Item 1.01

Entry into a Material Definitive Agreement.

Gryphon Gold Corporation (the “Registrant”) entered into an agency agreement dated effective November 14, 2011, (the “Agency Agreement”) with Acumen Capital Finance Partners Limited (“Acumen”) and Roth Capital Partners, LLC (“Roth”), and together with Acumen, the “Agents”) pursuant to which the Agents agreed to act as the exclusive agents of the Registrant to offer 4,479 units (“Units”) of the Registrant on a private placement basis at the price of CAD\$1,000.00 per Unit for aggregate gross proceeds to the Registrant of approximately CAD\$4,479,000 (the “Private Placement”). Each Unit was comprised of (a) 2011 Series B 10% subordinated secured notes maturing on November 22, 2012 (“Debentures”), each with a principal face value of CAD\$1,000, and (b) 750 warrants (“Warrants”) exercisable to acquire one share of common stock of the Registrant at an exercise price of US\$0.40, with an expiration date of May 22, 2013. The Registrant paid the Agents a cash fee equal to 6.5% of the aggregate gross proceeds of the Private Placement, totaling CAD\$291,135.

On November 22, 2011, the Registrant entered into 2011 Series B note and purchase agreements (“Purchase Agreements”) with purchasers of the Units of the Registrant in the Private Placement (each, a “Purchaser”). The Registrant agreed to issue and sell to each Purchaser, and each Purchaser agreed to purchase from the Registrant, a number of Units for the purchase price of CAD\$1,000 per Unit. The Registrant granted, for the benefit of the Purchaser, as secured party, a security interest in certain of its property and assets, including a pledge of 100% of the issued and outstanding shares of common stock of Borealis Mining Company.

In connection with the Private Placement, the Registrant entered into a note indenture dated November 22, 2011 (“Note Indenture”) with Computershare Trust Company of Canada (“Trustee”) providing for the terms and conditions upon which the Debentures were to be created, issued and held, as well as the rights of the Purchasers of the Debentures, the Registrant and the Trustee. Under the Note Indenture, the Debentures are not redeemable at the option of the Registrant. In the event of a Change of Control (as defined in the Note Indenture), the Registrant will be required to make an offer to purchase, within 30 days following the completion of the Change of Control, of all of the Debentures for cash at a price equal to 110% of the principal amount plus accrued and unpaid interest. If Holders holding 90% or more of the outstanding Debentures choose to accept the Registrant’s offer, the Registrant will have the right to redeem all of the Debentures remaining outstanding. The Registrant has the right at any time to purchase any or all of the Debentures by tender or by private contract.

In connection with the Private Placement, the Registrant entered into a pledge and security agreement dated November 22, 2011 (“Pledge and Security Agreement”) with Trustee as trustee to the holders of the Debentures (“Subordinate Note Holders”). The Registrant agreed to grant Trustee, for the benefit of the Subordinate Note Holders, subject to Senior Credit Obligations (as defined in the Noted Indenture), a lien on and security interest in all of the Registrant’s right, title and interest in various collateral, including inventory, equipment, receivables, contract rights, investment properties, other properties and proceeds, in addition to 100% of the issued and outstanding shares of common stock of Borealis Mining Company.

In connection with the Private Placement, the Registrant entered into a subordination agreement (“Subordination Agreement”) with Trustee as trustee to the Subordinate Note Holders for the benefit of the holders of 10% subordinate secured notes (“Senior Note Holders”), due July 27, 2012, in the aggregate principal amount of CAD\$3,000,000 (“July Debentures”), issued by the Registrant in its July 27, 2011 private placement as reported on Current Report in its Form 8-K filed with the Securities and Exchange Commission on July 27, 2011. The Trustee agreed, on behalf of the Subordinate Note Holders, that the Registrant’s payment obligations under the Debentures and the security interest in the collateral securing Registrant’s payment obligations under the Debentures will at all times be subordinate in priority of payment to the Registrant’s payment obligations and security interest in the collateral securing the Registrant’s payment obligations under the July Debentures. The Trustee was authorized to enter into the Subordination Agreement in its capacity as trustee on behalf of each Subordinate Note Holder pursuant to the

Purchase Agreements.

The foregoing descriptions of the Agency Agreement, the Purchase Agreements, the Note Indenture, the Pledge and Security Agreement, and the Subordination Agreement are qualified in their entirety by the copies of each, which are filed as Exhibit 10.1, 10.2, 4.1, 4.2 and 4.3 respectively, to this Current Report on Form 8-K and which are hereby incorporated by reference into this Item 1.01.
