PROXY STATEMENT

ANNUAL GENERAL MEETING OF SHAREHOLDERS

MAY 22, 2002

The enclosed Proxy Card is being solicited on behalf of the Board of Directors (the "Board") for use at the 2002 Annual General Meeting of Shareholders of Everest Re Group, Ltd., a Bermuda company (the "Company"), to be held on May 22, 2002, and at any adjournment thereof. It may be revoked at any time before it is exercised by giving a later-dated proxy, notifying the Secretary of the Company in writing at the Company's registered office at Clarendon House, 2 Church Street, Hamilton HM 11 Bermuda, or by voting in person at the Annual General Meeting. All shares represented at the meeting by properly executed proxies will be voted as specified and, unless otherwise specified, will be voted: (1) for the election of William F. Galtney, Jr. and Thomas J. Gallagher as directors; (2) for the appointment of PricewaterhouseCoopers LLP as independent auditors and for authorizing the Board to set the fees for the independent auditors; (3) for the approval of the Everest Re Group, Ltd. 2002 Stock Incentive Plan and (4) for authorizing the adjournment or postponement of the meeting to solicit additional votes, if necessary.

Only shareholders of record at the close of business on March 27, 2002 will be entitled to vote at the meeting. On that date, 51,286,165 common shares, par value \$.01 per share ("Common Shares"), were outstanding and entitled to vote. Except as may be provided in the Company's Bye-laws, where voting is by poll, each Common Share is entitled to one vote.

The election of each nominee for director, and the approval of all other matters to be voted upon at the Annual General Meeting, require the affirmative vote of a majority of the votes cast at the Annual General Meeting, provided there is a quorum (consisting of not less than two persons present in person or by proxy holding in excess of 50% of the issued and outstanding Common Shares entitled to attend and vote at the Annual General Meeting). The Company has appointed inspectors of election to count votes cast in person or by proxy. Common Shares owned by shareholders electing to abstain from voting will be counted towards the presence of a quorum. However, such Common Shares, and Common Shares owned by shareholders and not voted in person or by proxy at the Annual General Meeting (including "broker non-votes"), will not be counted towards the majority needed to elect a director or approve any other matter before the shareholders and thus will have no effect on the outcome of those votes.

This Proxy Statement, the attached Notice of Annual General Meeting, the Annual Report of the Company for the year ended December 31, 2001 (including financial statements) and the enclosed Proxy Card are first being mailed to the Company's shareholders on or about April 11, 2002.

On February 24, 2000, the Company became the holding company for Everest Reinsurance Holdings, Inc. ("Everest Holdings") and its subsidiaries in connection with a restructuring. As a result, all references in this document to the Company prior to February 24, 2000 should be deemed to refer to Everest Holdings and all references to the Common Shares prior to February 24, 2000 should be deemed to refer to the common stock of Everest Holdings.

The Company knows of no specific matter to be brought before the Annual General Meeting that is not referred to in the attached Notice of Annual General Meeting of Shareholders and this Proxy Statement. If any such matter comes before the meeting, including any shareholder proposal properly made, the proxy holders will vote proxies in accordance with their best judgment with respect to such matters. To be properly made, a shareholder proposal must

comply with the Company's Bye-Laws and, in order for any matter to come before the meeting, it must relate to matters referred to in the attached Notice of Annual General Meeting.

PROPOSAL NO. 1--ELECTION OF DIRECTORS

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE DIRECTOR NOMINEES DESCRIBED BELOW. PROXIES WILL BE SO VOTED UNLESS SHAREHOLDERS SPECIFY OTHERWISE IN THEIR PROXIES.

The Company's Bye-Laws provide for the division of the Board into three classes, with the directors in each class serving for a term of three years. At the 2002 Annual General Meeting, two nominees for Class III director positions are to be elected to serve until the 2005 Annual General Meeting of Shareholders or until their successors are elected and qualified or until such director's office is otherwise vacated. The Class I director positions will be subject to election at the 2003 Annual General Meeting of Shareholders and the Class II directors will be subject to election at the 2004 Annual General Meeting of Shareholders. It is not expected that any of the nominees will become unavailable for election as a director, but if any nominee should become unavailable prior to the meeting, proxies will be voted for such persons as the Board shall recommend, unless the Board reduces the number of directors accordingly. There are no arrangements or understandings between any director and any other person pursuant to which such person was selected as a director or nominee.

THE BOARD OF DIRECTORS AND ITS COMMITTEES

The Board conducts its business through its meetings and meetings of its committees. Four meetings of the Board were held in 2001. No director, either in person or through an alternate director appointment as permitted under Bermuda law, attended fewer than 75% of the aggregate of the total number of meetings of the Board and the total number of meetings of all committees of the Board on which the director served. The Board currently maintains Audit and Compensation Committees. The Board does not maintain a nominating committee or other committee performing similar functions.

AUDIT COMMITTEE

The Audit Committee was created by the Board on March 21, 1996. The principal purpose of the Audit Committee is to assist the Board in fulfilling its oversight responsibilities by reviewing (i) the financial reports and other financial information provided by the Company to governmental bodies or the public, (ii) the Company's systems of internal controls regarding finance, accounting, legal compliance and ethics that management and the Board have established and (iii) the Company's auditing, accounting and financial reporting processes generally. The Audit Committee relies upon appropriate Company

financial and legal personnel and the Company's independent auditors to review the Company's internal controls and financial statements, audit findings and significant accounting and reporting issues. The Audit Committee adopted a Charter on May 23, 2000. In May 2001, the Board re-examined and again approved the adequacy of the Charter, a copy of which was furnished in the proxy statement for the 2001 Annual General Meeting of Shareholders.

DIRECTORS' COMPENSATION

Each member of the Board who is not otherwise affiliated with the Company as an employee and/or officer (each, a "Non-Employee Director") was compensated in 2001 for services as a director and was also reimbursed for out-of-pocket expenses associated with each meeting attended. The annual compensation for 2001 of the Non-Employee Directors was \$45,000. Compensation was paid in four installments by the issuance of Common Shares. Compensating the Non-Employee Directors with Common Shares is intended to align their interests with those of the Company's shareholders. The value of Common Shares issued is calculated based on the average of the highest and lowest sale prices of the Common Shares on the installment dates or, if no sale is reported for that day, the next preceding day for which there is a reported sale. In 2001, each of the Non-Employee Directors was issued a total of 651 shares as compensation for his services as a director in accordance with this procedure. As of January 1, 2002, the value of these shares for each Non-Employee director was \$46,026 based upon the \$70.70 closing price of a Common Share on December 31, 2001.

In addition, the Company has adopted the 1995 Stock Option Plan for Non-Employee Directors (the "Directors' Plan"), which is designed to maintain the Company's ability to attract and retain the services of experienced and highly qualified outside directors and to create a proprietary interest in the Company's continued success. Each of the Non-Employee Directors on the Board is awarded options to purchase that number of Common Shares equal to \$50,000 divided by the fair market value of such shares as of the date he is initially appointed to the Board, with an exercise price equal to that fair market value. As defined in the Directors' Plan, the fair market value is determined by averaging the highest and lowest trading prices of the Common Shares on the date of the option award.

Upon their initial appointment to the Board on March 12, 1996, Mr. Abrahams, Mr. Duffy and Mr. Galtney were each granted options to purchase 2,216 Common Shares at an exercise price of \$22.5625 per share. Upon his initial appointment to the Board on June 10, 1996, Mr. Dunne was granted options to purchase 2,036 Common Shares at an exercise price of \$24.5625 per share. Pursuant to a Stock Option Agreement for Non-Employee Directors dated September 21, 2001, each of the foregoing four directors was granted options to purchase 10,000 Common Shares at an exercise price of \$48.01 per share.

- (1) Represents non-qualified stock options granted to Mr. Gallagher, Mr. Limauro, Ms. Burak and Mr. Bennett on September 21, 2001 and to Mr. Taranto on April 20, 2001, all of which become exercisable in 20% installments each year commencing with the first anniversary of the grant dates, as long as employment with the Company or its subsidiaries continues. These stock options were granted with an exercise price equal to 100% of the fair market value of a Common Share on the date of grant. With respect to the grant of options to Mr. Taranto, 155,000 options do not constitute performance-based compensation under Section 162(m) of the U.S. Internal Revenue Code of 1986, as amended. See Section III of the Compensation

Committee Report, below. No SARs were granted in 2001.

- (2) Based upon 572,800 non-qualified stock options granted to all employees in 2001.
- (3) Exercisable options expire unless exercised within three years following termination of employment due to retirement, disability or death or within three months following termination of employment due to resignation or dismissal. Generally, if employment terminates because of death, retirement upon attaining age 65 or because of disability, unexercisable options become immediately exercisable until the earlier of: (a) three years after death or such termination; or (b) ten years from the date of grant.
- (4) The grant date present value of each option grant is estimated as of the date of grant using the Black-Scholes option pricing model, modified to include dividends, with the following assumptions:

8

- (a) Expected Volatility--The annualized standard deviation of the continuously compounded rate of return on the underlying stock, based on the closing price observations for the twelve-month period ended December 31, 2001, which was 38.2586%.
- (b) Risk Free Rate of Return--The rate available, on the date of grant, on zero-coupon U.S. government issues with a remaining term comparable to the expected life of the options as reported over the Bloomberg wire service, which was 5.217%.
- (c) Dividend Yield--The yield calculated by dividing the estimated annualized dividend rate of the Common Shares in the amount of \$.28 per share by the weighted average fair market value of the stock on the date of grant, which resulted in an assumed dividend yield of 0.52%.
- (d) Expected Life--The average length of time before assumed exercise reflecting vesting provisions and maximum exercise period, which was 7.3 years.

COMPENSATION COMMITTEE REPORT

I. Executive Compensation Policy

OVERVIEW. The Company's executive compensation program in 2001 was designed to attract, retain and motivate highly talented individuals whose abilities are critical to the success of the Company. Compensation policies that attract personnel of this caliber are particularly important for a relatively new public entity like the Company. The Company's compensation program is guided by the following fundamental principles:

- o Compensation of executive officers is based on the level of job responsibility, the performance of the Company and the performance of the individual.
- o Total compensation levels are designed to be competitive with compensation paid by organizations of similar stature.
- o Compensation should align the interests of the executive officers with those of the Company's shareholders by basing a significant part of total compensation on the long-term performance of the Common Shares.

The Company's executive compensation program in 2001 achieved the objectives described above and was a significant factor in attaining a high level of corporate performance and increased shareholder value throughout the year.

9

In establishing executive compensation, the various components of compensation are considered collectively in order to properly assess the appropriateness of the Company's program relative to the attainment of its objectives. The Company's executive compensation program consists of two key elements: (i) an annual component, I.E., base salary and annual bonus and (ii) a long-term component, I.E., stock options, stock appreciation rights, restricted stock and stock awards.

The Compensation Committee reviewed a variety of factors of historical and projected Company performance in determining executive compensation. In the course of this review, the Compensation Committee considered the Company's long-term compensation goals, the Company's financial performance and the compensation practices of other reinsurers through a review of publicly available information. In reviewing these factors, the Compensation Committee was able to assess the overall performance of the Company and its prospects for the future to establish an acceptable range for executive compensation.

II. Components Of Executive Compensation

A. ANNUAL COMPENSATION

Edgar Filing: EVEREST RE GROUP LTD - Form DEF 14A

In 2001, annual compensation for executive officers of the Company consisted of two components--base salary and a cash payment under either the Company's Executive Performance Annual Incentive Plan (in the case of Mr. Taranto) or the Company's Annual Incentive Plan (in the case of the other executive officers). The base salary for Mr. Taranto was subject to the terms of his current employment agreement (see "Employment and Change of Control Agreements--Mr. Taranto" below). The base salaries for the other executive officers were determined by the Compensation Committee based on each executive officer's performance and, as previously discussed, the Company's performance and the range of compensation of executive officers with similar responsibilities in comparable companies.

Annual bonuses paid to executive officers under the Annual Incentive Plan and the Executive Performance Annual Incentive Plan are a significant element of the executive compensation program. Under the Annual Incentive Plan, the Company may make cash payments each year to employees who hold positions of significant responsibility and/or whose performance or potential contribution, in the judgment of the Committee, will contribute materially to the success of the Company and/or its subsidiaries. The Annual Incentive Plan is designed to provide incentive to those employees; to reward their accomplishments; to motivate future accomplishments; and to aid in attracting and retaining employees of the caliber necessary for the continued success of the Company. The Compensation Committee has discretion to determine the amounts of individual awards under the Annual Incentive Plan based on such criteria and factors as the Committee in its sole discretion may determine and after considering recommendations made by the Chief Executive Officer of the Company. The aggregate amount available for all awards each year is determined annually by the Compensation Committee based upon performance goals established by the Committee. The determination of individual awards is subjective in nature and is influenced by the Compensation Committee's perception of the importance of an individual's contributions to the overall success of the Company. To evaluate corporate performance, the Compensation Committee considered the following factors related to the Company's 2001 financial results: after-tax operating income, return on equity and earnings growth.

The Compensation Committee has arrived at total compensation for each of the Designated Executive Officers that it believes is appropriate to the Company's performance and their individual contributions.

The Executive Performance Annual Incentive Plan was approved by the Company's shareholders on May 20, 1999. Each year the Compensation Committee selects executive officers of the Company and its subsidiaries who will be eligible that year to participate in the Executive Performance Annual Incentive Plan. Currently, only Mr. Taranto, the Company's Chairman and Chief Executive Officer, is a participant (see "Chief Executive Officer Compensation" below). Each year, the Compensation Committee establishes in writing objective performance goals for each participant, which, if attained, will entitle such participant to specific award amounts that will be paid to each participant. Each participant's performance is measured by any of the following performance criteria: net income before or after taxes, operating income before or after taxes, premiums earned, earnings per share, return on shareholders' equity, return on assets, appreciation in and/or maintenance of the price of the Common Shares or any other publicly traded

securities of the Company, comparisons with various stock market indices, market share, statutory combined ratio, expense ratio, reductions in costs and expense growth, or gross or net premium growth. The Compensation Committee establishes

Edgar Filing: EVEREST RE GROUP LTD - Form DEF 14A

an objective method by which award amounts are calculated under the plan. The maximum award amount any one participant may be awarded in one year is \$2 million. The Compensation Committee, in its sole discretion, may eliminate or reduce but not increase any award determination. The plan provides that the total amount of awards granted to all participants in any one year may not exceed 10% of the Company's average annual income before taxes for the preceding five years.

B. LONG-TERM COMPENSATION

In 2001, the long-term incentive used for executive officers was provided under the 1995 Stock Incentive Plan. Awards under this plan are intended to reinforce management's long-term perspective on corporate performance and provide an incentive for key executives to remain with the Company for the long-term.

Awards under the 1995 Stock Incentive Plan are a significant element of the Company's executive compensation program. Compensation derived from share ownership provides a strong incentive to increase shareholder value, since the value of this compensation is determined by changes in the price of the Common Shares over the term of each award. Awards under the 1995 Stock Incentive Plan may take the form of stock options, stock appreciation rights, restricted stock or stock awards. Stock options, the principal form of long-term incentive compensation under the 1995 Stock Incentive Plan, encourage retention because they carry a five-year vesting period and, if not exercised, are generally forfeited if the employee leaves the Company before retirement. In addition, stock options, granted at the fair market value on the date of grant and with terms not to exceed 10 years, are designed to keep management and professional employees oriented to growth over the long-term and not simply to short-term profits. Awards are granted subjectively at the discretion of the Compensation Committee based on a variety of factors, including a recipient's demonstrated past and expected future performances, as well as a recipient's level of responsibility with the Company and his or her ability to affect shareholder value.

Since the institution of the 1995 Stock Incentive Plan and through December 31, 2001, the Compensation Committee has granted employees 2,878,700 options to purchase Common Shares. Awards granted to the Company's Designated Executive Officers during 2001 are summarized under the captions "Options/SARs Grants in Last Fiscal Year" and "Summary Compensation Table" above. When granting these awards, the Compensation Committee took into account prior grants to these individuals under the 1995 Stock Incentive Plan and determined that the 2001 grants were appropriate and in the best interests of the Company. The Compensation Committee has determined the need for a new stock incentive plan as described in Proposal 3.

The Company does not have a long-term cash bonus plan in effect. Subject to the approval of the shareholders of Proposal 3, the Company intends to rely on the 2002 Stock Incentive Plan as the sole means of long-term compensation, believing compensation in the form of share ownership increases long-term value for the shareholders while compensating individual employees for superior performance.

III. Deductibility Cap On Executive Compensation

Section 162(m) of the U.S. Internal Revenue Code of 1986, as amended (the "Code"), limits the ability of a publicly-held company to take a tax deduction for annual compensation in excess of \$1 million paid to its chief executive officer or to any of its four other most highly paid executive officers. However, compensation is exempt from this limit if it qualifies as "performance-based compensation." To preserve this deduction, the Company has designed its incentive plans to constitute "performance-based compensation" and

Edgar Filing: EVEREST RE GROUP LTD - Form DEF 14A

not be counted toward the \$1 million limit. However, the 1995 Stock Incentive Plan and the proposed 2002 Stock Incentive Plan allow for the Compensation Committee, in its sole discretion, to grant awards under the plans which do not constitute "performance-based compensation." In the event that certain awards are granted which are not intended to constitute "performance-based compensation," the awards will not be subject to the share limitations applicable to a single individual. Although the Compensation Committee will consider deductibility under section 162(m) with respect to the compensation arrangements for executive officers, deductibility will not be the sole factor used in determining appropriate levels or methods of compensation. Since Company objectives may not always be consistent with the requirements for full deductibility, the Company and

11

the subsidiaries may enter into compensation arrangements under which payments would not be deductible under section 162(m).

IV. Chief Executive Officer Compensation

In 2001, Mr. Taranto's compensation was based on the terms of his Employment Agreement with the Company and Everest Re (see "Employment and Change of Control Agreements--Mr. Taranto" below) and consisted of base salary and non-qualified stock options as set forth in that section. The Compensation Committee also approved a \$1,400,000 cash payment to Mr. Taranto under the Executive Performance Annual Incentive Plan for fiscal year 2001 (see "Summary Compensation Table" and "Annual Compensation" above). This performance-based award was calculated as a function of the Company's actual operating earnings per share in 2001 in accordance with a formula previously established by the Compensation Committee.

AUDIT COMMITTEE REPORT

The Audit Committee has reviewed and discussed with management, which has primary responsibility for the financial statements, and with the Company's independent auditors, the audited financial statements for the year ended December 31, 2001 (the "Audited Financial Statements"). In addition, the Audit Committee has discussed with PricewaterhouseCoopers LLP, the Company's independent auditing firm, the matters required to be discussed by Statement on Auditing Standards No. 61. The Audit Committee also has discussed with management of the Company and with PricewaterhouseCoopers LLP such other matters and received such assurances from them as were deemed appropriate.

The Audit Committee also has received the written disclosures and the letter from PricewaterhouseCoopers LLP required by Independence Standards Board Standard No. 1, and has discussed with that firm its independence. The Audit Committee has considered whether the performance by PricewaterhouseCoopers LLP of the non-audit services disclosed under "Financial Information Systems Design and Implementation Fees" and "All Other Fees" is compatible with maintaining their independence.

Based on the foregoing review and discussions and relying thereon, the Audit Committee has recommended to the Company's Board of Directors the inclusion of the Audited Financial Statements in the Company's Annual Report for the year ended December 31, 2001 on Form 10-K.

The fees billed to the Company by PricewaterhouseCoopers LLP and its worldwide affiliates in 2001 are as follows:

Edgar Filing: EVEREST RE GROUP LTD - Form DEF 14A

Audit Fees: The aggregate fees billed for professional services rendered by the independent auditors for the audit of the Company's financial statements as of and for the year ended December 31, 2001 and the review of the financial statements included in the Company's Quarterly Reports on Form 10-Q for the year were \$870,146.

Financial Information Systems Design and Implementation Fees: The aggregate fees billed for financial information systems design and implementation rendered by the independent auditors during 2001 amounted to \$1,102,249. The entire amount was attributable to the conversion of the existing ledger system to PeopleSoft, a project that was completed in 2001.

All Other Fees: The aggregate fees billed by the independent auditors during 2001 for non-audit and non-information systems related services were \$807,718, of which \$544,000 was attributable to worldwide tax services.

PricewaterhouseCoopers LLP used no leased employees on the Company's audit engagement.

RETIREMENT PLAN

All the executive officers of the Company, with the exception of Mr. Bennett, participate in the Everest Reinsurance Company Retirement Plan (the "Retirement Plan") and in the Supplemental Retirement Plan (the "Supplemental Plan"), both of which are defined benefit pension plans. As an employee of Bermuda Re, Mr. Bennett is not eligible to participate in the Retirement Plan and Bermuda Re does not maintain a defined benefit retirement plan. The Retirement Plan is a tax-qualified plan that determines benefits under a formula that takes into account a participant's years of continuous service and final average earnings with Everest Re and certain affiliates, including during the period of affiliation with the Prudential Insurance Company of America ("Prudential"). The Supplemental Plan is a non-qualified plan that provides benefits that would otherwise be provided under the Retirement Plan formula but for the application of certain limitations on tax-qualified benefits under the Code. The Retirement Plan and the Supplemental Plan are similar to the tax-qualified and supplemental pension plans of Prudential in which the executive officers and other employees of the Company and Everest Re participated prior to the Company's initial public offering. The following table shows the estimated annual pension benefits payable at normal retirement age to a participant under the Retirement Plan and the Supplemental Plan who attains the earnings and service classifications indicated under the plans.

Edgar Filing: EVEREST RE GROUP LTD - Form DEF 14A

will be his or her average annual "earnings" under the plan during the 72 consecutive months of continuous service in which the participant received the greatest amount of earnings out of the final 120 months of continuous service. For this purpose, "earnings" generally includes the participant's base salary, cash bonus payments under the Chief Executive Officer's Bonus Plan, the Executive Performance Annual Incentive Plan and, for participants who held positions equivalent to or senior to that of department vice president when that position existed, cash payments under the Company's Annual Incentive Plan. With respect to cash payments made under the Annual Incentive Plan through December 31, 1999, "earnings" did not include amounts in excess of 50% of salary or \$275,000, whichever was greater. Moreover, "earnings" does not include any other compensation set forth in the Summary Compensation Table. Final average earnings and earnings will be determined under the Supplemental Plan in the same manner as under the Retirement Plan, except that a participant's earnings are not subject to the limitations under the Code. "Continuous service" under the Retirement Plan and Supplemental Plan will be the number of years and months worked for Everest Re and certain affiliates, including during the period of affiliation with Prudential.

14

The years of continuous service for Mr. Taranto, Mr. Gallagher, Mr. Limauro and Ms. Burak to be taken into account under the Retirement Plan and Supplemental Plan (rounded to the nearest year), as of April 1, 2002, are 7, 27, 29 and 22 respectively. Final average earnings for Mr. Taranto, Mr. Gallagher, Mr. Limauro and Ms. Burak to be taken into account as of April 1, 2002 are \$1,964,551, \$616,670, \$288,769 and \$236,609 respectively.

EMPLOYMENT AND CHANGE OF CONTROL AGREEMENTS--MR. TARANTO

On July 15, 1998, the Company entered into an employment agreement with Mr. Taranto (the "Employment Agreement"). The Employment Agreement became effective on January 1, 2000 and was amended on April 20, 2001 to extend his term of employment from December 31, 2001 to March 31, 2004 unless sooner terminated in accordance with its terms. The Employment Agreement provides for a base salary of \$1,000,000 per year and states that Mr. Taranto is eligible to participate in the Executive Performance Annual Incentive Plan. Upon entering into the Employment Agreement in July 1998, Mr. Taranto received non-qualified options under the Company's 1995 Stock Incentive Plan to purchase 150,000 Common Shares as a sign-on bonus. Upon execution of the April 20, 2001 amendment extending the term of his employment, he was granted non-qualified options to purchase 200,000 Common Shares under that plan.

In connection with the restructuring of the Company in February 2000, Mr. Taranto's Employment Agreement was amended to state that he would be the Chairman and Chief Executive Officer of the Company after the restructuring and that he would provide services to the Company after the restructuring that were comparable to those required under his Employment Agreement prior to the restructuring. As a result, the Company and Everest Holdings are both parties to the Employment Agreement and have co-extensive rights, powers, duties and obligations. The February 2000 amendment made other conforming changes to the Employment Agreement to reflect the restructuring. When the Company established Everest Global as a new Delaware subsidiary to perform administrative and back-office functions for the Company and its insurance subsidiaries, Mr. Taranto became an employee of that company and Everest Global became a party to the Employment Agreement.

If the Company terminates Mr. Taranto's employment for "due cause" or if he voluntarily terminates his employment other than for "good reason" (as defined in the Employment Agreement), Mr. Taranto will be entitled to his base salary

Edgar Filing: EVEREST RE GROUP LTD - Form DEF 14A

due him through the date of termination. If the Company terminates Mr. Taranto's employment other than for due cause, or if he voluntarily terminates his employment for good reason, the Company will be obligated to pay him, in addition to all base salary accrued through the date of termination, (i) the aggregate amount of base salary from the date of termination and through the end of term and (ii) the aggregate bonus amounts due under the appropriate bonus plans or programs through the end of the term.

In connection with the execution of the Employment Agreement, the Company and Mr. Taranto also entered into a Change of Control Agreement dated as of July 15, 1998. The Change of Control Agreement provides that if within one year after the occurrence of a material change (as defined in the agreement) Mr. Taranto terminates his employment for any reason, or if the Company terminates Mr. Taranto's employment for any reason other than for due cause (as defined in the agreement), then (a) all of Mr. Taranto's outstanding stock options granted under the Company's stock plans shall immediately vest and become exercisable; (b) Mr. Taranto shall receive a cash payment equal to the lesser of (i) 2.99 multiplied by Mr. Taranto's annual compensation for the most recent taxable year ending prior to the date of the material change less the value of Mr. Taranto's gross income in the most recent taxable year ending prior to the date of a material change attributable to Mr. Taranto's exercise of stock options, stock appreciation rights and other stock-based awards granted Mr. Taranto by the Company and (ii) 2.99 multiplied by Mr. Taranto's "annualized includible compensation for the base period" as that phrase is defined in Section 280G(d) of the Code; (c) Mr. Taranto shall continue to be covered under the Company's medical and dental insurance plans for a period of three years from the date of termination; (d) Mr. Taranto shall receive "Special Retirement Benefits" in an amount that will equal the retirement benefits he would have received had he continued in the employ of the Company for three years following his termination under the Everest Reinsurance Retirement Plan and any supplemental, substitute or successor retirement plans adopted by the Company. In the event that the benefits Mr. Taranto receives under the Change of Control Agreement cause Mr. Taranto to receive a "Parachute Payment" within the meaning of Section 280G of the Code, Mr. Taranto's benefits will be reduced to an amount that is one dollar less than the amount that would cause a Para-

15

chute Payment. If an award made under the Change of Control Agreement nevertheless results in an assessment against Mr. Taranto of a "Parachute Tax" pursuant to Section 4999 of the Code, Mr. Taranto shall be entitled to receive an additional amount of money that would put him in the same net tax position had no Parachute Tax been incurred. The Change of Control Agreement will terminate on the earliest of (i) one year following a material change; (ii) termination by Mr. Taranto of his employment with the Company under circumstances not following a material change; (iii) the Company's termination of Mr. Taranto's employment for due cause; or (iv) March 31, 2004, or any date thereafter, with 60 days written notice.

In connection with the restructuring, Mr. Taranto entered into an amendment to his Change of Control Agreement which provides that transactions with respect to the Company after the restructuring will trigger benefits under the agreement to the same extent as transactions with respect to Everest Holdings prior to the restructuring. Changes were also made in the Change of Control Agreement to take into account the establishment of Everest Global and Mr. Taranto's employment by that company.

EMPLOYMENT AGREEMENT--MR. BENNETT

On March 23, 2000, Bermuda Re entered into an employment agreement with Mr.

Edgar Filing: EVEREST RE GROUP LTD - Form DEF 14A

Bennett under which he is to serve as the Managing Director and Chief Executive Officer of Bermuda Re from May 1, 2000 until May 1, 2002. The agreement provides for an annual salary of \$250,000, plus \$5,000 per month as a housing allowance. Mr. Bennett is also eligible to participate in the Company's Annual Incentive Plan, which is entirely discretionary in nature and which may be amended or terminated by the Company at any time. He is also a participant in the Senior Executive Change of Control Plan. (See "Other Change of Control Arrangements".)

Pursuant to the employment agreement, Mr. Bennett was granted options under the Company's 1995 Stock Incentive Plan to purchase 20,000 Common Shares of the Company. The options will vest twenty percent per year over a five-year period. Also pursuant to the employment agreement, Mr. Bennett is receiving medical insurance, dental insurance and group life insurance and is participating in a qualified defined contribution plan.

If Bermuda Re terminates Mr. Bennett's employment prior to May 1, 2002 for reasons other than misconduct or a breach of Bermuda Re's policies, a separation payment equivalent to one year's salary will be made and a reasonable allowance will be provided to move his personal possessions back to the United Kingdom. Bermuda Re may terminate Mr. Bennett's employment for cause as defined in the employment agreement at any time during the term of the agreement without prior notice.

OTHER CHANGE OF CONTROL ARRANGEMENTS

The Company established a Senior Executive Change of Control Plan (the "Change of Control Plan"), effective September 28, 1998. The Change of Control Plan is administered by the Compensation Committee, which selects participants from among the senior executives of the Company and its subsidiaries. Among others, the Compensation Committee has selected Mr. Gallagher, Mr. Limauro and Mr. Bennett to participate in the plan.

The Change of Control Plan provides that if within two years after the occurrence of a material change (as defined in the plan) a participant terminates his or her employment for good reason (as defined in the plan) or the Company terminates the participant's employment for any reason other than for due cause (as defined in the plan), then (a) all of the participant's outstanding stock options granted under the Company's stock plans shall immediately vest and become exercisable for three months following termination of employment; (b) all restrictions on the participant's restricted stock awarded under the Company's stock plans shall immediately terminate and lapse; (c) the participant shall receive a cash payment equal to the participant's average salary and annual incentive bonus for the three most recent taxable years (or such shorter period as may be applicable) multiplied by a number between 2 and 2.99 determined by the Compensation Committee (for Mr. Gallagher the number is 2.99 and for Mr. Limauro and Mr. Bennett the number is 2); (d) the participant shall continue to be covered under the Company's medical and dental insurance plans for a period of two years from the date of termination; and (e) the participant shall receive "special retirement benefits" in an amount that will equal the retirement benefits he or she would have received under the Everest Reinsurance Retirement Plan and any supplemental, substitute or successor plans adopted by the Company had he or she

continued in the employ of the Company for a period following termination determined by the Compensation Committee. For Mr. Gallagher, the period is the greater of 3 and the number of years necessary to credit service to his 55th birthday, and for Mr. Limauro and Mr. Bennett, the period is 2 years.

CERTAIN TRANSACTIONS WITH DIRECTORS

Everest National had a business relationship with WorkCare Northwest, Inc. ("WorkCare Northwest"), a company in which Edward B. Galtney holds a 50% interest. Mr. Galtney is the brother of William F. Galtney, Jr. one of the Company's directors. In 2001, Everest National paid commissions in the amount of \$3,307,170 and loss control expenses in the amount of \$367,463 to WorkCare Northwest for insurance agency services as a program administrator under Everest National's Idaho Workers Compensation Program. It is expected that commissions and loss control expenses will continue to be paid to WorkCare Northwest as premium is collected in the future. It is estimated that commissions to be paid in 2002 will be approximately \$304,499 and loss control expenses to be paid in 2002 will be approximately \$33,833.

PROPOSAL NO. 2--APPOINTMENT OF INDEPENDENT AUDITORS

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS THE COMPANY'S INDEPENDENT AUDITORS FOR THE YEAR ENDING DECEMBER 31, 2002 AND THE AUTHORIZATION OF THE BOARD OF DIRECTORS TO SET THE FEES FOR THE INDEPENDENT AUDITORS. PROXIES WILL BE SO VOTED UNLESS SHAREHOLDERS SPECIFY OTHERWISE IN THEIR PROXIES.

The Company's independent auditors are appointed each year at the Annual General Meeting of Shareholders pursuant to the Board's recommendation, which in turn is based on the recommendation of the Audit Committee. In making its recommendation, the Audit Committee reviews both the audit scope and estimated fees for professional services for the coming year. Representatives of PricewaterhouseCoopers LLP will be present at the 2002 Annual General Meeting, will have the opportunity to make a statement if they desire and will be available to respond to appropriate questions of shareholders.

PROPOSAL NO. 3--APPROVAL OF THE EVEREST RE GROUP, LTD.

2002 STOCK INCENTIVE PLAN

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE APPROVAL OF THE EVEREST RE GROUP, LTD. 2002 STOCK INCENTIVE PLAN TO BE EFFECTIVE UPON SHAREHOLDER APPROVAL. PROXIES GIVEN BY SHAREHOLDERS OF RECORD WILL BE SO VOTED UNLESS THE SHAREHOLDERS SPECIFY OTHERWISE IN THEIR PROXIES. PROXIES GIVEN BY BENEFICIAL HOLDERS TO SHAREHOLDERS OF RECORD MAY NOT BE SO VOTED UNLESS BENEFICIAL HOLDERS SPECIFY A VOTE FOR APPROVAL IN THEIR PROXIES.

On February 26, 2002, the Board of Directors adopted the Everest Re Group, Ltd. 2002 Stock Incentive Plan (the "Plan"), subject to approval by the Company's shareholders. The Plan will become effective immediately upon approval by the shareholders. The Board of Directors adopted the Plan to replace the Everest Re Group, Ltd. 1995 Stock Incentive Plan (the "1995 Plan") because the share reserve for the 1995 Plan has been substantially depleted during the past 6 1/2 years. Upon approval of the proposed Plan by the shareholders, no further awards will be granted under the 1995 Plan. The Board of Directors recommends approval of the Plan by the shareholders because the Board believes it is important for employees and others providing services to the Company and its subsidiaries to have an equity interest in the Company. Following approval by the shareholders, the Company intends to register the shares issued under the Plan with the Securities Exchange Commission (the "SEC"). On March 27, 2002, the closing sale price of the Common Shares as reported on the New York Stock Exchange was \$68.65 per share.

This summary of the material terms of the Plan is qualified in its entirety by the full text of the Plan, a copy of which is set forth as Appendix A to this Proxy Statement.

Edgar Filing: EVEREST RE GROUP LTD - Form DEF 14A

PLAN ADMINISTRATION

The Plan will be administered by a committee of the Board of Directors (the "Committee"), which is required under the terms of the Plan to consist of two or more non-employee directors. The Board of Directors has designated

17

the Compensation Committee as the Committee to administer the 2002 Plan. The Committee has the authority to grant and amend, any type or combination of types of awards, whether payable in stock, cash or a combination of the two.

The Committee may delegate all or any portion of its responsibilities or powers under the Plan to persons selected by it. The Committee may also delegate to officers of the Company discretionary authority with respect to substantial decisions or functions regarding the Plan or awards, including decisions regarding the timing, eligibility, pricing, amount or other terms of an award, provided such awards are not made to insiders, who are defined as persons subject to Section 16 of the Exchange Act.

GENERAL

The Plan provides for the grant of non-qualified and incentive stock options, stock appreciation rights ("SARs"), restricted stock and stock awards. The purpose of the 2002 Plan is to benefit the Company, its subsidiaries and its shareholders by encouraging high levels of performance by individuals who are key to the success of the Company and its subsidiaries and to enable the Company to attract, motivate and retain talented and experienced individuals essential to its success.

Awards may be granted under the Plan to any person, including any director of the Company, who is an employee of the Company, or a consultant or advisor who (other than non-employee directors) provides bona fide services for the Company. No determination has been made as to which individuals will receive grants under the Plan and, therefore, the benefits to be allocated to any one individual or to any group of eligible individuals are not presently known.

As of April 1, 2002, approximately 470 employees of the Company would be eligible to receive awards under the Plan, subject to the power of the Committee to determine the eligible employees and other persons to whom awards would be granted. The total number of shares that may be granted under the Plan is 4,000,000. Any shares allocated to an award under the Plan that expires, lapses or is forfeited or terminated for any reason without issuance of the shares (whether or not cash or other consideration is paid to the participant in respect of such shares) will be available for new awards to be granted under the Plan. No awards may be granted under the Plan after the ten-year anniversary of the effective date of the Plan.

The following additional limitations will apply to awards under the Plan: (1) no more than 250,000 shares may be issued for restricted stock and stock awards; (2) no more than 350,000 shares may be issued for options and SARs granted to any one individual in any calendar year; and (3) no more than 1,000,000 shares may be issued for options intended to be Incentive Stock Options. The Committee may make awards which are not intended to comply with Section 162(m) of the Code, which awards will not be subject to the individual limitations in the preceding sentence.

The shares with respect to which awards may be made under the Plan may be shares that are currently authorized but unissued, or to the extent permitted by

Edgar Filing: EVEREST RE GROUP LTD - Form DEF 14A

applicable law, currently held or subsequently acquired by the Company, including shares purchased in the open market or in private transactions.

The Committee may grant any combination of stock options (both incentive and non-qualified), SARs, restricted stock or stock awards. The number of shares subject to an award and any other restrictions that are deemed appropriate by the Committee for a particular type of award, to particular individuals or in particular circumstances, will be included in the individual award document reflecting the grant of the award to the recipient and setting forth specific terms and conditions of the award (the "Award Agreement").

The Plan contains provisions relating to adjustments of the terms of outstanding awards to reflect changes in the Company's capitalization or shares or the occurrence of specified events. The number of shares that may be acquired under the Plan, the maximum number of shares that may be delivered pursuant to awards, and such other terms as are necessarily affected by such specified events are subject to adjustment in the event of a stock dividend, stock split, recapitalization, merger, consolidation (whether or not Everest Re Group, Ltd. is the surviving corporation), reorganization, combination or exchange of Shares or similar events.

18

Except as otherwise provided by the Committee, awards under the Plan will only be transferable to the extent designated by the participant by will or by laws of descent and distribution.

STOCK OPTIONS

The Committee may grant options to purchase shares which may be either incentive stock options or non-qualified stock options. The purchase price of shares under each option must be based on the fair market value of a share on the date the option is granted. Options granted under the Plan will be exercisable in accordance with the terms established by the Committee. The full purchase price of each share purchased upon the exercise of any option must be paid at the time of exercise. The Committee, in its discretion, may impose such conditions, restrictions and contingencies on shares acquired pursuant to the exercise of an option as the Committee determines to be desirable.

Except as otherwise provided by the Committee, if an employee recipient of a stock option award under the Plan terminates employment with the Company for a reason other than death, disability, or retirement, the holder of the stock option may exercise the stock option at any time within a period of three months after such termination to the extent the stock option was exercisable on the date of such termination. If the employee terminates employment by reason of death, disability or retirement, the employee may exercise the stock option at any time within a period of three years after such termination to the extent the stock option was exercisable on the date of such termination. In no event, however, may any stock option be exercised by any person after its expiration date.

STOCK APPRECIATION RIGHTS

The Committee may grant an SAR in connection with all or any portion of an option as well as independent of any option grant. An SAR entitles the participant to receive the amount by which the fair market value of a specified number of shares on the exercise date exceeds an exercise price established by the Committee. The excess amount will be payable in shares, in cash or in a combination thereof, as determined by the Committee. The Committee, in its discretion, may impose such conditions, restrictions and contingencies on the

Edgar Filing: EVEREST RE GROUP LTD - Form DEF 14A

shares acquired pursuant to the exercise of an SAR as the Committee determines to be desirable.

OTHER STOCK AWARDS

The Committee may grant stock awards (a grant of shares as payment of a bonus, as payment of any other compensation obligation, upon the occurrence of a special event or as otherwise determined by the Committee) and restricted stock (a grant of shares with such shares or rights being made subject to a risk of forfeiture or other restrictions that lapse upon the achievement of one or more goals relating to completion of service by the participant, as determined by the Committee). Recipients of restricted stock may have voting rights and may receive dividends on the granted shares prior to the time the restrictions lapse.

PAYMENT PROVISIONS

The Plan permits the payment of the option exercise price or award price in cash or, at the Committee's discretion, with shares valued at their fair market value, or with a combination of such shares and cash. Shares may only be used for payment, however, if they have been held by the participant for at least six months (or such other period as may be required by the Committee) and meet any other requirements established by the Committee. Other lawful consideration, which may include a promissory note as may be approved by the Committee, may also be applied to the purchase or exercise price of an award under the Plan, to the extent authorized by the Committee and as may be permitted under relevant state or Bermuda law.

Shares held by a participant may also be used to discharge tax withholding obligations related to the exercise of options or the receipt of other awards to the extent authorized by the Committee.

CHANGE IN CONTROL

In the event of a "Change in Control" of the Company (as defined in the Plan), in addition to any action required or authorized by the terms of an Award Agreement, the Committee may, in its sole discretion, recommend that the

19

Board of Directors take any of the following actions as a result, or in anticipation, of any such event to assure fair and equitable treatment of participants:

- o accelerate time periods for purposes of vesting in, or realizing gain from, any outstanding award made pursuant to the Plan;
- o offer to purchase any outstanding award made pursuant to the Plan from the holder for its equivalent cash value, as determined by the Committee, as of the date of the Change of Control; or
- o make adjustments or modifications to outstanding awards as the Committee deems appropriate to maintain and protect the rights and interests of participants following such Change of Control.

Any such action approved by the Board of Directors shall be conclusive and binding on the Company and all participants.

AMENDMENT AND TERMINATION

Edgar Filing: EVEREST RE GROUP LTD - Form DEF 14A

The Board of Directors may at any time amend, suspend or discontinue the Plan, in whole or in part. The Committee may at any time alter or amend any or all Award Agreements under the Plan to the extent permitted by law, but no such alteration or amendment shall impair the rights of any holder of an award without the holder's consent.

UNITED STATES INCOME TAX CONSEQUENCES OF THE PLAN

The following paragraphs provide a general summary of the U.S. federal income tax consequences of the Plan based upon current law, which is subject to change. State, local or foreign tax consequences are beyond the scope of this summary. In addition, this summary is necessarily general and does not describe all possible federal income tax effects to particular recipients of awards under the Plan or to the Company in all circumstances.

NON-QUALIFIED STOCK OPTIONS

The grant of a non-qualified option will not result in taxable income to the participant. Except as described below, the participant will realize ordinary income at the time of exercise in an amount equal to the excess of the fair market value of the shares acquired over the exercise price for those shares. Gains or losses realized by the participant upon disposition of such shares will be treated as capital gains and losses, with the basis in such shares equal to the fair market value of the shares at the time of exercise. Special rules will apply if the participant uses previously owned shares to pay some or all of the option exercise price.

The exercise of a non-qualified stock option through the delivery of previously acquired stock will generally be treated as a non-taxable, like-kind exchange as to the number of shares surrendered and the identical number of shares received under the option. That number of shares will take the same basis and, for capital gains purposes, the same holding period as the shares that are given up. The value of the shares received upon such an exchange that are in excess of the number given up will be includible as ordinary income to the participant at the time of exercise. The excess shares will have a new holding period for capital gain purposes and a basis equal to the value of such Shares determined at the time of exercise.

INCENTIVE STOCK OPTIONS

The grant of an incentive stock option will not result in taxable income to the participant. The exercise of an incentive stock option will not result in taxable income to the participant provided that the participant was, without a break in service, an employee of the Company during the period beginning on the date of the grant of the option and ending on the date three months prior to the date of exercise (one year prior to the date of exercise if the participant is disabled, as that term is defined in the Code).

The excess of the fair market value of the shares at the time of the exercise of an incentive stock option over the exercise price is an adjustment that is included in the calculation of the participant's alternative minimum taxable income for the tax year in which the incentive stock option is exercised. For purposes of determining the participant's alternative

minimum tax liability for the year of disposition of the shares acquired pursuant to the incentive stock option exercise, the participant will have a basis in those shares equal to the fair market value of the shares at the time of exercise.

Edgar Filing: EVEREST RE GROUP LTD - Form DEF 14A

If the participant does not sell or otherwise dispose of the stock within two years from the date of the grant of the incentive stock option or within one year after the transfer of such stock to the participant, then, upon disposition of such shares, any amount realized in excess of the exercise price will be taxed to the participant as capital gain. A capital loss will be recognized to the extent that the amount realized is less than the exercise price.

If the foregoing holding period requirements are not met, the participant will generally realize ordinary income at the time of the disposition of the shares in an amount equal to the lesser of (i) the excess of the fair market value of the shares on the date of exercise over the exercise price, or (ii) the excess, if any, of the amount realized upon disposition of the shares over the exercise price. If the amount realized exceeds the value of the shares on the date of exercise, any additional amount will be capital gain. If the amount realized is less than the exercise price, the participant will recognize no income and a capital loss will be recognized equal to the excess of the exercise price over the amount realized upon the disposition of the shares.

The exercise of an incentive stock option through the exchange of previously acquired stock will generally be treated in the same manner as such an exchange would be treated in connection with the exercise of a non-qualified stock option; that is, as a non-taxable, like-kind exchange as to the number of shares given up and the identical number of shares received under the option. That number of shares will take the same basis and, for capital gain purposes, the same holding period as the shares that are given up. However, such holding period will not be credited for purposes of the one-year holding period required for the new shares to receive incentive stock option treatment. Shares received in excess of the number of shares given up will have a new holding period and will have a basis of zero or, if any cash was paid as part of the exercise price, the excess shares received will have a basis equal to the amount of the cash. If a disqualifying disposition (a disposition before the end of the applicable holding period) occurs with respect to any of the shares received from the exchange, it will be treated as a disqualifying disposition of the shares with the lowest basis.

If the exercise price of an incentive stock option is paid with shares acquired through a prior exercise of an incentive stock option, gain will be realized on the shares given up (and will be taxed as ordinary income) if those shares have not been held for the minimum incentive stock option holding period (two years from the date of grant and one year from the date of transfer), but the exchange will not affect the tax treatment, as described in the immediately preceding paragraph, of the shares received.

STOCK APPRECIATION RIGHTS

The grant of an SAR will not result in taxable income to the participant. Upon exercise of an SAR, the amount of cash or the fair market value of shares received will be taxable to the participant as ordinary income. Gains and losses realized by the participant upon disposition of any such shares will be treated as capital gains and losses, with the basis in such shares equal to the fair market value of the shares at the time of exercise.

RESTRICTED STOCK AND OTHER STOCK AWARDS

A participant who has been granted a restricted stock award will not realize taxable income at the time of grant, assuming that the restrictions constitute a "substantial risk of forfeiture" for U.S. income tax purposes. Upon the vesting of shares subject to an award, the holder will realize ordinary income in an amount equal to the then fair market value of those shares. Gains or losses realized by the participant upon disposition of such shares will be treated as capital gains and losses, with the basis in such shares equal to the

Edgar Filing: EVEREST RE GROUP LTD - Form DEF 14A

fair market value of the shares at the time of vesting. Dividends paid to the holder during the restriction period, if so provided, will also be compensation income to the participant. A participant may elect pursuant to section 83(b) of the Code to have income recognized at the date of grant of a restricted stock award and to have the applicable capital gain holding period commence as of that date.

A participant who receives a stock award, which is not subject to a "substantial risk of forfeiture" will be taxed based on the value of the stock on the date of the award.

21

WITHHOLDING OF TAXES

The Company may withhold amounts from participants to satisfy withholding tax requirements. Except as otherwise provided by the Committee, participants may have shares withheld from awards or may tender previously owned shares to the Company to satisfy tax withholding requirements. The shares withheld from awards may only be used to satisfy the Company's minimum statutory withholding obligation.

TAX DEDUCTION

Everest Re Group, Ltd. is not subject to U.S. income taxes. However, if an award is granted to a participant employed by a subsidiary that is a U.S. taxpayer, the subsidiary will be entitled to a deduction equal to the amount of income includible in the participant's income.

A U.S. income tax deduction will generally be unavailable for annual compensation in excess of \$1 million paid to any of the five most highly compensated officers of a public corporation. However, amounts that constitute "performance-based compensation" are not counted toward the \$1 million limit. If a U.S. subsidiary has an employee who is among the five most highly compensated officers, that subsidiary's deduction will be subject to this limit. To preserve the deduction for its U.S. subsidiary, the Company has designed the Plan to enable awards thereunder to constitute "performance-based compensation" and not be counted toward the \$1 million limit. The Plan provides that the Committee, in its sole discretion, may grant awards which are not intended to constitute "performance-based compensation."

CHANGE IN CONTROL

Any acceleration of the vesting or payment of awards under the Plan in the event of a Change in Control in the Company may cause part or all of the consideration involved to be treated as an "excess parachute payment" under the Code, which may subject the participant to a 20% excise tax and preclude deduction by a subsidiary.

TAX ADVICE

The preceding discussion is based on U.S. tax laws and regulations presently in effect, which are subject to change, and the discussion does not purport to be a complete description of the U.S. income tax aspects of the Plan. A participant may also be subject to state and local taxes in connection with the grant of awards under the Plan. The Company suggests that participants consult with their individual tax advisors to determine the applicability of the tax rules to the awards granted to them in their personal circumstances.

SECTION 4. AWARDS

The Committee may grant any of the types of Awards enumerated in paragraphs (a) through (d) of this Section 4, either singly, in tandem or in combination with other types of Awards, as the Committee may in its sole discretion determine:

(a) NON-QUALIFIED STOCK OPTIONS. The grant of an Option entitles the Participant to purchase a specific number of shares of Stock at an Exercise Price established by the Committee. Any Option granted under this Section 4 may either be an incentive stock option or a non-qualified stock option. A Non-qualified Stock Option is an Option that is not intended to be an "incentive stock option" as described in section 422(b) of the Code. All Non-qualified Stock Options granted under the Plan shall expire not later than ten (10) years after grant, and shall have an Exercise Price equal to 100% of the Fair Market Value of the Stock on the date the option is granted.

(ii) No Incentive Stock Option may be granted under this Plan on or after the tenth anniversary of the date this Plan is adopted, or the date this Plan is approved by shareholders, whichever is earlier.

(vi) The exercise price of any Incentive Stock Option shall be no less than:

A. in the case of an Employee who is not a Ten-Percent Shareholder on the date that the option is granted, the Fair Market Value of the Stock subject to the option on such date; and

B. in the case of an Employee who is a Ten-Percent Shareholder on the date that the option is granted, 110% of the Fair Market Value of the Stock subject to the option on such date

Edgar Filing: EVEREST RE GROUP LTD - Form DEF 14A

(c) STOCK APPRECIATION RIGHTS. A stock appreciation right ("SAR") is a right to receive, upon surrender of the right, an amount payable in cash or in shares of Stock, which may be Restricted Stock.

(i) The amount payable with respect to each SAR shall be equal in value to the excess, if any, of the Fair Market Value of a specified number of shares of Stock on the exercise date (or on such other date or dates set forth in the Award Agreement) over the Exercise Price relative to such shares, as may be established by the Committee.

(ii) In the case of an SAR granted with respect to an Incentive Stock Option to an Employee who is a Ten-Percent Shareholder on the date of such Award, the Exercise Price shall not be less than 110% of the Fair Market Value of a share of Stock on the date the Award is made.

(d) RESTRICTED STOCK AND STOCK AWARDS.

(i) Restricted Stock is Stock that is issued to a Participant and is subject to a substantial risk of forfeiture or other restrictions on transfer and/or such other restrictions on incidents of ownership as the Committee may determine, where such restrictions will lapse upon achievement of one or more goals relating to the completion of services by the Participant or achievement of other objectives as may be determined by the Committee. A certificate for the shares of Restricted Stock, which certificate shall be registered in the name of the Participant, shall bear an appropriate restrictive legend and shall be subject to appropriate stop-transfer orders; provided, that the certificates representing shares of Restricted Stock shall be held in custody by the Corporation until the restrictions relating thereto otherwise lapse, and; provided further, that the Participant shall deliver to the Corporation a stock power (instrument of transfer) endorsed in blank relating to the Restricted Stock as soon as practicable following the date of grant.

(ii) Stock Awards shall be any compensation grant to a Participant that provides for payment to a Participant in shares of Stock.

(iii) Restricted Stock and Stock Awards may be issued at the time of grant, upon the exercise of an SAR, Option or other right, as payment of a bonus, as payment of any other compensation obligations, upon the occurrence of a future event, at a specified time in the future or as otherwise determined by the Committee. The period during which Restricted Stock is subject to restrictions may commence prior to the actual transfer of Restricted Stock to a Participant if so specified in the Award Agreement.

(e) PAYMENT OF OPTION EXERCISE PRICE. The payment of the Exercise Price of an Option granted under this Section 4 shall be subject to the following:

(i) Subject to the following provisions of this subsection 4(e), the full Exercise Price for shares of stock purchased on the exercise of an Option shall be paid at the time of such exercise.

(ii) The Exercise Price of the Stock subject to the Option may be paid in cash. At the discretion of the Committee, the purchase price may also be paid by the tender, by actual delivery of shares or by

Edgar Filing: EVEREST RE GROUP LTD - Form DEF 14A

attestation, of Stock owned for at least six months by the holder of the option (the value of such Stock shall be its Fair Market Value on the date of exercise), through a combination of Stock and cash, or through such other means as the Committee determines are consistent with the Plan's purpose and relevant state or Bermuda law. No fractional shares of Stock will be issued or accepted.

(iii) Without limiting the foregoing, to the extent permitted by law (including relevant state or Bermuda law), (A) the Committee may agree to accept as full or partial payment of the Exercise Price of Stock issued upon exercise of options, a promissory note of the Participant evidencing the Participant's obligation to make future cash payments to the Corporation, which promissory notes shall be payable as determined by the Committee (but in no event later than five (5) years after the date thereof), shall be secured by a pledge of the shares of Stock purchased, and shall bear interest at a rate established by the Committee and (B) the Committee may also permit Participants, either on a selective or aggregate basis, to simultaneously exercise Options and sell the shares of Stock thereby acquired, pursuant to a brokerage or similar arrangement approved in advance by the Committee, and use the proceeds from such sale as payment of the Exercise Price of such Stock.

SECTION 5. SHARES OF STOCK AND OTHER STOCK-BASED AWARDS AVAILABLE UNDER PLAN

(a) The Stock which may be issued pursuant to an Award under the Plan may be shares currently authorized but unissued or currently held or subsequently acquired by the Corporation, including shares purchased in the open market or in private transactions.

(b) Subject to the adjustment provisions of Section 9 hereof, the maximum number of shares that may be delivered to Participants and their beneficiaries under the Plan shall be equal to 4,000,000 shares of Stock.

(c) Subject to the adjustment provisions of Section 9 hereof, the following additional maximums are imposed on the Plan

(i) The maximum number of shares of Stock that may be issued pursuant to Options intended to be Incentive Stock Options shall be 1,000,000 shares.

(ii) The aggregate maximum number of shares of Stock that may be covered by Awards granted to any one individual pursuant to Section 4 relating to Options and SARs, shall be 350,000 shares during any one calendar-year period. Notwithstanding the preceding sentence, or any other provision of the Plan, the Committee, in its sole discretion, may make Awards under the Plan which are not intended to satisfy the "performance-based" compensation exception of Section 162(m) of the Code and regulations thereunder, which Awards shall not be subject to the individual limits set forth in the preceding sentence.

(iii) The maximum number of shares of Stock that may be issued in conjunction with Awards granted pursuant to Section 4 relating to Restricted Stock and Stock Awards shall be 250,000 shares plus any shares that are reacquired by the Company pursuant to paragraph 5(d) that were previously subject to a Restricted Stock Award or Stock Award.

(d) To the extent that any shares of Stock covered by an Award are not delivered to a Participant or beneficiary because the Award is forfeited or canceled, or the shares of Stock are not delivered because the Award is settled in cash or used to satisfy the applicable tax withholding obligation, such shares shall be deemed to have been delivered for purposes of determining the

Edgar Filing: EVEREST RE GROUP LTD - Form DEF 14A

maximum number of shares of Stock available for delivery under the Plan.

(e) If the Exercise Price of any Option granted under the Plan is satisfied by tendering shares of Stock to the Corporation (by either actual delivery or by attestation), only the number of shares of Stock issued net of the shares of Stock tender shall be deemed delivered for purposes of determining the maximum number of shares of Stock available for delivery under the Plan.

27

(f) For the purposes of computing the total number of shares of Stock granted under the Plan, the following rules shall apply to Awards payable in Stock:

(i) each Option shall be deemed to be the equivalent of the maximum number of shares of Stock that may be issued upon exercise of the particular Option;

(ii) where one or more types of Awards (both of which are payable in Stock) are granted in tandem with each other, the number of shares of Stock shall be deemed to be the greater of the number of shares that would be counted if one or the other Award alone was outstanding.

Additional rules for determining the number of shares of Stock granted under the Plan may be adopted by the Committee, as it deems necessary and appropriate.

SECTION 6. AWARD AGREEMENTS

Each Award under the Plan shall be evidenced by an Award Agreement setting forth the number of shares of Stock and/or SARs subject to the Award and such other terms and conditions applicable to the Award, as determined by the Committee, not inconsistent with the terms of the Plan. The Committee may, but need not require that the Participant sign a copy of such document. Such document is referred to as the Award Agreement regardless of whether any Participant signature is required. In the event that the Committee requires that the Participant execute and return the Award Agreement, no person shall have any rights under the Award unless and until the Participant to whom such Award shall have been granted shall have executed and delivered to the Company the Award Agreement; provided, however, the execution and delivery of such an Award Agreement shall not be a precondition to the granting of such Award. By executing the Award Agreement, or submitting an option exercise form (whether or not the Award Agreement required execution) a Participant shall be deemed to have accepted and consented to any action taken under the Plan by the Committee, the Board of Directors or their delegates.

(a) Award Agreements shall include the following terms:

(i) NON-ASSIGNABILITY. Unless otherwise specifically provided for by the Committee, a provision that no Award shall be assignable or transferable except by will or by the laws of descent and distribution and that, during the lifetime of a Participant, the Award shall be exercised, if exercisable, only by such Participant or by his or her guardian or legal representative.

(ii) TERMINATION OF EMPLOYMENT. A provision describing the treatment of an Award in the event of the retirement, disability, death or other termination of a Participant's employment with the Corporation or a Subsidiary, including but not limited to terms relating to the vesting, time for exercise, forfeiture or cancellation of an Award in such circumstances. Participants who terminate employment prior to the

Edgar Filing: EVEREST RE GROUP LTD - Form DEF 14A

satisfaction of applicable conditions and restrictions associated with their Award(s) may be entitled to such Award(s) as and to the extent determined by the Committee. A provision that for purposes of the Plan (A) a transfer of an Employee from the Corporation to a Subsidiary or affiliate of the Corporation, whether or not incorporated, or vice versa, or from one Subsidiary or affiliate of the Corporation to another, and (B) a leave of absence, duly authorized in writing by the Corporation, shall not be deemed a termination of employment, except as otherwise required by applicable law, as determined by the Committee, in order to preserve the status of an option as an Incentive Stock Option.

(iii) RIGHTS AS A SHAREHOLDER. A provision that a Participant shall have no rights as a shareholder with respect to any Stock covered by an Award until the date the Participant becomes the holder of record. Except as provided in Section 9 hereof, no adjustment shall be made for dividends or other rights, unless the Award Agreement specifically requires such adjustment.

(iv) WITHHOLDING. A provision requiring the withholding of applicable taxes required by law from all amounts paid to the holder of an Award in satisfaction of such Award. In the case of an Award paid in cash, the withholding obligation shall be satisfied by withholding the applicable amount and paying the net amount in cash to the Participant. In the case of Awards paid in shares of Stock, a Participant may satis-

28

fy the withholding obligation by paying the amount of any taxes in cash or, with the approval of the Committee, shares of Stock may be deducted from the payment to satisfy the obligation in full or in part. The amount of the withholding and the number of shares of Stock to be deducted shall be determined by the Committee with reference to the Fair Market Value of the Stock when the withholding is required to be made; PROVIDED, HOWEVER, the amount of Stock so deducted shall not exceed the minimum required withholding obligation.

(v) TREATMENT OF OPTION. Each Award of an option shall state whether or not it is intended to constitute an Incentive Stock Option.

(vi) MINIMUM EXERCISE. No option may be exercised for less than the lesser of 50 shares of Stock or the full number of shares of Stock for which the option is then exercisable.

(b) Award Agreements may include the following terms:

(i) REPLACEMENT, SUBSTITUTION AND RELOADING. Any provisions (A) permitting the surrender of outstanding Awards or securities held by the Participant in order to exercise or realize rights under other Awards, or in exchange for the grant of new Awards under similar or different terms (including the grant of reload options) or (B) requiring holders of Awards to surrender outstanding Awards as a condition precedent to the grant of new Awards under the Plan.

(ii) OTHER TERMS. Such other terms as the Committee may determine are necessary, and appropriate to effect an Award to the Participant, including, but not limited to, the term of the Award, vesting provisions, any requirements for continued employment with the Corporation or a Subsidiary, any other restrictions or conditions (including performance requirements) on the Award and the method by

Edgar Filing: EVEREST RE GROUP LTD - Form DEF 14A

which restrictions or conditions lapse, the effect on the Award of a change in control of the Corporation or an employing Subsidiary, the price, amount or value of Awards, and the terms, if any, pursuant to which a Participant may elect to defer the receipt of cash or Stock under an Award.

SECTION 7. AMENDMENT AND TERMINATION

The Board of Directors may at any time amend, suspend or discontinue the Plan, in whole or in part. The Committee may at any time alter or amend any or all Award Agreements under the Plan to the extent permitted by law, but no such alteration or amendment shall impair the rights of any holder of an Award without the holder's consent. Adjustments pursuant to Section 9 shall not be subject to the foregoing limitations of this Section 7.

SECTION 8. ADMINISTRATION

(a) The Plan and all Awards granted pursuant thereto shall be administered by a committee of the Board of Directors (the "Committee"), which Committee shall consist of not less than two (2) members of such Board of Directors who are not employees of the Corporation or any Subsidiary. The members of the Committee shall be designated by the Board of Directors. If the Committee does not exist, or for any other reason determined by the Board, the Board may take any action under the Plan that would otherwise be the responsibility of the Committee.

(b) The Committee shall have the authority and discretion to interpret and administer the Plan, to establish, amend and rescind any rules and regulations relating to the Plan and to determine the terms and provisions of any Award Agreement made pursuant to the Plan. All questions of interpretation with respect to the Plan, the number of shares of Stock or other security, SARs, or rights granted and the terms of any Award Agreements, including the timing, pricing, and amounts of Awards, shall be determined by the Committee, and its determination shall be final and conclusive upon all parties in interest. In the event of any conflict between an Award Agreement and this Plan, the terms of this Plan shall govern.

(c) Except to the extent prohibited by applicable law or the applicable rules of a stock exchange, the Committee may delegate to the officers or employees of the Corporation and its Subsidiaries the authority to execute and deliver such instruments and documents, to do all such acts and things, and to take all such other steps deemed

29

necessary, advisable or convenient for the effective administration of the Plan in accordance with its terms and purpose, except that the Committee may not delegate any discretionary authority with respect to substantive decisions or functions regarding the Plan or Awards thereunder as these relate to Insiders, including, but not limited to, decisions regarding the timing, eligibility, pricing, amount or other material terms of such Awards. Any such delegation may be revoked by the Committee at any time.

(d) To the extent that the Committee determines that the restrictions imposed by the Plan preclude the achievement of the material purposes of the Awards in jurisdictions outside the United States, the Committee will have the authority and discretion to modify those restrictions as the Committee determines to be necessary or appropriate to conform to applicable requirements or practices of jurisdictions outside of the United States.

Edgar Filing: EVEREST RE GROUP LTD - Form DEF 14A

SECTION 9. ADJUSTMENT PROVISIONS

(a) In the event of any change in the outstanding shares of Stock by reason of a stock dividend or split, recapitalization, merger or consolidation (whether or not the Corporation is a surviving corporation), reorganization, combination or exchange of shares or other similar corporate changes or an extraordinary dividend paid in cash or property, the number of shares of Stock (or other securities) then remaining subject to this Plan, and the maximum number of shares that may be issued to anyone pursuant to this Plan, including those that are then covered by outstanding Awards, shall (i) in the event of an increase in the number of outstanding shares, be proportionately increased and the price for each share then covered by an outstanding Award shall be proportionately reduced, and (ii) in the event of a reduction in the number of outstanding shares, be proportionately reduced and the price for each share then covered by an outstanding Award shall be proportionately increased.

(b) In the event the adjustments described in clauses (i) and (ii) of paragraph a of this Section 9 are inadequate to ensure equitable treatment of any Award holder, then, to the extent permissible under applicable law, the Committee shall make any further adjustments as it deems necessary to ensure equitable treatment of any holder of an Award as the result of any transaction affecting the securities subject to the Plan or as is required or authorized under the terms of any applicable Award Agreement.

(c) The existence of the Plan and the Awards granted hereunder shall not affect or restrict in any way the right or power of the Board of Directors or the shareholders of the Corporation to make or authorize any adjustment, recapitalization, reorganization or other capital structure of its business, any merger or consolidation of the Corporation, any issue of bonds, debentures, preferred or prior preference stock or shares ahead of or affecting the Stock or the rights thereof, the dissolution or liquidation of the Corporation or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding.

SECTION 10. CHANGE OF CONTROL

(a) In the event of a "Change in Control" of the Corporation (defined below), in addition to any action required or authorized by the terms of an Award Agreement, the Committee may, in its sole discretion, recommend that the Board of Directors take any of the following actions as a result, or in anticipation, of any such event to assure fair and equitable treatment of Participants:

(i) accelerate time periods for purposes of vesting in, or realizing gain from, any outstanding Award made pursuant to this Plan;

(ii) offer to purchase any outstanding Award made pursuant to this Plan from the holder for its equivalent cash value, as determined by the Committee, as of the date of the change of control; or

(iii) make adjustments or modifications to outstanding Awards as the Committee deems appropriate to maintain and protect the rights and interests of Participants following such change of control.

Any such action approved by the Board of Directors shall be conclusive and binding on the Corporation and all Participants.

(b) For purposes of this Section, a Change of Control shall mean the

Edgar Filing: EVEREST RE GROUP LTD - Form DEF 14A

occurrence of any of the following:

(i) A tender offer or exchange offer whereby the effect of such offer is to take over and control the affairs of the Corporation, and such offer is consummated for the ownership of securities of the Corporation representing twenty-five percent (25%) or more of the combined voting power of the Corporation's then outstanding voting securities.

(ii) The Corporation is merged, amalgamated or consolidated with another corporation and, as a result of such merger or consolidation, less than seventy-five percent (75%) of the outstanding voting securities of the surviving or resulting corporation shall then be owned in the aggregate by the former shareholders of the Corporation, other than affiliates within the meaning of the Exchange Act or any party to such merger, amalgamation or consolidation.

(iii) The Corporation transfers substantially all of its assets to another corporation or entity that is not a wholly-owned subsidiary of the Corporation.

(iv) Any person (as such term is used in Sections 3(a)(9) and 13(d)(3) of the Exchange Act) is or becomes the beneficial owner, directly or indirectly, of securities of the Corporation representing twenty-five percent (25%) or more of the combined voting power of the Corporation's then outstanding securities, and the effect of such ownership is to take over and control the affairs of the Corporation.

(v) As the result of a tender offer, merger, amalgamation, consolidation, sale of assets, or contested election, or any combination of such transactions, the persons who were members of the Board of Directors of the Corporation immediately before the transaction, cease to constitute at least a majority thereof.

SECTION 11. GENERAL RESTRICTIONS

Delivery of shares of Stock or other amounts under the Plan shall be subject to the following:

(a) Notwithstanding any other provision of the Plan, the Corporation shall have no liability to deliver any shares of Stock under the Plan or make any other distribution of benefits under the Plan unless such delivery or distribution would comply with all applicable laws (including, without limitation, the requirements of the Securities Act of 1933), and the applicable requirements of any securities exchange or similar entity.

(b) To the extent that the Plan provides for issuance of stock certificates to reflect the issuance of shares of Stock, the issuance may be effected on a non-certificated basis, to the extent not prohibited by applicable law or the applicable rules of any stock exchange.

(c) Notwithstanding any other provision of the Plan, any Option granted to a person who is a "non-exempt" Employee under the Fair Labor Standards Act of 1938, as amended, shall have an Exercise Price of not less than 85% of the Fair Market Value of the Stock on the date of grant, and shall not be exercisable for at least six months after the date of grant (except that such Option shall become exercisable, as may be determined by the Board, upon the Participant's death, disability or retirement, or upon a Change of Control or other circumstances permitted by applicable regulations).

SECTION 12. UNFUNDED PLAN

Edgar Filing: EVEREST RE GROUP LTD - Form DEF 14A

The Plan shall be unfunded. Neither the Corporation, a Subsidiary, nor the Board of Directors shall be required to segregate any assets that may at any time be represented by Awards made pursuant to the Plan. Neither the Corporation, a Subsidiary, the Committee, nor the Board of Directors shall be deemed to be a trustee of any amounts to be paid under the Plan.

31

SECTION 13. LIMITS OF LIABILITY

(a) Any liability of the Corporation or a Subsidiary to any Participant with respect to an Award shall be based solely upon contractual obligations created by the Plan and the Award Agreement.

(b) Neither the Corporation nor a Subsidiary, nor any member of the Board of Directors or of the Committee, nor any other person participating in any determination of any question under the Plan, or in the interpretation, administration or application of the Plan, shall have any liability to any party for any action taken or not taken in good faith under the Plan except as may be expressly provided by statute.

SECTION 14. RIGHTS OF EMPLOYEES

(a) Status as an eligible Employee shall not be construed as a commitment that any Award will be made under this Plan to such eligible Employee or to eligible Employees generally.

(b) Nothing contained in this Plan or in any Award Agreement (or in any other documents related to this Plan or to any Award or Award Agreement) shall confer upon any Employee or Participant any right to continue in the employ or other service of the Corporation or a Subsidiary or constitute any contract or limit in any way the right of the Corporation or a Subsidiary to change such person's compensation or other benefits or to terminate the employment or other service of such person with or without cause.

SECTION 15. DURATION

The Board of Directors adopted the Plan subject to the approval of the shareholders of the Corporation at the Corporation's 2002 annual meeting of its shareholders on May 22, 2002. The date of such shareholder approval shall be the "Effective Date" of the Plan. The Plan shall remain in effect until all Awards under the Plan have been exercised or terminated under the terms of the Plan and applicable Award Agreements, provided that Awards under the Plan may only be granted within ten years from the Effective Date of the Plan.
