Tata Motors and Warburg Pincus mutually decide to call off the transaction in Tata Technologies Ltd.

Mumbai, February 5, 2018: "As per the transaction announced on June 15, 2017, Warburg Pincus was to acquire approximately 43% stake in Tata Technologies from Tata Motors and other Tata entities. However, due to delays in securing regulatory approvals as well as due to the recent performance of the company not meeting internal thresholds because of market challenges, the parties to the transaction have mutually decided not to proceed with closure of the transaction. Tata Motors will continue to explore strategic options to sell its stake in Tata Technologies and remains positive on the outlook of the business."
