PROPOSAL ONE

Election of Two Directors

The Board of Directors of the Company unanimously nominated David J. Schulte and Charles E. Heath following a recommendation by the Nominating, Corporate Governance and Compensation Committee of the Company, for election as directors at the annual meeting. Mr. Schulte and Mr. Heath are currently directors of the Company, have consented to be named in this proxy statement and have agreed to serve if elected. The Company has no reason to believe that Mr. Schulte or Mr. Heath will be unavailable to serve.

The persons named on the accompanying proxy card intend to vote at the meeting (unless otherwise directed) “FOR” the election of Mr. Schulte and Mr. Heath as directors of the Company. Currently, the Company has five directors, three of whom (the “Independent Directors”) are “independent” as defined under the New York Stock Exchange listing standards. In accordance with the Company’s Articles of Incorporation, its Board of Directors is divided into three classes of approximately equal size. The terms of the directors of the different classes are staggered. The terms of Richard C. Green and John R. Graham expire on the date of the 2013 annual meeting of stockholders and the term of Conrad S. Ciccotello expires on the date of the 2014 annual meeting of stockholders.

In accordance with the Company’s Bylaws (“Bylaws”), each share of the Company’s common stock may be voted for as many individuals as there are directors to be elected. Thus, each common share is entitled to one vote in the election of Mr. Schulte and one vote in the election of Mr. Heath. Stockholders do not have cumulative voting rights.

If elected, each of Mr. Schulte and Mr. Heath will hold office until the 2015 annual meeting of stockholders and until his successor is duly elected and qualified. If either Mr. Schulte or Mr. Heath is unable to serve because of an event not now anticipated, the persons named as proxies may vote for another person designated by the Company’s Board of Directors.

The following table sets forth each Board member’s name, age and address, position(s) with the Company and length of time served, principal occupation during the past five years, and other public company directorships held by each Board member. Unless otherwise indicated, the address of each director is 11550 Ash Street, Suite 300, Leawood, Kansas 66211.

(“TPZ”), Tortoise MLP Fund, Inc. (“NTG”) and Tortoise Pipeline & Energy Fund, Inc. (“TTP”)

Each director was selected to join the Company’s Board of Directors based upon their character and integrity, and their willingness and ability to serve and commit the time necessary to perform the duties of a director. In addition, as to each director other than Mr. Schulte and Mr. Green, their status as an Independent Director, and their service as a director for the Tortoise Funds, and, as to Mr. Schulte and Mr. Green, their roles with the company’s external manager, Corridor InfraTrust Management, LLC (“Corridor”), were an important factor in their selection as a director. No factor was by itself controlling.

In addition to the information provided in the table above, each director possesses the following attributes: Mr. Ciccotello, experience as a college professor, a Ph.D. in finance and knowledge of energy infrastructure MLPs; Mr. Graham, experience as a college professor, executive leadership and business executive; Mr. Heath, executive leadership and business experience; Mr. Schulte, executive and leadership roles with the Tortoise Funds and Corridor; and Mr. Green, executive and leadership roles with public energy companies and Corridor.

Mr. Green serves as Chairman of the Board of Directors. The appointment of Mr. Green as Chairman reflects the Board of Director's belief that his experience, familiarity with the Company's day-to-day operations and access to individuals with responsibility for the Company's management and operations provides the Board of Directors with insight into the Company's business and activities and, with his access to appropriate administrative support, facilitates the efficient development of meeting agendas that address the Company's business, legal and other needs and the orderly conduct of meetings of the Board of Directors. Mr. Heath serves as Lead Independent Director. The Lead Independent Director will, among other things, chair executive sessions of the three directors who are Independent Directors, serve as a spokesperson for the Independent Directors and serve as a liaison between the Independent Directors and the Company's management. The Independent Directors will regularly meet outside the presence of management and are advised by independent legal counsel. The Board of

Directors also has determined that its leadership structure, as described above, is appropriate in light of the Company's size and complexity, the number of Independent Directors and the Board of Directors' general oversight responsibility. The Board of Directors also believes that its leadership structure not only facilitates the orderly and efficient flow of information to the Independent Directors from management, but also enhances the independent and orderly exercise of its responsibilities.

The preceding table and text gives more information about Mr. Green, the Chairman of the Board of the Company and Mr. Schulte, the Chief Executive Officer of the Company. Committees of The Board of Directors

The Company's Board of Directors currently has four standing committees: (i) the Executive Committee; (ii) the Audit and Valuation Committee; (iii) the Nominating, Corporate Governance and Compensation Committee; and (iv) the Compliance Committee. Currently, Mr. Ciccotello, Mr. Graham and Mr. Heath (all of the Company's Independent Directors) are the sole members of the Audit and Valuation Committee, the Nominating, Corporate Governance and Compensation Committee and the Compliance Committee. The Company's Executive Committee currently consists of Mr. Green, Mr. Schulte and Mr. Heath.

- o Executive Committee. The Company's Executive Committee has authority to exercise the powers of the Board (i) to address emergency matters where assembling the full Board of Directors in a timely manner is impracticable, or (ii) to address matters of an administrative or ministerial nature. In the absence of either member of the Executive Committee, the remaining member is authorized to act alone.
- o Audit and Valuation Committee. The Company's Audit and Valuation Committee was established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and operates under a written charter adopted and approved by the Board of Directors, a current copy of which is available on the Company's website (www.tortoiseadvisors.com/tto.cfm) and in print to any stockholder who requests it from the Secretary of the Company at 11550 Ash Street, Suite 300, Leawood, Kansas 66211. The Audit and Valuation Committee: (i) approves and recommends to the Board of Directors the election, retention or termination of the independent registered public accounting firm (the "independent auditors"); (ii) approves services to be rendered by the independent auditors and monitors the independent auditors' performance; (iii) reviews the results of the Company's audit; (iv) determines whether to recommend to the Board that the Company's audited financial statements be included in the Company's Annual Report; (v) assists with implementation of the Company's valuation procedures; and (vi) responds to other matters as outlined in the Committee's Charter. Each Audit and Valuation Committee member is "independent" as defined under the New York Stock Exchange listing standards. The Board of Directors has determined that Conrad S. Ciccotello is an "audit committee financial expert." In addition to his experience overseeing or assessing the performance of companies or public accountants with respect to the preparation, auditing or evaluation of financial statements, Mr. Ciccotello has a Ph.D. in Finance.
- o Nominating, Corporate Governance and Compensation Committee. The Company's Nominating, Corporate Governance and Compensation Committee operates under a written charter adopted and approved by the Board of Directors, a current copy of which is available on the Company's website (www.tortoiseadvisors.com/tto.cfm) and in print to any stockholder who requests it from the Secretary of the Company at 11550 Ash Street, Suite 300, Leawood, Kansas 66211. The Nominating, Corporate Governance and Compensation Committee: (i) identifies individuals qualified to become Board members and recommends to the Board the director nominees for the next annual meeting of stockholders and to fill any vacancies; (ii) monitors the structure and membership of Board committees and recommends to the Board director nominees for each committee; (iii) reviews issues and developments related to corporate governance issues and develops and recommends to the Board corporate governance guidelines and procedures;

(iv) evaluates and makes recommendations to the Board regarding director compensation; (v) oversees the evaluation of the Board and management; (vi) has the sole authority to retain and terminate any search firm used to identify director candidates and to approve the search firm's fees and other retention terms, though it has yet to exercise such authority; and (vii) may not delegate its authority. The Nominating, Corporate Governance and Compensation Committee will consider stockholder recommendations for nominees for membership to the Board of Directors so long as such recommendations are made in accordance with the Company's Bylaws. Nominees recommended by stockholders in compliance with the Bylaws of the Company will be evaluated on the same basis as other nominees considered by the Nominating, Corporate Governance and Compensation Committee. Stockholders should see "Stockholder Proposals and Nominations for the 2013 Annual Meeting" below for information relating to the submission by stockholders of nominees and matters for consideration at a meeting of the Company's stockholders. The Company's Bylaws require all directors and nominees for directors (i) to be at least 21 years of age and have substantial expertise, experience or relationships relevant to the business of the Company, and (ii) to have a master's degree in economics, finance, business administration or accounting, to have a graduate professional degree in law from an accredited university or college in the United States or the equivalent degree from an equivalent institution of higher learning in another country, to have a certification as a public accountant in the United States, or be deemed an "audit committee financial expert" as such term is defined in item 401 of Regulation S-K as promulgated by the SEC, or to be a current director of the Company. The Nominating, Corporate Governance and Compensation Committee has the sole discretion to determine if an individual satisfies the foregoing qualifications. The Nominating and Corporate Governance and Compensation Committee also considers the broad background of each individual nominee for director, including how such individual would impact the diversity of the Board, but does not have a formal policy regarding consideration of diversity in identifying nominees for director. Each Nominating, Corporate Governance and Compensation Committee member is "independent" as defined under the New York Stock Exchange listing standards.

o Compliance Committee. Each Compliance Committee member is "independent" as defined under the New York Stock Exchange listing standards. The Company's Compliance Committee operates under a written charter adopted and approved by the Board of Directors. The committee reviews and assesses management's compliance with applicable securities laws, rules and regulations; monitors compliance with the Company's Code of Ethics; and handles other matters as the Board of Directors or committee chair deems appropriate.

The Board of Directors' role in the Company's risk oversight reflects its responsibility under applicable state law to oversee generally, rather than to manage, the Company's operations. In line with this oversight responsibility, the Board of Directors will receive reports and make inquiry at its regular meetings and as needed regarding the nature and extent of significant risks (including compliance and valuation risks) that potentially could have a materially adverse impact on the Company's business operations, performance or reputation, but relies upon the Company's management to assist it in identifying and understanding the nature and extent of such risks and determining whether, and to what extent, such risks may be eliminated or mitigated. In addition to reports and other information received from the Company's management regarding its operations and activities, the Board of Directors as part of its risk oversight efforts will meet at its regular meetings and as needed with Corridor's management to discuss, among other things, risk issues and issues regarding the Company's policies, procedures and controls. The Board of Directors may be assisted in performing aspects of its role in risk oversight by the

Audit and Valuation Committee and such other standing or special committees as may be established from time to time. For example, the Audit and Valuation Committee will regularly meet with the Company's independent public accounting firm to review, among other things, reports on internal controls for financial reporting.

The Board of Directors believes that not all risks that may affect us can be identified, that it may not be practical or cost-effective to eliminate or mitigate certain risks, that it may be necessary to bear certain risks to achieve the Company's goals and objectives, and that the processes, procedures and controls employed to address certain risks may be limited in their effectiveness. Moreover, reports received by the directors as to risk management matters are typically summaries of relevant information and may be inaccurate or incomplete. As a result of the foregoing and other factors, the risk management oversight of the Board of Directors is subject to substantial limitations.

The following table shows the number of Board of Directors and committee meetings held during the fiscal year ended November 30, 2011:

| | |
|---|---|
| Board of Directors | 9 |
| Executive Committee | 0 |
| Audit and Valuation Committee | 3 |
| Nominating, Corporate Governance and Compensation Committee | 1 |
| Compliance Committee | 1 |

During the 2011 fiscal year, all directors attended at least 75% of the aggregate of (i) the total number of meetings of the Board of Directors, and (ii) the total number of meetings held by all committees of the Board on which they served. The Company does not have a policy with respect to Board member attendance at annual meetings. All of the directors of the Company attended the Company's 2011 annual meeting.

The Company has designated Mr. Heath as the presiding director to preside at all executive sessions of the Company's non-management directors. Executive sessions of the Company's non-management directors are held at least twice a year. Stockholders and any interested parties may communicate directly with Mr. Heath, or with the non-management directors as a group, by writing to the Secretary of the Company at its principal office at 11550 Ash Street, Suite 300, Leawood, Kansas 66211.

Director Compensation Table

The Company does not compensate any of its non-independent directors, nor does the Company compensate any of its officers. The following table sets forth certain information with respect to the compensation paid by the Company during fiscal 2011 to each of the current independent directors for their services as a director. The Company does not have any retirement or pension plans, and no director received any compensation from us other than in cash.

| Name of Person, Position | Aggregate Compensation from Company (1) | Pension or Retirement Benefits Accrued as Part of Company Expenses | Estimated Annual Benefits Upon Retirement | Total Compensation from Company Paid to Directors |
|-----------------------------|---|--|---|--|
| Conrad S. Ciccotello | \$23,000 | None | None | \$23,000 |
| John R. Graham | \$23,000 | None | None | \$23,000 |
| Charles E. Heath | \$23,000 | None | None | \$23,000 |

(1) No amounts have been deferred for any of the persons listed in the table.

For the 2012 fiscal year, each independent director receives from us an annual retainer of \$3,000 and a fee of \$2,000 for each meeting of the Board of Directors or Audit and Valuation Committee he or she attends in person (or \$1,000 for each Board or Audit and Valuation Committee meeting attended telephonically, or for each Audit and Valuation Committee meeting attended in person that is held on the same day as a Board meeting). Independent directors also receive \$1,000 for each other committee meeting attended in person or telephonically (other than Audit and Valuation Committee meetings). The Chairman of the Audit and Valuation Committee receives an additional annual retainer of \$1,000. Each other committee chairman receives an additional annual retainer of \$1,000. The independent directors are reimbursed for expenses incurred as a result of attendance at meetings of the Board of Directors and Board committees.

Required Vote

Mr. Schulte and Mr. Heath will be elected by the vote of a plurality of all shares of common stock of the Company present at the meeting, in person or by proxy. When there are two vacancies for director, as is the case here, a vote by plurality means the two nominees with the highest number of affirmative votes, regardless of the votes withheld for the candidates, will be elected. Therefore, withheld votes and broker non-votes, if any, will not be counted towards a nominee's achievement of a plurality. Each common share is entitled to one vote in the election of Mr. Schulte and one vote in the election of Mr. Heath.

BOARD RECOMMENDATION

The Board of Directors of the Company unanimously recommends stockholders of the Company vote "FOR" Mr. Schulte and Mr. Heath as directors.

PROPOSAL TWO

Approval to Authorize the Amendment of the Company's Articles of Incorporation if the Company Qualifies for and Elects Real Estate Investment Trust Status

Background

The Board of Directors of the Company recommends that the stockholders of the Company approve the proposed Articles of Amendment and Restatement included as Exhibit A hereto (the "Articles of Amendment"). The Board of Directors believes imposition of the ownership and transfer restrictions contained in the proposed Articles of Amendment is advisable because if the Company qualifies for and elects real estate investment trust ("REIT") status, it will help to ensure the Company's compliance with requirements for taxation as a REIT. The Board of Directors further believes that the charters of substantially all REITs contain similar stock ownership and transfer restrictions. If this proposal is approved, the Articles of Amendment will not be filed, and will thus not take effect, until such time as the Company qualifies for and elects REIT status.

REIT Qualification

To qualify for taxation as a REIT and elect REIT status, no more than 50% in value of all classes or series of stock of the Company, including, without limitation common stock and preferred stock ("Capital Stock") may be owned, actually or constructively, by five or fewer persons at any time during the last half of a taxable year (other than the first year in which the Company qualifies as a REIT). Further, for the Company to qualify for taxation as a REIT, the Company's capital stock must be beneficially owned by 100 or more persons during at least 335 days of a taxable year of 12 months or during a proportionate part of a shorter taxable year (other than the first year in which the Company qualifies as a REIT).

Proposed Ownership and Transfer Restrictions

Because the Board of Directors of the Company believes that it is desirable for the Company to qualify for and elect REIT status, the Articles of Amendment provide that, subject to certain exceptions, no person may own, or be deemed to own by virtue of the attribution provisions of the Internal Revenue Code, more than 9.8% of the aggregate value of the Company's outstanding common stock or Capital Stock. The Articles of Amendment are designed to ensure that the Company complies with the closely held prohibition.

In the event of any purported transfer of shares of Capital Stock or any other event that would result in a person (the "Intended Transferee") beneficially owning shares of common stock or Capital Stock in excess of the ownership limit, or that would result in the Company's disqualification as a REIT, that number of shares that would cause a violation of the applicable limit, referred to below as the excess shares, will be automatically transferred to a trust for the benefit of a charitable organization or, if such transfer to a trust would not for any reason avoid a violation of the ownership limitation provisions, the Board of Directors shall take such action as it deems advisable to refuse to give effect to or to prevent such transfer. In any event, a violative transfer is deemed void, and the Intended Transferee shall not acquire any rights in the excess shares. However, these restrictions do not preclude settlement of any transaction entered into through the facilities of the New York Stock Exchange or other national securities exchange.

In the case of an automatic transfer to a trust, the beneficiary will be a qualified charitable organization selected by the Board of Directors. Such automatic transfer will be deemed to be effective as of the close of business on the trading day prior to the date of such violative transfer. Within 20 days after receiving notice from the Company of the transfer of shares to the trust, the trustee of the trust will be required to sell the excess shares to a person or entity who could own such shares without violating the applicable ownership limitation provision. The trustee, upon a sale of these shares, would then distribute to the Intended Transferee an amount equal to the lesser of the price paid by the Intended Transferee for the excess shares or the net sales proceeds received by the trust for the excess shares. In the case where excess shares are transferred to a trust other than as a result of a transfer for value, such as a gift, the trustee will be required to sell the excess shares to a qualified person or entity and distribute to the Intended Transferee an amount equal to the lesser of the fair market value of the excess shares as of the date of the event causing the shares to be held in trust or the sales proceeds received by the trust for the excess shares. In either case, any proceeds in excess of the amount distributable to the Intended Transferee will be distributed to the charitable beneficiary. Prior to a sale of any excess shares by the trust, the trustee will have all voting rights and will be entitled to receive in trust for the charitable beneficiary all dividends and other distributions paid by the Company with respect to the excess shares.

In addition, shares of the Company held in the trust will be deemed to have been offered for sale to the Company, or its designee, at a price per share equal to the lesser of (i) the price per share in the transaction that resulted in such transfer to the trust (or, in the case of a gift or other transaction not for value, the market price at the time of the gift or other transaction) and (ii) the market price on the date the Company, or its designee, accepts the offer. The Company will have the right to accept such offer until such time as the trustee has sold the shares in the trust. Upon the sale to the Company, the interest of the beneficiary in the shares sold will terminate and the trustee shall distribute the net proceeds of the sale to the Intended Transferee and the charitable beneficiary as described above.

These ownership limitations and transfer restrictions could have the effect of delaying, deferring or preventing a takeover or other transaction in which shareholders might receive a premium for their shares over the then prevailing market price or which shareholders might believe to be otherwise in their best interest.

Disclosure of Share Ownership by Stockholders

All persons who own 5% or more of the Company's outstanding shares of Capital Stock, or any lower percentage required by the Code or Treasury regulations, must provide to us a written statement or affidavit containing information regarding their ownership of Capital Stock. In addition, each direct, indirect and constructive owner must disclose to us any information that we may request in good faith to determine our status as a REIT or for other tax compliance reasons.

Required Vote

The proposal to authorize the Board of Directors to Amend the Company's Articles of Incorporation if the Company qualifies for and elects REIT status will be approved by the affirmative vote of common stockholders holding a majority of all common stock. For the purpose of determining whether stockholders holding a majority of all common stock approved this proposal, each common share is entitled to one vote, and abstentions and broker non-votes, if any, will have the effect of a vote against the proposal.

BOARD RECOMMENDATION

The Board of Directors of the Company unanimously recommends that stockholders of the Company vote “FOR” the proposal to authorize the Amendment of the Company’s Articles of Incorporation if the Company qualifies for and elects REIT status as set forth in this proposal.

PROPOSAL THREE

Ratification of Selection of Independent Registered Public Accounting Firm

The Board of Directors of the Company recommends that the stockholders of the Company ratify the selection of Ernst & Young LLP (“E&Y”) as the Company’s independent auditors, to audit the accounts of the Company for the fiscal year ending November 30, 2012. E&Y’s selection was approved by the Company’s Audit and Valuation Committee and was also ratified and approved by the Board of Directors of the Company, including all of the independent Directors.

E&Y has audited the financial statements of the Company since the Company’s commencement of operations on December 8, 2005, and does not have any direct financial interest or any material indirect financial interest in the Company. A representative of E&Y is expected to be available at the meeting, to have the opportunity to make a statement and respond to appropriate questions from the stockholders. The Company’s Audit and Valuation Committee intends to meet twice each year with representatives of E&Y to discuss the scope of their engagement, review the financial statements of the Company and the results of their examination.

Required Vote

E&Y will be ratified as the Company’s independent registered public accounting firm by the affirmative vote of a majority of the votes cast, in person or by proxy, at the meeting by the holders of common stock. Each common share is entitled to one vote on this proposal. For the purposes of the vote on this proposal, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote.

BOARD RECOMMENDATION

The Board of Directors of the Company unanimously recommends that stockholders of the Company vote “FOR” the ratification of Ernst & Young LLP as the Company’s Independent Public Accounting Firm.

AUDIT AND VALUATION COMMITTEE REPORT

The Audit and Valuation Committee of the Company reviews the Company’s annual financial statements with both management and the Company’s independent auditors and assists with implementation of the Company’s valuation procedures.

The Audit and Valuation Committee of the Company, in discharging its duties, has met with and has held discussions with management and the Company’s independent auditors. The Audit and Valuation Committee has reviewed and discussed the Company’s audited financial statements for the fiscal year ended November 30, 2011 with management of the Company. Management of the Company has represented to the independent auditors of the Company that the Company’s financial statements were prepared in accordance with U.S. generally accepted accounting principles.

The Audit and Valuation Committee has also discussed with the independent auditors of the Company the matters required to be discussed by the Statement on Auditing Standards No. 61, as

amended (AICPA Professional Standards, Vol. 1, AU Section 380) as adopted by the Public Company Accounting Oversight Board in Rule 3200T. The independent auditors of the Company provided to the Audit and Valuation Committee the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditors' communications with the Audit and Valuation Committee concerning independence, and the Audit and Valuation Committee discussed with representatives of the independent auditors of the Company their firm's independence with respect to the Company.

Based on the Audit and Valuation Committee's review and discussions with management and the independent auditors, and the representations of management and the reports of the independent auditors to the committee, the Audit and Valuation Committee recommended that the Board include the audited financial statements of the Company in its Annual Report on Form 10-K.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Company's Audit and Valuation Committee selected E&Y as the independent registered public accounting firm to audit the books and records of the Company for its fiscal year ending November 30, 2012. E&Y is registered with the Public Company Accounting Oversight Board.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM
FEES AND SERVICES

The following table sets forth the approximate amounts of the aggregate fees billed to the Company by E&Y for the fiscal year ended November 30, 2010 and 2011, respectively:

| | 2010 | 2011 |
|--------------------------|-----------|-----------|
| Audit Fees ¹ | \$115,500 | \$212,500 |
| Audit-Related Fees | \$ 11,000 | \$ 61,000 |
| Tax Fees ² | \$ 37,000 | \$ 57,000 |
| All Other Fees | - | - |
| Aggregate Non-Audit Fees | \$ 48,000 | \$118,000 |

(1) For professional services rendered auditing the Company's annual financial statements, reviewing interim financial statements, and reviewing the Company's statutory and regulatory filings with the SEC. The audit fees for November 30, 2010 and November 30, 2011 are based on amounts billed and expected to be billed by E&Y.

(2) For professional services rendered to the Company for tax compliance, tax advice and tax planning.

The Audit and Valuation Committee of the Company adopted pre-approval policies and procedures on September 12, 2005. Under these policies and procedures, the Audit and Valuation Committee of the Company pre-approves: (i) the selection of the Company's independent registered public accounting firm; (ii) the engagement of the independent registered public accounting firm to provide any non-audit services to the Company; (iii) the engagement of the independent registered public accounting firm to provide any non-audit services to the Company's manager or advisor or any entity controlling, controlled by, or under common control with the Company's manager or advisor that provides ongoing services to the Company, if the engagement relates directly to the operations and financial reporting of the Company; and (iv) the fees and other compensation to be paid to the independent registered public accounting firm. The Chairman of the Audit and Valuation Committee of the Company may grant the pre-approval of any engagement of the independent registered public accounting firm for non-audit services of less than \$10,000, and such delegated pre-approvals will be presented to the full Audit and Valuation Committee at its next meeting for ratification. Under certain limited circumstances, pre-approvals are not required under securities law regulations for certain non-audit services below certain de minimus thresholds. Since the Company's adoption of these policies and procedures, the Audit and Valuation Committee of the Company has pre-approved all audit and non-audit services provided to the Company by E&Y. None of these services provided by E&Y were approved by the Audit and Valuation Committee pursuant to the de minimus exception under Rule 2.01(c)(7)(i)(C) or Rule 2.01(c)(7)(ii) of Regulation S-X.

TCA and Corridor paid to E&Y \$88,000 and \$0, respectively in 2010 and \$0 and \$26,000, respectively, in 2011 for research and consultations related to proposed transactions. These non-audit services were not required to be preapproved by the Company's Audit and Valuation Committee. No

entity controlling, controlled by, or under common control with Corridor that provides ongoing services to the Company, has paid to, or been billed for fees by, E&Y for non-audit services rendered to Corridor or such entity during the Company's last two fiscal years.

The Audit and Valuation Committee has considered whether E&Y's provision of services (other than audit services) to the Company, Corridor or any entity controlling, controlled by, or under common control with Corridor that provides services to the Company is compatible with maintaining E&Y's independence in performing audit services.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

The Company has written policies and procedures in place for the review, approval and monitoring of transactions involving the Company and certain persons related to the Company. The Company has written procedures which prohibit certain transactions with affiliates of the Company and require board approval of certain transactions with affiliated persons of the Company.

The Company is managed by Corridor InfraTrust Management, LLC (formerly Corridor Energy, LLC). Corridor is an asset manager specializing in financing the acquisition or development of infrastructure real property assets. Corridor assists the Company in identifying infrastructure real property asset investments that can be leased to businesses that make goods, provide services or own assets other than securities, which business we refer to herein as "operating companies" and is generally responsible for the Company's day-to-day operations. Tortoise Capital Advisors, L.L.C., an SEC registered investment adviser, provides the Company certain securities focused investment services necessary to evaluate, monitor and liquidate our remaining securities portfolio and also provides the Company with certain operational (i.e. non-investment) services. Corridor compensates TCA for the securities focused investments and services TCA provides to the Company.

Corridor currently has four business professionals who are primarily responsible for the origination, structuring and managing of the Company's real property asset investments. This team provides investors and operator partners with the industry expertise of energy operations, energy portfolio management and capital markets. Corridor is located at 4200 W. 115th Street, Suite 210, Leawood, Kansas 66211. Corridor is an affiliate of TCA.

Pursuant to the Management Agreement with Corridor, the Company pays Corridor quarterly a base management fee equal to 0.25% (1.00% annualized) of the average monthly Managed Assets for such quarter, calculated and paid in arrears within 30 days of the end of each fiscal quarter. The term

“Managed Assets” as used in the calculation of the management fee means all securities and real property assets (including any securities or real property assets purchased with or attributable to borrowed funds) minus accrued liabilities other than (1) deferred taxes and (2) debt entered into for the purpose of leverage. Accrued liabilities are expenses incurred in the normal course of operations. For purposes of the definition of Managed Assets, “securities” includes the securities portfolio, valued at then current market value. For purposes of the definition of Managed Assets, “real property assets” includes assets invested, directly or indirectly, in equity interests in or loans secured by real estate and personal property owned in connection with such real estate (including acquisition related costs and acquisition costs that may be allocated to intangibles or are unallocated), valued at the aggregate historical cost, before reserves for depreciation, amortization, impairment charges, bad debts or other similar noncash reserves. The base management fee for any partial quarter will be appropriately prorated.

The Company also pays Corridor quarterly an incentive fee of 10% of the increase in distributions paid over a threshold distribution equal to \$0.125 per share per quarter, calculated and paid in arrears within 30 days of the end of each fiscal quarter. No incentive fee shall be paid on (i) any dividend paid after the Board of Directors has determined to liquidate the Company, or (ii) all or any portion of any dividend expected by the Board of Directors not to be sustainable in subsequent quarters. The incentive fee for any partial quarter will be appropriately prorated. At least half of any incentive fee paid to Corridor must be reinvested by Corridor in the Company’s common stock.

For purposes of determining the presence or absence of a quorum, shares present at the annual meeting that are not voted, or abstentions, and broker non-votes (which occur when a broker has not received directions from customers and does not have discretionary authority to vote the customers' shares) will be treated as shares that are present at the meeting but have not been voted.

If a quorum is not present in person or by proxy at the meeting, or if fewer shares are present in person or by proxy than is the minimum required to take action with respect to any proposal presented at the meeting, the chairman of the meeting or the stockholders entitled to vote at such meeting, present in person or by proxy, have the power to adjourn the meeting to a date not more than 120 days after the original record date without notice other than announcement at the meeting.

The Company will furnish copies of such exhibits upon written request and payment of its reasonable expenses in furnishing such exhibits. SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's directors and officers and persons who own more than 10% of a registered class of the Company's equity securities to file forms reporting their affiliation with the Company and reports of ownership and changes in ownership of the Company's shares with the SEC and the New York Stock Exchange. Those persons and entities are required by SEC regulations to furnish the applicable Company with copies of all Section 16(a) forms they file. Based on a review of those forms furnished to it, the Company believes that its directors and officers, have complied with all applicable Section 16(a) filing requirements during the last fiscal year, except that Conrad Ciccotello was late in reporting the sale of a fractional share in connection with a brokerage account transfer. The transaction was reported on a Form 4 filed in November 2011. The Company has no reason to believe that Morgan Stanley, as the beneficial owner (as defined in Rule 16a-1 under the Exchange Act) of more than 10% of the Company's common stock, has not complied with all applicable Section 16(a) filing requirements during the last fiscal year.

Other Proposals and Nominations. If you want to nominate a director or have other business considered at the Company's next annual meeting of stockholders but do not want those items included in its proxy statement, you must comply with the advance notice provision of the Company's Bylaws. With respect to other business to be brought before the meeting, a notice must include, among other things, a description of the business and any material interest in such business by the stockholder and certain associated persons proposing the business. Any stockholder wishing to make a proposal should carefully read and review the applicable Company's Bylaws. A copy of the Company's Bylaws may be obtained by contacting the Secretary of the Company at 866-362-9331 or by writing the Secretary of the Company at 11550 Ash Street, Suite 300, Leawood, Kansas 66211. Timely submission of a proposal does not mean the proposal will be allowed to be brought before the meeting.

These advance notice provisions are in addition to, and separate from, the requirements that a stockholder must meet in order to have a proposal included in the Company's proxy statement under the rules of the SEC.

A proxy granted by a stockholder will give discretionary authority to the proxies to vote on any matters introduced pursuant to the above advance notice Bylaw provisions, subject to applicable rules of the SEC.
