PROXY STATEMENT

Shelton, Connecticut
October 20, 2003

The accompanying Proxy is solicited by and on behalf of the Board of Directors of Baldwin Technology Company, Inc., a Delaware corporation (the "Company" or "Baldwin"), for use only at the Annual Meeting of Stockholders (the "Annual Meeting") to be held at the Hilton Garden Inn, 25 Old Stratford Road, Shelton, Connecticut on the 11th day of November, 2003 at 10:00 a.m., Eastern Standard Time, and at any adjournment thereof. The approximate date on which this Proxy Statement and accompanying Proxy will first be given or sent to stockholders is October 21, 2003.

Each Proxy executed and returned by a stockholder may be revoked at any time thereafter, by written notice to that effect to the Company, attention of the Secretary, prior to the Annual Meeting, or to the Chairman, or the Inspectors of Election, at the Annual Meeting, or by execution and return of a later-dated Proxy, except as to any matter voted upon prior to such revocation.

Proxies in the accompanying form will be voted in accordance with the specifications made and, where no specifications are given, will be voted FOR the election as Directors of the nominees named herein and if any one or more of such nominees should become unavailable for election for any reason then FOR the election of any substitute nominee that the Board of Directors of the Company may propose. In the discretion of the proxy holders, the Proxies will also be voted FOR or AGAINST such other matters as may properly come before the meeting. The management of the Company is not aware of any other matters to be presented for action at the meeting.

With regard to the election of Directors, votes may be cast in favor of or withheld from each nominee; votes that are withheld will be counted as present for purposes of determining the existence of a quorum and will not have any effect on the vote. Abstentions may be specified on all proposals except the election of Directors and will be counted as present for the purposes of determining the existence of a quorum regarding the item on which the abstention is noted. Broker non-votes will be counted for purposes of determining the presence or absence of a quorum and will have no effect on the outcome of the election of Directors.

The affirmative vote of a majority of the votes entitled to be cast by the holders of the outstanding shares of Class A Common Stock, par value \$.01 per share (the "Class A Common Stock"), and Class B Common Stock, par value \$.01 per share (the "Class B Common Stock"), present, in person or by proxy, and entitled to vote at the meeting, voting as a single class, with each share of Class A Common Stock having one vote per share and each share of Class B Common Stock having ten votes per share, is required for the approval of any matters voted upon at the meeting or any adjournment thereof other than the election of Directors. The required votes for the election of Directors is described below under the caption "Voting Securities."

VOTING SECURITIES

The Board of Directors has fixed the close of business on September 30, 2003 as the record date for the determination of stockholders entitled to receive notice of and to vote at the Annual Meeting. The issued and outstanding stock of the Company on September 30, 2003 consisted of 12,828,647 shares of Class A Common Stock and 2,185,883 shares of Class B Common Stock.

With respect to the election of Directors, the holders of Class A Common

Edgar Filing: BALDWIN TECHNOLOGY CO INC - Form DEF 14A

Stock, voting as a separate class, are entitled to elect 25% of the total number of Directors (or the nearest higher whole number) constituting the entire Board of Directors. Accordingly, the holders of Class A Common Stock are entitled to elect two of the eight Directors that will constitute the entire Board of Directors. Holders of Class B Common Stock, voting as a separate class, are entitled to elect the remaining Directors, so long as the number of outstanding shares of Class B Common Stock is equal to at least 12.5% of the number of outstanding shares of both classes of Common Stock as of the record date. If the number of outstanding shares of Class B Common Stock is less than 12.5% of the total number of outstanding shares of both classes of Common Stock as of the record date, the remaining directors are elected by the holders of both classes of Common Stock voting together as a single class, with the holders of Class A Common Stock having one vote per share and the holders of Class B Common Stock having ten votes per share. As of September 30, 2003 the number of outstanding shares of Class B Common Stock constituted approximately 14.6% of the total number of outstanding shares of both classes of Common Stock. Accordingly, the holders of Class B Common Stock, voting as a separate class, are entitled to elect six of the eight Directors constituting the entire Board of Directors.

Except with respect to the election or removal of Directors, and certain other matters with respect to which Delaware law requires each class to vote as a separate class, the holders of Class A Common Stock and Class B Common Stock vote as a single class on all matters, with each share of Class A Common Stock having one vote per share and each share of Class B Common Stock having ten votes per share. A quorum of stockholders is constituted by the presence, in person or by proxy, of holders of record of both Class A Common Stock and Class B Common Stock representing a majority of the aggregate number of votes entitled to be cast by both classes together. Abstentions will be considered present and have the effect of a negative vote; broker non-votes will be neither present nor have any effect on the vote on such matters.

With respect to the election or removal of Directors, and certain other matters with respect to which Delaware law requires each class to vote as a separate class, a quorum of the stockholders of such class is constituted by the presence, in person or by proxy, of holders of record of such class representing a majority of the number of votes entitled to be cast by such class. As stated above, proxies withheld and broker non-votes will be excluded entirely with respect to the election of Directors and have no effect on the vote thereon.

Under the Company's Certificate of Incorporation, the Board of Directors (the "Board") is divided into three classes, with each class being as equal in size as possible. One class is elected each year. Directors in each class hold

Edgar Filing: BALDWIN TECHNOLOGY CO INC - Form DEF 14A

office for a term of three years and until their respective successors are elected and qualified. There are currently eight members of the Company's Board of Directors, the number having been set by the Board of Directors in accordance with the Company's By-laws. Judith A. Mulholland, a Class I Director, and Mark T. Becker, a Class II Director, were elected by a plurality vote of the outstanding shares of Class A Common Stock. Akira Hara and Ralph R. Whitney, Jr., Class III Directors, were elected by a plurality vote of the outstanding shares of Class B Common Stock. Samuel B. Fortenbaugh III, a Class I Director, and Gerald A. Nathe and Henry F. McInerney, Class II Directors, were elected by a plurality vote of the outstanding shares of Class A Common Stock and Class B Common Stock voting together as a single class. Rolf Bergstrom was elected by the Board as a Class I Director in February, 2003.

At this year's Annual Meeting, three Directors will be elected to Class I. If elected, their terms will expire at the Annual Meeting in 2006. Samuel B. Fortenbaugh III, Judith A. Mulholland and Rolf Bergstrom, who are currently Class I Directors, have been nominated to serve as Class I Directors. Because the number of shares of Class B Common Stock is equal to at least 12.5% of the number of outstanding shares of both classes of Common Stock as of the record date, Messrs. Fortenbaugh and Bergstrom may be elected by a plurality vote of the outstanding shares of Class B Common Stock present, in person or by proxy, and entitled to vote at the meeting, voting as a separate class, and Ms. Mulholland may be elected by a plurality vote of the outstanding shares of Class A Common Stock present, in person or by proxy, and entitled to vote at the meeting, voting as a separate class.

The Board of Directors knows of no reason why any nominee for Director would be unable to serve as a Director. If any nominee should for any reason be unable to serve, the shares represented by all valid proxies not containing contrary instructions may be voted for the election of such other person as the Board may recommend in place of the nominee that is unable to serve.

Set forth below are the names of all continuing Directors and nominees and certain biographical information with respect to each such continuing Director and nominee.

BOARD OF DIRECTORS

Edgar Filing: BALDWIN TECHNOLOGY CO INC - Form DEF 14A

The Board of Directors has responsibility for establishing broad corporate policies and for overseeing the management of the Company, but is not involved in day-to-day operations. Members of the Board are kept informed of the Company's business by various reports and documents sent to them as well as by operating and financial reports presented at Board and Committee meetings. During the fiscal year ended June 30, 2003, the Board held six regular scheduled meetings, six special meetings and acted by Written Consent twice. Each of the Directors attended at least 75% of the meetings of the Board and the Committees on which they serve.

The Board of Directors has determined that all of the members of the Audit Committee are "independent," as defined by the rules of the American Stock Exchange.

COMPENSATION OF DIRECTORS

Directors who were not employees of the Company received a \$16,000 annual retainer and a fee of \$1,000 for each meeting they attended of the Board of Directors or the Committee on which they served during the fiscal year ended June 30, 2003. However, no fee is paid for a Committee meeting held in conjunction with a Board meeting.

Non-employee Directors also received annual awards of stock options under the Company's 1990 Directors' Stock Option Plan (the "1990 Plan"), until the 1990 Plan was terminated in November 1998. From 1990 through 1997, each year, on the third day following the Company's Annual Meeting of Stockholders, every eligible Director was automatically granted an option to purchase 1,000 shares of Common Stock, allocated between Class A Common Stock and Class B Common Stock in the same ratio as there were shares outstanding of Class A Common Stock to shares of Class B Common Stock on such day. Under the 1990 Plan, options to purchase 32,923 shares of Class A Common Stock and 4,077 shares of Class B Common Stock were granted, of which options to purchase 12,524 shares of Class A Common Stock and 1,476 shares of Class B Common Stock remain outstanding, at exercise prices ranging from \$2.56 to \$5.50 per share for the options to purchase Class A Common Stock and at \$3.20 to \$6.88 per share for the options to purchase Class B Common Stock. Of the current Directors of the Company who received option grants under the 1990 Plan, two Directors were granted options to purchase 7,115 shares of Class A Common Stock and 885 shares of Class B Common Stock; and one Director was granted options to purchase 3,582 shares of Class A Common Stock and 418 shares of Class B Common Stock.

The 1998 Non-Employee Stock Option Plan (the "1998 Plan") was adopted at the 1998 Annual Meeting of Stockholders and terminated in November 2001. From 1998 through 2001, non-employee Directors received annual awards of stock options under the 1998 Plan. Each year, following the Company's Annual Meeting of Stockholders, every eligible Director was automatically granted an option to purchase 3,000 shares of Class A Common Stock. AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors of the Company assists the Board in its oversight of the quality and integrity of the accounting, auditing, and financial reporting practices of the Company. The committee operates under a written charter adopted by the Board. The committee is comprised of two non-employee directors, both of whom are "independent" as defined by the rules of the American Stock Exchange as in effect on the date of this report. In addition, the Board has determined that at least one member of the committee meets the American Stock Exchange requirement of having accounting or related financial management expertise.

Edgar Filing: BALDWIN TECHNOLOGY CO INC - Form DEF 14A

In performing its oversight responsibilities, the committee reviewed and discussed the audited consolidated financial statements of the Company as of and for the fiscal year ended June 30, 2003, with management and PricewaterhouseCoopers LLP ("PwC"), the Company's independent accountants. Management has the primary responsibility for the financial statements and the reporting process. PwC is responsible for expressing an opinion as to whether these financial statements are presented fairly, in all material respects, in conformity with accounting principles generally accepted in the United States.

The committee has reviewed and discussed the consolidated financial statements of the Company and its subsidiaries, which are included as Item 8 in the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2003, with management of the Company and PwC.

The committee also discussed with PwC their judgment as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required by generally accepted auditing standards, including those described in Statement on Auditing Standards No. 61, "Communication with Audit Committees."

The committee has received the written disclosures and the letter from PwC required by Independence Standards Board Standard No. 1 and has discussed with PwC its independence from the Company. The committee considered whether the provision of non-audit services by PwC to the Company is compatible with maintaining the independence of PwC and concluded that the independence of PwC is not compromised by the provision of such services.

Based on the review and discussions with management of the Company and PwC referred to above, the Audit Committee has recommended to the Board of Directors that the Company publish the consolidated financial statements of the Company and subsidiaries for the fiscal year ended June 30, 2003 in the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2003.

COMPENSATION OF EXECUTIVE OFFICERS

COMPENSATION AND STOCK OPTION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation and Stock Option Committee of the Board of Directors (the "Committee") is comprised of three non-employee Directors of the Company. The Committee has the responsibility for establishing the salary, incentive compensation, non-wage benefits and perquisites of the Chief Executive Officer and each of the other executive officers of the Company.

Set forth below is a report submitted by the members of the Committee addressing the Company's compensation policies for the fiscal year ended June 30, 2003 ("Fiscal 2003") as they affected the executive officers of the Company.

Philosophy

The Company is committed to increasing shareholder value through employee excellence. The Board, the Committee, and management all recognize the critical relationship between an employee's knowledge, skill, experience and the success of the Company. As modified effective July 1 2002, the Company's Management Incentive Compensation Plan (MICP) is designed to reward, recognize and motivate all Executive Officers and key management employees for their contributions on a

Edgar Filing: BALDWIN TECHNOLOGY CO INC - Form DEF 14A

corporate-wide and personal basis.

Executive Officers' Disclosure

GENERAL. For each of the executive officers of the Company named in the Summary Compensation Table below, compensation consists of base salary (which is set by the officer's employment agreement), a bonus (which was calculated in accordance with the MICP referred to in the Philosophy section above), stock options (which are tied to the long-term performance of the Company, as reflected by its stock price), and other perquisites. Certain of these executive officers also have supplemental retirement benefits reported in the Supplemental Retirement Benefits section below.

FISCAL 2003 COMPENSATION. Mr. Vijay C. Tharani joined the Company in June 2001 and was elected Vice President, Chief Financial Officer and Treasurer. His base salary is set by an employment agreement with the Company, effective as of June 18, 2001. During Fiscal 2003, due to the Company's overall performance level, Mr. Tharani took a voluntary ten (10%) percent reduction in salary and received no bonus. He was granted options to purchase 30,000 shares of Class A Common Stock of the Company in recognition of his performance in carrying out his duties and responsibilities as Chief Financial Officer.

Mr. Karl S. Puehringer joined the Company in November 2001 and was elected a Vice President. He is now responsible for Baldwin's European operations. His base salary is set by an employment agreement with the Company, effective as of November 1, 2001. During Fiscal 2003, due to the Company's overall performance level, Mr. Puehringer took a voluntary ten (10%) percent reduction in salary and received no bonus. He was granted options to purchase 30,000 shares of Class A Common Stock of the Company in recognition of his performance in carrying out his duties and responsibilities as Vice President.

Mr. Shaun J. Kilfoyle re-joined the Company in September, 2001 and was elected a Vice President in November, 2002. He is now responsible for Baldwin's Americas operations. His base salary is set by an employment agreement with the Company, effective as of January 1, 2003. During Fiscal 2003, due to the

13

Company's overall performance level, Mr. Kilfoyle took a voluntary ten (10%) percent reduction in salary. He was paid the second installment of a sign-on bonus as reflected in the Summary Compensation Table below. He was also granted options to purchase 28,000 shares of Class A Common Stock of the Company in recognition of his performance in carrying out his duties and responsibilities as Vice President.

CEO Disclosure

Mr. Nathe's base salary is set by his employment agreement with the Company (see the Employment Agreements section below). During Fiscal 2003, due to the Company's overall performance level, Mr. Nathe took a voluntary ten (10%) percent reduction in salary and received no bonus. Also during Fiscal 2003, Mr. Nathe's employment agreement was amended to reflect, among other things, a reduction in the total present value amount of deferred compensation benefits payable by the Company to Mr. Nathe by \$750,000 in exchange for an equal reduction in the principal amount of the loan payable by Mr. Nathe to the Company (see "Certain Transactions" below). This amount is included in "Other Compensation" for Mr. Nathe in the Summary Compensation Table below. Mr. Nathe was responsible for his own personal taxes on this transaction.

From November 13, 2001 until his resignation during Fiscal 2003, Mr. John Heald served as Chief Executive Officer of the Company. His base salary was set by his employment agreement with the Company. In October 2001, the Company made

Edgar Filing: BALDWIN TECHNOLOGY CO INC - Form DEF 14A

a loan to Mr. Heald in the principal amount of \$675,000 which Mr. Heald used to purchase shares of Class B Common Stock of the Company. On October 25, 2002, Mr. Heald resigned as President, Chief Executive Officer and a Director of the Company. On November 21, 2002, the Company agreed to reduce by \$225,000 the principal amount of the loan in exchange for Mr. Heald relinquishing his right to receive supplemental retirement benefits from the Company in the same amount.

Deductibility of Compensation under Federal Income Taxes

Based on currently prevailing authority, including Treasury Regulations issued in December, 1995, and in consultation with outside tax and legal experts, the Committee has determined that it is unlikely that the Company will pay any amounts with respect to the fiscal year ending June 30, 2003 ("Fiscal 2003") that would result in the loss of a federal income tax deduction under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), and accordingly has not recommended that any special actions be taken, or plans or programs be revised at this time in light of such tax law provision (except that the Company intends that stock options granted under the 1996 Stock Option Plan have an exercise price which is the fair market value of the stock on the date of grant and that such options qualify as "performance-based compensation" under Section 162(m) of the Code).

- (1) Options to purchase a total of 179,500 shares of Class A Common Stock were granted under the Plan to all optionees as a group during the fiscal year ended June 30, 2003. Of this amount, an aggregate of 25,000 were granted to Directors, and the balance to employees.
 - (2) The exercise price represents the closing price of the Company's Class A Common Stock as traded on the American Stock Exchange on the date of grant.
 - (3) The dollar amounts under the potential realizable values columns use the 0%, 5% and 10% rates of appreciation as permitted by the Securities and Exchange Commission, and are not intended to forecast actual future appreciation in the Company's stock price. Actual gains, if any, on stock options are dependent on the future performance of the Company's stock. There can be no assurance that the amounts reflected in this table will be achieved.
 - (4) All stock options granted during Fiscal 2003 were for a ten (10) year term.
 - (5) No gain to the optionee is possible without an increase in the stock price, which would benefit all stockholders commensurately. A zero percent gain in stock appreciation will result in zero dollars for the optionee.

The following table provides information concerning each option exercised during Fiscal 2003 by each of the executive officers named in the Summary Compensation Table and the fiscal year-end values of unexercised options held by such executive officers granted pursuant to the Plan or pursuant to the Company's 1986 Stock Option Plan:

For purposes of clause (z) above, in the event of (i) any merger or consolidation or sale of substantially all of the assets of the Company or change in control or liquidation of the Company, or (ii) the failure by the Company to observe or comply in any material respect with any of the provisions of the employment agreement, Mr. Nathe may, within six months of any such event, treat such event as a termination, without cause, of his employment by the Company. The employment agreement, as amended, also provides for (a) the payment of annual deferred compensation to Mr. Nathe in the amount of \$102,000 following the termination of his employment with the Company, (b) the Company making an interest bearing loan to Mr. Nathe, in the amount of approximately \$750,000 to facilitate the purchase by Mr. Nathe of Class B Common Stock of the Company from an unrelated party with the loan secured by a pledge of the purchased shares of the Company's Class B Common Stock, and (c) the transfer by the Company to Mr. Nathe, at no cost to Mr. Nathe, of up to one hundred sixty thousand shares of the Company's Class A Common Stock, in four equal installments of 40,000 shares each, when, in the case of the first such installment, the market value of the Company's Class A Common Stock has attained \$7.875 per share and, in the case of each subsequent installment, such market value increases by \$2.00 per share over the market value at which the previous installment was earned. For purposes of clause (d) above, in the event of (i) any merger or consolidation or sale of substantially all of the assets of the Company or (ii) change in control or (iii) liquidation of the Company, or (iv) a material diminution in Mr. Puehringer's duties, then in each such case, Mr. Puehringer will receive a severance payment in an amount equal to his then annual base salary. For purposes of clause (e) above, in the event of (i) any merger or consolidation or sale of substantially all of the assets of the Company or (ii) change in control or (iii) liquidation of the Company, or (iv) a material diminution in Mr. Tharani's duties, in each case, Mr. Tharani may, within six months of any such event, treat such event as a termination, without cause, of his employment by the Company and be entitled to severance pay in an amount equal to his then current annual base salary. Mr. Fortenbaugh was, until September 30, 2001 a partner, and, from October 1, 2001 until August 31, 2002, a senior counsel, of Morgan, Lewis & Bockius LLP.

On November 30, 1993, the Company entered into a loan and pledge agreement with Gerald A. Nathe, President, Chief Executive Officer and a Director of the Company, pursuant to which the Company loaned Mr. Nathe \$1,817,321 to enable him to purchase 315,144 shares of the Company's Class B Common Stock from a non-employee stockholder. The loan was evidenced by a recourse demand promissory note bearing interest equal to the 3-Month LIBOR rate plus 1.25%, such rate to be reset on the first day of each succeeding January, April, July and October, and secured by such purchased shares. The maximum amount of the loan outstanding, including interest, during the year ended June 30, 2003 was \$1,553,000. In February, 2002, the Company and Mr. Nathe amended the loan and pledge agreement and Mr. Nathe issued a substitute recourse demand promissory note for \$1,500,000, the outstanding principal balance on the date thereof, with interest payable annually at a rate of 5%. In August, 2002, the Company and Mr. Nathe amended the loan and pledge agreement and Mr. Nathe issued a substitute recourse demand promissory note for \$750,000 to evidence reduction of the outstanding principal and interest due from Mr. Nathe on the loan by \$750,000 in exchange for an equal reduction in deferred compensation payments to be made by the Company to Mr. Nathe. The reduction represented the then-present value of a portion of Mr. Nathe's deferred compensation benefit that had accrued to Mr. Nathe, and is included as income to Mr. Nathe for Fiscal 2003 in "All Other

Compensation" in the Summary Compensation Table above. Mr. Nathe was responsible for and paid all income taxes associated with the exchange.

On October 17, 2001, the Company entered into a loan and pledge agreement with John T. Heald, Jr., then President and Chief Executive Officer and a Director of the Company, pursuant to which the Company loaned Mr. Heald \$675,000 to enable him to purchase 375,000 shares of Class B Common Stock from the Company. The loan was evidenced by a recourse demand promissory note bearing interest at five (5%) percent per annum. The maximum amount of the loan outstanding, including interest, during the year ended June 30, 2003 was \$711,893. In connection with Mr. Heald's resignation as President, Chief Executive Officer and a Director of the Company in October, 2002, the Company and Mr. Heald agreed to amend the loan and pledge agreement to evidence a reduction in the principal amount of the loan due from Mr. Heald by \$225,000 in exchange for a reduction, by an equal amount, in the amount of deferred compensation benefits due by the Company to Mr. Heald. The reduction represented the then present value of the vested portion of Mr. Heald's deferred compensation benefit that had accrued to Mr. Heald, and is included as income to Mr. Heald for 2003 in "All Other Compensation" in the Summary Compensation Table above. Mr. Heald has appointed the Chief Executive Officer of the Company his revocable proxy to vote the Class B Common Stock which he pledged as collateral for the loan, so long as any amounts of principal or interest remain outstanding under said loan.

INDEPENDENT PUBLIC ACCOUNTANTS
