ALABAMA, GEORGIA, GULF and MISSISSIPPI are incorporated by reference to the Information Statements relating to each of their respective 2003 Annual Meeting of Shareholders. SAVANNAH and SOUTHERN POWER are incorporated by reference to page number III-5 and III-6 in the SOUTHERN system's combined Form 10-K for the year ended December 31, 2002.

SOUTHERN is incorporated by reference to Executive Compensation in SOUTHERN's definitive Proxy Statement relating to the 2003 annual meeting of stockholders. Also, ALABAMA, GEORGIA, GULF and MISSISSIPPI are incorporated by reference to the Information Statements relating to each of their respective 2003 Annual Meeting of Shareholders. SAVANNAH and SOUTHERN POWER are incorporated by reference to page number III-11 in the SOUTHERN system's combined Form 10-K for the year ended December 31, 2002.

SOUTHERN's Change in Control Plan is applicable to certain of its officers, and individual change in control agreements have been entered into with some of the most highly compensated executive officers of SCS, Southern LINC, Southern Telecom, Southern Management, Southern Company GAS, Southern Nuclear. If an executive is involuntarily terminated, other than for cause, within two years following a change in control of SOUTHERN the agreements provide for:

- o lump sum payment of two or three times annual compensation,
- o up to five years' coverage under group health and life insurance plans,
- o immediate vesting of all stock options previously granted,
- o payment of any accrued long-term and short-term bonuses and dividend equivalents, and
- o payment of any excise tax liability incurred as a result of payments made under the agreement.

A SOUTHERN change in control is defined under the agreements as:

- o acquisition of at least 20 percent of the SOUTHERN's stock,
- o a change in the majority of the members of the SOUTHERN's board of directors,
- o a merger or other business combination that results in SOUTHERN's shareholders immediately before the merger owning less than 65 percent of the voting power after the merger, or
- o a sale of substantially all the assets of SOUTHERN.

Edgar Filing: SOUTHERN CO - Form U5S

If a change in control affects only a subsidiary of SOUTHERN, these payments would only be made to executives of the affected subsidiary who are involuntarily terminated as a result of that change in control.

SOUTHERN also provides in its incentive plans for pro-rata payments at not less than target-level performance if a change in control occurs and the plans are not continued or replaced with comparable plans.

If certain performance goals are met, Mr. Franklin also will receive the estimated income tax expense on the compensation. Mr. Franklin may elect to defer receipt of the award until termination of employment. GEORGIA assigned this agreement to SCS effective July 8, 1999.

SOUTHERN's aggregate investment as defined under Rules 53 and 58 in EWGs and FUCOs at December 31, 2002 was \$325,947,237.

NOTE 1

SOUTHERN has executed limited keep-well commitments whereby SOUTHERN would be required to make capital contributions to SE Finance Capital Corporation II, SE Finance Capital Corp. or to Southern Energy Finance Company, Inc. in the event of a shortfall in the scheduled debt service resulting from certain changes in the payments due from SOUTHERN under the Southern Company Income Tax Allocation Agreement. The maximum potential capital contribution required under these commitments is the unamortized balance of the related loans, which totaled approximately \$416.1 million as of December 31, 2002.

NOTE 2

As discussed in SOUTHERN's Application on Form U-1 (File No. 70-9727) relating to the spin-off of Mirant, SOUTHERN and Mirant reorganized certain energy-related and FUCO activities and Mirant completed a tax-free distribution to SOUTHERN of these activities on March 5, 2001 (the "Mini-Spin"). On April 2, 2001, SOUTHERN completed the spin-off of its remaining ownership interest in Mirant to SOUTHERN's shareholders. Therefore, the four indirect subsidiaries (EPZ Lease, Inc., Dutch Gas Lease, Inc., GAMOG Lease, Inc. and NUON Lease, Inc.) obtained through the Mini-Spin are the only remaining FUCOs held by SOUTHERN. Although it now owns all of the equity in these companies as a result of the Mini-Spin, SOUTHERN has no direct or indirect investment or any aggregate investment within the meaning of Rule 53 in these FUCOs.
