-

Section 8 - Other Events

Item 8.01 Other Events

On October 3, 2013, Louisville Gas and Electric Company (“LG&E”) and Kentucky Utilities Company (“KU” and, together with LG&E, the “Companies”) issued a press release announcing that they plan to build an approximately 700 megawatt (“MW”) natural gas combined-cycle generating unit at KU’s Green River generating site in western Kentucky. Subject to regulatory applications, permitting and construction schedules, the facility is planned to be operational in 2018. The project’s anticipated cost is approximately \$700 million. The Companies also announced plans for a potential 10 MW solar generation facility to be operational in 2016 costing approximately \$25 million.

A copy of the Companies’ press release is filed herewith as Exhibit 99.1 and incorporated herein by reference.

Section 9 - Financial Statements and Exhibits

Item 9.01 Financial Statements and Exhibits

(a) Exhibits

99.1 - Press Release dated October 3, 2013 of Louisville Gas and Electric Company and Kentucky Utilities Company.

Statements in this report and the accompanying press release, including statements with respect to future events and their timing, including the Companies’ potential regulatory outcomes, as well as other statements as to future costs or expenses, regulation, corporate strategy and performance, are “forward-looking statements” within the meaning of the federal securities laws. Although the Companies believe that the expectations and assumptions reflected in these forward-looking statements are reasonable, these expectations, assumptions and statements are subject to a number of risks and uncertainties, and actual results may differ materially from the results discussed in the statements. The following are among the important factors that could cause actual results to differ materially from the forward-looking statements: regulatory and construction approvals and permitting; market demand and prices for electricity; political, regulatory or economic conditions in states, regions or countries where the Companies conduct business; and the progress of actual construction or purchase of the relevant assets or facilities. Any such forward-looking statements should be considered in light of such important factors and in conjunction with PPL Corporation’s, LG&E and KU Energy LLC’s and the Companies’ Form 10-K and other reports on file with the Securities and Exchange Commission.
