2006 PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation, beginning approximately March xx, 2006, by our Board of Directors, of proxies for use at the Annual Meeting of Shareholders. This meeting will be held on Tuesday, April 25, 2006, at 3:00 p.m. (local time) at the Ionia Theater, 205 West Main Street, Ionia, Michigan 48846.

If the form of the Proxy accompanying this Proxy Statement is properly executed and returned, the shares represented by the Proxy will be voted at the Annual Meeting of Shareholders in accordance with the directions given in such Proxy. If no choice is specified, the shares represented by the Proxy will be voted for the election of directors listed as nominees, for the ratification of the independent auditors and for the amendment to our Articles of Incorporation to increase the authorized shares of common stock from 30 million to 40 million.

To vote by telephone, shareholders of record (shareholders who have been issued a certificate representing their shares) may call toll free on a touch-tone telephone 1-877-PRX-VOTE (1-877-779-8683); enter the control number located on your proxy card and follow the recorded instructions. To vote by internet, go to the site <http://www.eproxyvote.com/ibcp>; enter the control number located on your proxy card and follow the instructions provided.

If your shares are held through a bank or a broker (referred to as "street name"), you may also be eligible to vote your shares electronically. Simply follow the instructions on your voting form, using either the toll-free telephone number or the internet address that is listed.

A Proxy may be revoked prior to its exercise by delivering a written notice of revocation to our Secretary, executing a subsequent Proxy or attending the meeting and voting in person. Attendance at the meeting does not, however, automatically serve to revoke a Proxy.

VOTING SECURITIES AND RECORD DATE

As of February 24, 2006, the record date for the Annual Meeting, we had issued and outstanding xx,xxx,xxx, shares of common stock. Shareholders are entitled to one vote for each share of our common stock registered in their names at the close of business on the record date. Votes cast at the meeting and submitted by proxy are counted by the inspectors of the meeting, who are appointed by us.

As of February 24, 2006, no person was known by us to be the beneficial owner of 5% or more of our Common Stock, except as follows:

Title of Class	Name and Address of Beneficial Owner	Amount and Nature of Beneficial Ownership	Approximate Percent of Class
Common Stock, \$1 par value	Independent Bank Corporation Employee Savings and Stock Ownership Trust ("ESSOT") 230 West Main Street Ionia, Michigan 48846	x,xxx,xxx	x.x%

Our ESSOT holds shares of Common Stock pursuant to the terms of our Employee Savings and Stock Ownership Plan ("ESSOP "). The Principal Financial Group administers the ESSOP and serves as directed trustee. Our ESSOP Administrative Committee has investment power with respect to the shares of Common Stock held by the ESSOT and has voting power to the extent that the ESSOP participants do not direct the voting of the shares of Common Stock allocated to their accounts.

Our Administrative Committee is comprised of three of our officers: Robert N. Shuster, James J. Twarozynski and Laurinda M. Neve. Except for the shares of Common Stock allocated to their respective accounts as participants in the ESSOP, each member of our Administrative Committee disclaims beneficial ownership of the shares held by the ESSOT.

ELECTION OF DIRECTORS

Our Articles of Incorporation provide that our Board be divided into three classes of nearly equal size, with the classes to hold office for staggered terms of three years each. Our Bylaws permit our Board of Directors to establish the size of our Board from three to fifteen members. Our current Board has fixed the size of our Board at nine members. Robert L. Hetzler, Michael M. Magee, Jr. and James E. McCarty are nominees to serve three-year terms expiring in 2009, and Donna J. Banks, is a nominee to serve a one-year term expiring in 2007. Messrs. Hetzler, Magee and McCarty are incumbent directors previously elected by our shareholders. Ms. Banks is an incumbent director who was appointed to our Board effective December 1, 2005.

The Proxies cannot be voted for a greater number of persons than the number of nominees named. In the event that any nominee is unable to serve, which is not now contemplated, our Board may designate a substitute nominee. The proxy holders, to the extent they have been granted authority to vote in the election of directors, may or may not vote for a substitute nominee.

In addition to the nominees for director, each director whose term will continue after the meeting is named in the following table. Each nominee and director owned beneficially, directly or indirectly, the number of shares of Common Stock set forth opposite their respective names. The stock ownership information and the information relating to each nominee's and director's age, principal occupation or employment for the past five years has been furnished to us as of February 24, 2006, by the respective nominees and directors.

A plurality of the votes cast at the Annual Meeting of Shareholders is required to elect the nominees as directors. Accordingly, at this year's meeting, the four individuals who receive the largest number of votes cast at the meeting will be elected as directors. Shares not voted at the meeting, whether by abstention, broker non-vote or otherwise, will not be treated as votes cast at the meeting.

The Independent Bank Corporation Board of Directors recommends a vote FOR the election of each of the four nominees.

CORPORATE GOVERNANCE AND BOARD MATTERS

Corporate Governance Principles

For many years, our Board of Directors has been committed to sound and effective corporate governance practices. The Board has documented those practices in our Corporate Governance Principles. These principles address director qualifications, periodic performance evaluations, stock ownership guidelines and other corporate governance matters. Under those principles, a majority of the members of our Board must qualify as independent under the rules established by the NASDAQ stock market on which our stock trades. Our principles also require the Board to have an audit committee, compensation committee and a nominating and corporate governance committee, and that each member of those committees qualifies as independent under the NASDAQ rules. Our Corporate Governance Principles, as well as the charters of each of the foregoing committees are available for review on our website at www.ibcp.com under the Investor Relations tab.

Code of Business Conduct and Ethics and Code of Ethics for Senior Financial Officers

Our Board has also adopted a Code of Business Conduct and Ethics that applies to all of our employees, officers and directors. In addition, the Board has adopted a Code of Ethics for Senior Financial Officers, which includes our principle executive officer, principle financial officer and controller. Each of these codes is posted on our website and can also be obtained free of charge through our Corporate Secretary at 230 West Main Street, Ionia, Michigan 48846. Any changes to or waivers of either code for our CEO or senior financial officers will be disclosed on our website.

Determination of Independence of Board Members

As required by our Corporate Governance Principles, our Board has determined that each of the following directors qualifies as an Independent Director, as such term is defined in Market Place Rules 4200(a)(15) of the National Association of Securities Dealers (the NASD): Donna J. Banks, Jeffrey A. Bratsburg, Stephen L. Gulis, Terry L. Haske, Robert L. Hetzler, James E. McCarty and Charles A. Palmer. Our Board has also determined that each member of the three committees of the Board meets the independence requirements applicable to those committees as prescribed by the NASDAQ listing requirements, and, as to the audit committee, under the applicable rules of the Securities and Exchange Commission. There are no family relationships between or among our directors, nominees or executive officers.

Meeting Attendance

Each of our directors is expected to attend all meetings of the Board, applicable committee meetings, and our annual meeting of shareholders. Each of our directors, serving at that time, attended our 2005 annual shareholder meeting. During 2005, the Board held 7 meetings; each director attended at least 75% of the aggregate number of meetings of our Board and Board committees on which they served.

Board Committees

Our audit committee, which met on 14 occasions in 2005, consists of directors Bratsburg, Gulis (Chairman), and Haske. Our Board has determined that Mr. Gulis qualifies as the Audit Committee Financial Expert, as that term is defined in the rules established by the Securities and Exchange Commission. The primary purpose of the audit committee is to assist the Board in overseeing (1) the quality and integrity of our accounting, auditing and reporting practices, (2) the performance of our internal audit function and independent auditor, and (3) our disclosure controls and system of internal controls regarding, finance, accounting, legal compliance, and ethics that management and our Board have established. A copy of the committee's charter, which was amended and restated this past year following the committee's annual review and reassessment of its charter, is attached to this Proxy Statement as Appendix A.

Our compensation committee, which met on four occasions in 2005, consists of directors Banks, Bratsburg, Gulis, Hetzler and McCarty (Chairman). This committee reviews and makes recommendations to the Board on executive compensation matters, including any benefits to be paid to our executives and officers.

Our nominating and corporate governance committee, which met on two occasions in 2005, consists of directors Banks, Hetzler, McCarty and Palmer (Chairman). This committee is responsible for making recommendations on the qualification and standards to serve on our Board, identifying board candidates and monitoring our corporate governance standards.

Our Articles of Incorporation contain certain procedural requirements applicable to shareholder nominations of directors. Shareholders may nominate a person to serve as a director if they provide written notice to us not later than sixty and no more than ninety days prior to the first anniversary date of the preceding year's annual meeting. The notice must include (1) name and address of the shareholder who intends to make the nomination and of the person or persons nominated, (2) a representation that the shareholder is a current record holder and will continue to hold those shares through the date of the meeting and intends to appear in person or by proxy at the meeting, (3) a description of all arrangements between the shareholder and each nominee, (4) the information regarding each nominee as would be required to be included in a

Edgar Filing: INDEPENDENT BANK CORP /MI/ - Form PRE 14A

proxy statement filed under Regulation 14A of the Exchange Act had the nominee been nominated by the Board of Directors, and (5) the consent of each nominee to serve as director. Our nominating and corporate governance committee does not currently utilize the services of any third party search firm to assist in the identification or evaluation of board member candidates. However, the committee may use the services of such a firm in the future if it deems necessary or appropriate.

The nominating and corporate governance committee has not established specific, minimum qualifications for director nominees. Our Corporate Governance Principles mandate that directors possess the requisite background and experience to make a strong, positive contribution to Independent Bank Corporation and our shareholders. Our nominating and corporate governance committee is responsible for reviewing the qualifications and independence of the members of the Board. This assessment includes a consideration of the skills, experience and diversity of the prospective candidates. In light of these general requirements, our nominating and corporate governance committee reviews the suitability of each person nominated to our Board. These same standards and suitability requirements are applicable to all director nominees, regardless of the party making the director nomination. Historically, new Board members have been selected and nominated from those persons serving as directors of one of our subsidiary banks. Consistent with that approach, our most recent Board appointee, Donna J. Banks, Ph.D., served as a director of one of our subsidiary banks since 2004. Dr. Banks was appointed to our Board effective December 1, 2005, and is among the four incumbent directors standing for re-election.

The committee has not received any recommended director nominations from any of our shareholders in connection with our 2006 annual meeting. The nominees that are standing for election as directors at the 2006 annual meeting are incumbent directors nominated by the committee.

Majority Voting

Our Nominating and Corporate Governance Committee and Board have discussed and considered the adoption of majority voting for directors. The Board favors the general concepts of majority voting which would essentially proscribe the election of any nominee who received fewer votes cast in his or her favor for election than were withheld. However, our Bylaws and the Michigan Business Corporation Act provide that directors are to be elected by a plurality of votes cast, except as otherwise provided in our Articles. Due to various initiatives under consideration to either modify applicable laws or otherwise address some of the practical implications that arise from majority voting, the Board has elected to defer, at this time, any action or recommendation on this matter.

Shareholder Communications with the Board

The Board of Directors has implemented a process by which a shareholder may send written communications to the Board's attention. Any shareholder desiring to communicate with the Board or one or more of our directors may send a letter addressed to the Company's Corporate Secretary at P.O. Box 491, Ionia, Michigan 48846. The Secretary has been directed to promptly forward all communications to the full Board or the specific director indicated in the letter.

COMPENSATION OF DIRECTORS

Directors who are not employed by us or any of our subsidiaries (Non-employee Directors) receive an annual retainer of \$10,000. Each Non-employee Director also serves as a director of one of our subsidiary banks. Non-employee Directors of our subsidiaries received monthly meeting fees of \$850 during 2005 (this monthly meeting fee was increased to \$1,000 effective January 1, 2006). Our Non-employee Directors are not compensated for committee meetings. Mr. Van Loan will be treated as a Non-employee Director in 2006 consistent with his December 31, 2005 retirement.

Pursuant to our Long-Term Incentive Plan, the compensation committee may grant options to purchase shares of Independent Bank Corporation common stock to each Non-employee Director. For services in 2006 and in November 2005, each Non-employee Director (except for Dr. Banks but including Mr. Van Loan due to his retirement on December 31, 2005) received an option to purchase 3,847 shares of common stock at a price equal to the fair market value of our common stock on the date of the grant. Dr. Banks received an option to purchase 3,690 shares of common stock on December 2, 2005 at a price equal to the fair market value of our common stock on the date of the grant. These options may be exercised immediately as of the grant date, are restricted as to transferability and expire 10 years after the date of grant.

We maintain a Deferred Compensation and Stock Purchase Plan for Non-employee Directors (the Purchase Plan). The Purchase Plan provides that Non-employee Directors may defer payment of all or a part of their director fees (Fees) or receive shares of common stock in lieu of cash payment of Fees. Under the Purchase Plan, each Non-employee Director may elect to participate in a Current Stock Purchase Account, a Deferred Cash Investment Account or a Deferred Stock Account.

A Current Stock Purchase Account is credited with shares of Independent Bank Corporation common stock having a fair market value equal to the Fees otherwise payable. A Deferred Cash Investment Account is credited with an amount equal to the Fees deferred and on each quarterly credit date with an appreciation factor that may not exceed the prime rate of interest charged by Independent Bank. A Deferred Stock Account is credited with the amount of Fees deferred and converted into stock units based on the fair market value of our common stock at the time of the deferral. Amounts in the Deferred Stock Account are credited with cash dividends and other distributions on our common stock. Fees credited to a Deferred Cash Investment Account or a Deferred Stock Account are deferred for income tax purposes. The Purchase Plan does not provide for distributions of amounts deferred prior to a participant's termination as a Non-employee Director. Participants may generally elect either a lump sum or installment distributions.

REPORT OF OUR AUDIT COMMITTEE

The information contained in this report shall not be deemed to be soliciting material or filed or incorporated by reference in future filings with the Securities and Exchange Commission, or subject to the liabilities of Section 18 of the Securities Exchange Act of 1934, except to the extent that we specifically incorporate it by reference into a document filed under the Securities Act of 1933 or the Securities Exchange Act of 1934.

Our audit committee has met with management and the independent auditors to review and discuss our audited financial statements as of and for the year ended December 31, 2005.

Our audit committee obtained from our independent auditors a formal written statement describing the relationships between us and our auditors that might bear on the auditors' independence, which is consistent with Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees. Our audit committee has also discussed with our auditors any relationships that may impact their objectivity and independence and satisfied itself as to our auditors' independence.

Our audit committee has reviewed and discussed with our independent auditors all communications required by generally accepted auditing standards, including those described in Statement on Auditing Standards No. 61, as amended, Communication with Audit Committees. Our audit committee also discussed, with and without management present, the results of our independent auditors' examination of our financial statements.

Based on the reviews and discussions referred to above, the audit committee has recommended to our Board of Directors that the financial statements referred to above be included in our Annual Report on Form 10-K for the year ended December 31, 2005.

**AUDIT MATTERS AND OUR RELATIONSHIP WITH
OUR INDEPENDENT AUDITORS**

Effective March 29, 2005, our Board of Directors dismissed KPMG LLP ("KPMG") as our independent auditors. The dismissal of KPMG was approved by our Audit Committee on March 29, 2005. On that same date, the Audit Committee approved the engagement of Crowe Chizek & Company LLC ("Crowe") as independent auditors for the year ended December 31, 2005.

The audit reports of KPMG on our consolidated financial statements as of and for the years ended December 31, 2004 and 2003, and KPMG's report on management's assessment of internal control over financial reporting as of December 31, 2004, and the effectiveness of internal control over financial reporting as of December 31, 2004, did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope, or accounting principles.

During the calendar years ended December 31, 2004 and 2003, and from December 31, 2004 through the effective date of KPMG's dismissal (the "Relevant Period"), there were no disagreements between us and KPMG on any matters of accounting principle or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to their satisfaction, would have caused KPMG to make reference to the subject matter of such disagreements in connection with its reports. Also, during the Relevant Period, there were no reportable events as described in Item 304(a)(1)(v) ("Reportable Events") of Regulation S-K issued by the Securities and Exchange Commission (the "Commission").

During the Relevant Period, neither the Company nor (to the Company's knowledge) anyone acting on behalf of the Company consulted with Crowe regarding either (i) the application of accounting principles to a specified transaction (either completed or proposed), (ii) the type of audit opinion that might be rendered on our financial statements, or (iii) any Reportable Event.

Edgar Filing: INDEPENDENT BANK CORP /MI/ - Form PRE 14A

The following sets forth the fees paid to our independent auditors (Crowe in 2005 and KPMG in 2004) for the last two fiscal years:

	Year ended December 31,	
	2005	2004
Audit fees	\$xxx,000	\$348,000
Audit related fees(1)	xx,000	25,000
Tax fees(2)	xx,000	63,000
All other fees		75,000(3)
Total	\$xxx,000	\$511,000

- (1) Consists primarily of fees related to an audit required under Housing and Urban Development loan program and fees related to benefit plan audits.
- (2) Consists primarily of fees related to the preparation of corporate tax returns and corporate tax planning.
- (3) Amount in 2004 consists of costs relating to an investigation at a subsidiary disclosed and described in the audited financial statements.

Pre-Approval Policy

Our audit committee has established a pre-approval policy for procedures for audit, audit related and tax services that can be performed by our independent public accountants. For 2005 and 2004, all of these fees were pre-approved by the audit committee under that policy. Subject to certain limitations, the authority to grant pre-approvals may be delegated to one or more members of the audit committee.

PROPOSAL I SUBMITTED FOR YOUR VOTE RATIFICATION OF THE APPOINTMENT OF INDEPENDENT AUDITORS

The audit committee has selected Crowe Chizek and Company LLC (Crowe), as independent auditors for the Company, for the fiscal year ending December 31, 2006. These services provided to the Company and our subsidiaries by Crowe for 2005 is described above under the caption Audit Matters and our Relationship with our Independent Auditors.

We are asking our shareholders to ratify the selection of Crowe as our independent auditors. Although ratification is not legally required, the Board is submitting the selection of Crowe to our shareholders for ratification as a matter of good corporate governance. Representatives of Crowe are expected to be present at the Annual Meeting to respond to appropriate questions and to make such statements as they may desire.

The affirmative vote of the holders of the majority of the shares represented in person or by proxy and entitled to vote on this item will be required for approval. All broker non-votes will not be treated as votes cast on this matter; shares voted as abstentions will be counted as votes cast and therefore will have the effect of a negative vote.

If our shareholders do not ratify the appointment, the appointment will be reconsidered by the audit committee and the Board. Even if the selection is ratified, the audit committee, in its discretion, may select a different registered public accounting firm at any time during the year if it determines that such a change would be in the best interest of the Company and our shareholders.

The Board of Directors recommends a vote FOR this proposal to ratify the appointment of Crowe as our independent auditors.

PROPOSAL II SUBMITTED FOR YOUR VOTE AMEND THE COMPANY S AMENDED AND RESTATED ARTICLES OF INCORPORATION TO INCREASE AUTHORIZED SHARES OF COMMON STOCK FROM 30 MILLION SHARES TO 40 MILLION SHARES

The Board of Directors has proposed that the first paragraph of Article III of Independent Bank Corporation s Amended and Restated Articles of Incorporation be amended to read as follows:

The total number of shares of all classes of capital stock which the Corporation shall have the authority to issue is forty million two hundred thousand shares, of which forty million (40,000,000) shares will be common stock of the par value of \$1.00 per share, and two hundred thousand (200,000) shares shall be series preferred stock, without par value.

This amendment will increase our authorized common stock from 30,000,000 shares to 40,000,000 shares. The purpose of the amendment is to provide additional shares of common stock for future issuance. As of February 24, 2006 there were approximately xx,xxx,xxx shares of common stock issued and outstanding, xxx,xxx stock options granted but not exercised, and xxx,xxx shares reserved for issuance under our stock compensation plans. As a result, as of February 24, 2006, x,xxx,xxx shares of common stock remain available for future issuance. We have no series preferred stock issued or outstanding. This proposed amendment will not affect those shares.

The Board of Directors considers the proposed increase in the number of authorized shares desirable because it would give the Board greater flexibility to declare common stock splits or stock dividends when considered desirable and still leave sufficient shares available for issuance in connection with potential acquisitions, financings, and for other general corporate purposes.

Our growth strategy includes the pursuit of further acquisitions of other community-oriented banks that are already operating in desirable markets in or near the State of Michigan, as well as other specialty lending and related financial services businesses. The Board of Directors believes it is important to have the flexibility to use common stock or a combination of cash and stock as consideration in potential acquisitions. We may also desire to issue common stock from time to time in the future to raise additional capital necessary to support our future growth.

Approving an increase in the number of authorized shares at this time would avoid the additional expense and delay incidental to obtaining shareholder approval to increase the number of authorized shares at the time of any planned transaction of the type described above, unless shareholder approval is otherwise required for a particular issuance by applicable law. Authorized, unissued and unreserved common stock may be issued from time to time for any proper purpose without further action of the shareholders, except as required by our Amended and Restated Articles of Incorporation, applicable law or the listing requirements of the Nasdaq National Market, on which our common stock is listed.

Each share of common stock authorized for issuance has the same rights and is identical in all respects with each other share of common stock. Newly authorized shares of common stock will not affect the rights, such as voting and liquidation rights, of the shares of common stock currently outstanding. Under Michigan law and our Amended and Restated Articles of Incorporation, shareholders do not have preemptive rights to purchase subsequently issued shares of common stock.

The ability of the Board of Directors to issue additional shares of common stock without additional shareholder approval may be deemed to have an anti-takeover effect. The amendment, however, is not being proposed in order to prevent a change in control, and is not in response to any present attempt known to the Board to acquire control of the Board of Directors, to obtain representation on the Board of Directors or to take significant action which affects control of the Company. Although we have no such plans, the Company could use the additional shares of common stock to oppose a hostile takeover attempt or to delay or prevent changes of control or changes in or removal of management of the Company. For example, if the amendment is approved, the Board of Directors could strategically issue shares in private placements that could frustrate takeovers or other transactions that do not favor the current Board of Directors and management, even if those transactions are at substantial market premiums and are favored by shareholders of the Company. Any issuance of additional shares also could have the effect of diluting the earnings per share and book value per share of the outstanding shares of the Company s common stock as well as stock ownership and voting rights of shareholders, including persons seeking to obtain control of the Company. The Board of Directors does not, however, intend to issue any additional shares of common stock except on terms which it deems to be in the best interests of the Company and its shareholders.

The affirmative vote of the holders of a majority of the outstanding shares of common stock of the Company is required for the approval of this proposed amendment. Unless otherwise directed by a shareholder s proxy, the persons named as proxy voters in the accompanying proxy will vote FOR this amendment.

The Independent Bank Corporation Board of Directors recommends a vote FOR this proposal to amend the Company s Amended and Restated Articles of Incorporation to increase the number of shares of authorized common stock.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The information contained in this report shall not be deemed to be solicited or filed or incorporated by reference in future filings with the Securities and Exchange Commission, or subject to the liabilities of Section 18 of the Securities Exchange Act of 1934, except to the extent that we specifically incorporate it by reference into a document filed under the Securities Act of 1933 or the Securities Exchange Act of 1934.

General

Our ability to create shareholder wealth is predicated on our ability to attract and retain qualified executives and senior managers. Our Board of Directors, therefore, believes that our compensation policies and practices must: 1) provide incentives and rewards for superior performance; 2) align the interests of our executive officers and senior managers with the interests of our shareholders, and; 3) provide executive officers and senior managers with the opportunity to accumulate wealth that is commensurate with increases in the value of our common stock.

Compensation Strategy

Consistent with these objectives, our Board of Directors has adopted a pay-for-performance compensation strategy. The strategy seeks to maintain a balance among three principal components of total compensation, as follows:

Base salary Excluding consideration of other relevant factors, which may include individual performance, experience, expertise and tenure, our Board intends to maintain the base salaries of executive officers and senior managers at approximately the level established by our peers.

Annually, the compensation committee recommends a base salary for our President and Chief Executive Officer for consideration by the entire Board of Directors. The compensation committee's recommendation is based upon compensation levels established by our peers and the compensation committee's evaluation of the relevant factors that are described above. The base salaries of the Presidents of each of our Banks are determined in a similar manner by our President and Chief Executive Officer and our Banks' respective boards of directors. The base salaries of other executive officers are established by our President and Chief Executive Officer.

Annual cash incentive To provide additional performance incentives, the strategy provides for annual cash awards that are payable if we meet or exceed annual performance objectives established by our Board of Directors. Assuming target performance is achieved under the Management Incentive Compensation Plan described below; our Board intends that aggregate annual cash compensation (the total of base salary and annual cash incentive) will equal approximately peer level.

Long-term incentives To align the interests of our executive officers and senior managers with our shareholders, our Board's compensation strategy provides for equity-based compensation plans, including our Employee Savings and Stock Ownership Plan and our Long-Term Incentive Plan. These compensation plans have been adopted by our Board of Directors, and our Long-Term Incentive Plan has been approved by our shareholders. Such plans are, however, administered by the compensation committee.

Compensation Plans

Pursuant to our Management Incentive Compensation Plan, our Board of Directors establishes annual performance levels as follows: 1) threshold represents the performance level which must be achieved before any incentive awards are granted; 2) target performance is defined as the desired level of performance in view of all relevant factors, as discussed below, and; 3) maximum represents that which reflects outstanding performance.

The principal factors considered by our Board in the determination of these performance levels include peer performance and investment community expectations for our return on equity and earnings per common share, as well as similar expectations for our competitors in the financial services industry. Corresponding performance levels are established for each of our Banks or other subsidiaries.

In addition to our objective earnings goals, payments pursuant to this plan may also be subject to certain pre-determined individual goals. Such individual goals may be objective or subjective in nature. The individual performance component is, however, limited to 20% of the total incentive formula for our executive officers and our Bank Presidents.

For our Chief Executive Officer, cash payments made pursuant to this plan may range from 20% to 50% of base salary. For other executive officers and our Bank Presidents, such cash payments may range from 15% to 35% of their base salary. For the year ended December 31, 2005, our executive officers and our Bank Presidents received cash awards pursuant to our Management Incentive Compensation Plan that ranged from 21% to 47% of their respective base salaries.

Edgar Filing: INDEPENDENT BANK CORP /MI/ - Form PRE 14A

Our Long-Term Incentive Plan is intended to provide our executive officers and senior managers with additional long-term incentives to manage our affairs in the best interests of our shareholders. On April 26, 2005, our Board of Directors granted options to purchase 120,750 shares of Common Stock to 46 of our executive officers and senior managers. These options provide the recipient the right to purchase shares of common stock at \$26.27 per share, the market price of our common stock as of the date of the grant. Such options could not be exercised before May 31, 2005, are restricted as to transferability and expire 10 years after the date of the grant. Also on November 15, 2005, our Board of Directors granted options to purchase 110,417 shares of common stock to 45 of our executive officers and senior managers. These options provide the recipient the right to purchase shares of common stock at \$28.32 per share, the market price of our common stock as of the date of the grant. Such options could be exercised as of the grant date, are restricted as to transferability and expire 10 years after the date of the grant. These stock option grants have historically been made in April of each year; however, the grants that normally would have been made in April 2006 were accelerated to November 2005 so that they would not have to be expensed under Statement of Financial Accounting Standards No. 123 (revised 2004), Share Based Payment, (SFAS #123R) which is effective January 1, 2006.

On December 15, 2005, our Board of Directors granted options to purchase 125,989 shares of common stock to our executive officers. Each option provides the recipient the right to purchase the underlying shares of common stock at \$28.10 per share, the market price of our Common Stock as of the date of the grant. Such options could be exercised as of the grant date, are restricted as to transferability and expire 10 years after the date of the grant. These stock option grants were calculated under our Management Incentive Compensation Plan and the total grant values (using the Black Scholes valuation model) were equal to 1.5 times the recipients' cash incentive.

Other than stock options issued pursuant to reload features included in certain existing outstanding stock option agreements, we do not expect, under current conditions, to grant any new stock options subsequent to January 1, 2006. The Long-Term Incentive Plan permits other forms of equity based awards (other than stock options). The compensation committee is currently reviewing the use of other forms of equity based compensation (as permitted by the Long-term Incentive Plan) or supplemental cash awards to fund further investments in our stock by executives, for 2006 and subsequent years.

Our Employee Savings and Stock Ownership Plan, provides substantially all full-time employees an equity interest in our Company. Contributions to the ESSOP are determined annually and are subject to the approval of our Board of Directors. Contributions for the year ended December 31, 2005, were equal to 6% of the eligible wages for each of the approximately 1,133 participants in the ESSOP.

Chief Executive Officer Compensation

Michael M. Magee, Jr. has served as our Chief Executive Officer since January 1, 2005. Prior to that time, Mr. Magee had been the Chief Operating Officer of the Company since February 2004 and prior to that time had served as the President and Chief Executive Officer of Independent Bank.

Consistent with our existing policies and practices, the compensation committee reviewed compensation data from our peers and evaluated Mr. Magee's contributions to our success as well as his experience and expertise. On the basis of its evaluation, the compensation committee recommended for consideration, and our Board of Directors approved, a base salary of \$280,000 for 2005 and a base salary of \$310,000 for 2006. In determining the base salary for 2006, the compensation committee also took into account the completion of the transition plan and Mr. Van Loan's retirement, both as further described below. As a result of our earnings, relative to the goals established pursuant to our Management Incentive Compensation Plan, Mr. Magee's cash incentive for 2005 totaled \$131,941.

In February 2004 we announced a transition plan, pursuant to which Mr. Magee began to gradually assume Mr. Van Loan's responsibilities. During 2005 Mr. Van Loan provided continuing assistance to Mr. Magee, and the transition of duties from Mr. Van Loan to Mr. Magee was completed by December 31, 2005.

In October 2005, we entered into a retirement agreement with Mr. Van Loan. This agreement provides that Mr. Van Loan retire as an employee of the Corporation effective December 31, 2005. Pursuant to the retirement agreement and in consideration of Mr. Van Loan's past services to the Company, we made a payment of \$338,000 to Mr. Van Loan in the fourth quarter of 2005 and provided him with certain other benefits.

MANAGEMENT CONTINUITY AGREEMENTS

We have entered into individual Management Continuity Agreements with our executive officers and certain senior managers, including our Named Executives. These agreements provide severance benefits if the individual's employment is terminated within 36 months after a change in control or within six months before a change in control if we terminate the individual's employment in contemplation of a change in control and to avoid the agreement. For the purposes of these agreements, a change in control is any occurrence reportable as such in a proxy statement under applicable rules of the Securities and Exchange Commission, and would include, without limitation, the acquisition of beneficial ownership of 20% of our voting securities by any person, certain extraordinary changes in the composition of our Board of Directors, or a merger or consolidation in which we are not the surviving entity, or our sale or liquidation.

Severance benefits are not payable if we terminate the employment for cause, if employment terminates due to the individual's death or disability, or if the individual resigns without good reason. An individual may resign with good reason after a change in control and retain benefits if we reduce the individual's salary or bonus, assign duties inconsistent with the individual's prior position, or make other material, adverse changes in the terms or conditions of the individual's employment. The agreements are for self-renewing terms of eighteen months to three years unless we take action to terminate further extensions. The agreements are automatically extended for an eighteen month to three-year term from the date of a change in control. These agreements provide a severance benefit of a lump-sum payment equal to eighteen months to three years salary and bonus and a continuation of benefits coverage for eighteen months to three years.

TRANSACTIONS INVOLVING MANAGEMENT

Our Board of Directors and executive officers and their associates were customers of, and had transactions with, our subsidiaries in the ordinary course of business during 2005. All loans and commitments included in such transactions were made in the ordinary course of business on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and do not involve an unusual risk of collectibility or present other unfavorable features. Such loans totaled \$x,xxx,xxx at December 31, 2005, equal to x.x% of shareholders' equity.

Mr. McCarty (Director) owns a graphic design and commercial printing company which does business with us. During 2005 we purchased \$xx,xxx in goods and services from his company.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Pursuant to Section 16 of the Securities Exchange Act of 1934, our directors and executive officers, as well as any person holding more than 10% of our Common Stock, are required to report initial statements of ownership of our securities and changes in such ownership to the Securities and Exchange Commission. Based solely upon written representations by each Director and Executive Officer and our review of those reports furnished to us, all of the required reports were timely filed by such persons during 2005.

SHAREHOLDER PROPOSALS

Article III of our Bylaws contain procedural requirements for shareholder proposals, generally. Copies of our Articles of Incorporation and Bylaws have been filed with the Securities and Exchange Commission and can be obtained from its Public Reference Section or from us. Any shareholder proposal to be considered by us for inclusion in our proxy materials for our 2007 Annual Meeting of Shareholders must be received by us no later than November xx, 2006. If we receive notice of a shareholder proposal after February x, 2007, the persons named as proxies for the 2007 Annual Meeting of Shareholders will have discretionary voting authority to vote on that proposal at that meeting.

GENERAL

The cost of soliciting proxies will be borne by us. In addition to solicitation by mail, our officers and employees may solicit proxies by telephone, telegraph or in person. We have retained the services of The Altman Group to deliver proxy materials to brokers, nominees, fiduciaries and other custodians for distribution to beneficial owners, as well as solicit proxies from these institutions. The cost of such services is expected to total approximately \$6,000, plus reasonable out of pocket expenses.

As of the date of this proxy statement, Management knows of no other matters to be brought before the meeting. However, if further business is presented by others, the proxy holders will act in accordance with their best judgment.

By order of our Board of Directors,

Robert N. Shuster
Secretary
