INDEPENDENT AUDITOR'S REPORT

To the Clear Channel Outdoor, Inc. 401(k) Plan

We have audited the accompanying statements of net assets available for plan benefits of the Clear Channel Outdoor, Inc. 401(k) Plan (formerly Eller Media Company 401(k) Plan) as of December 31, 2001 and 2000, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2001. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for plan benefits of Clear Channel Outdoor, Inc. 401(k) Plan as of December 31, 2001 and 2000, and the changes in its net assets available for plan benefits for the year ended December 31, 2001, in conformity with accounting principles generally accepted in the United States of America.

Our audit of the Plan's financial statements as of and for the year ended December 31, 2001, was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets held for investment purposes as of December 31, 2001, is presented for the purpose of additional analysis and is not a part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income

Security Act of 1974. This supplemental information is the responsibility of the Plan's management. The supplemental information has been subjected to the auditing procedures applied in the audit of the basic financial statements as of and for the year ended December 31, 2001, and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole

CLEAR CHANNEL OUTDOOR, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2001 AND 2000

1. DESCRIPTION OF PLAN

The following description of the Clear Channel Outdoor, Inc. (the Company and Plan Sponsor) 401(k) Plan (the Plan), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General -- The Plan is a defined contribution plan generally covering all eligible employees of the Company who have one year of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974.

Effective January 1, 1998, the Plan froze employer and employee contributions and ceased new participant loans. Active participants were required to leave their assets in the Plan and allowed to contribute to a new account established under the participant's name in the Clear Channel Communications, Inc. 401(k) Savings Plan. All participants in the Plan became 100% vested in their account balance on the date the Plan was frozen. As of August 1, 1999, new participant loans under the Plan again became available.

Effective July 1, 2001, the Plan's name was changed from the Eller Media Company 401(k) Plan to the Clear Channel Outdoor, Inc. 401(k) Plan.

Contributions -- Effective January 1, 1998, the Plan froze new participation and employer and employee contributions. As a result, no contributions were made to the Plan for the year ended December 31, 2001.

Participants may reallocate their accounts among the investment options offered by the Plan. The Plan currently offers ten registered investment funds and one

sponsored stock fund from which participants may invest their funds.

Participant Accounts -- Each participant's account is credited with an allocation of the Plan earnings and charged with an allocation of administrative expenses. Allocations are based on account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting -- As of January 1, 1998, all participants of the Plan became 100% vested.

Participant Loans -- Participants may borrow \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at a fixed rate determined by the Plan Sponsor.

Payment of Benefits -- On termination of service due to death, disability or retirement, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account, or quarterly or annual installments over a period not to exceed the joint life expectancy of the participant and his or her spouse. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

Effective July 1, 2001, the Plan was amended so that the only form of benefit is a single lump sum distribution.

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

2. SUMMARY OF ACCOUNTING POLICIES

Investment Valuation and Income Recognition -- The Plan's investments are stated at fair value. The Plan's investments in the common stock are reported at fair value based on quoted market prices. Shares of mutual funds are valued at the net asset value of shares held by the Plan at December 31. Participant loans are valued at cost which approximates fair value.

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the \exp -dividend date.

Payments of Benefits -- Benefits are recorded when paid.

Use of Estimates -- The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

3. PLAN INTEREST IN CLEAR CHANNEL COMMUNICATIONS, INC. - MASTER TRUST

Effective July 1, 1999, the Plan transferred all investments to the Clear

Channel Communications, Inc. - Master Trust (Master Trust), which is held by Fidelity Management Trust Company (Trustee). The Master Trust was established for the investment of assets of the Plan and four other Clear Channel Communications, Inc., sponsored retirement plans. These investments in the Master Trust consist primarily of registered investment companies and Company sponsored stock.

The purpose of the Master Trust is the collective investment of the assets of participating employee benefit plans of Clear Channel Communications, Inc. The Master Trust's assets are allocated among participating plans by assigning to each plan those transactions (primarily contributions and benefit payments) which can be specifically identified and allocating among all plans (in proportion to the fair value of the assets assigned to each plan), the income and expenses resulting from the collective investment of the assets.

The proportionate interest of the Plan in the Master Trust at December 31, 2001 and 2000, was approximately 3.3% and 6.0%, respectively.
