SCHEDULE 13D

CUSIP No. 29406-L-2

This Amendment No. 1 to Schedule 13D is being filed by Benjamin Brant to amend the Schedule 13D (the "Schedule 13D") originally filed by Mr. Brant on August 2, 2001. Capitalized terms used but not defined herein have the meanings assigned to such terms in the Schedule 13D.

Edgar Filing: ENVIRONMENTAL POWER CORP - Form SC 13D/A

Item 1. Security and Issuer:

Item 1 of Schedule 13D is hereby amended to read as follows:

"Common Stock, \$.01 par value per share of Environmental Power Corporation, a Delaware corporation (the "Company"). The address of the Company's principal executive office is One Cate Street, 4th Floor, Portsmouth, NH 03801."

Item 2. Identity and Background:

Items 2(b) and 2(c) are hereby amended to read as follows:

"(b) Mr. Brant's business address is 7553 S. Gartner Road.

(c) Mr. Brant was, until March 15, 2002, Chief Technology Officer of Microgy Cogeneration Systems, Inc. ("Microgy"), 1767 A Denver West Boulevard, Suite 15, Golden CO 80401. Microgy's principal business is environmentally sound power generation, including biomass and distributed generation. Mr. Brant is currently a consultant in the energy and environmental industries."

Item 4. Purpose of Transaction.

Item 4 of Schedule 13D is hereby amended by adding the following before the final paragraph of such Item:

"On May 2, 2002, the Company and Mr. Brant entered into a Stock Option and Right of First Refusal Agreement (the "Option Agreement"). Under the Option Agreement, Mr. Brant granted the Company a transferable one year option to purchase 1,820,486 shares of Common Stock owned by Mr. Brant. The option is exercisable at \$.35 per share. The Company is required to exercise the option to purchase at least 342,857 of such shares by specified dates. On May 3, 2002, the Company exercised the option to purchase 120,000 of such 342,857 shares. The certificate representing the shares subject to the option has been deposited with an escrow agent under an Escrow Agreement dated as of May 3, 2002. To the extent any portion of the option expires unexercised, the underlying shares will be subject to a transferable right of first refusal granted by Mr. Brant to the Company for a 12 month period beginning upon expiration of the option. Under the Option Agreement, 197,514 other shares of Common Stock were delivered by Mr. Brant to the Company in satisfaction of amounts owed to Microgy by a company of which Mr. Brant is a principal in connection with loans by Microgy guaranteed by Mr. Brant under a June 2001 guaranty. Under the Option Agreement, an additional 753,066 shares owned by Mr. Brant are subject to a 24 month standstill (the "Standstill") under which Mr. Brant has agreed not to sell them into the public markets.

The foregoing descriptions of the Option Agreement and Escrow Agreement are qualified in their entirety by reference to the Option Agreement and Escrow Agreement, which are attached hereto as Exhibit 6 and 7, respectively, and are incorporated herein by reference."

Item 5. Interest in Securities of the Issuer:

Items 5(a) and 5(c) are amended to read as follows:

"(a) Mr. Brant may be deemed to own beneficially 2,435,552 shares

Edgar Filing: ENVIRONMENTAL POWER CORP - Form SC 13D/A

of Common Stock as of May 4, 2002, including 1,682,486 remaining shares subject to the option in favor of the Company and 753,066 shares subject to the Standstill under the Option Agreement.

Page 4 of 31

The shares beneficially owned by Mr. Brant represent 12.2% of the class based on the 19,934,139 shares of the Company's Common Stock outstanding as of May 4, 2002. The number of outstanding shares is calculated by subtracting from the 20,251,653 shares of Common Stock reported to be outstanding as of April 23, 2002 in the Company's Form 10-K/A filed for the period ending December 31, 2001 317,514 shares, consisting of: (1) the 120,000 shares of Common Stock that the Company purchased from Mr. Brant on May 3, 2002, pursuant to the Option Agreement and (2) the 197,514 shares of Common Stock which Mr. Brant delivered to the Company on May 3, 2002, in satisfaction of certain guaranty obligations as described in Item 4. The 317,514 shares acquired by the Company on May 3, 2002 are being held by the Company as treasury shares and, therefore, are deemed issued but not outstanding.

Mr. Brant is a party to the Stockholders' Agreement described in Item 4. Within the meaning of Rule 13(d)(5) under the Securities Exchange Act of 1934, as amended (the "Act"), the terms of the Stockholders' Agreement could be deemed to provide for an agreement among the parties thereto to act together for the purpose of voting and disposing of equity securities of the Company. Accordingly, the parties thereto could be deemed to be members of a "group" and could be deemed to be beneficial owners of all of the securities held by such group. Mr. Brant denies the existence of such a group and disclaims beneficial ownership of the securities held by any other person.

As of the date hereof, to the best knowledge of Mr. Brant, the table below identifies all of the parties to the Stockholders' Agreement, in addition to Mr. Brant and the Company, and states their ownership interests in the Company as of May 4, 2002, based solely upon public filings.
