Carter Holt Harvey Limited (CHH) a 50.4 percent owned subsidiary of International Paper Company, today announced it has entered into an agreement to sell its Tissue business and its 50 percent interest in Sancellia to Svenska Cellulosa Aktiebolaget (SCA) for NZ\$1.015 billion. The agreement is conditional on normal regulatory consents from the Overseas Investment Commission (OIC) and Foreign Investment Review Board (FIRB), with the sale completion date expected to be effective mid May.

The agreement comes after CHH's November 2003 announcement to explore alternatives for its Tissue business which comprises the Consumer Brands, Experko and Treasures Babycare business. The agreement also includes Sancellia, a joint venture which manufactures and markets the Libra and TENA brands.

CHH also stated that it will distribute approximately half the proceeds but in any event not less than NZ\$450 million by way of share buy back, pro rata to all shareholders.

It is anticipated the buy back will take place in CHH's third quarter, following shareholder approval and the receipt of confirmation from the Inland Revenue Department that the capital return is not a taxable dividend.
