**Item 8.01. Other Events**

On April 16, 2007, Quest Diagnostics Incorporated (the "Company") announced that it has signed a definitive agreement to acquire AmeriPath, Inc. in an all cash transaction valued at approximately \$2 billion, including approximately \$770 million in debt at closing.

The transaction is expected to be completed during the second quarter of 2007 and is subject to the satisfaction of customary conditions, including regulatory clearance. The acquisition is expected to have minimal impact to the Company's 2007 earnings per share and be modestly accretive to 2008 earnings per share, before anticipated charges related to the transaction.

The Company intends to pay for the transaction, and to refinance AmeriPath's existing debt and the debt from the HemoCue acquisition completed earlier this year with the proceeds of a new \$1 billion one-year bridge loan and a new five-year \$1.5 billion term loan, both committed to be underwritten by Morgan Stanley. The bridge loan is expected to be refinanced shortly after the closing.
