PROXY STATEMENT

This Proxy Statement is furnished by and on behalf of the Board of Directors of Mohawk Industries, Inc. ("Mohawk" or the "Company") in connection with the solicitation of proxies for use at the annual meeting of stockholders of the Company to be held on Thursday, May 16, 2002, and at any and all adjournments or postponements thereof (the "Annual Meeting"). This Proxy Statement and the enclosed proxy card will be first mailed on or about March 29, 2002, to the stockholders of record of the Company (the "Stockholders") on March 22, 2002 (the "Record Date").

Proxies will be voted as specified by Stockholders. Unless contrary instructions are specified, if the enclosed proxy card is executed and returned (and not revoked) prior to the Annual Meeting, the shares of the common stock of the Company (the "Common Stock") represented thereby will be voted FOR election of the nominees listed in this Proxy Statement as directors of the Company and FOR the approval of the Mohawk Industries, Inc. 2002 Long-Term Incentive Plan (the "Incentive Plan"). A Stockholder's submission of a signed proxy will not affect his or her right to attend and to vote in person at the Annual Meeting. Stockholders who execute a proxy may revoke it at any time before it is voted by (i) filing a written revocation with the Secretary of the Company, (ii) executing a proxy bearing a later date or (iii) attending and voting in person at the Annual Meeting.

The presence of a majority of the outstanding shares of Common Stock entitled to vote at the Annual Meeting, present in person or by proxy, will constitute a quorum. Shares represented by proxies that are marked withhold authority or "abstain" will be counted as shares present for purposes of establishing a quorum. Shares represented by proxies, which include broker nonvotes, will also be counted as shares present for purposes of establishing a quorum. A broker nonvote occurs when a broker or nominee holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because the broker or nominee does not have discretionary voting power and has not received instructions from the beneficial owner. Once a quorum is established, the election of directors will require the affirmative vote of a plurality of the shares of Common Stock represented and entitled to vote in the election at the Annual Meeting and the approval of the Incentive Plan will require the affirmative vote of a majority of the votes cast by holders of the shares of Common Stock at the Annual Meeting. Neither withholding authority to vote with respect to one or more nominees nor a broker nonvote will have an effect on the outcome of the election of directors. Neither abstentions nor broker nonvotes will have an effect on the outcome of the Incentive Plan.

Pursuant to the Company's Restated Certificate of Incorporation (the "Certificate of Incorporation"), holders of Common Stock will be entitled to one vote for each share of Common Stock held. Pursuant to the provisions of the

Edgar Filing: MOHAWK INDUSTRIES INC - Form DEF 14A

Delaware General Corporation Law, March 22, 2002 has been fixed as the Record Date for determination of Stockholders entitled to notice of and to vote at the Annual Meeting, and, accordingly, only holders of Common Stock of record at the close of business on that day will be entitled to notice of and to vote at the Annual Meeting. On the Record Date, there were 67,054,254 shares of Common Stock issued and outstanding held by approximately 360 Stockholders.

THE BOARD OF DIRECTORS URGES YOU TO SIGN, DATE AND RETURN THE ENCLOSED PROXY CARD IN THE ENCLOSED POSTAGE-PREPAID ENVELOPE.

PROPOSAL 1 - ELECTION OF DIRECTORS

The Company's Certificate of Incorporation provides for the Board of Directors of the Company to consist of three classes of directors serving staggered terms of office. Upon the expiration of the term of office for a class of directors, the nominees for that class will be elected for a term of three years to serve until the election and qualification of their successors. The Class I directors, John F. Fiedler, Jeffrey S. Lorberbaum and Robert N. Pokelwaldt, have been nominated for re-election at the Annual Meeting. The Class II and Class III directors have one year and two years, respectively, remaining on their terms of office and will not be voted upon at the Annual Meeting.

The Company's Certificate of Incorporation provides that the Company shall have at least two and no more than eleven directors, with the Board of Directors to determine the exact number. In addition, the Certificate of Incorporation divides the Board of Directors into three classes, with each to consist, as nearly as possible, of one-third of the total number of directors constituting the entire Board of Directors. The Board of Directors has by resolution set the number of directors at nine.

It is the intention of the persons named as proxies to vote the proxies for Mr. Fiedler's, Mr. Lorberbaum's and Mr. Pokelwaldt's election as a Class I director of the Company, unless the Stockholders direct otherwise in their proxies. Each of Mr. Fiedler, Mr. Lorberbaum and Mr. Pokelwaldt has consented to continue to serve as a director of the Company if re-elected. In the unanticipated event that Mr. Fiedler, Mr. Lorberbaum or Mr. Pokelwaldt refuses or is unable to serve as a director, the persons named as proxies reserve full discretion to vote for such other person or persons as may be nominated. The Board of Directors has no reason to believe that Mr. Fiedler, Mr. Lorberbaum or Mr. Pokelwaldt will be unable or will decline to serve as a director.

The affirmative vote of a plurality of the shares represented and entitled to vote in the election at the Annual Meeting at which a quorum is present is required for the election of the nominees.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE
FOR THE ELECTION OF THE NOMINEES LISTED BELOW

Employees of the Company or its subsidiaries who are also directors do not receive any fee or remuneration for services as members of the Board of Directors or any Committee of the Board of Directors. The Company pays non-employee directors an annual retainer of \$20,000 and a fee of \$2,000 for each Board meeting and \$1,000 for each Committee meeting attended. In lieu of this retainer and fees, Mr. Kolb receives

an annual retainer of \$30,000 for his services as Chairman of the Board of Directors and a fee of \$3,000 for each Board meeting and \$2,000 for each Committee meeting attended. Committee Chairmen also receive an annual retainer of \$2,500. Pursuant to the Company's 1993 Stock Option Plan and the 1997 Long-Term Incentive Plan, directors who are not employees of the Company are initially granted a non-qualified stock option to purchase 11,250 shares of Common Stock as of the date they commence service as a director. On January 1 of each year, eligible directors who are directors on such date receive an option to purchase 2,250 shares of Common Stock. The exercise prices for all such option grants are based on a formula that with respect to initial grants relates to the closing sale price of the underlying Common Stock on the business day immediately preceding the date of grant and with respect to subsequent grants is the average of the closing sale prices of the underlying Common Stock on the last business day of each of the Company's four fiscal quarters during the preceding fiscal year. The Company reimburses all directors for expenses the directors incur in connection with attendance at meetings of the Board of Directors or Committees.

In December 1996, the Board of Directors adopted the Mohawk Industries, Inc. 1997 Non-Employee Director Stock Compensation Plan (the "Director Stock Compensation Plan") to promote the long-term growth of the Company by providing a vehicle for its non-employee directors to increase their proprietary interest in the Company and to attract and retain highly qualified and capable non-employee directors. Under the Director Stock Compensation Plan, non-employee directors may elect to receive their annual cash retainer fees (excluding any meeting fees) in shares of Common Stock of the Company, based on the fair market value of the Common Stock on the quarterly payment date. The maximum number of shares of Common Stock which may be granted under the plan is 37,500 shares, which shares may not be original issue shares. In 1997, the Director Stock Compensation Plan was amended by the Board of Directors to include an optional income deferral feature using a book entry (phantom stock) account that would fluctuate in value based on the performance of the Common Stock of the Company over the deferral period. The Board of Directors may suspend or terminate the Director Stock Compensation Plan at any time.

PROPOSAL 2: APPROVAL OF 2002 LONG-TERM INCENTIVE PLAN

On February 26, 2002, the Board of Directors adopted, subject to the approval of the Stockholders at the Annual Meeting, the Incentive Plan. The Incentive Plan will become effective as of the date it is approved by the Stockholders.

3,200,000 shares of Common Stock will be reserved for issuance upon the grant or exercise of awards pursuant to the Incentive Plan. As of March 22, 2002, there were approximately 1,760 employees, officers and directors eligible to participate in the Incentive Plan. We also maintain the Mohawk Industries, Inc. 1997 Long-Term Incentive Plan, the Mohawk Industries, Inc. 1993 Stock Option Plan, the Mohawk Industries, Inc. 1992 Mohawk-Horizon Stock Option Plan, the Mohawk Industries, Inc. 1992 Stock Option Plan and the Dal-Tile International Inc. 1990 Stock Option Plan, as amended and restated (also known as the Dal-Tile International Inc. 2000 Amended and Restated Stock Option Plan), under which stock options and restricted stock awards with respect to an aggregate of approximately 2,673,836 shares of Common Stock were outstanding as of March 22, 2002. If the Stockholders approve the Mohawk Industries, Inc. 2002 Long-Term Incentive Plan, we will not grant any additional awards under the prior existing plans.

A summary of the Incentive Plan is set forth below. The summary is qualified in its entirety by reference to the full text of the plan, which is attached to this proxy statement as Appendix A.

Summary of the Plan

Purpose. The purpose of the Incentive Plan is to promote the Company's success by linking the personal interests of employees, officers and directors to those of the Stockholders, and by providing participants with an incentive for outstanding performance.

Permissible Awards. The Incentive Plan authorizes the granting of awards to employees, officers and directors of the Company and its subsidiaries in any of the following forms: (i) options to purchase shares of Common Stock; (ii) restricted stock; (iii) performance awards payable in stock or cash; or (iv) other stock-based awards.

Edgar Filing: MOHAWK INDUSTRIES INC - Form DEF 14A

Limitations on Awards. No more than 10% of the shares authorized under the Incentive Plan may be granted as awards of restricted or unrestricted stock awards or performance shares. The maximum number of shares of Common Stock with respect to one or more options or other qualified performance-based awards that may be granted during any one calendar year under the Incentive Plan to any one person is 100,000. The maximum fair market value of any cash-based performance units that may be received by a participant (less any consideration paid by the participant for such award) during any one calendar year under the Incentive Plan is \$3,000,000.

Administration. The Incentive Plan is administered by the Compensation Committee of the Board of Directors. The Compensation Committee has the authority to designate participants; determine the type or types of awards to be granted to each participant and the number, terms and conditions thereof; establish, adopt or revise any rules and regulations as it may deem advisable to administer the Incentive Plan; and make all other decisions and determinations that may be required under the Incentive Plan. The Board of Directors may at any time administer the Incentive Plan. If it does so, it will have all the powers of the Compensation Committee.

Formula Grants to Non-Employee Directors. The Incentive Plan provides for the grant of non-qualified stock options to the Company's non-employee directors according to the parameters established in the Incentive Plan. The Compensation Committee cannot make discretionary grants to non-employee directors under the Incentive Plan.

Stock Options. The Compensation Committee is authorized to grant incentive stock options or non-qualified stock options under the Incentive Plan. The terms of an incentive stock option must meet the requirements of Section 422 of the Code. The exercise price of an option may not be less than the fair market value of the underlying stock on the date of grant and no option may have a term of more than 10 years. The Compensation Committee may grant options with a reload feature, which provides for the automatic grant of a new option for the number of shares that the optionee delivers as full or partial payment of the exercise price of the original option. Such new option must have an exercise price equal to the fair market value of the stock on the new grant date, would vest after six months and would have a term equal to the unexpired term of the original option.

-6-

Restricted Stock Awards. The Compensation Committee may make awards of restricted stock to participants, which will be subject to such restrictions on transferability and other restrictions as the Compensation Committee may impose (including, without limitation, limitations on the right to vote restricted stock or the right to receive dividends, if any, on the restricted stock).

Performance Awards. The Compensation Committee may grant performance awards that are designated in cash (performance units) or in shares of common stock (performance shares). The Compensation Committee will have the complete discretion to determine the number of performance awards granted to any participant and to set performance goals and other terms or conditions to payment of the performance awards in its discretion which, depending on the extent to which they are met, will determine the number and value of performance awards that will be paid to the participant.

Other Stock-Based Awards. The Compensation Committee may, subject to limitations under applicable law, grant to participants such other awards that are payable in, valued in whole or in part by reference to, or otherwise based on or related to shares of Common Stock as deemed by the Compensation Committee

Edgar Filing: MOHAWK INDUSTRIES INC - Form DEF 14A

to be consistent with the purposes of the Incentive Plan, including, without limitation, shares of Common Stock awarded purely as a bonus and not subject to any restrictions or conditions, convertible or exchangeable debt securities, other rights convertible or exchangeable into shares of Common Stock, and awards valued by reference to book value of shares of Common Stock or the value of securities of or the performance of specified parents or subsidiaries. The Compensation Committee will determine the terms and conditions of any such awards.

Performance Goals. The Compensation Committee may designate any award as a qualified performance-based award in order to make the award fully deductible without regard to the \$1,000,000 deduction limit imposed by Code Section 162(m). If an award is so designated, the Compensation Committee must establish objectively determinable performance goals for the award based on one or more of the following performance criteria, which may be expressed in terms of company-wide objectives or in terms of objectives that relate to the performance of an affiliate or a region, division, department or function within the Company or an affiliate:

- o return on equity,
- o return on assets,
- o stock price,
- o net income,
- o earnings per share,
- o EBITDA (earnings before interest, depreciation, taxes and amortization),
- o EBIT (earnings before interest and taxes),
- o cash flow,
- o net profit before tax,
- o gross profit,
- o operating profit,
- o changes in working capital, or
- o stockholder return.

The Compensation Committee must establish such goals prior to the beginning of the period for which such performance goal relates (or such later date as may be permitted under applicable tax regulations) and the Committee may not increase any award or, except in the case of certain qualified terminations of employment, waive the achievement of any specified goal. Any payment of an award granted with performance goals will be conditioned on the written certification of the Compensation Committee in each case that the performance goals and any other material conditions were satisfied.

Limitations on Transfer; Beneficiaries. No award will be assignable or transferable by a participant other than by will or the laws of descent and distribution or, except in the case of an incentive stock option, pursuant to a qualified domestic relations order; provided, however, that the Compensation Committee may (but need not) permit other transfers where the Compensation Committee concludes that such transferability does not result in accelerated taxation, does not cause any option intended to be an incentive stock option to fail to qualify as such, and is otherwise appropriate and desirable, taking into account any factors deemed relevant, including without limitation, any state or federal tax or securities laws or regulations applicable to transferable awards. A participant may, in the

-7-

manner determined by the Compensation Committee, designate a beneficiary to exercise the rights of the participant and to receive any distribution with respect to any award upon the participant's death.

Edgar Filing: MOHAWK INDUSTRIES INC - Form DEF 14A

Acceleration Upon Certain Events. Unless otherwise provided in an award certificate, in the event of a change in control of the Company (as defined in the Incentive Plan), all outstanding options will become fully vested and exercisable and all restrictions on outstanding awards will lapse. If a participant dies or his or her employment is terminated as a result of disability, all of such participant's outstanding options will become fully vested and exercisable and all restrictions on his or her outstanding awards will lapse. The Compensation Committee may in its discretion at any time accelerate the vesting of an award upon any other termination of service of a participant. The Compensation Committee may discriminate among participants or among awards in exercising its discretion.

Adjustments. In the event of a stock split, a dividend payable in shares of Common Stock, or a combination or consolidation of Common Stock into a lesser number of shares, the share authorization limits under the Incentive Plan will automatically be adjusted proportionately, and the shares then subject to each award will automatically be adjusted proportionately without any change in the aggregate purchase price for such award. If the Company is involved in another corporate transaction or event that affects Common Stock, such as an extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination or exchange of shares, the share authorization limits under the Incentive Plan will be adjusted proportionately, and the committee may adjust outstanding awards to preserve the benefits or potential benefits of the awards.

Termination and Amendment

The Board of Directors or the Compensation Committee may, at any time and from time to time, terminate or amend the Incentive Plan without Stockholder approval; but if an amendment to the Incentive Plan would, in the reasonable opinion of the Board of Directors or the Compensation Committee, materially increase the benefits accruing to participants, materially increase the number of shares of stock issuable under the Incentive Plan, or materially modify the requirements for eligibility, then such amendment will be subject to Stockholder approval. In addition, the Board of Directors or the Compensation Committee may condition any amendment on the approval of the Stockholders for any other reason, including necessity or advisability under tax, securities or other applicable laws, policies or regulations. No termination or amendment of the Incentive Plan may adversely affect any award previously granted under the Incentive Plan without the written consent of the participant. The committee may amend or terminate outstanding awards. However, such amendments may require the consent of the participant and, unless approved by the Stockholders or otherwise permitted by the antidilution provisions of the Incentive Plan, the exercise price of an outstanding option may not be reduced, directly or indirectly, and the original term of an option may not be extended.

Certain Federal Tax Effects

Nonqualified Stock Options. There will be no federal income tax consequences to the optionee or to the Company upon the grant of a nonqualified stock option under the Incentive Plan. When the optionee exercises a nonqualified option, however, he or she will realize ordinary income in an amount equal to the excess of the fair market value of the Common Stock received upon exercise of the option at the time of exercise over the exercise price, and the Company will be allowed a corresponding deduction. Any gain that the optionee realizes when he or she later sells or disposes of the option shares will be short-term or long-term capital gain, depending on how long the shares were held.

Incentive Stock Options. There typically will be no federal income tax consequences to the optionee or to the Company upon the grant or exercise of an incentive stock option. If the optionee holds the option shares for the required

holding period of at least two years after the date the option was granted or one year after exercise, the difference between the exercise price and the amount realized upon sale or disposition of the option shares will be long-term capital gain or loss, and the Company will not be entitled to a federal income tax deduction. If the optionee disposes of the option shares in a sale, exchange, or other disqualifying disposition before the required holding period ends, he or she will realize taxable ordinary income in an amount equal to the excess of the fair market value of the option shares at the time of exercise over the exercise price, and the Company will be allowed a federal income tax deduction equal to such amount. While the exercise of an incentive stock option does not result in current taxable income, the excess of the fair market value of the option shares at the time of exercise over the exercise price will be an item of adjustment for purposes of determining the optionee's alternative minimum taxable income.

-8-

Transfers of Options. The Compensation Committee may, but is not required to, permit the transfer of nonqualified stock options granted under the Incentive Plan. Based on current tax and securities regulations, such transfers, if permitted, are likely to be limited to gifts to members of the optionee's immediate family or certain entities controlled by the optionee or such family members. The following paragraphs summarize the likely income, estate, and gift tax consequences to the optionee, the Company, and any transferees, under present federal tax regulations, upon the transfer and exercise of such options.

Federal Income Tax. There will be no federal income tax consequences to the optionee, the Company, or the transferee upon the transfer of a nonqualified stock option. However, the optionee will recognize ordinary income when the transferee exercises the option, in an amount equal to the excess of the fair market value of the option shares upon the exercise of such option over the exercise price, and the Company will be allowed a corresponding deduction. The gain, if any, realized upon the transferee's subsequent sale or disposition of the option shares will constitute short-term or long-term capital gain to the transferee, depending on the transferee's holding period. The transferee's basis in the stock will be the fair market value of such stock at the time of exercise of the option.

Federal Estate and Gift Tax. If an optionee transfers a nonqualified stock option to a transferee during the optionee's life but before the option has become exercisable, the optionee will not be treated as having made a completed gift for federal gift tax purposes until the option becomes exercisable. However, if the optionee transfers a fully exercisable option during the optionee's life, he or she will be treated as having made a completed gift for federal gift tax purposes at the time of the transfer. If the optionee transfers an option to a transferee by reason of death, the option will be included in the decedent's gross estate for federal estate tax purposes. The value of such option for federal estate or gift tax purposes may be determined using a "Black-Scholes" or other appropriate option pricing methodology, in accordance with IRS requirements.

Restricted Stock. Unless a participant makes an election to accelerate recognition of the income to the date of grant as described below, the participant will not recognize income, and the Company will not be allowed a tax deduction, at the time a restricted stock award is granted. When the restrictions lapse, the participant will recognize ordinary income equal to the fair market value of the Common Stock as of that date (less any amount he paid for the stock), and the Company will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code ss.162(m). If the participant files an election under Code ss.83(b) within 30

Edgar Filing: MOHAWK INDUSTRIES INC - Form DEF 14A

days after the date of grant of the restricted stock, he or she will recognize ordinary income as of the date of grant equal to the fair market value of the stock as of that date (less any amount paid for the stock), and the Company will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code ss.162(m). Any future appreciation in the stock will be taxable to the participant at capital gains rates. However, if the stock is later forfeited, the participant will not be able to recover the tax previously paid pursuant to the Code ss.83(b) election.

Performance Awards. A participant generally will not recognize income, and the Company will not be allowed a tax deduction, at the time performance awards are granted, so long as the awards are subject to a substantial risk of forfeiture. When the participant receives or has the right to receive payment of cash or shares under the performance award, the cash amount of the fair market value of the shares of stock will be ordinary income to the participant, and the Company will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code ss.162(m).

Benefits to Named Executive Officers and Others

As of March 22, 2002, no awards had been granted under the Incentive Plan. There are currently six non-employee directors who would receive annual grants of 2,250 options under the Incentive Plan. Any new non-employee directors would receive a one-time grant of 11,250 options under the Incentive Plan. All other awards under the Incentive Plan will be made at the discretion of the Compensation Committee. Therefore, except for such formula grants to non-employee directors, it is not presently possible to determine the benefits or amounts that will be received by any individuals or groups pursuant to the Incentive Plan in the future.

AUDIT COMMITTEE

The Company has an Audit Committee of the Board of Directors composed of three directors who are independent as defined in sections 303.01(B)(2)(a) and (3) of the New York Stock Exchange listing standards.

Report of the Audit Committee of the Board of Directors of Mohawk Industries, Inc.

The Audit Committee members reviewed and discussed the audited financial statements for the year ended December 31, 2001 with management. The Audit Committee members also discussed the matters required to be discussed by Statement of Auditing Standards No. 61 with the Company's independent auditors, KPMG LLP ("KPMG"). The Audit Committee received the written disclosure letter from KPMG required by Independence Board Standard No. 1. In addition, the members of the Audit Committee considered whether the provision of services by KPMG for the year ended December 31, 2001 described below under "All Other Fees" was compatible with maintaining KPMG's independence. Based upon these reviews and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2001, filed with the Securities and Exchange Commission.

EXECUTIVE COMPENSATION AND OTHER INFORMATION

Decisions and recommendations regarding the compensation of the Company's executives are made by a three member Compensation Committee composed entirely of directors who have never served as officers or employees of the Company. Following is a report of the Compensation Committee concerning the Company's executive compensation policies for 2001.

Report of the Compensation Committee of the Board of Directors of Mohawk Industries, Inc.

Executive Compensation Philosophy. The Committee believes that a compensation program that enables the Company to attract and retain outstanding executives will assist the Company in meeting its long-range objectives, thereby serving the interest of the Company's stockholders. The compensation program of the Company is designed to achieve the following objectives:

1. Provide compensation opportunities that are competitive with those of companies of a similar size.
2. Create a strong link between the executive's compensation and the Company's annual and long-term financial performance.

-10-

3. Include above average elements of financial risk through performance-based incentive compensation which offers an opportunity for above average financial reward to the executives.

The Company's executive compensation program has three components: base salaries, annual incentives and long-term incentives.

Base Salaries. The Company's executive officers receive base salaries as compensation for the skills, knowledge and experience that they bring to their positions. Base salaries paid to the Company's executive officers are intended to be maintained at a competitive level with companies of a similar size. In

Edgar Filing: MOHAWK INDUSTRIES INC - Form DEF 14A

order to assess competitive rates, in 2001, the committee used compensation surveys produced by a nationally recognized compensation consulting firm of executives with similar job functions and responsibilities in public companies engaged in nondurable goods manufacturing in the same net sales range. The group of companies included in the surveys used was typically broader than the peer group used in the Performance Graph following this report because the competitive marketplace for executive talent has been viewed by the Committee as national in scope and not restricted to the carpet and textile industries. With respect to base salaries, the Committee has tried to achieve competitive rates by targeting the approximate midpoint of the range of base salaries for comparable positions. Within this overall policy, the Committee has preserved the flexibility to make exceptions where performance over several years dictates a higher base salary.

Annual Incentive Bonuses. Annual incentive bonuses under the executive incentive program are provided in addition to base salaries to create total annual compensation. Using the compensation surveys discussed above, the Committee has targeted the upper quartile of total annual compensation for similarly situated executives in companies of similar size. By placing a significant portion of an executive's annual pay "at risk," the Committee believes that compensation is more directly related to performance and will more closely link the financial interests of the executives and those of the stockholders. Given the Company's aggressive business objectives, the Committee believes this policy to be appropriate and fair for both the executives and the stockholders.

The 2001 Executive Incentive Program (the "Plan") was designed to provide incentive bonus opportunities for 29 key executives of the Company, including the executive officers named in the Summary Compensation Table. For those executives who were classified as Corporate Participants, including the Chief Executive Officer ("CEO") and the Chief Financial Officer, to be eligible for any bonus the total corporation must have attained in 2001 a threshold level of earnings per share ("EPS") established by the Committee. For those executives who were classified as Residential Business Participants, Karastan Business Participants, Commercial Business Participants, Home Products Participants or Hospitality Business Participants to be eligible for any bonus their business unit must have attained in 2001 a threshold level of EPS contribution established by the Committee. The factors considered in establishing the thresholds in the Plan were the previous year's EPS for the total corporation and EPS contribution by each business unit. If the threshold is attained, then the bonus calculation is based on the attainment of increasing levels of improvement of (i) 2001 EPS over 2000 EPS and (ii) 2001 Earnings After Capital Charge ("EAC") (after tax operating earnings less a cost of capital charge) over EAC targets established by the Committee using 2000 results as a base. The bonus calculation is weighted 75% to the EPS level attained and 25% to the EAC level attained. The bonus attainable at various levels in the Plan is calculated as a percentage of 2001 compensation payments excluding all bonus, deferred bonus and other non-salary amounts ("Base Compensation"). The percentages of Base Compensation for which individual participants become eligible at the various levels vary and were set for the CEO by the Committee and for the other executives by the CEO (subject to the approval of the Committee) in order to relate performance goals to a targeted level of total annual compensation.

A portion of each award ranging from 20% to 26% is paid as follows: one-half is paid in shares of the Common Stock purchased in the market and issued to the participant as restricted shares under the Mohawk Industries, Inc. 1997 Long-Term Incentive Plan and one-half is used to pay withholding tax on the award. One-half of the shares granted will be restricted for one year and the other half for two years. The number of restricted shares to be granted is calculated using the average monthly closing stock price of the Common Stock during 2001. The balance of the award is paid in cash to the participant in 2002.

Edgar Filing: MOHAWK INDUSTRIES INC - Form DEF 14A

The Committee has the authority to interpret the Plan, make changes therein or grant special bonuses for exceptional performance as it determines appropriate.

-11-

Long-Term Incentives. The Company provides long-term incentives to its executives through stock option programs designed to encourage executives to acquire and hold shares of Common Stock. The stock option plans are designed to retain executives and motivate them to improve the market value of the Common Stock over a number of years. The Committee believes that equity ownership by executives furthers the Committee's compensation policy objective of aligning long-term financial interests of executives with those of the stockholders. The Committee considers the amount and terms of options previously awarded to and held by executive officers in determining the size of option grants. In 2001, options were granted to all of the executive officers named in the Summary Compensation Table. These options all vest in 20% annual increments.

Other Compensation Plans. The Company maintains several broadly-based employee benefit plans in which the executive officers are permitted to participate on the same terms as other employees. These include the retirement savings plan (designed to qualify under section 401(k) of the Internal Revenue Code), a supplemental executive retirement plan which provides certain supplemental retirement and other benefits to a certain executive who has completed an aggregate of 60 months employment with the Company, and a nonqualified deferred compensation plan for highly compensated employees which permits deferral of income on a portion of the employee's compensation.

To the extent readily determinable and as one of the factors in its consideration of the various components of executive compensation, the Committee considers the anticipated tax treatment to the Company and to the executives of various payments and benefits. Some types of compensation payments and their deductibility (e.g., the spread on exercise of non-qualified options) depend upon the timing of an executive's vesting or exercise of previously granted rights. Further, interpretations of and changes in the tax laws and other factors beyond the Committee's control also affect the deductibility of compensation. For these and other reasons, the Committee will not necessarily and in all circumstances limit executive compensation to that deductible under Section 162(m) of the Internal Revenue Code. The Committee will consider various alternatives for preserving the deductibility of compensation payments and benefits to the extent reasonably practicable and to the extent consistent with its other compensation objectives.

Chief Executive Officer Compensation. In accordance with the compensation philosophy and process described above, the Committee set Mr. Lorberbaum's base salary for 2001 at \$575,000, which was below the midpoint for CEO's of similar sized companies in the surveys used by the Committee. Mr. Lorberbaum's total annual cash compensation is linked to the Company's performance by his participation in the 2001 Executive Incentive Program. Under the Plan, he would earn no bonus unless 2001 EPS exceeded the threshold level established in the Plan. In 2001, Mr. Lorberbaum earned a bonus equal to approximately 100% of his Base Compensation based upon an improvement in EPS for the total corporation of 18 percent over 2000 EPS and an improvement in EAC for the total corporation of 16 percent over 2000 EAC. This bonus will be paid in cash and restricted shares as described above. In 2001, Mr. Lorberbaum was awarded stock options to purchase 50,000 shares of Common Stock at fair market value on the dates of the grants. These options vest in 20% annual increments.

The Committee's objectives in setting Mr. Lorberbaum's compensation for

Edgar Filing: MOHAWK INDUSTRIES INC - Form DEF 14A

2001 were to be competitive with other companies in the carpet industry and with other public companies of a similar size and to provide Mr. Lorberbaum with appropriate incentives to achieve the Company's short-term and long-term objectives.

Total return values were calculated based on cumulative total return, assuming the value of the investment in the Company's Common Stock and in each index on December 31, 1996 was \$100 and that all dividends were reinvested. The Company is not included in the peer group because management believes that, by excluding the Company, investors will have a more accurate view of the Company's performance relative to certain other carpet and textile companies.

The Company has established a Retirement Savings Plan (the "Retirement Savings Plan"), which is a combination 401(k)/profit-sharing plan that provides for employee pre-tax contributions under Section 401(k) of the Internal Revenue Code, Company matching contributions, and, if profits are sufficient, a Company profit sharing contribution. The Company has also established the SERP, a non-qualified plan designed to supplement the benefits payable under the Retirement Savings Plan and certain other plans. The SERP provides such benefits to Mr. Swift.

Benefits under the SERP generally vest after the participant has sixty months of employment with the Company and generally can begin once the participant attains age 60. The retirement benefit payable at age 65 to Mr. Swift (and prior to reduction as described below) is 40% of Mr. Swift's average annual compensation (meaning salary, bonuses and certain pre-tax deferrals to Company benefit plans, but does not include reimbursements for tax payments in connection with stock option exercises) over the final sixty

-16-

(60) months prior to termination of employment. Benefits under the SERP are reduced if the participant begins to receive SERP benefits prior to age 65.

Benefits payable under the SERP as shown in the foregoing table are reduced by (i) one-half of the participant's Social Security benefits; (ii) certain other Company benefit plans; and (iii) the annuity benefit to the participant from a subsequent employer's pension plan. Upon retirement, the normal form of SERP benefit is a life annuity for the life of the participant, but the Board and the participant may approve payment in an alternate form. There are also certain death benefits and medical benefits that are payable under the SERP.

As of December 31, 2001, Mr. Swift had an average five-year compensation of \$458,728 and 17 years of creditable service. Messrs. Lorberbaum, Thornton, Polley and Kilbride do not participate in the SERP.

MOHAWK INDUSTRIES, INC. 2002 LONG-TERM INCENTIVE PLAN

ARTICLE 1 PURPOSE

1.1. GENERAL. The purpose of the Mohawk Industries, Inc. 2002 Long-Term

Incentive Plan (the "Plan") is to promote the success, and enhance the value, of Mohawk Industries, Inc. (the "Company"), by linking the personal interests of employees, officers and directors of the Company or any Affiliate (as defined below) to those of Company stockholders and by providing such persons with an incentive for outstanding performance. The Plan is further intended to provide

Edgar Filing: MOHAWK INDUSTRIES INC - Form DEF 14A

flexibility to the Company in its ability to motivate, attract, and retain the services of employees, officers and directors upon whose judgment, interest, and special effort the successful conduct of the Company's operation is largely dependent. Accordingly, the Plan permits the grant of incentive awards from time to time to selected employees, officers and directors of the Company or any Affiliate.

ARTICLE 2 DEFINITIONS

2.1. DEFINITIONS. When a word or phrase appears in the Plan with the

initial letter capitalized, and the word or phrase does not commence a sentence, the word or phrase shall generally be given the meaning ascribed to it in this Section 2.1 unless a clearly different meaning is required by the context. The following words and phrases shall have the following meanings:

becoming a director subsequent to the Effective Date whose election, or nomination for election by the Company's stockholders, was approved by a vote of at least a majority of the directors then comprising the Incumbent Board shall be considered as though such individual were a member of the Incumbent Board, but excluding, for this purpose, any such individual whose initial assumption of office occurs as a result of an actual or threatened election contest with respect to the election or removal of directors or other actual or threatened solicitation of proxies or consents by or on behalf of a Person other than the Board; or

(3) Consummation of a reorganization, merger or consolidation or sale or other disposition of all or substantially all of the assets of the Company (a "Business Combination"), in each case, unless,

following such Business Combination, (i) all or substantially all of the individuals and entities who were the beneficial owners of the Outstanding Company Voting Securities immediately prior to such Business Combination beneficially own, directly or indirectly, more than 50% of the combined voting power of the then outstanding voting securities entitled to vote generally in the election of directors of the corporation resulting from such Business Combination (including, without limitation, a corporation which as a result of such transaction owns the Company or all or substantially all of the Company's assets either directly or through one or more subsidiaries) in substantially the same proportions as their ownership, immediately prior to such Business Combination of the Outstanding Company Voting Securities, and (ii) no Person (excluding any corporation resulting from such Business Combination or any employee benefit plan (or related trust) of the Company or such corporation resulting from such Business Combination) beneficially owns, directly or indirectly, 25% or more of the combined voting power of the then outstanding voting securities of such corporation except to the extent that such ownership existed prior to the Business Combination, and (iii) at least a majority of the members of the board of directors of the corporation resulting from such Business Combination were members of the Incumbent Board at the time of

ARTICLE 3 EFFECTIVE DATE

3.1. EFFECTIVE DATE. The Plan shall be effective as of the date it is

approved by both the Board and the majority of the holders of the Stock of the Company.

ARTICLE 4 ADMINISTRATION

4.1. COMMITTEE. The Plan shall be administered by a committee (the

"Committee") appointed by the Board (which Committee shall consist of two or more directors) or, at the discretion of the Board from time to time, the Plan may be administered by the Board. It is intended that at least two of the directors appointed to serve on the Committee shall be "non-employee directors" (within the meaning of Rule 16b-3 under the 1934 Act) and "outside directors" (within the meaning of Code Section 162(m) and the regulations thereunder) and that any such members of the Committee who do not so qualify shall abstain from participating in any decision to make or administer Awards that are made to Eligible Participants who at the time of consideration for such Award are, or who are anticipated to be become, either (i) Covered Employees or (ii) persons subject to the short-swing profit rules of Section 16 of the 1934 Act. However, the mere fact that a Committee member shall fail to qualify under either of the foregoing requirements or shall fail to abstain from such action shall not invalidate any Award made by the Committee which Award is otherwise validly made under the Plan. The members of the Committee shall be appointed by, and may be changed at any time and from time to time in the discretion of, the Board. The Board may reserve to itself any or all of the authority and responsibility of the Committee under the Plan or may act as administrator of the Plan for any and all purposes. To the extent the Board has reserved any authority and responsibility or during any time that the Board is acting as administrator of the Plan, it shall have all the powers of the Committee hereunder, and any reference herein to the Committee (other than in this Section 4.1) shall include the Board. To the extent any action of the Board under the Plan conflicts with actions taken by the Committee, the actions of the Board shall control.

4.2. ACTIONS AND INTERPRETATIONS BY THE COMMITTEE. For purposes of

administering the Plan, the Committee may from time to time adopt rules, regulations, guidelines and procedures for carrying out the provisions and purposes of the Plan and make such other determinations, not inconsistent with the Plan, as the Committee may deem appropriate. The Committee's interpretation of the Plan, any Awards granted under the Plan, any Award Certificate and all decisions and determinations by the Committee with respect to the Plan are final, binding, and conclusive on all parties. Each member of the Committee is

Edgar Filing: MOHAWK INDUSTRIES INC - Form DEF 14A

entitled to, in good faith, rely or act upon any report or other information furnished to that member by any officer or other employee of the Company or any Affiliate, the Company's or an Affiliate's independent certified public accountants, Company counsel or any executive compensation consultant or other professional retained by the Company to assist in the administration of the Plan.

4.3. AUTHORITY OF COMMITTEE. Except as provided below, the Committee

has the exclusive power, authority and discretion to:

- (a) Grant Awards;
- (b) Designate Participants;
- (c) Determine the type or types of Awards to be granted to each Participant;
- (d) Determine the number of Awards to be granted and the number of Shares to which an Award will relate;
- (e) Determine the terms and conditions of any Award granted under the Plan, including but not limited to, the exercise price, grant price, or purchase price, any restrictions or limitations on the Award, any schedule for lapse of forfeiture restrictions or restrictions on the exercisability of an Award,

5

and accelerations or waivers thereof, based in each case on such considerations as the Committee in its sole discretion determines;

(f) Accelerate the vesting, exercisability or lapse of restrictions of any outstanding Award, in accordance with Article 11, based in each case on such considerations as the Committee in its sole discretion determines;

(g) Determine whether, to what extent, and under what circumstances an Award may be settled in, or the exercise price of an Award may be paid in, cash, Stock, other Awards, or other property, or an Award may be canceled, forfeited, or surrendered;

(h) Prescribe the form of each Award Certificate, which need not be identical for each Participant;

(i) Decide all other matters that must be determined in connection with an Award;

(j) Establish, adopt or revise any rules, regulations, guidelines or procedures as it may deem necessary or advisable to administer the Plan;

(k) Make all other decisions and determinations that may be required under the Plan or as the Committee deems necessary or advisable to administer the Plan;

(l) Amend the Plan or any Award Certificate as provided herein;
and

(m) Adopt such modifications, procedures, and subplans as may

Edgar Filing: MOHAWK INDUSTRIES INC - Form DEF 14A

be necessary or desirable to comply with provisions of the laws of non-U.S. jurisdictions in which the Company or any Affiliate may operate, in order to assure the viability of the benefits of Awards granted to participants located in such other jurisdictions and to meet the objectives of the Plan.

Notwithstanding the foregoing, grants of Awards to Non-Employee Directors hereunder shall be made only in accordance with the terms, conditions and parameters of Section 7.3.

To the extent permitted under Delaware law, the Board or the Committee may expressly delegate to any individual or group of individuals some or all of the Committee's authority under subsections (a) through (i) above, except that no delegation of its duties and responsibilities may be made to officers of the Company with respect to Awards to Eligible Participants who are, or who are anticipated to be become, either (i) Covered Employees or (ii) persons subject to the short-swing profit rules of Section 16 of the 1934 Act. The acts of such delegates shall be treated hereunder as acts of the Committee and such delegates shall report to the Committee regarding the delegated duties and responsibilities.

4.4. AWARD CERTIFICATES. Each Award shall be evidenced by an Award

Certificate. Each Award Certificate shall include such provisions, not inconsistent with the Plan, as may be specified by the Committee.

ARTICLE 5
SHARES SUBJECT TO THE PLAN

5.1. NUMBER OF SHARES. Subject to adjustment as provided in Section

12.1, the aggregate number of Shares reserved and available for Awards or which may be used to provide a basis of measurement for or to determine the value of an Award (such as with a Performance Award) shall be 3,200,000, of which not more than 10% may be granted as Awards of Restricted Stock, Performance Shares or unrestricted Stock.

5.2. LAPSED AWARDS. To the extent that an Award is canceled,

terminates, expires, is forfeited or lapses for any reason, any Shares subject to the Award will again be available for the grant of Awards under the Plan and Shares subject to Awards settled in cash will be available for the grant of Awards under the Plan.

5.3. STOCK DISTRIBUTED. Any Stock distributed pursuant to an Award

may consist, in whole or in

part, of authorized and unissued Stock, treasury Stock or Stock purchased on the open market.

5.4. LIMITATION ON AWARDS. Notwithstanding any provision in the Plan to

the contrary (but subject to adjustment as provided in Section 12.1), the maximum number of Shares with respect to one or more Options that may be granted during any one calendar year under the Plan to any one Participant shall not exceed 100,000; provided, however, that in connection with his initial

Edgar Filing: MOHAWK INDUSTRIES INC - Form DEF 14A

employment with the Company or an Affiliate, a Participant may be granted Options with respect to up to an additional 25,000 Shares, which shall not count against the foregoing annual limit. The maximum amount of Qualified Performance-Based Awards (other than Options) that may be granted to any Participant in any one-year period shall not exceed the following: (i) 100,000 Shares for all Qualified Performance-Based Awards that are Performance Shares; (ii) \$3,000,000 for all Qualified Performance-Based Awards that are Performance Units based upon a dollar amount (less any consideration paid by the Participant for such Award); and (iii) 100,000 Shares for all other Qualified Performance-Based Awards; provided, that the number of Shares set forth in clauses (i) and (iii) shall be subject to adjustment as provided in Section 12.1.

ARTICLE 6 ELIGIBILITY

6.1. GENERAL. Awards may be granted only to Eligible Participants;

except that Incentive Stock Options may not be granted to Eligible Participants who are not employees of the Company or a Parent or Subsidiary as defined in Section 424(e) and (f) of the Code.

ARTICLE 7 STOCK OPTIONS

7.1. GENERAL. The Committee is authorized to grant Options to

Participants on the following terms and conditions:

(a) EXERCISE PRICE. The exercise price per share of Stock

under an Option shall be determined by the Committee, provided that the exercise price for any Option shall not be less than the Fair Market Value as of the Grant Date.

(b) TIME AND CONDITIONS OF EXERCISE. The Committee shall

determine the time or times at which an Option may be exercised in whole or in part, subject to Section 7.1(d). The Committee shall also determine the performance or other conditions, if any, that must be satisfied before all or part of an Option may be exercised or vested. Subject to Section 11.9, the Committee may waive any exercise or vesting provisions at any time in whole or in part based upon factors as the Committee may determine in its sole discretion so that the Option becomes exercisable or vested at an earlier date. The Committee may permit an arrangement whereby receipt of Stock upon exercise of an Option is delayed until a specified future date.

(c) PAYMENT. The Committee shall determine the methods by

which the exercise price of an Option may be paid, the form of payment, including, without limitation, cash, Shares, or other property (including "cashless exercise" arrangements), and the methods by which Shares shall be delivered or deemed to be delivered to Participants; provided, however, that if Shares are used to pay the exercise price of an Option, such Shares must have been held by the Participant as fully vested shares for at least six months.

(d) EXERCISE TERM. In no event may any Option be exercisable for

more than ten years from the Grant Date.

Edgar Filing: MOHAWK INDUSTRIES INC - Form DEF 14A

(e) EFFECT OF RETIREMENT. Notwithstanding any other

provision in the Plan or any Participant's Award Certificate to the contrary, upon the Participant's Retirement, all of such Participant's outstanding Options shall continue to vest as if the Participant had not terminated service as an employee or director and will remain exercisable through the first anniversary of the final vesting date (or, if earlier, the expiration of the Option term); provided, however, that if the Participant competes with the Company after retirement by working for another floor covering manufacturer, as determined in the sole discretion of the

7

Committee, the Participant's options will cease to vest, any of his unvested Options will terminate immediately, and any of his vested Options will continue to be exercisable for a period of thirty (30) days from the date the Committee makes a determination that the Participant engaged in competitive activities. To the extent that the operation of this provision causes any Incentive Stock Option to fail to meet the requirements of Code Section 422, such Option shall be deemed to be a Non-Qualified Stock Option.

(f) ADDITIONAL OPTIONS UPON EXERCISE. The Committee may, in its

sole discretion, provide in an Award Certificate, or in an amendment thereto, for the automatic grant of a new Option to any Participant who delivers Shares as full or partial payment of the exercise price of the original Option. Any new Option granted in such a case (i) shall be for the same number of Shares as the Participant delivered in exercising the original Option, (ii) shall have an exercise price of 100% of the Fair Market Value of the surrendered Shares on the date of exercise of the original Option (the Grant Date for the new Option), (iii) shall vest six (6) months after the Grant Date of the new Option, and (iv) shall have a term equal to the unexpired term of the original Option.

7.2. INCENTIVE STOCK OPTIONS. The terms of any Incentive Stock

Options granted under the Plan must comply with the following additional rules:

(a) LAPSE OF OPTION. An Incentive Stock Option shall lapse

under the earliest of the following circumstances; provided, however, that the Committee may, prior to the lapse of the Incentive Stock Option under the circumstances described in subsections (3), (4), (5) and (6) below, provide in writing that the Option will extend until a later date, but if an Option is exercised after the dates specified in subsections (3) and (4) below, it will automatically become a Non-Qualified Stock Option:

(1) The expiration date set forth in the Award Certificate.

(2) The tenth anniversary of the Grant Date.

(3) Three months after termination of the Participant's Continuous Status as a Participant for any reason other than

Edgar Filing: MOHAWK INDUSTRIES INC - Form DEF 14A

the Participant's Disability, death or termination for Cause.

(4) One year after the termination of the Participant's Continuous Status as a Participant by reason of the Participant's Disability.

(5) One year after the Participant's death occurring during his Continuous Status as a Participant or during the three-month period described in subsection (3) above or the one-year period described in subsection (4) above and before the Option otherwise lapses.

(6) The date of the termination of the Participant's Continuous Status as a Participant if such termination is for Cause.

Unless the exercisability of the Incentive Stock Option is accelerated as provided in Article 11, if a Participant exercises an Option after termination of his Continuous Status as a Participant, the Option may be exercised only with respect to the Shares that were otherwise vested on the date of termination of his Continuous Status as a Participant.

(b) INDIVIDUAL DOLLAR LIMITATION. The aggregate Fair Market Value (determined as of the Grant Date) of all Shares with respect to which Incentive Stock Options are first exercisable by a Participant in any calendar year may not exceed \$100,000.00.

(c) TEN PERCENT OWNERS. No Incentive Stock Option shall be granted to any individual who, at the Grant Date, owns stock possessing more than ten percent of the total combined voting power of all classes of stock of the Company or any Parent or Subsidiary unless the exercise price per share of such Option is at least 110% of the Fair Market Value per Share at the Grant Date and the Option expires no later than five years after the Grant Date.

(d) EXPIRATION OF INCENTIVE STOCK OPTIONS. No Award of an Incentive Stock

Option may be made pursuant to the Plan after the day immediately prior tenth anniversary of the Effective Date.

(e) RIGHT TO EXERCISE. During a Participant's lifetime, an Incentive Stock Option may be exercised only by the Participant or, in the case of the Participant's Disability, by the Participant's guardian or legal representative.

(f) DIRECTORS. The Committee may not grant an Incentive Stock Option to a Non-Employee Director. The Committee may grant an Incentive Stock Option to a director who is also an employee of the Company or a Parent or Subsidiary but only in that individual's position as an employee and not as a director.

Edgar Filing: MOHAWK INDUSTRIES INC - Form DEF 14A

7.3. FORMULA GRANTS TO NON-EMPLOYEE DIRECTORS. Options shall be granted

to Non-Employee Directors under the Plan only in accordance with this Section 7.3; provided, however, that the other provisions of the Plan shall apply with respect to Director Options to the extent not inconsistent with the terms of this Section 7.3.

(a) INITIAL GRANT. Each person who becomes a Non-Employee

Director of the Company after the Effective Date shall be granted a Non-Qualified Stock Option as of the date he first commences service as a director to acquire 11,250 shares of Stock at an exercise price equal to the Fair Market Value per Share as of that date.

(b) ANNUAL GRANTS. Each Non-Employee Director shall also be

granted a Non-Qualified Stock Option on January 1 of each year, commencing January 1, 2003, to acquire 2,250 shares of Stock at an exercise price equal to the "Fair Market Value on a Quarterly Basis" of the Stock, provided such individual is a director of the Company on such January 1. For the purposes of this Section 7.3(b), the term "Fair Market Value on a Quarterly Basis" shall mean the average of the Fair Market Values per Share on the last business day of each of the Company's four fiscal quarters for the preceding fiscal year.

(c) VESTING. Subject to Section 7.1(e) and Article 11, each Director Option shall vest (become exercisable) in accordance with the following schedule:

Years of Service After Date of Grant -----	Percent of Option Shares Vested -----
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

(d) LAPSE OF DIRECTOR OPTION. A Director Option shall lapse under

the earliest of the following circumstances:

(1) The expiration date set forth in the Award Certificate.

(2) The tenth anniversary of the Grant Date.

(3) Three months after termination of the director's Continuous Status as a Participant for any reason other than the director's Retirement, Disability, death or termination for Cause.

(4) The date determined in accordance with Section 7.1(e) in the case of the termination of the director's Continuous Status as a Participant by reason of his Retirement.

(5) One year after the termination of the director's Continuous Status as a Participant by reason of his Disability.

Edgar Filing: MOHAWK INDUSTRIES INC - Form DEF 14A

(6) One year after the director's death occurring during his Continuous Status as a Participant or during the three-month period described in subsection (3) above or the one-year period described in subsection (5) above and before the Option otherwise lapses.

(7) The date of the termination of the director's Continuous Status as a Participant if such termination is for Cause.

Unless the exercisability of the Director Option is accelerated as provided in Article 11, if a director exercises a Director Option after termination of his Continuous Status as a Participant, the Director Option may be exercised only with respect to the Shares that were otherwise vested on the date of termination of his Continuous Status as a Participant.

ARTICLE 8 PERFORMANCE AWARDS

8.1. GRANT OF PERFORMANCE AWARDS. The Committee is authorized to grant

Performance Shares or Performance Units to Participants on such terms and conditions as may be selected by the Committee. The Committee shall have the complete discretion to determine the number of Performance Shares or Performance Units granted to each Participant, subject to Section 5.4, and to designate the provisions of such Performance Awards as provided in Section 4.3.

8.2. PERFORMANCE GOALS. The Committee may establish performance goals

for Performance Awards which may be based on any one or more of the Qualified Performance Criteria listed in Section 11.11(b) or any other criteria selected by the Committee. Such performance goals may be described in terms of Company-wide objectives or in terms of objectives that relate to the performance of an Affiliate or a region, division, department or function within the Company or an Affiliate. If the Committee determines that a change in the business, operations, corporate structure or capital structure of the Company or the manner in which the Company or an Affiliate conducts its business, or other events or circumstances render performance goals to be unsuitable, the Committee may modify such performance goals in whole or in part, as the Committee deems appropriate. If a Participant is promoted, demoted or transferred to a different business unit or function during a performance period, the Committee may determine that the performance goals or performance period are no longer appropriate and may (i) adjust, change or eliminate the performance goals or the applicable performance period as it deems appropriate to make such goals and period comparable to the initial goals and period, or (ii) make a cash payment to the participant in amount determined by the Committee. The foregoing two sentences shall not apply with respect to a Performance Award that is intended to be a Qualified Performance-Based Award.

8.3. RIGHT TO PAYMENT. The grant of a Performance Share to a

Participant will entitle the Participant to receive at a specified later time a specified number of Shares, or the equivalent cash value, if the performance goals established by the Committee are achieved and the other terms and conditions thereof are satisfied. The grant of a Performance Unit to a Participant will entitle the Participant to receive at a specified later time a specified dollar value in cash or property other than Shares, variable under conditions specified in the Award, if the performance goals in the Award are achieved and the other terms and conditions thereof are satisfied. The Committee shall set performance goals and other terms or conditions to payment of the Performance Awards in its discretion which, depending on the extent to which they are met, will determine the number and value of the Performance Award that

Edgar Filing: MOHAWK INDUSTRIES INC - Form DEF 14A

will be paid to the Participant.

8.4. OTHER TERMS. Performance Awards may be payable in cash, Stock, or

other property, and have such other terms and conditions as determined by the Committee and reflected in the Award Certificate. For purposes of determining the number of Shares to be used in payment of a Performance Award denominated in cash but payable in whole or in part in Shares or Restricted Stock, number of Shares to be so paid will be determined by dividing the cash value of the Award to be so paid by the Fair Market Value of a Share on the date of determination of the amount of the Award by the Committee, or, if the Committee so directs, the date immediately preceding the date the Award is paid.

10

ARTICLE 9 RESTRICTED STOCK AWARDS

9.1. GRANT OF RESTRICTED STOCK. The Committee is authorized to make

Awards of Restricted Stock to Participants in such amounts and subject to such terms and conditions as may be selected by the Committee.

9.2. ISSUANCE AND RESTRICTIONS. Restricted Stock shall be subject to

such restrictions on transferability and other restrictions as the Committee may impose (including, without limitation, limitations on the right to vote Restricted Stock or the right to receive dividends on the Restricted Stock). Except as otherwise provided in an Award Certificate, the Participant shall have all of the rights of a stockholder with respect to the Restricted Stock, including the right to vote and receive dividends. These restrictions may lapse separately or in combination at such times, under such circumstances, in such installments, upon the satisfaction of performance goals or otherwise, as the Committee determines at the time of the grant of the Award or thereafter.

9.3. FORFEITURE. Except as otherwise provided in Article 11 or

determined by the Committee at the time of the grant of the Award or thereafter, upon termination of Continuous Status as a Participant during the applicable restriction period or upon failure to satisfy a performance goal during the applicable restriction period, Restricted Stock that is at that time subject to restrictions shall be forfeited; provided, however, that the Committee may provide in any Award Certificate that restrictions or forfeiture conditions relating to Restricted Stock will be waived in whole or in part in the event of terminations resulting from specified causes, and the Committee may in other cases waive in whole or in part restrictions or forfeiture conditions relating to Restricted Stock.

9.4. CERTIFICATES FOR RESTRICTED STOCK. An Award of Restricted Stock

shall be evidenced by an Award Certificate setting forth the terms, conditions, and restrictions applicable to share of Restricted Stock. Shares of Restricted Stock shall be delivered to the Participant at the time of grant either by book-entry registration or by delivering to the Participant, or a custodian or escrow agent (including, without limitation, the Company or one or more of its employees) designated by the Committee, a stock certificate or certificates registered in the name of the Participant. If physical certificates representing shares of Restricted Stock are registered in the name of the Participant, such

Edgar Filing: MOHAWK INDUSTRIES INC - Form DEF 14A

certificates must bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Restricted Stock.

ARTICLE 10 STOCK OR OTHER STOCK-BASED AWARDS

10.1. GRANT OF STOCK OR OTHER STOCK-BASED AWARDS. The Committee is

authorized, subject to limitations under applicable law, to grant to Participants such other Awards that are payable in, valued in whole or in part by reference to, or otherwise based on or related to Shares, as deemed by the Committee to be consistent with the purposes of the Plan, including without limitation Shares awarded purely as a "bonus" and not subject to any restrictions or conditions, convertible or exchangeable debt securities, other rights convertible or exchangeable into Shares, and Awards valued by reference to book value of Shares or the value of securities of or the performance of specified Parents or Subsidiaries. The Committee shall determine the terms and conditions of such Awards.

ARTICLE 11 PROVISIONS APPLICABLE TO AWARDS

11.1. STAND-ALONE, TANDEM, AND SUBSTITUTE AWARDS. Awards granted under

the Plan may, in the discretion of the Committee, be granted either alone or in addition to, in tandem with, or in substitution for, any other Award granted under the Plan. If an Award is granted in substitution for another Award, the Committee may require the surrender of such other Award in consideration of the grant of the new Award. Awards granted in addition to or in tandem with other Awards may be granted either at the same time as or at a different time from the grant of such other Awards.

11

11.2. TERM OF AWARD. The term of each Award shall be for the period as

determined by the Committee, provided that in no event shall the term of any Option exceed a period of ten years from its Grant Date (or, if Section 7.2(c) applies, five years from its Grant Date).

11.3. FORM OF PAYMENT FOR AWARDS. Subject to the terms of the Plan and

any applicable law or Award Certificate, payments or transfers to be made by the Company or an Affiliate on the grant or exercise of an Award may be made in such form as the Committee determines at or after the Grant Date, including without limitation, cash, Stock, other Awards, or other property, or any combination, and may be made in a single payment or transfer, in installments, or on a deferred basis, in each case determined in accordance with rules adopted by, and at the discretion of, the Committee.

11.4. LIMITS ON TRANSFER. No right or interest of a Participant in any

unexercised or restricted Award may be pledged, encumbered, or hypothecated to or in favor of any party other than the Company or an Affiliate, or shall be subject to any lien, obligation, or liability of such Participant to any other party other than the Company or an Affiliate. No unexercised or restricted Award shall be assignable or transferable by a Participant other than to a beneficiary designated as provided in 11.5 or by will or the laws of descent and distribution or, except in the case of an Incentive Stock Option, pursuant to a domestic relations order that would satisfy Section 414(p)(1)(A) of the Code if

Edgar Filing: MOHAWK INDUSTRIES INC - Form DEF 14A

such Section applied to an Award under the Plan; provided, however, that the Committee may (but need not) permit other transfers where the Committee concludes that such transferability (i) does not result in accelerated taxation, (ii) does not cause any Option intended to be an Incentive Stock Option to fail to be described in Code Section 422(b), and (iii) is otherwise appropriate and desirable, taking into account any factors deemed relevant, including without limitation, state or federal tax or securities laws applicable to transferable Awards.

11.5. BENEFICIARIES. Notwithstanding Section 11.4, a Participant may, -----

in the manner determined by the Committee, designate a beneficiary to exercise the rights of the Participant and to receive any distribution with respect to any Award upon the Participant's death. A beneficiary, legal guardian, legal representative, or other person claiming any rights under the Plan is subject to all terms and conditions of the Plan and any Award Certificate applicable to the Participant, except to the extent the Plan and Award Certificate otherwise provide, and to any additional restrictions deemed necessary or appropriate by the Committee. If no beneficiary has been designated or survives the Participant, payment shall be made to the Participant's estate. Subject to the foregoing, a beneficiary designation may be changed or revoked by a Participant at any time provided the change or revocation is filed with the Committee.

11.6. STOCK CERTIFICATES. All Stock issuable under the Plan is subject -----

to any stop-transfer orders and other restrictions as the Committee deems necessary or advisable to comply with federal or state securities laws, rules and regulations and the rules of any national securities exchange or automated quotation system on which the Stock is listed, quoted, or traded. The Committee may place legends on any Stock certificate or issue instructions to the transfer agent to reference restrictions applicable to the Stock.

11.7 ACCELERATION UPON DEATH OR DISABILITY. Notwithstanding any other -----

provision in the Plan or any Participant's Award Certificate to the contrary, upon a Participant's death or Disability during his Continuous Status as a Participant, all of his outstanding Options and other Awards in the nature of rights that may be exercised shall become fully exercisable and all restrictions on his outstanding Awards shall lapse. Any Option shall thereafter continue or lapse in accordance with the other provisions of the Plan and the Award Certificate.

11.8. ACCELERATION UPON A CHANGE IN CONTROL. Except as otherwise -----

provided in the Award Certificate, upon the occurrence of a Change in Control, all outstanding Options and other Awards in the nature of rights that may be exercised shall become fully exercisable and all restrictions on outstanding Awards shall lapse.

11.9. ACCELERATION FOR OTHER REASONS. Regardless of whether an event -----

has occurred as described in Section 11.7 or 11.8 above, the Committee may in its sole discretion at any time determine that, upon the termination of employment or service of a Participant, all or a portion of such Participant's Options and other Awards in the nature of rights that may be exercised shall become fully or partially exercisable, and/or that all or a part of the restrictions on all or a portion of the Participant's outstanding Awards shall lapse, in each case, as of such date as the Committee may, in its sole discretion, declare. The Committee may discriminate among Participants and

among Awards granted to a Participant in exercising its discretion pursuant to this Section 11.9.

11.10. EFFECT OF ACCELERATION. If an Award is accelerated under Section 11.7, 11.8 or 11.9, the Committee may, in its sole discretion, provide (i) that the Award will expire after a designated period of time after such acceleration to the extent not then exercised, (ii) that the Award will be settled in cash rather than Stock, (iii) that the Award will be assumed by another party to a transaction giving rise to the acceleration or otherwise be equitably converted or substituted in connection with such transaction, (iv) that the Award may be settled by payment in cash or cash equivalents equal to the excess of the Fair Market Value of the underlying Stock, as of a specified date associated with the transaction, over the exercise price of the Award, or (v) any combination of the foregoing. The Committee's determination need not be uniform and may be different for different Participants whether or not such Participants are similarly situated. To the extent that such acceleration causes Incentive Stock Options to exceed the dollar limitation set forth in Section 7.2(b), the excess Options shall be deemed to be Non-Qualified Stock Options.

11.11. QUALIFIED PERFORMANCE-BASED AWARDS.

(a) OPTIONS. The provisions of the Plan are intended to

ensure that all Options granted hereunder to any Covered Employee qualify for the Section 162(m) Exemption.

(b) OTHER AWARDS; QUALIFIED PERFORMANCE CRITERIA. When

granting any Performance Award, Restricted Stock or Other Stock-Based Award other than Options, the Committee may designate such Award as a Qualified Performance-Based Award, based upon a determination that the recipient is or may be a Covered Employee with respect to such Award, and the Committee wishes such Award to qualify for the Section 162(m) Exemption. If an Award is so designated, the Committee shall establish performance goals for such Award within the time period prescribed by Section 162(m) of the Code based on one or more of the following Qualified Performance Criteria, which may be expressed in terms of Company-wide objectives or in terms of objectives that relate to the performance of an Affiliate or a region, division, department or function within the Company or an Affiliate: (1) return on equity, (2) return on assets, (3) return on capital, (4) stock price, (5) net income, (6) earnings per share, (7) EBITDA (earnings before interest, depreciation, taxes and amortization), (8) EBIT (earnings before interest and taxes), (9) earnings after capital charge, (10) cash flow, (11) net profit before tax, (12) gross profit, (13) operating profit, (14) changes in working capital, (15) stockholder return, (16) sales growth, or (17) cost reductions.

(c) ESTABLISHMENT OF PERFORMANCE GOALS. Each Qualified

Performance-Based Award (other than an Option) shall be earned, vested and payable (as applicable) only upon the achievement of performance goals established by the Committee based upon one or more of the Qualified Performance Criteria, together with the satisfaction of any other conditions, such as continued employment, as the Committee may determine to be appropriate; provided that (i) the Committee may

Edgar Filing: MOHAWK INDUSTRIES INC - Form DEF 14A

provide, either in connection with the grant thereof or by amendment thereafter, that achievement of such performance goals will be waived upon the Participant's death, Disability, Retirement or termination of employment without Cause, and (ii) the provisions of Sections 11.7 and 11.8 shall apply notwithstanding this sentence.

(d) CERTIFICATION OF PERFORMANCE. Any payment of a Qualified

Performance-Based Award granted with performance goals shall be conditioned on the written certification of the Committee in each case that the performance goals and any other material conditions were satisfied. Except as specifically provided in subsection (c), no Qualified Performance-Based Award may be amended, nor may the Committee exercise any discretionary authority it may otherwise have under the Plan with respect to a Qualified Performance-Based Award under the Plan, in any manner to waive the achievement of the applicable performance goal based on Qualified Performance Criteria or to increase the amount payable pursuant thereto or the value thereof, or otherwise in a manner that would cause the Qualified Performance-Based Award to cease to qualify for the Section 162(m) Exemption.

(e) SECTION 162(M) AWARD LIMITS. Section 5.4 sets forth the

maximum number of Shares or dollar value that may be granted in any one-year period to a Participant in designated forms of Qualified Performance-Based Awards.

13

11.12. DETERMINATION OF EMPLOYMENT STATUS. Whether military, government

or other service or other leave of absence shall constitute a termination of employment shall be determined in each case by the Committee at its discretion, and any determination by the Committee shall be final and conclusive. A Participant's Continuous Status as a Participant shall not be deemed to terminate (i) in a circumstance in which a Participant transfers from the Company to an Affiliate, transfers from an Affiliate to the Company, or transfers from one Affiliate to another Affiliate, or (ii) in the discretion of the Committee as specified at or prior to such occurrence, in the case of a spin-off, sale or disposition of the Participant's employer from the Company or any Affiliate. To the extent that this provision causes Incentive Stock Options to extend beyond three months from the date a Participant is deemed to be an employee of the Company, a Parent or Subsidiary for purposes of Sections 424(e) and 424(f) of the Code, the Options held by such Participant shall be deemed to be Non-Qualified Stock Options.

11.13. LOANS OR GUARANTEES. With the consent of the Committee, the

Company or an Affiliate may make, guarantee or arrange for a loan or loans to a Participant with respect to or allow a Participant to defer payment to the Company of all or any portion of (i) the exercise price of any Option granted under the Plan, (ii) the purchase price, if any, of any Award granted hereunder and/or (iii) the payment by the Participant of any or all federal and/or state income or employment taxes due on account of the granting or exercise of any Award hereunder. The Committee shall have full authority to decide whether to make a loan or guarantee or to permit a deferral hereunder and to determine the amount, terms and provisions of any such loan or guarantee, including the interest rate to be charged in respect of any such loan(s), whether the loan(s) are to be made with or without recourse against the borrower, the collateral or

Edgar Filing: MOHAWK INDUSTRIES INC - Form DEF 14A

other security, if any, securing the repayment of the loan(s), the terms on which the loan(s) are to be repaid and the conditions, if any, under which the loan(s) may be forgiven. If the Committee has made or arranged a loan or guarantee or deferred payment, the Committee may, in its discretion, require immediate payment of such deferred amount or immediate release of such loan or guarantee if the Participant's Continuous Status as a Participant terminates or if the Participant sells or otherwise transfers the Participant's Shares pursuant to such deferral, loan or guarantee.

ARTICLE 12 CHANGES IN CAPITAL STRUCTURE

12.1. GENERAL. In the event of a corporate event or transaction

involving the Company (including, without limitation, any stock dividend, stock split, extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination or exchange of shares), the authorization limits under Section 5.1 and 5.4 shall be adjusted proportionately, and the Committee may adjust Awards to preserve the benefits or potential benefits of the Awards. Action by the Committee may include: (i) adjustment of the number and kind of shares which may be delivered under the Plan; (ii) adjustment of the number and kind of shares subject to outstanding Awards; (iii) adjustment of the exercise price of outstanding Awards or the measure to be used to determine the amount of the benefit payable on an Award; and (iv) any other adjustments that the Committee determines to be equitable. In addition, the Committee may, in its sole discretion, provide (i) that Awards will be settled in cash rather than Stock, (ii) that Awards will become immediately vested and exercisable and will expire after a designated period of time to the extent not then exercised, (iii) that Awards will be assumed by another party to a transaction or otherwise be equitably converted or substituted in connection with such transaction, (iv) that outstanding Awards may be settled by payment in cash or cash equivalents equal to the excess of the Fair Market Value of the underlying Stock, as of a specified date associated with the transaction, over the exercise price of the Award, or (v) any combination of the foregoing. The Committee's determination need not be uniform and may be different for different Participants whether or not such Participants are similarly situated. Without limiting the foregoing, in the event of a subdivision of the outstanding Stock (stock-split), a declaration of a dividend payable in shares of Stock, or a combination or consolidation of the outstanding Stock into a lesser number of shares, the authorization limits under Section 5.1 and 5.4 shall automatically be adjusted proportionately, and the Shares then subject to each Award shall automatically be adjusted proportionately without any change in the aggregate purchase price therefor.

ARTICLE 13 AMENDMENT, MODIFICATION AND TERMINATION

13.1. AMENDMENT, MODIFICATION AND TERMINATION. The Board or the

Committee may, at any time and from time to time, amend, modify or terminate the Plan without stockholder approval; provided,

14

however, that that if an amendment to the Plan would, in the reasonable opinion of the Board or the Committee, either (i) materially increase the benefits accruing to Participants, (ii) materially increase the number of Shares issuable under the Plan, or (ii) materially modify the requirements for eligibility, then such amendment shall be subject to stockholder approval; and provided, further, that the Board or Committee may condition any amendment or modification on the

Edgar Filing: MOHAWK INDUSTRIES INC - Form DEF 14A

approval of stockholders of the Company if such approval is necessary or deemed advisable to (i) permit Awards made hereunder to be exempt from liability under Section 16(b) of the 1934 Act, (ii) to comply with the listing or other requirements of an Exchange, or (iii) to satisfy any other tax, securities or other applicable laws, policies or regulations.

13.2. AWARDS PREVIOUSLY GRANTED. At any time and from time to time,

the Committee may amend, modify or terminate any outstanding Award without approval of the Participant; provided, however:

(a) Subject to the terms of the applicable Award Certificate, such amendment, modification or termination shall not, without the Participant's consent, reduce or diminish the value of such Award determined as if the Award had been exercised, vested, cashed in (at the spread value in the case of Options) or otherwise settled on the date of such amendment or termination;

(b) The original term of any Option may not be extended without the prior approval of the stockholders of the Company;

(c) Except as otherwise provided in Article 12, the exercise price of any Option may not be reduced, directly or indirectly, without the prior approval of the stockholders of the Company; and

(d) No termination, amendment, or modification of the Plan shall adversely affect any Award previously granted under the Plan, without the written consent of the Participant affected thereby.

ARTICLE 14 GENERAL PROVISIONS

14.1. NO RIGHTS TO AWARDS; NON-UNIFORM DETERMINATIONS. No Participant

or any Eligible Participant shall have any claim to be granted any Award under the Plan. Neither the Company, its Affiliates nor the Committee is obligated to treat Participants or Eligible Participants uniformly, and determinations made under the Plan may be made by the Committee selectively among Eligible Participants who receive, or are eligible to receive, Awards (whether or not such Eligible Participants are similarly situated).

14.2. NO STOCKHOLDER RIGHTS. No Award gives a Participant any of

the rights of a stockholder of the Company unless and until Shares are in fact issued to such person in connection with such Award.

14.3. WITHHOLDING. The Company or any Affiliate shall have the

authority and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy federal, state, and local taxes (including the Participant's FICA obligation) required by law to be withheld with respect to any exercise, lapse of restriction or other taxable event arising as a result of the Plan. If Shares are surrendered to the Company to satisfy withholding obligations in excess of the minimum withholding obligation, such Shares must have been held by the Participant as fully vested shares for at least six months. With respect to withholding required upon any taxable event under the Plan, the Committee may, at the time the Award is granted or thereafter, require or permit that any such withholding requirement be satisfied, in whole or in part, by withholding from the Award Shares having a Fair Market Value on the date of withholding equal to the minimum amount (and not any greater amount) required to be withheld for tax purposes, all in

Edgar Filing: MOHAWK INDUSTRIES INC - Form DEF 14A

accordance with such procedures as the Committee establishes.

14.4. NO RIGHT TO CONTINUED SERVICE. Nothing in the Plan, any Award

Certificate or any other document or statement made with respect to the Plan, shall interfere with or limit in any way the right of the Company or any Affiliate to terminate any Participant's employment or status as an officer or director at any time, nor confer upon any Participant any right to continue as an employee, officer or director of the Company or any Affiliate, whether for the duration of a Participant's Award or otherwise.

14.5. UNFUNDED STATUS OF AWARDS. The Plan is intended to be an

"unfunded" plan for incentive and deferred compensation. With respect to any payments not yet made to a Participant pursuant to an

15

Award, nothing contained in the Plan or any Award Certificate shall give the Participant any rights that are greater than those of a general creditor of the Company or any Affiliate.

14.6. INDEMNIFICATION. To the extent allowable under applicable law,

each member of the Committee shall be indemnified and held harmless by the Company from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by such member in connection with or resulting from any claim, action, suit, or proceeding to which such member may be a party or in which he may be involved by reason of any action or failure to act under the Plan and against and from any and all amounts paid by such member in satisfaction of judgment in such action, suit, or proceeding against him provided he gives the Company an opportunity, at its own expense, to handle and defend the same before he undertakes to handle and defend it on his own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's Certificate of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

14.7. RELATIONSHIP TO OTHER BENEFITS. No payment under the Plan shall

be taken into account in determining any benefits under any pension, retirement, savings, profit sharing, group insurance, welfare or benefit plan of the Company or any Parent or Subsidiary unless provided otherwise in such other plan.

14.8. EXPENSES. The expenses of administering the Plan shall be borne

by the Company and its Affiliates.

14.9. TITLES AND HEADINGS. The titles and headings of the Sections in

the Plan are for convenience of reference only, and in the event of any conflict, the text of the Plan, rather than such titles or headings, shall control.

14.10. GENDER AND NUMBER. Except where otherwise indicated by the

context, any masculine term used herein also shall include the feminine; the plural shall include the singular and the singular shall include the plural.

Edgar Filing: MOHAWK INDUSTRIES INC - Form DEF 14A

14.11. FRACTIONAL SHARES. No fractional Shares shall be issued and

the Committee shall determine, in its discretion, whether cash shall be given in lieu of fractional shares or whether such fractional shares shall be eliminated by rounding up.

14.12. GOVERNMENT AND OTHER REGULATIONS.

(a) Notwithstanding any other provision of the Plan, no Participant who acquires Shares pursuant to the Plan may, during any period of time that such Participant is an affiliate of the Company (within the meaning of the rules and regulations of the Securities and Exchange Commission under the 1933 Act), sell such Shares, unless such offer and sale is made (i) pursuant to an effective registration statement under the 1933 Act, which is current and includes the Shares to be sold, or (ii) pursuant to an appropriate exemption from the registration requirement of the 1933 Act, such as that set forth in Rule 144 promulgated under the 1933 Act.

(b) Notwithstanding any other provision of the Plan, if at any time the Committee shall determine that the registration, listing or qualification of the Shares covered by an Award upon any Exchange or under any foreign, federal, state or local law or practice, or the consent or approval of any governmental regulatory body, is necessary or desirable as a condition of, or in connection with, the granting of such Award or the purchase or receipt of Shares thereunder, no Shares may be purchased, delivered or received pursuant to such Award unless and until such registration, listing, qualification, consent or approval shall have been effected or obtained free of any condition not acceptable to the Committee. Any Participant receiving or purchasing Shares pursuant to an Award shall make such representations and agreements and furnish such information as the Committee may request to assure compliance with the foregoing or any other applicable legal requirements. The Company shall not be required to issue or deliver any certificate or certificates for Shares under the Plan prior to the Committee's determination that all related requirements have been fulfilled. The Company shall in no event be obligated to register any securities pursuant to the 1933 Act or applicable state or foreign law or to take any other action in order to cause the issuance and delivery of such certificates to comply with any such law, regulation or requirement.

16

14.13. GOVERNING LAW. To the extent not governed by federal law, the

Plan and all Award Certificates shall be construed in accordance with and governed by the laws of the State of Delaware.

14.14. ADDITIONAL PROVISIONS. Each Award Certificate may contain

such other terms and conditions as the Committee may determine; provided that such other terms and conditions are not inconsistent with the provisions of the Plan.

14.15. NO LIMITATIONS ON RIGHTS OF COMPANY. The grant of any Award

shall not in any way affect the right to power of the Company to make adjustments, reclassification or changes in its capital or business structure or

Edgar Filing: MOHAWK INDUSTRIES INC - Form DEF 14A

to merge, consolidate, dissolve, liquidate, sell or transfer all or any part of its business or assets. The Plan shall not restrict the authority of the Company, for proper corporate purposes, to draft or assume Awards, other than under the Plan, to or with respect to any person. If the Committee so directs, the Company may issue or transfer Shares to an Affiliate, for such lawful consideration as the Committee may specify, upon the condition or understanding that the Affiliate will transfer such Shares to a Participant in accordance with the terms of an Award granted to such Participant and specified by the Committee pursuant to the provisions of the Plan.

The foregoing is hereby acknowledged as being the Mohawk Industries, Inc. 2002 Long-Term Incentive Plan as adopted by the Board on February 26, 2002.
