#### UNAUDITED PRO FORMA FINANCIAL INFORMATION

On September 25, 2002, the Company filed a Certificate of Designation with the Secretary of State of the State of Delaware designating 240,000 shares of the Company's 5,000,000 authorized shares of preferred stock as Series B Preferred Stock, \$0.01 par value, with a stated value of \$25.00 per share. Dividends on the Series B Preferred Stock accrue at a rate of 8% on the \$25.00 stated value per share and are payable semi-annually on April 15 and October 15 of each year while the Series B Preferred Stock is outstanding. The Company has the option to pay the dividend either in cash or in equivalent shares of common stock, as defined. Each share of Series B Preferred Stock is convertible by the holder at any time into shares of the Company's common stock at a conversion rate determined by dividing the \$25.00 stated value, plus any accrued and unpaid dividends (the "Liquidation Price"), by a \$4.00 conversion price (the "Conversion Price"), subject to antidilution adjustment. The Company may, at any time after September 24, 2003, require that any or all outstanding shares of Series B Preferred Stock be converted into shares of the Company's common stock, provided that the shares of common stock into which the Series B Preferred Stock is convertible is registered pursuant to an effective registration statement, as defined. The number of shares of common stock received by holders of Series B Preferred Stock upon conversion shall be determined by (i) dividing the Liquidation Price by the Conversion Price, provided that the closing bid price for the Company's common stock exceeds \$9.00 for 20 consecutive trading days within 180 days prior to notice of conversion, as defined, or (ii) if the requirements of (i) are not met, the number of shares of common stock will be determined by dividing 110% of the Liquidation Price by the Conversion Price. The Conversion Price is subject to antidilution adjustments, as defined in the Certificate of Designation.

The Company may, upon 30 days' notice, redeem any or all outstanding shares of Series B Preferred Stock by payment of the Liquidation Price to the holder of such shares, provided that the holder does not convert the Series B Preferred Stock into shares of common stock during the 30 day period. The Series B Preferred Stock has a preference in liquidation equal to \$25.00 per share, plus any accrued and unpaid dividends, prior to any payment to holders of the Company's common stock and is equal in liquidation preference with the Company's Series A Convertible Preferred Stock, \$0.01 par value. Each issued and outstanding share of Series B Preferred Stock shall be entitled to 6.25 votes

with respect to any and all matters presented to the stockholders of the Company for their action or consideration.
