ITEM 1. SECURITY AND ISSUER

This statement relates to shares of common stock of Brooks Automation, Inc. ("Brooks"). The principal executive office of Brooks is located at 15 Elizabeth Drive, Chelmsford, Massachusetts, 01824.

ITEM 2. IDENTITY AND BACKGROUND

(a)-(c) and (f) This statement is filed by PRI Automation, Inc., a Massachusetts corporation ("PRI") PRI has its principal place of business and principal office at 805 Middlesex Turnpike, Billerica, Massachusetts, 01821. PRI provides advanced automation systems and software to the semiconductor industry.

Attached hereto as Appendix A is information required by this Item 2 with respect to the executive officers and directors of PRI. All such individuals are U.S. citizens.

(d)-(e) During the last five years, neither PRI, nor to PRI's knowledge, any executive officer or director of PRI, has been (i) convicted in any criminal proceeding (excluding traffic violations or similar misdemeanors) or (ii) been a party to any civil proceeding of a judicial or administrative body of competent jurisdiction (except for matters that were dismissed without sanction or settlement) that resulted in a judgment, decree or final order enjoining him, her or it, as the case may be, from future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION

In connection with the Agreement and Plan of Merger dated as of October 23, 2001 by and among PRI, Brooks and Pontiac Acquisition Corp., a Delaware corporation ("Merger Sub") and wholly owned subsidiary of Brooks (the "Merger Agreement," filed as Exhibit 99.A to this Schedule 13D), the directors and certain executive officers of Brooks holding in the aggregate approximately 6.45% of the common stock of Brooks (including for such purpose shares of common stock issuable upon exercise of outstanding options to purchase common stock that are exercisable within sixty days of the date of the voting agreements) (collectively, the "Proxy Grantors"), entered into voting agreements with PRI attached hereto as Exhibits 99.B through 99.K (the "Voting Agreements"), whereby each Proxy Grantor agreed with PRI to vote in favor of the Merger Agreement, the merger and the other transactions contemplated by the Merger Agreement and granted to PRI an irrevocable proxy for the term of the Merger Agreement to vote such Proxy Grantor's shares in favor of the Merger Agreement, the merger and the other transactions contemplated by the Merger Agreement. Capitalized terms used in this Schedule 13D but not otherwise defined herein have the meanings ascribed to them in the Merger Agreement and Voting Agreements.

ITEM 4. PURPOSE OF THE TRANSACTION

(a)-(c), (e) and (j) Brooks, PRI and Merger Sub have entered into the Merger Agreement, pursuant to which each outstanding share of PRI common stock will be converted automatically into the right to receive 0.52 shares of Brooks common stock. The Merger Agreement provides that Merger Sub will be merged with and into PRI (the "Merger"). Following the Merger, PRI will continue as the surviving corporation (the "Surviving Corporation") and become a wholly owned subsidiary of Brooks, and the separate corporate existence of Merger Sub will cease. Immediately after the Merger, the former holders of PRI common stock will own approximately 39% of Brooks' equity on a fully-diluted basis, based on securities outstanding as of October 19, 2001. The foregoing summary of certain provisions of the Merger Agreement is qualified in its entirety by reference to the text of the Merger Agreement.

Except as described in the Merger Agreement and this Item 4, PRI does not have any present plans or proposals that would relate to or result in (i) the acquisition by any person of additional securities of Brooks or the disposition of securities of Brooks; (ii) an extraordinary corporate transaction, such as a merger, reorganization or liquidation involving Brooks or any of its subsidiaries; (iii) a sale or transfer of a material amount of assets of Brooks or any of its subsidiaries; (iv) any change in the Board of Directors of Brooks (the "Brooks Board") or management of Brooks; (v) any material change in the present capitalization or dividend policy of Brooks; (vi) any other material change in Brooks' business or corporate structure; (vii) changes in the charter or bylaws or other actions that might impede the acquisition of control of Brooks by any person; (viii) causing a class of securities of Brooks to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; (ix) a class of equity securities of Brooks becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934, as amended; or (x) any action similar to the foregoing.

(d) The Merger Agreement provides that promptly following the effective time of the Merger Brooks will increase the size of its board of directors to seven directors and will appoint as directors Mitchell G. Tyson, the President and Chief Executive Officer of PRI, and one other designee of PRI. If either person is unable or unwilling at the effective time to serve as a director of Brooks, Brooks will appoint another designee of PRI in place of that person.

(e) Pursuant to the Merger Agreement, Brooks and PRI have generally agreed that, before the consummation of the Merger, neither party shall declare or pay any dividends on or make any other distributions (whether in cash, stock or property) in respect of any of its capital stock, or split, combine or reclassify any of its capital stock or issue or authorize the issuance of any other securities in respect of, in lieu of or in substitution for shares of its capital stock.

- (f) It is expected that, immediately following the Merger, the business operations of PRI will be conducted by the Surviving Corporation substantially as they are currently being conducted. Upon completion of the Merger, Brooks intends to conduct a detailed review of PRI and its assets, corporate structure, capitalization, operations, policies, management and personnel. After such review, Brooks will determine what actions or changes, if any, would be desirable in light of the circumstances that then exist.
- (g) Not applicable.
- (h) Not applicable.
- (i) Not applicable.

ITEM 5. INTEREST IN SECURITIES OF THE ISSUER

- (a)-(c) As a result of PRI's obtaining an irrevocable proxy with respect to the shares owned by the Proxy Grantors pursuant to the Voting Agreements as described herein, PRI may be deemed to have shared voting power with respect to, and therefore to own beneficially, an aggregate of 1,296,949 shares (including 214,425 shares subject to options exercisable by the Proxy Grantors within 60 days of October 23, 2001), representing approximately 6.45% of the shares of common stock of Brooks outstanding on October 19, 2001 (based on Brooks' representation of its capitalization in the Merger Agreement). PRI disclaims beneficial ownership of such shares, and this statement shall not be construed as an admission that PRI is, for any or all purposes, the beneficial owner of such shares.
- (d) Until the effective time of the Merger, each Proxy Grantor will retain the right to receive dividends in respect of, and the proceeds from the sale of, the shares of such Proxy Grantor, subject to certain restrictions on transferability imposed under the Voting Agreements.
- (e) Not applicable.

ITEM 6. CONTRACTS, ARRANGEMENTS, UNDERSTANDINGS OR RELATIONSHIPS WITH RESPECT TO SECURITIES OF THE ISSUER

In connection with the Merger Agreement, PRI and the Proxy Grantors have entered into the Voting Agreements. The following summary of certain provisions of the Voting Agreements is qualified in its entirety by reference to the text of the Voting Agreements as attached as Exhibits 99.B through 99.K.

Pursuant to the Voting Agreements, each Proxy Grantor has agreed to vote any Brooks common stock with respect to which the Proxy Grantor has voting power

("Proxy Shares") to approve and adopt the Merger Agreement, the Merger and all agreements and actions related to the Merger at every meeting of the stockholders of Brooks, and at every adjournment thereof, at which such Merger Agreement and other related agreements (or any amended version thereof), or such other related actions, are submitted for the consideration and vote of the stockholders of Brooks. Each Proxy Grantor has further agreed not to vote any Proxy Shares in favor of the approval of any (i) reorganization, recapitalization, liquidation or winding up of Brooks or any other extraordinary transaction involving Brooks, (ii) corporate action the consummation of which would frustrate the purposes, or prevent or delay the consummation, of the transactions contemplated by the Merger Agreement, or (iii) other matter relating to, or in connection with, any of the foregoing matters.

Each Proxy Grantor agreed that, during the term of the Voting Agreements, he or she would not, without the prior written consent of PRI, directly or indirectly, (i) grant any proxies or enter into any voting trust or other agreement or arrangement with respect to the voting of any Proxy Shares, or (ii) sell, assign, transfer, encumber or otherwise dispose of, or solicit the sale, assignment, transfer, encumbrance or other disposition of, or enter into any contract, option or other arrangement or understanding with respect to the direct or indirect sale, assignment, transfer, encumbrance or other disposition of, any Proxy Shares; PROVIDED HOWEVER, that each Proxy Grantor may assign or transfer any Proxy Shares for estate planning or charitable purposes to any person who shall have executed and delivered to PRI, prior to such assignment or transfer, a voting agreement substantially identical to the original Voting Agreement with respect to the Proxy Shares to be received by such person in such assignment or transfer.

Each Proxy Grantor agreed to notify PRI promptly and to provide all details required by PRI if he or she is approached or solicited, directly or indirectly, by any person with respect to any Proxy Shares held by such Proxy Grantor.
