Attention: Mr. A. Martinez (Chairman of the
Supervisory Board) and Mr. R.W.J. Groenink
(Chairman of the Managing Board)

Dear Sirs

Merger Protocol Amendment Letter

We refer to the merger protocol that was made on 23 April 2007 between:

- (i) **ABN AMRO Holding N.V.**, a public limited liability company, duly incorporated and validly existing under the laws of The Netherlands, having its registered office at Gustav Mahlerlaan 10, 1082 PP Amsterdam, The Netherlands ("**ABN AMRO**"); and
- (ii) **Barclays PLC**, a public limited liability company, duly incorporated and validly existing under the laws of England, having its registered office at 1 Churchill Place, Canary Wharf, E14 5HP, London, United Kingdom ("**Barclays**")

in connection with an intended public offer for all outstanding shares in the capital of ABN AMRO (the "**Merger Protocol**"). We have made a revised proposal to you that you wish to be allowed to consider for a period of time before you respond to us without this triggering immediate consequences under the Merger Protocol. You have asked to be allowed to consider the revised proposal until after your Supervisory Board meeting on 27 July 2007. Neither of us wish to terminate the Merger Protocol at this stage and so the purpose of this letter is to accommodate the above arrangements and facilitate the announcement of our revised proposal to the markets by open of business on 23 July 2007. Unless the context provides otherwise, capitalised terms used herein shall have the meaning assigned thereto in the Merger Protocol.

Upon your countersignature of this letter agreement (the "**Amendment Letter**"), we hereby mutually agree to amend and supplement the Merger Protocol as follows:

1. Placement of Press Release

- 1.1 Before opening of trading on Eurolist by Euronext Amsterdam and the London Stock Exchange on 23 July 2007 the press releases attached hereto as **Annex A** (together, the "**Press Release**") will be issued by Barclays and the press release attached hereto as **Annex D** (the "**ABN AMRO Press Release**") will be issued by ABN AMRO.
-

1.2 In the Press Release, which has been notified to the Netherlands Authority for the Financial Markets (*Autoriteit Financiële Markten*) (the "**AFM**") and of which the AFM has, to the extent relevant, confirmed it has no further comments, Barclays announces a revision of the Offer on the terms set out in the Press Release and as reflected in this Amendment Letter (the "**Revised Offer**"). The AFM has also confirmed that it has no further comments to the ABN AMRO Press Release.

2. Amendment of the Merger Protocol

2.1 Certain provisions of the Merger Protocol will be amended as set out herein below:

2.1.1 Clause 1.2 of the Merger Protocol shall be amended to read as follows:

"1.2 Upon the terms of this Merger Protocol and subject to the Pre-Offer Conditions (as defined in Clause 5.1) and the Offer Conditions (as defined in Clause 6.1), Barclays shall be committed to offer:

(i) 2.13 Barclays Shares for each Ordinary Share (the "**Ordinary Share Exchange Ratio**") and an amount of EUR 13.15 in cash for each Ordinary Share (the "**Ordinary Share Cash Consideration**", and together with the Ordinary Share Exchange Ratio, the "**Ordinary Share Consideration**") and 0.5325 Barclays ADSs for each ABN AMRO ADS (the "**ADS Exchange Ratio**") and USD 18.18 in cash for each ABN AMRO ADS, (the "**ADS Cash Consideration**", and together with the ADS Exchange Ratio, the "**ADS Consideration**") in each case tendered pursuant to the Offer (Barclays Shares, including Barclays Shares represented by Barclays ADSs, to be offered pursuant to the Offer, the "**Consideration Shares**");

(ii) an amount to be determined by Barclays, consisting of cash or Barclays Securities for each DR Pref tendered pursuant to the Offer (the "**DR Pref Consideration**"); and

(iii) an amount, in cash equal to EUR 27.65 for each Convertible Share tendered pursuant to the Offer (the "**Convertible Share Consideration**");

provided that Barclays shall at any time be entitled, but, subject to Clause 1.3 and applicable law, under no obligation whatsoever, to increase or revise the consideration offered under any or all of the Ordinary Share Exchange Ratio, the Ordinary Share Cash Consideration, the DR Pref Consideration or the Convertible Share Consideration, provided any revision shall not constitute a decrease of any such consideration offered or a relative decrease in the cash element offered by the Ordinary Share Consideration.

In connection with the Offer, Barclays will only issue whole Consideration Shares and whole Barclays Securities (if any) forming part of the DR Pref Consideration.

In connection with the Offer Barclays will make available to holders of ABN AMRO Shares a mix and match facility pursuant to which holders may, subject to availability, elect to vary the proportions in which they receive New Barclays Shares and cash in respect of their holdings of ABN AMRO Shares on terms that are to be further specified in the Offer Memorandum."

2.1.2 Clause 6.5 of the Merger Protocol shall be amended to read as follows:

"Delivery of the tendered ABN AMRO Shares will take place against delivery of the Consideration Shares, Ordinary Share Cash Consideration, the ADS Cash Consideration, the Convertible Share Consideration, or the DR Pref Consideration, as the case may be, subject to the Offer having been declared unconditional (*gestand gedaan*). The Offer may be structured such that settlement of the Offer may take place in two stages, under which first delivery of the ABN AMRO Shares takes place against delivery of some other securities, which securities, upon delivery, are immediately as a second stage delivered against delivery of the Consideration Shares, Ordinary Share Cash Consideration, the ADS Cash Consideration, Convertible Share Consideration or the DR Pref Consideration, as the case may be. Settlement is expected to occur on the date which is the fifth Business Day after the Offer has been declared unconditional (*gestand gedaan*). The date on which Settlement will take place shall be the "**Settlement Date**". Delivery of ABN AMRO Shares tendered in any post-acceptance period (*na-aanmeldingstermijn*) will take place subject to the terms of any post-acceptance period, but no later than the fifth Business Day after the results of the post-acceptance period have been publicly announced."

2.1.3 The Offer Condition set out under 1.8 in **Schedule 2** (Offer Conditions) shall be amended to read in accordance with **Annex B** (Regulatory Clearances).

2.1.4 The following definitions shall be added to **Schedule 4** (Definitions):

" ADS Cash Consideration "	has the meaning ascribed thereto in Clause 1.2(i);
" ADS Consideration "	has the meaning ascribed thereto in Clause 1.2(i);
" Barclays Share Buy Back "	means the proposed programme to buy back Barclays Shares as described in the Press Release;
" Barclays Share Placement "	means the placement by Barclays of new Barclays ordinary shares with Chorus and Tango as referred to in the Press Release, including the Barclays Shares to be made available to

existing holders of Barclays Shares by way of claw back;

"Chorus" means China Development Bank;

"Ordinary Share Consideration" has the meaning ascribed thereto in Clause 1.2(i);

"Ordinary Share Cash Consideration" has the meaning ascribed thereto in Clause 1.2(i);

"Tango" means Temasek;

2.1.5 **Schedule 5** (Adjustments to Exchange Ratio) shall be amended to read in accordance with **Annex C** (Adjustments to Exchange Ratio).

2.1.6 All references in the Merger Protocol and this Amendment Letter to the Offer shall be deemed to be references to the Offer as revised by the Revised Offer.

3. Recommendation, Pre-Offer Condition and Offer Conditions

- 3.1 The Parties hereby agree that Barclays shall not hold ABN AMRO to any obligations under the Merger Protocol to include a recommendation by the ABN AMRO Boards in any press release, Offer Document, Registration Statement, Schedule TO, Prospectus or related communication to be published by Barclays that may be published on or before 30 July 2007, the next Business Day following a meeting of the ABN AMRO Supervisory Board that is scheduled to take place on 27 July. Should ABN AMRO serve notice on or before 30 July 2007 under Clause 12.2 of the Merger Protocol, Barclays shall not hold ABN AMRO to any obligations under the Merger Protocol to include a recommendation by the ABN AMRO Boards in any press release, Offer Document, Prospectus or related communication to be published by Barclays for the duration of the five Business Days after Barclays having received the notice provided for in Clause 12.2.
- 3.2 The statements contained in the ABN AMRO Press Release and any Public Statement regarding the Offer (but not concerning any Alternative Proposal) by ABN AMRO or any member of any ABN AMRO Board that is consequential to, and fully consistent with, the statements contained in the ABN AMRO Press Release ("**Consistent Public Statements**") and that is made during the period referred to in Clause 3.1 of this Amendment Letter shall not be deemed to be a breach of the Merger Protocol as amended and supplemented by this Amendment Letter.
- 3.3 The Parties agree that should the ABN AMRO Boards determine on or before 30 July 2007 that they intend to withdraw their recommendation of the Offer and recommend a Competing Offer, ABN AMRO may make a public announcement to that effect immediately after such determination and without the requirement to take into account the five Business Day notice period set out in Clause 12.2 (but taking into account the provisions of Clause 15.2 of the Merger Protocol). For the avoidance of doubt, Parties

confirm that in such case the other rights of Barclays pursuant to Clause 12, including the right to terminate the Merger Protocol in case the ABN AMRO Boards withdraw their recommendation and recommend a Competing Offer and the consequential rights under the Merger Protocol set out in Clause 19.6 of the Merger Protocol shall apply as if the five Business Day notice period and the corresponding steps set out in Clause 12.2 had been followed. Should the ABN AMRO Boards determine after 30 July 2007 that they intend to withdraw their recommendation of the Offer and recommend a Competing Offer, the procedures and consequential rights of Barclays pursuant to Clause 12.2 of the Merger Protocol shall apply in full.

3.4 The preceding provisions in Clause 3.1 through Clause 3.3 above do not amend any other contractual rights and obligations of Barclays or ABN AMRO under the Merger Protocol, including any other rights of Barclays under Clause 12 or any rights of Barclays under Clause 19, save that the right of Barclays to terminate the Merger Protocol pursuant to Clause 19.4 shall no longer be available to Barclays if and only to the extent that any member of the ABN AMRO Boards makes a Consistent Public Statement made in accordance with Clause 3.2 and during the period referred to in Clause 3.1 of this Amendment Letter.

3.5 A new Pre-Offer Condition shall be added in **Schedule 1** of the Merger Protocol, which shall read as follows:

"1.29 The ABN AMRO Boards having confirmed in writing, and having made an appropriate press release confirming, their unanimous recommendation of the Revised Offer consistent with the terms of the Merger Protocol on or before 30 July 2007 or such later date as may be determined by Barclays."

For purposes of Clause 5 of the Merger Protocol, this Pre-Offer Condition shall be for the sole benefit of Barclays.

3.6 A new Offer Condition shall be added in **Schedule 2** of the Merger Protocol, which shall read as follows:

"1.21 The obligation of the Offeror to declare the Offer unconditional shall be subject to the condition precedent that no Third Party declares or reaffirms that it makes or intends to make an offer or an amended offer for shares in ABN AMRO."

In case this Offer Condition is not fulfilled, the Offeror may change the consideration offered in the Offer, provided that the change shall not comprise a decrease of the consideration offered in the Offer compared to the consideration offered by the Offer just prior to the time such change is made. For so long as the Merger Protocol is not terminated, the Offeror agrees with ABN AMRO that it shall not invoke this Offer Condition without announcing a change to the consideration offered in the Offer, unless it has obtained the prior written agreement of ABN AMRO.

For purposes of Clause 6 of the Merger Protocol, this Offer Condition shall be for the sole benefit of Barclays.

4. **Supplemental Provisions**

- 4.1 ABN AMRO agrees that Barclays shall be permitted under the Merger Protocol as amended and supplemented by this Amendment Letter to carry out all actions in respect of the Revised Offer, the Barclays Share Placement, the Barclays Share Buy Back and their implementation, all as described in the Press Release. In addition, subject to its legal and statutory obligations, ABN AMRO agrees to carry out all actions, and procure that its group companies carry out all actions in relation to the payment of a EUR 12 billion dividend by ABN AMRO Holding following completion of the LaSalle Agreement or a Sale Contract, as contemplated by the Press Release, and obtaining any requisite regulatory clearances therefor. Immediately following execution of this Amendment Letter Barclays shall provide ABN AMRO with a copy of all executed agreements regarding the Barclays Share Placement and the Barclays Share Buy Back, including the strategic partnership agreement referred to in Appendix II of the Press Release. If and to the extent the position of ABN AMRO and ABN AMRO shareholders under the Merger Protocol is adversely affected by any of the agreements referred to in the preceding sentence in a manner that is not reasonably apparent from the Press Release, the Parties confirm that they will enter into discussions with a view to identifying and assessing any such issues and agreeing the appropriate way to resolve them.
- 4.2 It is recognised and accepted that each of Chorus and Tango shall have the right to nominate a non-executive director for appointment to the Barclays Board effective after consummation of the Offer. The Parties confirm that they will enter into discussions with a view to reaching agreement no later than 30 July 2007 as to the composition of the Barclays Board following consummation of the Offer, with due regard to such composition as originally envisaged by the Merger Protocol at the time it was entered into on 23 April 2007.
- 4.3 Both Parties note that, subject to waiver or satisfaction of the Pre-Offer Conditions, launch of the Revised Offer must be on or before a date set or to be set by the AFM, and agree to cooperate fully in accordance with the procedures laid down in the Merger Protocol to endeavour to meet such deadline, including making available in a timely fashion all relevant information that must be included in the Offer Document, Prospectus, the Class 1 Circular, the Registration Statement, Schedule TO and Schedule 14D-9.
- 4.4 The entering into of this Amendment Letter shall, other than as explicitly agreed in this Amendment Letter, not affect any accrued rights and obligations under the Merger Protocol prior to the entering into of this Amendment Letter.

5. **Governing law and disputes**

This Letter Agreement is governed by, and shall be construed in accordance with, the laws of The Netherlands. The provisions of Clause 22 (Governing Law And Disputes) of the Merger Protocol shall apply to this letter as if incorporated herein.

Please confirm that you agree to the provisions of this Amendment Letter by signing and dating where indicated below on a copy of this letter and returning it to us. This Amendment Letter may be executed in any number of counterparts, each of which when executed and delivered shall be an original but all counterparts together constitute one and the same instrument.

 - **Barclays first half earnings per share up 14 per cent.**
 - **Share buyback by Barclays of up to €3.6 billion (£2.4 billion)**

The Board of Directors of Barclays PLC (“Barclays”) today announces an investment by China Development Bank and Temasek Holdings of up to €13.4 billion (£9.0 billion) in Barclays through the subscription of new shares. Barclays also announces revised terms of its offer (“Revised Offer”) for ABN AMRO Holding N.V. (“ABN AMRO”). Barclays has submitted the Revised Offer to the Managing and Supervisory Boards of ABN AMRO for their consideration.

Investments by China Development Bank and Temasek

China Development Bank and Barclays today announce that they will broaden their relationship from strategic co-operation to a strategic partnership as a result of which China Development Bank will become a major shareholder and will subscribe an initial €2.2 billion (£1.5 billion) of Barclays new ordinary shares (or 3.1 per cent. of Barclays current issued share capital). Subject to regulatory approval and completion of the Revised Offer for ABN AMRO, China Development Bank will subscribe up to a further €7.6 billion (£5.1 billion) of Barclays ordinary shares, of which €1.8 billion (£1.2 billion) will be made available for clawback, outside of the United States, targeted to existing Barclays shareholders.

Temasek Holdings (Private) Limited ("Temasek") will become a major shareholder in Barclays through the subscription of €1.4 billion (£1.0 billion) of Barclays new ordinary shares (or 2.1 per cent. of Barclays current issued share capital). Temasek has further agreed to subscribe up to €2.2 billion (£1.5 billion) of Barclays ordinary shares conditional upon the completion of the Revised Offer for ABN AMRO, of which €0.7 billion (£0.5 billion) will be made available for clawback, outside of the United States, targeted to existing Barclays shareholders.

The Board and management of Barclays are pleased to build on the long-standing relationship with China Development Bank making it now a strategic partner and a strategic shareholder. Barclays also welcomes Temasek as a major shareholder. The management of Barclays believes there are substantial benefits for each of Barclays, China Development Bank and Temasek as a result of these arrangements. The unconditional investments by China Development Bank and Temasek are an important endorsement of the Barclays strategy and management team. The further investment, conditional upon the completion of the Revised Offer, underscores the confidence of China Development Bank and Temasek in the value potential of the combination with ABN AMRO.

Barclays Capital, acting as investment banking advisor to Barclays Group, introduced the strategic shareholders and advised on the structuring of the investments and the Revised Offer.

Revised Offer Terms

Barclays announces the terms of a Revised Offer to ABN AMRO ordinary shareholders. The Revised Offer per ABN AMRO ordinary share consists of:

- €13.15 in cash and
- 2.13 ordinary shares in Barclays ("New Barclays Shares")

The Revised Offer is worth €35.73 per ABN AMRO ordinary share based on the closing share price of Barclays on 20 July 2007. On this basis, the total consideration is currently valued at €67.5 billion (£45.4 billion), with approximately 37 per cent. in cash. ABN AMRO shareholders will retain a significant share of a strong and competitive combination for clients with superior products and extensive distribution. The merged group is expected to generate significant and sustained future incremental earnings growth for all shareholders.

The combination of ABN AMRO and Barclays will benefit from a diversified customer base and geographic mix. The proposed merger will create:

- A leading force in global retail and commercial banking, with world class products:
 - 47 million customers, approximately 90 per cent. of whom are in seven key markets
- One of the world's leading transaction banking platforms offering world class payment and trade finance solutions
 - A top five card issuer outside the US with approximately 27 million cards.
- A leading global investment bank in risk management and financing with an enhanced product offering across a broader geographical exposure
- The world's largest institutional asset manager, with enhanced retail distribution capabilities and complementary products ensuring delivery of world class products and services to a wider customer base
- The world's eighth largest wealth manager, with a leading European onshore franchise and attractive positions in growth markets.

The Revised Offer delivers the following additional benefits to ABN AMRO shareholders:

- Greater value: a €2.9 billion (£2.0 billion) increase in the value of the offer
 - Greater certainty: the cash element of the consideration is already committed at a fixed price.
- Greater flexibility: those ABN AMRO shareholders who wish to vary the proportion of cash or shares they receive under the Revised Offer will be given the opportunity to do so by way of a Mix and Match facility thus providing short term investors the opportunity of receiving more cash and long term investors with the opportunity to participate to a greater extent in the prospects of the combined entity.

The management of Barclays believe that the previously announced €3.5 billion pre-tax synergies estimate remains conservative. It is expected that these synergies will be delivered faster than originally anticipated with the result that the pre-tax synergy total will be at least €725 million in 2008 and €2,270 million in 2009 which compares to the estimates of €400 million and €2,080 million announced on 23 April 2007. These synergy estimates do not include any of the substantial benefits which are expected to be derived from the partnership with China Development Bank.

On the basis of the conservative synergy estimates and taking into account no benefits from the collaboration with China Development Bank, the Board of Barclays expects that the proposed merger will be 5 per cent. accretive to Barclays cash earnings per share in 2010 and that the return on investment will be approximately 13 per cent. in 2010. Assuming the clawback placing is taken up in full by existing Barclays ordinary shareholders, they will own 57 per cent. of the enlarged share capital after completion of the Revised Offer.

The Merger Protocol signed by Barclays and ABN AMRO on 23 April 2007 remains in place but has been amended in order to facilitate these arrangements and to allow ABN AMRO to consider the Revised Offer whilst preserving each party's rights.

The transaction documentation for the Revised Offer will need to be filed, and where appropriate, approved by the appropriate regulators and will be published to ABN AMRO and Barclays shareholders as soon as possible. The expected date of completion remains the same as for Barclays original offer.

Share Buyback

The total proceeds from issuance of Barclays shares to Temasek and China Development Bank on 14 August 2007 will amount to €3.6 billion (£2.4 billion) and this amount is unconditionally committed. Barclays intends to minimise the dilutive effect of the issuance on its existing shareholders by commencing a share buyback programme for up to €3.6 billion (£2.4 billion). The earliest date the buyback would start is shortly after publication of Barclays interim results on 2 August 2007 and the latest is after conclusion of its offer for ABN AMRO. Further details will be announced with publication of our interim results.

Current Trading

In the first half of 2007 Barclays continued to make substantial progress on its strategic priorities and delivered record financial results. Double digit profit and earnings growth built on the exceptionally strong performance of 2006.

Barclays profit before tax increased 12 per cent. to £4,101 million. Earnings per share increased 14 per cent. to 41.4p and the interim dividend will increase 10 per cent. to 11.5p per share.

The full Barclays Interim Results Announcement will be published on 2 August 2007. For more information, please refer to Appendix III

John Varley, CEO of Barclays, said:

"Today's announcement represents an important new step in the continued transformation of Barclays towards our stated ambition to be one of the world's leading universal banks. Through the introduction of two highly respected shareholders, from whom we will derive support and advice, we will be able to drive our future development in the rapidly growing Asian markets. We are delighted that China Development Bank and Temasek have chosen to invest in Barclays and this reflects their confidence in our growth strategy. We have announced a restructuring of our proposed offer for ABN AMRO that represents an improved deal for both Barclays and ABN AMRO shareholders and introduces a significant element of cash and a greater opportunity to share in future value generation"

Bob Diamond, President of Barclays, said:

"Barclays Capital and Barclays Global Investors have strong long-standing relationships with China Development Bank and Temasek and approached them in May about this opportunity. Cementing these valuable relationships through their investments in Barclays will dramatically accelerate the investment banking, cash management, trade finance, private wealth and asset management franchises of Barclays and of the combined Barclays and ABN AMRO group in the region. The agreement with China Development Bank provides Barclays with unprecedented access jointly to provide

financial services to the rapidly growing Chinese market and Chinese companies trading internationally. We are delighted at the opportunity of working together.”

Governor Chen of China Development Bank said:

“We are delighted to make this investment, building on the current successful historical co-operation we have with Barclays. This strategic and financial collaboration is the next step in the evolution of China Development Bank into a commercially operated financial institution. The investment in Barclays represents a unique and compelling financial opportunity. Furthermore, China Development Bank supports Barclays strategy of building a leading diversified full service bank and supports Barclays management in pursuit of its global strategy. China Development Bank strongly believes that this long term investment in Barclays will be financially attractive.”

Simon Israel, Executive Director of Temasek, said:

”Barclays is a very well-managed bank. We are very impressed with its board and management, specifically on their strategy, track record and focus on value creation for shareholders. We believe the Barclays board and management understand what it takes to make the merger with ABN AMRO work and deliver value.”

Financial Advisers

The Board of Barclays, which has received financial advice from Barclays Capital, Citi, Credit Suisse, Deutsche Bank, JPMorgan Cazenove and Lazard (collectively, the “Barclays Advisers”) considers that the terms of the Revised Offer are fair and reasonable. In providing their advice to the Board of Barclays, the Barclays Advisers have relied upon the Board’s commercial assessment of the Revised Offer.

China Development Bank has received financial advice from Blackstone Advisory and Blackstone Advisory has provided a fairness opinion to China Development Bank on the terms of its investment.

1. Investment by China Development Bank

China Development Bank will invest a total of up to €9.8 billion (£6.6 billion) in the combined group and has entered into a strategic partnership with Barclays which establishes a framework for their strategic co-operation. Barclays will assist and advise China Development Bank in its evolution into a commercially operated financial institution. The two parties will jointly exploit international business opportunities, including:

- cross-referral of clients, when the clients' needs can better be met by the other partner
- extensive training and talent management. China Development Bank will use Barclays global presence to identify and to recruit talent outside China, and will benefit from the provision of extensive training and the regular secondment of managers from Barclays
- collaboration in commodities products, where Barclays Capital is already established as one of the world's leading firms

In addition, China Development Bank will use Barclays Global Investors as one of its preferred asset managers. Both parties have agreed to co-operate where further opportunities to develop new markets and products in the region are identified. Barclays will provide expertise and advice in fields including risk management, corporate governance and IT strategy and procurement.

Barclays and China Development Bank have agreed that:

- China Development Bank will invest €2.2 billion (£1.5 billion) in Barclays through an unconditional subscription of 201 million new Barclays ordinary shares, or 3.1 per cent. of Barclays existing issued share capital, at a price of £7.20 per share on 14 August 2007.
- China Development Bank has agreed to invest up to a further €7.6 billion (£5.1 billion) in Barclays through a conditional investment agreement at a price of £7.40 per new ordinary share conditional on the merger with ABN AMRO completing.
- €1.8 billion (£1.2 billion) of the conditional investment will be available, outside the United States, targeted to existing Barclays shareholders through a clawback placing. If this clawback placing is taken up in full, China Development Bank's resulting shareholding in the combined group would be 6.3 per cent. and in the event that none of the clawback placing is taken up the resulting shareholding would be 7.7 per cent.
- Conditional upon the completion of the proposed merger, China Development Bank will subscribe for warrants in respect of 61 million new Barclays ordinary shares with an exercise price of £7.80 per share and an exercise period of two years. If the warrants were exercised, China Development Bank's shareholding in the combined group would rise by 0.5%
- China Development Bank will be entitled to nominate a non-executive Director to the Barclays Board.
- China Development Bank will be free to acquire additional shares in Barclays on the open market subject to a standstill agreement limiting its shareholding to below 10 per cent. for three years.

- China Development Bank has agreed not to enter into a business collaboration agreement of a similar nature with another major banking institution with global operations.

This partnership will provide Barclays unprecedented access jointly to deliver financial services to the rapidly growing Chinese market. Through Barclays Capital and Barclays Global Investors, Barclays has built leading franchises across Asia. The partnership with China Development Bank will strengthen Barclays already strong Asian franchise. Particular areas of focus for Barclays include near term opportunities in Wealth and Asset Management. The merger with ABN AMRO creates even greater opportunities both for China Development Bank and the combined group, particularly as ABN AMRO brings a world class trade finance and payments platform to service Chinese businesses and has an attractive retail and wholesale franchise both in China and in countries that represent important trade partners for China.

Through its investment in Barclays and strategic partnership, China Development Bank will enhance its ability to serve Chinese corporations and institutions. China Development Bank will gain access to Barclays extensive international franchise in order to facilitate international commerce for Chinese companies. The partnership will also give China Development Bank access to the leading product expertise that Barclays has developed in its universal banking model, such as in structured products, enabling China Development Bank to leverage these skills in its domestic market. China Development Bank will have opportunities to learn best practices from Barclays in terms of customer service, product development and corporate governance. This will improve China Development Bank's understanding of global financial services.

2. Investment by Temasek

Temasek has agreed to become a major shareholder in Barclays and will invest a total of up to €3.6 billion (£2.4 billion) in the combined group. The key terms of the Temasek investment are set out below.

- Temasek will invest €1.4 billion (£1.0 billion), or 2.1 per cent. of Barclays existing issued share capital, in Barclays through an unconditional placing of 135 million new Barclays ordinary shares at a price of £7.20 per share on 14 August 2007.
- Temasek will also invest up to a further €2.2 billion (£1.5 billion) in Barclays shares at a price of £7.40 per share conditional on the merger completing.
- €0.7 billion (£0.5 billion) of this subscription amount will be available through a clawback placing, outside the United States, targeted to existing Barclays shareholders. Assuming this clawback placing is taken up in full, Temasek's resulting shareholding in the combined group would be 2.4 per cent. and in the event that none of the clawback placing is taken up the resulting shareholding would be 2.9 per cent.
- Conditional upon completion of the proposed merger, Temasek will subscribe for warrants in respect of 61 million Barclays ordinary shares with an exercise price of £7.80 per share and an exercise period of two years. If the warrants were exercised, Temasek's shareholding would rise by 0.5%.
- Temasek will be entitled to nominate a non-executive Director to the Barclays Board if the merger becomes unconditional.

The investment by Temasek in Barclays is consistent with its strategy of creating successful partnerships through long-term investments. Temasek believes that, in addition to Barclays current growth prospects, the proposed merger with ABN AMRO will create value enhancing growth opportunities. Temasek will be able to bring its deep rooted knowledge and expertise in the Asian market to the Board of Barclays. Temasek is widely recognised as one of the world's most successful international equity investors. Temasek also has extensive experience investing in the financial services sector and currently owns significant investments in 14 banks.

3. Clawback Placing

Of the Barclays shares which China Development Bank and Temasek have conditionally agreed to acquire, up to 230 million shares are today being offered, by way of a clawback placing, targeted at certain Barclays shareholders outside of the United States (to be determined in Barclays sole discretion) at a price of £7.40 per share. To the extent that the clawback placing is not taken up, these shares will be subscribed by China Development Bank and Temasek. The shares subject to the clawback placing will only be issued following and conditional upon the Revised Offer being declared unconditional.

4. Terms of the Revised Offer

Under the terms of the Revised Offer, ABN AMRO ordinary shareholders will be entitled to receive:

- 2.13 New Barclays Shares and €13.15 in cash for every 1 ABN AMRO ordinary share
- 0.5325 New Barclays ADSs and \$18.19 in cash for every 1 ABN AMRO ADS

ABN AMRO ordinary shareholders and ABN AMRO ADS holders may elect under the terms of the Revised Offer, subject to availability, to vary the proportions in which they receive New Barclays Shares and cash in respect of their holdings of ABN AMRO ordinary shares. The total number of New Barclays Shares to be issued and the maximum aggregate amount of cash to be paid under the Revised Offer will not be varied as a result of elections under the Mix and Match Facility. Accordingly, satisfaction of elections made by ABN AMRO ordinary shareholders and ABN AMRO ADS holders under the Mix and Match Facility will depend on the extent to which other ABN AMRO ordinary shareholders and ABN AMRO ADS holders make offsetting elections. Satisfaction of elections under the Mix and Match Facility will be effected on the basis of £8.00 in cash for each New Barclays Share (and vice versa). To the extent that elections cannot be satisfied in full, they will be scaled down pro rata. As a result, ABN AMRO ordinary shareholders and ABN AMRO ADS holders who make an election under the Mix and Match Facility will not necessarily know the exact number of New Barclays Shares or the amount of cash they will receive until settlement of the consideration under the Revised Offer.

If ABN AMRO ordinary shareholders make no such election, they will receive €13.15 in cash and 2.13 New Barclays Shares in respect of each ordinary ABN AMRO share

tendered. If ABN AMRO ADS holders make no such election, they will receive \$18.19 in cash and 0.5325 New Barclays ADSs in respect of each ABN AMRO ADS tendered. Further details on the Mix and Match facility will be included in the Revised Offer documentation.

The record date for the Barclays interim dividend for the 2007 financial year is 17 August 2007, which will be before the closing date of the Revised Offer. Accordingly, assuming the merger is effective before the record date for the Barclays final dividend for 2007, which is expected to be in early March 2008, the first dividend payable to holders of the Barclays Ordinary Shares issued to ABN AMRO shareholders under the Revised Offer is likely to be the Barclays final dividend for 2007. ABN AMRO ordinary shareholders will be entitled to receive the ABN AMRO interim dividend for the 2007 financial year.

The total consideration payable under the Revised Offer equates to €67.5 billion (£45.4 billion) and the implied value per ABN AMRO ordinary share represents a price to 2006 reported earnings multiple of 14.3 times and a price to 2006 book multiple of 2.8 times.

Barclays intends to make an offer for all the depositary receipts which represent the ABN AMRO convertible financing preference shares. Barclays currently intends to offer holders cash and is also considering offering an alternative instrument which will potentially enable those holders who currently enjoy a participation exemption to continue to do so. The terms of the proposal for the formerly convertible preference shares remain unchanged at €27.65 per share in cash.

5. Financing of the Revised Offer

Barclays will finance the €24.8 billion (£16.7 billion) cash component of the Revised Offer from the following sources:

LASALLE SALE PROCEEDS

€12 billion (£8.1 billion) of capital released from the sale of LaSalle to Bank of America and previously intended to be returned to shareholders post closing of the transaction will be used to fund part of the cash consideration.

CHINA DEVELOPMENT BANK AND TEMASEK CONDITIONAL INVESTMENT

€9.8bn (£6.6 billion) of cash consideration is funded by the proposed investments of Temasek and China Development Bank. Of that amount, €2.5 billion (£1.7 billion) is subject to the clawback placing described above.

AVAILABLE CASH RESOURCES

Barclays will fund €3 billion (£2 billion) of the consideration from available cash resources.

6. Financial effects of the Revised Offer

Based on the terms of the Revised Offer ABN AMRO shareholders will benefit from significant accretion in cash earnings per share and dividend income on completion of the Revised Offer.

On the basis of the conservative synergy estimates and taking into account no benefits from the collaboration with China Development Bank, the Board of Barclays expect that the proposed merger will be 5 per cent. accretive to Barclays cash earnings per share in 2010 and that the return on investment will be approximately 13 per cent. in 2010.

Under the terms of the Revised Offer, assuming full take-up of the clawback placing by existing Barclays ordinary shareholders, they will own approximately 57 per cent. of the issued ordinary share capital of the combined group, compared with 52 per cent. under the terms of the offer announced on 23 April 2007; existing ABN AMRO ordinary shareholders would own approximately 35 per cent. In addition, Temasek would own 2 per cent. and China Development Bank 6 per cent. These figures assume all of the ABN AMRO ordinary shares and ADSs currently in issue are tendered under the Revised Offer and are all taken up in the clawback placing.

The pro forma Tier 1 ratio of the combined group will be 7.5 per cent. on closing and the Core Equity Tier 1 ratio 5 per cent.. The combined group will seek to maintain the Tier 1 ratio at 7.5 per cent. and rebuild the Core Equity Tier 1 ratio to 5.25 per cent. by the end of 2009 from the retention of cash flow from earnings.

The €3.6 billion (£2.4 billion) proceeds of the unconditional investments by China Development Bank and Temasek will be used to fund the share buyback.

7. Conditions and Indicative Timetable

The launch of the Revised Offer is conditional on the same pre-conditions as set out in our announcement of 23 April with the addition of a further pre-condition requiring ABN AMRO to confirm to us that they will continue their recommendation no later than 30 July or such later date as Barclays may agree. This additional condition is for the sole benefit of Barclays. Barclays reserves the right to extend the date for satisfaction of this pre-condition or waive the pre-condition in the event that it is not satisfied.

As announced on 19 July, the AFM has agreed that an announcement on the formal offer documentation being available can be made on or before 6 August 2007.

The conditions to the Revised Offer remain consistent with those detailed in our announcement of 23 April 2007 with limited additions regarding regulatory consents to the investments by Temasek and China Development Bank and a consent from De Nederlandsche Bank (“DNB”) relating to a dividend by ABN AMRO to Barclays of the LaSalle proceeds to finance part of the cash component of the Revised Offer and provisions to deal with the competitive situation which has now developed.

Barclays has made all of the relevant regulatory filings globally which are now due where a consent or notification is required in respect of the Revised Offer. Some approvals have already been received (including from the FSA in respect of a change in control of ABN AMRO's UK subsidiaries) and it is expected that substantially all remaining approvals will be received by the end of August.

The DNB is currently assessing Barclays application for a declaration of no objection ("DNO") in connection with the Revised Offer. Barclays made the application to the DNB on 14 May 2007, is co-operating fully in this process and expects to receive the DNO by mid-August.

Until all approvals have been received, Barclays and ABN AMRO will continue to communicate and to work with the appropriate regulatory authorities to ensure that all approvals are received in good time for the anticipated closing.

Barclays has made pre-completion competition/antitrust filings in all 12 applicable jurisdictions and has currently received the majority of the pre-completion approvals

ABN AMRO and Barclays will seek to obtain all necessary regulatory and competition approvals and clearances and will complete all requisite employee consultation and information processes as soon as reasonably possible with a view to receiving the required regulatory, competition and other consents or approvals for the Revised Offer. Following consultation on the proposed merger with Barclays and ABN AMRO, ABN AMRO's Dutch Central Works Council and its European Staff Council have issued a positive advice and an opinion respectively in relation to the proposed merger on 20 July 2007.

Indicative timetable

August 2007	Publication of Revised Offer documentation, Prospectus and Barclays circular to shareholders
September 2007	Extraordinary General Meeting of Barclays shareholders to approve the Revised Offer
End September 2007	Closing date of the Revised Offer

The indicative timetable is included for illustrative purposes only and may be subject to change.

APPENDIX II

Details of Subscription Arrangements with Temasek and China Development Bank and the Clawback Placing

China Development Bank

Barclays and China Development Bank have today entered into two agreements in relation to China Development Bank's proposed investments in Barclays, in addition to the warrants and the strategic partnership agreement.

Under the China Development Bank Subscription Agreement, China Development Bank has agreed to subscribe for 201 million new Barclays ordinary shares on 14 August 2007 at a price of £7.20 per share. This subscription is not conditional on the outcome of the Revised Offer for ABN AMRO.

Pursuant to the Conditional Investment Agreement (the "CIA"), China Development Bank will pay to Barclays on behalf of accepting ABN AMRO ordinary shareholders a portion of the cash consideration due to them under the Revised Offer, and in consideration thereof Barclays will allot and issue new Barclays ordinary shares to China Development Bank on the basis of a price of £7.40 per share. The cash payments to accepting ABN AMRO ordinary shareholders will be distributed on the settlement date(s) by Barclays together with the balance of the cash consideration and the share consideration due to them. These arrangements are part of, and are therefore conditional upon, the Revised Offer. The maximum number of new Barclays ordinary shares which China Development Bank could acquire pursuant to these arrangements is 693 million, although 166 million of these shares are subject to a clawback placing.

Shortly following the Revised Offer being declared unconditional, China Development Bank will subscribe for a maximum of 693 million new Barclays ordinary shares, less any shares taken up under the clawback placing; in the unlikely event that such number of shares would breach any regulatory approval threshold in any jurisdiction where clearance had not been obtained, the number of shares acquired by China Development Bank under these arrangements would be reduced to the maximum number which would avoid breaching such threshold. In those circumstances, shortly before any subsequent settlement date(s) during or following any post acceptance period, China Development Bank would subscribe for additional new Barclays ordinary shares to take it to the lower of the desired number of 693 million shares or such number of shares which would allow China Development Bank to remain just below any relevant regulatory threshold on the basis of the further enlarged Barclays share capital at that time.

China Development Bank will at the same time as subscribing for these new Barclays ordinary shares make the cash payments described above in part settlement of the cash consideration due to them from Barclays. The maximum aggregate amount which may be paid by China Development Bank pursuant to these arrangements will be the product of £7.40 and the number of new Barclays ordinary shares subscribed by China Development Bank under the CIA.

The consideration for the allotment of the new Barclays ordinary shares to China Development Bank under the CIA shall be the transfer to Barclays by tendering ABN

AMRO ordinary shareholders of the appropriate portion of their shares, and the agreement by China Development Bank (or relevant placees under the clawback placing arrangements described below) to make the cash payments as described above.

Temasek

Under the Temasek Subscription Agreement, Temasek has agreed to subscribe for 135 million New Barclays ordinary shares on 14 August 2007 at a price of £7.20 per share. This subscription is not conditional on the outcome of the Revised Offer for ABN AMRO.

Subject to and shortly following the Revised Offer being declared unconditional, Temasek will subscribe for a further 196 million New Barclays ordinary shares at a price of £7.40 per share. Of these shares, 64 million are subject to a clawback placing.

The Temasek subscriptions are to be effected by way of a cashbox placing.

Clawback Placing

Of the Barclays shares which China Development Bank and Temasek have conditionally agreed to subscribe, up to 230 million shares (having an aggregate subscription price of up to £1.7 billion) are to be made available, by way of a clawback placing, targeted at existing Barclays shareholders outside of the United States (determined in Barclays sole discretion) at a price of £7.40 per share. 166 million of such shares are from China Development Bank's conditional allocation and 64 million from Temasek's conditional allocation.

In the event that not all of the clawback placing shares are taken up, those that are will be deemed to come out of the conditional allocations of China Development Bank and Temasek in a ratio of 2.579 to 1, and the balance will revert to China Development Bank and Temasek to be subscribed under the conditional arrangements described above.

The shares offered by way of the clawback placing will only be issued following, and conditional upon, the Revised Offer being declared unconditional.

This announcement does not constitute an offer to sell or issue or the solicitation of an offer to buy or acquire Barclays shares to be issued in the clawback placing in the United States, Canada, Australia or Japan or any jurisdiction in which such an offer or solicitation is unlawful. These shares have not been and will not be registered under the United States Securities Act of 1933, as amended ("Securities Act") and may not be offered, sold or transferred within the United States except pursuant to an exemption from, or as part of a transaction not subject to, the registration requirements of the Securities Act. The Barclays shares to be used in the clawback placing are being offered and sold outside the United States only and in accordance with Regulation S under the Securities Act.

Group Summary

In the first half of 2007, Barclays continued to make substantial progress on its strategic priorities, further diversifying the profit base and delivering record financial results. Profits and earnings grew at a double digit rate relative to the very strong performance recorded in the first half of 2006.

Profit before tax increased 12 per cent. to £4,101million (2006: £3,673million). This was achieved despite significant adverse currency movements against Sterling. Earnings per share rose 14 per cent. to 41.4p (2006: 36.3p). Profit grew at a rate higher than the rate of growth of both daily value at risk and risk weighted assets.

Group income rose 9 per cent. to £11,902million (2006: £10,969million). Income growth, which was led by a particularly strong performance in Barclays Capital, was broadly based by business and by geography.

Group operating expenses increased 9 per cent. to £6,847million (2006: £6,269million). We continued to invest in future business growth, with increased headcount in Barclays Capital, Barclays Global Investors and Absa, and significant growth in the branch network in International Commercial and Retail Banking outside the United Kingdom. Operating expenses included gains on the sale of properties at £147million (2006: £238million) largely in UK Retail Banking, which were substantially reinvested in the business.

Group impairment charges improved 9 per cent. to £959million (2006: £1,057million). The improvement reflected reduced flows into delinquency and lower arrears balances in the UK cards and consumer loans business. The number of UK personal customers missing a payment continued to fall. UK mortgage impairment charges remained negligible. Impairment levels in the wholesale sector continued to be stable, with low levels of defaults. The 2006 impairment charge included £83 million on available for sale assets.

Business performance

In UK Retail Banking, good income growth (partially offset by settlements on overdraft fees), coupled with well controlled costs and improved impairment, drove profit growth of 9 per cent.

UK Business Banking profit rose 9 per cent.. This was mainly attributable to strong growth in fees and well controlled costs.

We are on track to deliver a further two percentage point improvement in the cost:income ratio of UK Banking during 2007, adding to the six percentage point improvement achieved during 2005 and 2006.

Headline profit of Barclaycard declined 17 per cent. More than all of the headline profit decline was due to the impact of property gains in the first half of 2006 and a loss on the disposal of Monument during the first half of 2007. Profit more than doubled relative to the second half of 2006 as a consequence of the reduction in impairment charges.

In International Retail and Commercial Banking - excluding Absa, the first half of 2006 included the gain on the sale of a property together with the contribution of our former associate FirstCaribbean International Bank. Adjusted for these, International Retail and Commercial Banking - excluding Absa generated strong profit growth in the first half of 2007, driven by significant increases in business volumes.

Absa Group Limited announced very strong profit growth in Rand terms, but the 20 per cent. depreciation of the Rand versus Sterling caused period on period profit of International Retail and Commercial Banking – Absa to be broadly steady.

Barclays Capital delivered record results, with its two best quarters ever. Profit rose 33 per cent. This was due to a very strong income performance driven by continued strong growth across asset classes and regions, in particular across the structured credit and credit derivatives, equities and commodities platforms, underpinned by the strength of the client franchise and its focus on delivering risk management and financing solutions.

In Barclays Global Investors profit rose 7 per cent. in sterling, while both income and profit were up substantially more in Dollars. This reflected the continued strength of the franchise and significant new flows and revenues into its suite of exchange traded funds, alternative asset classes and quantitative active strategies.

The profit of Barclays Wealth rose 34 per cent. This reflected strong income growth from increased client funds and transaction volumes partially offset by continued investment in the business.

Dividends on ordinary shares

The Board has decided to pay, on 1 October 2007, an interim dividend for the year ended 31 December 2007 of 11.5p per ordinary share for shares registered in the books of the Company at the close of business on 17 August 2007. The ex-dividend date is 15 August 2007. Shareholders who have their dividends paid direct to their bank or building society account will receive a consolidated tax voucher detailing the dividends paid in the 2006-2007 UK tax year in mid-October 2007.

For qualifying US and Canadian resident ADR holders, the interim dividend of 11.5p per ordinary share becomes 46p per ADS (representing four shares). The ADR depository will mail the dividend on 1 October 2007 to ADR holders on the record on 17 August 2007.

For qualifying Japanese shareholders, the final dividend of 11.5p per ordinary share will be distributed in mid-October to shareholders on the record on 17 August 2007.

Shareholders may have their dividends reinvested in Barclays PLC shares by participating in the Barclays Dividend Reinvestment Plan (“The Plan”). The Plan is available to all shareholders, including members of Barclays Sharestore, provided that they neither live in nor are subject to the jurisdiction of any country where their participation in the Plan would require Barclays or the Plan Administrator to take action to comply with local government or regulatory procedures or any similar formalities. Any shareholder wishing to obtain details and a form to join the Plan should contact the Plan Administrator by writing to: the Plan Administrator to Barclays, Share Dividend Team, The Causeway, Worthing, West Sussex, BN99 6DA or by telephoning 0870 609 4535.

The completed form should be returned to the Plan Administrator on or before 7th September 2007 for it to be effective in time for the payment of the interim dividend on 1 October 2007. Shareholders who are already in the Plan need take no further action unless they wish to change their instructions, in which case they should write to the Plan Administrator.

APPENDIX

Details of the Placing and of the Placing Shares

Barclays, China Development Bank and JPMorgan Cazenove Limited ("JPMorgan Cazenove"), have today entered into an agreement (the "China Development Bank Agreement") and Barclays, Temasek and JPMorgan Cazenove have today entered into an agreement (the "Temasek Agreement" and the Temasek Agreement, together with the China Development Bank Agreement, being hereinafter referred to as the "Agreements") under which, subject to the conditions described below, Barclays has agreed to allot and issue to China Development Bank and Temasek ordinary shares of 25p each in Barclays ("Barclays Ordinary Shares").

In order to ensure that the Placees (as defined below) have the opportunity to subscribe for new Barclays Ordinary Shares on the same financial terms as China Development Bank and Temasek, China Development Bank and Temasek have each agreed that the number of new Barclays Ordinary Shares for which they subscribe will be reduced by a maximum of 229,729,730 Barclays Ordinary Shares and that a maximum of 229,729,730 Barclays Ordinary Shares will be made available to the Placees.

JPMorgan Cazenove, Citigroup Global Markets U.K. Equity Limited, Credit Suisse Securities (Europe) Limited and Deutsche Bank AG, London (the "Bookrunners and Placing Agents") as agents of Barclays have agreed that they will make new Barclays Ordinary Shares (the "Placing Shares") available outside the United States by way of an offer targeted at certain existing Barclays shareholders (selected by Barclays in its sole discretion) (the "Placing"). The Bookrunners and Placing Agents will act as joint bookrunners and placing agents in connection with the Placing. The issuance of the Placing Shares, once allocated, will not be underwritten.

The subscription price in the placing will be £7.40 per Placing Share.

Following completion of the bookbuilding exercise, Barclays will announce the maximum final number of Barclays Ordinary Shares to be issued and sold in the Placing. To the extent Placees are identified in respect of fewer than the number of Barclays Ordinary Shares offered in the placing, the remainder shall form part of the investment by China Development Bank and Temasek.

The Placing Shares will, when issued, be credited as fully paid and will rank pari passu in all respects with the existing Barclays Ordinary Shares. For the

THIS ANNOUNCEMENT IS NOT FOR RELEASE, PUBLICATION OR DISTRIBUTION, DIRECTLY OR INDIRECTLY IN OR INTO THE UNITED STATES, CANADA, AUSTRALIA OR JAPAN.

avoidance of doubt, the Placing Shares will not be entitled to receive the interim dividend for the period to 30 June 2007.

In this announcement, unless the context otherwise requires, "Placee" means a person (including individuals, funds or others) on whose behalf a commitment to subscribe for Placing Shares has been given.

Application for listing and admission to trading

Application will be made to the Financial Services Authority (the "FSA") for admission of the Placing Shares to the Official List of the UK Listing Authority (the "Official List") and to London Stock Exchange plc for admission to trading of the Placing Shares on its market for listed securities (together "Admission").

It is expected that Admission will become effective on or around three Euronext Trading Days (as defined below) after each Placing Date (a Placing Date being any of the First Placing Date or any Further Placing Date, each as defined below) and that dealings in the Placing Shares will commence at that time.

Participation in, and principal terms of, the Placing

Each prospective Placee's allocation will be determined by Barclays in its sole discretion and will be confirmed orally by one of the Bookrunners and Placing Agents as agent of Barclays following the close of the bookbuilding exercise. That oral confirmation will constitute an irrevocable legally binding commitment upon that person (who will at that point become a Placee) to subscribe for the number of Placing Shares allocated to it at the Placing Price on the terms and conditions set out in this Appendix and in accordance with Barclays memorandum and articles of association. A placing letter ("Placing Letter") from one of the Bookrunners and Placing Agents containing a form of confirmation ("Form of Confirmation") will be dispatched to each Placee as soon as possible thereafter, which will confirm the terms on which the Placee has made its commitment. Each Placee should return its Form of Confirmation to the appropriate Bookrunner and Placing Agent by no later than 5.00 p.m. (London time) on 25 July 2007 or such other time and date notified to it by the appropriate Bookrunner and Placing Agent.

Each Placee will also have an immediate, separate, irrevocable and binding obligation, owed to the relevant Bookrunner and Placing Agent as agent of Barclays, to pay in cleared funds an amount equal to the product of the Placing Price and the number of Placing Shares such Placee has agreed to subscribe and Barclays has agreed to allot and issue to that Placee.

Conditions of the Placing

THIS ANNOUNCEMENT IS NOT FOR RELEASE, PUBLICATION OR DISTRIBUTION, DIRECTLY OR INDIRECTLY IN OR INTO THE UNITED STATES, CANADA, AUSTRALIA OR JAPAN.

The obligations of Placees to take up Placing Shares and the subscription for Placing Shares by Placees are subject to the memorandum and articles of association of Barclays and the terms and conditions set out in this Appendix and in the Placing Letter. Placees will only be called on to subscribe for Placing Shares if the obligations of China Development Bank and Temasek under the Agreements become unconditional in all respects. However, for the avoidance of doubt, compliance by China Development Bank and Temasek with their obligations under the China Development Bank Agreement and the Temasek Agreement respectively is not a condition to the Placing, and Placees may be called upon to subscribe for Placing Shares in circumstances where China Development Bank and/or Temasek do not fulfil their obligations to do so.

The conditions contained in the Agreements include:

- (a) the takeover offer by Barclays for the whole of the issued ordinary share capital of ABN AMRO (the "Offer") being declared unconditional and the terms of that offer not being amended without the prior written consent of China Development Bank and Temasek, such consent not to have been unreasonably withheld or delayed; and
- (b) Admission of the Barclays Ordinary Shares to be subscribed by China Development Bank and Temasek occurring not later than 8.00 a.m. on the third Euronext Business Day (as defined below) after the date on which the Offer becomes unconditional (the "First Closing Date"), or, in the case of China Development Bank, such other date(s) on which China Development Bank may be required to subscribe for Barclays Ordinary Shares under the China Development Bank Agreement.

Furthermore, under the Agreements, these conditions must be satisfied on or prior to 1 March 2008, though each of China Development Bank and Temasek may agree with Barclays to extend these dates.

Each placee's obligation to subscribe for Placing Shares will in any event lapse on 1 March 2008.

The offer to participate in the Placing is made on the basis that, if accepted, Placees will be unable to rescind or terminate their rights and obligations in respect of it.

None of the Bookrunners and Placing Agents, Barclays or any other person shall have any liability to any Placee (or to any other person whether acting on behalf of a Placee or otherwise) in respect of any decision as to whether or not to waive or to extend the time and/or date for the satisfaction of any condition to the Placing nor for any decision as to the satisfaction of any condition or in respect of the Placing generally and by participating in the Placing each Placee

THIS ANNOUNCEMENT IS NOT FOR RELEASE, PUBLICATION OR DISTRIBUTION, DIRECTLY OR INDIRECTLY IN OR INTO THE UNITED STATES, CANADA, AUSTRALIA OR JAPAN.

agrees that any such decision is within the absolute discretion, without consultation with or notification to Placees, of the parties to the Agreements.

No Prospectus

No offering document or prospectus has been or will be submitted to be approved by the FSA in relation to the Placing and Placees' commitments will be made solely on the basis of the information contained in this announcement (including the Appendix) and the revised offer announcement released by Barclays today, and subject to the further terms set forth in the Placing Letter and Form of Confirmation to be provided to individual prospective Placees. Each Placee, by accepting a participation in the Placing, agrees that the content of this announcement (including the Appendix) and the revised offer announcement released by Barclays today is exclusively the responsibility of Barclays and confirms that it has neither received nor relied on any other information, representation, warranty, or statement made by or on behalf of Barclays or the Bookrunners and Placing Agents or any other person and none of the Bookrunners and Placing Agents or Barclays nor any other person will be liable for any Placee's decision to participate in the Placing based on any other information, representation, warranty or statement which the Placees may have obtained or received. Each Placee acknowledges and agrees that it has relied on its own investigation of the business, financial or other position of Barclays in accepting a participation in the Placing. Nothing in this paragraph shall exclude the liability of any person for fraudulent misrepresentation.

Registration and Settlement, including Multiple Settlement

Settlement of transactions in the Placing Shares following Admission will take place within the CREST system, subject to certain exceptions. Barclays reserves the right to require settlement for and delivery of the Placing Shares (or a portion thereof) to Placees in certificated form if in Barclays reasonable opinion delivery or settlement is not possible or practicable within the CREST system.

Following the close of the bookbuilding for the Placing, each Placee allocated Placing Shares in the Placing will be sent a Placing Letter stating the number of Placing Shares to be allocated to it at the Placing Price, the aggregate amount owed by such Placee to Barclays (in the event it is called upon to subscribe for the maximum amount) and settlement instructions. The number of Placing Shares and the aggregate amount owed represent the maximum allocation. Placees may be entitled, and required, to subscribe for fewer shares, as described in the next paragraph.

THIS ANNOUNCEMENT IS NOT FOR RELEASE, PUBLICATION OR DISTRIBUTION, DIRECTLY OR INDIRECTLY IN OR INTO THE UNITED STATES, CANADA, AUSTRALIA OR JAPAN.

The number of Placing Shares to be allocated and issued will depend in part on the number of acceptances received by Barclays in relation to the Offer by the date on which the Offer is declared unconditional (the "First Placing Date"). If fewer than 100 per cent. of the holders of ABN AMRO ordinary shares have accepted the Offer by the First Placing Date, the number of Placing Shares to be subscribed initially will be reduced and accordingly Placees will be called upon to subscribe fewer shares than their maximum allocation. Following the Offer being declared unconditional, Barclays may, if it so elects, continue to allow acceptances of the Offer for a period of approximately 15 Euronext Trading Days. Barclays may call upon Placees at any time during that period to subscribe further Placing Shares to the extent that Placing Shares are then available (but in no event exceeding in aggregate the maximum number set out in a Placee's Placing Letter). It is, however, likely that Barclays will only do so on between one and three discrete occasions (each a "Further Placing Date"). Placees will be contacted by one of the Bookrunners and Placing Agents on or about each Further Placing Date in the event they are to be required to subscribe further Placing Shares.

Barclays will deliver the Placing Shares to a CREST account operated by JPMorgan Cazenove as Barclays agent and JPMorgan Cazenove will enter its delivery (DEL) instruction into the CREST system. The input to CREST by a Placee of a matching or acceptance instruction will then allow delivery of the relevant Placing Shares to that Placee against payment.

It is expected that such settlement and delivery will take place on the day which is three Euronext Trading Days after the First Placing Date and, if applicable, on the day which is three Euronext Trading days after the Further Placing Date. A "Euronext Trading Day" is a day on which Euronext Amsterdam N.V. is open for trading.

Each Placee agrees that it will do all things necessary to ensure that delivery and payment is completed in accordance with either the standing CREST or certificated settlement instructions that it has in place with the relevant Bookrunner and Placing Agent.

Interest is chargeable daily on payments not received from Placees on the due date in accordance with the arrangements set out above at the rate of two percentage points above LIBOR as determined by the Bookrunner and Placing Agent.

Each Placee is deemed to agree that, if it does not comply with these obligations, Barclays may sell any or all of the Placing Shares allocated to that Placee on such Placee's behalf and retain from the proceeds, for Barclays account and benefit, an amount equal to the aggregate amount owed by the

THIS ANNOUNCEMENT IS NOT FOR RELEASE, PUBLICATION OR DISTRIBUTION, DIRECTLY OR INDIRECTLY IN OR INTO THE UNITED STATES, CANADA, AUSTRALIA OR JAPAN.

Placee plus any interest due. The relevant Placee will, however, remain liable for any shortfall below the aggregate amount owed by it and may be required to bear any stamp duty or stamp duty reserve tax (together with any interest or penalties) which may arise upon the sale of such Placing Shares on such Placee's behalf.

If Placing Shares are to be delivered to a custodian or settlement agent, Placees should ensure that the trade confirmation is copied and delivered immediately to the relevant person within that organisation.

Insofar as Placing Shares are registered in a Placee's name or that of its nominee or in the name of any person for whom a Placee is contracting as agent or that of a nominee for such person, such Placing Shares should, subject as provided below, be so registered free from any liability to UK stamp duty or stamp duty reserve tax.

THIS ANNOUNCEMENT IS NOT FOR RELEASE, PUBLICATION OR DISTRIBUTION, DIRECTLY OR INDIRECTLY IN OR INTO THE UNITED STATES, CANADA, AUSTRALIA OR JAPAN.

21 acknowledges that none of the Bookrunners and Placing Agents, nor any of their respective affiliates, nor any person acting on behalf of any of them, is making any recommendations to it, advising it regarding the suitability of any transactions it may enter into in connection with the Placees and that participation in the Placing is on the basis that it is not and will not be a client of any Bookrunner and Placing Agent and that the Bookrunners and Placing Agents have no duties or responsibilities to it for providing the protections afforded to its clients or customers or for providing advice in relation to the Placing nor in respect of any representations, warranties, undertakings or indemnities contained in the Placing Agreement nor for the exercise or performance of any of its rights and obligations thereunder including any rights to waive or vary any conditions or exercise any termination right;

ANNEX C - ADJUSTMENTS TO EXCHANGE RATIO

1. A Party may (notwithstanding Clause 7.1 of this Merger Protocol and **Schedule 3**, other than the final sentence of paragraph (c) of **Schedule 3**) effect a Capital Raising or Capital Return as defined in paragraph 4 below, subject to the Ordinary Share Exchange Ratio and the related ADS Exchange Ratio and, if relevant, the DR Pref Consideration being adjusted as contemplated by this **Schedule 5** and provided always that none of the proceeds under the LaSalle Agreement or a Sale Contract may in any circumstance be distributed during the Interim Period by any means whatsoever.
2. The Parties agree that the Ordinary Share Exchange Ratio is expressed on the basis of the value of Barclays Shares by reference to the closing share price on the Calculation Date relative to the value of ABN AMRO Ordinary Shares implied by the Ordinary Share Exchange Ratio and the purpose of the adjustments contemplated in this **Schedule 5** is to factor into this ratio the impact on the relative values of Barclays and ABN AMRO arising from certain actions.
3. For the purposes of clarity, the proposed dividends relating to the financial year ended 31 December 2006 and any interim dividends in respect of the financial year commencing 1 January 2007 (provided any such interim dividend is consistent with the dividend policy of such Party prevailing as at the date of this Merger Protocol and does not exceed reasonable market expectations as on 20 April 2007) and any repurchase of ordinary shares permitted by paragraph (n)(vi) of **Schedule 3** shall not result in an adjustment of any ratio contemplated by this **Schedule 5**.

4. Where there is a Capital Raising or Capital Return, the Ordinary Share Exchange Ratio shall be adjusted in accordance with the following formula (calculated to two (2) decimal places):-

Adjusted Ordinary Share Exchange Ratio is equal to:

$$\frac{\begin{aligned} &(\text{Ordinary Share Exchange Ratio on Calculation Date} \times \text{Barclays Share Price on Calculation Date} \times \\ &\text{Number of ABN AMRO Ordinary Shares in issue on Calculation Date} \\ &- \\ &\text{Aggregate value of Capital Return(s) by ABN AMRO between Calculation Date and Settlement Date (in} \\ &\text{GBP)} \\ &+ \\ &\text{Aggregate value of Capital Raising(s) by ABN AMRO between Calculation Date and Settlement Date (in} \\ &\text{GBP)} \\ &- \\ &((\text{Number of ABN AMRO Ordinary Shares in issue on} \\ &\text{Settlement Date} - \text{Number of ABN AMRO Ordinary Shares in issue on Calculation} \\ &\text{Date}) \times \text{Ordinary Share Cash Consideration})) \\ &/ \\ &(\text{Number of ABN AMRO Ordinary Shares in issue on Settlement Date}) \end{aligned}}{\begin{aligned} &(\text{Barclays Share Price on Calculation Date} \times \\ &\text{Number of ordinary Barclays Shares in issue on Calculation Date} \\ &- \\ &\text{Aggregate value of Capital Return(s) by Barclays between Calculation Date and Settlement Date} \\ &+ \\ &\text{Aggregate value of Capital Raising(s) by Barclays between Calculation Date and Settlement Date}) \\ &/ \\ &(\text{Number of ordinary Barclays Shares in issue on Settlement Date}) \end{aligned}}$$

divided by:

$$\frac{\begin{aligned} &(\text{Barclays Share Price on Calculation Date} \times \\ &\text{Number of ordinary Barclays Shares in issue on Calculation Date} \\ &- \\ &\text{Aggregate value of Capital Return(s) by Barclays between Calculation Date and Settlement Date} \\ &+ \\ &\text{Aggregate value of Capital Raising(s) by Barclays between Calculation Date and Settlement Date}) \\ &/ \\ &(\text{Number of ordinary Barclays Shares in issue on Settlement Date}) \end{aligned}}$$

5. In any calculation of the Adjusted Ordinary Share Exchange Ratio, the GBP/EUR exchange rate shall be the relevant reference rate as published by the European Central Bank (and quoted on its website) prevailing on the date of the Capital Return or the Capital Raising.

6. In this **Schedule 5**:

"**ADS Exchange Ratio**" has the meaning ascribed to it in Clause 1.2(i) of this Merger Protocol.

"**Calculation Date**" means 20 July 2007.

"**Capital Raising**" means the issue of (i) any ordinary shares by a Party; or (ii) paid-for newly granted rights to acquire the issued ordinary shares of either Party (whether or not otherwise permitted under or for the purposes of Clause 7.1 of this Merger

Protocol and **Schedule 3**). Capital Raising shall exclude monies raised and shares issued under the Barclays Share Placement.

"**Capital Return**" means the declaration of a dividend, capital repayment or any other distribution by a Party in respect of its ordinary shares (whether or not otherwise permitted under or for the purposes of Clause 7.1 of this Merger Protocol and **Schedule 3**, other than the final sentence of paragraph (c) of **Schedule 3**), but excluding any transaction referred to in paragraph 3 of this **Schedule 5**. For the avoidance of doubt, any repurchase of ordinary shares at market at the time of the repurchase shall not result in an adjustment of any ratio contemplated by this Schedule 5.

"**Ordinary Share Exchange Ratio**" has the meaning ascribed to it in Clause 1.2 (i) of this Merger Protocol.

In respect of each Party, the number of shares in issue are calculated on a fully diluted basis, minus the number of shares in issue on the Calculation Date that were held by that Party as Treasury shares, plus all ordinary shares repurchased by that Party from the Calculation Date to the Settlement Date. Shares issued under the Barclays Share Placement shall be excluded from the calculation of Barclays shares in issue on Settlement Date.

Unless specifically defined in this **Schedule 5**, defined words and phrases shall have the meaning ascribed to them in this Merger Protocol.

7. Where ABN AMRO receives cash consideration for the sale of LaSalle (the "**LaSalle Proceeds**") which is less than US\$ 21 billion (the "**LaSalle Amount**"), an amount equal to the shortfall shall be deemed to have been a distribution by ABN AMRO and therefore amounts to a Capital Return by ABN AMRO for the purposes of this **Schedule 5**. However, where the La Salle Proceeds are in excess of the La Salle Amount, this shall not amount to a Capital Raising for the purposes of this **Schedule 5** and, consequently, there shall be no adjustment to the Ordinary Share Adjustment Ratio as a result of the excess proceeds.
8. Where a Party undertakes a Capital Raising or Capital Return (i) the relevant ADS Exchange Ratio; (ii) the DR Pref Consideration; and (iii) Convertible Share Consideration shall be equitably adjusted to the extent necessary to reflect the Adjusted Ordinary Share Exchange Ratio on a basis consistent with the principles of this **Schedule 5**.
9. Where a Party elects to undertake a Capital Raising or a Capital Return it shall promptly provide the other Party with a calculation of the effect on the Adjusted Ordinary Share Exchange Ratio (and the related ratios) and use all reasonable endeavours to reach agreement on such adjustments. In the absence of agreement within 5 Business Days of the calculation being submitted for agreement, the matter shall be referred to an expert pursuant to Clause 6.8.

10. For the avoidance of doubt, except as provided in paragraph 1 of this **Schedule 5**, any adjustment made pursuant to the provision of this Schedule shall not constitute a waiver or settlement with respect to any breach by any Party of the provisions of **Schedule 3** or Clause 7.1(a) and shall not limit any rights of any Party with respect thereto.
11. This Schedule 5 shall cease to operate, and no adjustment shall be made to the final exchange ratio, after the date the Offer is declared unconditional. During the period from then until the settlement of any final acceptances under the Offer, no action may be taken by either party which would otherwise have given rise to an adjustment under this Schedule 5.
12. The intended operation of this **Schedule 5** is illustrated in the following worked examples:

13. **Example 1. Barclays issues 1,000m new shares at £5.25**

ANNEX D - ABN AMRO Press Release

IR / Press Release

Amsterdam, 23 July 2007

ABN AMRO - Offer Update

ABN AMRO confirms that it has received a proposal for a revised offer from Barclays (the "Revised Barclays Offer") and notes that the consortium of Fortis, RBS and Santander has formally launched its offer for ABN AMRO.

The Revised Barclays Offer includes amended offer terms and has introduced a significant cash element, together with a mix-and-match alternative. The proposed strategic cooperation with China Development Bank further enhances the growth opportunities of the combined group in the attractive Asian market and can result in creation of additional long-term value for ABN AMRO shareholders.

ABN AMRO welcomes the opportunity for shareholders to consider two competing proposals on a level playing field.

As announced previously, ABN AMRO confirms that its Managing and Supervisory Boards will act in the best interests of all stakeholders, including shareholders, and will assess both offers in a fair and transparent manner.

Certain technical amendments to the merger protocol with Barclays will be filed with the SEC later today, and will be available on the ABN AMRO website (www.ABNAMRO.com). Further announcements will be made in the near future, including as to a recommendation by the Managing and Supervisory Boards of ABN AMRO.
