### ABOUT THE COMPANY

We are a fully integrated, self-administered and self-managed publicly traded real estate investment trust (REIT), and focus primarily on the acquisition, development, ownership and operation of office properties located primarily in selected markets across the United States. As of September 30, 2001, we owned, directly or through joint ventures, interests in a portfolio of 288 operating office properties.

#### Recent Development

On November 15, 2001, we agreed to repurchase from Security Capital 9,200,000 shares of our common stock, par value \$.01 per share, at a price of \$28.85 per share. The aggregate purchase price of approximately \$265.4 million is payable in cash, which we intend to fund by drawing on our \$500 million unsecured credit facility with J.P. Morgan Chase, as agent for a group of banks. As of September 30, 2001, we had \$384.1 million available for borrowing under the line. The purchase is expected to be consummated on November 19, 2001.

### RISK FACTORS

USE OF PROCEEDS

We will not receive any proceeds from the sale of the stock covered by this prospectus.

DESCRIPTION OF COMMON STOCK

General

We are authorized to issue 180,000,000 shares of common stock. The outstanding common stock entitles the holder to one vote on all matters presented to shareholders for a vote. Holders of common stock have no preemptive rights. At November 14, 2001, there were 61,030,442 shares of common

## Edgar Filing: CARRAMERICA REALTY CORP - Form S-3

stock outstanding.

Shares of common stock currently outstanding are listed for trading on the New York Stock Exchange (the NYSE).

Subject to such preferential rights as may be granted by the Board of Directors in connection with the future issuance of preferred stock, holders of common stock are entitled to one vote per share on all matters to be voted on by stockholders and are entitled to receive ratably such dividends as may be declared on the common stock by the Board of Directors in its discretion from funds legally available therefor. In the event of the liquidation, dissolution or winding up of the Company, holders of common stock are entitled to share ratably in all assets remaining after payment of all debts and other liabilities and any liquidation preference of the holders of preferred stock. Holders of common stock have no subscription, redemption, conversion or preemptive rights. Matters submitted for stockholder approval generally require a majority vote of the shares of common stock present and voting thereon.

### Advance Notice of Director Nominations and New Business

The Bylaws of the Company provide that, with respect to an annual meeting of stockholders, the proposal of business to be considered by stockholders may be made only (i) by or at the direction of the Board of Directors or (ii) by a stockholder who is entitled to vote at the meeting and who has complied with the advance notice procedures set forth in the Bylaws. In addition, with respect to any meeting of stockholders, nominations of persons for election to the Board of Directors may be made only (i) by or at the direction of the Board of Directors or (ii) by any stockholder who is entitled to vote at the meeting and has complied with the advance notice provisions set forth in the Bylaws.

### Restrictions on Transfer

**Ownership Limits.** Our Articles of Incorporation contain certain restrictions on the number of shares of common stock that individual shareholders may own. For us to qualify as a REIT under the Internal Revenue Code of 1986, as amended (the "Code"), no more than 50% in value of our outstanding capital stock may be owned, directly or indirectly, by five or fewer individuals (as defined in the Code to include certain entities) during the last half of a taxable year (other than the first REIT year) or during a proportionate part of a shorter taxable year. The capital stock also must be beneficially owned by 100 or more persons during at least 335 days of a taxable year or during a proportionate part of a shorter taxable year. Because we intend to maintain our qualification as a REIT, our Articles of Incorporation contain certain restrictions on the ownership and transfer of capital stock, including common stock, intended to ensure compliance with these requirements.

Subject to certain exceptions specified in the Articles of Incorporation, no holder may own, through either actual ownership or deemed ownership by virtue of certain attribution provisions of the Code, more than (A) 5% of the issued and outstanding shares of common stock (the "Common

Stock Ownership Limit") or (B) 5% of any class or series of Preferred Stock (the "Preferred Stock Ownership Limit"). (The Common Stock Ownership Limit and the Preferred Stock Ownership Limit, together with the Existing Holder Limit, the Special Shareholder Limit and the Non-U.S. Shareholder Limit, each as defined below, are referred to collectively herein as the "Ownership Limits.") Certain stockholders, including Clark Enterprises Inc., The Oliver Carr Company, Oliver T. Carr, Jr. and A. James Clark, are not subject to the Common Stock Ownership Limit, but they are subject to special ownership limitations (the "Existing

## Edgar Filing: CARRAMERICA REALTY CORP - Form S-3

Holder Limit"). Furthermore, Security Capital and its affiliates are not subject to the Common Stock Ownership Limit, but are subject to a special ownership limit of 45% of the outstanding shares of common stock and 45% of the outstanding shares of each class or series of preferred stock (the "Special Shareholder Limit"). Security Capital's ownership interest may be permitted to exceed 45% to the extent that such increase occurs as a result of stock repurchases by us (as opposed to direct purchases by Security Capital). Notwithstanding the Special Shareholder Limit, Security Capital has entered into an agreement with the Company limiting Security Capital's ownership interest to 37.44% (on a fully-diluted basis). Furthermore, all holders are prohibited from acquiring any capital stock if such acquisition would cause five or fewer beneficial owners of capital stock (determined taking into account the relevant attribution provisions of the Code) who are treated as "individuals" for purposes of relevant provisions of the Code to own in the aggregate more than 50% in value of the outstanding capital stock.

In addition to the above restrictions on ownership of our shares of capital stock, in order to assist us in qualifying as a "domestically controlled REIT," the Articles of Incorporation contain certain provisions preventing any Non-U.S. Shareholder, as defined below, from acquiring additional shares of our capital stock if, as a result of such acquisition, we would fail to qualify as a "domestically controlled REIT" ("Non-U.S. Shareholder Limit"). A Non-U.S. Shareholder is a nonresident alien individual, foreign corporation, foreign partnership and any other foreign shareholder.

The Board of Directors may increase the Ownership Limits from time to time, but may not do so to the extent that after giving effect to such increase five or fewer beneficial owners of capital stock (determined taking into account the relevant attribution provisions of the Code) who are treated as "individuals" for purposes of relevant provisions of the Code could own in the aggregate more than 49.5% in value of our outstanding capital stock. The Board of Directors, in its sole discretion, may waive the Ownership Limits with respect to a holder if such holder's ownership will not then or in the future jeopardize our status as a REIT.

Violation of Ownership Limits. The Articles of Incorporation provide that, if any holder of our capital stock purports to transfer shares to a person or there is a change in our capital structure and either the transfer or the change in capital structure would result in our failing to qualify as a REIT, or such transfer or the change in capital structure would cause the transferee to hold shares in excess of the applicable Ownership Limit, then the capital stock being transferred (or in the case of an event other than a transfer, the capital stock beneficially owned) that would cause one or more of the restrictions on ownership or transfer to be violated will be automatically transferred to a trust for the benefit of a designated charitable beneficiary. The purported transferee of such shares will have no right to receive dividends or other distributions with respect to such shares and will have no right to vote such shares. Any dividends or other distributions paid to such purported transferee prior to the discovery by us that the shares have been transferred to a trust will be paid by the purported transferee upon demand to the trustee of the trust for the benefit of the charitable beneficiary. The trustee of the trust will have all rights to dividends with respect to the shares of capital stock held in trust, which rights will be exercised for the exclusive benefit of the charitable beneficiary. Any dividends or distributions paid over to the trustee will be held in trust for the charitable beneficiary. The trustee will designate a transferee of such stock so long as such shares of stock would not violate the Ownership Limitations in the hands of such designated transferee. Upon the sale of such shares, the purported transferee will receive the lesser of (A) (i) the price per share such purported transferee

## Edgar Filing: CARRAMERICA REALTY CORP - Form S-3

paid for the capital stock in the purported transfer that resulted in the transfer of shares of capital stock to the trust, or (ii) if the transfer or other event that resulted in the transfer of shares of capital stock to the trust was not a transaction in which the purported record transferee of shares of capital stock gave full value for such shares, a price per share equal to the market price on the date of the purported transfer or other event that resulted in the transfer of the shares to the trust, or (B) the price per share received by the trustee from the sale or disposition of the shares held in the trust.

All certificates representing common stock will bear a legend referring to the restrictions described above.

Every beneficial owner of more than 5% (or such lower percentage as required by the Code or regulations thereunder) of the issued and outstanding shares of common stock must file a written notice with us containing the information specified in the Articles of Incorporation no later than December 31 of each year. In addition, each shareholder upon demand is required to disclose to us in writing such information as we may request in good faith in order to confirm our status as a REIT.

### Registrar and Transfer Agent

The Registrar and Transfer Agent for the common stock is EquiServe Trust Company, N.A.

### THE SELLING STOCKHOLDER

Security Capital, including its affiliates, permitted pledgees, transferees, or other successors in interest, may from time to time offer and sell any or all of the shares of common stock offered by this prospectus. The registration of the shares offered hereby does not necessarily mean that Security Capital will sell any or all of the shares.

As of November 14, 2001, Security Capital beneficially owned 28,603,417 shares of our common stock, representing approximately 46.9% of our outstanding common stock at that time. On November 15, 2001, we agreed to repurchase from Security Capital 9,200,000 shares of our common stock. After giving effect to the repurchase, Security Capital will own 19,403,417 shares of our common stock, or approximately 37.4% of our outstanding common stock. All of such shares are available for resale under this prospectus. Since Security Capital may sell all, some or none of the offered shares, no estimate can be made of the number of offered shares that will be sold by Security Capital or that will be owned by Security Capital upon completion of the offering.

### Material Relationships with Security Capital

Set forth below are the material relationships between us and Security Capital during the past three years:

### Stockholders Agreement

In connection with the original investment by Security Capital U.S. Realty in our company in 1996, we entered into a stockholders agreement with Security Capital U.S. Realty pursuant to which we granted it certain rights relating to our management and operations and its ownership interest in us. Security Capital assumed these rights and obligations in January 2001 in connection with a merger of Security Capital U.S. Realty with and into Security Capital. The rights include:

- (1) Board of Directors Representation. So long as Security Capital owns

-----  
at least 25% of the value of the outstanding shares of our common stock on a fully-diluted basis, Security Capital has the right to nominate for election

to our Board of Directors that number of directors so that the percentage of the total number of directors that are Security Capital nominees corresponds to the percentage of our common stock then owned by Security Capital on a fully-diluted basis (but in no event more than 40% of the members of the Board of Directors). Currently William D. Sanders, C. Ronald Blankenship and Caroline S. McBride serve on our Board of Directors as designees of Security Capital. Security Capital also has the right to have one of its designees serve on certain committees of our Board of Directors.

(2) Information Rights. So long as Security Capital owns at least 25%  
-----

of the value of the outstanding shares of our common stock on a fully-diluted basis, we have an obligation, among other things:

- o to provide Security Capital with certain monthly reports and financial statements and periodic securities filings,
- o to comply with our reporting obligations under the Securities and Exchange Act of 1934, as amended, and provide Security Capital with the opportunity to review such filings, and
- o to consult with a designee of Security Capital, prior to seeking Board of Directors approval, in connection with proposals relating to:
  - (a) acquisitions or business combinations valued in excess of \$25 million,
  - (b) sale or disposition of assets valued in excess of \$25 million,
  - (c) the incurrence or issuance of indebtedness or guarantees or other financing arrangements in excess of \$25 million,
  - (d) our annual operating budget,
  - (e) material changes in our executive management,
  - (f) new material agreements with members of our executive management, and
  - (g) certain equity issuances by us or any of our subsidiaries.

(3) Limitations on Corporate Actions--REIT Status. So long as Security  
-----

Capital owns at least 25% of the value of the outstanding shares of our common stock on a fully-diluted basis and the standstill provisions of the stockholders agreement (as described below) are still in effect, we may not take certain actions, including actions relating to our level of indebtedness or interests in businesses other than the ownership of commercial office properties, or other actions that could prevent us from being treated as a REIT for federal income tax purposes.

(4) Participation Rights. So long as Security Capital owns at least 25%

of the value of the outstanding shares of our common stock on a fully-diluted basis, if we or a subsidiary of ours with more than \$200 million in assets issues or sells shares of its capital stock or partnership interests, as the case may be, Security Capital is entitled to purchase or subscribe for up to 30% (or up to 35% in

- (5) Standstill Provisions. The stockholders agreement contains certain -----  
standstill provisions that expire on April 30, 2003, subject to earlier termination in certain circumstances and subject to automatic one-year extensions unless Security Capital provides 270 days written notice prior to any such extension

terminating the standstill provisions. The provisions restrict Security Capital, or any group of which it is a member, subject to certain exceptions, from acquiring or disposing of our common stock or otherwise seeking to enter into a business combination with, or disposition of, us or our assets.

- (6) Noncompete. Security Capital has agreed that, so long as it owns at ----  
least 25% of the value of the outstanding shares of our common stock on a fully-diluted basis, it will not own, develop or otherwise acquire office property in the United States other than through us, subject to certain exceptions.

### Registration Rights Agreement

We have also entered into a registration rights agreement with Security Capital pursuant to which Security Capital has requested this registration of all of its shares of common stock. The registration rights agreement generally contains other terms customary to registration rights agreements of its type, including indemnification provisions.

### Stock Repurchase

On November 15, 2001, we agreed to repurchase from Security Capital 9,200,000 shares of our common stock, par value \$.01 per share, at a price of \$28.85 per share. The aggregate purchase price of approximately \$265.4 million is payable in cash, which we intend to fund by drawing on our \$500 million unsecured credit facility with J.P. Morgan Chase, as agent for a group of banks. The purchase is expected to be consummated on November 19, 2001. After giving effect to the repurchase, Security Capital will own approximately 37.4% of our outstanding common stock.

### PLAN OF DISTRIBUTION

We will not receive any proceeds from the sale of common stock by Security Capital. Security Capital may sell common stock directly or through broker-dealers or underwriters who may act solely as agents, or who may acquire shares as principals. Underwriters for an offering of common stock pursuant to this prospectus may include Goldman, Sachs & Co.

Common stock may be sold from time to time by Security Capital or by its permitted pledgees, transferees or other successors in interest to Security Capital. The distribution of the common stock may be effected in one or more transactions that may take place through the New York Stock Exchange, including block trades or ordinary broker's transactions, or through broker-dealers acting either as principal or agent, or through privately negotiated transactions, or through an underwritten public offering, or through a combination of any such methods of sale, at market prices prevailing at the time

## Edgar Filing: CARRAMERICA REALTY CORP - Form S-3

of sale, at prices related to such prevailing market prices or at negotiated prices for cash or other consideration. Usual and customary or specifically negotiated brokerage fees or commissions may be paid by Security Capital in connection with such sales. Additionally, Security Capital may issue common stock upon conversion or exchange of convertible or exchangeable securities issued by Security Capital or in satisfaction of options or short sales of shares.

The aggregate proceeds to Security Capital from the sale of common stock will be the purchase price of the common stock sold less the aggregate agents' commissions and underwriters' discounts, if any, and other expenses of issuance and distribution not borne by us. Security Capital and any dealers or agents that participate in the distribution of the common stock may be deemed to be "underwriters" within the meaning of the Securities Act, and any profit on the sale of the common stock by them and any commissions received by any such dealers or agents might be deemed to be underwriting discounts and commissions under the Securities Act.

9

To the extent required, the specific number of shares of common stock to be sold, the names of the selling shareholders, if other than Security Capital, purchase price, public offering price, the terms upon which such securities may be issued, the names of any agent, dealer or underwriter, and any applicable commission or discount with respect to a particular offering will be set forth in any accompanying prospectus supplement.

Pursuant to the registration rights agreement with Security Capital, Security Capital is obligated to pay all costs and expenses incurred in connection with the registration of the offered shares, including, without limitation, all registration, filing and stock exchange or NASD fees, all fees and expenses of complying with securities or blue sky laws, all printing expenses, messenger and delivery expenses, any fees and disbursements of the counsel retained by Security Capital, any fees and disbursements of underwriters customarily paid by sellers of securities who are not issuers of such securities and all underwriting discounts and commissions and transfer taxes, if any, and any premiums and other costs of policies of insurance obtained by Security Capital against liabilities arising out of the offering of securities pursuant hereto. We will pay all fees and disbursements of counsel and independent public accountants retained by us, incurred in connection with the registration under the Securities Act of 1933, as amended, of the offering made hereby and any premiums and other costs of insurance policies obtained by us against liabilities arising out of the sale of securities. We have also agreed to indemnify Security Capital against specified liabilities, including certain potential liabilities arising under the Securities Act, or to contribute to the payments Security Capital may be required to make in respect thereof.

### EXPERTS

Our consolidated financial statements and schedule as of December 31, 2000 and 1999, and for each of the years in the three-year period ended December 31, 2000, have been incorporated by reference herein and in the registration statement in reliance upon the report of KPMG LLP, independent certified public accountants, incorporated by reference herein, and upon the authority of said firm as experts in accounting and auditing.

With respect to the unaudited interim financial information for the periods ended September 30, 2001 and 2000, June 30, 2001 and 2000 and March 31, 2001 and 2000 incorporated by reference herein, KPMG LLP has reported that they applied

Edgar Filing: CARRAMERICA REALTY CORP - Form S-3

limited procedures in accordance with professional standards for a review of such information. However, their separate reports included in the Company's quarterly reports on Form 10-Q for the quarters ended September 30, 2001, June 30, 2001 and March 31, 2001, and incorporated by reference herein, state that they did not audit and they do not express an opinion on that interim financial information. Accordingly, the degree of reliance on their reports on such information should be restricted in light of the limited nature of the review procedures applied. KPMG LLP is not subject to the liability provisions of Section 11 of the Securities Act of 1933 for its reports on the unaudited interim financial information because those reports are not "reports" or a "part" of the registration statement prepared or certified by KPMG LLP within the meaning of Sections 7 and 11 of the Act.

LEGAL MATTERS

The legality of the securities offered hereby and the qualification of CarrAmerica Realty Corporation as a REIT for federal income tax purposes have been passed upon for us by Hogan & Hartson L.L.P. If any portion of the offered shares is distributed in an underwritten offering or through agents, certain legal matters may be passed upon for any underwriters or agents by counsel for such underwriters or agents identified in the applicable prospectus supplement.

#### Item 15. Indemnification of Officers and Directors.

CarrAmerica Realty Corporation's officers and directors are and will be indemnified under Maryland law and under the charter and by-laws of the company. The charter requires the company to indemnify its directors and officers to the fullest extent permitted from time to time by the laws of Maryland. The by-laws require the company to indemnify, to the fullest extent permitted under Section 2-418 of the Maryland General Corporation Law as in effect from time to time, any person who is or was, or is the personal representative of a deceased person who was, a director or officer of CarrAmerica Realty Corporation against any judgments, penalties, fines, settlements and reasonable expenses and any other liabilities; provided, that, unless applicable law otherwise requires, indemnification shall be contingent upon a determination, by the Board of Directors of CarrAmerica Realty Corporation by a majority vote of a quorum consisting of directors not, at the time, parties to the proceeding, or, if such a quorum cannot be obtained, then by a majority vote of a committee of the Board of Directors consisting solely of two or more directors not, at the time, parties to such proceeding and who were duly designated to act in the matter by a majority vote of the full Board of Directors in which the designated directors who are parties may participate or by special legal counsel selected by and if directed by the Board of Directors as set forth above, that indemnification is proper in the circumstances because such director, officer, employee or agent has met the applicable standard of conduct prescribed by Section 2-418(b) of the Maryland General Corporation Law.

In addition, CarrAmerica Realty Corporation's charter provides that, to the fullest extent permitted under Maryland law, directors and officers of the company will not be liable to the company and its stockholders for money damages. Under Maryland law, a corporation formed in Maryland is permitted to limit, by provision in its charter, the liability of directors and officers so that no director or officer of the corporation shall be liable to the corporation or to any stockholder for money damages except to the extent that (i) the director or officer actually received an improper benefit in money, property or services, for the amount of the benefit or profit in money, property or services actually received, or (ii) a judgment or other final adjudication adverse to the director or officer is entered in a proceeding based on a finding in a proceeding that the director's or officer's action was the result of active and deliberate dishonesty and was material to the cause of action adjudicated in the proceeding.

Item 17. Undertakings.

I. The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended;

## Edgar Filing: CARRAMERICA REALTY CORP - Form S-3

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in this registration statement;

provided, however, that paragraphs I(1)(i) and I(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934, as amended, that are incorporated by reference in this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, as amended, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

II. The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, as amended, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934, as amended, that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

III. Insofar as indemnification for liabilities arising under the Securities Act of 1933, as amended, may be permitted to directors, officers and controlling persons of the registrant pursuant to existing provisions or arrangements whereby the registrant may indemnify a director, officer or controlling person of the registrant against liabilities arising under the Securities Act of 1933, as amended, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act of 1933, as amended, and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether

such indemnification by it is against public policy as expressed in the Securities Act of 1933, as amended, and will be governed by the final adjudication of such issue.
