INDEPENDENT ADVISOR AND LARGE INSTITUTIONAL STOCKHOLDERS RECOMMEND  
VOTING FOR ELLIOTT'S DIRECTOR NOMINEES FOR  
METROMEDIA INTERNATIONAL GROUP, INC. (MMG)

Dear Fellow Stockholder:

On September 25, 2001, Institutional Shareholder Services (ISS), the nation's largest independent proxy advisory firm, which provides its objective analytical services to institutional money managers, released a detailed analysis of the MMG proxy contest and recommended that stockholders vote the BLUE proxy card FOR Elliott's director nominees, Robert A.G. Monks and Robert B. Holmes.

In addition, California Public Employees Retirement System (CalPERS), the largest public pension plan nationwide with currently over \$155 billion in

assets and the beneficial owner of 648,400 shares of MMG common stock, and Snyder Capital Management, L.P. (Snyder), the beneficial holder of 6,850,200 shares of MMG common stock, have announced that they will vote FOR our nominees on the BLUE proxy card.

### WHAT INDEPENDENT THIRD PARTIES ARE SAYING:

ISS RECOMMENDS YOU VOTE FOR OUR NOMINEES ....

In its analysis ISS made the following comments:

- o "...[T]he election of two new independent directors with a clear mandate to launch a restructuring plan appears to offer one of the best near-term means of restoring the market's confidence in MMG and enhancing shareholder value."
- o "... [I]t has taken an inordinate amount of time for management to iron out negotiations with its creditors and move forward with a solid business plan to maximize shareholder value."
- o "Messrs. Monks and Holmes certainly possess enough combined corporate and boardroom experience to serve as `watchdogs' on a board that, at best, is having some difficulty in either formulating a restructuring plan, selling it to the company's creditors and bondholders, or both."

CALPERS INTENDS TO VOTE FOR THE ELLIOTT NOMINEES ....

In a letter to certain MMG stockholders dated September 24, 2001, CalPERS stated the following: "CalPERS believes that director independence is an essential element in board accountability. Therefore, CalPERS intends to vote for election of the Elliott Associates/Lens Management alternative slate of director nominees - Robert A.G. Monks and Robert B. Holmes. We believe Metromedia's current board has not been responsive to shareholders and that the election of truly independent outside directors is essential to protecting the interests of all public shareholders."

SNYDER, MMG'S LARGEST INDEPENDENT STOCKHOLDER, CALLS FOR A CHANGE IN THE BOARD OF DIRECTORS ....

Snyder, in a 13D/A it filed with the Securities and Exchange Commission on September 25, 2001, stated the following:

"We believe that the current management and board of directors of Metromedia Group International, Inc. have not acted in the best interests of the stockholders and have continually been unresponsive to stockholder needs. As a stockholder of more than five years that is interested in the long-term value of the company, we strongly believe there is a pressing need for accountability, and believe that, as a first step, a change is needed in the board of directors. Thus, we have decided, after reviewing all the options, to give our proxy to [Elliott Associates, L.P.] in support of its director

nominees. This action is necessary to begin making the board and management accountable to the stockholders and achieve the long-term value of the company."

-----

WE BELIEVE MMG WOULD GREATLY BENEFIT FROM NEW INDEPENDENT DIRECTORS.

The value of MMG common stock has diminished more than 86% since November 1995, when MMG commenced public trading. On September 10th the stock closed at \$2.44 per share.

We believe that the stock market continues to undervalue MMG common stock because the management has failed to get Wall Street analyst coverage and because the current Board has not taken the decisive actions necessary to unlock the true value of MMG.

In our view, the first necessary step is to put new directors on the Board who are committed to taking the actions necessary to enhance stockholder value. The current Board has had its chance and has not delivered. It's time for new views and opinions. Our independent Board nominees will represent ALL stockholders.

VOTE FOR OUR INDEPENDENT DIRECTOR NOMINEES TO PROTECT YOUR INTERESTS.

You can take an important step towards bringing about that change by signing, dating and returning the enclosed BLUE proxy card today.

If you have any questions or require assistance in voting your proxy, please call MacKenzie Partners, Inc. at (800) 322-2885 (Toll Free) or (212) 929-5500 (Call Collect). Thank you for your support.
