share transfer deeds in the form attached as **Appendix 7.7(a)** and **Appendix 7.7(b)** of this Agreement in connection with: (a) transfer of all the Sold Shares from Koor to Federmann; and (b) transfer of the Trust Shares from Federmann to the Trustee and the aforesaid share transfer deeds shall be delivered to the Company.
- 7.8 Koor shall deliver to the Company the share certificates including all the Sold Shares, a copy of which is attached hereto as **Appendix 7.8(a)** and **Appendix 7.8(b)** of this Agreement.
- 7.9 The Company: (a) shall record in the books of the Company the updated holdings of Koor, Federmann and the Trustee in the Company shares immediately after the Closing Date of the Transaction. The record of the Trustee in the books of the Company shall be accompanied by a note that it is the Trustee; and (b) shall issue to each of Federmann, Koor and the Trustee new share certificates in the form customary at the Company, reflecting the holdings of the Parties and the Trustee in the Company immediately after the Closing Date of the Transaction, with the Trustee being issued 4 share certificates, one for the part of the Trust Shares numbered 2,215,449 to 2,675,448 inclusive, second for the part of the Trust shares numbered 2,675,449 to 3,135,448 inclusive, third for the portion of the Trust Shares numbered 3,135,449 to 3,595,448 inclusive, and fourth for the part of the Trust Shares numbered 3,595,449 to 4,055,448 inclusive, each share certificate in the name of the Trustee shall mention the fact that it is Trustee.
- 7.10 The Shareholders Agreement shall become irrevocably null and void as set forth in section 11 below.
- 7.11 Koor shall present Federmann with a duly drawn up tax invoice in connection with VAT on the interest included in the payment on the First Payment Date.
- 7.12 Koor shall present Federmann with a valid certificate from the tax authorities on an exemption (full or partial) from the duty to deduct tax at source, as stated in section 13.2 below or alternatively, and at its sole discretion, it shall notify Federmann in writing that it has no such certificate in its possession. Wherever a valid certificate is not presented on full exemption from the duty to deduct tax at source tax shall be duly deducted at source, and the deduction shall be treated as a payment to Koor for all intents and purposes.

All the above acts in this section 7 shall be deemed to have been performed simultaneously, no single act shall be deemed complete and no single document shall be deemed to have been delivered until all the acts have been completed at the same time and all the documents delivered.

**8. Acts to Perform at Each of the Other Payment Dates**

At each relevant Payment Date (apart from the First Payment Date) the Parties, the Trustee and the Company shall convene at a place to be determined by the Parties and the Company and the following integrated acts shall be performed simultaneously:

- 8.1 Federmann shall transfer from a Bank whose identity shall be delivered to Koor in writing at least 2 Business Days prior to the relevant Payment Date (for the purposes of this section 8 only, the **Bank** ) the payment on the relevant Payment Date in United States Dollars to the Koor Account at the same Bank, details of which shall be delivered to Federmann in writing by Koor prior to the relevant Payment Date.
- 8.1A Koor shall receive confirmation from the Bank that the aforesaid amount was received in the Koor Account stated in section 8.1 above.
- 8.2 Koor and Federmann shall sign an amending document to the Debenture including a page on the particulars of the mortgages and liens and a pledge notice in the form attached to this Agreement as **Appendix 8.2**, under which the application of the lien and pledge registered under the Debenture at the Registrar of Companies and Registrar of Pledges shall be removed from the Shares Released on the relevant Payment Date (the **Amendment to the Debenture** ).
- 8.3 The Parties shall deliver to the Registrar of Companies and the Registrar of Pledges the Amendment to the Debenture including the page on the particulars of the mortgages and liens and the pledge notice, signed as stated in section 8.2 above, and they will receive a received stamp from them.
- 8.4 Koor shall transfer an irrevocable and unconditional instruction in writing to the Trustee to transfer the Shares Released on the relevant Payment Date together with securities, dividends, including the Surplus Amounts, monies and/or other rights transferred and/or issued and/or allotted to the Trustee in connection therewith or in consideration therefor (if transferred and/or issued and/or allotted to the Trustee) to Federmann or to its order.
- 8.5 The Trustee and Federmann shall sign a share transfer deed in the form attached as **Appendix 8.5** of this Agreement in connection with the transfer of the Shares Released on the relevant Payment Date to Federmann and shall deliver the share transfer deed to the Company.
- 8.6 The Trustee shall deliver to the Company the share certificates on account of the Shares Released on the relevant Payment Date.
- 8.7 The Company: (a) shall record in the books of the Company the updated holdings of the Trustee and Federmann in the shares of the Company as at the Payment Date; and (b) shall cancel the share certificate returned by the Trustee and shall issue to Federmann new share certificates in the customary form at the Company, reflecting the holdings of the Trustee and Federmann in the Company at the same Payment Date.

Now therefore the parties hereto agree as follows:

- 8.8 Koor shall provide Federmann with a duly drawn up tax invoice in connection with the VAT on the interest included in the payment on the Payment Date.
- 8.9 Koor shall provide Federmann with a valid certificate from the tax authorities on an exemption (full or partial) from the duty to deduct tax at source, as stated in section 13.2 below or, alternatively and at its sole discretion, it shall notify Federmann in writing that it is not in possession of such a certificate. Wherever a valid certificate is not presented on full exemption from the duty to deduct tax at source tax shall be duly deducted at source, and the deduction shall be treated as payment to Koor for all intents and purposes.

All the acts stated in this section 8 above shall be deemed to have been performed simultaneously, no single act shall be deemed as complete, and no single document shall be deemed to have been delivered until all the acts have been completed at the same time and all the documents delivered.

9. **Right to Early Payment**

- 9.1 Federmann may, upon prior written notice to be delivered to Koor and the Trustee, at least 7 days prior to the date to be determined in this notice (provided that it is a Business Day) advance the Payment Date of the balance of payments on the payment dates that have not been paid up to that date, in whole or in part (and in the case of in part, it shall set forth in its notice the payments on the Payment Dates whose payment date has been advanced) ( **Early Payment Notice** ), provided that no Early Payment Notice is delivered for an amount lower than \$5,000,000 (Five Million Dollars).
- 9.2 Where an Early Payment Notice has been delivered as stated in section 9.1 above, all the provisions of section 8 above with respect to early payment determined in the Early Payment Notice as aforesaid, shall apply *mutatis mutandis*, with reference to the amount of the balance of payments on the payment dates that have not been paid prior to such date, whose payment shall be advanced as stated in the Early Payment Notice.

10. **Adjustments on Account of Distribution of Bonus Shares or Changes in Share Capital**

- 10.1 To the extent that during the period from the date of execution of this Agreement until each of the Payment Dates one or more of the events set forth below occurs, the number of Shares Released on the relevant Payment Date shall be adjusted according to the following provisions:

- 10.1.1 Where the Company distributes bonus shares to its shareholders prior to any Payment Date whatsoever, as the case may be, the payment shall not be adjusted on the Payment Date, but the bonus shares shall be attached to the Shares Released on the Payment Date on account of the Shares Released on the Payment Date Free and Clear, without Federmann being required to pay a further payment on account thereof. At the time of distribution of the bonus shares as aforesaid on account of the Trust Shares, the aforesaid bonus shares shall be allotted to the Trustee and shall be deemed part of the Trust Shares and the first lien within the scope of the Debenture shall also apply thereto.
- 10.1.2 If the Company performs with its share capital any consolidation, reduction, distribution or any other act of similar effect, the number of Shares Released on the Payment Date (on any Payment Date) shall be adjusted according to the ratio of the consolidation or distribution and the (total) Consideration on the Payment Date shall not alter (although the price per share sold will vary accordingly).
- 10.2 If the Company offers the shareholders rights to acquire any securities whatsoever ( **Rights** ), then to the extent that the final date for realization of the Rights is later than the date of release of the Shares Released on the Payment Date (or if it falls on the same date) such Rights shall also be held in trust and shall be subject to the lien under the Debenture and shall be released to Federmann or Koor (pursuant to the provisions of this Agreement) together with the Shares Released on the Payment Date with respect to which they were offered.

If the date for realization of the aforesaid Rights is prior to the date for release of the Shares Released on the Payment Date on account of which the Rights were offered Federmann shall be entitled to realize the aforesaid Rights, in whole or in part, by a transfer of the Consideration on account thereof to the Company with a note that the Consideration is paid on account of the Rights offered in connection with the Rights Released on the Payment Date, or any part thereof. Securities allotted for Federmann under the aforesaid realization shall be held in trust and shall be subject to the lien and shall be released, subject to the following provisions, to Federmann together with the Shares Released on the Payment Date on account of which the Rights were allotted. Should, under the Trust Agreement, Koor be entitled to receive the Shares Released on the Payment Date on account of which the Rights were allotted, Koor shall be entitled, at its sole discretion, to pay Federmann on the date of receipt of the Shares Released on the Payment Date the amount for realization of the Rights, plus interest at the Interest Rate from the date on which Federmann paid the amount to realize the Rights until payment of the amount to Federmann and to receive together with the Shares Released on the Payment Date the securities to be allotted on account thereof by virtue of the realization of the Rights or to notify the Trustee that it may transfer the realized Securities to Federmann, and in such circumstances the realized Securities shall be transferred to Federmann.

- 10.3 All rights, monies or assets of any kind whatsoever to reach or to be offered by any entity whatsoever in lieu of the Trust Shares or in consideration therefor, including securities in any other corporation (within the scope of any merger, exchange of shares or any other event) shall be transferred to the Trustee's possession and shall be encumbered pursuant to the provisions of the Debenture, and the provisions of this Agreement, the Trust Agreement and the Debenture shall apply thereto *mutatis mutandis*, as if they were the Trust Shares.

**11. Rescission of the Shareholders Agreement**

The parties irrevocably agree that on the Closing Date of the Transaction the Shareholders Agreement, inclusive of all its clauses and appendices shall be null and void *vis-à-vis* any of the Parties thereto. Rescission of the Shareholders Agreement inclusive of all its clauses pursuant to the aforesaid prevails over any other provision included in the Shareholders Agreement, insofar as such provision exists. Without derogating from the generality of the aforesaid, it is hereby clarified that upon rescission of the Shareholders Agreement, Koor shall be free, at any time, to vote for Company shares remaining in its possession after the Closing Date of the Transaction (as well as for Trust Shares to be returned to it, if returned or realized, pursuant to the provisions of section 5.3 above) on any matter to be put on the agenda, at its sole discretion, and it shall also be entitled to all the rights deriving therefrom and it may perform any transaction therein, at its sole discretion. For the removal of doubt, it is clarified that rescission of this Agreement at any time after the Closing Date of the Transaction shall not bring with it any re-entry into force of the Shareholders Agreement, or any of its clauses or appendices.

**12. Reporting**

The Parties shall coordinate in advance, if and wherever possible, subject to the provisions of any law and the timetables dictated under the provisions of any law, the text of any report, letter, notice or account published by any of the Parties in connection with their entering into this Agreement, fulfillment of the conditions hereunder and performance hereof.

**13. Taxes and Compulsory Payments**

- 13.1 Unless stated elsewhere in this Agreement, each Party shall bear liability for the compulsory payments and taxes applying (if any) to it under the provisions of any law on sale or acquisition of the Sold Shares under this Agreement.
- 13.2 Should a duty to deduct tax at source apply to any payment whatsoever paid pursuant to the provisions of this Agreement, tax shall duly be deducted at source by the paying party, unless the Party receiving monies presents a valid certificate from the tax authorities on exemption from the duty to deduct tax at source.

- 13.3 Each Party shall bear its own expenses, including attorneys' fees in connection with the drafting and performance of this Agreement.
- 13.4 Should any amount paid by one Party to the other Party under the provisions of this Agreement be liable to VAT under the provisions of any law, the paying party shall pay the other party the VAT amount simultaneously upon payment of such amount and in the same manner, at the legal rate, against receipt of a duly drawn up tax invoice.
- 13.5 At any date on which Federmann pays Koor interest, Koor shall deliver to Federmann a duly drawn up tax invoice for VAT on the interest.

**14. Miscellaneous**

- 14.1 The Parties hereby waive any right of first refusal, right of first proposal, right of participation, priority right or any other right to which they are entitled in connection with transfer of the Sold Shares either by virtue of the Shareholders Agreement or by virtue of any other right or agreement.
- 14.2 This Agreement shall be governed by the law of the State of Israel. Exclusive jurisdiction in all matters in connection with this Agreement shall be vested solely in the courts within the jurisdiction of the district court of the city of Tel Aviv - Jaffa, and there shall be no jurisdiction vested in any other court.
- 14.3 No modification, amendment or addition, waiver, extension, concession or failure to exercise any right under this Agreement shall be valid unless made in an express document signed by all the Parties to the Agreement and they shall apply solely to the event expressed in the document as aforesaid and shall not derogate from the other rights of any Party whatsoever under this Agreement.
- 14.4 The Parties to this Agreement may extend or shorten any date stipulated in this Agreement and waive performance of any provision whatsoever in this Agreement, either on a one-time basis or on several occasions, by means of written notice signed by two senior officers of each of Federmann and Koor, without the necessity for further approval.
- 14.5 This Agreement fully encompasses, embodies, unifies, expresses and exhausts all the agreements of the Parties to the Agreement with respect to the matters included herein. Any promises, guarantees, written or verbal agreements, undertakings or representations with respect to the subject matter of this Agreement given or made by the Parties prior to entering into this Agreement, verbally or in writing and not expressly mentioned herein shall not add to, derogate from or alter the obligations and rights determined in this Agreement and the Parties shall not be bound by them, if any, commencing on the date of this Agreement. Without derogating from the generality of the aforesaid, the exchange of documents between the Parties prior to execution of this Agreement, including the drafts exchanged between them shall not affect the interpretation of this Agreement.

- 14.6 No conduct on the part of any of the Parties shall be deemed a waiver of any of its rights under this Agreement or under the provisions of any law, or as a waiver or consent on its part to any breach or non-fulfillment of the terms of this Agreement by the other Party or as granting a postponement or extension or as a modification, cancellation or addition to any term whatsoever, unless expressly made in writing.
- 14.7 The Parties to this Agreement may not, unless expressly stated otherwise in the body of this Agreement, assign or transfer their rights or obligations under this Agreement to any third party whatsoever or perform this Agreement by means of any third party whatsoever unless it has obtained the prior written consent of the other Party to the Agreement, and nothing in this Agreement shall grant any right whatsoever to any person not a party to the Agreement.
- 14.8 Where any of the Parties failed to enforce or delayed enforcement of any right whatsoever granted to it under this Agreement or under the provisions of any law in a particular instance or in a series of instances, this shall not be deemed a waiver of the aforesaid right or of any other rights whatsoever.
- 14.9 The Parties shall cooperate between themselves for the purpose of realizing the provisions of this Agreement and they shall assist each other as is reasonable and necessary, including signing any reasonable document, application or approval that may be required for this purpose.
- 14.10 Notices under this Agreement shall be delivered in writing to the addresses of the Parties as set forth at the head of this Agreement or to other addresses about which the Parties notified pursuant to the provisions of this section. Any notice sent by one Party to the other Party by registered mail shall be deemed to have reached its addressee upon the expiration of three days after the date of being handed in at the post office; a notice sent by personal delivery up to 17:00 hours on any Business Day whatsoever shall be deemed to have been received immediately upon delivery, and where it is delivered after 17:00 hours on any Business Day whatsoever it shall be deemed to have been received on the first Business Day after delivery thereof.

## Appendix 2.1(A)

## DEBENTURE

Made and entered into on this \_\_ day of the month of \_\_\_\_\_, 2006

**Whereas the undersigned, Federmann Enterprises Ltd. (private co. no. 512278391) ( Federmann )**

entered into an agreement with Koor Industries Ltd. ( Koor ) dated November 22, 2006 (hereinafter: the **Sale Agreement** ) under which Federmann undertook to pay Koor the consideration (the **Consideration** ) plus interest (the **Interest** ) in several deferred payments for 1,840,000 shares in Elbit Systems Ltd. (the **Shares** and the **Company** respectively) which were transferred by Federmann on the closing date for the transaction forming the subject matter of the Sale Agreement to G.L.E. Trust Services Ltd. (the **Trustee** ) in trust, all pursuant to the Sale Agreement.

**Now therefore** it was agreed that to secure full and exact payment of all the amounts that Federmann would owe Koor on account of, on the basis of or in connection with the Sale Agreement, including the Consideration for the Shares, Interest on the Consideration as aforesaid, arrearage interest, currency rate differentials and expenses of any kind whatsoever, including (but without derogating from the generality of the aforesaid) expenses, indemnities and Trustee fees, reasonable attorneys' fees and any other expense incidental to initiating realization and execution office proceedings in the case of non-timely payment of the Consideration and to secure performance of all Federmann's other undertakings to Koor under the Sale Agreement (hereinafter jointly referred to as the **Secured Amounts** ), Federmann shall encumber in favor of Koor by a first fixed lien, unlimited in amount, as a condition for the transfer of the Shares and until full and final payment of the Secured Amounts, the Shares and any rights deriving from the Shares set forth in **Appendix A** of this Debenture (hereinafter: the **Encumbered Property** or the **Security** ), all pursuant to the following terms.

**Nature of the Debenture**

1. This Debenture has been drawn up to secure full and exact payment of the Secured Amounts owed and/or to be owed to Koor from Federmann in the future, payable prior to realization of the Securities to which this Debenture applies and/or thereafter, owed absolutely and/or conditionally, directly and/or indirectly **without any limitation on amount.**

**Pledge and Lien**

2. As security for the full and exact payment of all the Secured Amounts, Federmann hereby encumbers in favor of Koor and its successors by a first lien and pledge of the Encumbered Property. The pledge and lien created under this Debenture shall apply to any right to damages and/or indemnification available to Federmann on account of the Encumbered Property.

**Federmann s Declarations**

3. Federmann hereby declares:
- 3.1 The Encumbered Property is not encumbered, pledged or attached in favor of any other persons.
  - 3.2 The Encumbered Property is and shall remain, to the extent that this Debenture has not been cancelled and the lien fully paid off finally and absolutely, in the exclusive possession of the Trustee or any Trustee in lieu thereof upon the consent of the parties to the Sale Agreement.
  - 3.3 There is not, nor shall there be, to the extent that the Debenture and lien on the Encumbered Property are not cancelled and the lien paid off finally, any restriction or condition under the provisions of any law or under any agreement applying to the transfer of the Encumbered Property or the encumbrance thereof, except for restrictions on transfer of and/or trading in the Shares imposed on shares which are not registered under U.S. securities laws.
  - 3.4 To the extent that this Debenture has not been cancelled or the lien fully paid off finally and absolutely, the Shares constituting the Encumbered Property shall not be transferred to the ownership of any third party whatsoever and they shall be paid up in full, free and clear of any debt, encumbrance, pledge, right of lien, attachment, levy, claim, option or any other third party right of any kind whatsoever, including (without derogating from the generality of the aforesaid) a right of first refusal, a right of first proposal, right of participation or any other right, except for restrictions on transfer of and/or trading in the Shares imposed on shares which are not registered under U.S. securities laws.
  - 3.5 It has authority to encumber the Encumbered Property.

**Federmann s Undertakings**

4. Federmann hereby undertakes the following, to the extent that the Secured Amounts have not been paid off:
- 4.1 Not to sell, transfer, assign, endorse or deliver all or part of the Encumbered Property, not to undertake to perform any of the acts stipulated above, not to permit any other to use the Encumbered Property in any manner whatsoever and not to permit any other to perform any act mentioned above without Koor s prior written consent thereto.
  - 4.2 To immediately notify Koor in the event of the imposition of an attachment, the initiation of any execution office proceedings or the filing of a petition for the appointment of a receiver over all or part of the Encumbered Property. Furthermore, to immediately notify the person imposing the attachment, the bailiff or the receiver of the lien in favor of Koor and to immediately and without delay, at its expense, initiate any measures to remove the attachment, cancel the execution office act or the appointment of the receiver, as the case may be.

- 4.3 Not to encumber or pledge in any mode or manner all or part of the Encumbered Property, including by a current lien, with rights equal, prior to or later than Koor's rights, and not to assign any right whatsoever which Federmann possesses in all or part of the Encumbered Property without obtaining Koor's prior written consent.
  - 4.4 To fulfill any undertaking imposed on a shareholder under the provisions of any law and under the documents of incorporation of Elbit Systems Ltd., including, but not limited to timely payment of all taxes and compulsory payments imposed on the Encumbered Property or on the income derived therefrom, and to submit to Koor, at its demand, all receipts for the aforesaid payments. If Federmann fails to pay any of the aforesaid payments on time, Koor may (but is not obligated to), after having notified Federmann as far as possible and if in its discretion this is not sufficient to prejudice its rights, make the payment at its expense and charge it for reimbursement plus its actual Expenses and Arrearage Interest (as this term is defined in the Sale Agreement). These payments shall constitute an integral part of the Secured Amounts under this Debenture.
  - 4.5 Not to initiate any action whatsoever and not to oppose the performance of any action and to do its utmost to prevent others from performing any action in connection with Federmann and/or the Encumbered Property which is likely to prejudice Koor's ability to realize the Encumbered Property under this Debenture.
5. Federmann undertakes to notify Koor immediately of:
- 5.1 Any of the acts mentioned in section 7 below within 48 hours of the date of becoming aware of such act.
  - 5.2 Any case of any claim of any right whatsoever with respect to all or part of the Encumbered Property or of any execution office proceedings or other measures to realize all or part of the Encumbered Property;
  - 5.3 Any petition filed for winding up of Federmann's business or receivership of its assets or execution office proceedings against its assets and any resolution with respect to any change in Federmann's company structure or any intention whatsoever to do so.
  - 5.4 Any change of address.

---

**Payment Dates**

6. Federmann hereby undertakes to pay Koor the Secured Amounts, or any part thereof, exactly on their payment dates, as determined in the Sale Agreement.

**Rendering Immediately Payable and Realization of the Encumbered Property**

7. Koor may render the Secured Amounts immediately payable in the event of any breach by Federmann of any of its undertakings or representations under the Sale Agreement or this Debenture which is not remedied within 14 days of the date Koor delivered to Federmann a written warning with respect thereto (hereinafter: the **Breach** ) and in the event of any delay of 14 or more days on Federmann's part in the timely payment of any of the Secured Amounts under the Sale Agreement. Koor may render the Secured Amounts immediately payable after having given 3 Business Days written notice, without Koor being required to provide Federmann with any further time (unless expressly determined otherwise), as well as in each of the following events (which shall also be deemed a Breach for the purposes of this Debenture). Koor's written notice shall set forth the circumstances in which the specific event applies from the following circumstances on which Koor is relying:

**AND WHEREAS:** The parties wish to settle their relationships in the context of the trust, and all in the manner set forth in detail in this agreement and subject to the provisions herein contained;

Unless stated otherwise, the terms appearing in this agreement but which have not been defined herein, shall have the meanings assigned to them in the sale agreement.

**2. Appointment of the Trustee**

Federmann and Koor hereby irrevocably appoint the Trustee to act as Trustee commencing from the date of completion of the transaction and in accordance with the provisions of this agreement in relation to the trust shares (and in relation to all such securities and rights as have been allotted or assigned to the Trustee in connection with them or the proceeds thereof as stated hereunder in Section 5, as well as such dividends as have been distributed to the Trustee in respect of them, in so far as any have been distributed, and the profits of the trust that have accrued because of them, in so far as any have accrued). For the removal of doubt, Federmann and Koor may at any time, in a joint written instruction to the Trustee, terminate the trust under this agreement and in such a notification they may give it instructions as to whom the trust shares are to be transferred to as well as the additional assets (as such are defined below in Section 6.2).

3. **Transfer of the trust shares to the Trustee; actions on the date of completion of the transaction.**

On the date of completion of the transaction the following combined actions will occur (as part of the actions on the completion date in accordance with the sale agreement):

- 3.1 Federmann will deliver the debenture to Koor it having been duly executed by Federmann.
  - 3.2 Federmann and the Trustee will execute a share transfer deed, in connection with transfer of the trust shares from Federmann to the Trustee, in the form attached hereto as Appendix 7.7(b) to the sale agreement and which is for convenience attached to this agreement **as Appendix 3.2**, and Federmann will deliver the said share transfer deed to the Company.
  - 3.3 On the same date Koor will deliver to the Company the share certificates that are in its possession, which include *inter alia*, all the sold shares, a copy of which is attached to the sale agreement as Appendix 7.8(a) and Appendix 7.8(b).
  - 3.4 The Company:
    - 3.4.1 Will register in the Company's books, all the up to date holdings of Koor, Federmann and the Trustee in the Company's shares immediately following the transaction completion date. Registration of the Trustee in the Company's books will be accompanied by a notation to the effect of it being Trustee of the trust shares; and
    - 3.4.2 Will issue new share certificates to each of Federmann, Koor and the Trustee, in the Company's usual form, reflecting the holdings of Koor, Federmann and the Trustee in the Company immediately after the completion date of the transaction, when 4 share certificates will be issued to the Trustee, one for the portion of the trust shares the numbers of which are from 2,215,449 to 2,675,448 **inclusive**, the second for the portion of the trust shares the numbers of which are from 2,675,499 to 3,135,448 **inclusive**, the third for the portion of the trust shares the numbers of which are from 3,135,449 to 3,595,448 **inclusive**, and the fourth for the portion of the trust shares the numbers of which are from 3,595,449 to 4,055,448 inclusive.

- 3.5 The Trustee shall execute a general power of attorney, a copy of which is hereby attached as Appendix 3.5 and shall deliver it to Federmann.

- 3.6 The Trustee shall sign the notification to the Company, a copy of which is hereby attached as Appendix 3.6 and shall deliver it to Federmann for delivery to the Company. It is clarified that the Trustee need not examine whether the Company is performing all the provisions in terms of the notice and as to whether the amounts being remitted to it as dividends, if any, come within the definition of surplus amounts. In so far as such amounts are remitted to the Trustee, the Trustee will treat them as surplus amounts other than if the Trustee receives a written instruction from Federmann and Koor directing it otherwise.
- 3.7 Koor and Federmann will furnish the Trustee with written confirmation that all such terms and conditions in the sale agreement that were supposed to have been satisfied on the date of completion of the transaction have been satisfied, except for such terms and conditions as have been waived by Koor and Federmann.

All the foregoing actions specified in Section 3 herein, and in Section 7 of the sale agreement, shall be deemed to have been carried out contemporaneously; no isolated action shall be deemed to be complete and no single document shall be deemed to have been delivered, until all the actions are completed on the same occasion, and all the documents have been delivered.

**4. Exercise of rights arising from the trust shares**

- 4.1 Commencing from the date of completion of the transaction and for as long as the Trustee is holding the trust shares or any part of them:
- 4.1.1 If Federmann is late in making any payment on time (or any part of such payment), and has not paid it within 14 (fourteen) days, Koor will serve written notice on Federmann through Federmann's Attorney the firm of M. Firon and Co. ( **Federmann's Attorney** ) whose address is at 16 Abba Hillel Silver Road, Ramat Gan, and on the Trustee, and in which Federmann's alleged breach shall be set out in detail, and supported by an affidavit of a senior officer of Koor (who shall make a declaration therein, *inter alia*, that he is a senior officer in Koor) with such notice including a demand for revocation of the power of attorney ( **the Notice of Breach** ). Shortly after receipt of the Notice of Breach the Trustee shall deliver a true copy thereof to Federmann's Attorney. Within 10 (ten) days from the date on which a true copy of the Notice of Breach has been delivered to Federmann's Attorney by the Trustee, and provided that within such 10 (ten) days it has not received a Court Injunction prohibiting it from doing so, the Trustee shall give notice to Federmann, Koor and the Company, whose address is at Matam Industrial Zone, Haifa, to the effect that the power of attorney has been revoked. It is clarified that in the case of revocation of the power of attorney the Trustee shall not exercise the voting rights attaching to the trust shares.

- 4.1.2 For as long as no Notice of Breach has been received by the Trustee, any dividend, except for the surplus amounts that are remitted to the Trustee, which is being distributed in respect of each of the trust shares, shall be remitted direct to Federmann on the date on which it is distributed. Upon receipt of the Notice of Breach the Trustee shall notify the Company in writing at the address stated above in Section 4.1.1, that any dividend paid by the Company starting from such date in respect of the trust shares in its possession shall be paid to the Trustee until receipt of further notice on behalf of the Trustee. Dividends that are received by the Trustee shall be held in the manner stated hereunder in Section 4.4.
- 4.1.3 Unless the Trustee is lawfully prohibited from doing so, any notice that reaches the Trustee in relation to the trust shares shall be forwarded by it to Federmann and to Koor.
- 4.2 It is clarified that the Trustee shall bear no liability in connection with the exercise by Federmann of rights in respect of the trust shares (and including voting rights). The parties hereby instruct the Trustee to refrain from exercising any discretion in relation to the exercise of or realization of rights arising from the trust shares and the Trustee shall refrain from exercising any right arising from the trust shares and it shall be absolved from any liability in relation to refraining from doing so, including liability as a shareholder.
- 4.3 For as long as no notice of breach has been received by the Trustee, all the additional assets (defined hereunder in Section 6.2, with the exception of dividends but including surplus amounts) that are received by the Trustee by virtue of the trust shares, if any are received, shall be held, deposited or invested, as the case may be, in accordance with explicit and clear written instructions of Federmann and Koor. In the absence of such instructions or in the absence of agreement between Koor and Federmann the Trustee shall deposit, invest, or hold them at its exclusive discretion and without any of the parties having any complaint in the matter, or, in so far as concerns sums of money, they shall be invested in dollar or shekel deposits upon such terms and conditions and for such periods, as are at the exclusive discretion of the Trustee and without any of the parties having any claim in the matter. Profits that accumulate in respect of the foregoing, if any, shall be remitted (after deduction of any commission, tax and other expenses that apply in respect of their management and holding by the Trustee) ( **the profits** ) in accordance with the provisions of this agreement, together with the amounts and/or rights in respect of which they have accumulated.
- 4.4 In the case of a Notice of breach being received by the Trustee, all the additional assets (as defined hereunder in Section 6.2) which are received by the Trustee by virtue of the trust shares, in so far as any are received shall be held, deposited or invested, as the case may be, in accordance with explicit and clear written instructions of Federmann and Koor. In the absence of such instructions or in the absence of agreement between Koor and Federmann the Trustee shall deposit, invest, or hold them at its exclusive discretion and without any of the parties having any claim in the matter, or, in so far as concerns sums of money, they shall be invested in dollar or shekel deposits upon such terms and conditions and for such periods, as are at the exclusive discretion of the Trustee and without any of the parties having any complaint in the matter. Profits that accumulate in respect of the additional assets, if any, shall be remitted (after deduction of any commission, tax and other expenses that apply in respect of their management and holding by the Trustee) (together with the profits, **profits of the trust** ) in accordance with the provisions of this agreement, together with the additional assets in respect of which they have accumulated.

- 4.5 The Trustee shall not be under an obligation to report any of the affairs of the trust to any of the parties, save where this has been expressly provided in this agreement. The Trustee will not be entitled to benefits from any amount that it holds in trust under this agreement but it will be entitled to set off commissions, taxes and any other expense or payment due to it in accordance with the provisions of this trust agreement for management of the trust shares (and any securities and rights which have been allotted or have been transferred to the Trustee in relation thereto or in consideration thereof as provided above *[sic]* in Section 5, as well as such dividends as have been distributed to the Trustee in respect of them, in so far as any have been distributed, and the profits of the trust that have accumulated in respect of them, in so far as any have accumulated).
- 4.6 The Trustee shall not bear any liability for tax, commission, levy, fee or any other expense or payment in connection with the performance of its obligations under this agreement, including in connection with the receipt, holding and transfer of the trust shares, the dividends and the profits of the trust, and Federmann and Koor shall jointly and severally indemnify the Trustee immediately upon its first demand in respect of any such liability that is imposed on it by any party or in respect of any expense or payment incurred.
- 4.7 In so far as the Trustee is legally liable to deduct tax at source, the Trustee shall make the required deduction unless it is furnished to its satisfaction with an exemption from deduction of tax at source.

5. Adjustments

- 5.1 In so far as during the period from the date of signature of this agreement and until each of the payment days, one or more of the events specified hereunder occurs, the number of trust shares and the number of shares being released on the relevant payment date shall be adjusted in accordance with the following provisions:
- 5.1.1 If the Company distributes bonus shares to its shareholders prior to any payment date, as the case may be, there shall be added to the shares being released on such payment date, the bonus shares in respect of the shares being released on such payment date (whatever the payment date may be), they being free and unencumbered, and such bonus shares shall be deemed to be part of the shares being released on such payment date. At the time of distribution of the bonus shares in respect of the trust shares, the said bonus shares shall be allocated to the Trustee and share certificates shall be issued to the Trustee in respect thereof (according to the number of such share certificates in his possession at that time) and the Trustee shall be registered in the Company's books as holding the said bonus shares in trust; in the case of a distribution of bonus shares as aforesaid, Federmann and Koor will serve a joint notice on the Trustee in which the total amount shall be specified of the bonus shares that are being allotted to the Trustee as well as the number of bonus shares included in such total amount as are to be released on any payment date.
- 5.1.2 If the Company carries out a consolidation of, reduction in or division of its share capital or any other action of similar effect, the number of trust shares and the number of shares being released on the payment date (whenever such payment date may occur), shall be adjusted *pro rata* to such consolidation or division, and the Company shall issue a share certificate to the Trustee instead of the old share certificate reflecting the revised number of trust shares.
- 5.2 If the Company offers its shareholders rights for the acquisition of any securities ( **rights** ) in such a case in so far as the last date for the exercise of such rights is later than the date of release of the shares being released on the payment date (or if it falls on the same day) such rights shall be vested even though they are in trust and shall be subject to the mortgage pursuant to the debenture and shall be released to Federmann or to Koor together with the shares being released on the payment date in respect of which they were offered in accordance with the provisions of Section 6 hereunder. Koor and Federmann shall give written notice regarding such rights and the shares being released to which such rights must be attributed.

If the date of exercise of the said rights is prior to the date of release of the shares being released on the payment date in respect of which such rights were offered, Federmann will be entitled to exercise the said rights, either wholly or partially, by remitting the consideration for them to the Company stating that the consideration is being paid for the rights that have been offered in relation to the shares being released on the payment date, or any part thereof. The securities that are to be allotted for Federmann by virtue of such exercise of rights shall be allotted to the Trustee and shall be held by it in trust and shall be released, subject to what is stated hereunder, to Federmann together with the shares being released on the payment date in respect of which they were allotted. The Trustee shall act in accordance with a written notice from Federmann and Koor in which the number of shares that have been allotted shall be specified as well as the date of payment on which such shares are to be released to Federmann.

If in accordance with the provisions of Section 6.2 hereunder, the Trustee transfers to Koor, the shares being released on the payment date in respect of which such rights were allotted, in that event the Trustee shall proceed in accordance with one of the two instructions that are stated in the written notice that is given to it and to Federmann's Attorney, by Koor: [a] to transfer to Koor, together with the shares being released on the payment date, the securities that have been issued in respect thereof; or [b] to transfer the securities that have been issued to Federmann.

- 5.3 All such rights, moneys or assets of any kind as are due or are offered by any party instead of the trust shares or in consideration for them, including securities in any other corporate body (as part of a merger, exchange of shares or any other event) shall be transferred to the disposal of the Trustee and shall be charged in accordance with the provisions of the debenture and the provisions of the trust agreement shall apply to them *mutatis mutandis* as if they had been trust shares. Where the Trustee has requested instructions regarding the way in which a particular asset is to be kept and/or held, which is not a security, Federmann shall give the Trustee instructions as to the manner in which it is to be held and shall bear all expenses of holding it.

## **6. Transfer of the Trust Shares to Federmann or Koor**

- 6.1 Transfer of the Trust Shares to Federmann.

Any such notice on behalf of Koor shall specify the number of shares that are to be transferred on such payment date and the amount, in so far as it is relevant, that is to be transferred to Federmann or to its order on such payment date. If on such payment date additional assets are also to be transferred, the notice shall specify the additional assets that are to be transferred to Federmann or to its order. The Trustee shall proceed solely in accordance with the instructions contained in such notice.
- 6.1.3 The Trustee and Federmann shall execute a share transfer deed in the form attached as Appendix 8.5 to the Sale Agreement, and which for convenience is attached to this Agreement **as Appendix 6.1.3**, and Federmann shall deliver such share transfer deed to the Company.
- 6.1.4 The Trustee shall deliver the share certificate to the Company in respect of the shares being released on the relevant payment date.
- 6.1.5 The Company:
- 6.1.5.1 Will register in the Company's books the revised up to date holdings of the Trustee and Federmann in the Company's shares as at such payment date. Registration of the Trustee in the Company's books shall be accompanied by a note that it is the Trustee of the Trust shares; and-
- 6.1.5.2 The share certificate that has been returned by the Trustee shall be cancelled and new share certificates, in the Company's usual form, shall be issued to Federmann, reflecting the holdings of Federmann and the Trustee in the Company on such payment date. The share certificate in the name of the Trustee shall state the fact that it is the Trustee in respect of the trust shares.

6.1.6 Koor and Federmann shall furnish the Trustee with written confirmation that all the terms and conditions under the sale agreement that were supposed to be satisfied on the relevant payment date, have been satisfied, except such terms and conditions as have been waived by Koor and Federmann; they shall also confirm in writing that all the actions under Section 6.1 herein and in Section 8 of the Sale Agreement have been completed and that the Trustee is obliged to act in accordance with Koor's instruction as stated above in Section 6.1.2.
