As described in more detail herein, this document contains unaudited pro forma financial information as at, and for the year ended, December 31, 2006, which is based on the consolidated financial statements of ABN AMRO Holding N.V. after giving effect to the proposed sale of ABN AMRO North America Holding Company (“AANAHA”) which principally consists of the retail and commercial banking activities of LaSalle Bank Corporation (“LaSalle”) to Bank of America Corporation. ABN AMRO's North American Asset Management businesses and certain businesses within ABN AMRO's North American Global Markets and Global Clients operations are not included in the sale. The pro forma financial statements have been prepared on the basis of estimates and assumptions which are preliminary. The pro forma financial statements do not represent what the ABN AMRO Holding N.V.'s consolidated financial position or income statement would actually have been if the proposed transaction had in fact occurred or predict the ABN AMRO Holding N.V.'s financial position or income statement as of any future date or for any future period. Consequently, investors are cautioned not to place undue reliance on the pro forma financial statements. Furthermore, there can be no certainty that the proposed transaction will be completed in the manner described herein, if at all.

Introduction

On April 23, 2007 ABN AMRO Holding N.V. announced to sell off AANAHA to Bank of America Corporation for a consideration of approximately US\$ 21 billion. Prior to the completion of the sale, ABN AMRO Holding N.V. will convert into equity approximately US\$ 6 billion of loans.

The following unaudited pro forma condensed consolidated balance sheet as at December 31, 2006 and the unaudited pro forma condensed consolidated income statement for the years ended December 31, 2004, 2005 and 2006 and the notes thereto (together, the ‘pro forma financial statements’) are based on the consolidated financial statements of ABN AMRO Holding N.V. after giving effect to the proposed divestment using assumptions and adjustments described in the accompanying notes to the pro forma financial statements.

The financial statements of ABN AMRO Holding N.V. at December 31, 2006 are prepared in accordance with IFRS. A reconciliation to US GAAP of shareholders' equity and net profit from continuing operations is also provided.

For the purposes of the preparation of the pro forma financial statements:

- The pro forma condensed consolidated IFRS balance sheet of ABN AMRO Holding N.V. at December 31, 2006 presented to show the effect of the sale of AANAHA is based upon the respective consolidated IFRS balances sheets at December 31, 2006 of ABN AMRO Holding N.V. and AANAHA, and the resulting pro forma equity has been reconciled to US GAAP, as if the proposed disposal had occurred on December 31, 2006.
- The pro forma condensed consolidated IFRS income statement of ABN AMRO Holding N.V. for the years ended December 31, 2004, 2005 and 2006 presented to show the effect of the sale of AANAHA is based upon the respective consolidated IFRS income statements for the years ended December 31, 2004, 2005 and 2006 of ABN AMRO Holding N.V. and AANAHA, and the resulting pro forma income for the year ended December 31, 2006 has been reconciled to US GAAP, as if the proposed disposal had occurred on December 31, 2006.
