ITEM 2. ACQUISITION OR DISPOSITION OF ASSETS.

On July 1, 2003, Municipal Mortgage & Equity, LLC (NYSE: MMA), known as MuniMae, completed its acquisition of the Housing and Community Investing (HCI) unit of Lend Lease Real Estate Investments, a subsidiary of Australian-based Lend Lease Corporation Limited (ASX: LLC), for a purchase price of \$102 million in cash. HCI merged with MMA Financial, LLC, MuniMae's wholly owned operating subsidiary. MMA Financial manages investments in real estate totaling \$7.4 billion, representing approximately 220,000 apartment units. According to the

National Multifamily Housing Council, MMA Financial is currently the fourth largest owner of apartments in the United States. Through the integration of HCI's affordable housing tax credit syndication operation into MuniMae's existing operations, MMA Financial becomes one of the nation's largest players in the affordable housing industry.

HCI provides equity financing for a wide range of affordable housing developments across the country. Developments include new construction, substantial rehabilitations, and revitalizations of public housing. HCI structures and manages low income housing tax credit investments for corporate investors. As a syndicator of tax credits, HCI sources and acquires deals from developers, structures the investments and manages the assets in the investment for the 15-year holding period. MMA Financial will represent approximately 15% of the tax credit syndication market with \$4.5 billion in tax credit equity and 147,350 tax credit units under management.

To finance the transaction, MuniMae drew from an 18-month, LIBOR-based acquisition facility in the amount of \$120 million from RBC Capital Markets. The amount of consideration paid was determined pursuant to arms-length negotiations between the parties.

The foregoing description of the acquisition is qualified in its entirety by reference to the full text of the Purchase and Sale Agreement, a copy of which is filed as Exhibit 2.1 hereto and which is incorporated by reference herein.
