**ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT**

*Trust Preferred Offering*

Greenville First Bancshares, Inc. (the Company), a bank holding company for Greenville First Bank, N.A., established a new Delaware trust subsidiary, Greenville Statutory Trust II, which completed the sale of \$7,000,000 of trust preferred securities on December 22, 2005. Greenville Statutory Trust II issued the trust preferred securities at a rate equal to the three-month LIBOR rate plus 1.44%. The trust preferred securities mature in 30 years, and can be called without penalty on or after December 30, 2010. Greenville Statutory Trust II simultaneously issued 217 of the trust's common securities to the Company for a purchase price of \$217,000, which constitutes all of the issued and outstanding securities of the trust. Greenville Statutory Trust II used the proceeds from the sale of the trust preferred securities to purchase the Company's junior subordinated deferrable interest notes due 2035 (the Debenture). The net proceeds from the offering will be used by the Company for general corporate purposes. The forms of the Common Securities Certificate and the Preferred Securities Certificate are included as Exhibits B and C, respectively, in the Amended and Restated Declaration of Trust, attached hereto as Exhibit 10.3.

The Debenture was issued pursuant to a Junior Subordinated Indenture between the Company and Wilmington Trust Company dated December 22, 2005 (the Indenture), a copy of which is attached hereto as Exhibit 10.1. The terms of the Debenture are substantially the same as the terms of the trust preferred securities. The interest payments by the Company will be used by the trust to pay the quarterly distributions to the

holders of the trust preferred securities. The Indenture permits the Company to redeem the Debenture after December 30, 2010.

The terms of the trust preferred securities are governed by an Amended and Restated Declaration of Trust, dated December 22, 2005, between the Company, as Depositor, Wilmington Trust Company, as property trustee, Wilmington Trust Company, as Delaware trustee, and the Administrators named therein.

Pursuant to a Guarantee Agreement dated December 22, 2005, between the Company and Wilmington Trust Company, the Company has guaranteed the payment of distributions and payments on liquidation or redemption of the trust preferred securities. The obligations of the Company under the Guarantee Agreement, a copy of which is attached hereto as Exhibit 10.2, are subordinate to all of the Company's senior debt.

The offering the trust preferred securities was conducted pursuant to a Placement Agreement dated December 22, 2005 between the Company, Greenville Statutory Trust II, and J. P. Morgan Securities, Inc., attached hereto as Exhibit 10.4. The Company did not pay any fees or commissions to the placement agent.

### ITEM 1.02 TERMINATION OF A MATERIAL DEFINITIVE AGREEMENT

The Company has exercised its option to purchase its main office building from Halton Properties LLC, a company owned by director Mark Cothran for \$3.1 million. The purchase price was based on the formula set forth in the original lease agreement, which was executed in 1999 and had an initial term of 20 years. A copy of the lease was filed with the Form 10-KSB on March 29, 2000. Upon the closing of this transaction, which is scheduled for January 10, 2006, the original lease agreement will be terminated. The Company will continue to operate in this location until the third quarter of 2006, when it anticipates relocating the Haywood Road branch facility and its corporate office. The Company

plans to aggressively market either the leasing or the sale of the Haywood Road office building. No assurance can be given that the Company will be able to lease or sale the current building.

### ITEM 2.03 CREATION OF A DIRECT FINANCIAL OBLIGATION OR AN OBLIGATION UNDER AN OFF- BALANCE SHEET ARRANGEMENT OF A REGISTRANT

See Item 1.01

### ITEM 2.06 MATERIAL IMPAIRMENTS

On December 22, 2005, the Company concluded that a material charge was required in connection with the purchase of the building described under Item 1.02 above. The Company has recorded a \$1.5 million write-down on the valuation of the purchased building in accordance with FAS 121, impairment of long-lived assets. The \$1.5 million write-down is based on various assumptions related to the Company's ability to either sell or lease the building at various lease rates. The actual results of the Company's ability to either sell or lease the building could significantly differ from the assumption used in the impairment calculation.
