Attachment B to Form 12b-25 for Bion Environmental Technologies, Inc.

Part IV, Item (3):

The Company expects to report a net loss for the three and six months ended December 31, 2002 of approximately \$1,139,000 and \$1,989,000, respectively. This compares to a net loss reported for the three and six months ended December 31, 2001 of \$2,551,771 and \$4,785,992, respectively. The reduced net loss is primarily a result of a reduction in non-cash interest charges compared to the prior year.
