Item 1

Letter from the Chairman

This document is important and requires your immediate attention

If you are in any doubt about its contents or what action you should take, you should consult your Independent Financial Adviser. If you have sold or transferred all of your AstraZeneca ordinary shares you should send this document and the related documents to the purchaser or transferee or to the stockbroker, bank or other agent through whom the sale or transfer was effected for transmission to the purchaser or transferee.

Dear Shareholder

This letter is sent on behalf of the board of Directors (the Board) of AstraZeneca PLC (the Company) and is to be read in conjunction with various documents concerning your shareholding in the Company. These documents are:

- 1 A Shareholders' Circular incorporating the formal Notice of the Annual General Meeting of the Company to be held on Thursday 24 April 2014 (AGM); and
 - 2 A Proxy Form and Attendance Card for the AGM.
- The meeting place for the AGM will be the Lancaster London Hotel, Lancaster Terrace, London W2 2TY and the AGM will commence at 2.30pm (BST).

The business to be conducted at the AGM is summarised below.

Items 1 – 4: Accounts, Dividend, Reappointment of Auditor and Authority to agree the remuneration of the Auditor

The purpose of these resolutions is:

- > To receive the Company's Accounts and the Reports of the Directors and Auditor for the year ended 31 December 2013. This can be found in the Annual Report and Form 20-F Information 2013 (Annual Report), which is available on our website, www.astrazeneca.com, or by request from the Company.
- > To confirm the first interim dividend of US\$0.90 (59.2 pence, SEK 5.92) per ordinary share and to confirm, as the final dividend for 2013, the second interim dividend of US\$1.90 (116.8 pence, SEK 12.41) per ordinary share.
- > To appoint KPMG LLP, London as Auditor of the Company.
- > To authorise the Directors to agree the remuneration of the Auditor.

It is proposed that KPMG LLP be appointed as the Company's Auditor, following a decision to wind down the Company's current Auditor, KPMG Audit Plc, as part of a KPMG internal reorganisation. Pursuant to section 519 of the Companies Act 2006 (the Act), KPMG Audit Plc has informed the Company that it is not seeking reappointment and has provided a statutory statement of circumstances upon ceasing to hold office. In accordance with section 520 of

the Act, a copy of this statement is set out below:

Dear Sirs

Statement to AstraZeneca PLC (no. 2723534) on ceasing to hold office as auditors pursuant to section 519 of the Companies Act 2006

The circumstances connected with our ceasing to hold office are that our company, KPMG Audit Plc, has instigated an orderly wind down of business. KPMG LLP, an intermediate parent, will immediately be seeking appointment as statutory auditor.

We request that any correspondence in relation to this statement be sent to our registered office, 15 Canada Square, London, E14 5GL, marked for the attention of the Audit Regulation Department.

Yours faithfully,

KPMG Audit Plc

The Company understands that this change reflects a decision by KPMG to simplify the way in which it does business by reducing the number of legal entities through which audit work is carried out, with the aim of reducing confusion in the marketplace. Following an internal review, KPMG is proposing that KPMG LLP will become the sole auditor entity

and the activities of KPMG Audit Plc will be wound down. The change is administrative in nature and will not have any impact on audit processes or timelines. The Company understands that KPMG LLP and KPMG Audit Plc are both assured entities under the KPMG group insurance arrangements and the proposed change from KPMG Audit Plc to KPMG LLP will have no effect on any limit within the insurance cover available. Consequently, the Company believes that the proposed change does not adversely affect the interests of shareholders.

Item 5: Election or re-election of Directors

At the AGM, as usual and in accordance with the Company's Articles of Association, all of the Directors are retiring. The biographical details of each Director presenting himself or herself for election or re-election are set out in the Notice of AGM and Shareholders' Circular.

Ann Cairns will be proposed to shareholders for election as a Non-Executive Director at the AGM. Ann will bring deep experience of international business leadership to the Board, combined with significant financial experience. She will become a member of the Audit Committee. More information about her background and experience is set out in Resolution 5.

In December 2013, the Board considered the independence of the current Non-Executive Directors under the UK Corporate Governance Code (the Code). As Chairman, I met the independence criteria prescribed in the Code upon my appointment. Under the Code, it is not considered appropriate to repeat this

test after my appointment.

The Board concluded that, with the exception of Marcus Wallenberg, all the Non-Executive Directors presenting themselves for re-election are independent in character and judgement and that there are no relationships or

2 Notice of Annual General Meeting 2014 and Shareholders Circular AstraZeneca PLC Registered No.2723534 Re

circumstances likely to affect their character or judgement. In January 2014, the Board completed the annual evaluation of its performance and that of its Committees and individual Directors. The Board concluded that each Director continues to make effective and valuable contributions to the Board and to demonstrate commitment to the role. More information about these matters and how the Board operates can be found in the Corporate Governance Report in the Annual Report, which is available on our website, www.astrazeneca.com, or by request from the Company.

Items 6 and 7: Directors Remuneration Report

The purpose of Resolution 6 is to receive and approve the annual statement of the Chairman of the Remuneration Committee (the Statement) and the Annual Report on Remuneration for the year ended 31 December 2013. The purpose of Resolution 7 is to receive and approve the Directors Remuneration Policy (the Policy).

The Statement and the Annual Report on Remuneration can be found on pages 102 to 113 and the Policy can be found on pages 114 to 126 of the Annual Report, which is available on our website, www.astrazeneca.com, or by request from the Company.

The Board considers that appropriate executive remuneration plays a vital part in helping to achieve the Company's overall objectives and, accordingly, and in compliance with the legislation, shareholders will be invited to approve the Statement and the Annual Report on Remuneration, and the Policy. The Annual Report on Remuneration gives details of the remuneration paid to the Directors during the year ended 31 December 2013. The Policy sets out the Company's forward-looking policy on Executive and Non-Executive Directors remuneration.

The vote on the Statement and the Annual Report on Remuneration is advisory in nature in that payments made or promised to Directors will not have to be repaid, reduced or withheld in the event that Resolution 6 is not passed.

The vote on the Policy is a binding vote. If Resolution 7 is passed, the Policy will take effect from 1 January 2015 (the Effective Date) and, from the Effective Date, the Company may not make a remuneration payment or payment for loss of office to a person who is, is to be, or has been a Director of the Company unless the payment is consistent with the Policy, or such payment has otherwise been approved by a shareholder resolution. If approved by shareholders, the Policy will be subject to a binding shareholder vote by ordinary resolution at least every three years, except in the event that a change to the Policy is proposed or the advisory vote on the Statement and the

Annual Report on Remuneration is not passed in any year subsequent to the approval of the Policy.

Item 8: Political donations

The purpose of Resolution 8, which is proposed as an ordinary resolution, is to authorise the Company and/or its subsidiaries to make limited political donations or incur limited political expenditure, within the meaning of such expressions as contained in the Act, within the European Union. The purpose of this resolution is not to alter the Company's policy of not making such political donations or incurring such political expenditure. However, given the breadth of the relevant sections in the Act, it may be that some of the Company's activities could fall within the potentially wide definitions of political donations and political expenditure under the Act and, without the necessary authorisation, the Company's ability to communicate its views effectively to, for example, interest groups or lobbying organisations could be inhibited.

Accordingly, the Company believes that the authority contained in this resolution is necessary to allow it and its subsidiaries to fund activities in relation to which it is in the interests of shareholders that the Company should support. Such authority will enable the Company and its subsidiaries to be sure that they do not, because of any uncertainty as to the bodies or the activities covered by the Act, unintentionally commit a technical breach of the relevant sections of the Act. Any donations or expenditure, which may be made or incurred under the authority of Resolution 8, will be disclosed in next year's Annual Report and Form 20-F Information.

Item 9: Allotment of new shares

The purpose of Resolution 9, which is proposed as an ordinary resolution, is to enable the Directors to exercise their power under the Company's Articles of Association to allot new shares in the capital of the Company. The Directors may only allot shares or grant rights to subscribe for, or convert any security into shares, if authorised to do so by shareholders.

As specified in the resolution, the Directors' authority will only be valid until the conclusion of the AGM in 2015 or the close of business on 24 July 2015, whichever is earlier. Other than the allotment of shares for the purposes of fulfilling the Company's obligations under certain of its share plans, the Directors have no present intention to exercise this authority. However, it is considered prudent to acquire the flexibility that this authority provides. The Company's Directors intend to seek renewal of this authority annually.

Paragraph (a)(i)(A) of Resolution 9 will, if passed, authorise the Directors to allot shares

or grant rights to subscribe for, or to convert any security into, such shares in the Company up to a maximum nominal amount of US\$105,070,075. This amount represents 33.33% of the total ordinary share capital of the Company in issue at 28 February 2014 (being the last practicable date prior to publication of this Notice of AGM). Paragraph (a)(i)(B) of Resolution 9 authorises the Directors to allot, including the shares referred to in paragraph (a)(i)(A), further of the Company's unissued shares up to an aggregate nominal amount of US\$210,140,151 in connection with a pre-emptive offer to existing shareholders by way of a rights issue (with exclusions to deal with fractional entitlements to shares and overseas shareholders to whom the rights issue cannot be made due to legal and practical problems). This amount represents 66.66% of the total ordinary share capital of the Company in issue at 28 February 2014.

At 28 February 2014, no shares in the Company were held as treasury shares.

For information, during 2013, the Directors used equivalent authorities, given to them by shareholders at previous AGMs, for the purposes of fulfilling the Company's obligations under its various share plans.

The number of new shares allotted during 2013, the percentage of the Company's share capital they represented at 31 December 2013 and the share plans in respect of which they were allotted are shown in the table below.

Share allotments during 2013

	No. of shares allotted	Percentage of issued share capital at 31 Dec 13
AstraZeneca Share Option Plan ¹	10,010,709	0.80
AstraZeneca Savings-Related Share Option Plan	296,195	0.02

AstraZeneca All-Employee Share Plan ²	83,635	0.01
Total allotted in 2013	10,390,539	0.83

¹ No further options are being granted under this plan.

² UK Share Incentive Plan approved by HM Revenue & Customs.

No other new shares in the Company were allotted during 2013.

Item 10: Pre-emption rights

The purpose of Resolution 10, which is proposed as a special resolution, is to grant authority to the Directors (subject to the passing of Resolution 9) to allot shares of the Company and to sell treasury shares for cash as if the pre-emption provisions of section 561 of the Act do not apply. Under section 561(1) of the Act, if the Directors wish to allot shares, or grant rights to subscribe for, or convert securities into shares, or sell treasury shares for cash (other than pursuant to an

Letter from the Chairman

employee share scheme), they must first be offered to existing shareholders pro rata to their holdings.

This provision is designed to prevent the holdings of existing shareholders being diluted against their wishes by the allotment of new shares. There may be occasions however, when the Directors need the flexibility to finance business opportunities by the issue of shares without a pre-emptive offer to existing shareholders. This cannot be done under the Act unless shareholders have first waived their pre-emption rights. Resolution 10 asks shareholders to do this and, apart from rights issues or any other pre-emptive offer concerning equity securities, the authority contained in this resolution will be limited to the issue of shares for cash up to an aggregate nominal value of US\$15,762,087 (which includes the sale on a non pre-emptive basis of any shares held in treasury), which represents no more than 5% of the total ordinary share capital of the Company in issue at 28 February 2014 (being the last practicable date prior to publication of this Notice of AGM). In accordance with the Pre-Emption Group's Statement of Principles, the Board confirms its intention that no more than 7.5% of the issued share capital (excluding treasury shares) will be issued for cash on a non pre-emptive basis during any rolling three year period. This authority will expire at the conclusion of the AGM in 2015 or the close of business on 24 July 2015, whichever is earlier.

The Directors have no present intention of exercising this authority but are requesting this authority in order to give them the flexibility to use shares, if so required, in connection with the proper development of the business.

Item 11: Purchase of own shares by the Company

The purpose of Resolution 11, which is proposed as a special resolution, is to renew the authority granted at last year's AGM which expires on the date of the forthcoming AGM. The resolution authorises the Company to make market purchases of its own shares as permitted by the Act. The authority limits the total number of shares that could be purchased to a maximum of 126,096,700 (representing less than 10% of the issued share capital of the Company at 28 February 2014) and sets minimum and maximum prices.

No shares were repurchased during 2013 and the Board has no intention of repurchasing shares in 2014. The authority sought under Resolution 11 will be exercised only if the Directors believe that to do so would result in an increase in earnings per share and would be likely to promote the success of the Company for the benefit of

shareholders generally. The Directors' current intention is that, in such circumstances, any shares so repurchased would be cancelled.

The authority being sought under Resolution 11 would permit any shares so purchased either to be cancelled or held as treasury shares. In order to maximise its opportunities for access to the market, the Company may also consider using the same authority from shareholders to give irrevocable instructions to banks to enable any share repurchases to continue during the close periods ahead of the quarterly publication of its results. If this were done, appropriate and timely announcements to the stock exchanges would be made.

At 28 February 2014, the total number of shares under option that were outstanding under all of the Company's share option plans was 6,035,146 representing 0.48% of the Company's issued share capital at that date. This number of outstanding shares under option could potentially represent 0.60% of the issued capital of the Company, if the Company were to purchase its own shares to the fullest possible extent of its authority from shareholders (both existing and being sought).

This authority will only be valid until the conclusion of the AGM in 2015 or the close of business on 24 July 2015, whichever is earlier.

Item 12: Notice period for general meetings

The purpose of Resolution 12, which is proposed as a special resolution, is to reduce the notice period required for a general meeting of the Company (other than an AGM) to 14 clear days. Changes made to the Act by the Companies (Shareholders' Rights) Regulations 2009 (the Shareholders' Rights Regulations) increase the notice period required for general meetings of the Company to 21 days unless shareholders approve a shorter notice period, which cannot however be less than 14 clear days. AGMs will continue to be held on at least 21 clear days' notice.

Before the coming into force of the Shareholders' Rights Regulations on 3 August 2009, the Company was able to call general meetings (other than an AGM or a general meeting for the passing of a special resolution or a resolution appointing a person as a Director) on 14 clear days' notice without obtaining such shareholder approval. In order to preserve this ability to call such general meetings on 14 clear days' notice (and to extend this ability to general meetings for the passing of a special resolution or a resolution appointing a Director), Resolution 12 seeks such approval. The flexibility offered by Resolution 12 will be used where, taking

into account the circumstances, the Directors consider that it is merited by the business to be considered at the meeting and it is thought to be in the interests of shareholders as a whole. The Company undertakes to meet the requirements for electronic voting under the Shareholders' Rights Regulations before calling a general meeting on 14 clear days' notice. The approval will be effective until the Company's next AGM, when it is intended that a similar resolution will be proposed.

Item 13: New AstraZeneca 2014 Performance Share Plan

The purpose of Resolution 13 is to approve the new AstraZeneca 2014 Performance Share Plan. The new plan will replace the existing plan which was approved by shareholders at the Company's AGM in 2005 for a period of 10 years. A summary of the new AstraZeneca 2014 Performance Share Plan is set out in Appendix 1 to the Shareholders Circular.

The Directors consider all of the proposed resolutions to be in the best interests of the Company and shareholders as a whole. Accordingly, the Directors unanimously recommend that you vote in favour of all the resolutions.

All resolutions will be put to a poll vote. This means that the votes of all shareholders, including the majority of our shareholders who cannot attend the meeting but who submit a Proxy Form, are counted.

You are requested to complete and return your Proxy Form as soon as possible. If you are a registered holder you may, if you wish, register the appointment of your proxy electronically either via the internet or, if you hold your shares through CREST, using the CREST electronic proxy appointment service. Please refer to the notes in the Notice of AGM from page 8 for details. The appointment of a proxy will not prevent you from also attending the AGM and, if you are a registered holder, voting in person. All shareholders or proxies attending the AGM are asked to bring the Attendance Card with them. If you wish to appoint a corporate representative to attend the AGM, please refer to the notes in the Notice of AGM from page 8 for details.

Yours faithfully,

Security at the AGM

We take the safety of our shareholders and the security of the AGM very seriously. As usual, we will implement a range of security measures at the AGM, based on a thorough assessment of potential risks. We kindly request that everybody entering the AGM meeting room allows their bag or briefcase to be searched. If you are happy to allow a search, you will be welcome to take your bag or briefcase into the meeting room with you. Otherwise, we will politely require you to leave it in the cloakroom for the duration of the meeting.

Entitlement to attend and vote

Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, only holders of ordinary shares entered in the register of members of the Company by 6.00pm (BST) on Tuesday 22 April 2014 (or their duly appointed proxies), or if this meeting is adjourned, in the register of members by 6.00pm (BST) two days prior to any adjourned meeting, are entitled to attend or vote at the AGM in respect of the number of ordinary shares registered in their name at that time. Changes to the entries in the register of members after 6.00pm (BST) on Tuesday 22 April 2014, or if this meeting is adjourned, in the register of members after 6.00pm (BST), two days prior to any adjourned meeting, shall be disregarded in determining the rights of any person to attend or vote at the AGM.

A registered member of the Company may appoint one or more proxies (who need not be a member of the Company) to exercise all or any of his rights to attend and to speak and vote at a meeting of the Company provided that each proxy is appointed to exercise the rights attached to a different share or shares held by him. A member may only appoint a proxy by:

- > Going to the Shareview website, www.shareview.co.uk; or
- >

Edgar Filing: ASTRAZENECA PLC - Form 6-K

You may not use any electronic address provided in this Notice of AGM to communicate with the Company for any purposes other than those expressly stated.

Deadline for receipt of Proxy Form

To be effective, the Proxy Form (or electronic appointment of a proxy) must be received by the Company's registrar, Equiniti Registrars, not later than 2.30pm (BST) on 22 April 2014, or if this AGM is adjourned, not less than 48 hours before the time for holding such adjourned meeting. The appointment of a proxy will not prevent a shareholder from attending and voting in person at the meeting.

Appointment of proxies through Sharevote and Shareview Websites

Shareholders who would prefer to register the appointment of their proxy electronically via the internet can do so through the Sharevote website, www.sharevote.co.uk, using their personal Authentication Reference Number (this is the series of numbers printed under the headings Voting ID, Task ID and Shareholder Reference Number on the Proxy Form). Alternatively, shareholders who have already registered with Equiniti Registrars' online portfolio service, Shareview, can appoint their proxy electronically by logging on to their portfolio at www.shareview.co.uk and clicking on the link to vote. Full details and instructions on these electronic proxy facilities are given on the respective websites.

Appointment of proxies through CREST

CREST members who wish to appoint a proxy or proxies for the AGM, including any adjournment(s) thereof, through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual on the Euroclear website, www.euroclear.com. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s) who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it relates to the appointment of a proxy or to an amendment to the instruction given for a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by Equiniti Registrars (ID RA19) by the latest time for receipt of proxy appointments specified above. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Applications Host)

from which Equiniti Registrars is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to a proxy appointed through CREST should be communicated to the proxy through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat a CREST Proxy Instruction as invalid in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Appointment of corporate representatives

Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided if two or more representatives purport to vote in respect of the same shares:

- > if they purport to exercise the power in the same way as each other, the power is treated as exercised in that way; and
- > in other cases, the power is treated as not exercised.

Nominated Persons

Any person to whom this Notice of AGM is sent who is a person nominated under section 146 of the Companies Act 2006 to enjoy information rights (Nominated Person) may have a right, under an agreement between him or her and the shareholder by whom he or she was nominated, to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he or she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.

The statement of the rights of shareholders in relation to the appointment of proxies above does not apply to Nominated Persons. The rights described above can only be exercised by shareholders of the Company.

The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Companies Act 2006. Where the Company is required to place a statement on a website under section 527 of the Companies Act 2006, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the Companies Act 2006 to publish on a website.

Members rights to ask questions

Any member attending the meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if: (i) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information; (ii) the answer has already been given on a website in the form of an answer to a question; or (iii) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

Members resolutions and matters under sections 338 and 338A of the Companies Act 2006

Under sections 338 and 338A of the Companies Act 2006, members meeting the threshold requirements in those sections have the right to require the Company: (i) to give, to members of the Company entitled to receive notice of the meeting, notice of a resolution to be moved at the meeting; and/or (ii) to include in the business to be dealt with at the meeting any matter (other than a proposed resolution) which may be properly included in the business unless: (a) (in the case of a resolution only) it would, if passed, be ineffective; (b) it is defamatory of any person; or (c) it is frivolous or vexatious. Appendix 1 Summary of the AstraZeneca 2014 Performance Share Plan

Introduction

The AstraZeneca 2014 Performance Share Plan (the Plan) provides for the grant of performance share awards (Awards) as described below. It was first introduced and approved by shareholders at the AGM in 2005. The plan as approved in 2005 will expire on 27 April 2015 and so the Company seeks to renew the Plan.

Objectives of the Plan

The Plan is intended to link executive reward to the achievement of long term performance targets and the creation of shareholder value, and to ensure that the total reward potential for Executive Directors, the Senior Executive Team and other senior executives globally is competitive.

Nature of Awards

Awards under the Plan will be in respect of ordinary shares in AstraZeneca PLC (Shares) (which may be delivered in the form of American Depositary Shares in the US). Subject to the circumstances referred to below, the vesting of Awards is contingent on the satisfaction of specified performance target(s) and continued employment with the AstraZeneca group. Awards are not pensionable and may not be assigned or

transferred, except on a participant's death, when they may be transferred to the participant's personal representatives.

The basis of participation

The Remuneration Committee will have responsibility for agreeing any Awards under the Plan and for setting the policy for the way in which the Plan should be operated, including agreeing performance targets and which employees will participate in the Plan. Subject to these policies, all employees of the Company and its subsidiaries, including Executive Directors, are eligible to participate.

Grant of Awards

Awards can be granted at any time that the Remuneration Committee considers is appropriate other than during a close period of the Company. No payment is required for the grant of Awards. If there is a variation in the share capital of the Company (such as a rights issue, capitalisation issue, sub-division, consolidation or reduction of share capital), the number and/or nominal value of Shares under Awards may be adjusted to reflect that variation.

Limits on the issue of Shares under the Plan

Under the terms of the Plan, Awards may not be granted under the Plan if they would cause:

- > the number of Shares issued or issuable under Awards granted in the preceding 10 years under the Plan and any other employees' share scheme established by the Company, or which have been issued in the preceding 10 years under any such schemes to exceed 10% of the issued share capital of the Company from time to time; or
- > the number of Shares issued or issuable under Awards granted in the preceding 10 years under the Plan and any other discretionary share scheme established by the Company, or which have been issued in the preceding 10 years under any such schemes to exceed 5% of the issued share capital of the Company from time to time.

Treasury shares shall for this purpose be treated as if they were issued Shares. Awards may be granted over existing Shares and the percentage limits stated above will not apply to such existing Shares.

To the extent that Shares to satisfy Awards under the Plan are purchased (rather than issued), this may be done through the AstraZeneca Employee Benefit Trust (the Trust). The Trust is resident in Guernsey and its trustee is an independent professional trustee company. It is not entitled to hold 5% or more of the Company's issued share capital at any one time without the prior approval of shareholders nor may it vote at shareholders' meetings in respect of any Shares it holds which have not vested.

Performance and vesting period

An Award will not generally vest before the third anniversary of its date of grant and unless the specified performance target(s) have been met at the end of a three year performance period.

Awards granted under the Plan after the 2014 AGM may be made subject to a two year holding period after the third anniversary of the date of grant. Awards that are subject to the holding period will generally vest at the end of the holding period. It is intended that the two year holding period will only apply to Executive Directors.

Performance targets

The Remuneration Committee will determine performance measures and targets for Awards granted under the Plan at the start of the relevant three year performance period and allocate weightings to those measures as it considers appropriate, taking into account strategic and business priorities. The performance measures are designed to incentivise performance in furtherance of the Company's business strategy and to reward commercial, scientific and financial success.

Currently, the performance measures are a combination of total shareholder return, cumulative cash flow, sales of medicines in key therapy areas and territories, and innovation metrics, each with equal weighting.

All the performance measures have a payout curve. Typically performance measures will be structured such that 25% of the Award will vest for threshold level performance. The Remuneration Committee will determine the relationship between threshold and target performance levels at the date of each grant of an Award. Further details about the Company's policy on the Plan are set out on page 118 of the Directors' Remuneration Report in the AstraZeneca 2013 Annual Report & 20-F Information.

Malus and clawback

The Remuneration Committee may exercise its discretion to reduce or cancel any portion of an unvested Award, or reclaim or require the repayment of an Award that has vested, in certain circumstances. These circumstances include but are not limited to: (i) material misstatement of the results of the Group, (ii) significant reputational damage to the Group or (iii) serious misconduct by the individual.

The Remuneration Committee may exercise its discretion to clawback Awards for up to two years from the vesting date in the case of (i) and (ii) and for up to six years from the vesting date in all other circumstances.

Individual limit

In respect of any financial year, the maximum number of Shares which may be put under an Award in respect of any employee will be such

number as has a total market value equal to 500% of that employee's basic salary.

The actual individual limits which will apply under the Plan will be set by the Remuneration Committee from time to time within the maximum individual limit described above.

Rights attaching to Shares prior to the vesting of Awards

A participant has no rights in relation to the Award or to the Shares which are the subject of the Award until it has vested.

Cessation of employment before an Award has vested

If a participant ceases employment with the AstraZeneca group before an Award has vested, his or her Award(s) will generally lapse. However, if a participant dies or leaves employment in certain circumstances such as ill health, injury, disability, retirement, redundancy or his or her employing business being sold or transferred outside the AstraZeneca group then:

- (i) where cessation of employment occurs before the end of the performance period, the Award will vest pro rata to the time elapsed between the date of grant of the Award and the date of cessation of employment at the end of the relevant performance period, subject to the satisfaction of the performance target(s) measured over the relevant performance period. However, the Remuneration Committee may permit the Award to vest immediately on cessation of employment to the extent that the performance target(s) has been met from the date of grant to the date of cessation of employment. If the Remuneration Committee believes that exceptional circumstances warrant this, it may exercise its discretion to vest the Award on another basis; and
- (ii) where cessation of employment occurs during any applicable holding period, the Award will vest in respect of all the Shares that continue to be subject to the Award as soon as practicable following cessation of employment. Any Award of a participant whose employment has been terminated for gross misconduct will lapse immediately on termination.

Payment on account of dividends

On vesting of an Award the participant may receive an amount (in cash or shares) equivalent to the dividends which have accrued in respect of the proportion (if any) of the Award that actually vests.

Transfer or issue of shares once the Award has vested

Once a participant's Award has vested, the relevant number of Shares will be transferred

or issued to the participant as soon as practicable. All Shares allotted or transferred under the Plan will carry the same rights as all other issued ordinary Shares in the Company (except for entitlements arising before the date of acquisition by the participant) and where necessary application will be made for the Shares to be admitted to listing and trading on the London Stock Exchange.

Change of control

If there is a change of control of the Company, Awards will vest on the change of control, pro-rata to the time elapsed between the date of grant of an Award and the change of control (or the third anniversary of grant if earlier), to the extent that the performance target(s) has been met up to the date of the change of control (or the most practicable earlier date having regard to the relevant performance target(s)). The Remuneration Committee will, in addition, and if it believes that exceptional circumstances warrant this, have discretion to take into account any other factors it believes to be relevant in determining the extent to which Awards will vest in these circumstances.

Duration of the Plan

No Award may be granted after 10 years from the date of shareholder approval of the Plan.

Amending the rules of the Plan

The Company (acting through the Board or the Remuneration Committee) has authority to amend the rules of the Plan, provided that no amendment to the advantage of participants may be made to provisions relating to:

- > eligibility to be a participant;
 - > the limits on the number of Shares which can be issued under the Plan;
 - > maximum entitlement for any one participant;
 - > the basis for determining a participant's entitlement to Shares and the terms on which they can be acquired; and
 - > any adjustment in the event of a variation in the Company's share capital
- without the prior approval of shareholders in general meeting unless the amendment is minor and made to benefit the administration of the Plan, to take account of a change in legislation or to obtain or maintain favourable tax, exchange control or regulatory treatment.

Additional schedules to the rules can be adopted to operate the Plan outside the UK. These schedules can vary the rules of the Plan to take account of any securities, exchange control or taxation laws or regulations. The Shares issued under any additional schedule will count towards the overall limit on the number of Shares that may be issued under the Plan.
