Line of Credit

On September 8, 2015, Smith-Midland Corporation (the "Company") completed the refinance of its line of credit with Summit Community Bank for \$2,000,000, as evidenced by a promissory note, under substantially the same terms and in the same amount as its previous line of credit. The loan is collateralized by a first lien position on the Company's accounts receivable and inventory and a second lien position on all other business assets. The interest rate is equal to the Wall Street Journal prime rate with an initial rate of 4.49% and a floor of 4.49% per annum, adjustable every month with interest only payments due on a monthly basis. The loan matures on September 12, 2016. Advances on the line of credit are made at the request of the Company. There are currently no outstanding borrowings under the line of credit.

Key provisions of the line of credit require the Company, (i) to obtain bank approval for capital expenditures in excess of \$1,000,000 during the term of the loan and (ii) to obtain bank approval prior to its funding any acquisition.

The foregoing description does not purport to be complete and is qualified in its entirety by reference to the Promissory Note, the Commitment Letter, the Commercial Loan Application - Summary and the Commercial Security Agreement, copies of which are attached hereto as exhibits 10.1, 10.2, 10.3, and 10.4, respectively, and are incorporated herein by reference.

Equipment Purchase Commitment

On September 8, 2015, the Company received a Commitment Letter from Summit Community Bank to provide a guidance line of credit specifically to purchase business equipment in the amount of \$1,000,000. The commitment provides for the purchase of equipment with advances limited to 80% of the cost of equipment and a minimum advance of \$50,000 for which a promissory note will be executed. The promissory note will have a term not to exceed five years and an interest rate at the Wall Street Journal prime rate plus .5% with a floor of 4.49% per annum and an equal amount of principal payments. The loan is collateralized by a first lien position on all equipment purchased under the line. The commitment for the guidance line of credit matures on September 7, 2016. No advances have been made to the Company as of this date.

The key provisions of the guidance line of credit are the same as those of the Summit Community Bank line of credit more fully described above.

The foregoing description does not purport to be complete and is qualified in its entirety by reference to the Commitment Letter and Commercial Loan Application - Summary, copies of which are attached hereto as exhibits 10.5 and 10.6, respectively, and are incorporated herein by reference.
