PROXY STATEMENT FOR 2006 SPECIAL

MEETING OF STOCKHOLDERS

NOVEMBER 14, 2006

INFORMATION CONCERNING SOLICITATION AND VOTING

The enclosed proxy is solicited on behalf of the Board of Directors of Viewpoint Corporation (the Company) for use at the Special Meeting of Stockholders to be held on November 14, 2006 at 10:00 a.m., local time, or at any adjournment thereof, for the purpose set forth in the accompanying Notice of Special Meeting of Stockholders. The Special Meeting will be held at The New Yorker Hotel, 481 Eighth Ave, Wall Street Conference Room, New York, NY.

This proxy statement and the form of proxy are being mailed on or about October 16, 2006 to all stockholders entitled to vote at the Special Meeting.

Record Date and Voting Securities

Stockholders of record at the close of business on October 5, 2006 are entitled to notice of and to vote at the meeting. Each stockholder is entitled to one vote for each share of common stock held on that date. On October 5, 2006, 67,669,918 shares of common stock, \$0.001 par value, of the Company were issued and outstanding.

If your shares are registered directly in your name with our transfer agent, Computershare Investor Services, L.L.C., formerly known as Equiserve Trust Company, N.A., you are considered, with respect to those shares, the stockholder of record. As the stockholder of record, you have the right to vote in person at the meeting. If your shares are held in a brokerage account or by another nominee, you are considered the beneficial owner of shares held in street name, and the proxy materials are being forwarded to you by the nominee together with a voting instruction card. As the beneficial owner, you are also invited to attend the special meeting. However, since a beneficial owner is not the stockholder of record, you may not vote these shares in person at the meeting unless you obtain a legal proxy from the broker, trustee, or nominee that holds your shares, giving you the right to vote the shares at the meeting.

Revocability of Proxies

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use, whether the proxy was given by telephone, via the Internet or by proxy card. The proxy may be revoked by delivering to the Secretary of the Company a written notice of revocation or a duly executed proxy bearing a later date, or by making an authorized Internet or telephone communication on a later date in accordance with the instructions on the enclosed proxy card. It may also be revoked by attendance at the meeting and voting in person.

Voting and Solicitation

Proxies properly given and not revoked will be voted in accordance with the specifications made. Where no specifications are given, such proxies will be voted as the management of the Company may propose. If any matter not described in this proxy statement is properly presented for action at the meeting, the persons named in the enclosed form of proxy will have discretionary authority to vote according to their best judgment.

The cost of soliciting proxies will be borne by the Company. The Company may also reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation materials to such beneficial owners. Proxies may also be solicited by certain of the Company's directors, officers, and employees, without additional compensation, personally or by mail, email, telephone, facsimile or telegram.

Quorum; Required Votes; Abstentions; Broker Non-Votes

The required quorum for the transactions of business being voted on at the Special Meeting is a majority of the votes eligible to be cast by holders of shares of common stock issued and outstanding on the record date. Shares that are voted FOR, AGAINST, WITHHELD or ABSTAIN are treated as being present at the meeting for purposes of establishing a quorum and are also treated as shares entitled to vote at the Special Meeting with respect to such matter. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner. Broker non-votes are treated as being present at the meeting for purposes of establishing a quorum.

The proposal to amend the Company's certificate of incorporation requires the affirmative vote of at least a majority of the Company's outstanding shares of common stock. Thus, any abstentions or broker non-votes will have the effect of a vote against amending the Company's certificate of incorporation.

Mr. Nader Tavakoli is the manager of EagleRock Management and controls the investment decisions of EagleRock Management. EagleRock Management, as the investment manager of ERMF and ERIP, has the sole power to vote and dispose of the 4,780,899 shares of Company common stock held by ERMF and ERIP. As the Manager of EagleRock Management, Mr. Tavakoli may direct the voting and disposition of the combined total of 4,961,529 shares of Company common stock held by ERMF, ERIP and Nader Tavakoli. The foregoing shall not be construed as an admission that EagleRock Management or Mr. Tavakoli is for the purposes of Section 13(d) or 13(g) of the Securities Exchange Act of 1934, the beneficial owner of any of the 4,780,899 shares of Company common stock owned by ERMF or ERIP. Pursuant to Rule 13d-4, each of EagleRock Management and Mr. Tavakoli disclaims all such beneficial ownership. PROPOSAL:

AMEND CERTIFICATE OF INCORPORATION

On August 30, 2006, our Board of Directors adopted, subject to stockholder approval, an amendment to our Certificate of Incorporation to increase the total number of authorized shares of common stock from 100,000,000 shares to 150,000,000 shares. Such increase would be effectuated by amending the first paragraph of current Article Four of the Certificate of Incorporation of the Company to read as follows:

This Corporation is authorized to issue two classes of shares to be designated respectively Common Stock and Preferred Stock. The total number of shares of Common Stock this Corporation shall have authority to issue is 150,000,000 shares, and shall have a par value of \$0.001 per share, and the total number of shares of Preferred Stock this Corporation shall have authority to issue is 5,000,000 shares, and shall have a par value of \$0.001 per share.

The text of the amendment to the certificate of incorporation increasing the number of authorized shares of common stock is set forth in Exhibit A to this proxy statement. If the proposed amendment to the certificate of incorporation is approved by our stockholders, it would become effective upon the filing of a certificate of amendment with the Secretary of State of the State of Delaware, which would occur promptly after the Special Meeting. The text of the amendment to the Certificate of Incorporation is subject to modification to include such changes as may be requested by the office of the Secretary of State of the State of Delaware and as the Board of Directors deems necessary or advisable to effect the amendment.

The additional shares of common stock for which authorization is sought herein would be part of the existing class of common stock and, if and when issued, would have the same rights and privileges as the shares of common stock presently outstanding.

As of October 5, 2006, 67,669,918 shares of Common Stock were issued and outstanding. Approximately 9,926,168 additional shares are reserved for issuance upon exercise of outstanding options awarded to employees, consultants, officers, and directors. An additional 2,098,818 shares are reserved for issuance upon exercise of outstanding warrants almost all of which were issued to (a) investors who acquired

convertible notes issued by the Company in December 2002 and (b) investors who acquired common stock issued by the Company in December 2005 and the placement agent in connection with the December 2005 transaction.

Therefore, of the 100,000,000 shares currently authorized for issuance by the Certificate of Incorporation, approximately 20,305,100 shares are presently available for general corporate purposes.

Purposes and Effects of the Authorized Shares Amendment

The increase in authorized shares of Common Stock is recommended by the Board of Directors in order to provide a sufficient reserve of such shares for general corporate purposes and growth. The Board of Directors believes that an increase in the total number of shares of authorized common stock will give the Company greater flexibility in responding quickly to advantageous business opportunities. In January 2005, the Company completed its acquisition of Unicast Communications Corp. The Company believes that it will continue to have access to attractive acquisition opportunities, some of which could be large acquisitions. If the Company were to close one or more large acquisitions, it would probably be necessary or advantageous for the Company to use stock as an acquisition currency or as a means of raising equity capital to reduce the debt incurred to fund the acquisitions. Such additional authorized shares of common stock would be available for issuance at the discretion of the Board of Directors without further stockholder approval (subject to certain provisions of law and the Marketplace Rules of The Nasdaq Stock Market, Inc.) for use in connection with possible acquisitions, joint ventures, stock dividends, stock splits, to take advantage of future opportunities for equity financing, and for other general corporate purposes. The Marketplace Rules of The Nasdaq Stock Market, Inc. currently require listed companies to obtain stockholder approval before issuing in a transaction (other than a public offering) twenty percent (20%) or more of the issuer's common stock outstanding before the transaction.

We have no arrangements, agreements, or understandings in place at the present time for the issuance or use of the additional shares of Common Stock to be authorized by the proposed amendment to the Certificate of Incorporation. The Board of Directors does not intend to issue any common stock or securities convertible into Common Stock except on terms that the Board of Directors deems to be in best interests of the Corporation and its stockholders.

Although an increase in the authorized shares of Common Stock could, under certain circumstances, have an anti-takeover effect, this proposal to amend the Certificate of Incorporation is not in response to any effort of which we are aware to accumulate our stock or obtain control of the Corporation, nor is it part of a plan by management to recommend a series of similar amendments to the Board of Directors and stockholders.

Recommendation of the Board of Directors

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS

VOTE FOR THE PROPOSAL TO AMEND THE COMPANY'S CERTIFICATE OF

INCORPORATION TO INCREASE THE TOTAL NUMBER OF AUTHORIZED

SHARES OF COMMON STOCK FROM 100,000,000 TO 150,000,000.

OTHER MATTERS

As of the mailing of this proxy statement, the Board of Directors knows of no other business which will be presented for consideration to be submitted at the Annual Meeting. However, if any such other business should properly come before the Annual Meeting, it is the intention of the persons named in the enclosed proxy card to vote the proxies in respect of any such business in accordance with their best judgment.

Proposals By Stockholders

Proposals of stockholders intended to be presented at the 2007 Annual Meeting of Stockholders, other than pursuant to Rule 14a-8, must be received by the Company on or before January 5, 2007 in order to be eligible for inclusion in the Company's proxy statement and form of proxy for the meeting. Any stockholder proposal must comply with all applicable rules and regulations of the SEC. Proxies solicited by the Board of Directors for the 2007 Annual Meeting may confer discretionary authority to vote on any proposals notice of which is not received by that date.
