PROXY STATEMENT

**For Annual Meeting of Stockholders
To be Held on June 5, 2007**

Proxies in the form enclosed with this statement are solicited by the Board of Milestone to be used at the Annual Meeting of Stockholders and any adjournments thereof, to be held at Brown, Rudnick, Burlack and Israel, 7 Times Square, New York, NY, on June 5, 2007 at 10:00 a.m., local time, for the purposes set forth in the Notice of Meeting and this Proxy Statement. The Board knows of no other business which will come before the meeting. This Proxy Statement and the accompanying proxy will be mailed to stockholders on May 4, 2007.

THE VOTING AND VOTE REQUIRED

Record Date and Quorum

Only stockholders of record at the close of business on the Record Date, are entitled to notice of and vote at the Annual Meeting. On the Record Date, there were 11,703,267 outstanding shares of common stock, par value \$.001 per share. At the Annual Meeting, each share of common stock is entitled to one vote. In the aggregate, 11,703,267 votes may be cast at the Annual Meeting. Shares represented by each properly executed, unrevoked proxy received in time for the meeting will be voted as specified.

Voting of Proxies

The persons acting as proxies pursuant to the enclosed proxy will vote the shares represented as directed in the signed proxy. Unless otherwise directed in the proxy, the proxyholders will vote the shares represented by the proxy: (i) for election of the director nominees named in this Proxy Statement; (ii) for ratification of the appointment of Eisner LLP as independent auditors to audit the financial statements of the Company for the fiscal year ending December 31, 2007; and (iii) in the proxyholders' discretion, on any other business that may come before the meeting and any adjournments of the meeting.

All votes will be tabulated by the inspector of elections appointed for the Annual Meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes. Under the Company's bylaws and Delaware law: (1) shares represented by proxies that reflect abstentions or broker non-votes (i.e., shares held by a broker or nominee that are represented at the meeting, but with respect to which such broker or nominee is not empowered to vote on a particular proposal) will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum; (2) there is no cumulative voting, and the director nominees receiving the highest number of votes, up to the number of directors to be elected, are elected and, accordingly, abstentions, broker non-votes and withholding of authority to vote will not affect the election of directors; and (3) proxies that reflect abstentions or non-votes will be treated as unvoted for purposes of determining approval of that proposal and will not be counted as votes for or against that proposal.

Voting Requirements

Directors are elected by a plurality of the votes cast at the meeting. The affirmative vote of a majority of votes cast for or against the matter by stockholders entitled to vote is required to ratify the appointment of independent auditors.

Revocability of Proxy

A proxy may be revoked by the stockholder giving the proxy at any time before it is voted by delivering oral or written notice to the Corporate Secretary of Milestone at or prior to the meeting, and a prior proxy is automatically revoked by a stockholder giving a subsequent proxy or attending and voting at the meeting. Attendance at the meeting in and of itself does not revoke a prior proxy.

Committees of the Board of Directors

Milestone's Board has established audit, compensation and nominating committees. The Compensation Committee reviews and recommends to the Board the compensation and benefits of all the officers of Milestone, reviews general policy matters relating to compensation and benefits of employees of Milestone, and administers the issuance of stock options to Milestone's officers, employees, directors and consultants. All compensation arrangements between Milestone and its directors, officers and affiliates are reviewed by the Compensation Committee, the majority of which is made up of independent directors. The Audit Committee meets with management and Milestone's independent auditors to determine the adequacy of internal controls and other financial reporting matters.

Attendance at Committee and Board of Directors Meetings

During the year ended December 31, 2006, the Board held seven meetings. All directors attended more than 75% of the number of meetings of the Board and its committees on which they served. It is Milestone's policy that directors are invited and encouraged to attend the Annual Meeting. All of our directors attended the 2006 Annual Meeting.

Compensation Committee

The Compensation Committee reviews and recommends to the Board the compensation and benefits of all officers of the Company, reviews general policy matters relating to compensation and benefits of employees of the Company, and administers the issuance of stock options to the Company's officers, employees, directors and consultants. The Compensation Committee is comprised of Leonard M. Schiller and Jeffrey Fuller. During the year ended December 31, 2006, the Compensation Committee held one meeting.

Audit Committee

The Audit Committee was established to meet with management and the Company's independent accountants to determine the adequacy of internal controls and other financial reporting matters. The Board adopted a revised written charter for the Audit Committee in July, 2005 (the Charter). The Audit Committee reviewed the Company's audited financial statements for the year ended December 31, 2006 and met with the management of the Company to discuss such audited financial statements. The Audit Committee has discussed with the Company's independent accountants, Eisner LLP, the matters required to be discussed pursuant to Statement on Accounting Standards No. 61; has received the written disclosures and the letter from Eisner LLP required by the Independence Standards Board Standard No. 1; has discussed with Eisner LLP its independence from management and the Company; and has given Eisner LLP full and free access to the Audit Committee. Based on its review and discussions, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-KSB. The Audit Committee is comprised of Leonard M. Schiller, Leslie Bernhard and Jeffrey Fuller, all of whom are independent as defined in the applicable listing standards. The Board has determined that Jeffrey Fuller qualifies as an Audit Committee Financial Expert and is independent as defined in applicable federal securities laws and regulations. During the year ended December 31, 2006, the Audit Committee held four meetings.

Nominating Committee

The Company formed a Nominating Committee in May 2004. The members of the Nominating Committee are Leonard M. Schiller and Jeffrey Fuller, each of whom is qualified as independent under the applicable listing standards.

The Nominating Committee will consider director candidates recommended by stockholders. In considering candidates submitted by stockholders, the Nominating Committee will take into consideration the needs of the Board and the qualifications of the candidate. The Nominating Committee may also take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held. To have a candidate considered by the Nominating Committee, a stockholder must submit the recommendation in writing and must include the following information: the name of the stockholder and evidence of the person's

Table of Contents

ownership of Company stock, including the number of shares owned and the length of time of ownership; the name of the candidate, the candidate's resume or a listing of his or her qualifications to be a director of the Company; and, the person's consent to be named as a director if selected by the Nominating Committee and nominated by the Board.

The stockholder recommendation and information described above must be sent to the Company's Chief Financial Officer at 220 South Orange Avenue, Livingston Corporate Park, Livingston, NJ 07039 and must be received not less than 120 days prior to the anniversary date of the Company's most recent annual meeting of stockholders.

The Nominating Committee believes that the minimum qualifications for service as a director of the Company are that a nominee possess an ability, as demonstrated by recognized success in his or her field, to make meaningful contributions to the Board's oversight of the business and affairs of the Company and an impeccable reputation of integrity and competence in his or her personal or professional activities. The Nominating Committee's evaluation of potential candidates shall be consistent with the Board's criteria for selecting new directors. Such criteria include an understanding of the Company's business environment and the possession of such knowledge, skills, expertise and diversity of experience so as to enhance the Board's ability to manage and direct the affairs and business of the Company, including when applicable, to enhance the ability of committees of the Board to fulfill their duties and/or satisfy any independence requirements imposed by law, regulation or listing requirements.

The Nominating Committee may also receive suggestions from current Board members, company executive officers or other sources, which may be either unsolicited or in response to requests from the Nominating Committee for such candidates. The Nominating Committee also, from time to time, may engage firms that specialize in identifying director candidates.

Once a person has been identified by the Nominating Committee as a potential candidate, the Nominating Committee may collect and review publicly available information regarding the person to assess whether the person should be considered further. If the Nominating Committee determines that the candidate warrants further consideration, the Chairman or another member of the Nominating Committee may contact the person. Generally, if the person expresses a willingness to be considered and to serve on the Board, the Nominating Committee may request information from the candidate, review the person's accomplishments and qualifications and may conduct one or more interviews with the candidate. The Nominating Committee may consider all such information in light of information regarding any other candidates that the Nominating Committee might be evaluating for membership on the Board. In certain instances, Nominating Committee members may contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments. The Nominating Committee's evaluation process does not vary based on whether or not a candidate is recommended by a stockholder, although, as stated above, the Board may take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held.

The Nominating Committee adopted a revised written charter in July 2005, which is available to security holders on Milestone's website at www.milestonescientific.com.

Stockholder Communication with the Board of Directors

The Board has established a process to receive communications from stockholders. Stockholders and other interested parties may contact any member (or all members) of the Board, or the non-management directors as a group, any Board committee or any chair of any such committee by mail or electronically. To communicate with the Board, any individual director or any group or committee of directors, correspondence should be addressed to the Board or any such individual directors or group or committee of directors by either name or title. All such correspondence should be sent c/o Corporate Secretary at 220 South Orange Avenue, Livingston Corporate Park, Livingston, NJ 07039. All communications received as set forth in the preceding paragraph will be opened by the Corporate Secretary of the

Company for the sole purpose of determining whether the contents represent a message to our directors. Any contents that are not in the nature of advertising, promotions of a product or service, patently offensive material or matters deemed inappropriate for the Board will be forwarded promptly to the addressee. In the case of communications to the Board or any group or committee of directors, the Company's Corporate

In 2006 we adopted an equity compensation plan for the issuance of up to 300,000 shares of our common stock in lieu of cash compensation for services performed by employees, officers, directors and consultants (the 2006 Stock Plan). The purpose of the 2006 Stock Plan is to conserve cash while allowing use to adequately compensate existing employees, officers, directors and consultants, or new employees, officers directors and consultants, whose performance will contribute to our long-term success and growth. We believe that the availability of these shares will also strengthen our ability to attract and retain employees, officers, directors and consultants of high competence, increase the identity of interests of such people with those of our stockholders and help maintain loyalty to us through recognition and the opportunity for stock ownership. All shares granted under this plan will be at fair market value, or at a premium to that value, on the date of grant.

During 2006, 98,089 shares of common stock valued at \$105,833 were granted under the 2006 Stock Plan for the following reasons:

for consulting services, 17,493 shares valued at \$20,250; and

as part of annual compensation and severance, 80,596 shares valued at \$85,583 were issued to three employees and two former employees.

Additionally, in satisfaction of payables owed in connection with warehousing and fulfillment services and exhibition facilities, we issued 44,068 shares valued at \$46,000 to two of our vendors (the Vendor Shares). The Vendor Shares were issued in reliance upon the exemption from the registration requirements of the Act, as provided in Section 4(2) thereof, as a transaction by an issuer not involving a public offering. We reasonably believed that each vendor had such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of the investment, each vendor represented an intention to acquire the securities for investment only and not with a view to distribution thereof and appropriate legends were affixed to the stock certificates. No commissions were paid in connection with such issuances.

Compensation of Directors

Milestone paid no cash or stock based compensation to the directors in 2006. On June 20, 2006, Milestone awarded, to each of its independent directors, options expiring June 19, 2011 for the purchase of 20,000 shares of its common stock, half of which are exercisable immediately and the remaining half exercisable on June 20, 2007 at \$.83 per share with respect to the year starting with Milestone s 2006 annual meeting and ending with Milestone s 2006 annual meeting.

Under the new agreement Mr. Osser receives base compensation of \$300,000 per year, payable one half in cash and one half in common stock valued at the average closing price of the common stock during the first 15 trading days in the month of December during each year of the term. While the number of shares to be issued will be determined each year, the stock will not be issuable until the end of the term of the agreement. In addition, Mr. Osser may earn annual bonuses up to an aggregate of \$300,000, payable one half in cash and one half in common stock, contingent upon Milestone achieving predetermined annual operating cash flow, revenue and earnings targets. For 2006 none of the predetermined annual operating targets were achieved, although he could have earned a \$100,000 bonus based upon Milestone achieving break-even cash flow from operations, a \$100,000 bonus based upon Milestone achieving net revenues of \$7,000,000 and a \$100,000 bonus based upon Milestone achieving break-even earnings determined in accordance with generally accepted accounting principles. The cash flow bonus and the earnings bonus will not be payable to the extent that the payment thereof will reduce operating cash flow or earnings below break-even, respectively. For purposes of the agreement operating cash flow shall mean cash flow from operations plus accounts receivable increases and less accounts payable increases. Shares of common stock issued in partial payment of bonuses will be valued at the average closing price of the common stock during the first 15 trading days in the month of December during each year of the term. The stock portion of the bonus awards, if any, will be paid at the end of the term of the agreement.

In addition, if during any year of the term of the agreement Mr. Osser earns a bonus under the above formula, he shall also be granted 5-year stock options to purchase twice the number of shares earned under the above formula, each such option to be exercisable at a price per share equal to the fair market value of a share on the date of grant (110% of fair market value if Mr. Osser is a 10% or greater stockholder on the date of grant). The options shall vest and become exercisable to the extent of one-third of the shares covered at the end of each of the first three years following the date of grant, but shall only be exercisable while Mr. Osser is employed by Milestone or within 30 days after the termination of his employment.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires Milestone's officers and directors, and persons who own more than ten percent (10%) of a registered class of Milestone's equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission (SEC). Officers, directors and greater than ten percent (10%) stockholders are required by SEC regulations to furnish Milestone with copies of all Section 16(a) forms they file.

To the best of Milestone's knowledge, based solely on review of the copies of such forms furnished to Milestone, or written representations that no other forms were required, Milestone believes that all Section 16(a) filing requirements applicable to its officers, directors and greater than ten percent (10%) shareholders were complied with during 2006.

Householding

The SEC's rules permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report addressed to those stockholders. This process, which is commonly referred to as householding, potentially provides extra convenience for stockholders and cost savings for companies. Some brokers household proxy materials and annual reports, delivering a single proxy statement and annual report to multiple stockholders sharing an address, although each stockholder will receive a separate proxy card. Once you have received notice from your broker that they will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If at any time you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, please notify your broker. If you would like to receive a separate copy of this year's Proxy Statement or Annual Report, please address your request for delivery of the Proxy Statement and/or Annual Report to David Cohn, Chief Financial Officer, Milestone Scientific Inc., 220 South Orange Avenue, Livingston Corporate Park, Livingston, New Jersey 07039.
