3. **News Release**

A news release with respect to the material change referred to in this report was issued through Canada NewsWire on January 27, 2009 and filed on the system for electronic document analysis and retrieval (SEDAR).

4. **Summary of Material Change**

The Company announced that due to unfavorable market conditions and reduced demand for molybdenum, the Company intends to reduce molybdenum production in 2009 from levels that were previously planned.

5. **Full Description of Material Change**

The Company announced that due to unfavorable market conditions and reduced demand for molybdenum, the Company intends to reduce molybdenum production in 2009 from levels that were previously planned.

## Edgar Filing: Thompson Creek Metals CO Inc. - Form 6-K

The Company is currently reviewing adjustments to production plans and at this time anticipates total molybdenum production of 20 to 24 million pounds in 2009, down from previous guidance of 31.5 to 34 million pounds.

The Company is currently planning a temporary shutdown for about a month this summer in mining activity at both the Thompson Creek and Endako mines and there will be other production changes about which the Company will provide details at a later date after they are decided. The Company intends to remain flexible and adjust production as needed in response to changing market conditions.

**Cautionary Note Regarding Forward-Looking Statements**

This material change report contains “forward-looking information” within the meaning of the United States Private Securities Litigation Reform Act of 1995 and applicable Canadian securities legislation which may include, but is not limited to, statements with respect to the timing and amount of estimated future production. Often, but not always, forward-looking statements can be identified by the use of words such as “plans”, “expects”, “is expected”, “budget”, “scheduled”, “estimates”, “forecasts”, “intends”, “anticipates”, or “believes” or variations (including negative variations) of these words and phrases, or state that certain actions, events or results “may”, “could”, “would”, “might” or “will” be taken, occur or be achieved. Forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company and/or its subsidiaries to be materially different from any future results, performance or achievements expressed or implied by the forward-looking statements. Such factors include the Company not meeting the conditions for the Endako expansion set out in this material change report, cost escalations as well as those factors discussed in the section entitled “Risk Factors” in the Company’s current annual information form which is available on SEDAR at [www.sedar.com](http://www.sedar.com) and is incorporated in its Annual Report on Form 40-F filed with the United States Securities and Exchange Commission which is available at [www.sec.gov](http://www.sec.gov). Although the Company has attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in forward-looking statements, there may be other factors that cause actions, events or results to differ from those anticipated, estimated or intended. Forward-looking statements contained herein are made as of the date of this material change report and the Company does not undertake to update any such forward-looking statements, except in accordance with applicable securities laws. There can be no assurance that forward-looking statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers are cautioned not to place undue reliance on forward-looking statements. Readers should refer to the Company’s current annual information form which is available on SEDAR at [www.sedar.com](http://www.sedar.com) and is incorporated in its Annual Report on Form 40-F filed with the United States Securities and Exchange Commission which is available at [www.sec.gov](http://www.sec.gov) and subsequent continuous disclosure documents available at [www.sedar.com](http://www.sedar.com) and [www.sec.gov](http://www.sec.gov) for further information on mineral reserves and mineral resources, which is subject to the qualifications and notes set forth therein.
