ITEM 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

Investment Agreement and Issuance of 10% PIK-Election Convertible Notes

Pursuant to the Investment Agreement, dated August 1, 2013, by and among the Company and the Fund, the Company issued to the Fund the August 2013 Convertible Note. Additionally, the Company issued to the Fund the February 2014 Convertible Note, the August 2014 Convertible Note and the February 2015 Convertible Note in respect of interest due on previously-issued Convertible Notes. The Convertible Notes can be converted at the option of the holder at any time into Common Shares at a pre-determined exercise price, which is subject to customary anti-dilution adjustments (the "Exercise Price"). The number of Common Shares issuable on conversion of the Convertible Notes is derived by dividing the principal and accrued interest on the Convertible Notes by the Exercise Price, which, as of December 31, 2014, was \$1.36 under each of the Convertible Notes except for the February 2015 Convertible Note, and which, as of February 1, 2015, was also \$1.36 under the February 2015 Convertible Note. The Convertible Notes bear interest at 10% per annum, mature on August 1, 2023 and are subject to mandatory conversion in certain circumstances. The Company can elect to pay in kind twice-annual interest on a Convertible Note by adding the full amount of such interest to the principal amount of the Convertible Note. The Company can also elect to pay interest in cash. The

Convertible Notes contain customary representations and warranties and covenants, including covenants that limit the Company's ability to incur additional indebtedness and grant liens and require the Company to pay debts in a timely manner.

The foregoing descriptions of the Investment Agreement and the Convertible Notes do not purport to be complete and are qualified in their entirety by reference to the full text of the Investment Agreement, the form of which is incorporated herein by reference to Exhibits 2, and the Convertible Notes, which are incorporated herein by reference to Exhibits 3, 4, 5, 6 and 7, respectively.

Registration Rights Agreement

In connection with the transactions contemplated by the Investment Agreement, the Company entered into a Registration Rights Agreement, dated August 1, 2013, with the Fund (the "Registration Rights Agreement"), pursuant to which Common Shares converted pursuant to the Convertible Notes may be registered with the Securities and Exchange Commission. Pursuant to the Registration Rights Agreement, the Company filed a shelf registration statement on Form S-1 relating to the offer and sale, from time to time, of Common Shares, including the Common Shares issuable upon conversion of the Convertible Notes. The Reporting Persons have not sold any shares relating to the registration statement.

The foregoing description of the Registration Rights Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Registration Rights Agreement, a form of which is incorporated by reference to Exhibit 8.
