PROXY STATEMENT
FOR
ANNUAL MEETING OF SHAREHOLDERS

September 11, 2003

Solicitation of Proxies

This proxy statement is furnished in connection with the solicitation by the Board of Directors of Environmental Tectonics Corporation, a Pennsylvania corporation (the "Company"), of proxies in the accompanying form for use at the Annual Meeting of Shareholders to be held at 10:00 a.m. on Thursday, September 11, 2003, at our executive offices at 125 James Way, County Line Industrial Park, Southampton, Pennsylvania 18966 and at any adjournment thereof. This proxy statement and accompanying form of proxy are being provided to shareholders on or about August 15, 2003, along with our 2003 Annual Report to shareholders. In addition to the use of the mails, our directors, officers and employees may solicit proxies personally or by telephone. The expense of soliciting proxies will be borne by the Company.

Voting and Revocation of Proxies

When a proxy in the enclosed form is properly executed and returned in time to be voted at the Annual Meeting, the shares represented thereby will be voted at the Annual Meeting in accordance with the instructions marked thereon. Signed proxies not marked to the contrary will be voted "FOR" the election, as directors, of the Board of Directors' nominees. The Board of Directors knows of no matters other than those that are described in this Proxy Statement that may be brought before the meeting. However, signed proxies will be voted "FOR" or "AGAINST" any other matter that properly comes before the Annual Meeting or any adjournment thereof, in the discretion of the persons named as proxyholders. Any such proxy may be revoked at any time before its exercise by (i) executing and delivering a later dated proxy to the Secretary of the Company, (ii) giving written notice of revocation to the Secretary of the Company, or (iii) by voting in person at the Annual Meeting. Our mailing address is 125 James Way, County Line Industrial Park, Southampton, Pennsylvania 18966.

Voting Securities, Record Date and Quorum

Shareholders of record at the close of business on July 18, 2003 (the "Record Date"), are entitled to notice of, and to vote at, the Annual Meeting. On the Record Date, we had outstanding 7,157,239 shares of common stock. Each issued share of common stock is entitled to one vote with respect to each director nominee and one vote on all other matters coming before the Annual Meeting. Cumulative voting is not permitted.

The presence, in person or by proxy, of shareholders entitled to cast a majority of the votes which all shareholders are entitled to cast shall constitute a quorum at the Annual Meeting. Shares voted as abstentions on any matter (or a "withhold vote for" as to a director) will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum at the Annual Meeting and as unvoted, although present and entitled to vote, for purposes of determining the approval of each matter as to which the shareholder has abstained. Consequently, abstentions and withheld votes have the same effect as a vote against a proposal. If a broker submits a proxy that indicates the broker does not have discretionary authority as to certain shares to vote on one or more matters, those shares will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum at the Annual Meeting, but will not be considered as present and entitled to vote with respect to determining the approval of such matters.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

Why am I receiving this proxy statement and proxy card?

You are receiving a proxy statement and proxy card because you own shares of our common stock. This proxy statement describes the matters on which we would like you, as a shareholder, to vote. It also gives you information on these matters so that you can make an informed decision.

What am I voting on?

You are voting for the election of five members of the Board of Directors.

What vote is required to elect directors?

The Board of Directors are elected by a plurality of votes which means that the five directors receiving the highest number of votes will serve as members of the Board of Directors until their successors have been elected and qualified.

How do I vote?

After carefully reading and considering the information contained in this proxy statement, you may cast your vote in one of the following ways:

by completing the accompanying proxy card and returning it in the enclosed envelope; or

by appearing and voting in person at the Annual Meeting.

If your shares are held in street name, which means that your shares are held in the name of a bank, broker or other financial institution instead of in your own name, you must either direct the financial institution as to how to vote your shares or obtain a proxy from the financial institution to vote at the Annual Meeting.

May I change my vote?

After mailing in your proxy, you may change your vote by following any of these procedures. If you are a shareholder of record, meaning that the shares you own are registered in your name as of July 18, 2003, then to revoke your proxy, you must do one of the following before the vote is taken at the Annual Meeting:

send written notice revoking your proxy to the Company's Secretary at 125 James Way, County Line Industrial Park, Southampton, Pennsylvania 18966; or

sign and return a proxy with a later date.

If you are not a holder of record but you are a beneficial holder, meaning that your shares are registered in another name (for example, in street name), you must follow the procedures required by the holder of record, which is usually a brokerage firm, bank or other financial institution, to revoke a proxy. You should contact the holder of record directly for more information on these procedures. In any event, you may not change your vote or revoke your proxy after the vote is taken at the Annual Meeting.

How do I vote in person?

If you plan to attend the Annual Meeting and wish to vote in person, we will give you a ballot when you arrive. If your shares are held in street name, you must bring an account statement or letter from the brokerage firm or bank showing that you were the beneficial owner of the shares on July 18, 2003, the record date for determining which of our shareholders are entitled to notice of, and to vote at, the Annual Meeting, in order to vote at the Annual Meeting. In addition, if you want to vote your shares that are held in street name, you must obtain a legal proxy from the holder of record and present it at the Annual Meeting.

Who can answer my questions about the Annual Meeting?

If you have additional questions about the Annual Meeting, you should contact Duane D. Deaner, our Chief Financial Officer, at (215) 355-9100.

[Back to Contents](#)**ELECTION OF DIRECTORS****General**

Our Bylaws provide that the Board of Directors shall consist of not less than three nor more than ten directors. Within the foregoing limits, the Board of Directors may, from time to time, fix the number of directors. The Board of Directors has fixed the number of directors at five directors.

Vacancies in the Board of Directors occurring by reason of death, resignation, removal or disqualification of a director may be filled for the unexpired term by a majority vote of the remaining directors of the Board of Directors although less than a quorum. Newly created directorships resulting from an increase in the authorized number of directors by action of the board of directors may be filled by a two-thirds vote of the directors serving at the time of such increase. Each director so elected to fill a vacancy or a newly created directorship shall hold office until such director's successor is elected by the shareholders at the next annual or special meeting of shareholders or until the earlier death, resignation, removal or disqualification of each such director.

On July 11, 2003, Richard E. McAdams, our Executive Vice President and a director, retired from the Board.

At the Annual Meeting, five directors shall be elected to serve for a one-year term and until their successors are elected and qualified.

The Board of Directors has unanimously nominated George K. Anderson, M.D., MPH, Howard W. Kelley, H. F. Lenfest, William F. Mitchell and Pete L. Stephens, M.D. for election as directors of the Company. Each of the nominees has consented to being named in this proxy statement and to serve if elected. If any of the nominees become unable to accept nomination or election, the persons named in the proxy may vote for a substitute nominee selected by the Board of Directors. The Company's management, however, has no present reason to believe that any of the nominees will be unable to serve as a director, if elected.

The five nominees who receive the highest number of votes cast at the Annual Meeting will be elected as directors. Shares represented by properly executed proxies will be voted for the nominees named below unless otherwise specified in the proxy by the shareholder. Any shareholder who wishes to withhold authority from the proxyholders to vote for the election of directors or to withhold authority to vote for any individual nominee may do so by marking his or her proxy to that effect. Shareholders cannot cumulate their votes for the election of directors. No proxy may be voted for a greater number of persons than the number of nominees named.

The board of directors unanimously recommends a vote for Messrs. Kelley, Lenfest and Mitchell and Drs. Anderson and Stephens.

Meetings and Committees of Board of Directors

During the fiscal year ended February 28, 2003, the Board of Directors held five meetings. All members of the Board of Directors attended all of the meetings of the Board of Directors held while they were members of the Board of Directors.

During the fiscal year ended February 28, 2003, we had an Audit Committee consisting of Mr. David Lazar and Mr. Stephens. Although the Audit Committee did not hold formal meetings, both members of the Audit Committee reviewed our Quarterly Reports on Form 10-Q and our Annual Report on Form 10-K with management and our external auditors. Although not formally elected the Chairman of the Audit Committee, Mr. Lazar did satisfy the financial sophistication requirements of the American Stock Exchange. In addition, Mr. Stephens satisfied the financial literacy requirements of the American Stock Exchange. Mr. Lazar resigned from the Board of Directors in December 2002.

Mr. Howard Kelley has replaced Mr. Lazar on the Audit Committee and he was elected the Chairman of the Audit Committee and Dr. Anderson was appointed to the Audit Committee in June 2003. We believe that Mr. Kelley satisfies the financial sophistication requirements of the American Stock Exchange and that Dr. Anderson and Dr. Stephens each satisfy the financial literacy requirements of the American Stock Exchange. In addition, we believe that each of Mr. Kelley and Drs. Stephens and Anderson are independent directors as defined in Section 121(A) of the American Stock Exchange Listing Standards. The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of our independent accountants in their preparation or issuance of an audit report or the performance of other audit and review services. The Audit Committee operates under a written charter adopted by the Board of Directors.

Dr. Stephens also served on our Compensation Committee during the year ended February 28, 2003. The Compensation Committee is charged with reviewing the compensation and incentive plans of officers and key personnel. Since no changes were contemplated in the compensation and incentive plans of our officers and key personnel, the Compensation Committee did not hold any formal meetings. Mr. Kelley and Dr. Anderson were appointed to the Compensation Committee in June 2003.

During the fiscal year ended February 28, 2003, we did not have a Nominating Committee.

Our directors who do not serve as officers are paid \$2,000 per quarter for attending Board of Directors and committee meetings.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board of Directors is composed of three independent directors, as defined in Section 121(A) of the American Stock Exchange listing standards.

The Audit Committee operates under a written charter adopted by the Board of Directors. The Audit Committee recommends to the Board of Directors the appointment of the Company's independent accountants.

Management is responsible for the Company's internal controls and the financial reporting process. The Company's independent accountants are responsible for performing an independent audit of its consolidated financial statements in accordance with generally accepted auditing standards and to issue a report on the Company's financial statements. The Audit Committee's responsibility is to monitor and oversee these processes.

In this context, the Audit Committee has reviewed the audited financial statements of the Company for the fiscal year ended February 28, 2003, and met and discussed them with management and the Company's independent accountants, Grant Thornton LLP. The Audit Committee also has discussed with the independent accountants the matters required to be discussed by the U.S. Statement of Auditing Standards No. 61.

The Audit Committee has received from the independent accountants the written disclosures and letter required by the U.S. Independent Standards Board Standard No. 1, and the Audit Committee has discussed with the accountants their independence from the Company and management. The Audit Committee also considered whether non-audit services provided by the independent accountants during the last fiscal year were compatible with maintaining the independence of the independent accounts.

Based on the review and discussions described above, the Audit Committee recommended to the Board of Directors that the Company's audited financial statements for the fiscal year ended February 28, 2003, be included in the Company's Annual Report on Form 10-K for that fiscal year.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Company's executive compensation program is administered by the Compensation Committee of the Board of Directors. The Compensation Committee is composed entirely of non-employee Directors. The executive compensation programs are structured to link executive compensation to the Company's performance and, through programs which use the Company's stock as a compensation medium, to more closely align the interests of executive management with those of the Company's shareholders.

The Compensation Committee evaluates and recommends, to the Board of Directors, compensation and awards for the Chief Executive Officer and other executive officers.

Compensation Philosophy

One of the Company's principal goals in establishing its compensation policies is to maximize the possibilities for enhanced shareholder value by closely aligning compensation for its executive officers with the profitability of the Company. In that regard, it is considered essential to the success of the Company that compensation policies enable the Company to attract, retain and satisfactorily reward executive officers who are contributing to the long-term growth and success of the Company.

Components of Compensation. At present, the executive compensation program is comprised of salary, annual cash bonus incentive opportunities and long-term incentive opportunities in the form of options to acquire Company stock. Base salary levels for the executive officers of the Company are set near the average base salary levels paid by other companies within the Company's peer group. Mr. William F. Mitchell, President and Chief Executive Officer, received a base salary of \$225,000 in the 2003 fiscal year.

Short-Term Incentive Compensation

Based on the performance for the fiscal year ended February 28, 2003, no incentive compensation awards were made to any officers or key employees. The review included an assessment of the Company's performance against financial and non-financial targets, set at the beginning of the 2003 fiscal year, relating to bookings, sales, net income, stock price and individually tailored goals. The targets reflected the Board of Directors' determination of the appropriate goals for the Company. Under the Executive Management/Key Employee Plan (the "Executive Management Plan") executive officers (other than CEO) are eligible to receive bonuses in an amount up to 25% of base salary if the predetermined goals are attained.

Under the Chief Executive Officer Plan (the "CEO Plan"), Mr. Mitchell was eligible to receive a bonus for fiscal 2003 (i) in an amount up to 25% of base salary if the Company attained predetermined goals regarding sales and net income and (ii) in an amount from 25% to 100% of base salary if the Company's stock price performance met predetermined goals. Based on these criteria, Mr. Mitchell did not receive any bonus for fiscal 2003, and was not paid in 2003 a deferred bonus from any prior fiscal year.

Under the CEO Plan and the Executive Management Plan, 75% of any bonuses awarded for a particular fiscal year are paid in May of the following fiscal year, and the remaining 25% is paid in equal installments over the succeeding five years with interest at the average prime rate being charged over the period by the Company's principal bank. Deferred bonus amounts are not vested until paid and are subject to continued employment. No bonus awards were earned or paid for the year ended February 28, 2003, as the Company did not achieve the predetermined goals. Also, as of the record date, no deferred bonus awards from prior years had been paid to any officers or key employees.

Long-Term Incentive Compensation

The Company's 1998 Incentive Stock Option Plan is a long-term plan designed not only to provide incentives to management, but also to align a significant portion of the executive compensation program with shareholder interests. The 1998 Incentive Stock Option Plan permits the Company to grant certain officers and employees a right to purchase shares of stock at the fair market value per share at the date the option is granted. No options were granted in fiscal 2003. In granting stock options to officers and employees, the Compensation Committee takes into account the Company's financial performance, long-term strategic goal of increasing shareholder value,

the executive's level of responsibility and his continuing contributions to the

[Back to Contents](#)

Company. The amount of the award to any employee is based on the employee's base salary and the total award for any employee is limited to one percent (1%) of total outstanding shares on award date. Mr. Mitchell did not receive any options during the past three fiscal years.

CERTAIN RELATIONSHIPS AND TRANSACTIONS

Item 13. Certain Relationships and Related Transactions

On February 19, 2003, we completed a refinancing of our indebtedness with the PNC Bank, National Association and H.F. Lenfest in the aggregate amount of \$29,800,000. Pursuant to the terms of a Convertible Note and Warrant Purchase Agreement, dated February 18, 2003, between us and Mr. Lenfest, we issued to Mr. Lenfest (i) a 10% senior subordinated convertible promissory note in the original principal amount of \$10,000,000 and (ii) warrants to purchase 803,048 shares of our common stock. As a condition to closing the financing, we appointed Mr. Lenfest to our Board of Directors. For a more detailed description of the financing provided by Mr. Lenfest and PNC, see the Liquidity and Capital Resources section of our Annual Report to Stockholders attached as Exhibit 13 to our Annual Report on Form 10-K filed with the Securities and Exchange Commission on May 29, 2003, and provided to you with this proxy statement.

Prior to the consummation of the refinancing, ETC Asset Management, LLC, a shareholder and a holder of warrants to purchase 332,820 shares of our common stock, consented to the financing transactions with PNC and Lenfest including the below-market issuance of warrants to Mr. Lenfest. As a result of its consent, ETC Asset Management waived, solely in connection with the issuance to Mr. Lenfest, the anti-dilution rights contained in its warrant. In exchange for ETC Asset Management's consent and waiver, we issued to ETC Asset Management warrants to purchase an additional 105,000 shares of common stock. Except for the number of shares issuable upon exercise of the warrants, the new ETC Asset Management warrants have substantially the same terms as the warrants issued to Mr. Lenfest. As of the date that these warrants were issued to ETC Asset Management, it was the beneficial owner of greater than 5% of our common stock as determined in accordance with Rule 13d-3 under the Securities Exchange Act of 1934. For a more detailed description of the financing provided by Mr. Lenfest and PNC, see the Liquidity and Capital Resources section of our Annual Report to Stockholders attached as Exhibit 13 to our Annual Report on Form 10-K.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Mr. Kelley and Drs. Anderson and Stephens serve on the Compensation Committee. None of these individuals has at any time been an officer or employee of the Company. Prior to formation of the Compensation Committee, all decisions regarding executive compensation were made by the full Board of Directors. No interlocking relationship exists between the Board of Directors or Compensation Committee and the Board of Directors or Compensation Committee of any other company, nor has any interlocking relationship existed in the past.

COMPLIANCE WITH SECTION 16(a) OF THE SECURITIES EXCHANGE ACT OF 1934

Section 16(a) of the Securities Exchange Act of 1934 requires our officers and directors, and persons who own more than ten percent of a registered class of our equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission (SEC) and the American Stock Exchange. Officers, directors and greater than ten percent shareholders are required by SEC regulations to furnish us with copies of all Section 16(a) reports they file. The rules of the SEC regarding the filing of Section 16(a) reports require that late filings of Section 16(a) reports be disclosed in our proxy statement.

Based solely on our review of the copies of such forms which we received, or written representations from reporting persons that no Section 16(a) reports were required for those persons, we believe that, during the fiscal year ended February 28, 2003, our officers, directors and greater than ten percent beneficial owners complied with all applicable filing requirements except for Mr. McAdams, who had one late filing, Mr. Kelley who had two late filings, Mr. Stephens who had three late filings, and Mr. Mitchell, who had three late filings, two of which reported gifts of common stock to his family members.
