**Item 1.01 Entry into a Material Definitive Agreement.**

Employment Agreement

The Company's Compensation Committee approved a formal Employment Agreement (the "Agreement") with Mr. Moran, the Company's Chief Executive Officer and the Company entered into the Agreement with Mr. Moran as of May 1, 2006. The period of the Agreement runs from May 1, 2006 through April 30, 2008.

In recognition of Mr. Moran's responsibilities as the Company's Chief Executive Officer, and based on comparison to peer organizations with similar activities and risk profiles, the Company agreed to pay Mr. Moran a base salary of \$240,000 commencing May 1, 2006. On the one-year anniversary date of the Agreement, the Company shall increase the amount of compensation by three percent (3%) or an amount equal to the percentage increase in the Consumer Price Index over the preceding twelve (12) month period.

For each year the Agreement is in effect, the Company's Board of Directors shall determine the bonus amount for the most recently completed fiscal year by March 31 of the subsequent year. The bonus is performance based and the performance goals shall be as jointly agreed to by Mr. Moran and the Board. For the 2006 fiscal year, the target bonus is \$150,000. On the one-year anniversary date of the Agreement, the Company's Board of Directors shall increase the amount of compensation by three percent (3%) or an amount equal to the percentage increase in the Consumer Price Index over the preceding twelve (12) month period. The amount of Mr. Moran's compensation is competitive with that of other listed companies with similar activities and risk profiles so that the Company may continue to receive and enjoy the benefit of Mr. Moran's services.

In addition, Mr. Moran shall be provided with an automobile of his choice (comparable to the one currently provided to him by the Company) at the Company's expense. The Company shall pay for all maintenance, gas and insurance expenses incurred in connection with the automobile. Mr. Moran is also entitled to receive vacation in accordance with the Company's policy for its senior executives. He is also entitled to participate in the Company's employee benefits plan for its senior executives or employees to include the company's medical and 401(k) plans. In addition, Mr. Moran is entitled to reimbursement by the Company for all reasonable expenses incurred by him in connection with this employment. Reimbursable expenses include, but are not limited to, business travel and customer entertainment expenses.

The Company may terminate the Agreement for cause. Examples of "cause" include (i) willful and continued failure to perform contractual duties after the Company has communicated its demand for substantial performance; (ii) willfully engaging in misconduct which has a material adverse effect on the Company's reputation, operations, prospects or business relations; (iii) conviction for any felony or entry of a plea of "no contest" for a crime of moral turpitude; (iv) or breach of the terms and conditions of the Agreement. Notice of termination must be in writing and must state the reason for termination and Mr. Moran (with his attorney) shall have the opportunity to be heard by the Company's Board of Directors. In the event of termination for cause, Mr. Moran shall continue to receive his full salary through the date of termination. In the event of disability, Mr. Moran will continue to receive his full salary (less any sum payable under the Company's disability benefit plan) until his employment is terminated. Termination of employment due to the death or disability of the employee shall not constitute a breach of the Agreement.

It is qualified in its entirety by the text of the respective agreements and documents, copies of which are included herewith as Exhibits to this Current Report.
